Hunger hurts children most, in body and mind; kills from diseases a well-nourished child can withstand. When you join CARE's Food Crusade, your help goes to children first, in countries beset by hunger.

Every dollar sends a food package to do a multitude of good. You help feed millions of boys and girls every day at preschool centers and schools, so they can grow into healthy, educated, self-supporting adults. You provide meals at home in food-for-work projects to help parents build community resources. You rescue families in war and disaster areas, and help them rebuild their lives.

With your money, CARE delivers U.S. donations of farm abundance or buys other needed foods. Local governments share operating costs. \$1 can help feed a child for 3 months...\$10 serves lunch to 900 children...\$100 sends over a ton of food. Mail your check.
