Senior Trip

The Hedley senior class left at 8:00 a. m. last Tuesday on the annual senior trip. They first went to San Antonio, where they visited the Alamo, Brackenridge Park and the Tower of the Americas. They then went to Houston where they visited the Astroworld amusement park, heard the Grass Roots Group, and visited the San Jacinto monument. Next they went to Galveston, where they toured a submarine, went to Sea-Arama, rode the ferry, shopped, and went swimming. They came back by Dallas, where they toured Love Field. They arrived back in Hedley about 2:30 p. m. Sunday, and everyone reported a wonderful trip.

Glyndol Holland, their sponsor, drove the bus, and mothers accompanying the group were Mrs. Martha Hill, Mrs. Jennette Floyd and Mrs. Hazel Myers.

Mrs. Adamson Writes

Dear Informer and friends:

I am having a very enjoyable time visiting two of my daughters and several grandchildren and one son-in-law here in the foothills of the Ozarks.

This is a time of special beauty due to the dogwoods blooming.

Baccalaureate

Baccalaureate services for Hedley High School will be held Sunday, May 16, in the Hedley United Methodist Church.

Rev. Billy Wilson, pastor of the Methodist Church, will deliver the baccalaureate sermon.

Music for the program will be furnished by Connie Lee DeBord and Angela Messer.

42 Club

The 42 Club will meet Thursday, May 13, with Mrs. Peggy DeBord at 7:00.

The Johnny Brumleys were here Sunday from Groom.

At times we see whole groves of them. From the location of Zona's house there is a winding stream that forms a horseshoe and all along its banks grow the lovely white dogwoods. Some are low and bushy while others reach a height of from 30 to 50 feet. So the horseshoe bend forms a ring of white dogwood.

So we feast our eyes from the dining room door on this ring of white dogwood. We wish all who love nature's beauty could see them.

Sincerely,

Jessie Adamson

Notice

People make the news and your newspaper is always interested in what you've done. Let us know if you have: Died, married, enlisted, graduated, been born, left town, been shot, struck oil, had triplets, been lynched, been robbed, been elected, had a fire, been arrested, found a still, been promoted, written a book, inherited a million, committed a murder, stuck up a bank, bought a home.

Four months of picnic food is no picnic.

Get central gas air conditioning and bring back meat and potatoes.

Some days you wouldn't even boil an egg. Let alone cook a meal. But with central gas cooling you can cook a banquet. Without heating up your home.

With central gas air conditioning, it only costs a little to add a lot to your living.

First of all, you'll save in installation costs. Because you just add a cooling unit to your existing central gas heating system. But that's just part of the savings. Gas costs less to use than electricity. And

we give you a special low rate for central gas air conditioning during those sweltering summer months. When you need central air cooling the most.

So go ahead. Have central gas cooling installed. And save the picnic food for the great outdoors.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

Hunger hurts children most, in body and mind; kills from diseases a well-nourished child can withstand. When you join CARE's Food Crusade, your help goes to children first, in countries beset by hunger.

Every dollar sends a food package to do a multitude of good. You help feed millions of boys and girls every day at preschool centers and schools, so they can grow into healthy, educated, self-supporting adults. You provide meals at home in food-for-work projects to help parents build community resources. You rescue families in war and disaster areas, and help them rebuild their lives. With your money, CARE delivers U.S. donations of farm abundance or buys other needed foods. Local governments share operating costs. \$1 can help feed a child for 3 months...\$10 serves lunch to 900 children...\$100 sends over a ton of food. Mail your check.
