Actually, they had one just a few months ago, back in April. So you may ask, "Why another revival meeting?", and "Why so soon?"

Perhaps it is because THEY feel like THEY need reviving again—now! They may feel an honest need for solid Bible preaching, for renewed fellowship with one another, for confession and commitment to God.

So they have invited evangelist Tommy Nesbitt, who is noted for his strong Gospel preaching, and Mr. and Mrs. Ray Ratliff, who are noted for their dedication and musical ability, to come lead them in this time of heart-searching.

It may be that you feel this same need, or a similar need. Anyway, they invite you to come to the meetings and share the blessings.

## Pre-Registration at Clarendon College

The Registrar's office of Clarendon College has announced that pre-registration of students will be held during the period of Sept. 2 to Sept. 13. Office hours will be from 9:00 to 5:00, Monday through Friday, and 9:00 to 12:00 on Saturday.

The purpose of pre-registration

is to allow students to complete their class schedules prior to the time of regular registration. Such an arrangement is an advantageous one, particularly for the student who often feels bewildered and frustrated with his enrolling in college. It also allows ample time for consultation and insures his admittance to classes which might otherwise be filled or closed. Leonard Selvidge, Registrar, advised all freshman students to take advantage of this convenience offered by Clarendon College and complete their pre-registration before the Sept. 13th deadline.

Most important—Veterans that will attend school this fall on the G. I. Bill will need to take advantage of this pre-registration
