Alfalfa Contracts Being Sought

Memphis, Texas—Contracts for a minimum of 5,000 acres of irrigated alfalfa are being sought in Hall and Donley Counties by Western Alfalfa Corporation here for its 1971 ground alfalfa program.

"In order to produce quality cuttings for next year, seed must be fall-planted," said Hap Kensinger, Western Alfalfa Panhandle District General Manager. Contracts should be signed prior to September 15.

"We are interested in contracting irrigated land of more than 30-acre fields so we can program for 1971," Kensinger said in pointing out that his company will pay \$16 per ton for alfalfa. "Growers must plant, irrigate and tend the alfalfa.

We will cut and grind it to our specifications."

"Local bank money is available within the area for installation of irrigation for prospective growers," Kensinger said.

Western Alfalfa began operations early in 1970 in the Memphis area. It grinds alfalfa to specification for feedlots in the Panhandle."

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

LIONS ROAR

There will not be a Lions Club meeting this Thursday night, too hot and dry. Cooks need a vacation, some others are on last minute vacations before school starts next Monday

But the annual Lions family picnic will be held at the city park Thursday night, Aug. 27th. If it rains we will eat inside. This will be a chicken barbecue and the same old crew will prepare and serve. That means it will be good.

All you have to do is leave 1/2 chicken or more at Stafford Grocery for each member of your family or guests. The Lions will do the rest. Always a big event, we hope this one will be just a bit bigger and better.

Cotton Festival

The 19th annual Cotton Festival will be held Friday and Saturday, Oct 9 and 10, whether we have any cotton or not. Don Springer, president of the Lions Club, will be general chairman. He says let's make this, the 19th, bigger and better than last year, then make next year's 20th the major event of this area. Clifford Johnson will again have charge of the publicity. Sandra Winn Taylor is the reigning Queen of Cotton.

The D S Dudley Shows have been booked for the midway. They have given us good shows the past three years. Friday the old settlers will be honored and there will be some entertainment throughout the day. At 4 p m the Festival proper starts and there will be almost continuous free entertainment both day and night from then on. The Festival grand parade at 2 p. m. will be our best. Another highlight of Saturday's events will be the coronation ceremonies and the crowning of the new Queen of Cotton at the high school gym at 8 p m.

Jack Hoggard has heard from Mrs D L. Appleman at Aransas Pass on the effects of hurricane Celia. They lost their front porch and many windows, and their home needs a new roof. They have no utility services as yet. Nevertheless, they feel luckier than many others.

Mr. and Mrs Hobart Moffitt attended the hardware convention in Amarillo last week end and will visit in Colorado before returning home.

Donald Youree and family were here from Amarillo last week end
