Little more than a decade ago the Cystic Fibrosis Foundation was working to keep C.F. youngsters alive long enough to start school. Now we are trying to help some of these same patients, who have grown to young adulthood, enter college or find jobs.

These encouraging words came from Mrs. Sus Shields as she accepted the chairmanship of the 1976 "Kiss a Baby Campaign."

"Longevity has increased every year because of earlier diagnosis and progress on research and cure," she said. "It is efforts such as these that we support by volunteering for and contributing to the Kiss a Baby Campaign."

This year's campaign begins with a door-to-door march in September.

They laughed when I bought my first Bond.

In my neighborhood everyone was poor. Most of us were lucky if we had enough food to eat or clothes to wear. So like most kids we spent a lot of time talking about the things we wanted out of life. Things like owning a big car, wearing fine clothes and being in all of the best places. Boy, we could hardly wait to grow up.

Like the other kids I had little odd jobs in grammar school but I got my first real job when I started high school. I was a janitor clerk in a big department store. That's where I first heard about U.S. Savings Bonds. My boss asked me if I wanted to join the Payroll Savings Plan and I said yes. A month later I got my first bond.

When my friends found out they really had a good laugh. Imagine buying U.S. Savings Bonds when there were so many other great things to buy. Well, they kept laughing and I kept saving all through high school.

After graduation some of us wanted to go to college. And that's when my Bonds really came in handy. They not only helped pay my tuition, but also helped buy some books.

Well, I'm a senior now and looking forward to graduation. Unfortunately, a lot of my friends never even got started. And to think, they laughed when I bought my first Bond.

Now U.S. Bonds pay 5 1/2% interest when held to maturity of 6 years, 10 months. (On the first year, there are no payments.)
 U.S. Bonds are insured by the U.S. Government. When needed they can be cashed at any time. Interest is not subject to state or local income taxes. Call 1-800-551-7243 for more information.

School Lunch Program

The Hedley Schools today announced its policy for free and reduced lunches for children unable to pay the full price for meals served under the National School Lunch Program.

Children from families whose income meets those indicated on the attached charts are eligible for free meals. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses shelter costs in excess of 30% of income, special education expenses due to the mental or physical condition of a child, and disaster casualty losses are urged to apply.

Application forms will be given to students when they enroll in classes. Additional copies are available at the principal's office. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wish to apply for free meals you should contact the school.
