The National Cotton Council of Memphis, Tenn., advises that they will send the Festival an all cotton wardrobe to arrive by Oct. 1st. Plans are to use the wardrobe in a style show with live models, probably the Friday evening of the Festival.

This year's wardrobe is a home sewing collection, made from McCall's patterns, using cotton piece goods generally available at dry goods stores or fabric shops. It is not a collection of ready-to-wear or designer fashions.

Grazing Assns.

Farmers and cattlemen are acquiring needed land resources by forming grazing associations and obtaining financial assistance from the Farmers Home Administration, the agency's Donley County Supervisor, Claude Moore, has announced.

A grazing association is composed of a group of family farmers and ranchers who join together to acquire and develop land to provide seasonal grazing for livestock belonging to its members.

Eligible to form associations are neighboring farmers and ranchers who operate family size units. Financial and technical assistance is provided by the Farmers Home Administration.

Loans are available to qualified borrowers for periods up to 40 years at an interest rate of 5 percent. Interested individuals should contact Claude Moore, County Supervisor, at the Agriculture Building in Clarendon, form a steering committee, and begin looking for suitable acreage.

Mr. and Mrs. Joe Hunneycutt of Dumas visited here Sunday afternoon.

Mrs. E. O. Keeton of Weatherford visited her sister, Mrs. E. C. Boliver, last week end.

Among those who have been in the Memphis hospital are Mrs. Della Doherty, Gene Floyd, Mrs. Minnie Mann, Mrs. N. W. Jeffers and Mrs. Ida Yates.

GRADUATE TO TOTAL ELECTRIC LIVING

"With Electric Home Heating—we have fewer colds, no fumes, and walls stay clean"

THE CECIL RICHARDSONS
HAMLIN, TEXAS

"We like total-electric living so well we recommend it to our neighbors," Irene Richardson says. Working conditions are better and her electric appliances save her so much time. She thinks flameless electric heating and cooling is wonderful for her skin problem.

Terry Cecilia, the Richardson's 5-year-old granddaughter, plays comfortably the year round and always has plenty of fresh clean clothes. "I use the washer and dryer every day — sometimes several times a day," Irene Richardson says.

The Richardsons cook a lot, burn the lights a lot, and entertain friends, yet find total-electric living economical. "We're very satisfied with it," Mr. Richardson says.

Richardson is manager of the Hamlin Farmers Compress, Irene Richardson is a full-time homemaker, and Terry Cecilia pre-kindergarten age.

In addition to the powers given the Legislature under Section 48, Article III, it shall have the right to levy taxes to establish a fund to provide retirement, disability and death benefits for persons employed in the public schools, colleges and universities supported wholly or partly by the state; provided that the amount contributed by the state to such fund each year shall be equal to the aggregate amount required by law to be paid into the fund by such employees, and shall not exceed at any time six per centum (6%) of the compensation paid each such person by the state and/or school districts; and provided that no person shall be eligible for retirement who has not rendered ten (10) years of creditable service in such employment, and in no case shall any person retire before either attaining the age fifty-five (55) or completing thirty (30) years of creditable service, but shall be entitled to refund of moneys paid into the fund.
