

WHITTLIN'

By DOLPH MOTEN

"What is defeat? Nothing but education, nothing but the first step to something better."

---Wendell Phillips

The Yakkity-yak and planning is already underway among the Texas politicians, Republicans and conservative Democrats alike, to defeat the state's senior senator, Ralph Yarborough, in next year's election.

This movement will, no doubt, create a considerable amount of interest and enthusiasm across the state. Much of this will come about just because some voters will see it as a popular thing to do---not because Yarborough's important Senate seat would be better occupied by some green legislator who would take over the position with the help of special interest groups and easily-swayed voters.

Because of his enemies and because he wasn't, in the beginning of his career, on the "inside" of THE political circles in Texas, Yarborough's popularity has never been as great as it deserved to be. "He's the candidate of labor," is such a statement as is often used AGAINST the Senator, or has been down through the years.

Like that's bad.

Wouldn't we, and wouldn't you, like to have the support of the working man if you were planning a state-wide race? We'd like nothing better and we're sure Yarborough feels the same way and how this is supposed to be criticism we don't understand. But it is.

Yarborough's Senate record, we daresay, would withstand the most severe scrutiny and a fair individual making an appraisal of it would have to report that his actions had been in the best interest of the state he represents from his important position in the nation's capitol.

Not that everything Yarborough has done has been agreeable with all the people of the Lone Star state. Certainly not. But the things he's done and the things he can do in the future, if he's re-elected to the post, will add up to be much greater than could be the actions of a newcomer, whose election would automatically put Texas back at the bottom of the Senate seniority ladder.

As the interest and publicity about the forthcoming election increases as the time becomes nearer, we encourage, in fact, urge, you check behind the smiling, individual candidate and see why his backers want him to have Yarborough's Senate seat.

It may be that you won't like what you find.

You can count on, too, the Republicans helping defeat Yarborough in the Democratic primary and then doing everything they can, if they're successful in that, to have the GOP candidate win over the Democratic nominee in the general election. They're figuring that any candidate the Demos have will be easier to defeat than Yarborough, and they're right.

And we wish the Republicans wouldn't assist the Democrats in naming their nominees in the general election, but that's the way things are in Texas politics and we might as well learn to live with it. The situation isn't apt to change soon.

On the other hand, if Nixon isn't any better president than we think, there may not be a Republican voter left in Texas by the time the 1970 elections roll around.

Nothing upsets a true Plainsman more, we've decided, than a week or so of cold, damp weather. Such just doesn't fit into our way of doing things. A few days of it at a time on occasion are wonderful and welcome, but when it continues for an extended period, the blues set in, if the people we associate with are any gauge.

Use the following football game outcome predictions at your own risk. Last week, which should have been dedicated to the Farwell players in the Bovina contest, was a tremendous one, for us. We hit a new high, eight of 10, bringing the season's average to .635---- 45 of 69. Not bad for a kid, but not too good for a grown person.

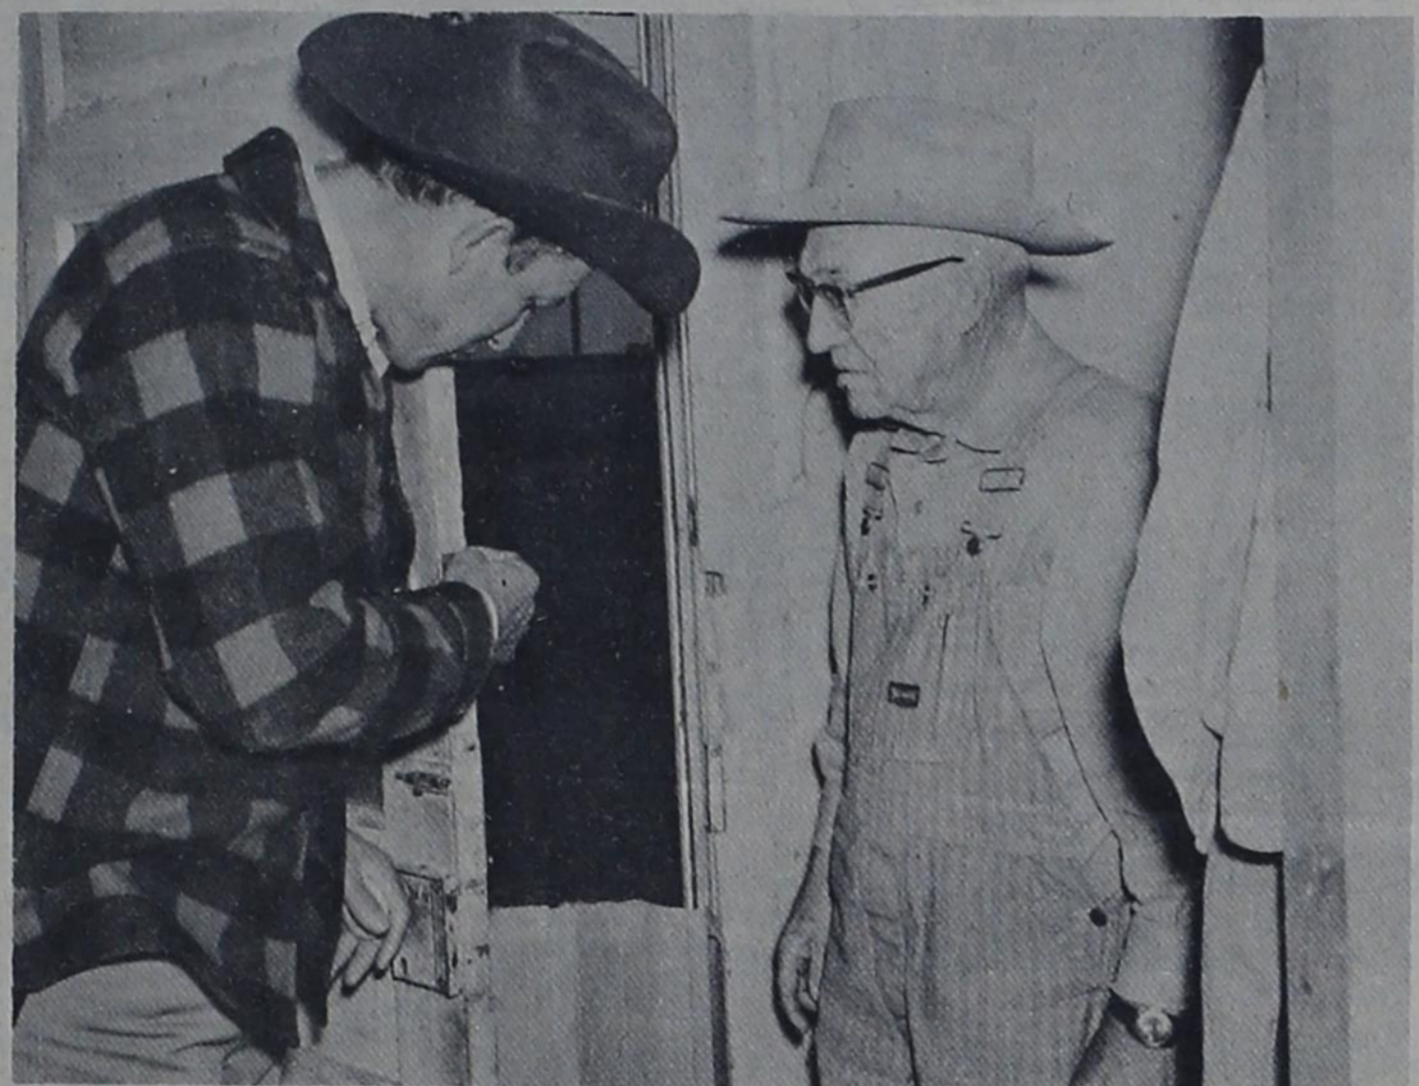

With some luck, we might bat .700 for the year?

Here's another shot: Vega at FARWELL --- The Steers won last week over powerful Kress and our guess is they're heading for a showdown with Sudan for the district championship. Vega has been impressive since district

Moisture Falls Slowly --

Week-Long Rain Paralyzes Harvest

BREAK-IN --- City Marshal Ronald Mitchell and Justice of the Peace Wilbur Charles examine the door where entry was gained sometime over the weekend into Charles' office on Main Street. A small amount of cash was taken.

Miss Adams Teacher In English Dept.

Miss Joyce Adams of Muleshoe began classes here Wednesday as teacher of Junior and Senior English, speech and sponsor of the annual.

She fills the vacancy of Mrs. Patricia DiCuffa, who resigned because of health reasons.

Miss Adams is a June graduate of Texas Christian University with a B. A. degree in English and journalism. She also attended International Christian University in Tokyo, Japan.

The daughter of Bailey County Agent J. K. Adams, she is a graduate of Muleshoe High School.

She plans to move to Bovina in the near future.

Miss Adams has experience in work with oratorical contests and has worked with young people in church groups.

Weather By Willie

Winter is here. Cold Winter.

Birds have more feathers, cows and horses have more hair, corn has heavy shucks ---and the hippies are letting their hair grow longer.

Sun will shine this weekend. Good football weather.

Miss Adams Teacher In English Dept.

Precinct JP Office Robbed

Burglary of the office of Justice of the Peace Wilbur Charles is under investigation by county and city law enforcement officers.

Charles discovered the incident Monday morning when arriving at the office and noticing the back door slightly open. Entrance was gained sometime between Saturday night and Monday morning by chiseling open the locks.

A small amount of cash was taken from a drawer in Charles' desk, which was also locked. It was opened, apparently, with the aid of a screw driver.

Sheriff Chas. Lovelace, Deputy Sheriff Henry Minter and City Marshal Ronald Mitchell are investigating the break-in.

The amount of cash taken was somewhere between five and 15 dollars.

None of the records of the Justice of the Peace were bothered, Charles said.

For Yearbook --

Students Name School Honors

Suzanne Wilson and Stuart McMeans were named Mr. and Miss BHS in elections held in Bovina High School last week. They were among several chosen for special honors.

Mr. and Miss Junior High, previously elected, are Roy Hartzog and Nancy Hutto.

All will be featured in The Mustang, school yearbook.

Tony Foster was chosen Most Handsome and Debra Kirkpatrick was named Most Beautiful

by their school mates. Both are juniors.

Other honors include Best All Around Boy, Stuart McMeans; Best All Around Girl, Suzanne Wilson; Best Sport (boy), Debra Kirkpatrick; Best Dressed boy, Phil Sorley; Best Dressed girl, Brenda New-

brough; Friendliest boy, Carrol Foster; Friendliest girl, Betty Kesler.

Editors of the yearbook this year are Candy Wilson and Bruce Caldwell.

Also to be featured are class favorites and various other class honors, which have been previously selected.

The new pastor served the past 18 months of the Pentecostal Holiness Church in Keys, Okla. He has been in the ministry 10 years, mostly in Eastern Oklahoma.

Rev. McCause succeeds Rev. Floyd Gray, who moved from here several months ago.

General Telephone has announced it will send a new service man to Bovina. The job will be put up for bids within the company, Howard said.

Howard came here in October, 1967 from Denton.

Phone Man To Transfer

Kenneth Howard, service man for General Telephone Company in Bovina for the past two years, has been transferred to Carrollton, near Dallas.

He will leave here Friday for his new assignment.

General Telephone has announced it will send a new service man to Bovina. The job will be put up for bids within the company, Howard said.

Howard came here in October, 1967 from Denton.

Measurements Push 4 Inches

Nearly four inches of rain have drenched the Bovina area within the past week, completely paralyzing farming operations. It came at the peak of harvest season, one of the most important times of the year, agriculture-wise.

Only a few days away from finishing the 1969 grain sorghum harvest and in the middle of sugar beet harvest, the clouds opened a week ago and released one of the wettest periods in recent Bovina history.

Rainfall began on Tuesday morning of last week and continued through Friday morning, leaving a moisture measurement of 2.20 inches in the rain gauge.

Accompanied by cold, but above-freezing temperatures, the weather was disagreeable until a warming trend began Friday afternoon.

Saturday brought warm sunny weather, almost as if spring were arriving.

But Sunday morning the cloudy, drippy skies returned for an additional .15 inches of moisture. A total of .78 inches was measured Monday and another .25 fell Tuesday morning.

Total at that time for the week was 3.38 with breaks in the

clouds in sight for today (Wednesday) and later in the week.

Farmers are undecided about whether they are sad or glad about the rainfall. Grain harvest has stopped and the prospects for a cotton crop grow dimmer each day -- especially following the early freeze on Oct. 13.

Sugar beet harvest, which also stopped, caused a temporary shut-down of Holly Sugar plant in Hereford. Farmers are fearful that the moisture will damage the already low sugar content in this year's crop.

However, the rain could not be better for wheat land since it has fallen slowly and soaked into the ground.

Cattlemen are also thinking in terms of the beneficial moisture since grass land will be aided.

People living on unpaved rural roads have been hampered by the weather. School busses have not been able to run off the pavement, and stories of being stuck have been a dime a dozen.

The rain has fallen slowly during the week-long period and there has been a minimum of run-off. Most of the moisture has soaked into the ground.

WET AND SOGGY---That was the weather picture over the area last week and this as rains drenched farmland and brought a stop to harvest operations. Mrs. Johnnie Horn joined West Texans in attempting to avoid the cold and rain.

Win All 3 Places --

Farwell Folks Find F'ball Funds Formula

The winner didn't win the seventh week of Bovina Businesses Cotton Bowl Football Contest. The top \$5 money went to another first time entrant, Brad Jones of Farwell, who named nine football out-

comes. Only one entry correctly predicted 10 games last week. There was no name on the blank.

Two other Farwell contestants took second and third with nine games, Mrs. Albert Johnson and Larry Wardlaw, who were awarded \$3 and \$1 respectively.

Wardlaw gained another game this week, continuing to lead the contest with 54 total. Two games back is Paul Jones with 62. Tied at third are Frances Allen, Lowell Boozer, T.

W. Carpenter, Neal Mager and Mrs. W. M. Roberts, 51; and at fourth, Allen Cumpston, Mrs. J. Sam Gaines, Al Kerby and Mary Jane Wilson, 50.

With Farwell seemingly taking over the Bovina contest this year, 12 others correctly predicted nine winners this week, but lost out on prize money because of tie-breakers. They included Leon Grissom, Gary Carson, Rush Looney, Bonnie Stanberry, Mrs. Gaines, Janie Sudderth, Rene Fisher, Wayne Peterson, Ed Isaac, Tommy K. Bonds, Lee Nicholas and Bill Polley of Texas Tech.

Interest has continued to stay high in this year's contest with total of 177 entering this week. Of that amount 48 named eight games; 48, seven games; 40, six; 17 five; seven, four; and one, three.

Most commonly missed this week were Texas Tech-SMU, Miami-TCU, but many contestants incorrectly picked Friona

over Floydada and Lockney over Olton.

The contest passed the halfway mark last week, but contestants are reminded there are six weeks left to play. Many times, the grand prize winner has not been determined until the final 13th week.

Winner of the entire contest receives a trip for two to the Cotton Bowl game in Dallas, including two tickets to the game, room reservations and \$55 traveling and food expenses.

Winners in previous years have been Neil Smith, Erith Hawkins, Emmet Tabor, Paul Jones, Jeanne Kerby, Allen Cumpston, Truck Lusk, Leroy Lance and Bill Roberts.

Sponsors are Gaines Hardware Co., Bovina Wheat Growers, Inc., Bonds Oil Co., Birkelbach Machine and Pump, First State Bank of Bovina, Oklahoma Lane Farm Supply, Sherry Grain Co., Charles Oil Co., Agri-Sprayers and Bovina Gin Co.

At St. Ann's --

Turkey Dinner Slated Sunday

A turkey dinner will be served Sunday in St. Ann's Parish Hall from 11:30 a.m. until 2 p.m.

Plates will be \$1.50 each.

In addition to the dinner several gifts will be given away, including a dual control electric blanket, electric clock, and a chair. Donations will be accepted by St. Ann's Society.

Final plans for the dinner were made at a meeting of St. Ann's Society last week.

Mrs. Leon Schilling reports that the hall will be cleaned Thursday at 1:30 p.m. Members of the society will meet at 1:30 p.m. Saturday for final preparations.

At the meeting of the society, reports were heard. Announcement was also made that Mrs. Gene Brito and Mrs. Ben Rejno will be delegates to the D.C.C.W. Convention in Levelland this week.

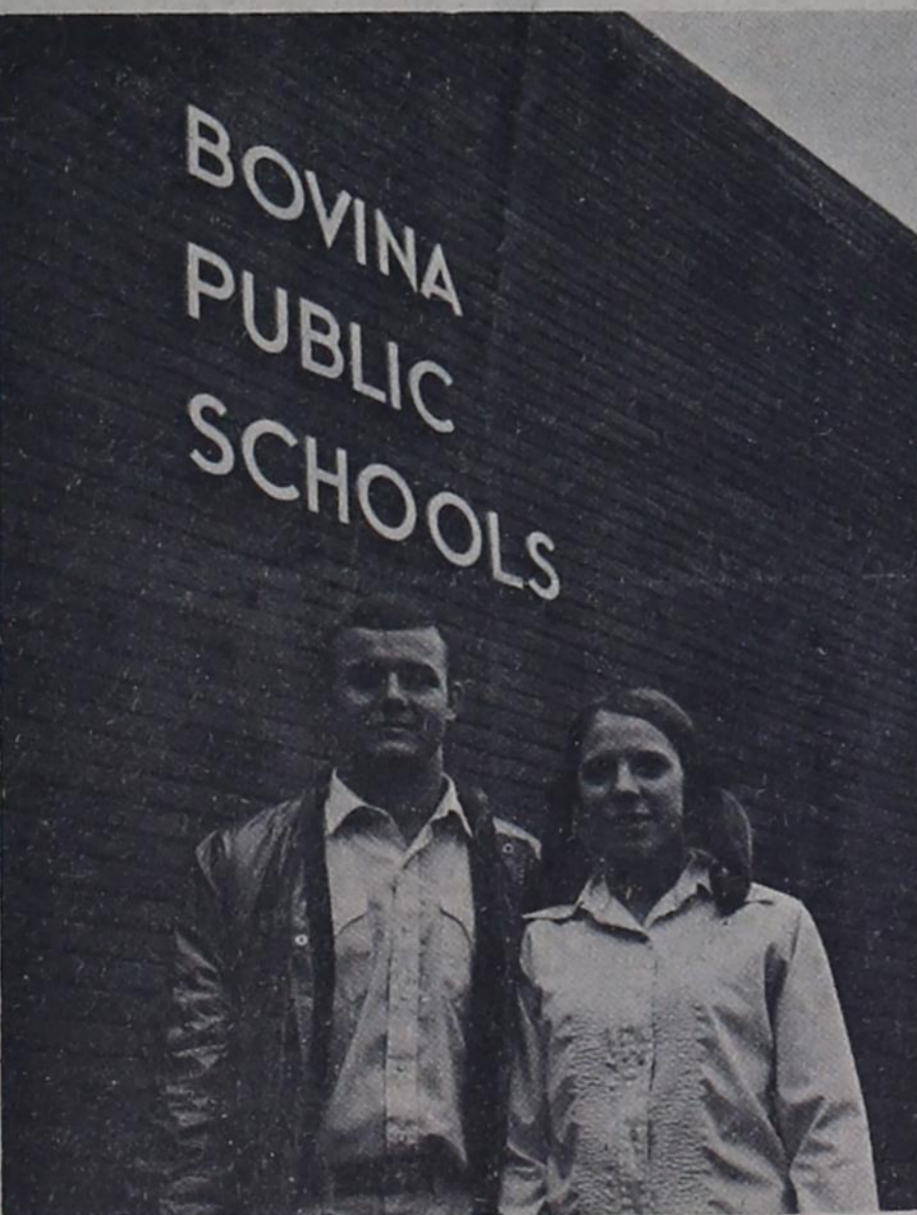

Hostesses for the meeting

were Mrs. Joe Schilling and Mrs. Leon Schilling. Next month's hostesses for St. Ann's Society will be Mrs. Larry Jesko and Mrs. Clyde Blalock.

Rule Infant Rites Held

Funeral services were held at 3 p.m. Tuesday in Central Church of Christ in Hereford for Sandra Jan Rule, two-month-old daughter of Mr. and Mrs. Andy Rule.

The infant died early Monday morning at her home. She is survived by her parents of Hereford; a twin sister, Rhonda Jean, and a brother, Robbie, both of the home; maternal grandparents, Mr. and Mrs. Preach Collier of Friona and Mr. and Mrs. R. R. Rule paternal grandparents of Hereford.

SCHOOL HONORS---Stuart McMeans and Suzanne Wilson, last seniors, were named Mr. and Miss BHS in elections held last week. The pair were also named Best All Around Boy and Girl and McMeans was named Best Sport.

Reflections From The Blade

Ten Years Ago

Oct. 29, 1959

First Baptist Church of Bovina has signed a new pastor. He is Rev. John Ferguson of Kress.

Cowboys, longhorns and ponies---District 2-B has everything needed to qualify as a genuine ranchers' circuit.

Plans were made at a meeting of band parents Monday evening to conduct a survey of all parents of school children in fourth through tenth grades in order to size up how many prospective students there are for band here.

A reported accident between Bovina and Farwell Friday night brought ambulances, policemen and highway patrolmen speeding through the city but by the time they reached the scene, the vehicle involved was gone.

Coach Charles Don Smith's Bovina Fillies racked up their second victory of the young season without a loss Monday night at Amherst.

With cotton harvest approaching, many High Plains farmers are concerned about how to harvest their crops for quality.

James Clayton, Mustang tackle, was named outstanding lineman after the Happy game marking the third time this season he has earned the post-game honors.

Rocky Hance, 125-pound back, became the first freshman to win the honor this season when he was named to join Clayton on the outstanding player list.

A total of 135 guests attended the formal open house of Methodist parsonage Sunday.

"The Need for More Nurses" was discussed by Mrs. J. R. Caldwell at the Thursday afternoon meeting of Bovina Woman's Club.

Six Years Ago Oct. 30, 1963

"Spanish is easy to learn." That was the word given to more than 60 people here who are interested in learning to speak the language at a Monday night meeting conducted to plan a course in conversational Spanish.

A trio of women contestants took home the prize money in last week's Bovina Business Cotton Bowl Football Contest. Mrs. J. W. Harris was the only one of 111 who entered last week of the contest to name all 10 winners of the high school and college football games.

An all-Parmer County football tilt is slated for Friday night as the Bovina Mustangs journey to the southeastern corner of Parmer to do battle with the Lazbuddie Longhorns.

With a new district alignment, the Bovina Mustangs will have a different football schedule for 1964.

Nazareth and Texline will be added to District 1-B for next year, joining Bovina, Hart, Happy, Vega and Lazbuddie.

Bovina Woman's Study Club prepared and served a fried chicken supper for the public Friday night in school cafeteria prior to the football game.

The club has also voted to sponsor the Christmas Card Project.

Mrs. Harold Morris presented a portion of the study on Southern Asia to members of Wesleyan Service Guild Tuesday evening at Methodist Church.

Junior class of Bovina High School will sponsor a "haunted house" Saturday at a house on northeast Main Street.

Annual Thanksgiving dinner, open to the public, will be served at Parish Hall of St. Ann's Catholic Church Sunday.

A glorified wash pot belonging to Billie Sudderth was stolen from his property on Third Street Friday night.

Parmer 4-H --

Club Members Receive Awards At Banquet

Deborah Harding and Kevin Kaltwasser were named Gold Star Girl and Boy at the annual Parmer County 4-H Achievement Banquet Saturday, October 25.

Deborah, a member of the Farwell club, is the daughter of Mr. and Mrs. Hurschel Harding. She has been active in 4-H Club work for five years. During this time, she has carried projects in clothing, foods and nutrition, sheep, home improvement, gardening and child care.

Kevin, the son of Mr. and Mrs. Walter Kaltwasser of Farwell, has been in 4-H Club work for six years. Kevin's projects have included electricity, field crops, entomology, parliamentary procedure, junior leadership, money management, beef cattle, recreation, rabbits and horse. In other activities Kevin has served as a county council delegate, has competed in county, state, and district elimination contests, won electric and entomology award medals, and has worked as a junior leader with boys in an electric group.

Mrs. Crickett B. Taylor, retired home demonstration agent, was presented a gift from the county 4-H Council and the 4-H Clubs in the county.

Darwin Green, Farwell, served as master of ceremonies of the banquet held at the Bovina School cafeteria. Dale Hart, Friona, said the invocation. The Pledge of Allegiance was led by Reta Davis, Lazbuddie, and the 4-H pledge and motto by Audrey Magness, Bovina. Kevin Kaltwasser, Oklahoma Lane, introduced the guests.

Gary Stone, Friona, introduced the speaker, John Pitts of Earth, John is the State 4-H Council chairman. The banquet is sponsored each year by the Bailey County Electric Cooperative and the Deaf Smith County Electric Cooperative. The following award presentations were made: Achievement -- Kevin Kalt-

wasser, Oklahoma Lane, six year pin.

Beef Cattle -- Steven Kaltwasser, Oklahoma Lane, six year pin; Harold Jones, Oklahoma Lane, 3 year pin; Conda Jones, Oklahoma Lane, three year pin.

Electricity -- Bruce Kaltwasser, Oklahoma Lane, two year pin; Kelly Head, Oklahoma Lane, two year pin; Weldon Kube, Oklahoma Lane, one year pin;

Horse -- Penny Norton, Farwell, one year pin; Danny Clark, Lazbuddie, four year pin; Laura Doshier, Farwell, three year pin.

Horticultural -- David Harding, Farwell, two year pin. Leadership -- Darwin Green, Farwell, four year pin.

Rabbit -- Zefrino Villarreal, Farwell, two year pin.

Rifle -- Coy Jameson, Friona, four year pin; Mike Messenger, Friona, two year pin; Trip Horton, Friona, two year pin; Troy Messenger, Friona, two year pin; Jay Messenger, Friona, two year pin.

Swine -- Gary Green, Farwell, three year pin; Kent Goldsmith, Farwell, two year pin; Dwight Green, Farwell, two year pin.

Safety -- Wade Jameson, Friona, two year pin.

Others receiving 1969 Year Pins -- First Year: Michael Mimms, Lazbuddie; Wesley Cockerham, Bovina; Steve Cockerham, Bovina.

Second Year: Gary, Stone, Friona.

Third Year: Laura Doshier, Farwell.

GIRLS

Achievement -- Karene Hart, Friona.

Bread -- Susan Mimms, Lazbuddie; Cheryl Gohlke, Oklahoma Lane.

Clothing -- Arlene Magness, Bovina; Holly Hart, Friona; Deborah Harding, Farwell.

Food -- Nutrition -- Karen Mimms, Lazbuddie; Lee Ann Williams, Farwell; Karen Head, Oklahoma Lane; Sue Ann Monk, Bovina.

Food Preservation -- Audrey Magness, Bovina; Jacquelyn Langford, Farwell.

YEAR PINS

First -- Patti Martin, Farwell; Sonia Kube, Oklahoma Lane.

Second -- Diane Bennett, Friona; Cheryl Gohlke, Oklahoma Lane; Arlene Magness, Bovina; Lee Ann Williams, Farwell; Karen Head, Oklahoma Lane; Sue Ann Monk, Bovina; Jacquelyn Langford, Farwell.

Third -- Susan Mimms, Lazbuddie; Audrey Magness, Bovina; Gayla Self, Friona; Gall Graham, Friona.

Fourth -- Reta Davis, Lazbuddie; Holly Hart, Friona; Karen Mimms, Lazbuddie.

Fifth -- Karene Hart, Friona; Deborah Harding, Farwell.

Seventh -- Cheryl Kaltwasser, Oklahoma Lane.

Cash Awards (Girls) Food & Nutrition Educational Activity

Jacquelyn Langford - first-county junior division Lee Ann Williams - second-county junior division Dress Revue

Carrie Haseloff - first-county senior division Deborah Harding - first-county junior division Holly Hart - second-county junior division Cheryl Gohlke - first-county junior division Arlene Magness - second-county junior division Clothing Educational Activity

Rifle Contest Troy Messenger - 1st place in county & district contest; Mike Messenger, Jay Messenger, Trip Horton

Natural Resources David Harding - 1st in county & 3rd in district contests. A trophy was presented to the Friona 4-H Club for having the most entries in the County 4-H Fair which was held September 13 in Friona.

Topaz is the birthstone for those born under the sign Scorpio, impetuosity their main characteristic, and the red chrysanthemum their flower, according to florists.

Scorpians, passionate and secretive, are actively confronted with a lifetime battle. They can use their great emotional power for regeneration and soar to the heights of an eagle. Or they can use their scorpion-like sting for great destruction.

If they overcome their material environment, they will pass into a "higher self"; if not they will be conquered by their materialistic desires. Disciplined, controlled and independent, Scorpians also possess a fine ability to probe and investigate.

For 1970 --

Announce Sugarbeet Acreage Allotments

Proportionate shares (acreage allotments) will be in effect for 1970 crop sugarbeets. This is necessary in order to avoid excess production, Prentice Mills, Parmer County ASCS office manager said.

The national sugarbeet acreage for 1970 has been set at 1,450,000 acres. The 1969 planted acreage was 1,660,000 acres. Texas is to have 40,784 acres in 1970.

The 1970 sugarbeet program includes the following basic provisions: 1. Set asides of not less than one-half of one per cent of each State allocation will be made for each of the three categories -- new producers, adjustments in initial farm proportionate shares and appeals.

2. Proportionate share allotment areas (such as a territory served by one or more beet sugar companies, a county or a group of counties) will be established at the option of the State ASCS Committee.

3. If allotment areas are involved, a base acreage for each area will be established by using one of the following:

a. The larger of 70 per cent of the area's 1969 accredited acreage plus 30 per cent of the area's 1967-'68 average accredited acreage during any of the years 1965 through 1969.

b. The area's largest accredited acreage during any of the years of 1965 through 1969.

c. 79 per cent of the area's 1969 accredited acreage plus 30 per cent of its 1967-'68 average acreage.

d. Such other formula selected by the State committee the need for which is justified to and approved by the Deputy Administrator, State and County Operations, Agricultural Stabilization and Conservation Service, for application to one or more of the area's accredited acreage records during the years of 1965 through 1969.

4. Area bases shall be factored to the State Allocation less the set-asides.

5. Individual farm bases will be established within each area

of a State or within each State if areas are not established by use of one of the methods in Item 3 for establishing area allotments, as selected by the State Committee. In land history regions, the history of the farm (as constituted for 1970) will be used. In regions where the personal history of farm operators is permitted under the Sugar Act, and is used, farm bases will be calculated by using such personal records or a combination of land and personal history.

6. Initial farm proportionate shares will be established by factoring farm bases to area allotments less the set asides or, where areas are not created, to the State Allocation less the set asides. Where appropriate, adjustments will be made in such shares.

7. Marketing within proportionate shares is one of the conditions that a producer must meet to qualify for Sugar Act Payments.

8. A producer desiring a sugarbeet proportionate share (allotment) must file an application for such acreage with the ASCS Office maintaining his farm records. Applications may be filed at anytime during the period October 27 through November 21, 1969.

Persons desiring further details about the sugarbeet program should contact the local ASCS Office.

GOOD PSYCHOLOGY BY HAGERTY WHEN YOU GIVE A GIFT, MAKE SURE THAT IT WON'T CREATE ANXIETY. A WOMAN WITH YOUNG CHILDREN MAY FEEL UNCOMFORTABLE IF YOU GIVE HER SOMETHING FRAGILE, AND A WOMAN WHO IS MORE JOB-CENTERED THAN HOME-CENTERED MAY FEEL UNEASY RECEIVING GEAR FOR COMPLEX COOKING.

PASTOR'S FAMILY -- Rev. and Mrs. Charles McCause and their children, Ruth, Felix, Larry, Edith and Bruce have moved to Bovina. He is the new pastor of Bovina Pentecostal Holiness Church.

At Baptist Church --

Alcohol, Dope Service Set

The First Baptist Church will follow an annual practice Sunday by participating in the Texas Alcohol Narcotics Education field day, according to Rev. Ken Moore, pastor.

This is a time when ministers who speak in behalf of the "TANE" organization are invited to various pulpits around the state and bring messages regarding this area of Christian concern.

The guest speaker at the Bovina Baptist Mission and First Baptist Church will be Rev. Don Smith, presently a teacher at Estacado Junior High School, Plainview. Rev. Smith is a graduate of Wayland Baptist

College and is a former pastor of Hillcrest Baptist Church in Lubbock.

The "TANE" organization is the only full-time ministry in Texas devoted to working in public schools, churches, legislation and research in the field of alcohol-narcotic education. The staff of "TANE" works on behalf of morally concerned people in Texas for the cause of abstinence and moral integrity in our state, according to Rev. Moore.

Everyone in the community who is genuinely concerned with this immediate problem is urged to attend the 11 a.m. Sunday service, Nov. 2.

Global IOU's

The financial leaders of the western governments are working on what is known as the International Monetary Fund.

While anything pertaining to high finance often zooms into an esoteric atmosphere, what is done in the next few weeks could have a long lasting impact on every business, both large and small.

Basically, the problem is that the world is money short.

In the era of the World War II days, it was agreed at an economic conference in Bretton Woods that the United States would in effect, become the banker to the world. It was agreed that the dollar would be the recognized currency, and in turn the U.S. leaders at that time promised to hold the value of gold at \$35 per ounce, thus promising away the sovereign right of any nation.

These discussions were all predicated on the fact that the U.S. had a stable currency in a world torn by war, backed by a substantial gold reserve. What was left out of the discussions was securing a promise that the U.S. government would pursue fiscal sanity.

But in the past few years, the moment of truth came to all the western world. Not only have government policies resulted in the depreciation of the dollar, but the U.S. gold reserves are gone. In fact, if foreign held dollars were all sent through for cashing into gold, the U.S. could not pay off.

Probably the only reason foreign dollar holdings have not been cashed in is the realization that the pound, franc, lira, et al. might not fare so well, either, if the dollar was thus brought down.

And just as the housewife finds that her dollars do not buy the amount of bacon as formerly, in world trade the present dollar is not big enough to finance the volume of trade needed to meet the demands of a burgeoning world population.

So now the idea is basically one whereby the world will do without money, and instead, world trade will be financed by an elaborate system of IOU's. Complex and intricate arrangements are being devised whereby each nation will have the right, when short of cash, to turn over what amounts to promissory notes, with the amount of IOU's each nation can sign determined by a central group decision.

There is a reasonable assumption that for a time this funny money will work, just as the results of the Bretton Woods conference worked for a while. But what comes next? Does the spirit of Louis XV who once said, when faced with a French financial chaos, "After us the deluge" now dominate the entire western world? Such an arrangement will probably give the American government time to get its financial house in order. If it fails to do so during this monetary breathing period, the end result will probably be global chaos.

INTEREST CENTER --- Pamela Rhodes, Linda Dyer and Miss Ray Buster examine items displayed at the interest center, all typical of Brazil, when the Clovis missionary, right, was guest at a meeting of the Sunbeams. (Photo by Mrs. Ovid Lawlis)

Clovis Missionary From Brazil Guest At Sunbeam Meeting

Miss Ray Buster of Clovis, retired Southern Baptist missionary to Brazil, was guest at a meeting of Sunbeams last week in First Baptist Church.

Girl Born To Turners

Mr. and Mrs. Jack Turner of League City are parents of a daughter born at 1:48 p.m. September 20, friends have been notified here.

The new arrival, the couple's first child, has been named Tamara Kay. She weighed seven pounds. The mother is the former Patricia Crawford, daughter of Mr. and Mrs. Roy Crawford of Lake Dallas and formerly of Bovina. Paternal grandparents are Mr. and Mrs. Jack D. Turner of Zapata, also formerly of Bovina.

The visit from Miss Buster was a climax to the Sunbeam's study of Brazil. The missionary who served in that country 40 years told the Bovina children about the Brazilian food, customs, language and the Baptist work in that country. Last year Miss Buster returned to Brazil for a visit with friends and stayed in the home of a Brazilian preacher whom she had sent to school as a youngster with gifts from Clovis friends.

Miss Buster worked in Rio de Janeiro and Belo Horizonte. She taught the Sunbeams the song "Praise Him, Praise Him" in Portuguese.

The interest center for the meeting displayed items from Brazil, a purse, tote bag, Brazil nuts, shawl, coffee cup and saucer, and a picture showing a parrot, polinetta, papaya mango, watermelon, and a replica of a growing cashew nut.

The serving table and refreshments carried out the colors of the Brazilian flag, green, yellow, blue and white. Covered with a lace cloth over blue, the table was centered with small maps of South America and the United States atop flags of the two countries.

Praying hands provided the background featuring the word "friends." The centerpiece denoted "friends praying together."

Refreshments were yellow fruit punch and cookies. Also attending the event were parents of the Sunbeams, the W.M.S. members, GA's and others.

Announce Engagement

Rev. and Mrs. W. H. Davis of Wichita Falls announce the engagement of their daughter, Lynne, to Jerry Kemerly, son of Mr. and Mrs. Ralph Kemerly of Fortville, Indiana.

Both are students at Dallas Baptist College. Wedding date is December 27. Miss Davis is the granddaughter of Mrs. Helen Wassom of Bovina.

MRS. ROMAN RAMIREZ

Couple Repeat Vows In Denton Church

Miss Helen Durrett of Dallas and Roman Ramirez of Bovina exchanged double ring marriage vows at 10:30 a.m. Saturday, Oct. 11, in Highland Baptist Church at Denton.

The bride wore a white street length dress featuring lace edging at the neckline. Attendants were friends of the couple from that area.

Father of the bridegroom is Pedro Ramirez of Bovina. He and the Ramirez family attended the ceremony. The bride is employed in Dallas. The bridegroom is a graduate of Bovina High School and is attending North Texas State University in Denton.

The couple will make their home at 9934 Cherino St., Dallas.

MRS. CLIFFORD LEAKE

It's no secret Mrs. Clifford Leake turns out some of the best pies and cakes in town. If it were Bovina housewives would not be knocking at her door. Mrs. Leake's culinary skills are in demand whenever pies and/or cakes are needed.

A long-time resident of Bovina, Mrs. Leake was born in Albany. She came here 43 years ago. When Mr. Leake came to Bovina, about 42 years ago, the couple opened a service station and grocery store on North Street.

They retired last winter, on February 1. Since that time, the Leakes have enjoyed such pleasures as day-time television and sleeping late in the mornings.

Mrs. Leake continues to pursue her hobbies of cooking and embroidery. The couple raised their three daughters in Bovina. During the past 43 years Mrs. Leake took her turn with such organizations as Brownies and Order of the Rainbow for Girls, of which she served as Mother Advisor.

The daughters, Mrs. Jack (Margie) Owens of San Angelo,

Mrs. Tommy (Kay) Williams of Bovina, and Mrs. Terry (Janice) Carpenter of Clovis have given their parents six grandchildren, three boys and three girls.

The Leakes have lived in the same house at 107 4th Street for 41 years.

"We've been in Bovina a long time. Neither of us could live anywhere else," Mrs. Leake said.

The following are some of her favorite recipes.

Oatmeal German Chocolate Cake

Combine and let stand 15 minutes.

1 c. quick cooked oats
3/4 stick oleo
1/2 bar German chocolate
1 1/4 c. boiling water
When cool add:
1 1/4 c. flour
1 1/2 c. white sugar
1/2 c. brown sugar (packed)
2 eggs
1 t. soda
1/2 t. salt
1 t. vanilla
Bake at 350 degrees in a large pan.

Topping

1/2 c. canned milk
6 T. soft oleo
1 c. white sugar
1/2 c. chopped pecans
3/4 c. flaked coconut
1 t. vanilla
Mix, pour on cake and put under broiler until light brown.

Class Meet Held Here

Friendly Circle Sunday School Class of First Baptist Church met Monday night with Mrs. Houston Bartlett as hostess and Mrs. J. D. Adams as co-hostess.

Nineteen members attended the meeting.

The class will meet the third Thursday of each month, Mrs. Adams announces.

Community Conversator

Mrs. Wilson DiCuffa was released last week from the Dimmitt hospital, where she had been a patient several days.

Gingerbread

1/2 c. sugar
1/2 c. Crisco
Mix together
1 egg
1 c. Brer Rabbit syrup (do not substitute)
2 1/2 c. sifted flour
1 1/2 t. soda
1 t. cinnamon
1 t. ginger
1/2 t. cloves
1/2 t. salt
1 c. warm water
Cream shortening and sugar, add beaten eggs, then the syrup. Bake at 350 degrees in greased and floured pan until done.

Yeast Rolls

Mix:
2 pkg. dry yeast
6 T. sugar
2 1/2 c. warm water
Melt, cool and add 2/3 c. shortening.
Add:
4 c. sifted flour
4 1/2 t. baking powder
2 t. salt
1/2 c. plus 2 t. powdered milk
Let stand about 10 minutes. Roll out and cut like biscuits. Let rise and bake.

Lemon Pie

9 inch pie shell
1 c. sugar
1/4 c. cornstarch
1/4 t. salt
1 1/2 c. water
3 egg yolks
2 T. oleo
1/3 c. lemon juice
Mix and add water. Cook until thick. Thickens more when cool.

Meringue

Beat 3 egg whites with pinch of salt and pinch of cream of tartar.
Add 6 T. sugar, little at a time.
Bake at 300 degrees until brown.

Group Presents Skit On Parliamentary Rules

"Responsibilities in Parliamentary Procedure" was presented members of Bovina Woman's Study Club in the form of a skit Thursday afternoon.

Presenting the right and wrong ways of conducting a business meeting were Mmes. Jimmie Clements, Ovid Lawlis, Lowell Boozer, Billie Sudderth, Dickie Clayton, Earl Whitten, Travis Dyer, Earl Stevenson, Clarence Jones and Leon Ware. In a business meeting members reassigned \$100 to the

Civic Improvement Program to be used for the Medical Center.

Plans for the Harvest Carnival to be held November 8 were also made.

Spice cake, coffee, tea and nuts were served by the hostesses, Mrs. Jesse Walling and Mrs. Bobby Englant.

Other members attending included Mmes. J. R. Caldwell, Reagan Looney, O. H. Jones, Gerald Bradford, Henry Ivy and Charles Corn.

Scoopin' By Pat Jacobs

Some say--in the not too distant future (if Dr. Floyd Golden and countless others are correct)---the Red bosses will sit back in their overstuffed chairs, light big cigars, prop their feet on their carved, massive desks, and remember how easy it was. They will look out a window of the Capitol building toward Pennsylvania Avenue and remember how the American people ate "right out of their hands."

It started with the Socialist Party "way back when. The party became obsolete as time went on--when all major parties carried its platform.

Along came the depression and its bread lines. World War II put the country under obligation to the Soviets--a major victory in ground-gaining.

But the Korean War was the one that began their trend to victory--when good old Uncle Sam was convinced it should never try to defeat an enemy again.

And from that point on, America seemed intent on destroying itself--spending billions on every pork barrel project that came along--spending and taxing to the brink of bankruptcy.

The Civil Rights movement was ready-made. It began the outward conflict within the country--and set the stage for street riots and lawlessness---a necessary tool in a battle for Communist victory.

All this time, welfare was undergoing changes. And welfare was no longer basically used to help those who needed help--but as a political weapon. Welfare was doled out--not in answer to pleas but in answer to demands.

No one seemed to notice, at first, that Uncle Sam became involved in a little country called South Vietnam. If it didn't seem too important at first, it only took a hotter undeclared war and the busy work of the Communist-front organizations to make the young people sit up and take notice.

And with Civil Rights as a fore-runner--and hippies as helpers--more riots, demonstrations and outright acts of treason were not too difficult to come by.

In the midst of political chaos, came the most devastating cancer of all--the one called "moral." The intellectuals and sophisticates became "pushers" in its growth. Every kind of filth was thrown at the youngsters from every direction--from motion pictures to dope.

When the moral and religious fibers were finally destroyed--there was nothing left of the country that was once called the greatest on earth--and last vestige of hope for a free world under God. ---It was like blowing over a feather.

And the parents who worked and clawed their way through all those years succeeded in giving their children the one thing they had never had. Slavery.

Bovina Area Churches Welcome You!

Church Chuckles by CARTWRIGHT

©CHAS. CARTWRIGHT 1016
"You brats better take your yelling and screaming somewhere else before I forget I'm a Christian!"

Thou Art the Christ Read Mark 8:27-30
Psalm 150
And Peter answered and said unto Him, Thou art the Christ.
Mark 8:29

As Jesus continued to instruct His disciples, He asked them: "Who do men say that I am?" The disciples gave a variety of answers: "John the Baptist, Elias, one of the prophets."

But Jesus pressed the disciples with another question: "But who say ye that I am?" Peter replied for the group: "Thou art the Christ."

At this point it would appear that the disciples were making some progress. They had been with Jesus, they had heard His words, they had seen the miracles which He performed.

When Peter spoke of Jesus as the Christ, he was reaching back into Old Testament history. The name "Christ" made the connection with the Messiah, the Anointed One, the Promised Savior.

Jesus was the One chosen of the Father to be the Savior and Redeemer of the world. We still remember the message of the angels at Christmas: "Unto you is born . . . a Savior, which is Christ, the Lord."

As we worship tomorrow, we shall once again "sing forth the honor of His name, make His praise glorious," because we are saved by grace.

What a privilege for us, to know and to proclaim to all men that we are followers of the Christ!

To Farm Bureau --

Dr. Golden Relates Iron Curtain Rules

Dr. Floyd Golden, past president of Eastern New Mexico University, was the principal speaker when the Parmer County Farm Bureau held its annual county convention recently in Bovina Schools cafeteria. Officers of the county organization were elected and 4-H Club awards presented, in addition to the program. Harry Hamilton was named president of Parmer County Farm Bureau; Glenn Lust, vice president; Max Crim, secretary-treasurer. New directors include Ira Parr, Don Gerles, Hubert Gohlke, Jerry McClaren, W. T. Magness, Jimmy Cockerham, Floyd Schueler and Gene Hamilton.

Ed Hardage and Mrs. Juanita Smith of Farwell furnished the dinner music. Tom Jones and Miss Sheila Garner, delegates to the Waco Citizenship Seminar on Americanism, reported what it meant to each of them. Miss Mary Rando of Friona gave a patriotic reading, "Freedom My Responsibility." 4-H Club awards were pre-

sented David and Deborah Harding, Gary Stone, Diana Bennett, Mike Messenger, Karene Hart, Rocky Bartlett, Audrey Magness, Danny Clark, Reta Davis, Kevin Kaltwasser and Carrie Haseloff.

Dr. Golden gave the highlights of his recent tour behind the iron curtain. He contrasted the American way of life to that in Russia, where all jobs are assigned with no choice given the worker.

All living quarters are assigned, he said. Russian husbands cannot exercise the good American prerogative of "gripping" to his wife about his job. It would be her responsibility to report him to the party.

Dr. Golden stated that the situation faced by Communism and Atheism versus Americanism and Christianity. Because of the success of the Communist program in America the original date of 1977 for take over in America has been changed to 1969, Dr. Golden said. The compacency and refusal to become involved on the part of the American people is a great

factor in the success of Communism. A buffet dinner was served to members and guests of Farm Bureau.

At Home In Parmer County

By Janice Miller
County HD Agent

The Parmer County 4-H Achievement Banquet was held this last Saturday night in Bovina. All of the members on the program did an excellent job. Without the work of the members, parents, and leaders there would be no reason to have a banquet. This annual event gives us a chance to recognize the members for their outstanding work.

nearly perfect. The seven-year-old is anxious to do well and to learn how things are done.

DORZAN footwear and accessory material adds a new fashion look plus easy care and long life to shoes, handbags, luggage, golf bags, belts and small personal goods. The new material can look dainty, glittery, shimmery, strawlike, multi-colored in an endless number of woven patterns and effects.

Dorzan is made of nylon in a variety of weaves. It is light weight, moisture and scuff resistant and easy to care for. It lets shoe uppers breathe (air and moisture pass through). It will not crack or absorb water as will some woven materials.

An occasional sponging with warm water and detergent will remove dirt from Dorzan. Household spot remover will remove stubborn stains, and the luster and color remain because they are built into the material.

Shoes with Dorzan uppers have been worn for two years with excellent shape retention. Have you seen this new material?

Marriage Licenses

Two marriage licenses were issued from the office of Parmer County clerk, Bonnie Warren, during the past week. The permits to wed went to Freddy Mack Goldsmith and Marida Nell Hardcastle, Oct. 20; and John Michael Wilson and Paula Se Hassenpflug, Oct. 23.

What's different, and better, about the new CROP/GUIDE soil test?

Every dollar invested in fertilizer can return several dollars in increased yields. But you must know the right kinds and amounts to apply. The best way to get this information is with the new CROP/GUIDE™ Soil Test from American Oil. Why is the CROP/GUIDE Soil Test different and better? Accuracy for one thing. Soil samples are gathered by a trained specialist. In-

gredients used in testing are carefully weighed, to a thousandth of a gram. Testing is done for those elements and soil conditions important to your area, crop and soil. Another difference is that test results are used to develop the CROP/GUIDE Plan that's personalized for you--"the best way known to raise crops in your area." You expect more from American and you get it!

Call your nearby CROP/GUIDE Manager today!

Game Here Friday Night --

Kress Kangaroos This Week's Opponent

Bovina Hopes For Rebound

Hoping to rebound from a sound thrashing at the hands of the Springlake-Earth Wolverines last week, the Bovina Mustangs take on the Kress Kangaroos here Friday night.

The game will be the third District 3-A tilt in as many weeks for the Mustangs of Coach Cib Hough and they are seeking their initial victory.

Game time is 7:30 p.m.

Games prior to this one have started at 8. However, this game, and those following, will begin at the earlier time because of the recent change back to Central Standard Time.

Like the Mustangs, the Kangaroos are also winless in two district outings. After winning five straight pre-district games, Kress was upset in its district opener by Vega, three touchdowns to two. Then, last week, the Kangaroos dropped a one-point decision to the Farwell Steers.

Coach Hough says the Kangaroos will be "bigger, faster and stronger" than Springlake-Earth. That offers little encouragement to Bovina fans who saw their favorite team go under to S-E, 64-0, Friday night. However, the Mustangs will be hoping to prove that game was a fluke when they take the field with the Kress team.

This will be the fifth of six home games for the Mustangs this season. They play Farwell here the following week before going to Vega Nov. 14 to close out the season. They have played away from home the past two weeks.

The Mustangs won over Kress last year, 14-12, as they took advantage of Kangaroo fumbles to upset the Swisher County team. In '67, Kress was the victor, 15-7.

Physically, the Bovina team is expected to be in reasonably good shape. Wingback Mike Beauchamp, injured the last couple of weeks, is expected to be back in near top form for the game.

"Except to the heart, we didn't come out of the Springlake-Earth game with any additional injuries," the coach commented this week.

Also in regard to last week's one-sided loss, Coach Hough said "We have no excuses or apologies to offer. We just got a whipping. Springlake-Earth is good, but not that good."

The Mustangs will throw the ball this week against Kress,

whether the field is wet or dry, the coach promised.

Farwell and Sudan are presently on top of the 3-A standings with 2-0 marks. Tied for third and fourth places with 1-1 records are Springlake-Earth and Vega while the Mustangs and Kress are in the cellar at 0-2.

In other district action this week, Sudan is at Springlake-Earth and Vega plays at Farwell. In a story this week, The Amarillo Daily News referred to 3-A as "probably the strongest overall Class A district in the state."

For the season, the Mustangs stand 4-3.

Take Wolverines --

'B', 8th Teams Still Unbeaten

Bovina "B" team put another victory under their belts, defeating Springlake - Earth Thursday night, 16-14, after the eighth graders continued their winning ways, 42-8.

It was the fifth win for the eighth grade team, against no losses. Coach Bill Nicholas' junior high boys stand 2-0 in district competition.

In the runaway opener Thursday the eighth graders led 14-0, 20-8, 28-8 in the first three quarters of play.

The first scoring play came on a 30-yard run by Billy Shelby, followed by Tony Serna's two followed by Tony Serna's two extra points. Still in the first quarter, Serna crossed from three yards out. The extra point attempt was no good.

The second quarter saw Keith Moore pass to Shelby for a 60-yard touchdown play. Serna scored on an eight yard run in the third quarter with Shelby adding extra points.

Last quarter touchdowns were made on pass plays from Shelby to Joe Delgado, the first for 25 yards and the second for 50 yards. Moore ran across the final extra two points.

School Menus

Nov. 3-7

Monday: Soup, peanut butter, cornbread, crackers, butter, banana pudding, milk.

Tuesday: Fried chicken, creamed gravy, mashed potatoes, cabbage, apple and raisin salad, hot rolls, butter, apricots, milk.

Wednesday: Beans and tamales, lettuce and tomato salad, cornbread, butter, peach cobbler, milk.

Thursday: Beef on bun, cheese slices, buttered corn, mixed greens, rice pudding, milk.

Friday: Fish, tartare sauce, potato salad, green beans, hot rolls, butter, orange cake, milk.

District Tilt --

Wolverines Blank, Steamroll Mustangs

Great gobs of Green and White!

The Springlake-Earth Wolverines, enjoying one of those nights when everything they did seemed to be right, and catching the Bovina Mustangs at a time when everything they did seemed to be wrong, roared to a 64-0 District 3-A win Friday night in a football game played in the Lamb County community.

The one-sided loss left the Mustangs and their fans in a stunned state. The outcome hadn't been expected to turn out that way and the regional press even had the Mustangs listed as favorites.

As the game wore on into the painful, late stages, touchdowns came luckily and frequently for the host team, but even before the tilt became so overly one-sided, the Mustangs had taken a pretty good country whipping.

At least three touchdowns and extra points could be erased from the total score as being of the "gift" variety to the boys in the Green and White clothes, but even with taking off those 21 points the game was still deeply disappointing for the Bovina boys, who suffered their worst defeat in several years, and possibly in history.

Going into the game, each of the teams had a district record of 0-1. The loser would be knocked out of contention for the district title while the winner could continue down the district slate with a reasonable outside chance at the championship.

The Wolverines used a tough defense and the outstanding running of Terry Bridges and Tony Barton to run up the overwhelming margin over the shocked Mustangs.

Needless to say, the Springlake-Earth team was in control of the game throughout, but that is mostly hindsight and wasn't necessarily true in the early stages. The Wolverines tallied 15 points in the first quarter and only seven more in the second for a 22-0 halftime lead and it appeared then that the Mustangs, if they could get their offensive machine in gear, could get back in the game and possibly even win it.

But the first half had been just a hint of what was to come in the final two quarters. The S-E boys racked up 21 points in each of those to come up with the hard-to-believe point total.

After the halftime rest break, the Mustangs weren't able to

put together two first downs in a row as the ground game wouldn't work with consistency and the aerial game was never able to get off the ground.

Bovina made five first downs during the game -- three in the first half and two in the first quarter. The first two of the first downs came early in the game just after the Mustangs received the opening kickoff.

Things briefly looked good for the Ponies at that early point. The kickoff was returned to the 33. Fullback Royce Sisk battered for three. Tailback Stuart McMeans blasted for four and then six for a first down at the 46. Things were looking about right for Bovina at that point as Sisk rolled for seven more yards on the next play and McMeans added on nine more for the second first down at the S-E 38.

The tough Wolverine defense dug in at that point, though, and the Bovina fans had little to cheer about from then on. Running on first down from the 38, McMeans got two. Sisk picked up one more and then McMeans got four to bring up fourth down and three at the Wolverine 31. The tailback managed for one on the fourth

The loss left Bovina's season mark at 4-3. Springlake-Earth is 5-2 for the year and 1-1 for the season.

Linda Rejino On Volleyball College Team

The Marymount College girls volleyball team has been selected for the 1969-70 school year. Members include Erlinda Rejino of Bovina.

Last year's Marymount girls' volleyball team placed first in the state in competition that involved all Kansas colleges and universities.

Erlinda is the daughter of Mr. and Mrs. Ben C. Rejino, Star Route, Bovina.

Set Nov. 8 --

Select Booths For Carnival

Booths have been selected for the Harvest Carnival Nov. 8 in the county barn, according to Mrs. Earl Whitten, chairman of the event sponsored by Bovina Woman's Study Club.

The event will be held Saturday, Nov. 8, from 7 to 10:30 p.m.

Work is expected to get underway this week on construction of the booths. Members of FFA chapter will build the booths again this year. Mrs. Earl Stevenson is chairman of booth construction.

A total of 16 booths is expected for the carnival this year. Classes and organizations in Bovina Schools has selected most of their booths. These include freshmen, fortune telling, sophomores, white elephant sale; juniors, football throw; seniors, cake walk; FHA, grab bag; FFA, putting green; Student Council, basketball goal; eighth grade, marriage booth; seventh grade, nickel or penny throw; Pep Club, bean count.

The Study Club will have the bingo booth, Mrs. Travis Dyer,

chairman; food booth, Mrs. Henry Ivy and Mrs. Leslie McCain, chairmen. Possibly others will also be chosen for the carnival.

Profits from the carnival will be split 60-40 between the Study Club and school classes and organizations. Mrs. Leon Ware is chairman of the bookkeeping committee.

Other committee chairmen include Mrs. Rouel Barron, admissions; Mrs. Jack Clayton, clean up; and Mrs. Ovid Lawlis, supervisory.

On The Farm In Parmer County

By RONNY MCNUTT County Agent

Fall fertilization for spring crops offers several advantages as contrasted to fertilizer application in the spring.

Dr. C. D. Welch, extension soil chemist, lists these advantages for fall fertilization. Avoid periods of unfavorable weather immediately prior to planting season which may prevent getting into fields when fertilizer must be applied. Applying fertilizer in the fall leaves soil undisturbed and thus conserves moisture for planting. Utilizes labor and equipment during periods when not needed for other farming operations.

Also, takes advantage of "off-season" prices and aids in avoiding temporary shortages of some fertilizers.

But Welch points out that it is difficult to generalize about fall fertilization and individuals must weigh advantages against such factors as lost nutrients from early application; soil characteristics and cropping systems and environmental factors such as temperature and rainfall.

Application of nitrogen in the fall should be considered only if ammonium forms are used, if soil temperature remains below 50-55 degrees F. during the period before planting and if properly applied to clay or fine textured soils. Welch says maximum efficiency can be expected when it is applied just prior to the period of use by the crop. Nitrogen in the nitrate form may be leached or lost through denitrification in water-saturated, alkaline, clay soils.

Grain sorghum fertilizer demonstrations conducted in 1966 and '67 in Parmer County on Amarillo Fine Sandy Loam soil showed that yields increased significantly with later applications of nitrogen. Time for applications on these demonstrations varied from before shredding of stalks to side-dress. These demonstrations pointed out that nitrogen can be lost through leaching on permeable soils and that conversion of ammonia to the mobile nitrate form proceeds at a rapid rate. Higher application rates

THE TOTAL amount of water in the world's oceans, ice fields, lakes, rivers, soils, rocks and atmosphere amounts to about 326 million cubic miles, reports the U.S. Geological Survey.

Don't tie yourself down to high interest rates.
