LIONS ROAR

Attendance was good at last week's meeting of the Lions Club but it could have been better since the Festival is now less than two weeks away.

The Festival Queen, Shauna White Monroe, was present and three of the Queen candidates and their sponsor, Mrs. Sharon Wheatly. Out of town guests were Allen Estlack and Rev. Pettigrew Hamilton of Clarendon who had the program. It was on the blood bank. Some thirty-odd Lions and guests enjoyed the program and the good meal served by Mrs. Kate Stone and Mrs. J. M. Baker.

There will be a business only meeting at the Lions Den this Thursday at 8 p. m. If you have a report to make do so before this meeting. The Festival programs will be made out that night.

Mrs. Doris Bobo of Anchorage, Alaska, is visiting her sister, Mrs. Joyce Boliver.

Storm Warning

Since the tornado season is with us again, it is time to re-

mind everyone of the signs sounded by the fire siren. One blast of the siren indicates a rain, two blasts are to call the community together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

They laughed when I bought my first Bond.

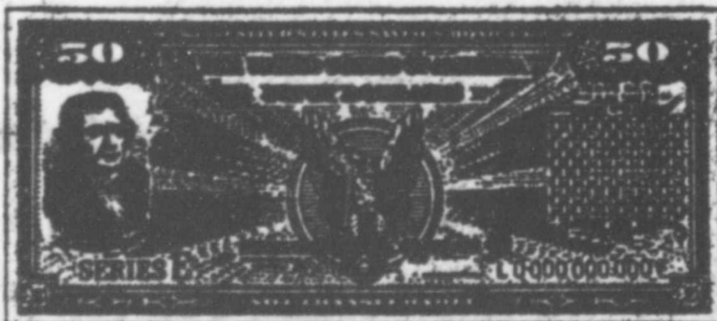

In my neighborhood everyone was poor. Most of us were lucky if we had enough food to eat or clothes to wear. So like most kids we spent a lot of time talking about the things we wanted out of life. Things like owning a big car, wearing fine clothes and going to all of the best places. Boy, we could hardly wait to grow up.

Like the other kids I had little odd jobs in grammar school but I got my first real job when I started high school. I was a junior clerk in a big department store. That's where I first heard about U.S. Savings Bonds. My boss asked me if I wanted to join the Payroll Savings Plan and I said yes. A month later I got my first bond.

When my friends found out they really had a good laugh. Imagine buying U.S. Savings Bonds when there were so many other great things to buy. Well, they kept laughing and I kept saving all through high school.

After graduation some of us wanted to go to college. And that's when my Bonds really came in handy. They not only helped pay my tuition, but also helped buy some books.

Well, I'm a senior now and looking forward to graduation. Unfortunately, a lot of my friends never even got started. And to think, they laughed when I bought my first Bond.

Now E Bonds pay 6 1/2% interest when held to maturity of 6 years, 10 months (6% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.
Buy U.S. Savings Bonds.

This one will grow on you.
