The week of Feb. 20 to 27 has been designated as FFA week in Texas and the nation.

Texas now has almost 1000 active FFA chapters with over 50,000 active members and more than a quarter of a million former members. During the past 41 years the Texas Assn. has performed valuable services to our state by developing leadership, cooperation, good citizenship and sound methods of farming.

Our Hedley chapter has won many honors over the years under the able leadership of Advisor Doyle Messer.

The Informer is proud to join in a salute to Mr. Messer and his FFA boys.

Verney Wades To Observe Golden Wedding

Blizzard

One of the most violent blizzards in many years blew in Saturday night and continued throughout Sunday over this entire area. Everything was at a standstill here Sunday and not too much activity took place Monday. An estimated 15 to 18 inches of snow fell here.

If you find any deficiencies in this week's Informer, please give a part of the blame to the blizzard, which interfered with our usual working hours.

The children of Mr. and Mrs. Verney F. Wade of Hedley cordially invite all their friends and relatives to join them Sunday, the twenty-eighth of February, in celebrating their Golden Wedding anniversary at Fellowship Hall of First Baptist Church, Hedley, 2 p. m. to 4 p. m.

Cellars On Display

The Hedley Fiberglass Co. now has samples of their fiberglass storm cellars on display. Go by and inspect them.

The 42 Club will meet Thursday Feb. 25, at 7:00 with Vera Mae Petty.

Mrs. Mildred Clendennen was taken back to the Memphis hospital Friday.

Ike Rains is reported doing nicely in the Memphis hospital.

The J. C. Upton family were here from Amarillo last week end. The blizzard kept them from going home until Monday.

Mrs. Lucy M. Heath

We are sorry to learn of the death of Mrs. Lucy May Heath, 75, of Clarendon, who passed away Monday in an Amarillo hospital.

She was born in Sulphur, Okla., and came to Donley County from Wise County in 1918. She was a member of the First Baptist Church.

She is survived by two daughters Mrs. F. M. Murray of Hedley and Mrs. Frank Tyler of Garland, and a son, Hershel, of Clarendon.

Funeral services were pending at press time.

The stars still shine on Texas

In the beginning, the stars shone all over America.

Then something happened. As the air slowly got dirtier and dirtier, the day came when you couldn't see the stars.

First in Pittsburgh.
Then Los Angeles.
Then New York.

Then Detroit.
Then Cleveland.

But the stars still shine on

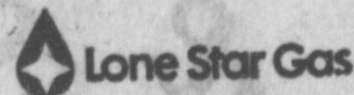

Texas. Because Texas air is clean. And at Lone Star, we're doing our best to keep it clean.

One thing we're doing is supplying the cleanest burning fuel known to man. Pure natural gas.

And we've equipped 400 of our service trucks to run on liquified petroleum gas. (This means 97% less pollution than if these same trucks were running on gasoline.)

And we're going into factories and plants and working with manufacturers to develop incineration systems that will drastically reduce industrial pollution.

The stars still shine on Texas. Let's all work to keep the stars in the sky.
