Baptist Youth Activities

There is a full schedule of activities being planned for the youth of the Baptist Church and community at large. A youth prayer meeting was held at the Saunders' home this past Monday evening with the coming Youth-Led Revival in mind.

This Thursday, June 25, an all youth swimming party will be sponsored at Fowler's Pool in Memphis. Swimmers may go as early as 7:00, but will not be private for Hedley youth until 8:00 to 10:00 p m. Cost will be 25¢ for children and Jr High, and 50¢ for High School up. Those who will want to eat afterward should bring their own money for this.

Then this weekend the Youth-Led Revival will be held in the Baptist Church. All youth, families, and individuals are invited to attend for great preaching and singing and testimony.

A trip to Palo Duro Park to see the "Texas" production is being planned for July 3rd. The boy and girl bringing the most people to the Youth-Led Revival will receive free admission and meal on the "Texas" trip.

Three summer camps will be available for youth this July. Youth Camp for Jr High and High School ages will be July 6-10. Junior girls camp for ages 9-12 will be held July 13-16. Junior Boys camp for ages 9-12 will be held July 20-23. The five day

Family Reunion

The Bailey family reunion was enjoyed last Wednesday in the home of Mrs. Lucy Bishop in Hedley. There were three sisters present, Mrs. Lucy Bishop and Mrs. Lela Moffit of Hedley, and Mrs. Ruth Wheeler of Cooper, and two brothers, C. M. Bailey of Ola, Ark., and Allen Bailey of Tulia. This was the first time all five had been together since 1918.

There was a large number of other family members present also.

LEGION NEWS

The Hedley post of the American Legion has closed their books for 1970 with 105 members. This gives them 6 voting delegates and 6 alternates for the state convention which is at Fort Worth and begins July 23rd. This puts them in ninth place in district standing.

The 1971 American Legion cards are being printed and should arrive in Hedley by the week end. Some have already paid in advance and others may wish to. Annual dues are now \$6.00. We hope to have a sizable number of 71 members to turn in at the convention.

42 Club

The 42 Club will meet with Myrtella Deahl Thursday, June 25, at 7:00.

Youth Camps are \$12.00. The four day junior camps cost \$10.00.

Your son's education for instance.

Starting a savings plan is easy. You can join a Payroll Savings Plan where you work. Or get into a Bond-A-Month Plan where you bank.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

What's right about America?

Today, the surest means of a book becoming a best seller is for the author to highlight and denounce bitterly the faults of this country. The same can be said of television and the movies, which prefer in these modern days to depict the seamier side of life in America.

But there's hope. As I have moved across this state, I have sensed that our people are growing weary of gloom. It's becoming easier to strike up a conversation on what's right about America.

I always suggest that there are a lot more level heads in this country than we are sometimes led to believe. There are a lot more decent, law-abiding citizens than there are criminals and cheats and sharks. There are a lot more young people in the "now" generation who want to improve America than the handful of radicals who want to burn it to ashes and start all over.

I can understand why the "majority" has broken its "silence." There's a growing impatience with agitation and controversy. But I feel we should continue to approach our nation's problems with a cool head and an open mind.

I've listened to the voices of dissent. I think I know what they're asking of their government.

One thing they want is confidence. They want the assurance that their public officials have the courage to meet the issues of the 1970s with imagination and integrity, and not with some form of "old politics" that thrashes around with problems but never quite locates the workable solutions.

It was my desire to answer this urgent need that prompted me in January to seek the office of United States Senator.
