Letter to Santa Claus

Dear Santa Claus:

My name is Ricky Springer. I am 6 years old. My sister, La Moss, is writing this but I am telling her what to say. She has to write it because I can't write. I can only print.

I want these things for Christmas: an Evil Knievel set, a stuffed monkey, a carpentry set, some Indian shoes, some guns, a drawing set, magic cards, and that's all I want for this Christmas. So until next Christmas,

Love,

Ricky Don Springer

daughters Jana and Deana, Mrs Joe Dillard, Mrs Johnnie Long, sister of Mr. Howell, and Mrs T J. Cherry, sister of Mrs. Howell.

Security State Bank To Have Open House

The Security State Bank will hold open house from 2:00 to 4:00 p. m. on Sunday, Dec, 22, to observe the completion of their remodeling and expansion program.

The bank has made many notable advances. It is now double its previous size, with new carpeting throughout, new furnishings, new offices, and several attractive paintings on display. The bank now has facilities for night deposits, which should prove useful to many depositors.

The bank's bookkeeping is now computerized, and checks should now have the account number on them.

The outside of the bank has been bricked, and the new sign and emblem are very attractive, making the bank one of which any town or city might be proud.

The bank invites everyone to attend their open house, and to register for free gifts. See this ad elsewhere in this issue.

It should be added that the bank's deposits have tripled in just three years, from September 1971 to September of 1974, and are very close to the \$4,000,000 mark.

CONSERVE AND SAVE

DISHWASHER SAVER-TIPS

- A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.
- Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.
