West Texas Utilities Sets Safety Record

A new all-time safety record was set on December 31 when the employees of West Texas Utilities Co. completed the year without a lost-time accident.

During the twelve month period WTU's 1040 employees worked a total of 2,221,674 man hours.

During its long history of providing electric service to customers in West Texas, never before has such a record been achieved. Several times during the past 10 years the perfect record was almost reached. In 1960 only two lost-time accidents were recorded. Three were charged to the Company's record in 1963; four in 1964; and only two in 1967. Since 1957 only 57 lost-time accidents have been recorded in the 10-year period.

Last September the WTU employees received special recognition when they were presented the Safety Achievement Award by the Bureau of Safety. This came after they had worked more than 2,000,000 man hours without a lost-time accident. The last recorded was in October, 1968. The record now reads: fourteen months without a lost-time accident.

The Cherry family got together Sunday to celebrate T. J. Cherry's birthday, also the birthdays of Lucy Crisler and Douglas Cherry, and the wedding anniversary of Mr and Mrs. J. E. Kidd Sr.

Enjoying the day were Mr. and Mrs. Royce Crisler of Midland, Mr. and Mrs. Lanny Crisler of Pecos, Mr. and Mrs. Larry Crisler of Lubbock, Mrs. Ellie Ingleheart of Colorado City, Mr and Mrs. G. T. Cherry, Kathy and Vickie, and Mr and Mrs. Lynn Cherry, Deb and Doug of Amarillo. Mr. and Mrs. Troy Brown, Teresa, Troy Ross, Cherry and Alexia of Vernon, Mr and Mrs. J. E. Kidd Sr. of Clarendon, Mrs. V. A. Crisler of Memphis and C. E. Mullins.
