Notice

People make the news and your newspaper is always interested in what you've done. Let us know if you have: Died, married, enlisted, graduated, been born, left town, been shot, struck oil, had triplets, been lynched, been robbed, been elected, had a fire, been arrested, found a still, been promoted, written a book, inherited a million, committed a murder, stuck up a bank, bought a home

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

Cool air at cut-rate prices.

We think everyone should own gas air conditioning. So we're making it easier to own: If you buy it now, you can enjoy special low gas rates all summer — on top of regular gas economy.

Gas air conditioning also has a reputation for long life with few repairs.

In short, gas air conditioning gives you more than cool air: A good deal more.
