WHITTLIN'

By DOLPH MOTEN

Several improvements for this community are presently on the drawing board or in the minds of community leaders. That's as it should be in a progressive, prosperous town, be it large or small.

Probably one of the most controversial of the needed, proposed improvements is the new football field and facilities which many people in the community think is needed urgently . . . and a few others think we could get along just as well without.

With the Mustangs advancing to Class A after the just-finished season, next year, in other words, new football field facilities can appropriately be placed under the "urgent" heading of school needs. The present field has hardly been adequate during the past few years for Class B competition, much less when we move up a classification notch.

The advancement to Class A will increase the size of the crowds; maybe as much as double them or more. This might seem strange to those who haven't thought about it, but it's true. You need only to look at the size of the crowds at past games between Class A teams in the district which Bovina is joining to verify this. Almost 100 per cent of the people will agree, we're sure, that a new football field would be a nice thing to have and even non-sports fans would be in agreement, except that there's the age-old problem of how we're going to pay for something better.

There, understandably enough, is where the rub comes in. Funds could be provided in one of three or four different ways, according to our limited information, and the cost certainly won't be prohibitive for this community. It's possible that a tax increase may be necessary, either through a bond election or by an increase in tax rate.

Those who oppose the new football field will object to either way, so it matters but little which method is used to provide the funds.

Critics of the sports expansion program will say that the money should be used for improving the school from a scholastic standpoint and using what's left, if any, for athletics.

We have no bone to pick, no axe to grind, with those who sincerely want to see the school improved scholastically. As a matter of fact, we won't it to be as good as it can possibly be in that area and we'll do what we can to encourage its being that way.

There's no reason, though, that we can see, why we can't have an exceptionally good school with a fine athletic program and facilities at the same time.

All too often, people who say, "Don't spend the money for athletics because it's needed for more important things," are, in reality, saying, "Just don't spend any money period, I don't want to pay anymore school taxes."

Going into Class A with our present football field, field house and facilities for track and field meets is about like trying to do a Quarterhorse's work on a Shetland or to cross the Atlantic in a sailboat.

It's not impossible and it can be done, but it would certainly be a poor way to go about it.

According to information we have, the gate, the amount of money taken in when Bovina and Farwell meet on the gridiron in Bovina is about half the amount it is when the two rival teams meet in Steer Stadium. The reason for this is not that twice as many people from Farwell go to football games.

It's because too many people won't come to games here because they know they won't be able to find a decent seat from which to watch the contest.

If the community or the school district couldn't afford better and more adequate facilities for the most popular high school sport, our argument here in fact . . .

Encourage Reading Of Bible

Bovina area ministers are encouraging people of the community to participate in a daily Bible reading program during the advent season.

The local emphasis is part of a world-wide Bible reading program sponsored by the American Bible Society, according to J. B. Fowler, Jr., pastor of Bovina Methodist Church. "Every person in the community is invited to join in daily Bible reading," Fowler says. "The material and, if needed, a copy of the Bible will be provided to anyone requesting it. Just call the Methodist Church at 238-2151."

The American Bible Society, sponsor of the program, is an interdenominational organization which exists for the purpose of translating, distributing and promoting the reading of the Holy Scriptures.

The Society provides copies of the Scriptures and suggests daily readings for each day of advent which climaxes in the reading of the Christmas story.

Charles Smith Freeze Champ

Charles Smith, manager of Union Compress and Warehouse Co. here, is Bovina's Champion First Freeze of the Fall Predictor.

Smith earned the title and a \$5 cash award by correctly naming the date of the first freeze of this fall, Saturday, November 27.

He was the only one of 90 contestants to name the correct date. His entry was submitted some three days prior to the first freeze.

Willie Williams, Bovina weatherman, served as contest judge and declared the date of the first freeze. The temperature dropped to a shivering 25 degrees that morning.

BHS Basketball Teams Launch New Season

In a new year, with a new coach, Bovina Mustangs and Fillies begin the '65-'66 basketball season here Tuesday night against Farwell.

The new coach is Darrel Read, a former BHS star, who will direct both squads.

The Fillies are defending bi-district champions. The Mustangs are at the other extreme--hoping to improve on last year's season which saw them win only one game.

One starter is returning from last season's championship Fillies team. She is Cathy Minyen, senior guard. Coach Read says he expects to field a "good" girls team with a lack of experience expected to be the biggest drawback.

Other girls expected to be members of the A squad are Gwen Christian and Patsy Cumpton, seniors; and Carol Kirkpatrick, sophomore; forwards; Judy Minyen, sophomore, forward and guard; Con-

nie Vaughn and Brenda Pruitt, seniors; and Janice Boothe, junior; guards.

B team forwards include Diane Stowers, LaNelle Christian and Roxie Hutto, sophomores; and Beth Hutto, Martha Adams and Brenda Dilger, freshmen.

Guards on the B team are Candy Fleming and Sherri Hut-

Bovina's Mustangs, District 1-B co-champions, earned two berths on the 22-man all-district football team. Roman Ramirez, 216-pound star senior tackle, captured two of those positions.

Scotty Rundell, also a senior, was named to a first team halfback post and Dean Stanberry, a junior was selected as a defensive halfback.

Ramirez was a unanimous choice as defensive end and offensive tackle. Rundell's selection was also unanimous.

The Vega Longhorns, finishing in a tie with Bovina for the championship, dominated the mythical team. They had players at nine of the 22 positions. Nazareth players were voted to five of the positions while Happy and Bovina had four each.

Lazbuddie, Texline and Hart failed to have a man on the first 22.

Balloting on all-district players was done by coaches at a meeting in Hereford following completion of district play.

One of the surprises of the Dream Team voting was that Marvin Hoelting, the flashy,

scrambling quarterback of the Nazareth Swifts who led his team to an upset win over the Mustangs, was named to an offensive position. John Halliburton of Vega is the all-district quarterback. Hoelting made the team at a defensive halfback post, however.

Mustangs receiving honorable mention were Rundell, middle linebacker; Donnie McKinney, offensive guard and defensive end; Eddi Corn, offensive tackle and defensive guard; Kenneth Webb, offensive end and linebacker; Billy Mar-

shall, center; Carl Harris, fullback; Stanberry, offensive halfback and Jerry Roach, quarterback and defensive halfback.

Following is a complete list of the all-district team:

OFFENSE
GUARDS -- Ronnie Dewees, Vega, senior; and Loyd Rahifs, Happy, junior;

TACKLES -- Ramirez and Jerry O'Connor, Vega, senior;

ENDS -- Mike Richardson, Vega, senior; and Tom Pohlmeier, Nazareth, senior;

CENTER -- Jimmy Brad-dock, Nazareth, senior;

HALFBACKS -- Rundell and Kenny Purcell, Vega, senior;

FULLBACK -- Randy Johnson, Happy, senior;

Rummage Sale Nets \$90 More

Another \$90 was added to Bovina's community clinic fund following Saturday's weekly rummage sale.

This brings the total earned in operation of the sale for three weeks to \$346.

Held in the former fire station building on Main Street, the sale will be conducted again this week.

Mrs. Aubrey Brock and Mrs. Reagan Looney will be in charge of it this week. They request that people bring toys, games, bedspreads and curtains as well as other rummage sale items.

All profits from the rummage sales are going into a special fund for a community clinic for Bovina.

People wishing to donate items may leave them at the sale building during the week. A key is available at the city hall, next door, during regular office hours.

Family Feud --

Brawl Friday Injures Five

A feud between two families at Bovina Gin labor housing Friday night resulted in at least five people being wounded.

According to a report from Deputy Sheriff Henry Minter, three members of the Falcon family were injured and Cecil Garcia, Sr., 40, and Cecil, Jr., 17 were also hurt.

The elder Garcia probably received the most serious wounds, three knife stabs in his body and a cut across his face, according to Minter. Garcia is still confined to Parmer County Community Hospital in Friona.

The others who were injured were treated at the hospital and have been released.

Write Now To Santa

Christmas is almost here again and that means it is time for all children to start writing their letters to Santa Claus.

Boys and Girls: Not only will your letter be printed in the paper, but when you send your letter to Santa Claus, in care of The Bovina Blade, a copy will be forwarded to the North Pole for direct delivery to Old Santa.

The letter should tell Santa the special things that you wish to find under your tree, and maybe you should tell him whether you have been good.

Since the Christmas edition of the Blade has an early deadline, it is necessary that all letters be mailed before December 14.

Moses Falcon, 26, was shot in both hands with a .22, Maria Falcon, 52, was shot in the left hand and Moses Falcon's sister, Maria Longoria, 32, had a severe gash in her head from being struck with an object, possibly a pistol.

Cecil Garcia, Jr. had a cut on his right hand.

Moses Falcon is in jail in Farwell. There is a warrant for the arrest of the elder Garcia when he is released from the hospital.

Sheriff Chas. Lovelace, Minter and City Marshal Bill Denney investigated the brawl. They answered a call to the site of the fight about 9 p.m. Friday.

Beats George On Tiebreakers --

Allen Cumpton Wins Contest Grand Prize

Allen Cumpton is winner of 1965 Bovina Business Cotton Bowl Football Contest.

Cumpton rallied the final week of the contest, last week, to name nine winners and earn a tie with Ronnie George of Friona for the top spot. Cumpton then edged George when the tiebreaker scores were considered.

Over the 13-week season, Cumpton was off on the tiebreakers by a total of 187 points while George missed the 13 tiebreakers by a total of 226 points.

Going into the final week, Cumpton was tied with Coach Roy Stone for second place, one point off the pace set by the leaders, George and Emmett Tabor, a former winner. George named eight winners last week to allow Cumpton to pull into the tie. Stone and Tabor had seven each.

The winner's rallying effort also allowed him to win second place weekly prize money of \$3.

Cumpton won two tickets to

the Cotton Bowl football game between Arkansas and LSU, paid hotel reservations for two and \$55 expense money.

Cumpton tied George in total standings with 99 points of a possible 130.

Cumpton and George finished with an average of .761, which is the highest ever in the six-year-old contest. Emmett Tabor completed the 1963 version of the contest with a total of 98 which is the closest any-

one has ever come. Cumpton finished with 84 in '64, with 92 in '63 and 79 in '60. He also won \$8 in weekly money in '65.

Contest winners in previous years were Neil Smith in 1960,

Erith Hawkins in 1961, Tabor in 1962, Paul Jones in 1963, and Jeanne Kerby in 1964.

John McFarland took first place honors in this week's contest by naming nine of ten winners and missing the tiebreaker by 10 points to Cumpton's 11 points.

Wilson DiCuffa took third place with eight winners named correctly, besting seven other contestants who also named eight by missing the tiebreaker score by only seven points.

Others naming eight in this week's contest were Bill Askman, Alan Carson, Bill Read, Darrel Read, Barbara Griffith, Bobbie McFarland and Lonnie McFarland.

Of the 59 entries in this week's contest, two named nine, eight named eight, 14 named seven, 15 named six, nine named five, seven named four and four named three winners correctly.

Other contestants who broke the 90 point mark were DiCuffa and Stone with 97; Mack Ragsdale and Jewel Tabor, 95; Eldon Smith, 94; Tom Bonds, Barbara Griffith, Kathryn Johnston and John Wilson, 93; Genevive Ezell, 92; Dixie Carson, Gene Ezell, and Albert Johnson, 91; Gary Carson, Glen Hromas and Paul Jones, 90.

Sponsors of the contest were Bonds Oil Co., First State Bank, Shirley Grain Co., Cicero Smith Lumber Co., Bovina Gin Co., Charles Oil Co., Bovina Wheat Growers, Inc., Okla. Lane Gin, Bovina Insurance, and Big Nick Machinery.

New Building --

Post Office Work Starts

Construction work started this week -- Monday -- on Bovina's new post office building.

Completion date for the structure, which will be brick and contain 1794 square feet, is early in March.

The new post office will be located on the northwest corner of the intersection of Second Street and Avenue B.

The building will be owned by The Hlavinka Co. of East Bernard. Contractor for the job here is E. J. (Buddy) Groba of Houston. Louis Buzan is superintendent and will be in charge of the work.

The new building will be approximately two times as large as the present building on Main Street, according to Gene Ezell, postmaster.

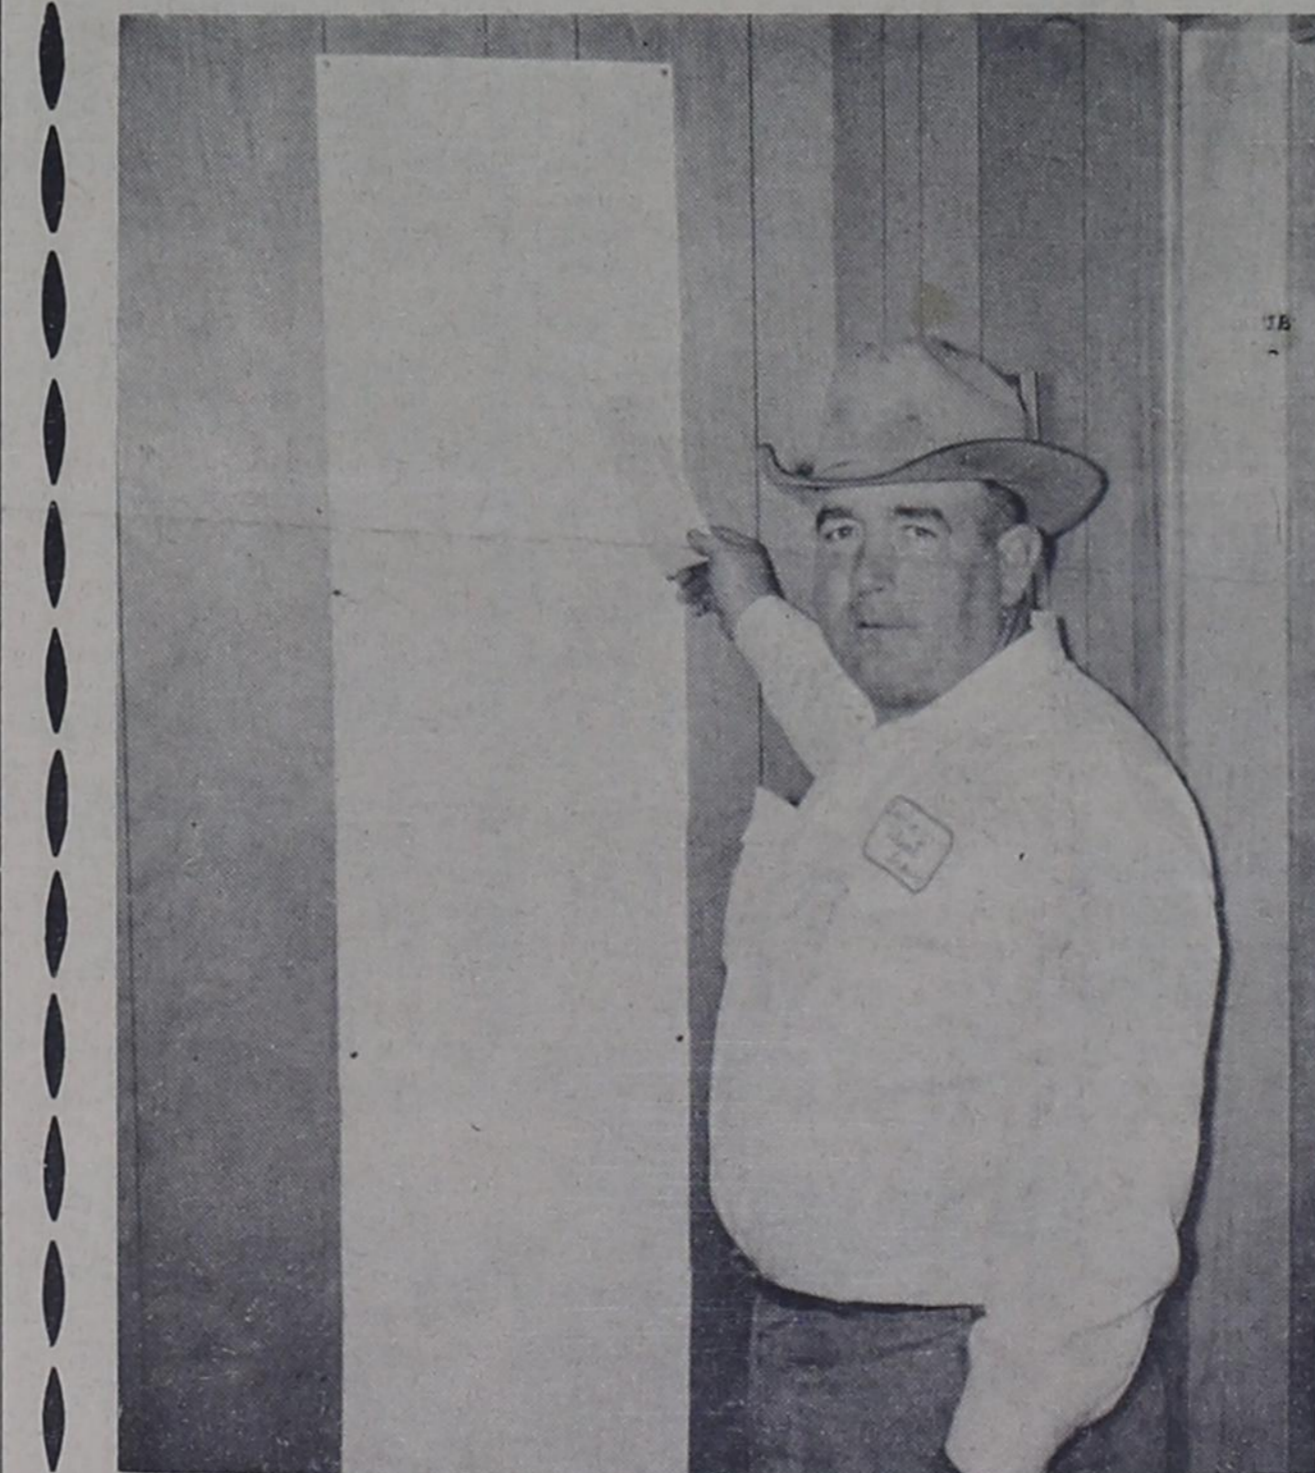

G. I. Forum Establishes Scholarship

Members of Bovina chapter of American G. I. Forum will begin accepting donations this week for a scholarship fund, announces Mike Barraza, secretary of the organization, which has education as its primary purpose.

A set of passenger car tires will be given away later this month.

Profits from the promotion will be put in the scholarship fund to help a deserving student from Bovina High School attend college.

Barraza says it is hoped that one or more scholarships may be awarded on an annual basis.

FOOTBALL CONTEST WINNER -- Allen Cumpton is winner of Bovina Business 1965 Football Contest. He tied for the top spot with Ronnie George of Friona but was named the winner of the contest by being closer to the tiebreaker scores over the 13-week period. Cumpton is shown with his winning total of 99 points out of a possible 130 with his \$3 check he earned for finishing second in the final weekly contest. The grand prize is an expense-paid trip for two, including tickets, to the Cotton Bowl in Dallas January 1.

vor of them would be foolish. It's not a question of whether we can afford it; the question is do we want it and are we willing to pay for it? Successful athletic teams can be the basis for a great deal of community pride which carries over into other parts of community life. Bovina has seen that happen as much as most communities its size and has had its people united on many occasions for that reason. Adequate facilities and community interest will do much to bring about the success of sports team. We're for building a new football stadium, complete with fieldhouse, concession stands,

ticket booths and all. And we're for doing it in such a manner that everyone in the community, be he sports fan or belly-aching taxpayer, can point to it with pride for years to come and say, "Look what a fine place to play our football teams have."

Progress is always painful . . . and more often than not, costly. But wouldn't you hate to do without it?

President Cleveland suffered from cancer of the month during his second term of office.

The Achievement Banquet was the climax to the 4-H project work for 1965 and it was well attended. Bovina 4-H Club leaders was in charge of the arrangements and decorations. Mr. and Mrs. Earle Hise, Vivian, Mrs. Travis Dyer and Brenda spent a lot of time getting ready for the banquet. Dale Blackstone did a real professional like job as master of ceremonies. James Schlenker, Wayne Scheuler, Kathryn Gober and Jan Jamison performed in a manner that was a credit to 4-H as well as themselves. All of this is part of 4-H work, acceptance of leadership and training for this.

Seems like there is always something that is left undone, no matter how hard we try. Through error two names were left off the leader list and they were not publically given recognition at the banquet, that they so well deserved. Mrs. Dwayne Nance of Farwell and Mrs. Adrian Weir of Lazbuddie. I know these leaders are not seeking "glory and praise," but have a sincere desire to be of service in the training of 4-H girls. Both are excellent leaders. My most sincere apology to them.

A new leader, Mrs. Paul Lloyd of Bovina, will be working with first year 4-H girls in food projects for awhile until Mrs. Howard Snell is free to take over as leader. We appreciate her help and interest and I'm sure the parents will give

her their full cooperation in this project work. Eight girls, and four leaders met in the home of Mrs. Carl Schlenker last week for a lesson in Home Improvement project. Mrs. Earl Jamison is their leader and called the meeting. I showed slides from the Research Laboratory on home lighting and discussed light for study centers. Some of the girls plan to provide study centers for their rooms. Thanksgiving Day has come and gone and now everyone is looking forward to the Christmas holiday season. We want to make them as joyous, happy and safe as possible. TIPS ON HOLIDAY FOOD PREPARATION Here's a word of caution regarding holiday food preparation, on how to safely prepare favorite foods. Take the much loved dressing or stuffing for that turkey. This holiday treat usually contains bread crumbs, seasonings, chicken broth, fat, perhaps and egg or two, and sometimes chestnuts and meats. Chances of bacterial growth are great, because the small pieces of food are handled often when the stuffing is prepared! Stuff the turkey just before roasting it and combine the ingredients just before cooking time. If pork is to be added to the stuffing, such as sausage, be sure it is thoroughly cooked. You should never partially cook a bird ahead of time. If

you do, the stuffing will only be warm by the time the bird is ready to be eaten. If the stuffing is not thoroughly cooked, bacterial growth will form.

You must be careful to thoroughly cook all holiday foods. In five hours, there can be enough toxin to cause illness. In seven hours, at room temperature, the possibility of poisoning is even greater. Have a safe, pleasant holiday. Don't let undercooked food spoil it.

This is hunting season and many will be bringing in game. We have a very good bulletin titled "Wild Game-Care Cooking." Come by the Extension office on second floor of the courthouse and pick up a copy free - or write or call 481-3619 and a copy will be mailed to you.

4-H Gold Star Boy and Girl, James Schlenker and Kathryn Gober were present for the Annual Gold Star Banquet held Saturday night in Amarillo. Their parents were also present for the occasion along with the County Extension Agents. It was an inspiration to see boys and girls take charge and assume leadership of such an event.

Plans are shaping up for Parmer County 4-H Achievement Award banquet to be held in Bovina Saturday, November 20th at the School lunch cafeteria, Dale Blackstone, 4-H Council Chairman will preside over this meeting, where awards will be given.

Fashion Notes - "Granny" dresses is the rage now among teen-age girls. If you think teen-age girls have been wearing skirts too short, you can stop worrying. Hem lines have dropped to the ankles in the newest teen-age fashion fad-the "Granny Gown." These are cot-

ton shifts with versions of Empire waists, ruffles and lace. With the younger set going back for old fashioned look, who can predict what type of fashion will be popular next? The hoop skirts may be on its way back. All of this may be only a brief fling. American girls are not likely to give up their unrestricted freedom of comfort in dress for a very long time. Basic clothes will still be around and pants too. For lounge wear and party outfits the "granny" styles seem to be most popular. It is indeed a change from pants and slacks. No doubt by the time 4-H'ers start their clothing project this will have gone by and something else will be in fashion. Food - Holiday preparation for those festive meals is in full swing now. For those lovers of candied pineapple in fruit cakes here is a recipe you may enjoy. Especially if you happen to have more time than money because it is economical and very good too.

THREE DAY CANDIED PINEAPPLE

1 can (1 lb. 4 oz.) sliced pineapple (No. 3 can)
 1/2 box confectioners sugar (approx.)

1 3/4 cups granulated sugar
FIRST DAY: Drain pineapple in colander for 10 minutes. Sprinkle half the granulated sugar in a large skillet. Arrange the pineapple slices on the sugar in a single layer. Sprinkle the remaining sugar over the slices. Let stand for 24 hours at room temperature.
SECOND DAY: Bring the sugared fruit to a boil. Cook, at a boil, for 5 minutes. Lower heat and cook on simmer 15 minutes. Turn over the pineapple slices occasionally, watching carefully to make sure they don't scorch. Let stand until the following day.
THIRD DAY: Pat sides and edges of each slice in sifted confectioners sugar to make a thick coating. Let slices stand on a wire rack for 24 hours. A crusty glaze will form. Store in a loosely covered container. If slices become moist, re-roll in confectioners sugar. Yield: 10 slices candied pineapple.

Pheasant Hunting --

Bird Season Begins Today

Parmer County's second annual pheasant season began today (Wednesday) and continues through Tuesday of next week, December 7.

Last year was the first time for open season to be declared for the game birds. More than 2000 pheasants were released in the county during '62 and '63.

Parmer County game Management officials encourage the hunting season to reduce the cock population, which aids in reproduction of the birds, and to create interest in the sport on a local level.

No license is required for hunters to hunt in their own county. Limit is two cocks per day with a possession limit of four. Hens are not legal game.

Longest pheasant tail feather contests are being conducted at Bovina, Friona and Farwell. Five prizes are being offered in each community with prizes ranging from \$25 in merchandise or cash down to \$5. Prizes

are being awarded by businesses in the three towns.

Community chairmen of the contests are Bud Crump, Bovina; Gilbert Kaltwasser, Farwell; and Gary Brown, Friona. Parmer County Farm Supply is contest headquarters in Bovina.

Hunters are asked to report the number of birds which they have killed to the contest headquarters. This will aid Parmer County Game Management Association in figuring the value of the hunting season and the interest in it.

In Bovina first prize in the contest will be \$25 in trade or 200 pounds of milo seed from A. L. Hartzog Seed Farms; second prize is a new hat or hunting boots from Bovina Dry Goods; third prize is a wash and grease job and oil change at Boyd Gilreath's Northside "66"; fourth prize is \$10 cash from Gateway Produce; and fifth place is a two-year subscription to the Bovina Blade.

PHEASANT HUNTERS — Euel Hart, left, and I. W. Quickel are shown with "part of" the pheasants they bagged on a recent hunting trip to Nebraska. Parmer County's hunting season, while not as celebrated as Nebraska's, opened today and continues through next Tuesday. Hart and Quickel will be among the several hunters who will be attempting to bring in their limit in their own county.

At Election -- Parmer Farmers Favor Controls

Parmer County farmers went to the polls Tuesday, November 23, and approved the 1966 cotton marketing quotas while at the same time they rejected the transfer of cotton acreage allotments out of the county.

The marketing quotas were approved 458-for; 66-opposed; for 87 per cent of the total vote of 523 ballots cast.

Although the transfer of cotton acreage allotments out of the county was defeated, farmers may buy, sell, trade or lease acreage allotments in the county. Transfer of 1966 allotments must be filed at the county ASC office before Jan-

uary 1966. Farmers who are interested in selling or leasing their cotton allotments may register in a book on the counter in the ASC office in Farwell. The information will be passed along to anyone interested in this phase of the cotton program.

The vote on the transfer of cotton acreage outside the county had to pass by a two-third majority before the transfer could be made. Of the total vote of 525; 283 voted yes, and 242, no. Participation in the 1966 cotton surplus reduction program will be voluntary.

St. Ann's Altar Society Meets

Eight members of St. Ann's St. Teresa's Altar Society were present at the meeting recently in the parish hall.

Reports of the turkey dinner

served recently were given. The need of albs for the altar boys was discussed and it was decided to buy six white albs. St. Ann's parish will have the 40-hour devotion Sunday. Preparations were made for a special supper for the attending clergymen.

Cleaning of the church for Christmas will be Wednesday, December 22, at 8:30 a.m. Members are to bring a covered dish for lunch.

The women decided to exchange gifts at the Christmas meeting December 20. Price of gifts is not to exceed \$1.50. Hostesses for the Christmas meeting are Mrs. Leo Ruziska, Mrs. Ben Rejino, Mrs. Gene Schacher and Mrs. Dan Koelzer.

Shower For Millie Holden

Miss Millie Holden will be honored with a come-and-go bridal shower Thursday, December 9, in the fellowship hall of the First Baptist Church from 2:30-5 p.m.

Miss Holden will be married to Tom Sloan of Truth or Consequences, N.M., December 19.

SC Slates Game Nite

A game night Saturday, December 4, has been planned by Bovina Woman's Study Club. Admission is \$1 per person, and refreshments will be served. The event will be held at the Clubhouse at 7:30 p.m. Canasta, bridge, "42," and all kinds of domino and card games will be offered. Club members report that if there is a good turnout for the game night that it will continue to be held throughout the winter months.

The Study Club plans to use funds raised to remodel the clubhouse.

Of Interest To THE WOMEN

By Sandra Johnson

After five years of marriage, one usually thinks of one's self as a fairly experienced cook. But, there's always that first time with no help at all to cook Thanksgiving or Christmas dinner for all the older, more experienced cooks of the family. Have cooked turkeys before, but there was always Mother right under my feet to tell me what to do. Not so last Wednesday night. Got along fine until I put the turkey in the oven. Lo and behold! The oven wouldn't work. What are you supposed to do at 11:30 p.m. the day before Thanksgiving and the oven won't work? Didn't fix dinner all by myself after all. Had to get my mother-in-law out of bed to use her oven. So, I really didn't feel like I had cooked the turkey by myself at all.

It wouldn't have been so bad if it hadn't been my first time. Got all flustered about how to cook sweet potatoes, dressing, rolls, etc. Of course, the electrician came to the rescue on Thursday morning and everything went off without a hitch. But you know, usually when something starts off like that, everything will go wrong.

Glad it's over, even though it turned out to be very enjoyable.

As long as we're talking about eating, I had the opportunity to eat in the school lunchroom recently. Enjoyed a delicious meal, and for only 40 cents. Made me wish I were in school again. I appreciate the cafeteria staff now, and I certainly didn't then.

Had an object lesson recently at a teachers meeting I attended. Try to jab a straw through a potato. Now, you people who were there, don't tell how to do it. The object was that if you use the right method with the materials that you have, you can do nearly anything. Was quite effective, as none of those present could figure out how to do it until the speaker told us. Would like to know if some ingenious person can figure this out by himself.

Pat Whitecotton gave me this recipe the other day. It's really out of this world. But, if you're watching calories, forget it! 1 stick melted butter 1 cup chocolate chips 1 cup graham crackers 1 cup pecans 1 cup Angel Flake coconut 1 can Eagle Brand milk Bake 30 minutes at 350 degrees. Let cool, cut in squares. You simply layer the ingredients into a cake pan.

Had a very nice note on a football contest entry blank last week. It was from Albert Johnson of Farwell, who has been one of our best out-of-town contestants this year. He wrote, "Thought I was too far behind to do any good, but will get this in the mail. Enjoyed the contest. You have a good paper."

A newspaper is like anything else which is in the public eye -- up for lots of criticism. It really makes you feel good when someone says something nice as that!

John Nichols Speaker For C of C Meet

John Nichols of Dimmitt addressed the teachers meeting at the Bovina Church of Christ Monday night.

Nichols presented a three-part talk on What a Bible Teacher Should Be; Why I Am a Bible Teacher; What We Do in My Class.

He also explained the teaching system at Fourth and Bedford Church of Christ in Dimmitt, where he is a Bible teacher.

After the meeting, the group went to the church fellowship hall where the women served refreshments.

Boy Born To Shepards

A son was born to Mr. and Mrs. Kenny Shepard of Odessa Monday, November 29, 1965. He weighed eight pounds at birth.

Shepard is a teacher at Crockett High School in Odessa. Maternal grandparents are Mr. and Mrs. Ray Wood of Bovina.

Church Chuckles by CARTWRIGHT

"As an astronaut, Horace has unusual opportunities for church visitation work!"

Devotional For Advent

We are involved these days in the process we call, "getting ready for Christmas." It involves going over card lists to see that we don't leave out anyone who sent us a card last year. It includes doing our Christmas shopping and working ourselves up into some sort of a tizzy while doing it. There are so many ways to work up a tizzy -- you can name them as well as I can. Then we are involved in plans about how we are going to spend the holidays -- where we are going or who is coming when.

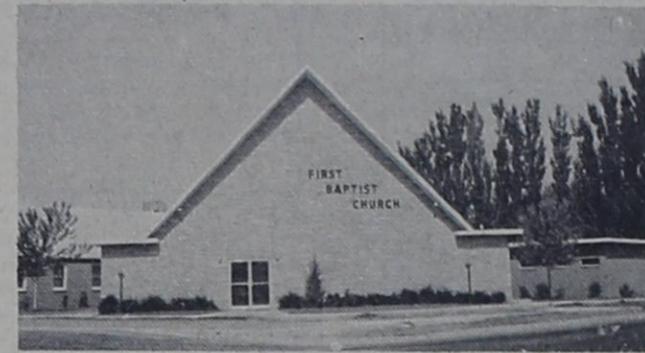

May I suggest that many of us would find Christmas more enjoyable if, in the midst of getting things ready we spent a little time in getting ourselves ready? Maybe we forget what Christmas is about. It is about love and caring -- and that's all it is about.

The card list, the shopping, the plans: Why these things? Is it because you feel you have to? If it is, then perhaps you should not do them, for the truth is you do not have to. Or is it because you love that you do these things? If this is the way it is with you then there is no reason for the tizzy. You are buying presents, mailing cards, doing all these things because you want to. Not because you have to. Know this. Look to your attitude. Get your self ready. Open your life to love -- given and received, and the truth of Christmas will come in and dwell with you.

LEGAL NOTICE

THE STATE OF TEXAS
To: H. Hildebrandt, Mrs. H.
Hildebrandt, and Anna
Ware, and the unknown
heirs, assigns and legal
representatives of the
aforesaid parties, and the
unknown husbands and un-
known wives of the afore-
said parties, are Defen-
dants, Greeting:

You are hereby commanded
to appear by filing a written
answer to the Plaintiff's Peti-
tion at or before ten o'clock
A.M. of the first Monday after
the expiration of forty-two days
from the date of the issuance
of this citation, same being
Monday the 10th day of January
1966, at or before ten o'clock
A.M. before the Honorable Dis-
trict Court of Parmer County,
Texas, at the Court House of
said County in Farwell, Texas.

Said Plaintiff's Petition was
filed in said court, on the 24th
day of November A.D. 1965,
in this cause, numbered 2640
on the docket of said court,
and styled, D.O. Rolland Plain-
tiff, vs H. Hildebrandt, et al
Defendants.

The names of the parties to
the cause are as follows: D. O.
Rolland is Plaintiff and H.
Hildebrandt, Mrs. H. Hilde-
brandt, and Anna Ware, and the
unknown heirs, assigns and legal
representatives of the afore-
said parties, and the un-
known husbands and unknown
wives of the aforesaid parties,
are Defendants.

A brief statement of the na-
ture of this suit is as follows,
to wit: Plaintiff brings this suit
in trespass to try title, alleging
that he is the owner in fee
simple of:

All of Block 14, of the Ham-
lin Heights Addition to the
Town of Farwell, Parmer
County, Texas;
that on or about the first day
of May, A.D. 1965, the Defen-
dants entered unlawfully upon
such land and ejected Plaintiff
therefrom and wrongfully with-
hold possession from such
Plaintiff; and Plaintiff further
sets up and pleads 5 and 10
year statutes of limitations as
is more fully shown by
Plaintiff's Petition on file in
this suit.

If this citation is not served
within ninety days after the date
of its issuance, it shall be re-
turned unserved.

The officer executing this
process shall promptly execute
the same according to law, and
make due return as the law di-
rects.

Issued and given under my
hand and the Seal of said Court,
at office in Farwell, Texas, this
24th day of November A.D. 1965.

Attest:
Dorothy Quickek Clerk,
District Court,
Parmer County, Texas

**Letter To
The Editor**
Dear Bovinians,
A note to let you know how
very much we Hudsons enjoyed
being with you people on the
Tech-Arkansas football trip.
We have never been with a more
congenial group. We will
remember for a long time this
pleasant association. And, I
have never seen such enthus-
iastic Tech fans. I think all
surrounding towns could take a
lesson in loyalty from Bovina.
We are looking forward to go-
ing to the Cotton Bowl next
year -- and who knows --
maybe on the Bovina bus.
Best wishes to you all.
E. C. AND Blanche Hudson

BVFD Answers Afternoon Call

Bovina Volunteer Fire De-
partment answered a call Mon-
day afternoon at 3:45 p.m. at
Bovina Gin. Co.

Sparks from the gin had gotten
into the hopper for loading burrs
into trucks. The fire depart-
ment sprayed water into the
hopper to cool it.

Someone suggests that econ-
omy is just a way of spending
money without getting any fun

Mrs. Goar --

New Homemaking Teacher Named

One new teacher has been
named to Bovina Schools faculty
and another has been re-assig-
ned, Superintendent Otis Spears
announced this week.
Mrs. Vernon Estes, who has
been teaching a fourth grade
section, was assigned to the
first grade section formerly
taught by Mrs. W. E. Williams,
who is out because of illness.

Mrs. Estes' fourth grade stu-
dents were transferred to the
other two fourth grade sec-
tions.
Named homemaking instruc-
tor for next semester was Mrs.
Lela Jo Goar, who lives north
of Clovis. She will replace Mrs.
Alan Staley, present home-
making teacher who has re-
signed effective the end of this
semester, about January 10.

Jury Called

The names of 12 persons
have been chosen for grand
jury duty, with jurors to report
to the courthouse in Farwell at
9:30 a.m. on Nov. 29.

Mrs. John Paul Jones had
been substituting for Mrs. Wil-
liams prior to the changes be-
ing made.
This will be Mrs. Goar's first
teaching position. She received
her masters degree in home-
making from Texas Tech in
May of this year.

Listed for jury duty are E. L.
Cochran, H. W. Hardage, E. R.
Barry, Wayne Foster, A. W.
Gober, Walter Kaltwasser, Da-
vid Carson, James Roach,
Wayne Hardage, C. M. Coffey,
Reaford Wenner and Fred
Burch.

She was graduated from
Southwest Texas State College
in San Marcos with a bachelor's
degree in 1961. She is a native
of Burnet, in Central Texas.
High School Principal Alan
Staley also recently resigned
effective at the end of this se-
mester. His successor is ex-
pected to be named soon, ac-
cording to Spears.

Marriage Licenses Issued

In the past week marriage
licenses have been issued to
three couples from the office
of the Parmer County clerk.
The license went to: Wilbur E.
Smith and Mrs. Glenn Appling
Peterson; Larry G. White and
Wynell Barnes; and Oscar Ray
Norris and Janice Noreene Mil-
ler.

SPEND TO SPEND--

The Department of Agriculture
estimates that farmers' in-
comes for 1965 will total
about \$12.6 billion. The de-
partment's own budget is
more than half of that.

If you check official test results for proof-of-yield,
you'll want to plant Pioneer brand sorghum, too. Hy-
brids 846 and 820 made bang-up yields in the 1964
High Plains Texas A&M tests. These two winners,
along with Pioneer's other grain-type hybrids -- 882,

Reflections From The Blade

SIX YEARS AGO . . . November 25, 1959
More paved streets may be coming for Bovina. Mayor J. E. Sherrill said this weekend that people who live on a non-paved street and would like to participate in a paving program should leave their names and the location of their property at city hall. City Commission want to find out if there is enough interest here for another paving program.

Superintendent Warren Morton, Charles Don Smith, girls basketball coach, and Mustang Coach Bob Willis and Frank Wilson installed glass backboards in Williford Gym Saturday morning.

Johnson-for-President backers have organized a club to rally support for the Texas senator in Parmer County. Charley Gibson from Amarillo started the Parmer County hall rolling. At the club's first meeting, Sam Aldridge was elected president, Mrs. Penny Anderson was named chairman and Dolph Moten was named secretary of the new group.

A Bovina FFA team took sixth place at a leadership contest in Muleshoe Saturday. Four freshmen took sixth place in the Greenhand division of the FFA Quiz. Members of the team are Butch Woltmon, Lawrence Kregel, Leon Speir, and Ken Horn.

THREE YEARS AGO . . . November 28, 1962
Sunday is "SPS" for Parmer County residents. That is the day chosen to kick off the mass immunization program against Polio through the use of the Sabin oral vaccine. "Stop Polio Sunday" is the slogan adopted by the sponsors of the program, the Parmer County Medical Society and the Home Demonstration Clubs of Parmer County.

This week marks end of 1962 Bovina Business Cotton Bowl Football Contest. Emmett Tabor held on to his one-point lead over Neil Smith in last week's judging and goes into the stretch with that slim lead.

Basketball, a sport in which Bovina High has enjoyed an enviable reputation for the past decade, makes its debut of the '62-'63 season here Friday night. Bovina Mustangs and Fillies each meet in games to be played in Williford Gym.

Members of Bovina Volunteer Fire Department did repair work on Bovina's Christmas Lights Monday night in American Legion Hall. A few of those who helped with the work were Jerry Rogers, Glen Hromas, E. H. Moody, Weldon Moody and Fred Langer. The decorations will be put above Bovina streets by Superior Electric Co.

Joe Kerbel, head football coach at West Texas State College, will be guest speaker at second annual Bovina Mustang football banquet Thursday night. The banquet will be in school cafeteria and will begin at 7:30. Honored guests at the banquet will be team members and their dates and coaches and their wives.

On The Farm In Parmer County

By JOE VANZANDT
County Agent

Many wheat fields over the county have some yellowing showing up in them now. For the most part this yellowing is caused by Leaf Rust. Leaf Rust is caused by fungi and rust spores are carried by wind movement. If you look closely at some of this wheat you will notice small, round, orange-yellow pustules on the leaf surface.

A heavy leaf rust infection, such as some fields have now, can cause extensive damage to the leaf foliage. When plants thus weakened from loss of foliage, they are less resistant to extreme cold or dry weather.

The spread of rust should slow down now that we have started having freezing temperatures. Some wheat fields are getting pretty dry and probably should be watered. By watering wheat with rust, it will enable the plant to make new growth and possibly become a stronger plant. The weather conditions later will be the determining factor in whether the watering will increase the rust. However, if wheat gets too dry and weak from rust, winter killing is liable to take place.

CHRISTMAS SPECIAL
You can add something special, colored flames to your fireplace, for more Christmas cheer provided you start now. The "sparkling joy logs" which can add the color are easy to make.

To make the "logs," roll newspapers or absorbent paper into "logs" about 16 inches long. Don't use too many newspapers in a "log" because they swell when soaked in the chemical solution. We suggest that the "logs" be tied loosely with heavy twine.

To make the chemical solution which gives the color, dissolve four pounds of bluestone, blue vitriol or sulphate of copper and three pounds of rock salt in one gallon of water. Then soak the "logs" for three or four weeks in the solu-

tion, turning them end over end frequently. Let them dry thoroughly before trying to burn them.

We suggest burning only one "log" at a time in an open fireplace. It will burn for several hours and give off rainbow colors.

And a final suggestion, these "logs" make unusual Christmas gifts for family or friends.

PHEASANT HUNTING

We hope all of you Pheasant hunters got your limit of 2 cocks Wednesday on the opening day of the season. Don't forget about the Long Tail Feather Contest being sponsored in Bovina, Farwell and Friona, by merchants and the Parmer County Game Management Association. Contest Headquarters in Bovina is Parmer County Farm Supply, in Farwell the Farwell Hardware is headquarters and the Hurst Department Store is in Friona. Take your tall feathers by one of these places and try to claim the \$25 first prize award.

We hope more people get pheasant hunting in their blood and try to protect and provide for these game birds year-round. We only need about one cock for every eight hens so many of our cocks can be harvested and the general pheasant population will be better off.

FREEZE PREDICTING CHAMP--Charles Smith, left, is shown receiving a \$5 check and a congratulatory handshake from Weatherman Willie Williams for being the winner of The Blade's First Freeze of the Fall contest. Mustangs Drop Bi-District Heartbreaker To Sundown

For more than two quarters the Bovina Mustangs were in a commanding position in their Thanksgiving bi-district football game with Sundown there Thursday afternoon. The District 1-B co-champions enjoyed a 6-0 lead through most of the game.

The Roughnecks, veterans of playoff wars, capitalized on a Bovina fumble mid-way through the fourth period, however, and drove in for the tying touchdown and the go-ahead extra points to win by an 8-6 score.

By taking the win, the Roughnecks will meet the Meadow Bronchos this week for the regional crown.

This was a heartbreaking loss for Coach Roy Stone's Mustangs. They had two touchdowns called back in addition to the one they scored which counted and appeared to be the stronger team throughout most of the game.

The Ponies drew first blood late in the initial quarter as Halfback Scotty Rundell climaxed a sustained march by darting around right end to paydirt from two yards out. That made the score 6-0. An attempted pass play for the all-important extra failed because of a fumble.

Bovina missed another scoring opportunity seconds later. Following the kickoff, a Sundown fumble gave the Mustangs possession of the ball on the Roughneck 19 yard line. A five-yard loss shoved the ball back to the 24. From there, Quarterback Jerry Roach passed to End Kenneth Webb for a near-score, but Webb was dropped at the two-yard line. On the next play, Fullback Carl Harris carried the mail over for what would have been Bovina's second TD.

The play was erased, however, by a 15-yard penalty against the Mustangs which moved the ball back to the 17 yard line. After two incomplete passes from there, Rundell took a pitch-out 13 yards to the four. On the next play, he made two more to the two and that's where the ball went over on downs.

Another Mustang drive fizzled out at the two yard line

midway through the third quarter. This one, too, saw a Bovina score rubbed out because of a penalty.

The tough Mustang defense forced Sundown to punt on its own 20. Rundell gathered in the kick on his 35 and with a spectacular run and fine blocking down the east sideline carried the ball back to Sundown's 23.

On the first play from there, Harris blasted for 18 yards and a first down on the five. Rundell scooted in from that point, but a five-yard penalty moved the ball back out to the 10. Four running plays, two by Halfback Dean Stanberry and two by Rundell netted eight yards and had the ball on the two-yard line when possession was lost on downs.

Taking over deep in their own territory then, the host team started its longest drive of the afternoon, moving all the way down to the Bovina 27 before the maroon and white team threw up a determined defense and got the ball on downs.

To the highly-optimistic Bovina fans, that defensive effort seemed to assure the Mustangs of a bi-district win; a long drive would use up most of the clock.

Such good fortune just wasn't in the cards, though, as a five-yard penalty against Bovina shoved the ball back to the 22 and then the lost fumble on the first play from that point gave possession back to Sundown on the 17.

It took four plays for the Sundowners to get the score with Jimmie Ray Jackson, a hard-running 145-pounder, carrying three of those times.

Jackson blasted over from one yard away and then was called on again to get the winning margin extra points, which he did through the right side.

Though they had the ball twice in the fading minutes, the Mustangs couldn't launch a scoring drive.

Both teams were obviously nervous at the game's beginning. Each drew offside penalties the first time it had possession of the ball. The Mustangs were penalized a total of 12 times -- two of those were

especially costly since they nullified touchdowns.

The game was played in beautifully warm weather considering the time of the year. The afternoon was sunshiny and only a strong breeze from the south kept it from being football-perfect.

A near-capacity crowd was on hand for the game which was played in Sundown's impressive stadium.

Bovina's all-district tackle, Roman Ramirez, led the Mustangs' defensive efforts.

Stanberry was the leading ballcarrier with 75 net yards

in 13 tries. Rundell netted 62 yards in 21 trips, Harris totaled 49 as he was handed the pigskin nine times.

Roach completed four of 10 passes for 57 yards.

This was the second consecutive year for Bovina to play Sundown in bi-district. The Roughnecks won in '64, 36-20. Bovina's season record is now, 6-5, Sundown is 10-1.

The Mustangs earned the right to represent the district by tying with Vega for the top spot and getting the nod because they defeated Vega.

This was Bovina's last game

as a Class B aggregation. They advance to Class A next year.

EARN HONORABLE MENTION -- Receiving honorable mention on the District 1-B all-district team were these six members of the Bovina Mustangs. Standing, left to right, are Eddi Corn, offensive tackle and defensive guard; Scotty Rundell, linebacker; Donnie McKinney, offensive guard and defensive end; and Jerry Roach, quarterback and defensive halfback. Kneeling are Dean Stanberry, offensive halfback; and Billy Marshall, center. Not shown are Kenneth Webb, who also received honorable mention as an offensive end and a defensive linebacker, and Carl Harris, fullback.

In Contest --

Band Rates Above Average

Bovina High Mustang Band returned from marching contests in Lubbock Tuesday with a II rating.

Band Director Joe Wayne Harper reports, "The band did quite well, especially when taken into consideration that we only had 21 who had marched in competition before and 27 who had never marched before judges."

Of the other class B schools with which Bovina was in competition, Anton and Sundown received I ratings, and Whiteface and Wilson received III ratings.

In the Panhandle, Sundown and Anton were the only schools to receive I ratings, four schools, including Bovina, received II ratings, and five received III ratings.

Judges were Dick Cole of San Antonio, Bill Dean of Odessa, and Howard Anderson of San Angelo. All three judges commented favorably on the band's marching.

Of other schools in Parmer County, Friona received a II rating in class AA schools and Farwell received a III rating in class A schools.

Star Righters

Meet Friday

Star Righters Square dance club meets Friday night at 8 p.m. in the American Legion Hall.

They will dance to the recordings of 2 professional callers, which were made at Rudoso in August.

DRUM MAJOR -- Connie Vaughn, daughter of Mr. and Mrs. Richard Vaughn, leads the Bovina Mustang Band in its marching appearances this school year.

Carpenter Promoted To Captain

Army Captain Harold D. (Donnie) Carpenter, 25, son of Mr. and Mrs. Harold W. Carpenter of Farwell, whose wife, Kay, and son live in Canyon, was recently promoted to his present grade in ceremonies in Kontum, Republic of Vietnam. Captain Carpenter, a Civil Officer, is assigned to the 24th Special Tactical Zone, Kontum Sector. Before entering the Army at Fort Sill, in May 1962, Capt. Carpenter graduated from Farwell High School in 1957 and from West Texas State College, Canyon, in 1962, receiving a B.S. degree. He comes to Kontum from the 6th Msl. Battalion (Hawk) 65th Artillery, at Key West, Fla. He arrived overseas in September.

The Second Corps of the Army of the Republic of Vietnam (ARVN), headquarters of Pleiku, has jurisdiction over the 13 central provinces, or an area roughly the size of the state of Florida. The varied terrain found in Second Corps makes it necessary for ARVN and US advisors to be prepared to fight four distinct types of war; the rice paddy war in the low lying coastal areas, the jungle war in the dense interior, the mountain war in the inland mountain ranges, and the plateau in the highlands.

Al Shamblin Playing For North Texas

DENTON -- Al Shamblin, a former Bovina High athlete, is playing end on the North Texas State University freshman football team this season.

The 6-1, 175-pounder was an all-district and all-South Plains player in high school. He also ran the high hurdles in track and was voted player of the year as a pitcher in baseball.

The North Texas Eaglets, coached by Ken Bahnsen, played a five-game schedule against TCU, Houston, Arkansas, Cisco Junior College and Texas Tech.

Basketball Teams--

(Continued from Page 1)

They were starters at one time or another during the season or saw considerable action.

Gene Pruitt was the only starter on last year's team who was lost by graduation.

The experienced returnees are Randy Jones, Roman Ramirez, Jerry Roach, Scotty Rundell and Richard Carson. Also being counted on by Read to aid the team are Kenneth Webb and Alfred Stanberry.

Coach Roy Stone will coach B team boys.

The Fillies' A and B teams played last (Tuesday) night at Vega.

The Farwell games here Tuesday night of next week will, however, be the home debut for the local cage teams.

Basketball season was delayed here a week because the football team was involved in the bi-district playoff. During that week, games with Vega were cancelled and the teams did not participate in the scheduled Kress tournament.

District action begins January 11. Again this season, the Bovina teams will compete in a league with Lazbuddie, Happy, Hart and Nazareth, playing each team two games, on a home and home basis.
