### Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

Amazing new gas oven ends scrubbing.

You can cook with this oven 365 days a year and never have to scrub it. Because it actually cleans itself as it cooks!

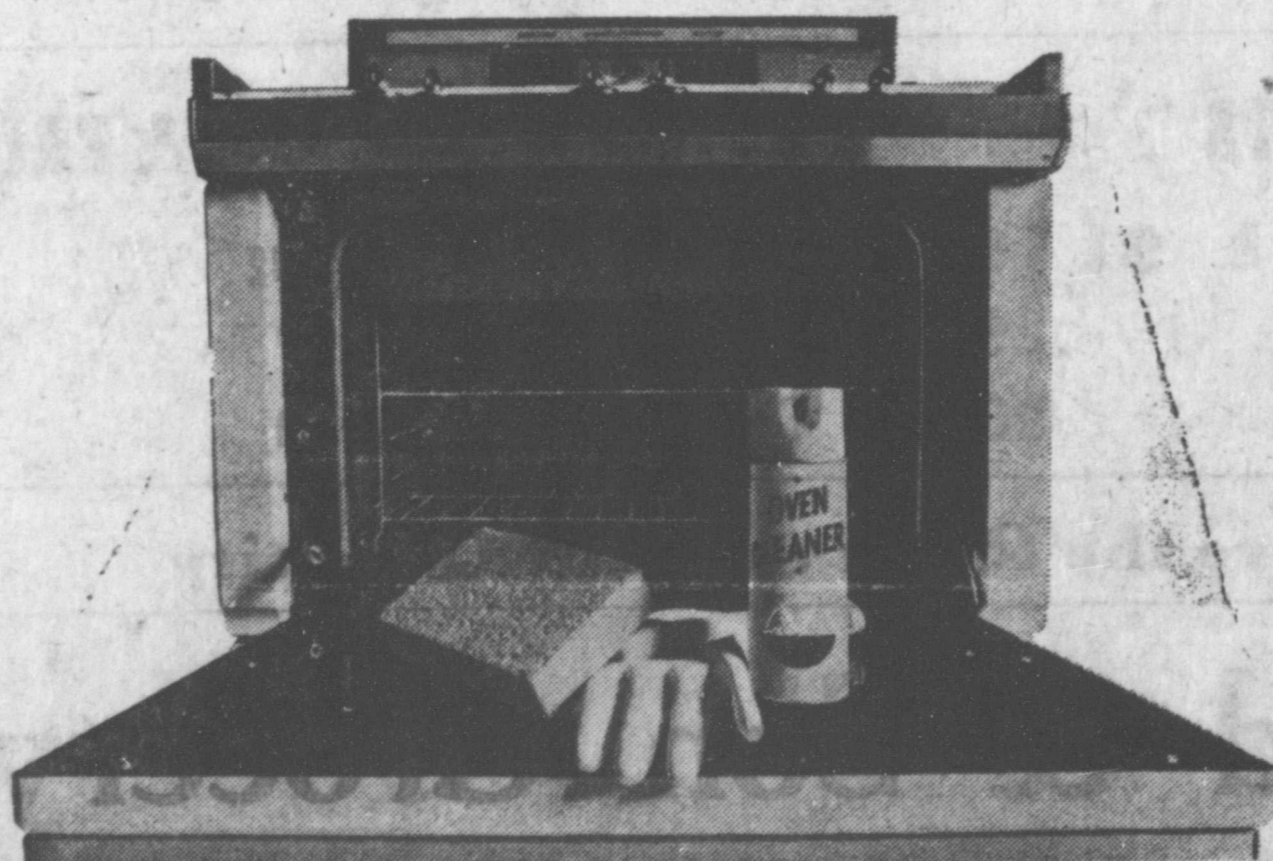

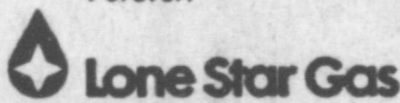

Think what this means.

Never again will you have to go through the grimy job of scrubbing an oven (most women hate this job more than any other).

Never again will you have to face an all day cleaning job—because you've put it off too long.

The gas continuous cleaning oven is just one of many exciting features on today's gas ranges. See them at your appliance dealer, or Lone Star Gas.

And cross your grubbiest job off your list. Forever.

## 1919 Study Club Field Trip

Members of the 1919 Study Club and guests made a field trip to Panhandle May 16 to visit the Carson County Square House Museum there. It is one of the outstanding museums in America. Panhandle is a beautiful little city and is well known for its beautiful churches.

The museum is located in the Square House, the oldest building in Panhandle, joined by a modern brick annex where you see depicted art from Indian to modern day. One of the outstanding attractions in the pioneer park is the dugout furnished like in the 80's with a wood cook stove and other antique items including a baby cradle. All of the museum is well kept and the ladies of the clubs make your tour interesting.

Another interesting Carson County attraction is the first tree planted in the Panhandle. It was planted in 1888 by Thomas Cree and is called "The Little Tree." It is located five miles west of Panhandle. This tree was formally dedicated by Governor John Connally in 1963.

The group enjoyed a wonderful luncheon in the club room of the new First National Bank building hosted by the museum committee ladies.

The club's guests were Mesdames Flossie Wood, Harry Boatright and J B Pickett, and Myr-
