# Use your Room Air-Conditioner Wisely...

## AND SAVE

### REDDY'S HELPFUL TIPS

- ★ Your air-conditioner will operate inefficiently if filters are not cleaned regularly. Dirt and lint, collected on the filters, restricts air flow to the coils. Clean filters every two weeks.
- ★ Let nature help you save energy by shading your home with trees and shrubs to help cut down on summer cooling costs. Draw draperies against afternoon sun.
- ★ Remember to keep outside doors, windows, and fireplace dampers closed. If you have window units, close the heating vents near the floor, as cool air falls and can escape through vents.

Remember REDDY Supplies the energy— but only YOU can use it wisely!

# They laughed when I bought my first Bond.

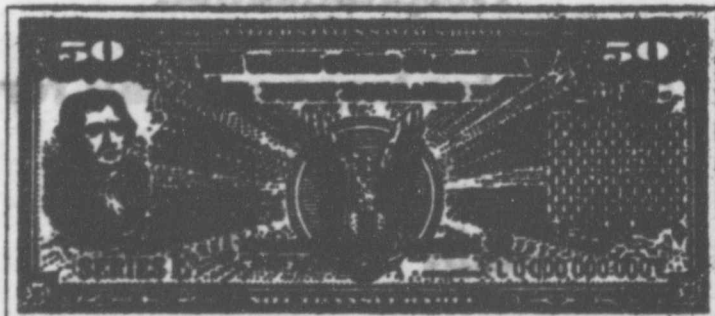

In my neighborhood everyone was poor. Most of us were lucky if we had enough food to eat or clothes to wear. So like most kids we spent a lot of time talking about the things we wanted out of life. Things like owning a big car, wearing fine clothes and going to all of the best places. Boy, we could hardly wait to grow up.

Like the other kids I had little odd jobs in grammar school but I got my first real job when I started high school. I was a junior clerk in a big department store. That's where I first heard about U.S. Savings Bonds. My boss asked me if I wanted to join the Payroll Savings Plan and I said yes. A month later I got my first bond.

When my friends found out they really had a good laugh. Imagine buying U.S. Savings Bonds when there were so many other great things to buy. Well, they kept laughing and I kept saving all through high school.

After graduation some of us wanted to go to college. And that's when my Bonds really came in handy. They not only helped pay my tuition, but also helped buy some books.

Well, I'm a senior now and looking forward to graduation. Unfortunately, a lot of my friends never even got started. And to think, they laughed when I bought my first Bond.

Now U.S. Bonds pay 5 1/2% interest when held to maturity of 6 years, 10 months (4% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

**Take stock in America.**  
Buy U.S. Savings Bonds.

## Enjoyable Trip

The second and third grades made a very enjoyable trip to Amarillo one day last week. They visited the Amarillo Globe-News, the Coors Distributing Co. and Thompson Park, and saw many fascinating things which were a treat to all. One student described it as the greatest day of his life.

Adults accompanying the group were Patsy and Butch Adcock, Nancy Mullins, Clara Jo Holland, Mary Kay Clubb, and Don Springer, parents, and Midge Lemley, teacher.

The Fred Staffords were here from Lubbock last week end.

Mrs Jewell Whitney and Mrs Ruby Blades of Amarillo visited here last Wednesday.

Mrs Mike Harris, former Hedleyan now living in Amarillo, visited in the Otis Owens home Sunday.

Mr. and Mrs Otis Owens went to see the doctor in Amarillo Monday, and Otis got a good report!
