Bank Deposits, Loans Steadily Increase

around Muleshoe

Muleshoe High School's senior class will present a pre-game spaghetti supper on Friday, November 3, prior to the Muleshoe-Friona game.

Tickets for adults will be \$5 and children under the age of 12 can eat for \$3.

For carry-out orders between 5-7 p.m., call 272-4360. Serving hours at the high school cafeteria will be 5-7:30 p.m.

Sponsors and mothers of the junior class will have a meeting on Wednesday, November 1, at 5:30 p.m. in the high school homemaking department to complete and update plans for the pre-game supper.

Members of the Board of Trustees of the Muleshoe Independent School District will meet at 9 a.m. Tuesday, October 31, in special session to consider two items.

One item will be the approval of a bid for electrical work at high school; the second item is to take action on maximum class size concerns.

Watson Junior High School's Educator of the Week is Barbara Mutschler, seventh grade Texas history teacher.

Principal awards went to students: Dacia Stewart, sixth grade; Pete Bond, seventh grade and Kristin Holmans, eighth grade.

Lazbuddie 7-0 As Junior High Beats Three Way

Riding high on a 7-0 season record now, the Lazbuddie junior high school football team downed Three Way 47-20 Thursday night.

Coach Mark Scisson said Jon Colby Miller started out the Longhorn scoring in the first with a 35 yard gallop to paydirt. Chris Cozby did the honors with extra points.

This was followed by Jonas Hernandez, who made a 25 yard punt return to the end zone. The PAT failed.

Closing out scoring in the first, Chris Cozby punched through from the six yard line, and again the PAT was no good.

In the second half, Chris Cozby made two more touchdowns for the young Longhorns. Cont. Page 8, Col. 1

The Mules lost 49-0 to the powerful Tulia team on Tulia's turf Friday night. The Mules are now 0-3 in district action. They will host the Friona Chieftains next Friday night. (Journal Photo)

Commissioners Conduct Auction, Name New Ambulance Director

Immediately after reading the minutes of the previous county commissioners' court Friday morning, the court moved to the south side of the building to hold an auction.

Capably leading the auction were R. L. Scott and his son, Ronald, who auctioned off surplus county items.

The major purchase was by the Muleshoe Area Hospital District, represented by MAHD Secretary Bob Finney, who bought an ambulance, which MAHD in turn, will provide to the Lazbuddie EMS and Lazbuddie Fire Department to keep in that community.

A number of people were on hand to bid on such things as tools, typewriters, pickup trucks and other items.

Returning to the commissioners meeting room, bids were opened for a new motor grader for Precinct One. After going over the two bids received, from Yellowhouse Equipment and West Texas Equipment, commissioners approved the bid from West Texas Equipment. Although Yellowhouse submitted a bid for \$75,000, the \$75,445 bid from West Texas Equipment was accepted because it included a maintenance contract for up to five years or 5,000 hours.

Interim Bailey County Ambulance Service director Jim Fitzgerald gave a monthly ambulance report.

He said for the month of September, the Bailey County EMS billed \$5,955.75 and to date in October, had made 30 runs.

Current accounts receivable at the Bailey County EMS are \$42,799.26, with Fitzgerald adding that the amount is far too much, but much of that amount is in older, and what may be, mostly uncollectable accounts.

Fitzgerald suggested an immediate change in how billing is

Three Way Falls Hard To Lazbuddie

When the Lazbuddie Longhorns traveled to Three Way Friday night to take on the Eagles, it was back to the school where Coach Williams had his first experience coaching 6-man football.

His Longhorns were to tangle with the Eagles, coached by Greg Jeffcoat, who was assistant coach to Williams when he was at Three Way.

By the end of the game, it was Lazbuddie Longhorns 62 - Three Way Eagles 14.

Overpowered by the bigger, larger team, the Eagles could not get their offense going, and turnovers proved to be costly for the team.

Scoring for the Three Way Eagles were Efrain Guillen on a 40-yard pass from Mario Guillen, with the PAT failing.

Then Mario Guillen raced into the end zone from eight yards out, with Efrain Guillen adding the extra points.

The game made it a 6-2 overall season for Three Way, and they now stand 1-2 in district action.

Mario Guillen had 179 yards on 25 carries, and one TD; and Jesse Haros carried twice for 15 yards.

In passing, the Eagles completed 11-18 for 147 yards and one TD. Receivers were Pete Haros, 5-44 yards; Efrain Guillen had 2-69 yards and one TD; Efrain was 2-69 yards; Jesse Haros, 1-20 yards and Sammy Belez, 1-24 yards.

Defensively, Efrain Guillen had 12 tackles; Mario Guillen, 10; Junior Suarez, eight; Larry Robertson, seven and Sammy Belez and Jesse Haros, each had five tackles.

To wind up the season, the Eagles will be playing out of the community. Next Friday night, they will travel to Amherst.

handled, suggesting that the EMS bill insurance companies, Medicaid and Medicare, and send an itemized statement to the patient or patient's family so they can see exactly what was billed to their insurance carrier.

He also said Medicare billing is current, with \$6,000 billed to Medicare as of the past Monday.

He said some Medicare payments are not current, and Jackey Wayne Burris, who is assistant ambulance director, is calling Medicare to check on the status of the payments.

In answer to a question from Commissioner Joey Kindle about what do they do about people who have no insurance, and have used the ambulance, Fitzgerald told him a number of these people have been contacted, and are currently making payments. Cont. Page 8, Col. 1

Nurse Janie Moynihan Gets Special Recognition

Janie Moynihan, R.N., and nurse at DeShazo Elementary School, is also very involved with the Bailey County Chapter of the American Heart Association.

She became one of 35 persons in the state to receive a very prestigious award from the American Heart Association.

Her plaque read - "Distinguished Service Award - In recognition of exemplary volunteer service in the continuing battle against cardiovascular disease and stroke."

"A 1989 Research Grant has been named in your honor."

According to a letter Mrs. Moynihan received from Randy Pennington, chairman of the awards subcommittee of the American Heart Association - "As a recipient of this prestigious award, a research grant has been named in your honor. It is entitled Cardiac Function and Metabolism at Arrest in Immature Pigs, and the researcher is Larry S. Jefferson, M.D. He has been notified of your award and began work on this project July 1."

Dr. Jefferson reported, "The causes of cardiac arrest in children are different from the causes of cardiac arrest in adults. While most adults have a cardiac arrest secondary to heart disease, children usually have a preceding respiratory problem that compromises the heart to such an extent that cardiac arrest

With the consolidation of the Citizens Bank of Earth with First State Bank of Dimmitt, both deposits and loans show a 'hefty' increase for the area for the past year.

Combined totals for deposits at the end of September, 1989 were \$285,734,355, up \$53,339,047 from the \$232,395,308 reported on deposit at the banks this time last year.

During the same period, another large increase is reflected in loans. Total loans closing out September, 1988, were \$115,066,095, increasing by a total of \$46,019,167 to the September, 1989 report of \$161,085,262.

For the two local banks, deposits on September 30, 1989 were \$76,314,000, up \$358,000 from the \$75,956,000 at the same time a year ago. First Bank's totals are combined with First Bank of Bovina.

Lazbuddie EMS Plans Chili Supper For Ambulance

In an effort to raise funds to equip an ambulance expected to be provided the Lazbuddie EMS and Volunteer Fire Department, a special supper and auction will be held on Friday, November 3.

Connie Barnes, president of the Lazbuddie EMS, said a chili supper will precede the Lazbuddie-Bovina football game.

On the menu for the special supper will be chili, beans, crackers, cobbler, tea and coffee.

Following the game, desserts will be auctioned off to help raise money for the EMS and fire department.

Serving hours will be 5:30-7:30 p.m., and following the football game.

Prices will be \$5 for adults and \$2.50 for children under the age of 10 years.

Make your plans to attend, as the equipment for the ambulance will be costly.

Loans for the two banks increased by \$1,783,000 during the past year. Loans were shown to be \$47,425,000 at the end of September this year, and on September 30 last year were \$45,642,000.

First Bank of Muleshoe, combined with First Bank of Bovina, showed deposits of \$44,400,000 ending September, 1989, an increase of \$14,000 over the \$44,386,000 shown for the same time a year ago.

Loans at the banks also increased by nearly \$3 million.

Loans were \$22,129,000 on September 30 last year, and increased by \$2,970,000 to \$25,099,000 at the same time this year.

Muleshoe State Bank shows an increase in deposits, but a decrease in loans during the past year.

Deposits were increased by some \$344,000 during the past year. On September 30, 1988, deposits at Muleshoe State Bank were \$31,914,000 and on the same date last year, were 31,570,000.

Loans at the bank show \$23,513,000 at the end of September last year, and were decreased by \$1,187,000 to the \$22,326,000 shown on September 30 this year.

'Fall Back' DST Ending Until April

It's that time of the year for Daylight Savings Time to end, and it will today, Sunday, October 29.

In fact, if you didn't set your clocks 'back' one hour before retiring, as the official time change was 2 a.m., you got up an hour early this morning.

Most states observe the Daylight Savings Time rule, and on the first Sunday in April, had "Sprung Forward" an hour.

DST returns to the nation on Sunday, April 1, 1990.

Tulia Roams Over Mules; Take 49-0 District Win

Powerful Tulia overwhelmed the Mules on Tulia's home turf Friday night, and took a 49-0 victory over the Mules.

Although the Mules took the opening kickoff, they failed to move the ball and after four plays, including a penalty play on a Hornet clipping, did not make a first down.

On their first possession of the ball, it took the Hornets six plays to punch the ball into the end zone, with 7:19 left in the first quarter. The PAT was good.

In their next possession, the Mules made a first down after two plays, but a couple of plays later, fumbled the ball away to the Hornets.

Tulia came right back and with 3:24 left in the first, scored on a 26 yard pass, with the PAT kick successful.

The Mules failed once again to move the ball on their next possession, and Tulia took over from a Mule punt.

At :18 of the first, they again scored on a 34 yard pass, with the kick good, and at the end of the first quarter, it was 21-0 for the Hornets.

Tulia added more points in the second quarter, scoring on a 27 yarder at 8:48 of the second, and again with 6:58 left in the quarter, both times the extra point kick was successful.

At halftime, the score was Tulia 35-Muleshoe 0.

Coming back in the third, the Mules still had a case of 'fumblyitis' and set up Tulia's next TD after fumbling the ball away. Tulia scored from one yard out at 8:15 of the third.

**Local Fire Fighters
Push Proposition 17**

(Editor's note: J. O. Parker, captain with the Muleshoe Fire Department brought the following information to *The Journal*. The information was written by Don Comedy, publisher of the *Haskell Free Press*, and also a firefighter.)

"Fires cost Texas 322 lives and almost \$5 hundred million in property damage in 1987 and although no firm numbers are available, everyone associated with the fire service agrees that both numbers could be substantially reduced if a combination of more training and better equipment was available to the 53,000 plus firefighters across the state.

Texas voters have a chance November 7 to take a giant step in solving the problem when they vote on Proposition No. 17. Approval of the Constitutional amendment will create a board which will oversee a special emergency fund created by the 71st Legislature to train and equip fire departments. The bill approved by the House of Representatives, Senate and signed by the Governor was the first positive step in several decades addressing a growing problem.

The legislation was passed and funding approved without any increase in taxes or fees. Now, it's up to the voters of Texas to decide the importance of the issue.

Too often as we go to the polls to vote on referendums or constitutional amendments, if we don't completely understand, we vote against the particular item. Often times that is a correct decision since the proposal may serve only a special interest

group. In the case of Proposition No. 17 every man, woman and child in Texas will be served by a group of over 53,000 men and women, both paid and volunteer, from fire departments large and small whose only special interest is saving lives and property, often times at the risk of their own lives.

Certainly we owe them our vote of support in their attempts to protect us.

Vote FOR Proposition No. 17.

The following personal letter was provided with the information reproduced above:

We appreciate your help in getting this information to the voters.

**Cub Scouts
News**

Cub Scout Den 3 met at the Boy Scout Hut in Muleshoe on Sunday, Oct. 22. They traveled with their leader, Terie Snell, to Ken Russell's home located near Lazbuddie. When they arrived, Ken spoke to the second grade boys about the 2-way radio, also called the short wave radio. The boys were very interested in every word they heard about the radio. According to Betty Griswold, Cubmaster, who also attended the outing with the Cub Scouts, they had a ball.

Ken asked that each boy take a turn in sitting in his airplane. "This put those boys 'on Top of the World'". Then to top off the

afternoon they were able to "tune in" a group of Cub Scouts in Valley Jo, Calif. Each boy took his turn in speaking on the radio to another Cub Scout in Valley Jo. Betty Griswold spoke to the leader of the Cubs there in California. The Cubs in California got a map to locate Muleshoe, Texas.

After an exciting afternoon, the Cubs went back to the Scout Hut in Muleshoe for refreshments provided by Eric Posadas.

Those attending were Laramie Wood, Christopher Otwell, Bret Clemments, Jefery Snell, Timothy Madrid, Chris Vaughn, Eric Posadas, Chris Whalin, Christopher Kennemer, Gary Jones, Julio Flores, Jr., Jose Flores, Terie Snell and Cubmaster, Betty Griswold. Parents attending were Hector Posadas and Mr. Whalin.

SCAC Meets At Leals'

The Student Community Action Club met October 17 at Leal's Restaurant. The meeting was called to order by Brett Pylant, and Kim Harris opened the meeting with a prayer. Tricia Underwood read the minutes and Amy Montgomery gave the treasurer's report. Amber Green and Kim Harris reported on the October Heritage foundation meeting. The Heritage Foundation asked SCAC to assist them with their membership drive. Brett Pylant, Stephanie Cox, Amy Montgomery, Kendra Wilson, Stacy Stroud, and Ad Godinez were designated to take care of this matter.

Plans for the bake sale were again discussed. Tessa Akens, Amber Green, Kim Harris, Shonda Strahan and Stacy Coker volunteered to head this committee. The October Citizen of the Month, Mrs. Marie Bradley was unable to attend the meeting. She was presented her

corsage at the Muleshoe Church of Christ immediately following the meeting.

The floor was then opened to discuss new business. Amy Montgomery proposed that the club participate in the "Adopt a Highway" program. Amy Montgomery and Tricia Underwood will report on this at the November meeting. Brett Pylant discussed the possibility of using a trailer for Christmas caroling. It was also added that the members might donate canned foods and toys to the ambulance service this Christmas.

The next meeting will be on the third Thursday of November at the Depot at 7:30. Michele Holmans, Kendra Wilson, and Stephanie Cox will be in charge of the refreshments. Amber Green then adjourned the meeting.

The Muleshoe City Police Department in conjunction with the Bailey County Sheriff's Office are enforcing the new tough drug laws. And if they catch you with drugs, they're taking you to jail. You then face felony charges, a prison sentence and stiff financial penalties. All of which means drugs are no longer the fashionable thing to do.

Ghosts, Goblins To Be Around Tuesday

A very special time for lots of little ghosts and goblins is just around the corner. Halloween is fast approaching and hundreds of our little children will be taking to the neighborhoods for that familiar fun filled, "Trick or Treat".

Major V. J. Cawthon, Region V Commander of the Texas Department of Public Safety, said, "We, as motorists, can prevent many disasters this halloween, if we will take a little more time on our streets and highways remembering that this is a special time for our children." Cawthon stated; "Small children should be accompanied by older children or adults and trick or treating should be confined to those areas that the adults are familiar with. Costumes should be light in color, non-flammable and any type of mask used should not prevent the child from being able to see."

Parents should also instruct their children in traffic safety tips, insuring they look in all directions before crossing streets and to walk, never run. A flashlight carried by the child can serve as a warning to motorists and children should be instructed to use sidewalks, whenever possible.

Motorists should use extra caution in residential areas and be on the look-out for kids darting into the streets from all directions. Remember, they are excited and pre-occupied with trick or treating. Drivers need to be extra alert.

For those of us who wish to participate in this upcoming Halloween evening and receive a visit from that little ghost or goblin, it is a good idea to remember to leave that front porch light on and to insure there are no obstructions on the walkways.

Major Cawthon stated, "If parents and motorists, join together and think, "Safety First", Halloween can be a safe and enjoyable evening for everyone."

Which Cereal?

Consumer Reports, the magazine which tests and reports on various products, has tested breakfast cereals. If you're wondering what cereal to try next, with the new varieties on the market, results might be of interest.

The testers list eight ready-to-eat cereals and nine hot cereals which they found to have more than their calories' share of fiber, high protein content, and little sugar and fat.

The eight ready-to-eats: Nabisco Shredded Wheat, Fiber One, Cheerios, Nutri-Grain,

Relax & Laugh

Modern life has increasing complications, proceeds at a rapid pace. The human body and mind is called upon to adjust itself to a faster and faster tempo.

Bewilderment, as problems require a solution, worry and anxiety over success or failure is common. The steady strain of business, in an effort to acquire more and have every available comfort, adds to the nervous strain. High tension is taking a heavy toll of professional men.

Probably the best antidote for strain is a relaxed sense of humor. There are many things in life one can laugh about whether he wins or loses, succeeds or fails. To do so means a longer life and a better chance to reverse one's errors.

Quaker Puffed Wheat, Shredded Wheat Spoon Size, Uncle Sam and Nabisco Shredded Wheat and Bran. Of these Fiber One and Uncle Sam contain the most fiber, most of it insoluble.

The nine hot cereals rated best are: Wheatena, Quaker Extra, Oat Bran, Quaker Oatmeal, Quaker Oats, Quaker

Oat Bran, Total Oatmeal, H-O Oats'n Fiber, and Quick Quaker Oats.

All of the nine contain three to five grams of fiber per serving, and, other than Wheatena, the fiber is mainly soluble, from oats.

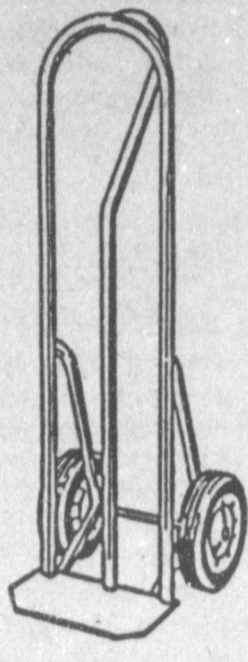

Most families, it's said, have more than one cereal available,

many four or five. And so, if your favorite cereal isn't a top-rated one, vary your choice but include one of the most nutritious regularly.

Jennyslippers Selling Tickets On Pick-up

Several items were on the agenda when the Jennyslippers met at noon Tuesday. Sandi Robinson conducted the business meeting. Following the opening prayer by Ellen Ladd, Nancy Kidd read the minutes of the previous meeting and Norma Bruce gave the treasurer's report.

Evelyn Peat gave a report on the Hi Neighbor Luncheon held in Plainview Friday, Oct. 20. Mrs. Peat, Rae Logan and Ms. Robinson attended from Muleshoe.

Nancy Kidd, manager of the Muleshoe Chamber of Commerce and Agriculture, ask the Jennyslippers to help with the line-up for the Christmas parade. She stated that the date for the parade had been changed to Saturday, Dec. 2 at 11 a.m.

Ms. Robinson read a letter from Tery Snell resigning as float chairman. Ms. Robinson, Pat

Langfitt and Donna Kirk volunteered to be in charge of the Christmas float. The theme for this year's float will be "The Night Before Christmas".

The Arts and Crafts bazaar will be held on Friday and Saturday, Dec. 2 and 3. The Jennyslippers will serve their annual barbecue lunch during the bazaar. A lengthy discussion was held on the meal.

A nominating committee for 1990 Jennyslipper officers was named and includes Donna Kirk, Pat Langfitt, Billie Downing, Vivian White, Thursie Reid and Sandi Robinson.

Mrs. Kidd reported on her recent telephone conversation with NBS-TV. Representatives from NBC will be in Muleshoe in the near future and Mrs. Kidd ask the Jennyslippers to act as their host.

It was also announced that the Jennyslippers and MAC committee still have tickets for the Pick-Up they are giving away at the Christmas drawing. For each ten dollar donation, you will receive a ticket which will be placed in a drawing. You may make your donation to any Jennyslipper or MAC member.

MRS. BOB WILBUR

Mrs Bob Wilbur Honored With Bridal Shower

The Guinn Room at the Old Depot was the setting for a wedding shower Sunday, Oct. 22 honoring Mrs. Bob Wilbur, nee Misti Prater.

Guests were greeted between the hours of 2 and 3 p.m. by the honoree; Pat Prater, mother of the honoree; and the honoree's grandmothers, Mrs. Johnny Prater and Mrs. Agnes Wolfe Teresa DeSautel registered the guests.

Tory Hunt served spiced tea and assorted fruit breads from a silver tea service and crystal appointments.

The serving table was covered with a lace runner and accented with an arrangement of purple, pink, and blue silk flowers. The honoree's corsage consisted of pink and white carnations and daisies.

Special guests were Mrs. Arnold Prater; Mrs. Johnny Prater and Mrs. Agnes Wolfe, grandmothers of the bride; and Mrs. Pearl Killingsworth, great aunt.

The hostesses gift was a set of cooking ware. Hostesses for the occasion included: Mrs. Robert Hooten, Miss Billye Jones, Mrs.

Wiley Moore, Mrs. Burl Mardis, Mrs. Larry Combs, Mrs. George Whatley, Mrs. Joe Rhodes, Mrs. Bob Blackwood, Mrs. Robert Hunt, Mrs. Jimmie Burgess, Ms. Betty Jo Carpenter, Mrs. Charles Bratcher and Mrs. Gary Dale.

Rebekah Lodge News

The Muleshoe Rebekah Lodge No. 114 was called to order Tuesday evening at 7:30 by Noble Grand Linda Tosh.

The American Flag was presented by Dorothy Browning and the Rebekah Flag was carried by Ruby Garner escorted by Della Puckett and Joyeline Costen. Sandi Robinson gave the opening prayer.

Twenty-one members answered roll call. Minutes of the previous meeting were read by June Green, and they were approved as read.

Preparations for the Thanksgiving Dinner were reported on. It was reported that Ruby Garner has sold \$800 worth of tickets to this dinner. The Lodge expressed their appreciation.

A memorial was sent for

Robert "Bob" Robinson, son of Jessie Robinson.

The members were reminded that the Rebekah Lodge will sponsor their first skating on November 10.

Adele Tompkins read a letter about B.C. It was suggested that if you have any questions regarding B.C., you contact her at home.

Refreshments were served by Della Puckett and Louise Allen.

HEY CLOWN!

Don't fool around!

(WITH CRACK!)

If you're thinking that crack is something to try, then you're really not thinking at all. It's an inexpensive form of cocaine that's unpredictable, highly addictive and very deadly. In fact, you could die from just one time's use, and if you do live through the experience, you'll more than likely be addicted. That's the nature of it. Make the mistake of trying crack just once, and you'd be making the mistake of your life. Maybe it's time to realize that drugs are not what they're cracked up to be. Only a clown would fall for crack.

Creative Living

by: Sheryl Borden

Information on chocolate myths, recycling, and spicy Mexican food will be the featured topics on "Creative Living" on Tuesday, October 31 at 12 noon and on Saturday, November 4 at 2 p.m. (All times are Mountain.)

Mari-Lou Callahan represents the Hershey Foods Corp. from Hershey, PA. Ms. Callahan will dispell many commonly held chocolate myths while also demonstrating the versatility of using the microwave oven in melting chocolate.

Jeanne Bakelar from Sparta, NJ, will talk about the importance of recycling. Jeanne represents the Por-Environmental Packaging Council.

Jane Butel, founder of the Pecos Valley Spice Co. in New York, will demonstrate making authentic award winning chili served with the popular blue cornmeal tortilla.

On Tuesday, October 31 at 9:30 p.m. and repeated on Thursday, November 2 at 12 noon, "Creative Living" will present information on creating your own personal oasis and cooking in smaller quantities.

Cathy Crane represents Deck the Walls and will discuss how the fast-paced, automated world today makes it necessary for one to create their own personal oasis. Cathy offers ideas/suggestions and tips and show examples of ways to create a retreat in which to renew and relax through art. Ms. Crane will point out how important it is to connect with a place and establish a sense of belonging. Cathy is from New York.

The size of the American family has decreased over the past two decades due to many different changes. Because of these changes in the size of the family, cooking habits have altered as well. Cathy Voit, home economist with Reynolds Metals Co., will show ways to cook for one or two persons. Cathy will also show how to adjust pans for cooking smaller quantities of food and share some good recipes. Cathy is from Richardson, TX.

"Creative Living" is produced and hosted by Sheryl Borden. The show is carried on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers can request copies of materials offered on the show by sending one 25 cent stamp for each handout requested. Send the stamps, along with

SOUTHWESTERN BLUE CORN BREAD

1 cup blue cornmeal
1 1/2 teaspoons baking powder
3/4 cup melted butter
2 cups cooked corn kernels
1/4 lb. Monterey Jack or Cheddar, sliced 1/4" thick or combo, of two
2 eggs
3/4 teaspoon salt
1 cup sour cream
1/4 cup sliced jalapeno peppers
Preheat oven to 375F. Grease a 9" round cast iron skillet or round or square cake pan. Mix the dry ingredients together and make a well in the center. Add eggs, butter and sour cream and blend thoroughly. Fold in the whole corn kernels. Pour half of the batter into the prepared pan. Cover with sliced cheese and chiles. Pour remaining batter over the top. Bake in a preheated oven for 30-40 minutes or until golden and an inserted toothpick comes out clean. Serve warm.

Over The Hill Party Surprises Clovis Couple

A surprise (Over The Hill) birthday party was given in the home of Ernestine Steinbock Tuesday night honoring Dick and Janice Moore of Clovis, N.M.

The gift table was covered with a black table cloth with a black vase of black carnations centerpiece. The refreshment table was covered with a black table cloth with a black and white fold out fan with 'Over The Hill' printed on the top. Black balloons and black streamers adorned each of the chandeliers in the house.

Refreshments of finger sandwiches, dips, chips, cake, relish dishes, coffee, tea and punch were served to the following guests: Dick and Janice Moore of Clovis, N.M.; Alma Winn and Alma Jean Kennedy, both of Slaton; Sherry and David White of Farwell; Thesia and Elmer Davis, Francis Oliver, Wayne and Nealy Moore, Ernestine Steinbock, Dale and Tracy Gilbreath, all of Muleshoe.

"It was a very enjoyable evening of fellowship" said Thesia Davis. "The gifts were all gag gifts."

CELEBRATING FIFTY YEARS--Mr. and Mrs. Gordon Murrah will observe their 50th Wedding Anniversary on Sunday, November 5, with family at the home of Ben and Judy Roming. Visitors are welcome from 2:30 p.m. throughout the afternoon. Murrah and the former Ada Hogan were married on November 4, 1939. Their children are Tami Murrah of Novato, California; Gary Murrah of Odessa; Myke Murrah of Ft. Collins, Colorado; and Judy Roming of Muleshoe. The couple also have six grandchildren, and two great-grandsons. (Guest Photo)

Senior Citizen News

The Muleshoe Senior Citizens met Monday, Oct. 23 at the Old Depot for their regular covered dish luncheon.

The invocation was given by Lester Howard. There were 18 present to enjoy the meal and fellowship.

Mae Wilterding was in charge of the program. Those who were to bring the program failed to be present. The group had a sing-a-long with Ms. Wilterding leading two songs, then Olive Cox led two songs and J.C. Shanks led two, just some of the favorites "In The Garden" and "Mansion Over The Hill Top." Velma Gwyn read two poems, "You Tell on Your Self, We want others to see the best we are, but the way we talk and walk, tells on us" and "My Self."

The birthday song was sung for Retta Shipp, Mellisa Sandavol and Lester Howard. A get well card was sent to Helen Pruitt.

Minutes of the previous meeting were read and approved.

The election of officers were held. Katie Roubneck was elected president. Mae Wilterding and Velma Gwyn will work together as vice-president. Olive

Cox was elected secretary. Odessa Shanks will send cards. The closing prayer was led by Retta Shipp.

The next meeting will be on November 27.

Tops Club

TOPS Chapter No. 34 met at 6:30 p.m. Thursday, Oct. 26 at the Heritage Thrift Shop.

Laverne James, leader, led the group in the TOPS pledge, TOPS fellowship song and a prayer.

Evelene Harris called the roll with 16 members responding. Minutes of the previous meeting were read by Aurora Mata, and they were approved as read.

Mollie Davis received a gift from the club for being best loser last week and losing again this week. Clea Robertson won the Diet contest. She received a gift as a prize.

"Contest always help and inspire us" said Aurora Mata. "So we started two this time, one is the dime contest and the other "The Christmas Tree" contest for the Christmas Tree contest we divided into two teams." Alene Bryant is captain for the Red team and Alma Robertson is captain of the green team.

Best loser for the week was Lucille Harp. First runner-up was Aurora Mata and second runner-up was Charlotte Campbell.

After the report the club took time to look at the scrap books. The meeting was closed with the goodnight song.

Ms Kelly Hosts Luncheon

In Lubbock

Enjoying lunch and fellowship Thursday with Mrs. Wanda Lewis Kelley of Lubbock were: Mrs. Virginia Wyer, Wilma Thompson, Carrie Lee Bishop, and Fern Gilbreath of Muleshoe.

Mrs. Verda Nell Arnn was unable to attend due to recent major surgery.

Also present were Mrs. Lois Witherspoon and Mrs. Elsie Dale Goodwin of Lubbock.

THE POWER IS ON

DANGER

Not talking to your children about drugs can be hazardous to their health.

Parent Power can prevent drug abuse if you will:

- 1) Care enough to inform yourself about the effects of drug abuse and make the drug situation an open topic of conversation.
- 2) State clearly in ongoing, non-accusatory discussions with your children that drug abuse will not be tolerated.
- 3) Be a strong parent by establishing and enforcing clear and consistent "no drug" behavioral rules.

Halloween

Halloween had its origin among the Druids centuries before the Christian era and from the Roman festival of Pomona. To the Druids, October 31 was the end of the year and thus the festival. The Druids believed this was the time good souls of the dead went into animals, especially the cat. They believed punishment of the wicked could be lightened by gifts and prayers. In the United States the day has come to be associated with witches and young people, who gather in goodies in trick-or-treat calls.

accompanied by a build up of acid in the body. Recommendations by the American Heart Association suggest treatment of this acid build up; yet, in work previously supported by the American Heart Association - Texas Affiliate, we could not show any benefit of treating this acid build up when looking at success of resuscitation or length of survival after successful resuscitation in an animal model of cardiac arrest secondary to respiratory failure.

"We plan to study cardiac function and metabolism with acid build up in animals without cardiac arrest, compared to animals with cardiac arrest to define other causes of heart dysfunction. It is important to further define the mechanisms of this type of cardiac arrest to fully understand this disease entity and to study other methods and medications used in resuscitation.

Hugh Young received a similar and grant in 1987 from the American Heart Association.

deposits of \$36,378,509 at the end of September this year, up \$3,346,509 over the \$33,032,000 shown on deposit closing out September, 1988.

At First Bank in Morton, loans decreased for the same period. Loans were \$15,094,326 at the end of September this year, down \$304,780 from the \$15,399,106 for the same time last year.

Security State Bank of Farwell showed an increase in both deposits and loans for the past year.

Deposits were \$47,876,227 closing out September this year, up \$4,039,845 from the \$43,836,382 shown for September 30, 1988.

Loans at Security State were \$8,296,508 at the end of September last year, and increased by \$3,360,604 to \$11,657,112 at the end of September this year.

At Friona, the Friona State Bank showed a slight increase in deposits and a large increase in loans during the past year.

Deposits at Friona State Bank were \$56,031,000 at the end of September this year, increasing by \$582,667 from the \$55,448,333 reported for the same period last year.

Loans at the Friona bank increased some \$7,168,115 for the same period of time. Loans were shown to be \$29,734,885 closing out September last year, and were \$36,903,000 for the same time this year.

First National Bank of Sudan showed a slight 'dip' in deposits and a small increase in loans during the past year. Deposits were \$9,101,619 closing out September this year, down by \$346,697 from the \$9,448,316 on deposit at the bank a year ago at this time.

Loans at the bank increased by \$125,743 during the year. Loans were \$4,597,081 on September 30 last year, increasing to \$4,722,...

His first was a 66 yard run, followed by a 30 yard run.

Jonas Hernandez completed a pass to Jody Copp for an extra point and Jon Colby Miller made the other extra point.

At halftime, the score was 33-13 for Lazbuddie.

In the third quarter, Jon Colby Miller scored on a 70 yard kickoff drive with Chris Cozby adding the extra points.

Chris Cozby then ended the scoring for the 'Horns on a 60 yard run with Jonas Hernandez completing a pass to Troy McBroom for the extra point.

Next Thursday, the junior high Longhorns will travel to Bovina, then close out the season the following Thursday against Cotton Center.

for ambulance payments. Fitzgerald said the current payments are very much out of balance.

The next item for commissioners was to consider Jim Fitzgerald as ambulance service paramedic director. Judge Jim Watson read a letter from another applicant, who sought the position of personnel director. However, it was explained that the applicant did not have the qualifications required by the county.

Fitzgerald was unanimously approved, at a salary of \$18,000 per year, effective December 1. For the month of November, he will still be interim director, until additional budget adjustments are made for 1990.

With a budget amendment to cover the medical director fee to Dr. Bruce Purdy, and \$6,000 for rent per year for the ambulance building, the county will currently be providing \$103,000 to the ambulance service instead of the \$90,000 originally budgeted.

Approved was the leasing of the ambulance building from the Muleshoe Area Hospital District and pay \$500 per month, for at least the next 24 months.

Fitzgerald also said he had adjusted the reimbursement rate paid the volunteer EMS personnel. Their \$10 reimbursement will be for ambulance calls answered in Bailey County. For an out of county trip, the volunteers will receive \$15 instead of the \$25 previously paid. Fitzgerald explained that

824 by September 30, 1989.

The former Citizens Bank of Earth has been combined with First Bank of Dimmitt, so the combined totals for both banks reflect large increases in deposits and loans.

Deposits at the banks show \$60,033,000 at the end of September this year, and Citizens Bank of Earth showed \$14,674,277 closing out September 30, 1988. The increase is shown to be \$45,358,723.

Loans for the banks show a difference in \$33,886,485 during the past year. Loans for Citizens bank at this time last year were \$11,396,515, and the 1989 combined total shows \$45,283,000 at the end of September, 1989.

Kiwanians See Firearms Video At Friday Meet

By R.A. Bradley

As we finally broke that dirty dozen number 12, we had 14 members, three honorary members, Robbie Clapp, Chad Johnson and Red Head Jon Keith Turner and one guest, Larry Parker met Friday morning at the Old Corral. If Jon Keith's hair gets any redder, we will have to put a sprinkler system over his head. Jon Keith, you looked real good.

President, Jim Lutz, called the meeting to order. Don Clapp led the club in the pledge to the flag and Hugh Young gave the invocation. After Jim Lutz was given a hard time about loosing the friendship coin and not being able to find a friend, he gave the friendship coin to Eddie Morris to see if Eddie can find a friend. Good luck Eddie!

Robert Montgomery was in charge of the program. Robert brought a video on guns and shooting. Featured Herb Parsons, from Summeville, Tenn. the Worlds Greatest trick shooter. Herb's shooting is fantastic. It is simply unbelievable. After showing how to shoot, potatoes, oranges, grapefruit, eggs, cabbage, sheets, etc, Herb made a statement that we believe is worth repeating. After unloading a gun and placing a handkerchief in the chamber he showed you what not to do. After pointing the gun at the crowds, he stated "Don't point a gun at anything you don't expect to shoot". Remember this--Herb then introduced his young son and after showing how good his son was he also made another good statement. Herb said "Hunt with your son's and daughter's (or fish) and later on you won't be Hunting for Your Son or daughter. Think about this!

the reimbursement is made to partially pay for uniforms, training required by the state, and meals while on the road.

Commissioners also discussed workmen's comp, which will be obtained to cover the paramedics and each of the volunteers, while they are on duty and making ambulance calls.

After breaking shortly after 12 for lunch, commissioners court reconvened to discuss vehicle insurance and to discuss the policy on withholding of retirement from final paychecks.

Mules...

Cont. From Page 1

The Mule's next possession saw them moving the ball against the Hornets, and they made four first downs before a Mule pass was intercepted.

At the end of the third, the Mules had dug in and held Tulia to only one TD in the third quarter.

Going into the fourth, the Mules were beginning to be plagued by penalties, and each penalty helped the Hornets.

Tulia's final TD came at :51 seconds left in the game, when they scored from the one yard line, and the kick was good.

After the large score posted by the Hornets in the first half, the Mule defense rose to the occasion, holding the Hornets away from the goal line except for a single TD in each of the third and fourth quarters.

Next week, the Mules will host the Friona Chieftains, and on the following Friday, close out the 1989 football season when the Littlefield Wildcats come to town.

October, 1685, France

A tragic October event was the betrayal of Protestants by the often-glorified French tyrant, Louis XIV.

It occurred in October of 1685; the king revoked the Edict of Nantes, which had allowed Protestants freedom from persecution by the Catholic king and state.

Up to 500,000 Protestants fled France, as a result, after hundreds of thousands were murdered or executed in a splurge of bigotry.

Much nonsense is read, or seen on the screen and on television, pertaining to Louis XIV. He was the great persecutor of Protestants. Since Protestants of that period were generally those with minds of their own, France lost many of her best educated families and leaders.

The exodus of these independent Frenchmen (Huguenots) cost France dearly. Many came to America. The silk and wool industry in France, at Lyons and Tours, never recovered.

Louis XVI, was to provide much aid to the American Colonies in their fight against England a hundred years later (France was at war with England).

But he was the monarch finally overtaken by revulsion; the people beheaded him in 1793.

Valiant JV Mules Fall To Floydada

BY: Coach Tom Duncan

Last Thursday evening, a combined force of freshmen and JV footballers were beaten 40-8 by an opportunistic Floydada squad.

The Mules allowed 32 first quarter points. Then eight points in the second quarter. After a forty point spot, the overwhelmed Mules fought the Whirlwinds to a virtual standstill in the second half while mounting a 60-yard drive capped by a four-yard run by Marvin Lewis. The try for two points was punched across by Lewis.

The evening was split between a first quarter where the Mules had three punts blocked and two were recovered for TDs and a number of uncharacteristic turnovers by usually surehanded backs. The entire quarter was played on the Muleshoe end of the field.

At the end of a "Twilight Zone" first quarter, the Mule-powered defense and offense out hit and out gained the Whirlwinds for the next three quarters.

Both the freshmen and regular JV squad retaliated to play at a top level of efficiency and gave a good account of themselves.

Led by teeth rattling tackles of David Quintana and Sergio Garcia, the Mules allowed Floydada just 60 yards total offense in the last three quarters.

With our backs to the wall, the Mules bowed up and stayed consistent in an effort of gargantuan proportions. Once we shook off a case of 'fumbilitis' and mistakes, we settled down to play a good brand of football.

The freshmen worked into the flow of the game and made the scoring drive which covered 60 yards in nine plays. Powered by backs Robby Gauna, Marvin Lewis and Kyle Kenmore, the freshmen gave good account of themselves.

When on the defense, linebacker Jesse Singleberry led the freshmen in several crucial series in the fourth quarter.

With stellar play from Jason Box, Manuel Elizarraraz, Kip McCall and others (countless), the JV got the sidelines and stands fired up and pumped enthusiasm in to the "Never Say Die" Mules. Led by Galin Latham, Damon Parker, and others, mounted consistent ground gaining, unfortunately a score was not earned.

It had been many a year since I

had seen such a shocking first quarter, but I was excited to no end about our three-quarter comeback.

Our kids came through and responded in a positive manner.

Our next game is Thursday at Benny Douglass stadium vs. Tulia.

The freshmen played at 5:30 p.m. and the JV started their game immediately afterward.

Special thanks go out to our fans for their positive support and undying encouragement.

Pheasant Hunt To Be Held At Refuge

Approximately 2000 acres of the Buffalo Lake National Wildlife Refuge at Umbarger will be open to the hunting of ring-necked pheasants December 9, 11, 13, 15 and 17. The hunt will be allowed by permit only, from 9 a.m. to sunset.

Twenty permits will be issued for each hunt day by computer drawing, and each permit will be for hunter selected and one guest.

Only one entry per name will be accepted and there is no choice of hunt days.

Closing date for the drawing is November 17, and the hunter selection drawing will be November 20. To enter, send name, address and daytime phone number to: Buffalo Lake National Wildlife Refuge, P. O. Box 228, Umbarger, TX 79091.

Hunters will be notified of their hunt day when selected.

Permits must be in the hunters' possession while hunting and are not transferable. Persons drawn will be notified by mail and be required to check in at refuge headquarters to pick up their hunting permit on the day of their hunt.

Persons not drawn will also be notified by mail.

Permits of no-show hunters will be issued at 1 p.m. the same day on a first come/first served basis. All Texas state hunting regulations will apply and a valid Texas hunting license is required along with the refuge permit.

Licenses are not available at the refuge and there are also special refuge regulations which apply.

Ask Ann Richards

What if my credit card bill is incorrect?

Editors Note: State Treasurer Ann W. Richards each week answers questions about personal finance and state government. These questions are compiled from various letters to the State Treasury. Answers are not intended to take the sound advice of reputable financial advisers or other professional counselors.

as much information as possible, especially your account number. The company then has 30 days to acknowledge your complaint, and 90 days to correct it. You will not be charged interest if the company is at fault, and it will not damage your credit history.

My in-laws in New York suggested my wife and I try to get a home equity loan to put down on a new boat. What are these loans, and are they a good route to take?

Texas does not allow home equity loans because of a provision in the Homestead Act. That act says a homestead may only be used as collateral for loans solely for home improvements, money with which to buy the house and taxes.

With a home equity loan you borrow against the equity you have built up in your home. In other states, you can use that money for any purpose, such as the downpayment for that new boat you want. But in Texas, that would be a violation of the Homestead Act.

Some financial and legal experts have been talking about allowing home equity loans here in Texas, but those attempts have not been successful.

When I received my latest credit card invoice, I noticed a purchase at a restaurant I have never even been to! My husband said to just ignore it and not pay it, but I'm afraid that will damage my credit rating. What do you think?

If you are certain you were incorrectly billed, check the postmark on the envelope in which you received the bill. Legally you have 60 days from that date to file a complaint with the credit card company and ask for a correction.

Do not pay the portion of your bill pertaining to this charge. Instead, send a request for a correction in writing, and state that you are withholding the payment until the matter is settled. All other charges on your account must be paid on time to assure your good credit rating.

Business "Directories"

Not Always Good Business For Merchants

Businesses, like consumers, can fall victim to fraud and, because advertising is a vital part of doing business, the fraud often involves deceptive ad schemes. Business "directories," for example, can be a good way for local merchants to introduce their products to new customers. Unfortunately, they can also be a good way for merchants to get ripped off.

Recently, a few unscrupulous operations have bilked Texas businesses of hundreds of thousands of dollars. As a result, the Attorney General's Office has filed deceptive advertising lawsuits against some publishers of business directories, "coupon books" and so-called "Yellow Pages."

In one case, a company sold ads and published a coupon book the first year of business, then continued selling advertising for directories that were supposed to be published over the next three years. Our Consumer Protection Division alleged that at least \$140,000 was collected from local businesses for directories that were never published.

Another company sent solicitations to businesses for "Yellow Pages" ads. Our office alleged these advertising solicitations were deceptive because they created the impression that they were from Southwestern Bell Yellow Pages, when they were not. We also alleged that the solicitations created the impression they were "invoices" for ads that had been placed in the past, when they were merely solicitations for publications in which the businesses had never advertised before.

Some business directory companies have collected advertising money from merchants, then gone out of business before publishing a directory. If the company files bankruptcy, merchants might recover a portion of the money by filing a claim with the bankruptcy court.

Prevention is the Best Protection

Before advertising in a directory, investigate the track record of the company.

- How long have they been in business?
- Have they previously published a directory?
- What is the quality of their product?
- Are the owners/managers known

in the community?
- Are they financially solvent?

Don't be fooled by an ad solicitation in the mail that is in the form of an invoice. If it looks like an invoice, be sure you already have an agreement for this particular advertising.

Beware of directories with names similar to well known advertising outlets - such as "Yellow Pages."

If you have a complaint about business directories or any other consumer complaint, call your nearest Consumer Protection Office in Austin, Dallas, El Paso, Houston, Lubbock, McAllen and San Antonio. The Attorney General's Office is the people's law firm. We're here to help you.

DPS Reminds That Winter Nearly Here

The Texas Department of Public Safety reminds motorists that the winter season is upon us, and it's time, once again, to get both the driver and the vehicle in the best possible condition for this most grueling driving season.

Major V.J. Cawthon, Commander of the Texas Department of Public Safety, Region 5, said, "Winter driving can be very hazardous. Driver's are faced with many dangerous obstacles: nights are longer, freezing temperatures, snow, sleet, and ice covered roads, all creating handicaps for the driver."

The most important safety tip for winter drivings is to "slow down". On ice covered roads, only drive when it is necessary and realize that it's going to take you at least twice as long to cover the same distance as when the road was dry and clear of ice. So, remember to set more time aside for driving under winter conditions.

MHS 'Spotlight' Focus On Teachers

The "Spotlight" will focus on three departments for the weeks of October 30-November 17: math, business, and computer.

In today's world of high technology, courses that cover the higher levels of math instruction are vitally important for college-bound students.

In order to meet the needs of all students, a variety of courses are offered including consumer math, pre-algebra, Algebra I, Algebra II, and geometry. Muleshoe High School also offers trigonometry and calculus. Students also have access to classes in typing and a variety of computer courses.

Stephanie Barrett, a teacher with the MISD for seven years, is the chairperson for the math department. She also teaches Algebra II, trig, and calculus.

Her goals for the year include bringing her students forward in the study of mathematics and helping them appreciate and see the benefits of having a sound mathematical background.

Mrs. Barrett received her Bachelor of Science degree from ENMU with a teaching major in mathematics and a teaching minor in physical education. She is also certified to teach computer literacy in junior high school.

Stephanie and her husband, Robbie, are both graduates of Muleshoe High School, and their son, Zach, is a first grader at Dillman Elementary School.

They also have a daughter, Robbie Jan, who is three years of age.

Mrs. Barrett enjoys crochet, needlework, ceramics, and reading on the rare occasions when she finds time for a hobby.

"The student welfare is the reason I teach. I love helping the students and watching them grow. I hope I give each one of them a pleasant memory of math."

With a philosophy of teaching such as this, students who study under Stephanie Barrett will not only learn, but will enjoy the process.

Bill Savuto, a newcomer to MISD this year, teaches Algebra I and geometry; his expressed goals include high expectations for student achievement and the desire to encourage student acceptance of responsibility. One of the highlights for him is to see the spark in the eye of a student who finally understands a difficult concept.

A graduate with a B.S. from Rochester Institute of Technology in Rochester, New York, he also received a Master of Education from the University of San Diego.

His teaching experiences include one year in Santa Rosa, Calif., eight years in Chula Vista, Calif., and three years in Belize City, Belize, Central America.

He and his wife, Jerri, have one daughter, Corrie, who is a student at Muleshoe High School.

Jogging, golf, tennis, and hiking are favorite pastimes of Bill Savuto.

His responsibilities as a math teacher, in addition to his coaching duties in freshman football, varsity boys' basketball, and golf, leave Leon Hagerman with little time to enjoy his hobbies of golf and woodwork.

Hagerman, who is fulfilling his first year in Muleshoe, formerly taught in Plainview for six years and San Angelo Central for one year.

He is a graduate of West Texas State University, and currently teaches Algebra I, consumer math, and fundamentals of math.

He and Valerie, his wife, are the parents of Tanner, four years and Mollie, 20 months old.

His goals for 1989-90 include becoming a better teacher, helping to develop pride in our school and athletic programs, and returning football, basketball, and golf to a winning tradition.

Gaylord Latham returns to MHS after a two-year absence, and he currently teaches Honors Algebra I, Honors Algebra II, and pre-algebra. He has been a teacher with MISD for seven years; prior to moving to Muleshoe, he taught for four years at Panhandle High School and five years in the Amarillo ISD.

A major goal of his for the 1989-90 school year is "to be some small part in the raising of the educational level of our students." He further added, "Our children are our most important resources. We must do whatever we can while we have time and opportunity."

Latham is known as an exacting teacher who puts much time and effort into his work because of his desire to see his students learn.

He and his wife have four sons, all of whom are students in the Muleshoe school system. Galin is 15; Lance is 12; Colby is 10; and Delwyn is seven.

During his 'spare' time, he enjoys tennis and swimming.

Colleen Tollett began her teaching career in Muleshoe in 1986 and is currently teaching all areas of the computer department, which include computer applications, computer math, computer science, and computerized accounting.

She holds a B.S. degree from ENMU and has earned 24 hours of graduate work at the same university.

Her students are challenged to prepare themselves to work with computers in their future endeavors; in addition to this goal, she hopes to take another programming team to state competition this year.

She and Dennis, her husband, are actively involved with their

children, Jolene, and Kolby, in sports and 4-H activities. The family also enjoys camping together.

In addition to family-oriented activities, she enjoys reading, sewing, and gardening.

Mrs. Tollett feels that working with students is exciting, and she commented, "Each one has a unique personality and to see how they interact with computers is fun. Computers are such an integral part of society now that I want every student to be comfortable using them as tools for fast and efficient work."

At the end of the 1989-90 school year, Lucy Faye Smith will have completed twenty-five years in Muleshoe High School. She is chairperson of the business department, and her current teaching assignment includes five sections of typing and one class of Honors English II.

She previously taught for one year in Gainesville High School, Gainesville, GA, and worked as a graduate assistant and part-time

instructor for four years at ENMU.

She earned both her B.A. and M.A. degree from ENMU, and has pursued advanced training at Texas Tech University, ENMU, and the University of Virginia.

Her husband, Eric, retired several years ago from MISD, and they have one daughter, Patricia Thatcher, who lives in Portales. Mrs. Thatcher has followed in her parents' footsteps as a teacher, and their son-in-law owns a car dealership.

Mrs. Smith strongly believes in encouraging and praising her students, and her goals include helping her students learn life-time skills and helping them to use their typing skills in college and in their future.

Mrs. Smith also strives to develop independent learning and mastery for those who have extra talent and ability, and she encourages her students to participate in UIL activities.

She enjoys working with young people and finds great reward in

seeing them become better students and successful, productive citizens. Realizing the impact a teacher can have on young people, she commented, "I believe the adage 'A teacher is forever.'"

The broad spectrum of courses offered in the math department, as well as the business and computer classes, offer students many opportunities for basic skills and for advanced courses.

Texas Rural Hospitals Get Grant Funds

Fourteen rural Texas hospitals will receive almost \$1.4 million over a two-year period as part of the federal Rural Health Care Transition Grant program. Designed to strengthen rural hospitals' capabilities to provide high-quality care for Medicare beneficiaries, the grants offer eligible hospitals up to \$50,000 a year for two years.

Congress increased the number of awards from 80 to 156 in July. Sept. 20, the Health Care Financing Administration awarded money for projects ranging from the development of a model hospice program for rural hospitals in Burnet to an outpatient chemotherapy program in Spearman.

The Texas Hospital Education and Research Foundation, Texas Department of Health, Office of the Governor, The University of Texas at Austin School of Nursing and the Texas Department of Agriculture organized a one-day workshop and technical-assistance program in February to support grant applications by rural hospitals. More than 70 hospitals sent representatives. Submitting 54 applications representing 91 hospitals, Texas led the nation in the number of grant applications, according to John Oeffinger, president and chief executive officer of the Texas Hospital Education and Research Foundation. The state received 14 awards, or nine percent of the grants awarded nationwide.

HCFA also awarded grants to hospitals in Columbus, Crosbyton, Luling, Rotan, Clifton, Fredericksburg, Junction, El Campo, Nocona, Mineral Wells, Smithville and Floresville.

Thursday afternoon J.E. Embry and Winnie Berry came to play table games with us. If you enjoy Skip-Bo or Dominoes and good company, please come join us on Thursday afternoon.

Friday afternoon Lona Embry, Kathy Embry, Joyce Turnbow, Kyle and Bryce Embry and Leigh Moraw hosted a Halloween Hayride and Party, for the residents in the sunshine dining room. Yes--I did say Hayride--Guest were invited to sit on the bale of hay and take a ride, this is our rendition of a "hayride". We also had our youngsters and any able and willing body, bob for apples, pin-a-nose on the pumpkin and various other Halloween tricks. The delicious chili dogs, chips, with all the trimmings, were no trick. That alone with a special brew and witches cake were a delicious treat.

Our cupboard is full! Our Beauty Shop closet, rather, is full of beauty shop hair and manicure supplies. We have enough shampoo, hair spray, Sea Breeze, cotton balls, conditioners and you name it to last for a good long while. It all was a gift from the Secret Prayer Sisters of the Muleshoe Church of Christ. Instead of exchanging gifts among themselves, they bought supplies for our beauty shop. We thank them and Marilyn Wilson for delivering them to the Health Care Center. We are blessed ever and over again.

Sunday afternoon Charles Fisk and members of the Progress Baptist Church conducted a church service for the residents.

Tuesday morning Louise Legg from Me Ma's Ceramic Class in Sudan came to give the residents ceramic lessons. Residents participating were: Patsy Franklin, Emma Schuster, Thelma Stearns, Pearl Cox, Guy Kendall, Ora Roberts, Lois Ethridge, Effie Smith, Rosemary Pool, Clara Weaver, and Stella Morgan.

Clara Weaver's daughters, Linda and Pat, from the Dallas area are here visiting for a few days.

Mary Sisemore was visited this week by Dale Berry and her sons, Tommy and Gene and Mr. Huggins.

Effie Smith was surprised by a visit from her sister-in-law, Fannie Shockley, from Denver, Colo. over the week-end. Effie along with Mrs. Shockley went out to visit with other relatives and friends.

Vi Lewis, daughter of Mamie Askew, is now back at home in Medford, Oregon after a much too short visit here in Muleshoe. We all enjoyed her visit along with Mrs. Askew.

Please help us welcome our two new lady residents. They are Lucille Tuggle, born Jan. 22, 1910 and Geneva Thomason, born Oct. 31, 1921. Welcome to our Health Care Center.

Ruby Malone had several visitors this week.

Lynn Bratcher was hospitalized Saturday. We request your prayers on his behalf and for his family.

Hallowe'en is a very old holiday, dating back hundreds of years. It began in the Church and to the Church it really belongs, for it is properly All Saints' Evening; hallow meaning holy or sainted in old English. This ancient Holy Day was appointed as a special time to remember relatives, friends and Church leaders who had died. The ghostly ghostly part came in when the day was separated from its Church context and became only a day for Jack-O'Lanterns, Hobgoblins and Ghost stories. The truth of this day remains even though we have forgotten what the day means. What a comfort it is to be able on this day and every day to think of one's departed loved ones as being safe in the presence of a loving God. The teaching of the Bible, taught lovingly by the Church, is that nothing either present or to come, either visible or invisible, even death itself, can separate us from God our Father.

Know THE Weather
One of the least understood weather curiosities is the inversion. It can produce higher temperatures for those living at higher altitudes. Inversions often occur in hilly and mountain country in winter.
Someone living two or three thousand feet up into the hills or mountains enjoys 60 degrees while down in the valleys the temperature may be as much as ten or fifteen degrees colder. What causes this?
As we know, cold air settles and when the wind is not strong, colder air often settles into valleys. So does smog, low scud cloud and fog. This has the effect of blocking out the sun's rays.
Meanwhile, higher up, there's clear air, sunshine, and therefore warmer temperatures. It can happen that when it's freezing in the valley, it is over 40 degrees higher up.
There are certain zones, in the east on the downward eastern slopes of the Appalachian range, where inversions are so regular that plant life is vastly different, as is the growing season and growing possibilities just twenty miles away.
People living in this zone, and similar ones in the western mountains, can grow things others all around can't grow. They also enjoy warmer weather many days when all around are experiencing more bad weather.
Thin air is another factor in higher-altitude living. That's why those at ski resorts often get a sun tan in winter. The air is clean and thin, and the sun's rays penetrate the atmosphere more easily.

Money Talk

By Charles B. Carlson, Dow Theory Forecasts
Investors in junk bonds are beginning to find out why these investments are called "junk."
Some leveraged buy-outs are starting to come unraveled. Given the volume of leveraged buyout activity over the last few years, it's not surprising that some of the deals haven't worked out.
Perhaps the scariest part of the situation is that junk bonds have recently become quite weak under selling pressure despite an economy that continues to chug ahead.
The important question for the future is what is ahead for this market when the economy falls into recession. Some highly leveraged firms might then have nothing to pay off monstrous debt obligations.
If big names default, recent weakness in the market could look like a trickle.
Better to take a lower yield for higher quality than risk investing in high-yield bonds, where interest rates will have a major impact and default is a real concern.
(Dow Theory Forecasts, published since 1946, is available at 7412 Calumet Avenue, Hammond, Indiana 46324-2692.)

Winterizing Your Vehicle Imperative

Winter's snow, sleet and sub-freezing temperatures are bad news, as any motorist will attest. However, the good news is that most winter car problems and breakdowns can be prevented by having a technician inspect and repair your car, before the start of the season.

"Preventive maintenance will help you avoid the inconvenience, delay and expense caused by a sudden breakdown, and help ensure you and your family of safe, dependable motoring," says Doug Haviland, manager of the Midas Eastern Training Center in Taunton, Massachusetts. He suggests having a qualified technician check these seven car service areas:

1. **Exhaust System:** Check exhaust manifold, exhaust system pipes and mufflers for leaks, rust, loose brackets and/or broken hangers.

2. **Cooling System:** Check antifreeze level and coolant efficiency, radiator connections and water pump, especially at clamp areas.

3. **Brake System:** Check and adjust brakes and repack wheel bearings. Check brake fluid level in the master cylinder. Be sure to have a qualified technician inspect the entire brake system.

4. **Belts:** Check alternator, power steering, radiator fan and air conditioning belts for wear. Tighten loose belts and replace those that are cracked, frayed or glazed.

5. **Tires:** Check air pressure, tread wear, front and rear wheel alignment angles, and tire balance. Tire pressure and alignment should match manufacturer's specifications. Use

snow tires on drive-wheels, if necessary.

6. **Electrical System:** Check battery water level where applicable, and inspect posts and clamps for corrosion. Check alternator, lightbulbs and spark plug wires.

Fluids: Change oil and filter. Most cars today use multi-viscosity oil year-round, such as 10W/30 or 5W/30. Check manufacturer's specifications for the correct type of oil for your car. Check transmission, power steering and washer fluid levels, as well as wiper blades.

In addition to a pre-season inspection, Haviland recommends keeping the following items in your car's trunk: booster cables, snow brush/ice scraper, shovel, flashlight, rock salt or sand, tow chains, extra clothing, emergency flares, first-aid kit, non-perishable foods, and essential prescription medication.

To help motorists winterize their cars, all of the more than 1,700 Midas Muffler and Brake Shops nationwide are offering free under-the-car safety inspections, throughout the fall and winter months.

For a free brochure, entitled "Winter Driving-It's Survival Of The Fittest," produced with the assistance of the National Safety Council, write to: Midas International Corporation, P.O. Box 11172, Chicago, Illinois 60611.
