Jimmy Beach

Hedley friends were saddened last Thursday to learn that Jimmy Beach, 40 of Cutbank, Montana, had passed away there. He was asphyxiated while working in his welding shop with the doors closed.

Jimmy was born in Hedley, grew up here, and attended the Hedley schools.

Funeral services were held at Cutbank Monday.

Survivors include his wife Elsa, two children, Rolf and Linda; his parents, Mr. and Mrs. Jess Beach of Hedley; a brother, Bobby Beach of Kalkaska, Mich.; and a sister, Mrs. J. W. Wynn of Deming, N. Mex.

Cake Walk

The Brayettes did a fine job on the cake walk during the Cotton Festival for the benefit of Rowe Cemetery. They made a total of \$182 on cake sales, and also gave the cemetery one-half of their proceeds from the quilt they gave away, which they gave away, which brought the cemetery \$117.12, making a total of \$299.12 for the cemetery.

That this is a very worthy endeavor can be seen by anyone who looks at the fine condition of the cemetery.

Mr. and Mrs. Eules Clem of Tecumseh, Okla., visited the Cullen Taylors last week end. Mrs. Clem is a cousin of Mrs. Taylor.

Murphy for all of us, family, relatives and friends who could gather together to worship together and remember him and say goodbye to our son, brother, and friend.

Altho our family was divided by miles it wasn't divided in spirit and love.

We wish to take this opportunity to thank all of those who showed love and friendship to us by their gifts of food, prayers and love offerings and donations in memory of our Jimmy to the First Baptist Church of Hedley.

Reddy's helpful tips for your Home Laundry

Wash and dry a full load, but never overload... it is essential for each item to move freely for proper cleaning and drying.

Choose the correct cycle for washing modern materials. Perhaps hot water isn't needed, and only a gentle drying temperature.

Too much detergent can clog machine and drains... always measure, don't guess! Follow the manufacturer's recommendations for your type equipment. Mixing brands of detergents can cause graying of clothes.

Many manufacturers of permanent press garments recommend machine washing and machine drying for best results. Following instructions on the garment tag can help preserve the life of your clothing and give you wrinkle-free clothes without need for ironing. A big savings!

Are you going to live longer than your money?

Maybe you're having a pretty good life now. Your credit is good, you've got a few nice clothes and a good dependable car. And if you're lucky, maybe you own your own home. But that's because you're working. What happens when you retire? You can't live on memories. It's still going to take money. Lots of money. Money that you should be saving now.

And one of the easiest ways to start putting away a few dollars for those retirement years is by joining the Payroll Savings Plan where you work and buying U.S. Savings Bonds.

That way every time you earn a little money for today, you save a little for tomorrow.

Then when the time finally comes to retire, you'll have something put away to retire to.

Now it doesn't pay 7-1/2% interest when held to maturity of 6 years. It now pays 14% the first year. Bonds are insured if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

They laughed when I bought my first Bond.

In my neighborhood everyone was poor. Most of us were lucky if we had enough food to eat or clothes to wear. So like most kids we spent a lot of time talking about the things we wanted out of life. Things like owning a big car, wearing fine clothes and going to all of the best places. Boy, we could hardly wait to grow up.

Like the other kids I had little odd jobs in grammar school but I got my first real job when I started high school. I was a junior clerk in a big department store. That's where I first heard about U.S. Savings Bonds. My boss asked me if I wanted to join the Payroll Savings Plan and I said yes. A month later I got my first bond.

When my friends found out they really had a good laugh. Imagine buying U.S. Savings Bonds when there were so many other great things to buy. Well, they kept laughing and I kept saving all through high school.

After graduation some of us wanted to go to college. And that's when my Bonds really came in handy. They not only helped pay my tuition, but also helped buy some books.

Well, I'm a senior now and looking forward to graduation. Unfortunately, a lot of my friends never even got started. And to think, they laughed when I bought my first Bond.

Now E Bonds pay 5 1/2% interest when held to maturity of 6 years, 10 months (6% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Most of the Festival bills are in so the members can get a good idea how the Festival came out financially. We think the report will be good.

A big ladies night banquet will be held but it may be in December.

before things can be arranged. The Lions appreciate the work done by the ladies and hope to be able to entertain them soon.
