## Showing Of All Cotton Wardrobe

The showing of the all cotton wardrobe will be held at the high school Friday evening of the Festival. Live local models will be used. The wardrobe was obtained through the courtesy of the National Cotton Council of America. The Sodalitas Club will be in charge. Mrs. Sue Shields will be the commentator.

This fashion show, "Cavalcade of Cottons" will be different from previous showings of the wardrobe. The garments are of the latest fall fashions. They are hand sewed. The materials used in garments are those generally found in dry goods stores and fabric shops in our area. McCall's patterns are used, which are also easily obtained. The object being to show to the general public how beautiful clothes can be made from cotton at a low cost.

## To Participate In Bible Distribution

In business session last week the First Baptist Church of Hedley voted to participate in the Baptist Bible Distribution Plan. The Plan will be carried out in cooperation with the Baptist General Convention of Texas and the American Bible Society. The American Bible Society is making copies of the New Testament translation, "Good News for Modern Man," available to the churches at 20¢ a copy. A minimum of 500,000 copies will be distributed over the state. The Hedley church is ordering three hundred copies for free distribution in our community. Anyone desiring additional copies at this price should contact pastor Dave Sellars.

First published in September of 1966, "Good News for Modern Man," the New Testament in Today's English Version is a best seller at nearly twelve million copies.

## Workers' Conference

The First Baptist Church of Hedley was host to the Panhandle Baptist Association for their monthly Workers Conference this past Tuesday evening. The representatives of nine area Baptist churches were involved in the Executive Board meeting, Woman's Missionary meeting, and the evening meal provided by the host church. Highlight of the meeting was the preaching message, brought by Rev. John Bobo, pastor of the First Baptist Church of Memphis. Rev. Bobo spoke about "The Sunday School and the Crusade of the Americas." The Crusade of the Americas is a hemisphere-wide emphasis on evangelism which will be observed by Baptists this next spring.

Her veil of imported illusion fell from a cluster of pearlized orange blossoms and she carried ivory roses centered with an orchid atop a Bible.

Reception guests were received in the parlor of the church at the conclusion of the nuptial service.

The bride attended Amarillo College and Texas Tech. Mr. Frye is a senior student at Texas Tech. After a wedding trip to Colorado, the couple will be at home at 1710 14th St., Lubbock.

Miss Sue Alexander served punch and cookies from a table laid with a pink embroidered cut-work linen cloth, and featuring an inverted brandy snifter covering a miniature bride and groom and topped with a nosegay of pink and white double petunias. The punch service was of crystal.

## Work In Progress On Feedlot

According to Charles Payne, construction has started on the Donley County Feedlot, mainly the handling and working pens, plus working chute and leading chute. The construction is under way at a moderate pace at the present time, but will speed up considerably in about 30 days.

Mr. Payne states that they hope to be able to handle some cattle on a limited basis by the end of the year. It will probably be the first of the year before cattle will be handled on a very large scale.

## Attend Fair

## Vehicle Inspection

The 1969 vehicle inspection period began Sept. 1, according to Colonel Wilson E. (Pat) Speir, acting director of the Texas Dept. of Public Safety.

More than six million vehicles are expected to receive the compulsory inspection prior to the April 15, 1969, deadline, Speir said.

The minimum fee is \$1.75. This does not include the cost of repairs or adjustments necessary to enable the vehicle to pass inspection.

Motorists are urged to have the 1969 inspection performed as soon as possible to insure that their vehicles are mechanically safe for fall and winter driving.

Ken Taylor Garage is the local inspection station.

## A kid's got a right to some privacy too.

If your kid's been hiding out lately when he gets on the phone, take the hint. There are probably some things he'd rather discuss without an audience around. And he's entitled. After all, asking a girl out at his age is hard enough. But when the whole family's listening in, a guy could freeze.

Help loosen young Don Juan's tongue. Call

your General Telephone business office and get him an extension phone. Then he can have his tête-à-têtes without feeling self-conscious.

When a kid feels you don't want to listen in on all his private conversations, he's more apt to tell you about them. An extension phone gives him that choice.

Extension phones by General Telephone.

## Prairie Chicken Open Season

San Angelo—When the two-day Panhandle prairie chicken season opens Oct. 12, hunters will benefit from a chicken population which is as good or better than last year's, according to Jack Parsons, regional wildlife supervisor for the Texas Parks and Wildlife Dept.

Last year's two day season, the first in thirty years, involved Hemphill, Lipscomb and Wheeler counties. Five more counties

have been added for the 1968 hunt. They are Collingsworth, Donley, Gray, Ochiltree and Roberts.

Parsons advises that shotguns only may be used. The bag limit will be two birds per day, with four in possession after the first day's hunt.

Check station will be set up in the towns of Higgins, Allison, Wheeler McLean and Booker.

It will be unlawful to possess any prairie chicken, except during the open season, that does not have a tag attached at one of the stations prior to 10 p m on the day the bird was harvested.
