## Gas Rates Raised

At last Thursday night's regular City Council meeting the council agreed to a rate increase for Lone Star Gas Co. This was actually a formality as the company had already been granted the increase by the Railroad Commission of Texas on June 30.

The company had requested an increase of \$1.2029 per thousand cubic feet of gas and the Railroad Commission granted an increase of \$1.0399. This increase was needed because of the greater cost to Lone Star of the gas they are having to buy.

This will not be a very great increase to any individual, and will certainly be better than the prospect of doing without gas heat this winter.

The Hedley school is still working on the program for free lunches. Parents if you feel you might be eligible for free lunches, please contact Mr. Fretman.

## On Honor Roll

A record number of 553 students, 365 of them from Texas, have been named to the dean's honor roll at Abilene Christian College for the spring semester.

To qualify for the list, students must be enrolled for at least 12 semester hours and have a grade-point average of more than 3.45 on a 4.0 scale.

Among the Texans making the honor roll was Angela Messer, daughter of Mr. and Mrs. Doyle Messer of Hedley.

Mr. and Mrs. Jerry Johnson of Liberal, Kansas, announce the arrival of a fine little son born July 26, weight 6 lbs 5 oz. The young man has been named Jason William after his late great-grandfather, William Grover Johnson of Hedley. The couple have one other son Jeremy Alan.

Grandparents are Mr and Mrs. Roy Johnson of Clarendon and Mrs. Dortha Stephens of Liberal, and great-grandmother, Mrs. Eva Johnson of Clarendon Rest Home.

Adrian Youngblood of Clarendon visited here Friday.

The J. C. Upton's were here from Amarillo last week end.

## Lots Need Cleaning

All owners of vacant lots are requested to get the weeds cut from them. These weeds are a breeding place for mosquitoes, as well as a potential traffic hazard in some places.

## Cooperation Needed

A majority of Hedley people are cooperating with the city trash hauling, but a few are still not putting their trash in sacks or small containers as is necessary.

Please put your crushable trash in small sacks or containers which can be handled by one man, and do not include garbage or burnable material in it. Your cooperation would be appreciated!

## School Holiday

There will be a school holiday on Thursday, Aug. 14, while the Hedley teachers attend an in-service training meeting at Clarendon.

## Enjoyable Visit

Visiting in the Junot Hill home the past week were Pets, Loretta and Justin Ham from Pabco, Wash. This brought Loretta's grandmother from Arkansas, Nina King. Mike and Cindy Linden and Tommy Taylor came with her.

Carole and Amanda Ward visited part of the week from Pahrump. Johnny, Gail and Karen of Clarendon visited too. Then Wednesday night we all had a cookout at Johnny and Gail's which all enjoyed very much!

Thursday the Hills, Hams, Nina King, Mike, Cindy and Tommy went to see the show "Texas." All enjoyed this too.

Then over the week end Loretta's aunt from Denver, Colo., June Stephens, came and her son and wife, Jimmy and Tammy Stephens of Amarillo.

Loretta's great-aunt and uncle visited too, Mr and Mrs. U. C. Darrell, Mrs. Jack Hutchinson of Amarillo, and Mr. and Mrs. Claude Williams of Pampa.

Mr. and Mrs. Tommy Hill of Amarillo announce the arrival on Aug. 5 of a little son, weight 6 lbs 11 oz, who has been named Jeremiah Lane. Hedley grandparents are Mr. and Mrs. Homer Hill.

Mrs. Omie Simmons, Myrtle Reeves and Hobart Moffitt attended the hardware convention at Amarillo Sunday.

Mr. and Mrs. Charlie Johnson and Mr. and Mrs. Woodroe Farris have returned from a trip to Missouri, Arkansas and Oklahoma.

Sus and Ray Horton and son Allen of Denver spent Thursday with Myrtle Reeves.

Myrtle Reeves visited in Clarendon Saturday!

Mrs. Elva Davis is visiting in Sparta, Tenn.

Mr. and Mrs. James Evans vacationed in Alpine, Ariz., last week.

**Over 200,000,000 prescriptions will be filled by Rexall Pharmacists this year—there must be a reason!**

As a matter of fact there are several reasons why the nation's Rexall Pharmacies fill this tremendous number of prescriptions.

**Rexall** Only the stores which bear this sign...the sign of over 10,000 Rexall Drugstores...have the exclusive right to offer drugs developed and perfected in the world-famous Rexall laboratories. In addition, the Rexall Pharmacist carries stocks from the entire pharmaceutical industry. You always receive the finest quality drugs available.

Prescriptions are the lifeblood of every Rexall Drugstore. Each Rexall Pharmacist is painstakingly accurate in making certain you receive exactly what your doctor prescribed. His primary concern is your good health and that of your family.

Most Rexall pharmacists are independent businessmen...owning their own stores. Their pride of ownership and efficient operation is evidence of customer satisfaction. By choosing to identify their stores with the Rexall name they have accepted the Rexall guarantee...every Rexall Brand drug product is guaranteed to satisfy or your money back.

These are a few of the reasons for Rexall's popularity. Take your next prescription to a Rexall Pharmacist...discover the other reasons for yourself.

Air-Conditioners**

Your air-conditioner will operate inefficiently if filters are not cleaned regularly. Dirt and lint, collected on the filters, restricts air flow to the coils. Clean filters every two weeks.

Let nature help you save energy by shading your home with trees and shrubs to help cut down on summer cooling costs. Draw draperies against afternoon sun.

Remember to keep outside doors, windows, and fireplace dampers closed. If you have window units, close the heating vents near the floor, as cool air falls and can escape through vents.

You purchased fine-home comfort when you bought your air conditioning unit. Properly maintained, it will offer you years of efficient service. A once-a-year check-up by your dealer pays dividends in savings on operating and breakdown costs.

People make the news and your newspaper is always interested in what you've done. **Storm Warning**

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. The blast of the siren indicates a storm. Two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

AN ORDINANCE FIXING AND DETERMINING THE GENERAL SERVICE RATE TO BE CHARGED FOR SALES OF NATURAL GAS TO RESIDENTIAL AND COMMERCIAL CONSUMERS WITHIN THE CITY LIMITS OF HEDLEY, DONLEY COUNTY, TEXAS, AND PROVIDING FOR THE MANNER IN WHICH SUCH RATE MAY BE CHANGED, ADJUSTED AND AMENDED.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HEDLEY:

SECTION 1. Effective with the first gas bills rendered from and after thirty (30) days from the date of final passage of this ordinance, the maximum general service rate for sales of natural gas rendered to residential and commercial consumers within the city limits of Hedley by Lone Star Gas Company, a Texas corporation, its successors and assigns, is hereby fixed and determined as follows:

First 1,000 Cu. Ft. or Fraction Thereof \$3.1277 Gross; \$2.8149 Net

Next 3,000 Cu. Ft. @ \$1.6388 Per Mcf Gross; \$1.4749 Per Mcf Net

Next 6,000 Cu. Ft. @ \$1.5388 Per Mcf Gross; \$1.3849 Per Mcf Net

Next 15,000 Cu. Ft. @ \$1.4721 Per Mcf Gross; \$1.3249 Per Mcf Net

Next 75,000 Cu. Ft. @ \$1.4277 Per Mcf Gross; \$1.2849 Per Mcf Net

Over 100,000 Cu. Ft. @ \$1.4054 Per Mcf Gross; \$1.2649 Per Mcf Net

No gas bill will be rendered to any residential or commercial consumer served under the above rate not consuming any gas during any monthly billing period, except that where customer's only use for gas service is in an outdoor grill and/or a fireplace starter, the amount shown for the first consumption block shall constitute a minimum monthly bill.

**ADJUSTMENTS**

The amount of each net monthly bill computed at the above-stated rates shall be subject to the following adjustments: Plus or minus the amount of any increase or decrease, respectively, above or below the \$1.0399 per Mcf level in the intracompany city gate charge as authorized by the Railroad Commission of the State of Texas or other regulatory body having jurisdiction for gas delivered to Lone Star Gas Company's distribution system for sale to residential and commercial consumers where such changes are caused by increases or decreases in the cost of gas purchased by the Company; plus an amount equivalent to the proportionate part of any new tax, or increased tax, or any other governmental imposition, rental, fee or charge (except state, county, city and special district ad

valorem taxes and taxes on net income) levied, assessed or imposed subsequent to July 1, 1975, upon or allocable to the Company's distribution operations, by any new or amended law, ordinance or contract. Each gross monthly bill shall be adjusted proportionately. Company, at its option, may forego the application of any adjustment if such adjustment would result in an increase in the monthly bill; however, failure of Company to apply any adjustment shall not constitute a waiver of Company's right from time to time, or at any time, to make any adjustment, in whole or in part, in any subsequent current monthly bill that may be applicable to such bill.

Net rate shall apply to all bills paid within ten days from monthly billing date; gross rate shall be applicable thereafter.

The above rate is applicable to each residential and commercial consumer per meter per month or for any part of a month for which gas is used at the same location.

In addition to the aforesaid rates, Company shall have the right to collect such reasonable charges as are necessary to conduct its business and to carry out its reasonable rules and regulations in effect.

SECTION 2. The rate set forth in Section 1 may be changed and amended by either the City or Company furnishing gas in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and Regulations currently on file in the Company's office.

SECTION 3. It is hereby found and determined that the meeting at which this ordinance was passed was open to the public, as required by Texas law, and that advance public notice of the time, place and purpose of said meeting was given.

PASSED AND APPROVED on this the 7th day of August, A.D. 1975.
