Viet Nam Veteran Gives Good Report

In a recent news interview in a Rortales, N Mex, newspaper, Capt Wesley Linder, who has recently returned home after spending a year in Viet Nam, sounds a very encouraging note about the war.

He states that we are definitely making progress in Viet Nam, in spite of many adverse reports. He says that we are winning the war, we are gaining control, we are slowly gaining the confidence of the South Vietnamese, and despite the Viet Cong sneak attacks, there is overall headway to report.

He also says that the average American serviceman in Viet Nam is dedicated to his job, believes the United States is taking the only course open, and cannot understand the thinking of demonstrators over here who march, demonstrate and picket.

Capt. Linder is a grandson of Mr. and Mrs. Roy McKee of Hedley.

LEGION NEWS

The local post is lagging in membership. A good many of last year's members haven't paid their dues for 1968. Several who have 20 years or more consecutive membership cards have dues still unpaid for this year.

Unless paid soon the post will have only 4 votes to cast at the district convention. This will be the lowest number in over 20 years.

The convention will be held in Childress Saturday and Sunday, April 27 and 28, at which time new district officers will be elected for a two year term and other business pertaining to veterans will be acted upon. Roy Beard of Amarillo is the retiring District Commander.

Garden Club

The Garden Club will meet at the Lions Den on April 2nd at 3 p. m. Hostesses include Mrs. Eleonora Stuckey, Mrs. Clyde Grimsley and Mrs. Bill Wiggins.

Leader for the program will be Mrs. Myrtella Deahl. On the program are Mrs. Luther Petty and Mrs. Clyde Hoggard.

Junior Class Play

The Junior class of Hedley High School will present Oh, Promise Me!, a three-act farce by Pete Williams, on Friday, March 29, at 8:00 in the school cafeteria.

Millionaire playboy, Barry Hollis, has just graduated from Princeton and come into a three million dollar inheritance. He has very good intentions of settling down to become a solid citizen, but every time he sees a pretty girl, he forgets everything—everything except pretty girls. Everyone knows that pretty girls and good intentions of becoming a solid citizen just don't mix. At any rate Barry feels this way. This play cast is filled with pretty girls and each time Barry sees one, his life becomes more complicated, and his ability to concentrate on his business becomes less. He is driven to kidnapping a baby, "acquiring" a wife, and losing his millions to try to get the "one and only girl he has ever looked at twice." If you are able to decide which girl is his only true love, you will be far ahead of anyone in the play.

The cast is as follows:

Seth Miller, a lawyer, Bobby Hoggard

Furber, a butler, Lynn Holland
Barry Hollis, a young Millionaire, Leon Ward

Mrs Sue Hollis, his aunt, Joan Leggitt

June Hollis, his sister, Kathy Skaggs

Kathleen, the cook, Judy Leggitt

Ann Furber, a young actress, Pat Tisdale

Patsie Linden, a dancer, Kim Steele

Mrs Linden, her mother, Tobi Rowell

Gladys Vance, a dream-girl, Pam Myers

Ralph Saunders, a man with a purpose, Dewayne George

Mrs. Jones, a young mother, Peggy Bain

Admission to the play will be fifty and twenty-five cents.

Card of Thanks

We wish to express our appreciation for the cards, visits, gifts, and especially for the prayers from our friends while Odell has been ill.

Sincerely,
L. D. and Odell Moore
and family

Bank Balance and Loan Verification

Banking Commissioner J. M. Falkner has announced that the Texas Banking Department is expanding its normal routine examination procedures to include a program of direct verification of deposit and loan balances in State-chartered banks in Texas. He said that during future examinations Examiner personnel will mail verification forms to bank customers whose accounts are selected on a random sampling basis. The forms will request the customer to verify the deposit or loan balance indicated, to indicate any discrepancies which might be noted, and to return the form to the Banking Department. In the event of differences or discrepancies, further contact with the customer will be made.

As well as being a means of discovery of bank employee error or misappropriation, verification programs provide a psychological de-

terrent against defalcations. "It is hoped that the banking public will not be unduly concerned upon the receipt of these requests for verification of its banking activities, and bankers are being asked to publicize the project in their locales," Commissioner Falkner said.

An opinion poll of 12 questions is being mailed to voters in the 31 Panhandle and South Plains Counties, Congressman Bob Price announced today.

Three of the questions are on U. S. policy in Vietnam, one on the President's proposed tax increase and one on crime and civil disorder. Others are mostly on domestic issues—the war on poverty, proposed firearms legislation, Federal-State tax sharing and farm policy.

"I would like to have included more questions," Price said, "but I believe the ones I used represent some of the more critical issues with which this session of Congress will be concerned."

Price said results of the IBM punch-card questionnaire would be machine tabulated and announced through news media.
