Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

The election of new officers, next year convention site and other items to be voted on will be at the Starlight Room of the Coronado Inn at 2 p m Saturday.

The queen contest, in which Hedley Queen Angela Messer will participate, will be at the Robert E. Lee school auditorium at 3:15 p m.
