

BY BILL ELLIS

FARMERS IN THE area have received some good rains during the past week, enough to restore their faith in the fact that it CAN still rain.

Measurements have averaged around an inch and one-half, and this should go a long way to help the young crops get off to a good start.

Now that the dry trend has been broken, perhaps the weather can shake the dry pattern that has gripped the area for the better part of a year.

THINGS ARE LOOKING up around the building site of the new Bovina Super Market.

With the walls up and the building closed in, you can get an idea of the bigness of the building, which will be the largest of its kind in Parmer County.

"Billy and Billy" say they are still hoping for a late July opening for the new business facility, and they are getting more anxious as the days go by.

The new business house will be a tremendous boost for Bovina. It is appropriate that it is being completed during our Bicentennial year. We're hoping that it will help kick off an expansion surge for this community that will snowball as time passes.

++ ++ ++
THERE ARE A NUMBER of celebrations being planned in connection with the Bicentennial, but one of the most interesting we have heard about is sponsored by the Ranching Heritage Center at Texas Tech University. This one really identifies with our area.

You may have read in last week's Blade about the special reenactment of a Texas Longhorn trail drive, from San Antonio to Lubbock, with none other than former C-C banquet speaker and Blade cartoonist Ace Reid as the trail drive ramrod.

The drive is to terminate at the Ranch Headquarters at Texas Tech, and special events are on the schedule for July 2-3-4.

Among the events are chuckwagon suppers on the museum grounds; chuckwagon breakfasts, a western dance; and a special "Harley Sadler" tent show.

Now that politician Jerry Sadler has been defeated, we can tell about the special tent shows that have been worked up by a group of Tech students. The shows are to be presented in several locations this summer, and will be kicked off at the special Lubbock event, just a part of that city's Bicentennial observance.

HAPPY FIFTH ANNIVERSARY to the Jack Kassahns at First State Bank.

No, it isn't the Kassahns' wedding anniversary—Tuesday marked the fifth anniversary for their association with the local bank.

According to an event duly recorded in this week's "Reflections from the Blade" feature, it was five years ago on Tuesday that a change in the bank's stockholder makeup was effected, with Kassahn becoming bank president.

GLADYS SPRING was among the 975 candidates for degrees from West Texas State University on May 15, and for the Bovina resident, it marked the end of a long dream.

Gladys had been doing work toward her degree for some 10 years, which shows that she has more stick to it-iveness than many of us.

We congratulate you Gladys. Now you should be more than qualified to straighten old Donnie out. That could take another ten years, however (or more)!

Chamber Sets Garage Sale

The Bovina Chamber of Commerce and Agriculture is planning a community-wide garage sale on July 16-17.

The Chamber is asking anyone who has articles they would like to donate to the sale to contact J.T. Hammonds at 238-1284 or 238-1535.

He will open the building so that the items can be deposited at your convenience.

RAINS CAME....Farmers in the Bovina area have been all smiles the past week, after getting from an inch to two inches of rain. Most of

the rain has been slow-falling in nature, so that it all soaked in. The above gauge is a good indication of the rains of the past week.

Rainfall Aids Area Cropland

The Bovina area received welcome moisture during the past week, with rainfall coming on two or three different nights.

Wednesday and Thursday nights, June 2-3 the area received from an inch to 1.5 inches, with more received in some places than others. Another rain fell west of town Monday night. Some places had received around two inches in all.

The Pleasant Hill area reportedly had received around 1.3 inches for

the period.

Some hail damage has been sustained north and west of Bovina, with barley and wheat crops badly damaged in places. One source said that the small grain crops in the Rhea area have been hit and will suffer a 40 to 60 per cent loss.

However, little damage was noted right around Bovina and to the south, and farmers welcomed the moisture, the first major beneficial rainfall for 1976.

New Methodist Pastors Named

New pastoral appointments and changes in assignments in three West Texas districts of the United Methodist Church were announced recently by Bishop Alsie Carlton at the Northwest Texas-New Mexico Conferences joint meeting at Glorieta, N.M.

Rev. Howard Marcom, who has been pastor of First United Methodist Church here for the past four years, has been assigned to Hamlin. Rev. Oran Smith, pastor of the Oklahoma Lane Methodist Church for five years, is going to Welch-Wellman, replacing Rev. Gene Louder.

Rev. James Putnam, pastor at Lorenzo the past year, is the new pastor at Bovina.

Rev. and Mrs. Putnam are the parents of 10 children, eight boys and two girls. One son is a Methodist

minister, one is attending seminary, three are members of a gospel singing group in Dallas, two are in high school and one son is in junior high. The two girls are in elementary school.

The Putnam family arrived in Bovina last week. Rev. Putnam occupied the pulpit Sunday.

Rev. Harvey Whittenburg of Hartley will replace Rev. Smith at Oklahoma Lane.

Rev. and Mrs. Marcom were in Hamlin last week. During their four years in Bovina, Mrs. Marcom has taught in Bovina Elementary School. They are the parents of four children—a married son and three daughters, Judy, Mary and Linda. Mary, a 1974 graduate of Bovina High School, attends South Plains College in Levelland. Linda will be a junior in high school next year.

IN DEMO RUNOFF

Tarter Wins Bid Over Christian

Less than 25 per cent of the county's qualified voters took part in the Democratic party's second primary last Saturday, June 5, when two men received nomination to the county commissioner's court.

In precinct three, former county judge Archie Tarter won nomination to a spot as a commissioner on the court, and the same as was elected, since there are no Republican candidates for the position.

Tarter defeated longtime Oklahoma Lane party leader Wendol Christian, 246 votes to 175 for a seat on the commission. Christian won his home box with 79.5 per cent of the votes, 93.24, but the Farwell box was carried heavily by Tarter (74.8 per cent), 214 votes to 72. In addition, Tarter led in absentee ballots, 10-8.

A much closer race was staged in Precinct 1, where Ernest Anthony edged Raymond Euler, 238-208 for the Democratic nomination. Anthony still must face Republican Forrest Osborn in the November general election.

In the precinct 1 race, Anthony won Friona's box, 217-179; Euler won at Black, 18-9, and at Lakeview, the two candidates each received 11 votes.

In the two statewide races, county voters went along with the trend in the race for a spot on the Railroad Commission, giving winner Jon Newton even more of a majority than he received statewide.

Local and county voters, apparently remembering the performance of Sadler in his last essay in public office, gave him only 25.2 per cent of their votes, and 74.8 per cent for Newton.

In Bovina, Newton's majority was even more pronounced, as he picked up 39 votes to only eight for Sadler, a whopping 83 per cent for the winner.

Newton won every ballot box in the county except the Rhea box, where Sadler managed to tie him with six votes. The absentees were also tied at seven each. Newton's biggest margin was at Lakeview, 20-2, 90.1 per cent.

County voters differed from those across the state in their choice for the court of criminal appeals. Going mainly on the recommendation of the Texas Criminal Lawyers' Association and endorsements of several newspapers, Parmer voters gave Carl Dally a margin, however slight, 397-337.

Dally won every box except Oklahoma Lane, where the winner, W.T. Phillips, held a 42-34 lead.

The voting was particularly light in the two precincts which were not electing commissioners this year. Just 48 voters turned out in Bovina, which had 326 voters in the first primary.

Only 12 voters voted at Rhea, and 15 at Lazbuddie. All told, just 75 of the 944 county voters casting ballots last Saturday resided in the two

precincts without local races.

The 944 votes compared to 2243 who voted in the first Democratic primary. A total of 323 had voted in the Republican primary, and were eligible to vote Saturday.

other candidates receiving 212 votes. The former judge's margin this time was 71 votes.

Sets Meeting

However, Saturday's turnout was 90 more than voted in the last Democratic runoff in 1968. There were no county races in that particular runoff, but there was a hotly-contested race for governor between Preston Smith and Don Yarborough.

In the Precinct 3 commissioner's race, Christian gained 27 votes from the margin Tarter had posted on May 1. In the first primary, Tarter led by 98 votes, 271-173, with two

The Bovina Medical Center board will meet Monday, June 14 at 7:30 p.m. for the purpose of electing two new directors. The terms of Rouel Barron and Dan Koelzer are expiring.

The public is urged to attend and bring their nominations for directors. Everyone living in the Bovina area is eligible to vote. The election will be held the second Monday in July.

FOURTH ANNUAL

CowBelles Seek "Father Of Year"

The Bovina CowBelles are seeking Bovina's "Father of the Year."

For the fourth consecutive year, the local CowBelle organization is sponsoring a "Father of the Year" contest and asking residents of Bovina to pick the winner.

Local organizations have nominated their choice for the honor with this year's winner slated to receive a roast of beef and a copper bell, fashioned after the CowBelle insignia, which will be inscribed with his name and "1976 Bovina Father of the Year."

Nominees for the 1976 honor are Don Spring, Lions Club; Rouel Barron, Woman's Study Club and Roping Club; Billy Whitecotton,

Bovina High School Student Council; Dickie Clayton, Bovina Jaycees, and George Powell, Bovina Chamber of Commerce.

Readers are invited to vote for their choice, tear off the ballot and mail to Mrs. M.H. Carson, Box 327, Bovina. Those voting are asked to sign their ballot and vote only once.

Voting boxes and a supply of ballots will be placed at Bovina Supermarket and Don's Medicine Chest.

Deadline for voting will be 5 p.m. Saturday, June 19.

Previous winners in the "Father of the Year," contest include Dan Koelzer in 1973; Wilbur Charles in 1974 and Kenneth Cary in 1975.

Reflections

From *The Blade*

20 YEARS AGO—JUNE 6, 1956
Farrell Motor Company will open Monday of next week in the building formerly occupied by Adams and Brookfield Drilling Company on Highway 60. Arlin Farrell, formerly of Amarillo, is owner of the new business. The company will employ two mechanics and do repair work on automobiles, trucks and irrigation engines.

In a regular meeting in the city hall Monday night, Bovina's city commission discussed making plans for paving in Bovina and the curbing and guttering that will begin on Highway 60 in Bovina next week.

15 YEARS AGO—JUNE 7, 1961
Rev. Davis B. Edens, pastor of Bovina Methodist Church for the past three years, is moving this week to assume pastorate of First Methodist Church in Wellington. He will be replaced here by Rev. Harold Morris, who is moving here from Coahoma, which is near Big Spring.

10 YEARS AGO—JUNE 8, 1966
By a margin of just less than 2-1,

Wilbur Charles was winner of the Democratic nomination for Justice of the Peace of Parmer County, Precinct 3, over Lucille Killough, the incumbent, in Saturday's second primary election. Total vote count was 272 for Charles and 152 for Mrs. Killough.

"Just what the farmer ordered." That is an appropriate description of the kind of rain which fell here Tuesday and Wednesday nights of last week. The overall total for both nights in the Bovina area was 2.25 inches, with approximately half falling each of the nights.

5 YEARS AGO—JUNE 9, 1971
Controlling interest and the presidency of First State Bank of Bovina changed hands yesterday. Jack L. Kassahn of Brownwood, a native of Hereford, purchased controlling interest in the bank from Bob Estes of Bovina and Bob McLean of Dimmitt, and was named to the presidency succeeding Estes, at a directors' meeting Tuesday at noon.

Memories of Parmer County's history were revived Sunday afternoon at the dedication of a state historical marker at Parmerton. The Parmerton site is now part of the farm owned by I.W. Quicquel of Bovina.

Friona Company Has Dividend

The board of directors of Friona Industries, Inc., has declared a quarterly cash dividend of five cents per share on its common stock. The dividend is payable August 4, 1976, to shareholders of record as of July 16, 1976.

Panhandle Pilgrimage

24 Attend Breakfast

Bovina men representing various local churches attended Monday morning's breakfast hosted this month by laymen of the First United Methodist Church.

The program began at 6:30 a.m. with a prayer circle, followed by a breakfast of bacon, eggs and hot biscuits and jam.

A short talk given with scripture reference by Jimmy Ware, a Methodist layman visitor, on the subject of Christian fathers setting examples of church participation for their families.

An introduction of the new Methodist pastor, Rev. James Putnam, and a reminder of the July 5 Prayer Breakfast to be hosted by St. Ann's Catholic laymen concluded the event.

Baptist pastor, Rev. Derrel Lewis closed the meeting with a prayer.

Nosema Locustae is not an Italian film star. It is the proper and scientific term for a parasite which causes a fatal disease . . . one that's good news. Good because the only victim is one of agriculture's top enemies, the grasshopper. Underway right now, the testing of the effectiveness of the parasite is the largest of its kind in history. Nearly 100 thousand acres of crops are involved and results will be reported over a three year period. Basically, the idea of the program is to have grasshoppers eat wheat bran which has been treated with Nosema Locustae and sprayed over infested crops. Once ingested by the 'hopper the parasites multiply and eventually kill the grasshopper. Scientists are enthusiastic because it could mean effective control without the use of expensive poisons. Initial testing indicated as many as 90 percent of the grasshoppers coming in contact with the parasite were eliminated.

Autograph Party To Honor Robertsons

A Panhandle-wide autograph party will honor R.L. and Pauline Durrett Robertson of Amarillo, on Sunday, June 13, from 2 to 5 p.m. in the East Sunburst Room of the Quality Inn, 2915 Interstate 40 East in Amarillo. The Robertsons will be autographing their new book "Panhandle Pilgrimage: Illustrated Tales Tracing History in the Texas Panhandle."

To commemorate our Panhandle's Centennial, the Robertsons have spent the last 3 years researching and writing the book that honors the pioneers, settlers and events of the top 26 counties of the Texas Panhandle. It is published by Staked Plains Press of Canyon to coincide with America's Bicenten-

nial and the Panhandle's Centennial. Panhandle Pen Women and Amarillo Photographic Society are hosting the autograph party and extend an invitation to attend to everyone in the Panhandle—and especially to those whose families pioneered the top 26 counties.

RECEPTION SET....A 40th wedding anniversary reception for Mr. and Mrs. Charles W. Gibson of the Hub Community has been scheduled for Sunday, June 13 from 2 to 5 p.m. in the home of their daughter and son-in-law, Mr. and Mrs. Gerald Norton of Farwell, Texas. The other two children of the couple will assist with the reception. They are Charles

W. Gibson, Jr. of Davao City, Philippines and Tony Gibson of Amarillo. The Gibsons were married June 15, 1936 in Lubbock. Mr. and Mrs. H.C. Nickels of Littlefield, relatives of the couple, will attend the reception. They were present at the couple's wedding ceremony.

New Personality To Direct Drama

The annual Friona Summer Drama Workshop, sponsored by the Friona Fine Arts Council, will be held July 12-24, it was announced this week.

Conducting the workshop this summer will be Phil Weyland, a veteran professional actor and director who also has served in the educational theatre field as well.

Weyland served four years as director of the Lubbock Theatre Centre's Children's Theatre, and as technical director of the Lubbock Theatre Centre and Texas Tech Music Theatre.

For five years he was a member of the staff of the annual Texas Tech University High School Theatre Workshop, the last three years as guest director and acting instructor.

Charge for the workshop will be \$15 per individual, \$25 for two and \$30 for a family group. Minimum age will be 13. Registration blanks may be picked up at Betsy Cook's residence at 1116 Etta or Deke Kendrick's residence, 907 West Fifth.

Everyone interested in participating must fill out and return blanks by July 9. Fees may be paid at that time, or on the first day of the workshop.

Weyland plans to work up two shows during the two-week period, "You're A Good Man, Charlie Brown," and "A Funny Thing Happened on the Way to the Forum."

Both shows will be presented in the matinee and evening perfor-

mances on the final day of the workshop. All students who are interested in music and drama are invited to attend the workshop.

Sessions will be held at the high school. Anyone who has old white sheets they could donate for costumes are asked to call Betsy Cook at 247-3730 or take them by her home.

Tickets On Sale For Lazbuddie Anniversary

Time is drawing nearer for the Lazbuddie School 50th Anniversary and Reunion, Saturday and Sunday, June 19 and 20.

The weekend agenda begins Saturday at 1 p.m. with registration at the school. An arts and crafts show and sale will be held, plus visiting, refreshments and a display of pictures and school yearbooks during the afternoon.

Beginning at 4 p.m. through 10:30, the Exes Volleyball Tournament will be held. A domino hall and concession stand will also be open.

Sunday beginning at 11:30 a.m., a barbecue dinner catered by the XIT Steak House in Muleshoe will be served in the cafeteria. The program will begin at 2 p.m. in the

auditorium.

Many tickets are still available and everyone is asked to purchase their tickets early. Admission is \$3 for adults and \$3 for children 12 and under.

For tickets, contact Mrs. Harrol Redwine, Rt. 1, Friona, 965-2247; Mrs. Frank Hinkson, Rt. 1, Friona, 965-2960 or Mrs. Darrell Mason, Route 3, Muleshoe, 965-2953.

Letters have been mailed to out-of-town exes only, no letters mailed locally. "We encourage everyone to attend-Exes, previous teachers, administrators, and other school personnel. We invite everyone in the community whether you are an ex or not to come out and help make this a successful and enjoyable event," said a spokesman for the anniversary event.

Three Get Degrees From West Texas State

Three Bovina residents were among 975 students receiving their degrees at commencement exercises conducted by West Texas State University on May 15.

Graduates from Bovina were Tommy Keith Bonds, who received a bachelor of science degree in biology; Barbara K. Charles, who received a bachelor of science in elementary education; and English; and Gladys D. Spring, who earned a bachelor of science in elementary education.

Presenting the address to a capacity audience of more than 5,000 was Wayne Thomas. Hereford attorney, who spoke on "West Texas-A People, A Land, A University."

Thomas told the WTSU graduates that "As educated citizens, you are the most valuable resource of this institution, of this region, of this state and this nation."

"West Texas State University graduates leave their alma mater ready to earn a living as well as live an enriched life," he concluded.

ELSA FLORES and FRANK GALVAN, JR.....Mr. and Mrs. Mike Flores announce the engagement and approaching marriage of their daughter, Elsa, to Frank Galvan, Jr., son of Mr. and Mrs. Frank Galvan, Sr. of Texico, N.M. The wedding will take place July 2 at

2:30 p.m. at St. Ann's Catholic Church. A reception will be held following the ceremony at the Parish Hall, to which the public is invited. Miss Flores is a 1975 graduate of Bovina High School, and Galvan is a 1970 graduate of Farwell High School.

Martha Ann Briggs, Mike Gee United In Garden Ceremony

Martha Ann Briggs of Amarillo became the bride of Michael Wayne Gee of Washington, Indiana, on Saturday, June 5.

The double ring ceremony was performed by Rev. Danny Lucas in the garden of Mrs. Horace Wilson, 600 Avondale, Amarillo.

The bride's parents are Mr. and Mrs. Clay Briggs of Amarillo. The groom's parents are Mr. and Mrs. John Gee of Bovina.

The garden was decorated with an archway of greenery and mixed flowers. Red, pink and white geraniums were placed around the yard. A silk flower arrangement was placed on the reception table.

The musical program was presented by Mike Dennis, guitarist, Renita McGloffin, flutist and Mrs. Mike Dennis, soloist. They presented the processional—"Starting

Here, Starting Now," "Wedding Song" during the service and "We've Only Just Begun."

An oral reading was presented by Jay Kirkman, III of Amarillo.

Mary Briggs of Amarillo, sister of the bride was maid of honor.

Bridesmaids were Mrs. Robert Briggs of Amarillo, sister-in-law of the bride, Kitty Ior and Becky Cameron, both of Amarillo, and Lynae Olson of Ft. Worth.

John Gee of Bovina served his son as best man.

Groomsmen were Bill McCormick of Snyder, brother-in-law of the groom; Charles Gee of Mesquite, Texas, brother of the groom; Jerry Gee of Phoenix, Arizona, brother of the groom; and Robert Briggs of Amarillo, brother of the bride.

Serving as ushers were Don Richmond of Big Lake, Texas, Ron Nuttall of Bovina, and Gary Velasquez and Bryan Long, both of Amarillo.

Jeff Henderson of Odessa, nephew of the groom and Susan Bynum of Amarillo, were ring bearers.

Brooke Bynum of Amarillo, served as flower girl. Susan and Brooke Bynum are daughters of State Rep. and Mrs. Ben Bynum of Amarillo.

The reception was held on the

patio terrace of the home. Greenery surrounded the cake. The white cake was decorated with blue flowers. The three tiers were accented with four smaller satellite cakes. Finger sandwiches, a relish tray and dip decorated the table. A mixed silk flower arrangement accented the table setting.

The couple will make their home in Washington, Indiana following a wedding trip to Arlington and New Orleans.

The bride is a May graduate of Texas Tech University where she was a member of Phi Upsilon Omicron, a home economics fraternity and the American Dietetic Association.

The groom was a 1974 graduate of West Texas State University Aquatic Program. He was director of Daviess Co. YMCA in Washington Indiana and Rotary International.

FOR SO MANY PEOPLE

**Increase corn
grain yields up to
10% with SPARK.™**

Your Helena dealer has an exciting new way to help you increase corn yields up to 10%! SPARK GROWTH STIMULANT for corn, a combination of dinoseb plus surfactant, used as an over-all post-emergence spray on corn has the UNIVERSITY PROVEN POTENTIAL OF INCREASING GRAIN PRODUCTION BY 5% — 10%. Here is how SPARK helps promote bigger yields: —Enhances corn growth —Silks emerge about 2 days sooner —Tassels emerge about 2 days sooner. This means a longer pollination period and a tendency to get away from corn that does not fill all the way out to the end. Enhanced growth, longer pollination, fewer barren stalks, more complete ear-filling. They all add up to big potential production increases and profit.

...AND PROVEN IN THE FIELD.

Farmers who have tried SPARK say: "I'll never plant another acre without SPARK." Ralph Russell—Michigan. "I got 8 bushels per acre increase...didn't have as many barren stalks, ears were filled out better." Everett Curtner, farmer and bank president, Union City,

Indiana. "We returned \$19 per acre on a \$5 investment...at least a 7-bushel increase. SPARK could mean the difference between a new piece of machinery this year and next year. I'll spray ALL my corn in 1976." Otto Werner, Hanna, Indiana. TIMING... IT'S ESSENTIAL: The most important factor in SPARK application is timing. Look to apply SPARK when corn is in the 6-leaf stage, about 2-4 weeks before tassel emergence when corn is about knee-high. Get into the field, split some stalks, and find the unemerged tassel in length. The best time to apply is when the unemerged tassel elongates from 1" to about 7" in length. SPARK. PRODUCED WITH THE HELENA GUARANTEE OF QUALITY. Every can of SPARK is lab-tested for consistency and produced under the most careful quality control. When you buy SPARK, you buy the best. Ask your Helena dealer about SPARK, the corn growth stimulant that is leading the way to bigger yields and bigger profits for you.

For more information, contact Helena Chemical Company, South 385 Hereford, Texas. Phone 364-3733. Spark has been registered for use in Texas, Kansas, Nebraska and Oklahoma.

Outdoor Cooking is Flameless and Clean with an Electric Grill

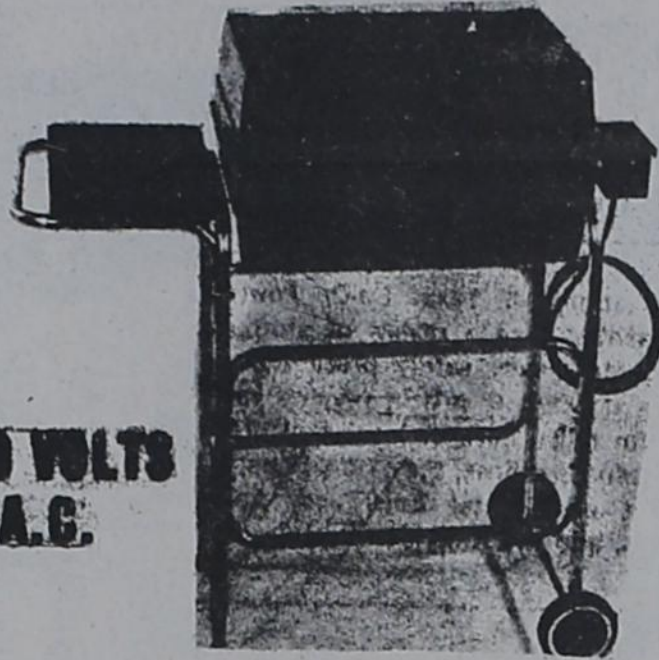

An electric grill eliminates the need for charcoal, flame starters, and smoky fires. You enjoy the charred flavor of grilled steaks and hamburgers without the charcoal chores "mess."

Char-O is mounted on an aluminum carriage which allows it to be moved anywhere there is an outlet. It can also be converted to a table top grill. The multi-position heat control, char-rock, and heavy duty chrome plated grid, make this grill a must for every back yard.

REC Announces New Rate Hike Details

Effective July 27, members of Deaf Smith Electric Cooperative will have their electric bill computed under a new rate schedule.

"In these days of steadily rising costs, Deaf Smith Electric Cooperative is fortunate to wait this long before announcing a rate increase," stated Board President, Sloan Osborn.

This increase consists of an overall increase of roughly 13 per cent in revenue. This does not indicate the member's total bill will jump by 13 per cent but only that the Cooperative's base rate will increase by this amount on the average.

The fuel adjustment charge, which is calculated in addition to the base rate, is not under the control of the management, staff or Board of Directors. This is simply a pass-through of fuel charges from the cooperative's wholesale power supplier. The Cooperative, nor our power supplier derive any revenue that can be applied toward

the operation of the Cooperative from this portion of the bill.

"In an effort to cope with rising costs, as well as stay abreast in the midst of the massive trends toward more electric loads, the Board of Directors feels the increase is necessary in order to maintain present levels of equity," Osborn said.

Although these new loads increased the Cooperative's electric revenue, they also required a tremendous expenditure in new transmission lines, new and larger substations, new tie-lines, and three-phase distribution lines.

In order to provide adequate service in the Nazareth and Dimmitt area, a new substation, as well as nine miles of 69KV transmission line is being constructed at an approximate cost of \$245,000.00.

New irrigation loads throughout Deaf Smith, Parmer and Castro Counties have made it necessary to recently build 31 miles of

69KV transmission line and two substations at a cost of \$580,000.00.

These two projects alone cost approximately \$825,000.00, which does not include the cost of three-phase line to carry power from the substation to the new loads.

This rate increase is being implemented now, in order to save the member added expense and delay under the guidelines of the new Public Utility Commission of Texas.

Although the total increase amounts to roughly 13 per cent, the individual increases vary, depending on the rate schedule used. Because the winter irrigation rate was eliminated, electric irrigation cost to the member in the months of October through March will increase approximately 50 per cent.

However, the winter months comprise only 27 per cent of KWH sales to irrigation and 17 per cent of total revenue derived from irrigation. Therefore, the

combined summer and winter affect is about a 20 per cent increase in cost to irrigation.

When considering only summer usage, cost for irrigation will increase only about 11 per cent. In addition, the annual minimum will be increased from \$6.00 to \$9.00 per horsepower for irrigation services.

The farm and home rate which includes over 50 per cent of the Cooperative's meters, will see only an eight per cent increase. The monthly minimum will however, be raised from \$2.50 to \$4.00. This small percentage increase, as compared to irrigation is in an effort to more closely equate cost of service for various consumers to the revenue received.

"She puts all her cares in the Lord's hands — which leaves her free to concentrate her time on bridge!"

WHY BE ANXIOUS?

The word faith occurs 229 times in the English version of the New Testament. An article denoting my faith, your faith, occurs 11 times. One form of the word occurs 4 times and its exclusive use by our Lord warrants our attention. The expression is "Oh, ye of little faith."

The first use of the word explains the cause of anxiety and worry. (Mt. 6:31) Jesus said, "Take no thought." In 1811 it meant to be overly anxious. Paul dwelt with the problem too. He said, "Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your request be known to God." (Phil. 4:6).

This teaching is universally needed because there is evidence of it wherever you go. It is found among the rich, poor, young, old, the ignorant and the educated. We worry over what we have and what we do not have. WORRY IS

USELESS. WORRY KILLS. WORRY IS AN INSULT TO THE PROVIDENTIAL CARE OF THE HEAVENLY FATHER.

How did Jesus deal with it here. He ask the question, "Is not life more than food and clothing?" (Matt. 6). These are not an end, but they are a means to an end. He said, "Behold the lilies of the field and the fowls of the air." If God provides for the lily and the birds without labor how much more will he provide for those who labor. A living divine personality, not a dumb idol, watches over his own. Christians, don't take life and face it in an anxious spirit. Why fret over a tomorrow you may not see? Tomorrow will bring tomorrow's God. Will he be less wise? Less powerful? Less loving? Seek first the kingdom and all will be well.

Chuck's, Big Nick-Horn Lead Little League

Bovina's Little League Boys' Baseball Program is in full swing, with games being played in both the minor and major leagues.

Action began on Thursday, May 20, when the Blade and Sherrill-Bonds met in the first minor league game of the year and the Blade narrowly squeezed out a victory with a 5-4 score. Mike Morris and J. Villarreal of the Blade accounted for four of their team's five runs, all of which came in the late innings.

Chuck's Spraying took their first win of the year by defeating Isaac's 10-2 on Friday evening. Chuck's Michael Shepherd pitched the win for his team and also scored two runs. Jessie Lumbra had a base hit for the losers.

On Monday, May 24, Chuck's brought their record to 2-0 by taking an 11-5 win over the Blade. Bernard Koelzer picked up the win for Chuck's Spraying Service and he was backed up pretty well also as teammates Mario Espinoza and Michael Shepherd each had hits, including a second inning home run by Shepherd. The May 25 game between Isaac's and Sherrill-Bonds wasn't played.

Isaac's evened their record at one win, one loss on Monday, May 31 as they came up with an 8-7 victory over the Blade. Lupe DeLaRosa pitched the win for Isaac's.

On June 1, league-leading Chuck's Spraying Service met Sherrill-Bonds and took an 11-1 win over their

opponents. Michael Shepherd was credited with the win as he pitched a fine game despite Kyle Jameson's first inning triple, which provided Sherrill-Bonds with their only run of the game.

After three full innings of play on June 3 between Sherrill-Bonds and Chuck's Spraying Service, play was halted because of time. The score after three innings was 8-8.

Then on June 4, Isaac's moved into second place with a 12-2 win over the Blade. Lupe DeLaRosa picked up his second win of the year for Isaac's.

Action in the Major League continued this week as First State Bank-Lawlis Gin met Chemical Enterprise-Bovina Gin. Bovina Gin won the game 12-9. Don Paul Spring, Greg McClaran, Dale Gilbreath all got hits. Francisco Gonzales and Joe Wright hit for the losers.

Friday, May 21, saw Big Nick-Horn trounce Riverside 14-1. Ricky Shepherd hurled the win for Big Nick-Horn and also scored three runs. J. Steelman and Raymond Rocha drove in one run each to help the winning effort.

In a very close game played May 24, Riverside Chemical escaped with a 6-5 win over First State Bank-Lawlis Gin. Richard Shepherd scored the winning run for Riverside

teammate Victor Robledo pitched a fine game, holding Bank-Lawlis to just three hits.

Big Nick-Horn Insurance moved into first place in the Major League division with a 20-7 victory over Bovina Gin-Chemical Enterprises. Ricky Shepherd was the winning pitcher for Big Nick-Horn and E. Chisom socked out three hits including one homer.

On June 4, Big Nick-Horn continued in their winning ways by taking a 22-5 win over First State Bank-Lawlis.

Ricky Shepherd pitched a good game for Big Nick with excellent fielders backing him up. In other games Riverside whipped Bovina Gin-Chemical Enterprises 15-4, with Victor Robledo picking up the win.

Big Nick-Horn Insurance captured their fourth win of the year against no losses on June 4, when they took a 15-1 decision over First State Bank-Lawlis Gin. Edward Chisom was the winning pitcher in the contest.

In a make-up game played on June 5, Riverside Chemical defeated Bovina Gin-Chemical Enterprises 20-15 and moved into second place in the standings. Richard Shepherd and Robert Robledo hit the ball well along with Espinoza who socked a fifth inning homer.

The word panic comes from the Greek god Pan, because sounds heard by night in the wilderness, which give rise to sudden and groundless fear, are attributed to him.

A tempting offer on a gas grill.

Right now, we're making you a tempting offer on gas grills with twin burners! Independently controlled twin burners never use more gas than you need. For big meals, use both burners. For smaller meals, save gas and money by using one burner and half the grill. A gas grill adds a new dimension to family meals and entertaining. It eliminates the fuss and bother of cooking outside while it keeps the flavor and the fun. And, because you take cooking heat out of the house and the burden off your air conditioning, you save energy, too.

Buy one of these grills before August 1, 1976, and save.
