To the People and Voters of Donley County

I would like to express my feelings to friends and apologize for not having more time to visit with you and let you know more about what is happening. If I took this time I wouldn't have sufficient time for my jobs. Last week's paper has an example of what I have been working on for the past several months. We have small problems compared to the surrounding towns and counties. We have not had any murders, robberies or rapes during my term in office. It is time to stop and think about the facts. It is a fact that 65% of our Theft and Burglaries are committed by people involved with drugs. I welcome you to check the county records that are public. You may question the County Sheriffs, the District Attorney, and the people in the Department of Public Safety that I have worked with for the past 5 1/2 years. Let us be proud of Donley County and its people. I want to encourage each and every one of you to go to the polls and vote June 5th. Let us work together to keep this a better place to live and raise our children and grandchildren.

Keep a man that knows up-to-date laws and what is going on around us as your

Sheriff, Tax Assessor-Collector.

Sincerely

Frank Lindsey, Jr.
