Freeman-Tate

Fontana—The Fontana Community Church provided the setting for the marriage of Judy Darlene Tate and Bill Freeman. The Rev. Horace Cushing performed the double ring ceremony at 4:30 p. m. Saturday, August 17.

The bride is the daughter of Mr. and Mrs. A. E. Montgomery of 17165 Fontlee Lane, Fontana. She is a Fontana high school graduate and attended Riverside College. She is employed by Kaiser Foundation Hospital.

The bridegroom is the son of Tudor S. Freeman of 271 E. 49th St. Apt. 3, San Bernardino, formerly of Fontana. The bridegroom is a Fontana high school graduate, a 1973 graduate of Chaffey Junior College in Alta Loma and a 1974 graduate of Cal State San Bernardino. He is teaching at Fontana junior high

school.

Given in marriage by her father, the bride wore a white floor length gown featuring an empire waistline, with the full skirt, short sleeves and neckline trimmed with yellow and white daisy appliques. Her veil of French illusion was caught to a headpiece of fresh daisies and she carried a bouquet of rainbow flowers and yellow roses.

Mrs. Melanie Garber served as the matron of honor and Miss Barbara Mitchell served as the maid of honor. Bridesmaids were Mrs. Ann Luttringer, Pat Tate, and Karen Tate, sisters of the bride.

Bob Freeman and Ed Bork served as best men for the bridegroom. Ushering duties were shared by Mike Bacor, Mike Korich and John Luttringer.

Miss Ginnie Oden sang the selection "First Time Ever I Saw Your Face," accompanied at the organ by Mrs. Catherine Forbes.

Following the wedding ceremony, a reception was held at the KSKJ Hall in Fontana. Out of state guests included Mrs. Brud Shookies of Wallingford, Conn., sister of the bridegroom.

The couple is residing at 17015 San Bernardino Ave. Apt. 11 in Fontana following a honeymoon trip to Lake Tahoe and San Francisco.

42 Club

The 42 Club will meet Thursday, Oct. 24, with Mrs. Clara Baggett at 7:00.

Mrs. Elvia Davenport Time To Change

Funeral services for Elvia W. Davenport, 82, of Amarillo, who passed away there Saturday, were held in Amarillo Monday. Burial was in Llano Cemetery there.

A native of Mansfield, Mrs. Davenport taught school in Hedley for 40 years before her retirement.

Survivors include three daughters, Mrs. Ellen Pearl Biella of Santa Rosa, Calif., Mrs. Tommie Hankins and Mrs. Margaret McKinney of Amarillo; a son, H. Lyman of Pflugerville; a brother, Bill Wiggins of Hedley; five grandchildren and three great-grandchildren.

Senior Citizens of Hedley

The Senior Citizens will meet at 10:00 a. m. Friday in the Liens Den. Bring a covered dish.

Card of Thanks

We want to thank each and every one for your visits, prayers, cards, and the many nice things you did for us in our sorrow.

May God bless all of you.

Mr. and Mrs. John Tate

CONSERVE ENERGY With Proper Insulation

Proper insulation helps to keep OUT heat in the summer, cold in the winter, helps to reduce outside noises, and absorbs inside sounds.

Adequate insulation can save over 40% on energy costs annually. You should have at least 4" in walls and 6" in ceilings. Heating and air conditioning duct-work should be wrapped with insulating material.

Insulation can pay for itself with the savings from operating costs in about 1 1/2 years. Your home will be cleaner because insulation will help to keep dust and dirt pollution from sifting in.

SAVE ENERGY
WITH
CAULKING AND
WEATHERSTRIPPING

Check all windows and doors. If a cold draft indicates you are losing heat, install weatherstripping and caulking where needed. It will save on both heating and cooling costs.

An almost invisible 1/4" gap at the base of a standard 36" outside door is equal to a nine square-inch hole in the side of your house. There are a number of easy-to-install felt and foam rubber products on the market to draft-proof doorways.

The U. S. Government does not pay for this advertisement. It is presented as a public service in cooperation with The Department of the Treasury and The Advertising Council.

Are you going to live longer than your money?

Maybe you're having a pretty good life now. Your credit is good, you've got a few nice clothes and a good dependable car. And if you're lucky, maybe you own your own home. But that's because you're working. What happens when you retire? You can't live on memories. It's still going to take money. Lots of money. Money that you should be saving now.

And one of the easiest ways to start putting away a few dollars for those retirement years is by joining the Payroll Savings Plan where you work and buying U.S. Savings Bonds.

That way every time you earn a little money for today, you save a little for tomorrow.

Then when the time finally comes to retire, you'll have something put away to retire to.

How it works: pay 7 1/2% interest when held to maturity of 5 years, 10 months 14% the first year. Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.
 Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

Trash Fee Set

The city council has set the trash hauling fee at \$2.50 per month. This will be added to the water bills. This will be effective with the November bills, which you receive on Dec 1st.

This will also help take care of some of the added cost the city has had on Greenbelt water.

Basketball News

The high school girls played two games last week. On Tuesday, Oct. 15, Alamo Catholic came to Hedley and they were defeated by a score of 63 to 45. Nickii Bolin was high scorer for Hedley with 28 points and Shauna White was also in double figures with 20 points.

The girls next defeated MeAdoo by a score of 56 to 39. Shauna White was high scorer with 26 and Nickii Bolin had 20. The guards, Geneva Naylor, Debbie DeBord and Lou Ann Drum, did a fine job defensively.

Other players on this year's team are: seniors Jane Wood and Lee Ann Woodard, junior Becky McPherson, sophomores Laura

Wheatly and Kay Skaggs, and freshmen Lynn Skaggs, Lisa Stewart, Lynne Morris and Paula Clendennen.

Perry Joe Potts

Hedley was saddened Tuesday when word came that Perry Joe Potts had passed away in Amarillo. Funeral arrangements were not available at press time.

New higher interest rate on U.S. Savings Bonds.

Now U.S. Savings Bonds pay 6% interest when held to maturity.

Here's how it works: The higher interest rate applies to all new Bonds purchased since December 1, 1973, raising their rate from 5½% to 6% when held to maturity. And the maturity period on Series E Bonds is shorter, too. Now E Bonds mature in 5 years, with a first-year rate of 4½%.

Series H Bonds, with a 10-year maturity, will earn 5% the first year; 5.8% for the next four years; and 6½% for the last five years. This gives you an average 6% yield over the 10-year period.

It works for Bonds you now hold, too. There's no reason to redeem your older Bonds to buy new ones.

Their yield has improved, too.

All outstanding E Bonds will receive a ½% increase in yield for each semiannual interest period beginning on or after December 1, 1973, payable upon redemption. This also applies to any Freedom Shares you may still hold.

All outstanding H Bonds will receive a ½% yield increase for each semiannual interest period beginning on or after December 1, 1973. This is payable in the form of increased semiannual interest payments.

It all works to your advantage. Now, more than ever,

it makes sense to buy higher-paying U.S. Savings Bonds and hold them to maturity or beyond.

Sign up now to buy Bonds through the Payroll Savings Plan where you work, or buy them where you bank.

Take stock in America. It's in your interest.
