## So Nice To Have Friends

Last Wednesday night we were expecting company for supper and a three day visit. Those coming to my rescue were Edith Bain, Leone Taylor, Mabel Bridges, Biffie Moreman and Billie Hunsucker.

God bless each of you

## Fair Warning

Following a recent visit from the State Department of Health, some drastic steps must be taken in regard to the City of Hedley junk ground.

The use of the junk ground has been greatly abused, not by the city, but by individuals, perhaps thoughtlessly, many of whom do not even live within the city limits.

The junk ground has been left unlocked for the convenience of everyone, but it will have to be locked hereafter, and dumping of junk will be permitted only on Monday afternoons from 1:00 to 4:00. No dumping will be permitted at night or on Sunday, and no dead animals can be placed in the junk ground at any time. This is a point on which the Health Dept is very emphatic. Loads of junk will be inspected and no dead trees or other items which are too bulky can be dumped.

When the gate is locked, no junk can be dumped outside the gate, and anyone doing so will be prosecuted. Anyone leaving a dead animal at any time will also be prosecuted.
