Miss Cheryl Ann Wooldridge, daughter of Mr and Mrs K S Wooldridge of 800 Gary St. Bowie and Danny Lee Morgan, son of Mrs Homer Lee Morgan of Hedley, were united in marriage Saturday, April 29, in the First Baptist Church at Bowie. Rev Jesse Casale, pastor, performed the double ring ceremony.

The gown featured bishop sleeves with appliqued flowers on sleeves and skirt and train of polyester organza with appliqued flowers. A veil of illusion covered the gown.

Maid of honor was Miss Gaye Blythe of Fort Worth, and brides maids were Mrs Gene Wooldridge of Irving, sister-in-law of the bride, Mrs Gary Graham of Bushland and Miss Rhonda Morgan of Hedley, sister of the groom. All wore yellow dotted swiss empire dresses, wide-brimmed yellow spring hats; they carried spring straw baskets of yellow daisies, flowers and greenery.

Best man was Benny Spear of Bedford, Texas. Groomsmen were Ernie Houdashell and Gale Rogers of Amarillo and Gene Wooldridge of Irving, brother of the bride.

Ushers were Lynn Holland and Glyndol Holland of Hedley. Organist was Marci Cartwright of Bowie.

A most entertaining evening was enjoyed by those attending the musical production, "Color My Country Red, White and You," presented by the Clarendon College drama department. The cooler the home, the warmer the marriage.

Marriages may be made in heaven,
but it's hard to keep them heavenly when
it's hotter than blazes.

That's where central gas air condi-
tioning comes in. It can bring you together.
All summer long. As close as you want.
All summer long.

And it won't cost you much either.
In fact, if you have gas heating in your
home, you could easily have half a central
air conditioning system already. Because
you may be able to use the duct work and
furnace blower you already have. That
saves about fifty percent on installation
costs.

That's just part of the savings. Gas
costs less to operate than electricity. And
you get special low rates during the long
hot summer months.

But you'll save more than money
with gas. You'll save time and energy,
too. Because with central gas air condi-
tioning there are fewer moving parts.
Fewer breakdowns. Fewer repairs.

This summer, have central gas air
conditioning installed. For love's sake.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.
