HEDLEY, DONLEY COUNTY, TEXAS, MAR. 3, 1972

NO. 21

A Letter

Dear Editor,
Hedley Informer,
Hedley, Texas 79237
Attention!

As Editor Boliver states, "People make the news, and our newspaper is always concerned in what we do." Consequently, I relate, for your information, that I have rented my farm at Giles, for the calendar year 1972, to L M Wiginton, who has moved to the community for your neighbors. He has a fine family, two sons almost grown. He is a fine fellow, a brother to Mrs. A. E. (Jackie) Ranson.

I hope you will welcome the Wiginton family as you did (me) us over two score years ago. I want to assure you that we appreciate your hospitality, and also assure Mr. Wiginton he could not have selected a better community of real people. I still hold my interest here yet.

Since my wife being on duty at Hall County Hospital, a main portion of our time will be allotted in Hall County, however let it be known I have drunk of the waters of Buck Creek, I am legally registered in Donley County and we have not abandoned or forsaken it or its wonderful people.

Thanks sincerely,

Malcolm and Lovell Glass

Aunt Sarah, I love you.

Remember my 10th birthday, when you gave me that funny piece of green paper and everybody made such a fuss over it. (Except me.) Frankly, it was a pretty disappointing present for a kid. I couldn't eat it, couldn't play with it, couldn't wear it—and Mom took it away from me practically the minute I got it.

And every birthday after that (and Christmas, too), you gave me another one of those Bonds, you called them. I thought you were pretty gooney.

At least, I never had to guess what I was going to get from good old reliable Aunt Sarah.

And what I got was good old reliable U.S. Savings Bonds.

What I didn't realize then was that you gave me a gift of security for the future. Thanks to you and those Bonds, I had extra funds for college. And they helped when I bought my first new car.

Next week, I'm giving my nephew, Harry, his first U.S. Savings Bond. I know the kid is gonna think I'm some kind of nut. But, someday...

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

Now Bonds pay a bonus at maturity.

1919 Study Club

The 1919 Study Club met in the home of Mrs. Herlie Moreman. Assisting hostesses were Mrs. Myrtella Deahl and Mrs. Cullen Taylor.

The meeting was called to order by the president, Mrs. J. S. Hinds on Feb. 23. Mrs. W. W. Wiggins read the minutes of Jan. 26, and

the president conducted a short business session.

The program was turned to the leader, Mrs. C. L. Johnson. Topic of the program was Devotion. To introduce the program the leader read paragraphs of The Magic of Love by Helen Stiener Rice. The club collect was repeated by the members in unison.

Mrs. Joe Miller gave a review of the beautiful love story of Bob and Anita Bryant, Mine Eyes Have Seen the Glory, by Anita Bryant. She told of their great love for each other, their children, and their trust and love for the Lord. One of Anita's favorite songs is the Battle Hymn of the Republic. Her programs under the management of Bob have been seen in many places and times. She has been with Bob Hope Christmas programs.

To close the program this thought was read, 'Variety is the spice of life that gives it all its flavors.'

Your son's education for instance.

But by the time he's ready for college his education may well cost a small fortune.

That's just the reason why your government has a great thing going. A U.S. Savings Bond.

In themselves they're not a quick buck. They won't make you that fortune overnight.

But in the long run they do pay off. Darn well at that. And at a guaranteed rate.

Basketball News

The Owls won two warmup games. Hedley defeated Harrold 66 to 56 at Quanah last Tuesday night. David hit 21 for the Owls as Shane saw only limited action on a badly swollen ankle. The much smaller team for Harrold was led by 5' 10" Edward Gomez, who hit 32 points in a losing effort. The Owls did a much better job on the boards than in their previous games.

Hedley Owls 50, Anton Bulldogs 45. The Bulldogs, winner of District 5B with 6' 10" Terry Beleher, saw their 21 game winning string halted by the Grinning Green Owls. Anton had not lost a game since Dec. 17, Class A Seagraves, winner of District 4A, defeated them 64 to 58 for their only loss. Although not at full speed, Shane got 7 rebounds and hit 6 of 10 attempts, while David gathered in 12 rebounds and hit 2 out of 8 shots. Johnny hit 5 of 12 attempts, Leon hit 8 of 16 attempts, and got 12 rebounds. Daniel and Raymond shared time on the court and turned in a good game defensively and fed the taller of easy shots.

Turnovers were numerous as both teams had too many mistakes to win the close games. Hedley lost the ball 30 times to Anton's 26.

W. C. Snelson was in the Memphis hospital last week.

Mr. and Mrs. Leroy Conrad of Amarillo visited the Roy McKees over the week end.

The J. C. Uptons were here from Amarillo last week end.

LIONS ROAR

Thursday night of next week is the next meeting of the Hedley Lions Club. Time is 7 p.m. Lion Zone Chairman Allen Estlack of Clarendon will have the program and will conduct the last zone meeting before the district convention after the regular meeting.

Past Lion District Governor, Boyd Meador, who is also mayor of McLean, states in his letter that he, the McLean Lions and the City of McLean are very much in favor of extending Highway 273 south to Lakewick.

Guests at last week's meeting included Golden Glove boxers Mark Brinson, Mike Newhouse and Bob White. The program in charge of Letha Springer consisted of the three Springers, three grade school girls, and three grade school boys.
