**Over 200,000,000 prescriptions will be filled by Rexall Pharmacists this year—there must be a reason!**

As a matter of fact there are several reasons why the nation's Rexall Pharmacies fill this tremendous number of prescriptions.

Only the stores which bear this sign . . . the sign of over 10,000 Rexall Drugstores . . . have the exclusive right to offer drugs developed and perfected in the world-famous Rexall laboratories. In addition, the Rexall Pharmacist carries stocks from the entire pharmaceutical industry. You always receive the finest quality drugs available.

Prescriptions are the lifeblood of every Rexall Drugstore. Each Rexall Pharmacist is painstakingly accurate in making certain you receive exactly what your doctor prescribed. His primary concern is your good health and that of your family.

Most Rexall pharmacists are independent businessmen . . . owning their own stores. Their pride of ownership and efficient operation is evidence of customer satisfaction. By choosing to identify their stores with the Rexall name they have accepted the Rexall guarantee . . . every Rexall Brand drug product is guaranteed to satisfy or your money back.

These are a few of the reasons for Rexall's popularity. Take your next prescription to a Rexall Pharmacist . . . discover the other reasons for yourself.

- ★ Avoid wasting hot water while laundering. Use the cold and warm water settings as much as possible to cut down on the energy needed to heat water.
- ★ Clean the lint filter on your washer and dryer after each load to keep your machine running efficiently.
- ★ Wash and dry a full load, but never overload ...it is essential for each item to move freely for proper cleaning and drying.
- ★ Many manufacturers of permanent press garments recommend machine washing and machine drying for best results. Following instructions on the garment tag can help preserve the life of your clothing and give you wrinkle-free clothes without need for ironing.

Mr and Mrs Troy Crawford of Dallas announce the arrival of a son, Charles Ryan, on Oct. 27. He is a grandson of Mr and Mrs G. T. Cherry and the T. J. Cherrys' great-grandson.

### U. M. W.

The U M W met in the home of Mrs. Betty Williams Oct. 28. Mrs Williams opened the meeting. Brief business and reports were given. The Clarendon Nursing Home is our project. Mrs. Williams gave the devotional reading, the 103rd Psalm, closing with a prayer. The main thought was Give Heed to a Perfect Way.

The guest speaker was Mrs. Rea Semple, wife of Rev. Lloyd Semple. They are here from Western Australia on a world mission. She told us of the customs there such as beliefs, schools, cooking, dress, weapons, crops, geography, houses and businesses. Their customs are very much the same as ours. They are very independent. They want to help themselves. They just want to be shown.

Members present to enjoy the wonderful program and social hour were Mesdames Verda Hinde, Pearl Moore, Willie Johnson, Marjorie Rives, Allen Altman, Gertrude Bonbright and the hostess, Mrs Williams. We were so happy to have Mrs. Semple with us.

Farmall M with 21 stripper. J.L. Butler, 1 mile south of Lelia Lake.

1+ Dialing is coming to Hedley beginning November 18, 1975.

1+ Dialing, sometimes called Direct Distance Dialing or DDD, is a modern long distance service pioneered by General Telephone. With 1+ Dialing you can dial all of your station-to-station long distance calls to most points in the Continental United States, Alaska and Canada.

This modern telephone convenience will not raise long distance rates from their present low levels. In fact, regardless of the time of day, 1+ Dialing is the cheapest way to call long distance.

Your instruction card for using 1+ Dialing will be mailed just prior to November 18.

Start using 1+ Dialing on Tuesday, November 18.
