1919 Study Club

The 1919 Study Club met in the home of Mrs Roy Jewell with Mrs C L Johnson as co-hostess for a coffee Oct 28 at 10 a m.

There were 14 active members present also Mrs. C W. Kinslow of Memphis, a life member, and four guests; Mrs Bill Ray and Mrs. George Benson of Clarendon, Mrs. Dave Sellars of Hedley and Mrs Robert Sexauer of Memphis.

After coffee was served the president, Mrs Jewell, called the meeting to order, welcoming the guests and members

Mrs Sexauer was guest speaker, her topic being Federation. She has been in federated clubs some 20 years, is past president of the Santa Rosa district, and at this time is serving as district federation chairman.

She stated that federation not only includes study clubs, but PTA, music clubs, garden, business and professional clubs, and many other organizations, and that being a federated club means so much because it is not only one club trying to put something over. There are as many as 8,000 clubs pulling together, not only in the USA, but many other countries

The national federated club house is right next door to the Soviet Union building in Washington, D C. That is where our national president lives. She attends many sessions of the Congress and Senate and many other government meetings, and is partly responsible for many of our laws being put through, too many to mention, but such as child labor laws and pure food laws.

At present the national president is Mrs. Earl A Brown a very interested person in our government and all the problems that

our country is facing at this time. Mrs Sexauer says it will take the women to save our country and have a better government, and working together through federation this can be done

There's a future in it for someone.

Your son's education for instance. But by the time he's ready for college his education may well cost a small fortune. The kind you just don't have lying around under a bed. That's just the reason why your government has a great thing going. A U.S. Savings Bond. In themselves they're not a quick buck. They won't make you that fortune overnight. But in the long run they do pay off. Darn well at that. And at a guaranteed rate. Starting a savings plan is easy. You can join a Payroll Savings Plan where you work. Or get into a Bond-A-Month Plan where you bank. Then watch someone's future grow. Like your son's.
