Card of Thanks

We wish to thank all of our friends and neighbors for every deed of kindness they have shown us in the last few years. We appreciated all the Christmas cards, letters, and notes we received. We most of all appreciated all prayers in our behalf.

We are doing fairly well at present, just hope we don't get worse. We would like to wish the best of everything for all of you, and we would enjoy a visit, card or letter from any of you.

Keep us on your prayer list.

Mr. and Mrs. J. M. Tidwell

To the Citizens of Precinct 3

In announcing my candidacy for re-election for Justice of the Peace, I would first like to thank the citizens of Precinct 3 for their support in the past.

In 1973 I attended a 40 hour and a 20 hour training program schools for justices of the peace. This is required by House Bill No. 81 as passed by the 63rd State Legislature. If re-elected I will continue to try to stay informed of the requirements of the office and attend to the duties to the best of my ability.

Your vote and support will be appreciated.

If your home depends on natural gas you can depend on having enough.

Despite today's national gas shortage, homeowners in the Lone Star area can be assured of continuing supplies of efficient, clean-burning natural gas for years to come. The reason: Lone Star's advance planning and the investment of some \$150 million in gas supply projects in the last two years.

Today Lone Star is working around the clock, drilling deeper wells and exploring new areas. We're participating with gas industry research on "synthetic" gas and other forms of energy.

Easing this country's energy crisis by increasing energy supplies is going to take cooperation between the government and the gas industry. And you can help also! By conserving energy in your home whenever you have the opportunity.

Rest assured that Lone Star Gas families who depend on natural gas can depend on having enough.
