

WHITTLIN'

By DOLPH MOTEN

The present high price of stocker cattle is making some of the folks hereabouts who normally run cattle on wheat pasture wonder whether such a move will be financially wise during the winter of '72-'73.

A fellow we know says that he's been told that the more the cattle cost, the more you can afford to "roll back" the price and still hold your money together. (That theory has to do with percentage of backup in the price. If you back up from 60 cents to 50 cents, that's not as much, percentage-wise, as from say 20 cents to 15 cents.)

Anyway, our spokesman says that he's convinced of this theory and is therefore looking for him some high cattle ---- like say a \$1 a pound or something ---- so he can afford to "roll back" the price better.

Sounds all right on the surface, but it won't stand any close study, it sez here.

If that doesn't make any sense to you, disregard it. It probably isn't supposed to.

The nice thing about supporting more than one football team is that you're usually not completely disappointed on any one weekend.

People who support the Mustangs, Texas Tech, for instance, and the Dallas Cowboys had one winner out of the three last weekend, thanks to the Bovina win over Sanford-Fritch. If you add West Texas to that list, you had two out of four winners. That's not bad. You could insert another outsourced team in place of Texas Tech in that list if you wanted to.

But we don't want to.

During the time between when the outcome of last week's Bovina Business Football Contest games were known and the announcing of the weekly contest winner, one of George Douglas' buddies was raving about what a fouled up week it was, football-wise, and how anybody who knew anything about football couldn't have gotten over six of the 10 contest games right.

Sur-nuf, George was the weekly winner with a score of nine.

Of course, his buddy was just expressing one man's opinion, George will be quick to tell you.

Friday, two days from now, is the deadline for registering to vote in the Nov. 7 general election, reminds Hugh Moseley, Parmer County tax assessor-collector. His office is in charge of voter registration. Bovina citizens may make themselves eligible to vote at the city hall here, but Friday is the deadline, remember. The rules say that you must register 60 days prior to an election in which you wish to cast a ballot. That would make Saturday the deadline, but since Saturday is not a business day at the registration places, the deadline is moved back to Friday.

If you don't register, you can't vote Democratic come Nov. 7 . . . or Republican, either.

The opinion here is that we're a better predictor of football games in this space than we usually get credit for. We do pretty good, it looks to us like, and the contest leaders act like we just confuse them with our picks in this space.

Last week, for instance, we hit seven of the 10. That's not a bad average for a fellow who isn't playing for the prize money.

So, in our opinion, and that might be important, here's the way we see the outcomes this week.

Amarillo Sandies at HEREFORD ---- The Whitefaces haven't let us down yet. However, they might be in over their heads this week. We think not, though.

KRESS at Farwell ---- This might not be the year for the Siers. On the other hand, they might be waiting until closer to their game with Bovina to put on their winning clothes.

HART at Vega ---- Somebody said that all you have to do to stop Hart is to stop Jimmy Brown, their speedy back. But up to now nobody has been able to catch Brown, much less stop him. This game could go the other way, though. Vega will get serious now that district play is starting.

SPRINGLAKE-EARTH at Sudan ---- We could be wrong here, too.

Lockney at FRIONA ---- The Chiefs will stay in the win column this week. They have a pretty good team even if they didn't win over Muleshoe like they wanted to.

Portales at MULESHOE ---- We have a thing about picking Texas teams over those from New Mexico, everything else being equal, which it never is.

This weekend is homecoming, 1972 version, for former students of Bovina Schools. A larger-than-average crowd is expected to be on hand at Mustang Field at 8 p.m. when the Ponies meet the Plains Cowboys in a non-district clash. Activities get underway for

the annual event at 10 a.m. Friday with a pep rally in Williford Gymnasium. Parents, Booster Club members, football fans and all ex-students are urged to attend, according to Debra Sorley, head cheerleader. Ex-students are asked to sign their name and year they were graduated at the door.

A parade at 2 p.m. will travel through the downtown area, down Third Street and back to Bovina Schools.

Theme of the parade is "I Believe in Music," announces Miss Heidi Corn, Student Council president, Bovina High School Student Council sponsors the activities each year.

A grand prize of \$30 will be awarded the best float. Businesses and other organizations are invited to enter floats, but only the high school and junior high classes are eligible for the prize, Miss Corn said.

Rhea Firm Victim Of Burglars

Bovina Wheat Growers' office at Rhea was broken into and burglarized sometime Sunday night or early Monday morning, according to Jim Russell, general manager.

Entry was gained into the office by forcing open an overhead door in the rear of the shop portion of the building. About \$275 in cash, some \$1100 in checks and 12 cartons of cigarettes was taken from the office, said Earl Dean Boyd, manager at Rhea.

Boyd discovered the theft Monday morning shortly after coming to work. He first noticed that the drawers of a locked file cabinet were slightly ajar. The stolen items were kept in the cabinets.

Boyd said that a hammer was found on the desk in the office and the cover of a posting machine was missing, possibly used to hold the money and cigarettes.

Parmer County Sheriff Chas. Lovelace is investigating the incident.

SCS Sets Election Tuesday

A director to the board of Parmer County Soil and Water Conservation District will be elected for Zone Four in the county Tuesday, Oct. 10.

The election will be conducted at the ASCS office in Farwell, according to Herb Evans, district conservationist with the SCS office in Friona.

The present director is Leon Grissom of Bovina. He is currently chairman of the five-man board.

Eligible to vote in the Tuesday election is anyone who is 21 years old or older, owns land in the zone and lives in Parmer County, says Evans. Zone Four includes an area eight miles north of Farwell and four miles east from the state line. It also includes the southwest corner of the county. On display at the polling site will be a map of Zone Four.

Funeral Services Today --

F. S. Pounds Dies After Truck Accident

F. S. Pounds, 67, a resident of Bovina for the past 31 years, died about 4:15 Monday in an Amarillo hospital from head injuries suffered when the truck he was driving overturned about 5 p.m. Sunday nine miles north of Bovina.

Funeral services for Mr. Pounds will be at 3 p.m. today (Wednesday) in First Baptist Church of Bovina with Rev. Larry Heard, pastor, officiating.

Burial will be in Bovina Cemetery under direction of Parsons-Ellis Funeral Home of Friona.

Mr. Pounds was injured when the liquid fertilizer tractor-trailer he was driving overturned at the intersection of FM 1731 and the Rhea-Friona highway. Investigating officers said he apparently missed a stop sign where the roads intersect. He was pinned under the cab of the truck for about 40 minutes. He was hauling ammonia to Bovina Wheat Growers at Rhea.

Mr. Pounds was taken first to Parmer County Community Hospital in Friona by Parsons-Ellis Ambulance and then transferred to an Amarillo hospital where he underwent surgery Sunday night.

Born May 18, 1905, in Wheeler, Mr. Pounds was semi-retired.

He is survived by his wife, Mamie; three sons, J. R. Pounds of Portales, N.M., Danny Pounds and Sammy Pounds, both of Lubbock; four daughters, Mrs. O. V. Bennett of Washburn, Mrs. Bruce Wilson and Mrs. Robert

Jamison, both of Coynosa, and Mrs. Bill Steels of Nashville; one stepson, I. T. Page of Bovina; three stepdaughters, Mrs. Claude Ratcliffe of Montrose, Calif.; three sisters, Mrs.

Callie Speck of Tracy, Calif., Mrs. Vern Cross of Big Springs, and Mrs. Dovie Trawick of Dublin; 49 grandchildren and seven great-grandchildren.

For November Voting --

Registration Ends Friday

Saturday is the deadline for registering to vote in the November 7 general election, according to Hugh Moseley, Parmer County tax assessor-collector.

However, since the county

office and Bovina city hall are not open on Saturday, voters are urged to register before 5 p.m. Friday. Registrations will be valid, however, if post-marked Saturday.

Voters in this community may

pick up registration blanks at city hall here.

As of Monday, a total of 3794 registration certificates had been issued by the tax assessor-collector's office. About 151 voters have registered since the June primary elections.

With 6,644 eligible voters in Parmer County, based on the 1970 census, that figure is just over 50 per cent with only four more days to register.

As has been the custom in the past, the total number registering to vote is expected to be much higher this year because of the presidential election.

Totals \$278,409 --

School Mails Tax Notices

A total of 1,055 tax notices to patrons of Bovina Independent School District were sent out the first week in September, according to Mrs. Zoe Clary, school district tax assessor-collector.

Total tax due by Jan. 31, 1973, without penalty, is \$278,409.00. Some \$15,576.16 of this total has already been collected up to Sept. 30.

Approximately 97 per cent of last year's taxes have been collected. A total of \$264,132 has been collected, which includes taxes for last year and also delinquent taxes from years past.

Last year, 1,100 tax notices were mailed. The total amount of the 1971 tax was \$271,761.90.

Freeze Contest Deadline Nears

Ten days are left before the deadline for entering the eighth annual First Freeze Contest in Bovina. The contest will close at 5 p.m. Friday, Oct. 13.

A total of 34 entries have been received as of early this week.

The contest is sponsored jointly by Weatherman Willie Williams and The Bovina Blade.

All one must do to enter is write his or her prediction of the first killing freeze date on a postcard, the date the entry is submitted, and mail or bring it to The Blade.

The person coming the nearest to predicting the date of the first killing freeze will be declared the 1972 Champion First Freeze Predictor of Bovina. The winner will also receive \$5 in cash.

In case more than one person predicts the correct date, the entry received first will be declared the winner. If two or more persons enter on the same day and predict the correct date, the prize money will be divided and the winners will be declared co-champions.

Mrs. Flossie Rhinehart, who picked the exact date of Oct. 31, was last year's winner. It was one of the latest dates recorded since the contest began. Forty-seven entries were received in last year's event.

During Repairs --

Low Pressure For City Water

Water pressure in Bovina may be somewhat lower than usual this week, announces Andy Garza, water superintendent.

Plans have been made to repair the city water tower. This will mean that the water will come from another storage tank and the pressure will be about half what it is normally.

The work on the primary storage tank is expected to take three days.

It will be repainted inside and leaks will be repaired by an out-of-town crew, which was scheduled to begin work Tuesday morning. The crew didn't arrive then, but was expected anytime, according to Mayor Johnnie Horn.

Normal water pressure is 60 to 65 pounds. While the storage tank tower is being repaired, the pressure will be in the 30 to 35-pound range. "We'll appreciate the people understanding why the pressure is lower than usual during the three-day period," Horn says.

Wins On Tiebreaker --

Douglas Takes First In Football Contest

George Douglas, one of six contestants with nine correct predictions, won first place and \$5 prize money in the fourth week of Bovina Business Dallas Cowboy Football Contest on the basis of his tiebreaker prediction.

Douglas, who missed the outcome of the Army and Texas A&M game as did most contestants, guessed the tiebreaker score between Bovina and Sanford-Fritch at 12-6, just three points off the actual 13-8 score.

Coming in second and also missing the A&M-Army game was Pat DiCuffa. She guessed the tiebreaker score at 13-3,

five points off. She won \$3 for her efforts.

Sharing third place prize money of \$1 were Mike Read and Bill Moore. Read, a sixth grader in Bovina Junior High, also missed the Army-A&M game and picked Bovina to defeat Sanford-Fritch 21-7, nine off on the tiebreaker. Moore missed the outcome of the Rallis-Kress game and picked Bovina to win, 20-6, also nine off on the tiebreaker.

Also coming up with nine correct predictions, but failing to place because of their tiebreaker predictions, were Carl Rea and Edna Minyen. Rea was 11 points off on the tiebreaker

and Mrs. Minyen was 19 points off. Both contestants missed the A&M-Army game.

Of the 219 contestants entering last week, 33 had eight correct predictions, 49 had seven, 66 guessed six, 43 had five right, 16 had four correct, five had three and one contestant had two correct guesses.

Contestants with eight correct predictions were Donna and Corky Criswell, Jay Be Barrett, Judy Fillpot, Ricky Heard, Jerry Bradford, Jay Harris, Reba Bonds, Bill Bolling of Farwell, Virginia Lambert, Alma Pierson, Al Kerby Jr., Floyd Damron, John Caldwell, Redge Priest of Friona, J. C. Parvin

of Friona, Andy Hurst of Friona, Ruby Stanberry, Don Stone, Danny Stanberry, Doyle Wasson, Terry Schilling, David Phleps, Larry Wiseman, Dewayne Hane, Junior Lambert, Leon Grissom, Joella Rash, Doyle Merrell, Robert McCormick, Norma Noyes, Barry Goldsmith of Farwell and T. W. Carpenter of Clovis.

The Herd from Hereford was the most popular vote getter in the contest last week. They got 205 votes to Canyon's 14. Vega, rated only a slight favorite over Boys Ranch, got 186 votes while Friona was picking

City Taxes Due Total \$30,974

City tax statements were mailed in Bovina last week in September. Those paying their taxes within the next three months will receive a discount, says City Secretary Mary Ruth Martin.

Total tax due by the deadline of Jan. 31 is \$30,974.63 from valuations of \$2,696,751.00. The rate remains at \$1.15 per \$100 valuation, the same as in 1971.

The tax roll for 1971 was \$29,062.26 from valuations of \$2,527,083.18.

Those paying city taxes in October receive a three per cent discount; in November, two per cent; and in December, one per cent.

No discount is given in January and after the Jan. 31 deadline, penalties will be charged, points out Mrs. Martin.

Firemen Attend Hereford Clinic

Three members of Bovina Volunteer Fire Department were among firemen from Canyon, Sudan, Dimmitt and Hereford participating in a fire fighting clinic at Hereford last week. Hereford's fire department sponsored the event.

- CINNAMON NUT TOAST**
- 2 tablespoons sugar
 - 1 tablespoon chopped Pecans or Southern Belle Pecans
 - 1/2 teaspoon ground cinnamon
 - 2 tablespoons Fleischmann's Margarine
 - 4 slices white bread, toasted
- Combine sugar, pecans and cinnamon. Spread 1-1/2 teaspoons Fleischmann's Margarine on each slice of toast. Sprinkle about 1-1/2 teaspoons sugar mixture on each. Broil until bubbly. Cut in triangles. Serve warm. Makes 4 slices. 150 cal./slice.

"We practiced skills we hopefully will never have to use in fighting liquified petroleum gas fires," said Dan Koelzer, fire chief here.

A 500-gallon LP-gas tank and a multi-pronged "Christmas tree" were ignited and extinguished by the participating firemen using their regular fire fighting equipment. "The purpose of the clinic was to give firemen the opportunity to gain experience and confidence in their ability to quench a dangerous LP-gas fire," said Koelzer.

The firemen experienced the noise and heat they would face in such an emergency situation and at the same time practiced the technique of approaching the fire, maintaining a protective coffer of water from fog nozzles and shutting off the fuel source, Koelzer commented.

Attending from Bovina were Kenny Birkelbach, Jack Green and Koelzer.

up 181 votes to 38 for Springlake-Earth. West Texas State was favored by 156 contestants with Lamar Tech picking up 63 supporters. Hart received 147 votes to 72 for Anton, Muleshoe garnered 136 votes to 83 for Littlefield, and University of Texas was chosen by 131 contestants while only 88 picked Texas Tech. Most contestants stubbed their toes on three of last week's games -- 123 picked Shallowater to defeat Sudan, 127 chose Ralls over Kress and a whopping 191 picked A&M over Army.

Four contestants are now tied for the lead in total points after the fourth contest week. Pacing the field with 31 points and a .775 percentage are Terry Carpenter of Clovis, Gary Cox, Donna Criswell and Corky Criswell. Mrs. Criswell won the contest in 1970.

One point behind with 30 is Dewayne Haney, winner of the previous week's contest, and Scooter Russell, who was tied for the lead two weeks ago. Contestants with 29 points are Rex Beardain Jr., Mrs. Larry Crump, George Douglas, Gary McCormick, Bill Moore and Wanda Walker.

Three points back with 28 are Weldon Beardain, Pat DiCuffa, Leon Grissom, Glen Hromas, Jim Noyes, R. B. Riley, Sandra Ware, Earl Whitten, A. M. Wilson and Gladys Wright.

Contestants with 27 points include Rocky Bartlett, Jerry Bradford, Janice Carpenter of Clovis, Lynn Chitwood, Wilson DiCuffa, Andy Hurst, L. F. Jacobs, Donna Jester, Virginia Lambert, Ben McCain, Howard Marcom, Cindy Morrison of New Deal, Joan Morrison of New Deal, Terry Newell of Muleshoe, Lee Roy Nuttall of Friona, David Phelps, Darrell Read of Dumas, Terry Sherrill, Billy Smith and Larry Wiseman.

Contestants with 26 points are Bill Boling, Tom Bonds, Hattie Burnett, M. H. Carson, Bob Fillpot, Wendell Garner, Mrs. Phillip Johnson, Roberta Mager, Edna Minyen, Bill Read, Tracy

Russell, Jay Sherrill, Radford Venable, Jesse Walling, Billy Whitecotton Jr. and Mary Jane Wilson.

The contestant with the highest number of points at the end of the 13-week-long contest will receive an expense paid trip for two to the Dallas Cowboy-New York Giant football game on December 17.

Legislature Considering Brake Law

The third week of the special legislative session in Austin began Monday with committee hearings on the important trailer brake and light laws, according to Rep. Bill Clayton of Springlake.

"It is important that these corrective measures pertaining to trucks and trailers be clarified because the area is now getting into the harvest season and a great many questions have been raised about trailer lights and brakes," said Clayton.

It is anticipated that the bill introduced by Rep. Mike Moncrief of Fort Worth and Clayton will pass through the legislature this week.

Clayton added that two weeks of the present special session have passed with no significant action being taken on any legislative measures. However, during this time, committees have been meeting on the competitive insurance bills and bills that would allow the governor to transfer funds.

"With several other items of business to take care of, it looks like the special session will take the full 30 days and will conclude its proceedings around the middle of October," said Clayton.

Parish Council Hears Reports

Members of St. Ann's Parish Council heard reports from each organization represented at the meeting of the group Wednesday night of last week at Parish Hall. Fifteen members, Rev. John Coppinger and Brother John Poncia were present.

The representative from St. Ann's Society reported on the upcoming annual turkey dinner scheduled for Nov. 4. Mrs. Leon Schilling, president of the society, also reported on a luncheon set Oct. 11 for women from all Bovina churches. St.

Ann's Society will host the occasion.

The council agreed to request that choir members sit among the congregation to encourage more participation in the singing portion of the service.

Brother Poncia, chairman of the Confraternity of Christian Doctrine, said that 95 children were enrolled in religious classes at the present time. The classes are held each Sunday from 9:45 to 10:30 a.m. for grades one through eight. Classes for grades nine through 12 are held Wednesday evenings after the 8 p.m. Mass.

On The Farm In Parmer County

By R. MACK HEALD
County Agent

Parmer County was in the news during the week of September 18 through September 23 at the Tri-State Fair in

Amarillo. Several different divisions in which county residents participated in, included: County Educational Booth; Livestock shows; 4-H activities.

Each year the County Extension offices sets up a booth during the fair exhibiting a sampling of the various types of crops grown in the county. The booth, along with other county booths, was judged and paid premium money. The county booth again featured the "3,76 in '76" program. This program is designed by the Extension Service Agricultural Program to increase the income from the sale of agricultural products by \$1 billion by the year 1976, through the use of educational programs, result demonstrations, research and improved technology sponsored by the State Extension Service. This goal is being obtained by a yearly increase in the total agricultural income. Parmer County's share in this amounts to over \$70 million annually.

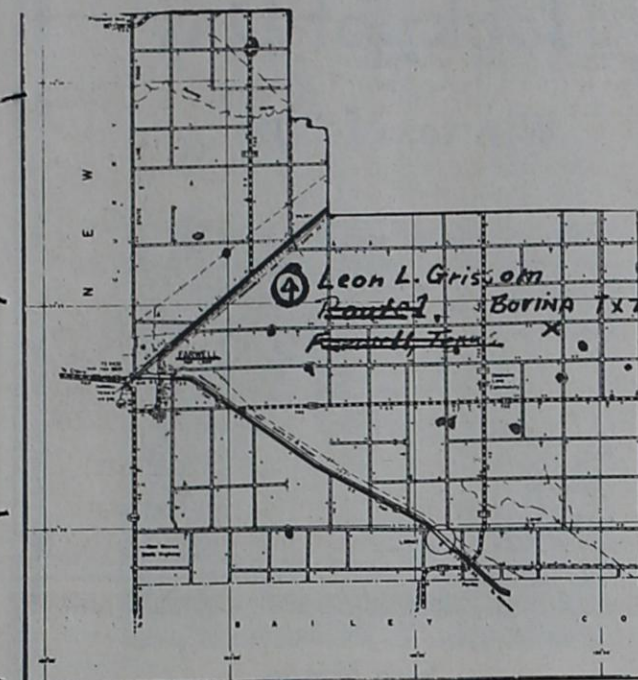

Karene and Evelyn Hart of the Friona 4-H Club exhibited their Shorthorn Heifers in the open show on Wednesday, September 20. Evelyn placed third with her heifer and Karene placed sixth. These two girls, along with their sister, Holly, were among the top 10 finalists in the Wheat King contest. This contest is open to all 4-H and FFA members in the Panhandle of Texas and is judged on the quality of the wheat samples by the youngsters entered. Several different tests are run on that sample such as protein, milling, quality, etc.

On Saturday, September 23, the top ten finalists were presented and the places were announced. Karene Hart was second, Evelyn was eighth and Holly was ninth.

Cheryl Whitecotton of the Bovina 4-H Club was the county winner in the Bake Show contest. Each county in the Panhandle of Texas entered their county winner in the District Bake Show. These 22 girls were presented during the Rural Youth Day activities and awarded premium money for entering the contest.

Beef cow numbers have increased substantially in Texas since the first of the year, according to figures compiled by the Texas Crop and Livestock Reporting Service. Dr. Ed Uvacek, livestock marketing specialist with the Texas Agricultural Extension Service, points out that the biggest increase in cow herds has occurred in South Texas and in parts of East Texas and along the Red River.

The Texas A&M University specialist lists improved range conditions and favorable cattle prices as the main reasons for the expansion. Grazing conditions have been average to above average in many areas of the state although parts of Northeast Texas are still suffering from lack of moisture.

Of Interest To ★ THE WOMEN ★

Mrs. Hart, Mrs. Osborn Headline Political Program

Headlining a political discussion at a meeting of Bovina Woman's Study Club last Thursday was Mrs. Jack Hart of Gruver and Mrs. Ruth Osborn of Pampa.

Mrs. Hart is the district chairwoman of the Republican Women of the 13th Congressional District. Mrs. Osborn holds the same title for the Democratic women. Both were delegates to their respective national conventions.

Following a 10-minute statement by each woman, four panelists submitted questions to the women. A question and answer session from members of the audience followed.

Members of the panel were Mrs. Jack Kassahn, Mrs. Henry Ivy, Mrs. Lowell Booser and Mrs. Earl Whitten.

The women discussed topics ranging from forced busing to President Nixon's appointments to the Supreme Court.

In answer to several questions, Mrs. Hart stated that she believed Nixon's appointments to the Supreme Court would be beneficial in restoring a balance to the court that would affect legal decisions for years to come; that the U. S. needs price controls because as a country we cannot compete with other countries in the export market because our labor situation has gotten out of hand; that George McGovern, the Democratic presidential candidate, would destroy this country's profit motive with his

tax distribution plan and add enormously to our welfare rolls; that the Republicans opposed forced busing; and that the Republican platform favors the right to work law. She stated that Senator John Tower had worked diligently to keep the right to work law in Texas.

Mrs. Osborn, in presenting the Democratic Party views, said that Nixon had not been able to get us out of Vietnam with our heads up; that McGovern believed in taking the physically-able off the welfare rolls and creating jobs for those people; that McGovern and Shriver favor the right to work law; that the Democrats do not believe in busing to achieve racial balance in the schools; and that McGovern opposes the legalization of hard drugs. Mrs. Osborn stated that she "could not go along with McGovern's stand on pulling the troops out of Vietnam immediately." She also pointed out that Rep. Bill

Clayton of Springlake has worked long and hard on the water situation in Texas. "Several studies are in progress now -- one plan is to bring water from the mouth of the Mississippi River and it seems to be the most feasible plan," She pointed out that the opposition to the plan is from the metropolitan areas of Dallas and Houston. "They don't care whether the Panhandle gets water."

Mrs. Earl Stevenson was moderator of the panel.

Present at the meeting in the club house was Mrs. Booser, Mrs. Jack Clayton, Mrs. Travis Dyer, Mrs. Bobby Englant, Mrs. Arlin Hartzog, Mrs. Ivy, Mrs. Clarence Jones, Mrs. Kassahn, Mrs. Ovid Lawlis, Mrs. Leslie McCain, Mrs. Stevenson, Mrs. Leon Ware, Mrs. Whitten, Mrs. W. E. Williams, Mrs. Jesse Walling, Mrs. Earl Richards and several guests.

A GLIMPSE AT GLASS

Sandwich is more than something for lunch.

It's a type of early American glassware that sings with color and glitters with light, one of this country's great heritages like the Brooklyn Dodgers, silent movies and the Model T.

Sandwich glass derives its unusual name from the Boston & Sandwich Glass Co. in Sandwich, Mass., where it was produced from 1825 to 1888 in the glass industry's first hand-pressing operation.

The intricate designs and lacy loveliness of Sandwich glass, coupled with New England practicality, made it a favorite of 19th century households.

It was in 1825 that the Boston & Sandwich Glass Co. began to create Sandwich glass at its factory in the Cape Cod community of Sandwich. The company banked its fires for good in 1888 during a labor dispute, and after 63 years of production Sandwich had become a household word throughout New England and America. After 1888 Sandwich soon disappeared from practical table use and began to appear on collector's shelves; Sandwich lost its original, specific meaning and the word came to be used generically to denote a lacy, frilly design.

The variety and multitude of designs and patterns that gave Sandwich its popularity and uniqueness were created in three-piece molds in a hand-pressed operation. Up to the introduction of hand-pressing, glass was blown, making it an expensive commodity not everyone could afford. Sufficient amounts of

technological skill and natural resources came together in Massachusetts, however, to produce glassware by forcing liquid-hot sand into iron molds.

Most of the original Sandwich molds had disappeared over the years since the Sandwich works closed, but molds carrying the "Star and Scroll" patterns were recently purchased by Pitman-Dreitzer, a glassware distributor, which contracted to produce authentic Sandwich glass for Montgomery Ward. The 100-year-old retail chain has an agreement during its centennial merchandising celebration this year to offer the Star and Scroll pattern in amber, blue and lime green, colors which haven't been on the market for 83 years. Since the Sandwich factory closed Sandwich glass has been available only in a clear, crystal finish. Wards, however, is offering it in color through its 2,100 retail and catalog stores across the country.

Goblets can be bought as part of a 12-piece stemware set — four goblets, four wine glasses and four sherbet glasses — or as a four-piece set by itself. A 12-piece luncheon set also is available, featuring four cups, four saucers and four salad plates.

Other items in Ward's Sandwich line are a sugar and creamer set, torte plate, footed cake stand, deviled egg plate, covered candy dish, two- and four-compartment relish dishes, and a three-piece console set with fruit bowl and pair of candleholders.

Opossum shrimp carry their young in a pouch.

THE PARENT'S PRAYER

Lord, this I ask that I might be True to the test You gave to me, That I might rear this child of mine, Each day to be a child of Thine.

That I might guide his precious feet From each new danger he will meet; That I might keep him in the fold And teach him Lord, thy hand to hold.

'Tis when the big sheep go astray That oft the lambs too go that way. So that is why this day I ask Lord, make me worthy of this task.

Record Now 2-1 --

Mustangs Win Over Sanford-Fritch, 13-8

With a varied offense and a tough defense, the Bovina Mustangs got their season record back on the winning side of the ledger here Friday night as they edged the visiting Sanford-Fritch Eagles, 13-8.

The victory made the Mustangs' mark for the season, 2-1. They previously had a win over Boys Ranch and a loss to Friona.

The Maroons got the winning margin in the fourth period on a 44-yard scamper through the middle by Bryan Fillpot, sophomore fullback, after the teams had traded first-half touchdowns.

The Eagles had an 8-7 lead at the half as they added the dual extra points following their second quarter TD.

The action started early in the game. After receiving the opening kickoff, the Mustangs broke

Halfback Jeff McCormick lose from their own 25 on the second play from scrimmage. McCormick raced to the S-F one yard line before being stopped.

The Mustangs failed to capitalize on the long run, however, as a fumble gave the ball to the Eagles near their goal.

They couldn't move the ball and punted out to the 49-yard line. Then, the Mustangs got

right back at touchdown on a pass play from Quarterback Kim Rundell to Tailback Billy Shelby. The pass carried to the three-yard line. Two

plays later, Rundell went in from the two for the counter.

His place kick for the bonus point was true and the Maroons had a 7-0 lead with 4:49 remaining in the opening stanza.

The Eagles, who left the impression they were up against more competition than they had expected, got their touchdown

on their first second quarter possession. A 77-yard drive resulted in the score with a 48-

yard dash by Mike Dunham, their classy quarterback, getting the

bulk of that yardage. Dunham went back to pass on his own

47, but finding no receivers open, elected to run and almost

made it to the goal before being caught from behind. Two

plays later, he went across from the one. The Eagles went

for two extra points on the extra attempt and were successful

as End Phillip Dorang gathered in a deflected Dunham pass.

The Mustangs made a gallant, but unsuccessful, effort to regain the lead with time running

out in the first half. A series of three pass completions, two

to End Ben McCain and one to Shelby, moved them into field

goal range on the 34. With 12 seconds remaining, Rundell's

field goal attempt was short, giving the Eagles possession at

the 20. A fumble on the first play from there gave the ball

right back to the Ponies and Rundell had another shot at the

three-pointer. This time the

kick was off to the right, however, and the halftime score was 7-8 with the host team on the short end.

In the third period, the Eagles were kept at bay by a tough Mustang defense which halted one drive on the 17, stopped another with a pass interception by McCain and still another on a fumble.

The Eagles fumbled five times in the contest with the Mustangs coming up with four of those.

Bovina got the winning margin on the second play of the fourth quarter on Fillpot's long run. After taking over the ball

on downs at their 18 late in the third period, the Mustangs

blasted upfield to the S-F 44 in seven plays to set the stage for the winning run. Rundell's at-

tempted kick for the extra point was no good.

The Mustangs kept the Eagles away from touchdown territory during the remainder of the game.
