

WHITTLIN'

By DOLPH MOTEN

One of our football fan acquaintances, who shall remain anonymous here for protection of the guilty, was at Happy Friday night in support of his favorite high school team, the Bovina Mustangs.

In that game, the opening kickoff was returned by the opposition for 100 yards and a touchdown.

The next night, said fan was in Canyon to watch one of his favorite college teams, the West Texas State Buffaloes.

Same thing happened. The opposition returned the opening kickoff almost the length of the football field for a touchdown.

At this point in the Saturday night game, the man in question arose from his seat and announced to the people with him, "Well, let's go home. This is just a re-run of what I saw last night."

And best we qualify the above paragraphs by saying that's more or less the way we heard the story. That's not an eyeball report; just hearsay.

Most of the Southwest Conference football fans which we're associated with pull for the Texas Tech Red Raiders. Their team has less than a spectacular record for this season. Same is true of Tech's opposition this week, the Fightin' Texas Aggies.

The two teams, figured to be also-rans in the SWC race, will battle for at least a little glory ---- a win over the other ---- Saturday night in Tech's Jones Stadium.

One set of fans will have something to holler about . . . unless the teams play to a standoff.

One Tech supporter, with which we converse on a semi-regular basis, has been admittedly quiet this week even though the Raiders won last Saturday while the Aggies were being outscored. He says he wants us to extend him the same quiet courtesy next week in case the Aggies win in the Tech game.

Up to now, we haven't made any promises.

After the first week of this year's Bovina Businesses Football Contest, we picked Billy Whitecotton, much to his dismay, as our 1971 football contest hero. We pointed out in this space what great determination he displayed after he had a bad opening week.

Sure enough, just like the storybooks, his hard work, study, determination and astute knowledge of football paid off! Last week, Whitecotton picked nine out of 10 winners and was one of three people to tie for the third place cash prize of \$1.

Then, after all the encouragement we'd offered him and the publicity we'd given him, he had the nerve to ask, as he examined his 33 cent check, if we'd taken out the withholding tax.

If Whitecotton wasn't doing so well, we might just abandon him and select us another contest hero right here in mid-stream.

Burglars and break-ins are becoming entirely too frequent in Our Town. Isacc's Department Store has been burglarized twice in recent weeks, not to mention still another time several months ago.

Last week, burglars broke into J. W. Wright's Bovina Recreation and Odis and Lula White's Spudnut Shop.

Such break-ins are highly annoying to the people involved, not to mention the monetary losses.

The Isaacs possibly helped solve part of their break-in problem by filling in the windows at the rear of their store building with tile and mortar.

That'll stop burglars from gaining entry to the building through the windows, we'll wager. It doesn't mean that burglars can't get in, but at least they won't be getting in through the windows!

Written with chalk at the recreation hall during the break-in there last week was the encouraging statement, "This is the last time."

Friday's the last day to get your First Freeze entry turned in.

That's the deadline for this year's first freeze contest. Incidentally, August 15 has been tired and disallowed. One wise guy was in a few days ago wanting to submit that date and said he knew it was right because President Nixon said on television that was the day the (wage and price) freeze started. Oh, well . . .

Rains Help --

1971 Milo Crop Prospects Excellent

Harvest Behind Normal Schedule

Faced with a down market and a bumper crop, area farmers are on the brink of the 1971 milo harvest.

The harvest season has already been delayed two or three weeks by recent rains which have caused the crop not to mature as early as it normally would.

If dry weather prevails, harvesting is expected to begin next week. Little grain had been cut as of mid-week, according to Bovina elevator people who indicate that the moisture content of the grain has been over the acceptable 14 per cent for the most part on samples which have been brought to town.

The government farm program has brought about an increased number of acres this year. The program dictated that an additional 20 per cent more acres be planted this year than last. That increased production plus the fact that yields are expected to run some 10 per cent higher than last year is expected to make for a "bumper" crop this year. The county has an outstanding

reputation for being able to produce grain sorghum and this year's crop will, no doubt, add to that reputation.

The price of milo is expected to be down from the \$2.05 or \$2.10 paid for last year's production. There's no definite price established now due to the fact that harvest is not underway and because it is subject to change on a day-to-day basis.

Elevator men agree that they (Continued on Page 2)

The show, originally scheduled during Bull Town Days in August, was postponed because of a quarantine on horses during the VEE epidemic in Texas.

11th Annual --

Quarter Horse Show Set Here Saturday

Eleventh Annual Bovina Quarter Horse Show will be held here Saturday at the all-new Bovina Roping Arena on the east edge of town.

Bovina Roping Club sponsors the annual event.

A quarantine on horses during the outbreak of the Venezuelan Equine Encephalomyelitis (VEE) epidemic in Texas back in the summer, forced the postponement of the show from its regularly scheduled Saturday date during the annual Bull Town Days celebration in August.

A record total of 164 horses were entered in the 1970 show, according to Mrs. Pat Read, show secretary.

Entries will close and judging begins at 10 a.m. Saturday with Jack H. Bates of Albuquerque, N.M., judging the show.

Entry fee for halter and performance classes is \$7. Junior cutting fee is \$12.50 plus \$7.50 office charge. Senior cutting fee is \$17.50 plus \$7.50 office charge.

Trophies will be awarded

grand and reserve champions and to first place class winners with rosettes to second through sixth places. A high point trophy will also be awarded.

Competition will include 23 halter classes and 10 performance classes. Featured in performance classes will be western pleasure, reining, barrel racing, roping and cutting in junior and senior classes.

Total tax due by the deadline of January 31 is \$29,062.26 from valuations of \$2,527,083.18. The rate remains at \$1.15 per \$100 valuation, the same as in 1970.

Bovina Senior Wins On Tie-Breaker Pick

Donnie Grissom, senior student at Bovina High School, won the first place prize money in the fourth week of Bovina Businesses Cotton Bowl Football Contest and Ted Graham pulled ahead by one game to take possession of the lead in total points.

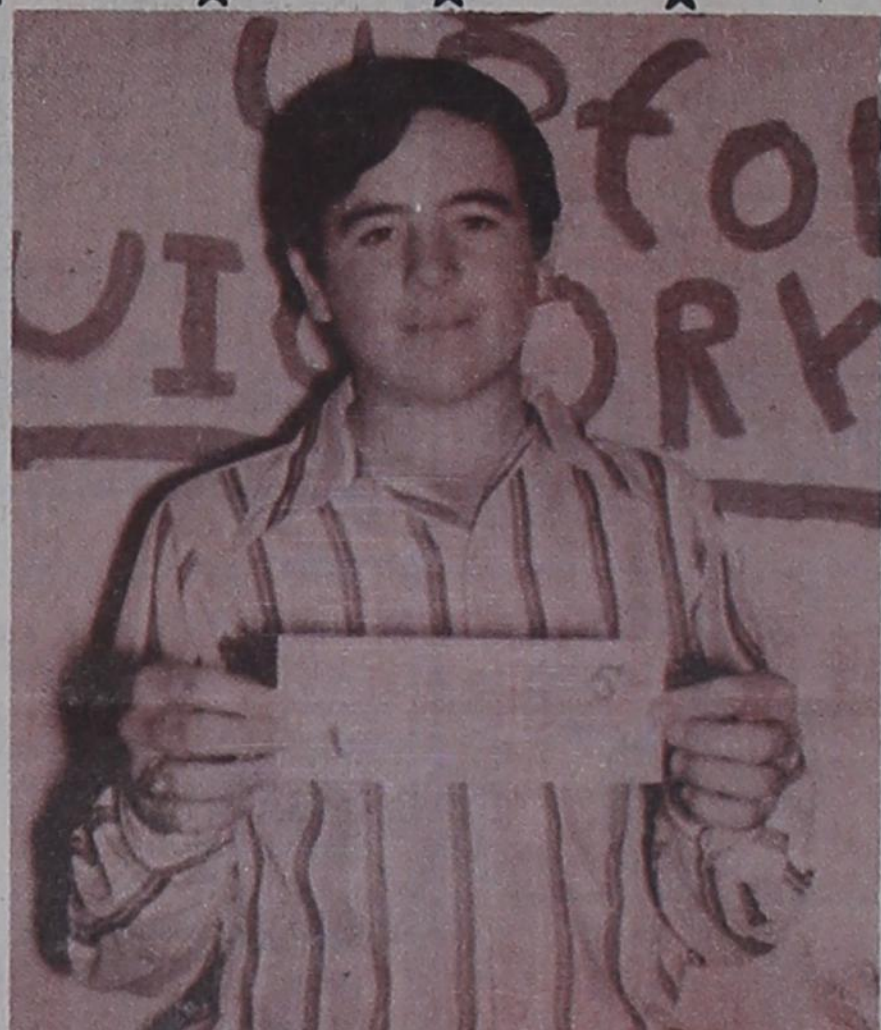

The winner this week was one of eight to correctly pick nine games. He was awarded \$5 on his tie-breaker score which was 11 off the actual score of 17-8. Yvonne Stevenson, 15 off on the tie-breaker, came in second for \$3. Three men, Billy Whitecotton, Carlton Newell of Muleshoe and Ronnie George of Friona, tied for third place, each being 16 points off on the tie-breaker, to split \$1 prize money.

Others picking nine winners, but being farther off on the tie-breaker score, were Pam Wilson, 17 off; Kirk McFarland of Farwell, 22 off; and George Baca, 26 off.

Graham, who was in a five-way tie for the lead last week, picked eight games correctly moving into sole possession at this point in the contest with 31 points out of a possible 40 for a .775 percentage.

Three other contestants who were in a tie for the lead last week picked seven games correctly this week for 30 total

points. They were Mrs. Vera throughout the first three weeks, Corky Criswell and Ben

CONSERVATION DISTRICT ZONES --- This map of Parmer County shows the five zones of directors of Parmer County Soil and Water Conservation District. An election for a director for Zone Three is scheduled for Thursday, October 14, at Hub Cafe.

For Zone 3 --

PCSWCD Sets Election Oct. 14

A director to the board of Parmer County Soil and Water Conservation District will be elected for Zone Three in the county Thursday, October 14. The election will be conducted at Hub Cafe at 10 a.m., according to Herb Evans, district conservationist.

The present director, A. L. Black, has been serving Zone Three since 1948.

Eligible to vote in the October 14 election is anyone who is 21 years old or older, owns land in the zone and lives in Parmer County, says Evans. "The Parmer County Soil and Water Conservation District is of vital importance to the future of conservation in Parmer County. The election of a director is of equal importance. If you

are eligible, come and let your opinion be felt --- vote," Evans says.

Each year, the district holds an election to name director from one of its five zones. Each director serves a five-year term. The board of directors determines policies of the district concerning conservation of natural resources and directs the use of district funds.

Burglars Strike 2 Firms

Two business firms here, Spudnut Shop and J. W. Wright's Bovina Recreation, were broken into and burglarized some time Friday night, according to law officials here.

Entry was gained into the Spudnut Shop by removing a window screen and forcing a window open in the rear of the shop. Fourteen packages of cigarettes, a small amount of change and some \$60 worth of frozen meat was taken from the shop, according to owners, Mr. and Mrs. Otis White.

Mrs. White discovered the break-in early Saturday morning shortly after entering the shop, however, she didn't miss the frozen meat until Sunday morning.

Several vending machines were forced open at Wright's Recreation and an undetermined amount of money and merchandise are missing, according to Woodrow Wright, owner.

Written on the wall in chalk at Bovina Recreation was the inscription, "This is the last time."

Ronald Mitchell, city marshal, and Parmer County Sheriff Charlie Lovelace are investigating the incidents.

Crop Prospects --

(Continued from Page 1) expect the market to be above the government loan rate of \$1.74, however.

As late as August, prospects for this year's crop were not encouraging due to a lack of rainfall. However, good rains late in August, considered almost ideal for the grain sorghum crop, changed that picture. Additional rain two weeks ago also added to the brightness of the maize yield outlook.

A portion of the crop, at least, won't mature enough for harvesting until after a freeze. While the price for this year's crop is not yet established, it is a safe bet that it will be considerably less than the \$2.50 cwt, figure it reached back in the summer.

If weather permits, the harvest season should reach its peak in a couple of three weeks.

A THRONE SET IN HEAVEN

In Revelation 4:1-3, while on the Isle of Patmos, in the Aegean Sea, the apostle John saw "a throne set in heaven." In figurative language he described it. The scene is vivid and very colorful. Three colors are seen; and each color represents a quality of the throne Occupant. He was to look "upon like a jasper stone" - a stone of sparkling whiteness, indicating the quality of holiness. He was "like a sardis" - indicating a fiery red in color, and indicating the quality of justice, the terror of Divine wrath against sin. Round about the throne was a rainbow, "like an emerald" - that is, green in color. The bow reminds us of the shipwreck of the world by sin and the calm that followed. The soft, milk, restful color denotes mercy. Thus, the qualities of holiness, and of justice, and of mercy adorn the throne that John saw. When the sinner looks upon the throne, he is warned - made to tremble. When the penitent looks upon the throne, he finds comfort. The Occupant of the throne warns the sinner, but offers the comfort of mercy to all who repent and turn to the way of righteousness.

Mustangs Attempt To Regain Winning Form

S-E Gets Nod In District Tilt

Friday night's football action for Bovina Mustangs is expected to be a "tough contest" as the Ponies attempt to get back on the winning trail following their disappointing loss to Happy Cowboys last week.

The Mustangs meet the Springlake-Earth Wolverines, who will be heavy favorites in the contest.

The game will be played on the opponent's home field, Kick-off is at 8 p.m.

This will be the second District 3-A encounter for each team. The Wolverines established themselves as one of the favorites for the district crown last week by defeating Sudan Hornets, 27-6. That win brought their season record up to 3-1, the only loss being to the Class AA Dimmitt Bobcats. In a hard-fought contest on a muddy field, the Bobcats won by one point, 8-7.

The Wolverines own lopsided victories over Class B Amherst, 81-0, and Class A Hale Center, 50-0.

Springlake-Earth is led by 200-pound, strong running back, Hoyt Glasscock, a senior and starter since his freshman year. He has been tabbed as a possible all-state selection this year.

"We think we can beat the Wolverines," comments Head Coach Gib Hough, "but our own mistakes are killing us and if we don't stop that, we will get beat again."

In a district that shows more balance this year than in years past, Hough says he believes the eventual winner of the district championship will have lost at least one game.

A somewhat inconsistent Mustang team defeated the heavily-favored Wolverine team, 21-7 last year.

Hough says he expects to go with the same line-up this week

that he used at Happy. The team is apparently in good physical condition, he states.

While emphasizing that the Mustangs' own mistakes hurt them the most in the Happy conflict, Hough praised the defensive effort saying that after the first three minutes of play, Happy's offense couldn't move effectively against the Mustangs.

Hough singled out two Mustangs for praise on defense, Larry Wiseman and Hugh Rogers. "Ken Jamerson also did a fine job for us defensively," Hough said.

In last week's opening District 3-A clash, Vega defeated Kress, 14-13, in an upset over the pre-season district favorites; Hart and Farwell fought to a 13-13 tie; S-E defeated Sudan, 27-6; and Happy upset the favored Mustangs, 17-8.

Over Friona, Happy --

Colts, Jr. High Win Doubleheader

In a pair of football games here Thursday afternoon of last week, Bovina scored a total of 70 points, while holding their opponents to a meager eight points.

In the first game of the afternoon, Bovina Junior High took a convincing decision over Happy Junior High, 28-8.

Ray Martinez pushed across the goal line for 12 points and Elbert Shelby and Dennis Willard each had one touchdown to their credit. Extra points were converted on two of the TDs on passes to Ellie Hernandez.

Bad Night For Bovina --

Ponies Drop 3-A Opener To Happy Cowboys, 17-8

The Happy Cowboys rode the Bovina Mustangs to a 17-8 homecoming win in an opening District 3-A football game there Friday night.

The Cowboys put 14 points on the scoreboard in the first three minutes and that proved to be too much for the sputtering Mustang offensive and the determined defense to overcome in the remaining 45 minutes of play.

This was the first loss of the season for the Mustangs and the win made the Cowboys' season record 4-0.

Shannon Davis, from his defensive guard position, got the Mustangs on the scoreboard with 6:49 remaining to be played in the final quarter. Score at that time was still 14-0. Davis blasted through the Happy line on a punt attempt, blocked the kick and then picked up the ball and ran, unmoled, into the endzone for the counter. Quarterback Kim Rundell ran the dual extra points on the right side of his own line to make the count 14-8 and put the Mustangs back in the ballgame.

Happy iced the game away later in the quarter, however, as their do-everything quarterback, Steve Cole, kicked an eight-yard field goal to boost the score to 8-17.

Cole got his team off to a good start on the opening kickoff. He took the ball on a hand-off from teammate Greg Looney, who fielded the kick on the goal line and went the 100-yard distance for the six-pointer and had his team in the lead before the fans were settled in their seats.

Cole's attempted extra point kick was blocked by Davis and the Mustangs, who had the favorite's role up until that point, already had some catching up to do.

Proving again and early that it just wasn't their night, the Mustangs fumbled on their first play from scrimmage following the Cowboy kickoff and lost possession of the pigskin on their own 36. Six plays were needed by the Happy boys, who were really that by then, to go in for the score. The Ponies suffered 14 yards in penalties during the drive.

Looney got the counter on a five-yard spurt. Cole passed to End Gary Barrett for the double extras to make it 14-0. The scoreboard clock showed 9:37 remaining to be played in the opening quarter.

Following the second Cowboy kickoff, the Mustangs fumbled again on their second play. This time, the Cowboys recovered the loose ball on the Bovina 22.

By then, though, the Mustang defensive unit, which has been the bright spot of the team this season, was back to normal and halted the host team.

A fourth down pass by Cole was intercepted by Ronald Steele. He returned to the Happy 46 yard line and Bovina stock went up.

Rundell made one, then Tailback Billy Shelby got 10 yards and a first down on the Happy 15. Jeff McCormick then roared for 16 and another first down at the Happy 19. Shelby got three more, then McCormick blasted for 12 and a first down on the Cowboy four yard line. A five yard penalty moved the ball back to the nine, but McCormick erased that with a five yard run. A Mustang fumble, of which possession was retained, went for no gain as did Shelby's next carry. On fourth down, Rundell lost a yard and the ball went over to the Cowpokes on their own five.

The Happy team got the ball out to the 12 in three plays and

punted into a strong wind from the 12. The ball rolled dead on the Happy 33 and the Mustangs had another scoring opportunity. Four downs resulted in the ball being a yard short for the first, however, and Happy got possession again at the 24 as the first quarter ended.

The second and third quarters were scoreless and it would be incorrect to say the teams battled evenly during those periods. The Mustangs had the upper hand except that they couldn't get on the scoreboard. Fumbles and penalties kept the Mustangs from putting together a sustained drive.

Late in the third period, the Mustangs got a break. A roughing-the-kicker penalty against Happy gave the Bovina team a first down on their own 44 and they picked up two more first downs as they drove to the Happy 29 before losing the ball on downs.

Four plays later, as the tough defense forced the Cowboys to give the football via the punt route, was when Davis blocked the kick and got the Bovina TD.

After a punt exchange and with time running out, the Cowboys were backed up on their own 12 yard line when Looney got loose on a 68-yard jaunt that ended when Bovina's Ben McCain caught him from behind at the Bovina 20. A half-distance penalty was tacked onto the run, moving the ball to the Bovina 10. Three plays moved the ball to the Bovina one and on fourth down from there, Cole kicked the eight yard field goal to put the game out of reach for the Mustangs.

A Bovina rally in the fading seconds moved the ball back downfield, but the effort failed to produce points. Steele returned the kickoff from the 20 to the 30 and then caught a Rundell pass for seven to the 37.

A Shelby-to-Davis pass gained 18 and a first down at the Happy 45. A fouled-up hand-off on an attempted run by A1

Delgado lost four yards and on the game's final play, pass interference was ruled on a Rundell to Delgado aerial which was good for 32 yards to the Happy 17.

Seven BHS Students Join Honor Society

Seven new members will be installed in Bovina High School's National Honor Society at a date to be set later this fall, according to an announcement by Barbara Griffith, president of the organization.

Recently elected to membership were Heidi Corn, sophomore, daughter of Mr. and Mrs. Charles Corn; Rhonda Rhodes, sophomore, daughter of Mr.

and Mrs. Thomas Rhodes; Christi Trimble, sophomore, daughter of Mr. and Mrs. C. E. Trimble; Danny Parson, junior, son of Mr. and Mrs. Jimmy Parson; Terri Willard, sophomore, daughter of Mr. and Mrs. Vernon Willard; Terry Sherrill, sophomore, son of Mr. and Mrs. Jay Sherrill; and Jan Kassahn, junior, daughter of Mr. and Mrs. Jack Kassahn.

To attain membership in the honor society, students must have an overall grade average of 85. Scholarship, leadership, attitude and character are taken into consideration in selecting members of the group. Members of the high school faculty vote on admittance. Sponsors here are Mrs. Marie Snodgrass and Miss Greta Paul.

The seven new members will be considered honorary members of the organization until after their installation when

they will become voting members.

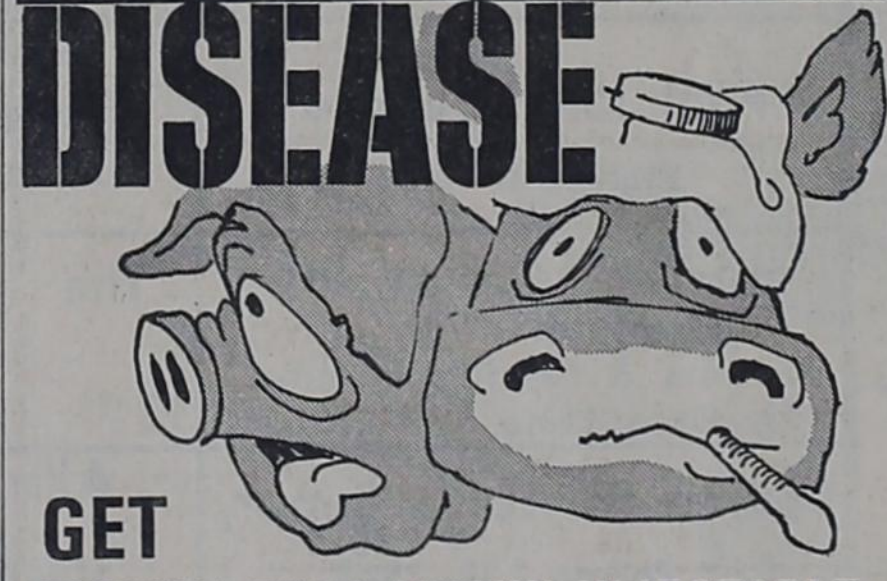

Officers for 1971-'72 were elected at a meeting of National Honor Society recently. Miss Griffith was chosen to head the group for the coming year. Other officers elected were Ronnie Nuttall, vice president; and Kim Langer, secretary-treasurer. Other members include Jackie Adams and Weldon Beardain.
