## Hendrick Terminates Hospital Lease, Negotiations For New Agreement Not Good

A handful of hospital employees and interested people set in on a meeting Monday between County Commissioners and members of the Rural Hospital Management, Inc., where it was decided that the lease RHMI held on the Callahan County Hospital would be terminated.

Subsidies from the county was discussed as an alternative to closing the hospital. Judge Mack Kniffen said county voters would have to decide whether to spend approximately \$10,000 a month to operate the hospital.

Judge Kniffen ask the members of RHMI if they leased the hospital in order to close it. Their response was, "no." "Did you do your homework before leasing the hospital, and were you aware of the amount of medicare patients assisted by the hospital?" Kniffen ask. The response was, "We were not aware of the amount of medicare patients here."

Action has been taken by the commis-

sioners to renegotiate the terms of the lease with RHMI, with subsidies from the county for the hospitals operations.

Major medicare deficiencies include; Radiology room, portable x-ray unit, radiology equipment, tile in room and hallways, beds and furniture, and automatic sprinkler system. In addition to these, corridors are being used as a return air plenums, only one set of emergency equipment whereas two complete sets are required, and the utilization of a free standing mobile type building for closed medical records is not acceptable.

A Letter of Intent to Terminate Lease Agreement was received at Judge Kniffen's office Tuesday. The ninety day notice will cessation of operation of the hospital by RHMI on September 15, 1982.

Kudge Kniffen says he hates to see the hospital closed, but it doesn't look good at this time.

## Structure Deficient, Engineers Recommend New School For Eula

Structural engineers, contracted by the Board of Trustees of Eula School District reported that the existing building is on unstable soil and the building is deficient.

Texas Education Agency and the structural engineer believe a new building is necessary instead of renovating the existing school.

The Accreditation Department and TEA's Facilities Department recommend in letters to the school board advised that renovating the building would be unwise and new construction was the best choice for the district.

The board of trustees have set July 20 for the next bond election.

# Strake Speaks Out Against Judicial Process On Drug

Speaking to a group of local supporters at Clyde, former Texas Secretary of State George Strake, candidate for Lt. Governor pointed out the difference between his ideas on how to fight crime and the record of his opponent, incumbent, Lt. Governor Bill Hobby.

"The difference between us is a clear example of a basic philosophical difference," said Strake.

"I believe that the primary purpose of our criminal laws, law enforcement, trial and punishment is to protect citizens from those who now laugh at the judicial process.

"Those now engaging in criminal activity do so with the sure knowledge that the present legal framework too often guards the wrongdoer instead of protecting law-abiding people.

"As Lt. Governor, I will appoint Sen-

ate Committees which will work to strengthen laws to curb the crime rate," the 47-year-old Strake added.

Strake contrasted his approach to the crime menace with Bill Hobby's record of support for an organization which aids criminals more than victims of criminals.

"Bill Hobby takes pride in the fact he held a fundraiser for the ACLU (American Civil Liberties Union), in his home a year and a half ago. He helped them raise \$60,000---\$60,000 that will be used to defend those who prey on society. This does not represent the view of most Texans.

"I believe that those who commit crimes are entitled to a fair trial, but as the Supreme Court of the United States has itself noted, 'a fair trial is not the same as a perfect trial,' Strake said.

# Bees And Fleas Don't Please Putnam Folks Writes Reporter

We had a wonderful rain at Putnam Friday night. Homer Taylor came down from Sweetwater

Saturday and reported that all buildings in South Sweetwater had windows broken, including two elementary schools. We had over an inch of rain here. It is a wonderful boost to gardens. We have also had a scourge of bees and fleas and have had to have exterminators to get rid of them.

This community is very sad over the death of Mrs. Thelma Davis. Thelma has lived here practically all her life. She and the late Charles Odom operated the Odom Grocery Store for 45 years. She will be sorely

missed at Putnam and our deepest sympathy goes to the family.

Mrs. Dink Pruett is still

in the hospital at Abilene, so is Mr. Howard Farmer of Baird.

The Calvin Kings re-

turned from their trip to Virginia this week. They reported a wonderful trip.

The John D. Isenhowers had a call from their son Donald and wife Cindy.

Visiting Mrs. R.C. Speegle over the weekend were her son Billy and daughter Mrs. Terecia Moseley & daughter.

Christi and John David Isenhower are staying with their grandmother Ollie Burnam this week.

Visiting the I.G. Mobleys this weekend have been Mrs. Opal McGregor & Dr. & Mrs. Bill Durnin.

Mr. & Mrs. Keith Rhy-

nes visited their parents the Henry Rhynes' and attended Church at Putnam Sunday.

The Milton Donaways entertained their granddaughter Leslie and Judy Elliott this weekend. L.C. Donaway visited the Milton Donaways Saturday.

CARD OF THANKS

Last Friday evening a search was called for our two year old son, involving the police and fire departments as well as members of the community. We are truly sorry for the in-

## Baird Nursing Home

We want to thank everyone who bought tickets to our spaghetti supper Friday night. We had a real good turn out in spite of the stormy weather. A special thanks to the people who gave donations to our home. We are having a Salad Supper on June 25 from 6-8 p.m. We want everyone to know they have

a special invitation to come and enjoy a Salad Supper with us. Prices are \$2.00 for Adults and \$1.00 for children under 12. Our employees will be selling tickets for this event also.

We have Katie Lee Smedley, Cora Carlisle and Addie Beavers in our local hospital and Adna Walker in West Texas Medical

hospital at Abilene. Our prayers are sent to each lady this week for a speedy recovery.

Our residents enjoyed the June birthday party Thursday afternoon hosted by the ladies of the Eastern Star. Three of our ladies have June birthdays. Six Club members were here. The ladies served homemade Angle Fool Cake and red punch & it was enjoyed by everyone. Each of the birthday ladies received a card and gift from the

club members. Thanks, ladies we enjoy the party very much.

Please remember the "Star Brite Band" will be in our home again Tuesday the 22nd at 2 p.m. Everyone is invited to come and enjoy their playing with us.

John & Carolyn Boehm from Tucson Az., visited with Leona Baggett this week.
