Ralph Yarborough has joined the race for the Senate.

After pondering for the past several months whether to seek the governor's chair or return to the Senate, Yarborough made his announcement for the Washington position last week.

His decision was really no surprise to his supporters. While he had had an ambition to be governor of the great State of Texas, he feels, no doubt, that he can do more good for more people in the Senate Chamber of the United States government.

With 13 years experience as a U. S. Senator, he has an advantage there, too.

The primary obstacle in Yarborough's path to returning to the Senate is the incumbent, John Tower, who is the darling of all Texas Republicans. He's held the position since Lyndon Johnson gave it up to become vice president.

It's true that Yarborough has opposition in the Democratic primary, scheduled for May, and it's possible that he won't win it. However, it's our opinion that his qualifications, popularity and ability to campaign will give him the Democratic nomination.

After that, it looks from here like a different ballgame. However, a Democrat, and especially Yarborough, should have the advantage over a Republican, even an incumbent Republican, in the November election.

The outcome of the senatorial election will, in all probability, be tied in somewhat with the presidential election. Texas may go for Nixon -- it's much too early to tell. But even so, a Democratic senatorial candidate would have the advantage over a Republican candidate in a state that still, fortunately, prides itself on voting Democratic.

In spite of the fact that Yarborough has never enjoyed the backing of the metropolitan press in Texas -- and that's an understatement -- advocates of good, honest government find little to disagree with him about. He has been accused of being "liberal" and "pro-labor."

Whatever those terms mean, they are usually meant to be derogatory when they're used in connection with Yarborough, if you'll notice.

While we shouldn't expect anything but complete honesty and dedication from our senator and senatorial candidate, it's almost amazing when you consider the problems of Texas politics in recent months that even Yarborough's enemies will now admit that he is "honest," and "dedicated."

They don't like to, but we're sure they will, if you pin them down.

We're glad to see Ralph Yarborough back in a senate race.

A county-wide meeting of Water, Inc., is scheduled for Monday night in Bovina Schools Auditorium. This promises to be an important and interesting session. Nothing is more important to the lifeblood of the Plains of Texas than water and that's what the get-together will be about.

According to the press release telling about the meeting, people attending the meeting will find out about present water supplies, how long it will last, what is being done about replacing it, what replacing will cost, who will do it and what state and federal agencies are involved.

We need to show the proper respect for and attention to this kind of information, it says here. And we're proud the Water, Inc. people are bringing the information to us.

Water and the need for it is something that even Democrats and Republicans can't argue about.

For Dallas Cowboy fans, this is a happy week.

The C'Boys finally came up with a Super Bowl win and the world's championship of professional football Sunday afternoon with surprising ease.

But, no doubt, the title wasn't as easy to come by as it appeared on the various television sets in the area. The team was making its sixth consecutive trip into playoff competition and this was the first championship.

Anyway, nearly everyone we know is a fan of the Cowboys and we were proud to see the people we know in such a happy mood.

Wonder if the Miami Dolphins could have done better if Richard Nixon hadn't been helping them with their offensive plays?

Capitalization Increased --

Bank Deposits Highest Ever

Deposits at First State Bank of Bovina reached an all-time high at the time of a call report Dec. 30--- \$4,230,141.22.

The deposits total was more than a million more than the amount recorded at the end of 1970, \$3,125,823.27. Total deposits at the end of '69 were \$2,736,872.29. The 1968 total was \$2,733,813.76.

Loans at the end of last year were in the amount of \$2,393,311.26. This was up from the figure of a year ago of \$2,126,094.85.

At the annual stockholders meeting of the bank last week, the bank's capital was increased from \$100,000 to \$150,000 and the surplus was increased from \$125,000 to \$150,000, making a total capitalization of \$300,000, according to Jack Kassahn, president of the bank.

The capital was last increased in 1966 from \$75,000 to \$100,000.

The surplus was last increased in 1962 from \$100,000 to \$125,000.

"With the new increase in capitalization, the bank will be able to increase its loans to individuals and firms. This will help to promote a growing economy for the community," Kassahn said as he expressed appreciation to the bank's customers on behalf of the directors, officers and employees.

Include 16 Residences --

Building Permits Total \$325,800

Building permits in Bovina during 1971 totaled \$325,800, Mrs. Mary Ruth Martin, city secretary, announced this week.

This figure was down considerably from the \$710,480 recorded in 1970, the highest in Bovina's history. However, the 1971 total was the third highest since 1962.

Included in the total for last year was the new building of General Telephone Co. and 16 new residences.

The '70 total included 49 residences and a commercial building.

Total permits by years since '62 as follows:

- 1970---\$710,480.
- 1969---\$94,370
- 1968---\$100,000.
- 1967---\$137,500.
- 1966---\$180,092.
- 1965---\$288,860.
- 1964---\$461,099.
- 1963---\$246,600.
- 1962---\$114,575.

As District Attorney --

Young Candidate For Re-Election

The Bovina Blade has been authorized to announce that Jack Young of Muleshoe will seek re-election as District Attorney of the 154th Judicial District of Texas, composed of Lamb, Bailey and Parmer Counties.

"I would like to take this means and opportunity to announce my candidacy for re-election as District Attorney

for the 154th Judicial District of Texas. I appreciate the confidence that the people of Lamb, Bailey and Parmer Counties have shown in me in the past by electing me their District Attorney, and pledged my continued effort in the fight for law and order," said Young.

Jack Young is a candidate in the Democratic Primary to be held May 6.

At 7:30 P.M. --

Schedule County Water Meet Monday In Bovina

Parmer County residents will converge on Bovina Schools Auditorium Monday night for what could well be one of the most important meetings of the year--the Parmer County Water Roundup.

Featured speaker will be Leon Hill, Amarillo, Regional Director of the Bureau of Rec-

lamation. Also appearing on the program will be State Rep. Bill Clayton, Springlake. Clayton is executive director of Water, Inc.

The water meeting, slated at 7:30 p.m., is being sponsored by the First State Bank of Bovina, the Friona State Bank, the Security State Bank of Far-

well and the Production Credit Association, Friona. The program will be presented by Water, Inc. Persons attending the session will find out about present water supplies--how long it will last--what is being done about replacing it--what it will cost--who will do it--what state and federal agencies are in-

involved--where Water, Inc., fits in the picture and what that organization is doing about it, according to the Lubbock headquarters of Water, Inc.

As keynote speaker, Hill will highlight Bureau of Reclamation participation in the planning and implementation of the Texas Water Plan. He has

been Regional Director of the Bureau's Region 5 office with headquarters in Amarillo since 1959. He has been associated with the Bureau since 1946 and has more than 30 years experience in the administration of agricultural and water use programs in the federal government. A native of Winters, Hill was awarded his bachelor's degree from New Mexico State University and his master's from the University of Texas. He taught school in New Mexico before becoming a junior economist with the Resettlement Administration in 1936. As Region 5's chief administrative office Hill is in charge of Bureau operations in Texas, Oklahoma, New Mexico and Southern Colorado and Kansas. He served with the Corps of Engineers during World War II.

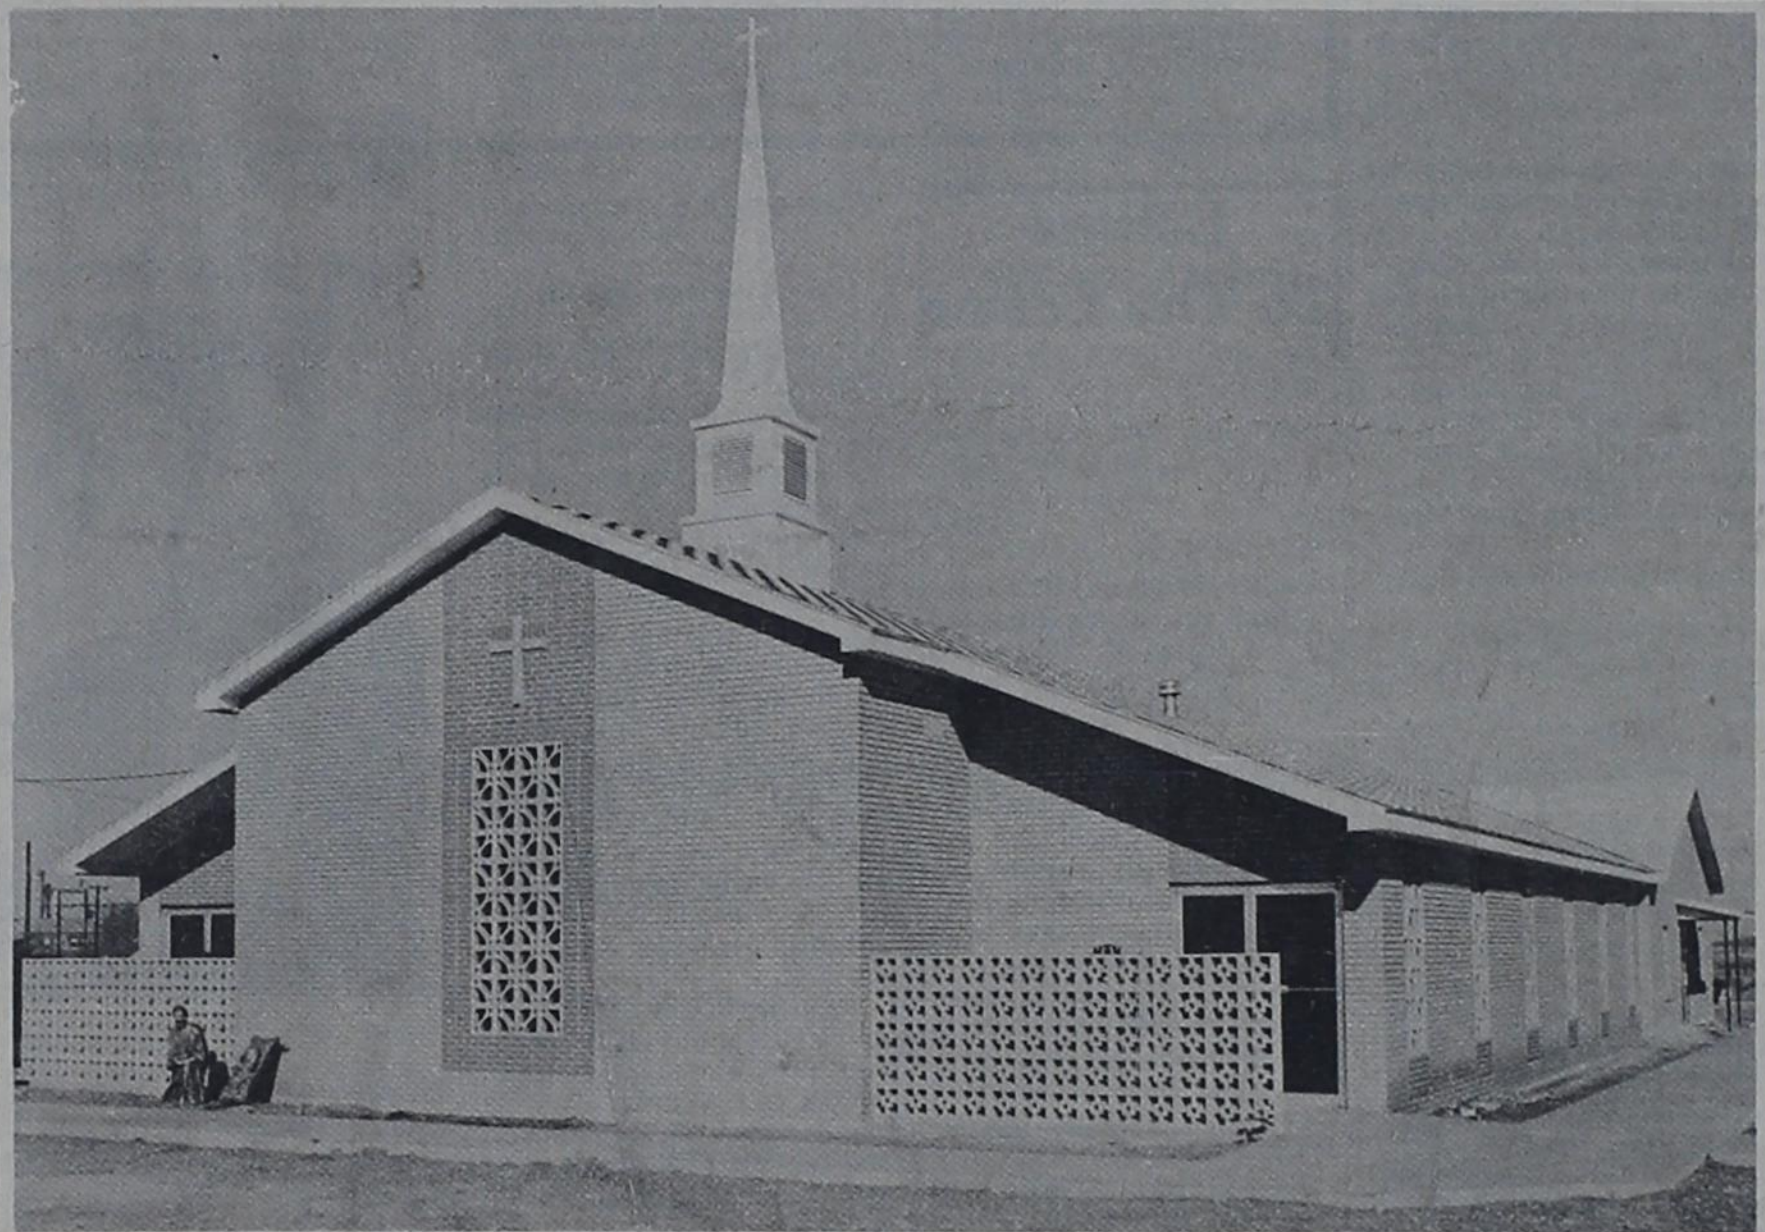

Water, Inc., is a membership-supported non-profit entity concerning itself with finding solutions to the long-range water supply problems of West Texas, Eastern New Mexico and the Oklahoma Panhandle. Its uniqueness stems from the amalgamation of all economic interests, banded together in a common cause. It is concerned with the future water needs of all, agriculture, municipalities and industry.

Water, Inc., was formally organized May 24, 1967 at a meeting in Lubbock. The organization was the result of concerted effort of the 12 incorporators who had chartered the non-profit corporation the week previously. Both the charter and the organization's by-laws set out its goals, principal among them the importation of supplemental water from northeast Texas and from out-of-state sources, the creation of public interest in and development of public support for water resources development and conservation projects, and to promote, conduct, and participate in studies, surveys, and research programs for the importation, distribution, reclamation, re-use, utilization, and the storage of water and to make such programs available to the public.

Water, Inc., officials are aware that its aims include all sources of supplemental water, however, emphasis has been on import of water from the Mississippi River, principally because development of the Texas Water Plan was reaching full stride during Water, Inc.'s brief history. The organization was instrumental in seeing that West Texas was included in the state plan, and gave it strong backing. An indication of the effectiveness of the organization is evidenced in the fact that the area served by Water, Inc. gave strong backing to a constitutional amendment which would have provided the state's share of financing to launch the Texas Water Plan. The amendment was defeated statewide by a narrow margin.

Even before the constitutional amendment balloting was official, Water, Inc., officials were initiating steps to see that voters would get a second chance as soon as possible. Water, Inc. is representative of the area it serves, it is governed by a board of directors. The area is divided into 32 districts. A director is elected from each of the districts. In addition, directors are elected "at-large," however, the list of at-large directors must also be representative of the overall area, thus preventing a concentra-

DEDICATION, OPEN HOUSE SUNDAY --- The public is invited to attend open house at the new building at St. Ann's Catholic Church Sunday afternoon from 3 to 5 p.m.

St. Ann's Dedication, Open House Sunday

Dedication and open house at St. Ann's Catholic Church's new building are scheduled for Sunday.

The Solemn Dedication is slated for 10:30 a.m. Open house, to which the public is invited to attend, will be from 3 to 5 p.m.

Officiating at the dedication will be His Excellency, The Most Reverend Lawrence M. DeFalco, D.D., bishop of Amarillo.

Construction on the new brick building began in May of last year. The structure, built in connection with the Parish Hall, has a seating capacity of 320. The building is 56 by 73 feet in size. Estimated cost at the time construction began, including furnishings, was \$65,000.

The new church facility is located on Third Street on a block owned by St. Ann's. It is located south and east of the old church building. Plans call for the old building, one of the oldest structures in Bovina, to be moved.

Plans for the new building began in 1966. Church members began fund-raising projects during that year.

Ground-breaking ceremonies for the new building were conducted in mid-May of last year. Bishop DeFalco was also in charge of those ceremonies. Father Norman Boyde is pastor of the church.

Survivors include his wife, Beulah Belle; four sons, Grady Sorley of Bovina, Archie Sorley of Olton, Garland Sorley of Miami, Fla., and Rev. H. E. Sorley of Lubbock; three daughters, Mrs. Anita Powell of Friona, Mrs. Belle Maynard of Nowata, Okla., and Mrs. Sibyl Jones of Olton; one sister, Mrs. Alfred Brasher of Plainview; a brother, John Sorley of Cranfill's Gap; 22 grandchildren and four great-grandchildren.

Harold Turner Dies In Calif

Funeral services were held in Patterson, Calif., Tuesday, Jan. 4, at Evans Funeral Chapel for Herbert Harold Turner, 85, who died Saturday, Jan. 1, at a Modesto hospital after a long illness. Burial was in Patterson District Cemetery.

Mr. Turner was a resident of Bovina from 1925 to 1945. A native of Oklahoma, he had lived in Patterson for 25 years. He was a retired maintenance man.

Mr. Turner was a brother-in-law of Odie White of Bovina. Survivors include his wife, Mrs. Lucille Turner; two sons, Byron of South Lake Tahoe, Calif., and Don Turner of El Sobrante, Calif., and a sister, Mrs. Evelyn Bogle of Oklahoma.

Center Moves To New Site

Bovina Neighborhood Center and the Community Action Program has moved to a new location, according to an announcement from Mrs. Pearl Cervantez, coordinator of activities.

The center has moved from the old Warren Auto Parts building on Highway 60 to 105 Second Street, immediately south of the Masonic Lodge Hall.

The center, which was originated in 1968, moved into the building on Highway 60 in January 1971 and is presently staffed by Mrs. Cervantez, Mrs. Cordie Vargas, outreach worker; and Mrs. Betty Garza, worker in the Planned Parenthood program.

"We made the move because, among other things, we felt we needed more privacy for each department than we had in the other building," said Mrs. Cervantez.

The move was made late last week and the center is open on its regular schedule. The monthly meeting of the advisory board of Bovina Neighborhood Center has been set for 7 p.m. tomorrow (Thursday) at the center building, said Mrs. Cervantez.

Spelling Bee Elimination In Junior High

Pre-Spelling Bee competition will get underway in Bovina Junior High tomorrow (Thursday) to pick the representatives from Bovina who will enter the county spelling match.

In the competition tomorrow, three students from each grade will be selected, said Noyes. A spell-down will be conducted Monday to determine the three entries in each division of the county match.

The Parmer County Spelling Bee will be held in Bovina sometime in the latter part of February, said Noyes.

Connie Ware, daughter of Mr. and Mrs. Leon Ware of Bovina, an eighth grader this year, was the senior division champion in Parmer County in the 1971 bee. It marked the first time in a number of years for a Bovina contestant to win the honor.

SUGAR BEET COUNTRY --- Parmer County is well known for its production of sugar beets, but the one shown here may top the crop. The beet, held by Carol Ware, left, and her cousin, Pat Ware, weighs 30 pounds. It was dug up by hand on the farm of Carol's father, Leon Ware. Pat is the son of Mr. and Mrs. Tom Ware. Ware said it was the largest beet he had seen since he began growing beets several years ago.

In action in the boys bracket on Monday, 5-B eased by 5-C, 18-15.

Joe Rodriguez sank eight, Stephen Stevenson and Ramon Martinez four each and Jody

Watts two in the win for 5-B. Martinez was named outstanding on defense.

Hector Villareal scored four points for the 5-C boys with Steven Stone hitting three and Ruben Gomez, Michael James, David Steelman and John Pruitt hitting two points each. Gomez was outstanding on defense.

In the final Monday game, 6-B blistered 5-A, 29-15.

Armando Rodriguez swished the nets for 22 points as his team won with Robert Olivera hitting five, and Santos Cardoza and Marty Spicer one each. Olivera was named outstanding defensive player.

Pat Ware and Dan Cox hit four points each in the losing effort. Clay Davis, Mike Read and Roger Lopez sank two points each and Michael Wiseman one. Ware was named outstanding defensive player.

In Tuesday's games, 3-A boys defeated 3-B, 12-0.

Lynn Read sank four points and was named outstanding defensive player for 3-A. Dale Turner scored four and Fernando Cruz and Randy Eakins two points each in the victory. Salvador Saldana was named outstanding defensive player for 3-B.

Armador DeLeon sank 11 points in the 5-D victory over 4-B by the score of 21-0. Randy Alonzo sank six, Wade Lookingbill and Roy Dean Lovelady added two points each. Lovelady was named outstanding defensive player. Scotty

Johnson received the defensive honor for 4-B.

Three players scored in the double figures as 6-A trounced 6-C, 60-6.

Earl Quintana sank 19, Error Chisum 15 and David Murphy 10 for the victors. Wayne Thatcher added six, Gerald Shelby and Ruben Salazar four points each and Mat Moten two for 6-A. Gary Stone was named outstanding defensive player.

Mike London, Broox Mast and Timmy James sank two points each for 6-C. Glenn Corbin was named outstanding on defense.

Tracy Russell and Connie Foster sank six points each in the 12-6-6-B victory over 4-B. Della Ortiz was named outstanding defensive player.

Ponies, Fillies Fall --

Vega Retains Perfect Slate

Bovina teams dropped three games to Vega in games played there Tuesday night of last week.

Fillies' B team dropped the first game of the evening to the Vega B team, 25-28.

Darla Hawkins scored 12 points to lead Bovina scorers. Connie Terry sank eight, Christi Trimble three and Rhonda Rhodes two for Bovina.

Walton sank 12 points to lead scoring for the Vega squad.

Fillies dropped a decision to the league-leading Vega girls, 34-63.

Twyla Hutto sank 24 points to lead all scorers in the tilt. Darlene Murphy sank six, Barbara Griffith and Nancy Hutto two each for the Fillies.

Richardson had 22 points to lead Vega scorers.

The Fillies were behind in every quarter with the first stanza ending with the Fillies in the hole, 4-25. The Vega forwards outscored the Fillies 20 to eight in the second period for a 45-12 lead at halftime. The Fillies scored only eight points in the third period to fall behind, 20-56.

Mustangs lost to the powerful Vega team, which is also leading the district, 36-56.

Shannon Davis sank 10 points for the Mustangs followed by Bobby McMeans with six, Ronald Steele with five, Billy Shelby, Kim Rundell and Ken Jamerson with four points each, Ben McCain with two and Larry

Belinda Shelby sank six points and Kara Mills was named outstanding defensive player for 4-B.

Cindy Caldwell sank seven, Connie Foster six and Pat Shepherd one as 6-A defeated 4-A, 14-2. Kara Mills was named outstanding defensive player.

Ginger Glasscock scored two points and Trinidad Garcia was named outstanding defensive player for 4-A.

Tournament action resumes tomorrow (Thursday) afternoon and will continue through Friday, Jan. 28, says Donaldson.

Eleven boys teams and seven girls teams, representing third, fourth, fifth and sixth grades are participating.

8th Meets

Whiteface In S-E Tourney

Bovina Junior High's eighth grade boys and girls basketball squads are entered in the Springlake-Earth Junior High Tournament set to begin tomorrow (Thursday) afternoon.

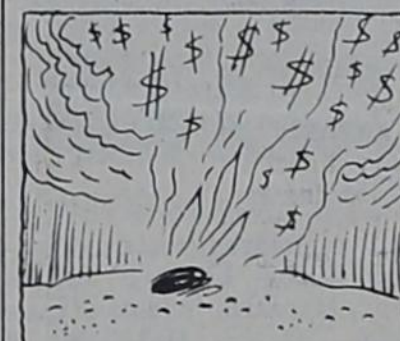

Eight grade girls will meet Whiteface at 3 p.m. followed by the same match-up between boys teams at 4 p.m.

Other teams entered in the tourney are Amherst, Muleshoe, Dimmitt, Farwell and both seventh and eighth grade teams of the host, S-E.

Elementary Sets Games With Farwell

Three elementary games between Farwell and Bovina have been slated at Willford Gymnasium tomorrow (Thursday) beginning at 5 p.m., according to Roy Donaldson, elementary coach.

The three teams involved will be the fifth and sixth grade girls combined, fifth grade boys and sixth grade boys.

Diamonds are a form of carbon and can be burnt up like a lump of coal.

B Teams Bring Home Tournament Trophies

Bovina's B team squads, boys and girls, brought home trophies from the Springlake-Earth B Team Tourney last weekend.

Fillies' B squad won two and lost one in bringing home the third place trophy.

They won their first game against Lazbuddie Thursday afternoon, 38-31.

Scoring 22 points for the Fillies was Connie Terry. Christi Trimble and Darla Hawkins added seven points each and Rhonda Rhodes sank two points.

Davidson scored nine points for Lazbuddie.

Fillies led at the end of every

quarter, 14-5, 23-15, 29-24 and 38-21.

In the second round of the tournament, Farwell's B girls defeated Bovina, 38-21.

Miss Hawkins led Filly scorers with 10 points.

The Fillies were behind all the way with the first quarter score 5-11, Farwell. Halftime score was 10-17 and the third period ended with Farwell in the lead, 26-18.

In the game for third place honors, Fillies defeated Kress, 43-32.

Miss Terry and Miss Hawkins scored 15 points each for Bovina with Miss Trimble sinking nine and Miss Rhodes four.

Jones of Kress had 16 points. The Fillies held a slim four-point lead at the end of the first quarter, 10-6, and pulled into a seven point lead at halftime, 24-17. They increased their lead to eight at the end of three quarters, 38-26, and coasted into an 11-point lead at the end of the game.

Winning consolation honors were the Mustangs' B squad. Although they lost their first round game to Lazbuddie, 31-37, the Mustangs came back with victories over Amherst and Whiteface to win the trophy.

Mike Ware scored 11 points for the Mustangs in the Lazbuddie game. Widdy Gromowsky added eight, Eddie Pesch six, Jeff McCormick four and Larry Wiseman two in the losing cause.

Mustangs led at the end of the first quarter by the narrow margin of one point, 6-5, and were tied at halftime, 12-12. However, the Maroon and White could score only four

points in the third quarter while Lazbuddie was scoring nine to put them in the lead at the end of three periods, 21-16. Mustangs scored 15 points in the final stanza and Lazbuddie scored 16, nailing down the victory.

Advancing to the consolation side of the bracket, the Mustangs put away their next opponent, Amherst, 59-44.

Ware was again high point man with 20 points, followed by McCormick with 13 and Wiseman with 10. Rodney Hromas added seven points, Gromowsky six and Terry Collins four points to the final score.

S. Thompson of Amherst sank 17 points.

The Pontes were behind when the whistle blew ending the first period, 7-9, but pulled into the lead at halftime, 23-19. Score at the end of the third period was 42-33.

Whiteface was the next foe for the Mustangs with the Bovina team winning handily, 60-46.

Three Mustangs scored in double figures--Pesch leading with 22 points, Ware 10 and McCormick 11. Wiseman added nine, Gromowsky six and Collins two.

The Mustangs enjoyed a three point lead at the end of the first quarter, 13-10, and held on to that same point spread at the halftime, 25-22. The third quarter spelled the difference, however, as the Mustangs sank 22 points while Whiteface only managed to add 10 to their total.

The Mustangs enjoyed a good fourth quarter also, scoring 13 points with Whiteface scoring 14.

Of Interest To THE WOMEN

Pamela Grissom, George Lore Wed In Candlelight Ceremony

The wedding of Miss Pamela Lee Grissom and George Frederick Lore was solemnized in a double ring ceremony at 6 p.m. Saturday in Bovina United Methodist Church with Rev. Charles Gates, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Leonard L. Grissom of 1006 Ave. K and the groom is the son of Mr. and Mrs. John C. Lore of Eagle Mountain, Calif.

Vows were exchanged before an altar setting of arrangements of pink gladioli and white mums which converged at shadows cast by the free-hanging cross. Double spiral candelabra provided soft illumination at the base of the cross. Candle torches decorated with minuet roses and tropical greenery flanked the altar. The aisles were embellished at each pew with French votive candles, flowers and greenery for the within-ribbons ceremony.

The bride, given in marriage by her father, wore a formal-length gown of white satin organza accented by a Victorian collar and tucked lantern sleeves. Re-embroidered Alencon lace sprinkled with seed pearls edged the pleated yoke and encircled the empire bodice. Lace motifs were applied to the sleeves and the A-line skirt which extended into a wauatteu train. A mantilla edged with matching Alencon lace flowed to the edge of the train.

The bride carried a cascade arrangement of minuet roses and stephanotis with a sprig of myrtle.

A gold heart, given to her by her maternal grandfather, J. Jolly, on Valentine's Day when she was three days old, served as something old. A pearl choker fashioned with blue satin ribbon into a garter was borrowed from Mrs. Don Jones of Lubbock and her gown was something new. For luck, she wore a sixpence in her slipper.

Miss Anita Johnson of Abernathy was maid of honor and Mrs. Robert Allen of Gardena, Calif., sister of the groom, served as bridesmatron. Misses Theresa Lawrance of Fort Worth, Debra Saunders of Amarillo and Jackie Schaeffer of Dimmitt were bridesmaids.

They wore gowns of pink organza, fashioned with jewel necklines, full lantern sleeves and softly-gathered column skirts flowing from empire bodices. Embroidery in deeper shades of pink encircled the bodices and sleeves. The attendants wore headpieces of pink velvet Dior bows with attached shoulder-length illusion veils. They carried nosegays of minuet roses, heather and myrtle and wore gold rose pendants, a gift from the bride.

George D. Walters of Albuquerque, N.M., served as best man with Harvey Lore of Eagle Mountain, Calif., brother of the groom, Michael Grissom of Lubbock, brother of the bride, Jimmy James of Alton, N.M., and Ronald MacWhorther of Ruidoso, N.M., serving as groomsmen and ushers. Timothy Grissom of Bovina, brother of the bride, was ring bearer.

Lendra Halley of Clovis, N.M., and Olivia Crume of Plano, cousin of the bride, were flower girls. They were dressed similar to the bridesmaids with pink petal streamers in their hair and trim at the Mandarin neckline and cuffs of their gowns with pink velvet sashes. They carried baskets of rose petals to scatter in the path of the bride as she came to the altar.

The candles were lit by Kathleen Grissom of Taiban, N.M., cousin of the bride, and Jeffrey Grissom of Bovina, brother of the bride. Miss Grissom wore a formal length gown of pink velveteen fashioned with an A-line skirt, Mandarin collar and full sheer sleeves caught to fitted cuffs. She wore a Dior bow in her hair.

Mrs. Jimmie Clements of Bovina, organist, played selections including "Wedding Prayer," "Clair de Lune," "Jesu, Joy of Man's Desiring," and "Libestraum" as preludes, "Arioso" as the candles were lit, "Reveille" as the mothers were seated and the traditional processional and "Trumpet Voluntary" for recessional. She accompanied Mrs. Troy Christian of Farwell as she sang "One Hand, One Heart," and "Entreat Me Not to Leave Thee" prior to the entrance of the bride and "The Lord's Prayer" as the couple knelt on a white satin prie-dieu.

For her daughter's wedding, Mrs. Grissom chose a pink shantung coat and dress ensemble trimmed with lace and pearls with champagne accessories. She wore a corsage of white orchids tipped with rose.

Mrs. Lore chose a grey dress with rose trim and accessories and a corsage of white orchids tinged with rose.

The couple greeted guests at a reception in Fellowship Hall of the church following the ceremony.

Miss Karen Lytle of Dimmitt registered guests and Misses Debbie Loran of Levelland, Margaret Grimes of Lubbock, Marilyn McAllister of Abernathy, Patti Mills of Bovina and Peggy Grissom of Taiban, N.M., and Linda Grissom of Shallowater, cousins of the bride, were in the house party.

Tall screens of beige linen wreathed in tropical greenery interspersed with flowers and votive candles formed a setting for the bride's table which was covered with a cloth of white illusion embroidered with bridal motifs of trumpet seed pearls and iridescent sequins. The cloth was laid over pink organza and Chantilly lace.

White doves separated into tiers the traditional wedding cake which was decorated with fresh flowers. Punch was served from a silver punch service. The reception table centerpiece was a tall arrangement of pink roses, carnations, white spider mums and ferns in a stand of white cupids.

The bridegroom's table, centered with an arrangement of gold and bronze mums in a brass bowl, was covered with a linen screen print top and skirted with a gold-pleated cloth. German chocolate cake, finger sandwiches and coffee were served from gold appointments.

Tropical greenery, flowers and candles were used throughout to decorate the reception area.

Background music was provided by Randy Jones of Ruidoso, N.M., who played the mandolin accompanied by Nancy Smith of Ruidoso at the piano.

For a wedding trip to Las Vegas, Nev., Lake Tahoe, San Francisco and points of interest on the West Coast, the bride wore a rose tulle suit with floor length skirt over hot pants, mauve satin blouse with jabot, white accessories and a corsage of minuet roses.

The couple will be at home after Feb. 1 on Lake Shore Drive, Alto Village, N.M.

The bride attended Texas Tech where she was a twirler with the Tech band and a member of Pi Beta Phi social sorority. She is a 1970 graduate of Bovina High School.

The bridegroom, a building contractor, is a graduate of

the University of California at Riverside.

Out-of-town guests attending were Mr. and Mrs. Lee Hicks of Clovis; Miss Kay Chronis of Alamogordo, N.M.; Miss Janice Trachta of Carlsbad, N.M.; Miss Teri Devine of Los Alamos, N.M.; Mrs. George Walters of Albuquerque, N.M.; Mr. and Mrs. C. W. Grissom and Dwan of Taiban, N.M.; Miss Babs Thompson, Mrs. Barbara Campbell, Mr. and Mrs. Robert Ethridge and Paula, Skip Schroeder, Jack Woodbury and Richard Barnes, all of Ruidoso, N.M.; Miss Tanya Cherry of Muleshoe; Terry Bridge of Springlake; Lee Roy Hoskins Jr. of George West; Mr. and Mrs. Marvin Coffey of Hereford; Mr. and Mrs. Lonny Coffey of Canyon; Mr. and Mrs. Thomas Johnston of Abernathy; Mr. and Mrs. Kenneth Grissom and Phillip of Shallowater; Mrs. Gwen Saunders of Amarillo; Mrs. Dale Kivisto of Riverside, Calif.; Mr. and Mrs. J. Jolly and Mike Pyatt of Plainview; Miss Mickey Lucas of Abilene; Miss Valerie Johnson of Dallas; Mr. and Mrs. Bill Crume, Delayne and Carter of Plano and Mr. and Mrs. Brent Armstrong of Lubbock.

A rehearsal dinner, hosted by Mr. and Mrs. Grissom, was held at the Holiday Inn in Clovis, N.M., Friday.

The head table was adorned with an arrangement of roses and carnations in shades of pink with votive candles. The other tables were arranged cabaret style.

Green salad, breast of chicken Amadine, wild rice, French green beans, rolls and strawberry tarts were served to 31 guests.

Miss Grissom hosted a luncheon for her bridal attendants at a Clovis restaurant Friday. She presented each member of her party a gold rose pendant.

Attending were Misses Anita Johnston, Theresa Lawrance, Jackie Schaeffer and Debbie Saunders.

A lingerie shower honoring the bride was held Wednesday, Jan. 12, at Chitwood Dormitory on the Tech campus. Hostesses, Miss Johnston and Miss Schaeffer, presented the honoree a brunch coat.

Attending were Kathy Douglas, Sarah Montgomery, Debbie Loran, Tanya Cherry, Marilyn McAllister, Myrtle Jackson, Shannon Love, Cecelia Farhal, Cindy Hutsell and Sandy Furgeson.

Shower Set January 29

Miss Rose Marie Denney of Friona, bride-elect of Sgt. Gene Lissy of Cannon Air Force Base at Clovis, N.M., will be honored with a bridal shower Saturday, Jan. 29, from 3 to 5 p.m. in the Community Room of Friona State Bank.

The couple will exchange vows at 2 p.m. Saturday, Feb. 5, at St. Ann's Catholic Church in Bovina.

One reason romance lasted longer in the old days was that a wife looked about the same after she washed her face.

Miss Spicer, Clements Speak At Club Meet

Guest speakers at the Thursday afternoon meeting of Bovina Woman's Study Club were Nena Spicer and Buddy Clements. They represented Bovina High School at last year's Girls State and Boys State session.

Parents of the students, who are seniors, are Mr. and Mrs. Henry Spicer and Mr. and Mrs. Jimmie Clements.

American Legion John Teetum Wilkerson Post No. 518 of Bovina and the study club sponsored Miss Spicer and Clements to the state meets. They were selected for the honor by a committee of teachers in Bovina Schools.

Miss Spicer gave a report on her two-week stay on the campus of Texas Lutheran College at Seguin and displayed mementoes of her trip, including a record album cut by the 500 girls at Girls State.

She told members of the study club how she was assigned to a city, county and party and described the process of election from the city to the state level.

She reported that she was elected attorney of City B and was a member of the House of Representatives. Some of her duties during the session included helping write legislation on pollution, dress codes, abortion and other subjects of interest. She was also on the committee that wrote the City B charter.

"At Girls State, you really do learn to respect your country and flag," Miss Spicer said. "I wish every girl in Bovina could go, just for that reason if for no other."

Other items on the agenda during their stay at Seguin were a bus trip to Austin where the girls met and conducted a session in the Senate and House chambers and a question and answer session with U. S. Senator John Tower.

"It was such an honor for me. I thank you so much for the opportunity you gave me," Miss Spicer told club members in her concluding remarks.

Clements, who spent a week on the campus of the University of Texas, reported that 834 boys attended the session.

Assigned to the Nationalist Party, Clements filed for county judge, won the primary and Nationalist Party run-off, but lost to a Federalist in the election.

"For only the second time in Boys State history, a boy was dishonorably discharged for breaking the rules and the pledge he signed when he checked in," Clements reported. He told the audience that it was believed by the majority of those he spoke to that the boy came to Boys State with the purpose of disrupting the meetings.

Clements said he visited the Lyndon B. Johnson Library while in Austin and was "very impressed by the beautiful building and its contents."

He also voiced his appreciation to Bovina Woman's Study Club for helping finance the trip to Austin.

Miss Spicer and Clements

were presented gifts at the conclusion of their talks by Mrs. Travis Dyer.

In the abbreviated business session of the club, Mrs. Jack Clayton reported that she and Mrs. H. J. Charles, co-chairman, transferred \$507.90 from the Christmas Card Fund to the Bovina Medical Center Fund.

Chocolate pie and coffee were served to one guest, Mrs. Jimmie Clements, and members Mrs. Bobby Englant, Mrs. Earl Richards, Mrs. Travis Dyer, Mrs. J. R. Caldwell, Mrs. Ovid Lawlis, Mrs. Leon Ware, Mrs. Joe Fowler, Mrs. Rouel Barron, Mrs. Jack Clayton, Mrs. Charles Corn, Mrs. Reagan Looney, Mrs. Leslie McCain, Mrs. Jesse Walling, Mrs. Billie Sudderth, Mrs. Charles Ross, Mrs. Earl Stevenson, Mrs. W. E. Williams, Mrs. Henry Ivy, Mrs. O. H. Jones, Mrs. I. W. Quickel and Mrs. Clarence Jones.

GUEST SPEAKERS -- Nena Spicer and Buddy Clements, seniors in Bovina High School, spoke to members of Bovina Woman's Study Club Thursday afternoon of last week. They were Bovina's representatives to Girls State and Boys State last year. Girls State was held on the campus of Texas Lutheran College at Seguin and Boys State at the University of Texas campus at Austin.

FOR BEING A CHRISTIAN

1. You are a child of the King and an heir to Heaven.
2. You have treasure that you can keep forever.
3. You won't be the cause of anyone missing Heaven.
4. You are happier than any sinner and you will still have your happiness when he has nothing but regrets.
5. You have a clear conscience and peace that passes all understanding.
6. You have an all powerful, loving Father to whom you can turn in any hour of need. He knows and cares.
7. At your funeral they can sing: "Safe in the arms of Jesus" -- and the preachers can tell your loved ones, "Sorrow not as others who have no hope."
8. You have a "peace that passes all understanding."
9. You get all this, and more, for being a Christian.

Airman Holloway, a graduate of Bovina High School, attended South Plains College, Levelland.

Commercial launderers, like homemakers, never machine wash or machine dry Fiberglas draperies. While they are damp, draperies should be hung over a line to drip dry. The seams and hems are gently pulled to insure smoothness. Fiberglas never needs ironing and should not be dry cleaned.

The professionals all agree the key word in handling Fiberglas draperies is gentle. Fiberglas products require the minimum amount of care, and that should be done delicately.

Cattle Create Increase --

County's Ag Income About \$72 Million

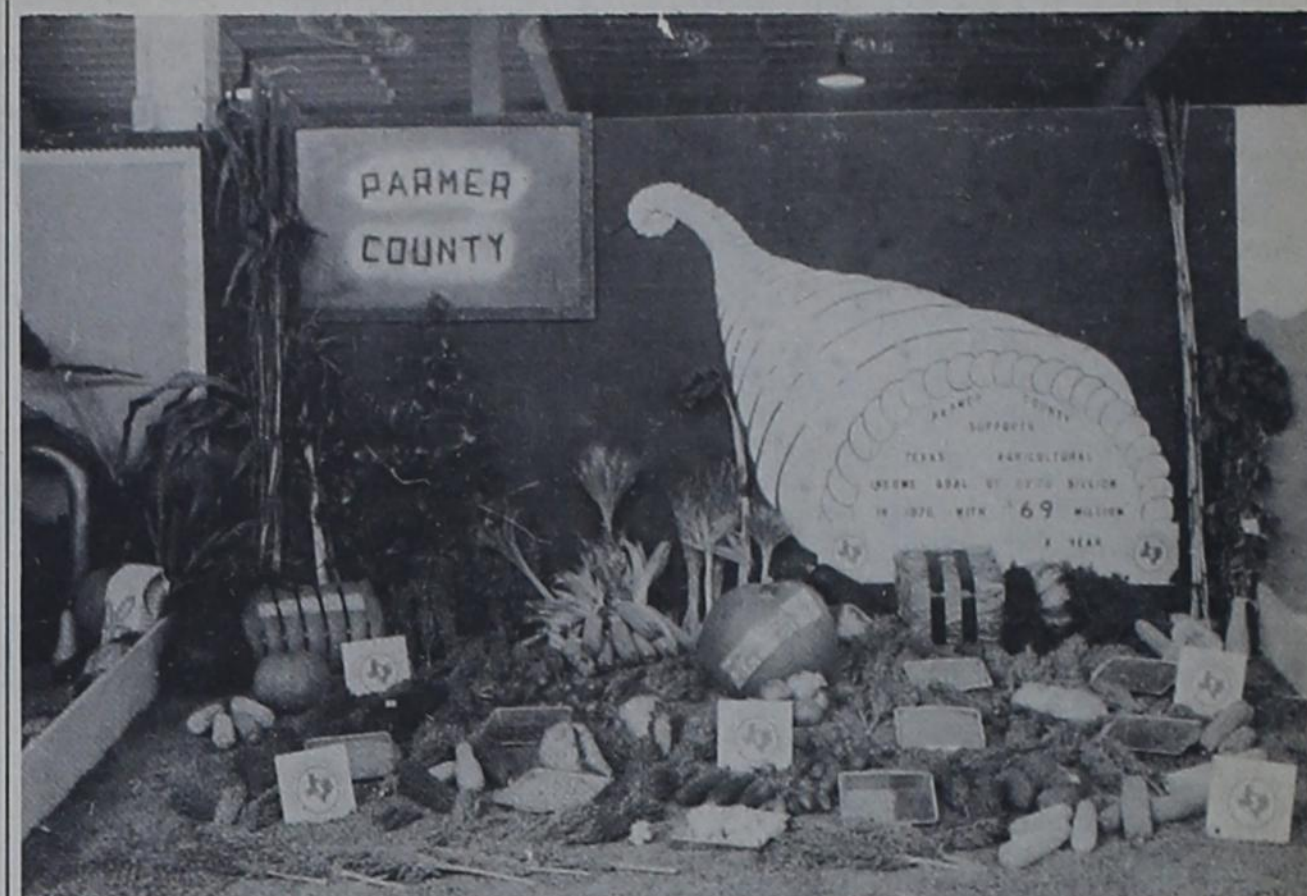

Cash income to farmers and ranchers in Parmer County should be more than \$86,091,000 by the end of 1976, according to Mack Heald, Parmer County agricultural agent.

This will be an increase of more than \$22,341,000 from 1968-69 figures, with grain sorghum and fed beef contributing a large part of the gain. The projections are based on studies of the Texas Agricultural Extension Service and are part of the "3,76 in '76" program, a state-wide project to increase Texas agricultural cash receipts by more than \$1 billion.

Total cash receipts from all agricultural enterprises in Parmer County are presently about \$72,271,000, says Heald. The most important ones are grain sorghum, fed beef, and stocker cattle. They are expected to account for about 65 per cent of the projected 1976 totals.

These projections are based on estimates from the County Program Building Committee after separate predictions were made by Extension economists. The figures were published for each county, Extension district and economic area in Texas. Parmer County's contribution to this goal was viewed

by thousands of people at the 1971 Tri-State Fair in Amarillo. The county extension agents set up an agricultural booth displaying a variety of the crops grown in the county. A "horn-of-plenty" as a background showing the "3,76 in '76" emblem, gave the county's projection figures for 1971. The booth was well received by the fair goers. In this way the people learned that Parmer County is one of the top five agriculture counties in Texas, growing a wide variety of crops and products.

3,76 IN '76 --- Parmer County extension agents, Mack Heald and Jana Pronger, set up this display in an agricultural booth during the 1971 Tri-State Fair in Amarillo. The display shows a variety of crops which are grown in Parmer County. The "horn of plenty" in the background shows the county's projections for 1971 of \$69 million in cash. This year, under the "3,76 in '76" program, projections show more than \$86,091,000 in cash income for farmers and ranchers in Parmer County by 1976. Parmer County is one of the top five agriculture counties in Texas.

Does eating too many eggs really cause high cholesterol levels? Several recent reports have cast serious doubt on this idea.

Cholesterol is a normal body compound produced in the liver and found in all body cells. It's especially abundant in brain and nerve tissues. The normal person forms cholesterol constantly, with little effect from the diet.

In fact, in Framingham, Mass., a recent study involving heart disease and diet caused researchers to conclude that diet had no effect on the incident of heart disease, according to reports.

Another recent development indicates that sugar, not cholesterol, may be involved in atherosclerosis -- a form of heart disease.

New York internist and diet specialist Dr. Robert C. Atkins stated recently that the colosseum of sugar and other carbohydrates in Americans' diets is doing the most heart damage.

The internist said that 63 per cent of his patients show a reduction in their cholesterol level, even though there's no attempt to limit their fat or egg intake.

"The real 'cause' of heart disease is not known," says one source. "Several factors besides diet play important roles. Certain populations are more susceptible than others. Some families have genetic traits which cause abnormally high cholesterol levels. Statistics also indicate that men are more susceptible to atherosclerosis than women."

It is suggested that eggs do contain a relatively high level of cholesterol. However, a normal healthy person may produce six to eight times more cholesterol each day than the amount contained in an egg. So it doesn't seem logical to remove eggs from the diet in light of present knowledge. The egg is one of the best and most economical sources of protein which our bodies need daily.

Parmer County Family Living Committee met Friday, Jan. 14, in Bovina. The purpose of the committee was discussed and some suggestions were made for programs which were needed in the county. Anyone who would be interested in participating on the committee is asked to contact my office before the next meeting, February 4, (County Home Demonstration Agent, Box 683, Farwell, Texas. Phone 481-3619.)

Says SCS--

Stubble Burning 'Poor Practice'

"This is the High Plains of Texas with plenty of fresh air and no air pollution -- or is there?"

Take a look on the horizon just about any afternoon and what do you see? A layer of smoke from burning crop residue," says Leroy Johnson, Parmer County SWCD director. Burning residue destroys organic material which decreases productivity, Johnson continues.

Destruction of organic material is important because it also sets up the land for blowing, but perhaps one of the most overlooked problem burning causes is smoke. Smoke causes everything from watering eyes to difficulty in breathing. If smoke impairs vision

at critical times, real damage can be caused, according to the SWCD spokesman.

"If soil residues were left on the soil surface and not burned or turned under until irrigation begins, dust storms could be reduced. Residues are the key. If burned, they cause air pollution from smoke and from dust in the air. If they are utilized, they can help clear the air," says Johnson.

For more information on crop residues for the prevention of air pollution, contact the Soil Conservation Service in Friona.

Miss Rejino On Art Tour

Erlinda Rejino was a member of a party of 15 that departed from New York Jan. 8 for a tour of Spain and Portugal.

The tour is part of the Marymount College January inter-term, and offers three hours of college credit for the art tour. Sister Jeanne d'Arc Nacke, art department chairman, accompanied the group.

The group will make a side trip to Tangier, Morocco, in addition to stops in Lisbon, Seville, Malaga, Madrid, Palma de Mallorca and Barcelona. They will return to Marymount Saturday.

Miss Rejino is the daughter of Mr. and Mrs. Ben C. Rejino of Bovina.

PURINA CHOWS

Here's how we beat the system.

For years, the competition has looked at Gifford-Hill's 360 pivot sprinkler system as the one to beat.

They've done their best to build a system that looks as sophisticated and acts as sophisticated.

But now, just about the time they think they're getting close, we beat our own system.

For 1972, we've added new features that still make the 360 the most dependable, the most versatile and safest system you can buy.

The 360's new direct gear drive has bearings completely immersed in oil and fewer moving parts which mean less chance for malfunction.

The new collector ring eliminates rewinding cable.

The new alignment control linkage has positive control that reacts instantly to any misalignment. If there is a malfunction, the entire system shuts off automatically.

The new intermediate control panel is moisture-proof. The base is aluminum. The cover is Kydex plastic. It's non-corrosive, non-conductive, chemically inert, ultraviolet resistant and constructed to prevent the collection of condensation.

The new automatic end gun control option is located at the pivot panel. This solid state control allows you to turn the end gun on or off as desired.

The new weather-proof coating is designed to give maximum protection from severe exposures.

The primer is fine zinc particles dispersed in a high strength plastic binder.

The top coat is a non-oxidizable, corrosive and chemically inert, vinyl acrylic material.

Together the two coats provide protection similar to galvanized materials, but superior when exposed to highly corrosive, high humidity atmospheres.

The only thing we haven't improved lately is the water pattern. Not even we can figure out a way to do that. Yet.

You can't beat our system. So, join us. For a demonstration, contact your nearest Gifford-Hill representative.

Mustangs Lose Rundell, Steele --

Hart Edges Ponies; Fems Fall To Fillies

The first half of the District 3-A round robin ended Friday night of last week with Vega soundly entrenched in first place in both the boys' and girls' division.

Both Vega teams had a perfect 7-0 slate in district competition going into the second half of play this week. Farwell's Steers are in second place in the boys division with a 6-1 mark and the Fillies are tied with Springlake-Earth for the second place position in the girls race with 5-2 marks.

The first half of play ended for the Bovina teams here Friday night with the Fillies com-

ing up with a big win and the crippled Mustangs dropping one to Hart.

The Fillies placed three forwards in double figures as they swept to a 51-30 win over the Hart fems.

Twyla Hutto with 20 points, sophomore sister Nancy Hutto with 15 and Barbara Griffith with 14 points led the Fillies to victory. Darlene Murphy added two points to the total.

Nelda Henderson sank 13 of Hart's points.

The Fillies sank an even 50 per cent of their charity tosses, hitting on 11 of 22 throws. The Hart girls managed to hit

only eight of 24 free chances.

The Fillies led at the end of the first period, 14-3 and went to the dressing room at halftime with a 15 point lead, 29-14. The trio of Filly forwards just hit eight points in the third period while Hart sank 13, but the guards held fast in the final stanza, allowing only three points while the Fillies sank 14 to ice away the win.

The victory brought the season record for the Fillies to 10-7 and district slate to 5-2.

The crippled Mustangs, losing one player to grades and two to broken limbs, lost a heartbreaker to the Hart Longhorns, 62-67.

The Ponies had four players in the double figures but it wasn't enough to offset Hart's Jim Barham who scored 23 points for the honors in the game.

Bobby McMeans sank 16 points to lead Mustang scorers with Shannon Davis swishing the nets for 13, Billy Shelby 12 and Ben McCain for 14. Eddie Pesch added six points and Ken Jamerson one.

Although the Mustangs trailed at the end of every period, Hart's largest margin was in the first half when they led at the end of the first quarter, 20-12, and at halftime, 39-31. Bovina pulled to within seven points at the end of the third period and came on in the fourth period to outscore Hart 10 to eight.

Kim Rundell and Ronald Steele, both of whom had seen quite a lot of action in every game, were lost to the squad for an indefinite period with broken bones. Both players

At Williford Gymnasium--

Basketball Royalty Coronation Friday

BHS Basketball King and Queen will be crowned in Williford Gymnasium Friday night

at the halftime of the Bovina Mustang - Springlake-Earth Wolverine game.

Candidates for the honors were chosen this week by the varsity basketball squads.

The 1971-'72 Basketball Queen will be chosen from a slate of four girls, all members of the Fillies varsity squad -- Twyla Hutto, Terri Willard, Heidi Corn and Nancy Hutto. Twyla is a senior and the other three candidates are sophomores.

The Hutto girls are the daughters of Mr. and Mrs. Ed Hutto, Miss Corn is the daughter of Mr. and Mrs. Charles Corn and Miss Willard is the daughter of Mr. and Mrs. Vernon Willard.

One Mustang from a group of four will be crowned 1971-'72 Basketball King. These include seniors Bobby McMeans and Shannon Davis, junior Kim Rundell and sophomore Billy Shelby.

Parents of the King candidates are Mr. and Mrs. Bob McMeans, Mr. and Mrs. Brooks Davis, Mr. and Mrs. Tom Payne and Mr. and Mrs. Benny Shelby.

Last year the students receiving the honors were Sheryl Morrison and Tony Foster.

6th Boys Divide 2 At Farwell

Bovina's sixth grade boys traveled to Farwell Thursday afternoon with the A team picking up a win and the B team losing its bid.

The A team lads swept to an easy victory over Farwell's 6-A, 32-17.

Error Chisum sank 16 points and Earl Quintana 10 for the local lads. Gary Stone added four points and Armando Rodriguez two to complete the scoring. Quintana was also named outstanding defensive player by Coach Roy Donaldson. Darren Sudderth sank five points for Farwell.

Sixth grade B team didn't fare as well, losing to Farwell's 6-B, 29-9.

Glenn Corbin sank four points for Bovina and was named outstanding defensive player. Mace McDaniel and Mike London scored two points each and Santos Cardeza one for Bovina. Clay Roberts of Farwell sank 12.
