Methodist Conference

In the Northwest Texas Methodist conference at Amarillo last week, a number of changes were made in appointments. Coming to the Methodist Church here is Rev Billie Wilson, who has been serving as pastor of the Trinity Methodist Church at Wellington. He and his wife and four children are expected to move to Hedley this week. We are glad to welcome this family to Hedley.

Key Cecil Guthrie and family are moving to Nolan, in Nolan County, where he will assume the pastorate. We regret to lose the Guthries, but wish them success in their new home.

Among other appointments of interest to Hedleyans are Wilton B. Lynn back to Bunavista, Carl H. Nunn back to Clarendon, Raymond T. Dyess from Stratford to Wellington First, Loyd Fitch to Wellington Trinity, Wilbur F. Gaede back to Wheeler, A. B. Cockrell from Amarillo St Paul to Vernon, and David W. Hamblin to Memphis.

Greenbelt Dam

Fishing is now going on in Lake Greenbelt on Highway 70 four miles north of the Clarendon turn off on Highway 287. The lake is open for the catching of northern pike as well as the fish common to this area. For those now holding annual permits a fee of \$1.00 per day is charged. Gold fish and stink bait cannot be used for fishing.

A fishing contest will be held May 30th, 31st and June 1st. An additional charge will be made to enter the contest and prizes will be awarded. Only artificial lures can be used in the contest. Only bass and pike will be counted.

A Greenbelt Queen pageant will be held Saturday evening at the gymnasium at Clarendon. Area beauties will appear in both evening dress and bathing suits. This contest to choose a Greenbelt Lake Queen will start at 8 p. m. An art show will be held in connection.

Sunday, June 2nd, the formal opening ceremonies will be held followed by the speed boat regatta sponsored by the National Outboard Motor Association. Sixty-four boats have entered this event.

Reynolds Elected As Principal and Coach

In a called meeting of the Hedley school board last Friday, R. D. Reynolds, former Hedley teacher who has taught at Masterson the past term, was elected high school principal and coach here to take the place of Jack Webster, who is going to Darrouzett as high school supt.

Mr Reynolds and his family expect to move back to Hedley the latter part of June. We are glad to welcome this good family back to Hedley.

Resolution

Whereas; Our brother Alva Simmons, a master mason and a faithful member of the Hedley Lodge No. 991 A. F. & A. M. at Hedley, Texas, was called from our midst on the 19th day of May 1968, to join that innumerable caravan to that land from which no traveler returns.

Whereas; he has been a devout member of the order serving over fifty years, ever willing to promote the interest of the lodge, and helping those that needed help;

And whereas; he has ever been a noble and upright citizen true to his duties and obligations, honorable in his dealings, and a worthy companion to his wife and family.

Be it resolved; That the Hedley Lodge No. 991 A. F. & A. M. at Hedley, Texas, hold brother Alva Simmons' life up as a lovable character to our brethren and friends, that love, honesty, faithfulness, and uprightness of character are some of the ties that bind us together as men and masons.

Be it further resolved; As the brethren and friends have suffered a distinct loss in the departure of our deceased brother, and that we join the wife and family in their hour of sadness as they mourn the loss of their dear one.

Be it also resolved; That the family be furnished a copy of the resolutions, also the local paper, and a copy be spread on the minutes of the lodge.

VOTE SATURDAY JUNE 1

TO: The Citizens and Voters of Texas FROM: Preston Smith, Candidate for Governor

The purpose of this message is to ask for your support and vote in the Second Democratic Primary Saturday, June 1.

As your Lieutenant Governor for the last six years, I believe I have qualified myself to seek the high office of Governor. You know I finished second among 10 candidates in the First Primary, about 29,000 votes behind the leader with 1,750,000 votes cast.

With your help we can win this run-off against an opponent who has no public record of any kind . . . one who is aligned with groups that want to reject the progressive, constructive programs built by John Connally and his predecessors and replace them with so-called "liberal" ideas of their own.

I want to continue and improve on the start we have made in education, pollution control, law enforcement, highways, water conservation, promotion of industry and tourism, and many other vital areas.

I am proud to have been a part of Texas government for 18 years. Opponents may harp about what is wrong in Texas; I happen to think there are a lot of things RIGHT in Texas. I am proud of my state and its people.

Things can be even better, and I want to work with you in that direction.

It's more or less in the political tradition to lambast your opponent and say a lot of ugly and cutting things about him. I don't want to engage in personalities; my opponent has no public record to criticize. Therefore I am running for Governor on my own merits.

It may be pretty ambitious for a farm-born, farm-raised Texas boy, who worked his way through Texas Tech and spent his adult years in business activities in Lubbock, to aspire to be Governor. You will be the judges as to whether my experience and proven qualifications entitle me to be elected. I will accept your judgment with real gratitude for your past support and friendship.

Please remember that if I am elected, my door will always be open to any Texan who has any problem whatever that the Governor can help with. I will always be interested in good government. I will always be interested in you.

Preston Smith
