Red Cross

Citizens of Donley County:

Due to the fact that there has not been a Red Cross drive in Donley County for two years our local chapter is in the red.

If we met our quota nationally for twenty years it would not be equal to what was spent in our county this past year for disaster relief.

Red Cross is the only agency which has contacts for our servicemen to receive emergency leaves Red Cross assists those stranded away from home

We could be training our youth in water safety, first aid and home nursing through Red Cross. We could be using Red Cross blood banks and have a Gray Lady unit when our hospital is complete

How can we depend on Red Cross unless Red Cross can depend on us? Please be generous with your contribution this year.

Mrs Horace Green
Finance Chairman 71

Containers will be in several places in Hedley. Please place your contributions in them.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

Somebody cared.

Be somebody.

Hunger hurts children most, in body and mind; kills from diseases a well-nourished child can withstand. When you join CARE's Food Crusade, your help goes to children first, in countries beset by hunger.

Every dollar sends a food package to do a multitude of good. You help feed millions of boys and girls every day at preschool centers and schools, so they can grow into healthy, educated, self-supporting adults. You provide meals at home in food-for-work projects to help parents build community resources. You rescue families in war and disaster areas, and help them rebuild their lives.

With your money, CARE delivers U.S. donations of farm abundance or buys other needed foods. Local governments share operating costs. \$1 can help feed a child for 3 months... \$10 serves lunch to 900 children... \$100 sends over a ton of food. Mail your check.

That's just the reason why your government has a great thing going. A U.S. Savings Bond.

In themselves they're not a quick buck. They won't make you that fortune overnight.

But in the long run they do pay off. Darn well at that. And at a guaranteed rate.
