

BY BILL ELLIS

WE HAD LUNCH at Bovina Restaurant the other day with George Washington.

Yep, we wouldn't put you on. It was Old George, all right, but not the father of our country. He's a school teacher who was a coach for several years down at Muleshoe (that cotton patch just beyond Bovina's South 40).

Folks here may not know our friend George Washington, but they probably remember his counterpart, John Paul Jones (not the famous U.S. Naval hero, but like George well grounded in the teaching profession). Jones formerly was employed in the local school system.

THE STORY goes that one time while George was coaching, his counterpart, John Paul, was coaching at Morton at the time.

George needed to talk to J.P. to confirm, or change or do something to a scheduled athletic event involving their two schools.

Getting on the telephone, George told the operator "This is George Washington in Muleshoe. After he convinced her that he really was George Washington, the coach told the operator he needed a Morton number.

"I need to make this person-to-person to John Paul Jones," George told the unbelieving telephone company employee.

We're not sure whether the operator ever put the call through or not. I think she thought old George was trying to put her on-like maybe she was about to be on Candid Camera or something. Wonder what name he uses when he stays at a motel? I bet he's got some other interesting stories connected with his unusual name.

IN ABOUT another week the wheat should be ready to cut. Most farmers at this stage of the game are worried about a bad hailstorm, and hard wind, or perhaps most are worried that the market will drop about a dollar the day they start cutting.

However, this year farmers have a new worry, and that is whether the fuel shortage may interfere with their harvest operations.

This may not be a problem in the local area, but everyone is aware that just across the Panhandle, in the Clarendon to Vernon area, this is a very real problem, with the crop ready to be harvested, and no fuel available for some of the farmers.

Locally, it is simply a matter of the dealers not being able to sell gas to any new customers, but simply take care of their old, established customers.

"It's a strange thing," a gas wholesaler told us the other day. "For years we've tried to get extra business, and now, with several people begging us to sell to them, we can't do it," he continued.

We have thought at times that the shortage was a manipulated, political deal. This is the theory expounded by some, and has been charged by Senator Henry Jackson of Washington state.

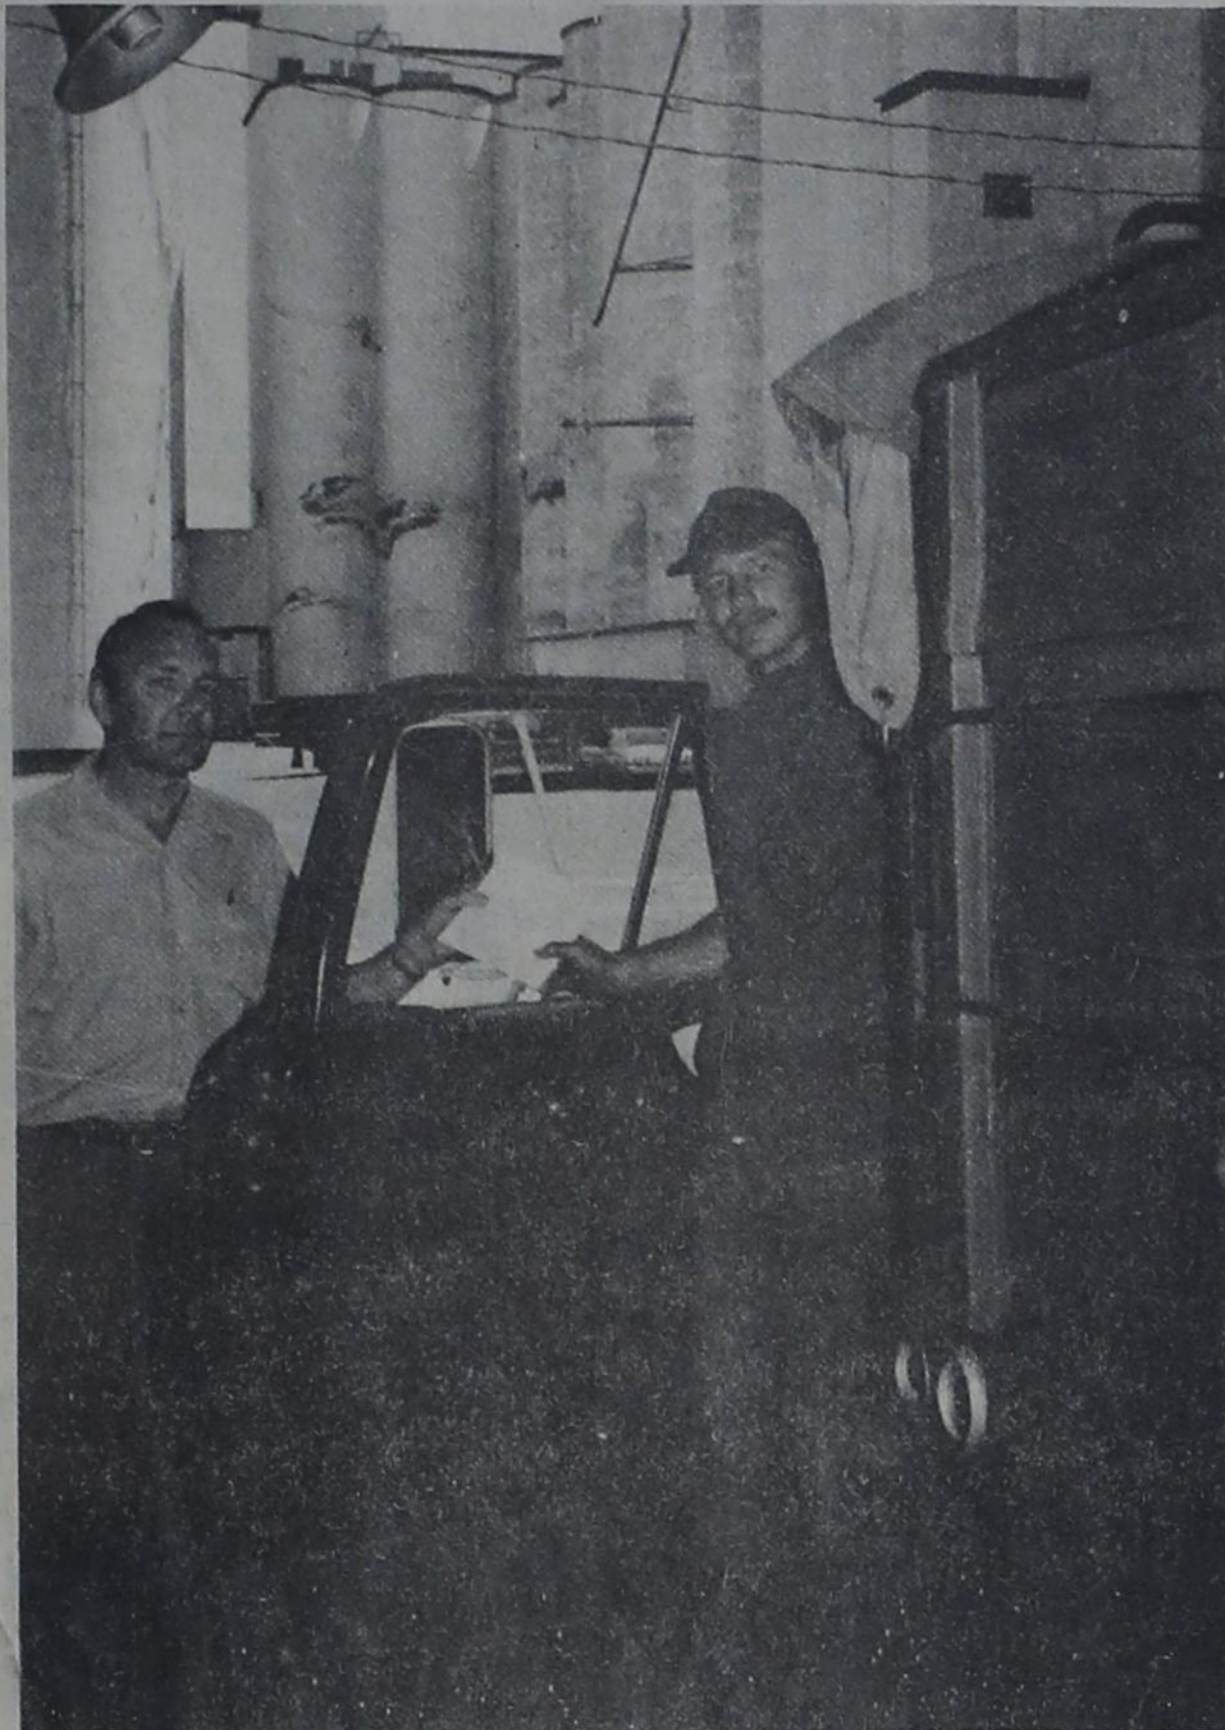

If it is political, it is hard to see how certain individuals can hear to see people on the verge of suffering (as they well might be next winter, if a fuel shortage exists), when they could reverse the situation by their own whim or fancy.

But we have also become aware that in the political arena, nothing is sacred. Whether or not farmers get their crops out is secondary to the people who are pushing for a mass transit system.

Some politicians no doubt think about like an Eastern housewife, who is said to have remarked "I don't know why we need farmers at all. I can buy anything I want at the Safeway store."

HARVEST TO BEGIN SOON

Wheat Yields Look Good, Price Up

FIRST BARLEY...Bovina's first load of 1973 grain was delivered to Sherley Grain Co. Friday afternoon. Harry Johnston of the elevator hands the scale ticket to Raymond Drager, operator of the truck. Harvested on the Elmo Dean farm nine miles northeast of Bovina,

the dryland barley tested 15 per cent moisture and the testweight was 44 pounds per bushel. Drager estimated the yield would be 30 bushels per acre. The elevator plans to present Dean a \$25 premium check for the first load.

FIRST LOAD ARRIVES...Larry Wiseman, left, and Larry Webb of Bovina Wheat Growers, Inc., study a sample of the first load of barley that arrived at the elevator at 10 a.m. Monday. Harvested by T.C. Wiseman on the Tom Paine farm six miles northwest of Bovina,

the dryland barley is averaging about 53 bushels per acre. The first load tested 12 per cent moisture and testweight was 43 pounds per bushel. The elevator will present Paine a \$25 premium check for the first load.

Bad Weather Misses Crops Up To Now

With enthusiasm high because of potentially good yields and better-than-average predicted prices, area farmers are on the brink of launching the 1973 wheat and barley harvest.

Yieldwise, the crop is expected to be as good as any and better than most. The crops had sufficient moisture in the fall and winter months, an oddity here, for a good start. Grazing conditions were considered above average, also, this year.

The first loads of 1973 barley have been brought in to the elevators here.

Sherley Grain Co. received the first load of '73 barley Friday afternoon. Harvested on the Elmo (Dutch) Dean farm north of Bovina, the dryland barley was averaging about 30 bushels per acre.

Bovina Wheat Growers, Inc., received its first load of barley Monday morning when T.C. Wiseman brought in a load harvested on the Tom Paine farm northwest of Bovina. The dryland barley tested at 12 per cent moisture and was averaging 53 bushels per acre, said Wiseman.

Some early fields of wheat may be cut this week, or at least "sampled."

Bulk of the harvest is expected to be completed in the next two to three weeks with perhaps some late loads coming in the first week in July. Based on the weather permitting normal harvesting of the crop.

(Continued on Page 7)

BULL TOWN DAYS

McDaniel Chairman Of '73 Celebration

Lewis McDaniel has been named chairman of Bull Town Days 1973.

Appointment was made at a meeting of Bovina Chamber of Commerce and Agriculture Wednesday and approved by Bovina Roping Club.

McDaniel served as co-chairman last year.

Stanley Robison was appointed co-chairman of the annual celebration.

Bull Town Days will be held August 16, 17 and 18.

Already several events have been scheduled.

The 13th annual Bovina Quarter Horse Show, which attracts about 100 entries annually, is scheduled for Saturday, August 18. Arrangements are also being

made to secure a carnival for the celebration.

Included in the Quarter Horse Show will be halter and performance classes. Trophies will be presented the grand and reserve champion and to first place class winners. Rosettes will be awarded second through sixth places.

William R. Murrell of Gruver will judge the show, one of the major features of the BTD celebration.

Also in the process of being arranged is the annual free barbecue and other events, including a chuckwagon breakfast, cow calling contests, beard growing contests, old timer's reunion and others. Details of the celebration

were discussed at the chamber meeting last week.

The schedule of activities of the celebration will remain about the same as they have been in years past with an official schedule of events expected to be announced in the near future by McDaniel and the heads of various committee.

Weather

By Willie

We'll have some rain this week.
May not be much, but there will be some.

JULY 9

Annual Clinic Meet Slated Next Month

Three directors to the seven-member board of directors of Bovina Medical Center, Inc., will be elected at the annual meeting of the cooperative next month, announces Earl Stevenson, board chairman.

Annual meeting has been scheduled for 9 p.m. Monday, July 9, in Community Room of First State Bank of Bovina.

Two of the newly-elected directors will serve three-year terms with one elected to fill the vacancy created by the resignation of Dolph Moten from the board. Moten's term has one year to run. He was

serving his second consecutive three-year term.

Nominations for the posts will be announced later, said Stevenson. Other nominations will be accepted from the floor at the July meeting.

Directors whose terms expire this year are Rouel Barron and B.L. Marshall.

Holdover directors are Stevenson, who has one year remaining on his present term, and Mrs. Leon Ware, Mrs. Leslie McCain and O.H. Jones, who have two years remaining as board members.

The board will re-organize following the annual meeting. Mrs. Ware is presently serving as secretary-treasurer.

Indebtedness on the clinic building was reduced to \$1000 with the payment of \$500, plus interest, this week, says Mrs. Ware.

Income came from the community's Christmas Card Project, from memorials and from the monthly rent of \$100 from Dr. P.C. Hickman.

The money, plus interest, is owed to First State Bank of Bovina.

The clinic here was constructed in 1968 for approximately \$45,000. Most of the amount was contributed by citizens, either outright, or in the form of certificates of stock.

"OUTSTANDING FATHER"...Beaming with delight as they learn their father was named "Outstanding Father" in Bovina are the children of Dan Koelzer—left to right, Catherine, 9, Clara, 7, Bernard, 5, Kevin, 11, and Anna Marie, 3. Koelzer, who was chosen for the honor over three other nominees, will be presented a standing rib roast of beef by the Riata CowBelles. The beef was donated by Missouri Beef Packers, Inc. Koelzer is the Pioneer Natural Gas Co. representative in Bovina.

IN BOVINA

Koelzer Chosen Outstanding Dad

Dan Koelzer has been chosen the "Outstanding Father" in Bovina in a contest sponsored by the Riata CowBelles of Parmer County.

The contest was held in conjunction with the promotion by Texas CowBelles of "Beef Says It Best For Father's Day."

Koelzer, who won out over three other nominees, will be presented a standing rib roast of beef donated by Missouri Beef Packers, Inc.

Other nominees for the honor were Leon Grissom, Ike Quickel and Larry Scott. Koelzer was nominated by the Bovina Lions Club.

The contest was also held in Friona and Farwell, according to Mrs. C.C. Naegle, chairman of the contest here.

Mayor Johnie Horn has signed a proclamation designating...

(Continued on Page 7)

ANNUAL REPORT

Wheat Growers Meet Tonight

The annual meeting of stockholders in the Bovina Wheat Growers, Inc., will be tonight (Wednesday) at 8 in the Bovina Schools cafeteria.

Larry Webb, manager of the cooperative says that an audit report for the year ending March 31 will be given at the meeting.

Dr. Bill Black, economist and marketing specialist at Texas A&M, will be guest speaker at the event.

"Dr. Black has a message for those of us in agriculture and we feel it will benefit everyone to hear him," Webb says.

A barbecue meal with all the trimmings will be catered by Underwoods of Lubbock.

Election of two directors will highlight the business session. Terms of Harold Hawkins and A.W. Gober are expiring. Hawkins is currently president of the board. Gober is secretary.

Holdover directors include M.H. Carson, vice president, Walter Potts and Raymond Schueler.

Stockholders and patrons of the Bovina Wheat Growers are urged to attend the meeting.

An invitation to attend the meeting may be found in an advertisement elsewhere in this issue of The Blade.

BY YOUTH

Canvass Set Here Sunday

A "Canvass Against Atheism" will be sponsored by the United Methodist Youth of Bovina Sunday.

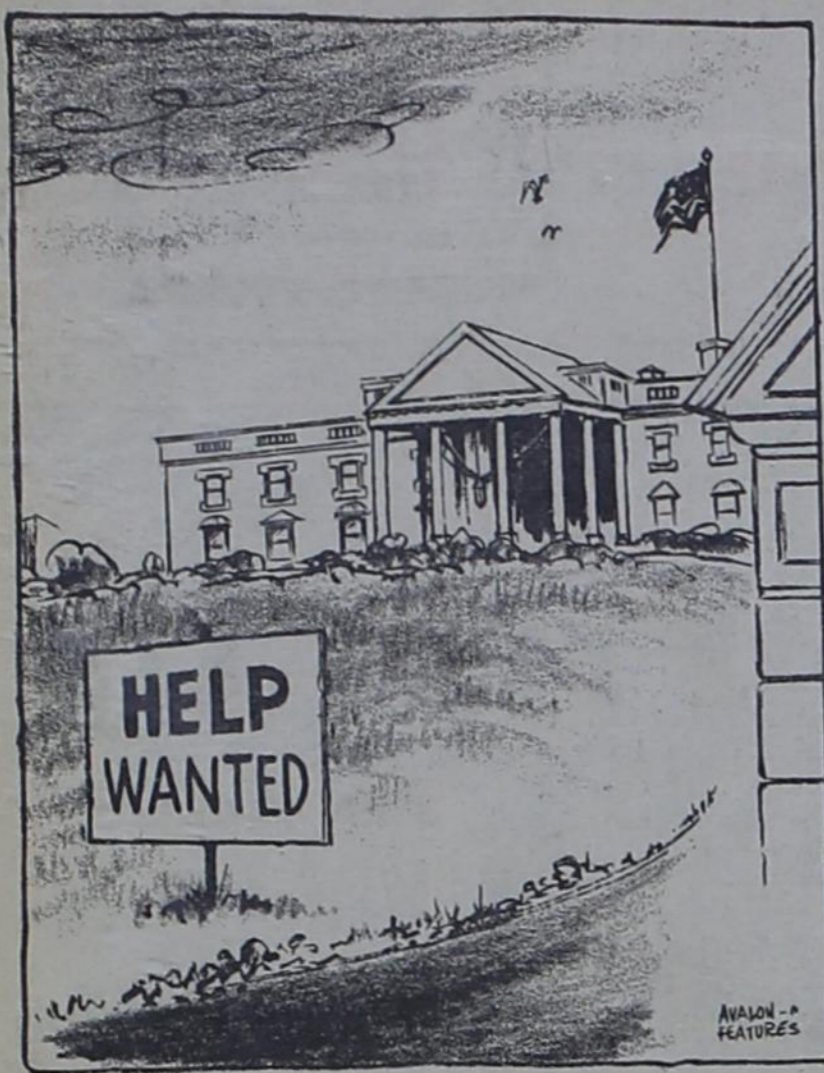

All youth of the community are invited to meet with the UMY at 8:30 p.m. at the city park for the drive, which will be city-wide.

According to youth directors, Mr. and Mrs. Darrell Selke, the group will canvass Bovina passing out letters written to the National Aeronautics and Space Administration supporting the decision of the astronauts to read the Bible in space.

"If enough letters are signed over the United States, then the freedom of our national leaders to express their Christian faith will be protected," said Mrs. Selke.

The campaign is in opposition to Madeline Murray O'Hair's efforts to make it illegal to read the Bible in space. She plans to present some 27,000 letters protesting the Bible-reading to NASA with a demand that the astronauts be publicly censured for their act and prohibited from further demonstrations in the future.

An effort is being made by numerous denominations to secure one million letters to defeat her purpose.

FREDERICK, S.D., BROWN COUNTY NEWS—"Shoplifting isn't a game or anything very funny. It's a crime and a very serious one. When a shoplifter steals for 'kicks' he risks a criminal record that may haunt him throughout life. It may bar him from a good job. It may be the start of a life of crime. It may bar his entry into a business or profession. He may find the door closed to a position of trust in his city, state or federal government. His stupid act will bring shame to his parents, to his brothers and sisters and to his friends. Stealing is foolish business. Its costs are high in shattered reputations and loss of personal happiness and respect."

ANTIGO, WISC., JOURNAL—"Walking is excellent exercise, as Senator Proxmire affirms but it isn't safe for everyone. In the large cities there are areas where it is positively dangerous, because of the likelihood of being 'mugged.' In some suburbs pedestrians are viewed by residents as potential robbers, casing the neighborhood for jobs. One has to live in the country or in one of the smaller cities to enjoy walking to the fullest."

SUMMIT, MISS., SUN—"What we really need is wage and price controls on the federal government."

HARTFORD CITY, IND., NEWS-TIMES—"It is quite probable that 20 years from now, the minimum Social Security benefit may be double what it is today—but because of continued inflation, those who will be dependent upon the minimum then will be relatively no better off than those dependent upon it today. The Lord giveth and the Lord taketh away, but the government taketh—and taketh."

Reflections From The Blade

TEN YEARS AGO—JUNE 12, 1963
 Wheat harvest of 1963 got underway here Monday with both Bovina elevators, Bovina Wheat Growers, Inc., and Sherley Grain Co., receiving their first loads. First loads were delayed a few days later than usual because of heavy moisture during past few weeks.

Don Murphy, who farms Charles Ross land four miles west of town, was first farmer to Bovina with a load of 1963 wheat. He delivered it to Bovina Wheat Growers at noon Monday. Ray Carter, who farms four miles north of Bovina, brought first 1963 wheat to Sherley Grain Co. at 4:15 Monday.

A band and music teacher for Bovina Schools was signed at a regular meeting of board of trustees Monday night. Named to fill the vacancy left by Ezra Hudson, who is going into the service, was Joe Wayne Harper, who was graduated last month from West Texas State University with a degree in music education.

Consideration of purchasing a street sweeper for Bovina was leading subject at a regular meeting of city council last week.

Parmer County's first load of 1963 wheat was delivered to Sherley-Anderson Lazbuddie Elevator Thursday by Henry Ivy, who farms three miles north and two miles east of Lazbuddie.

Three Way Chemical-Bovina Gin is undefeated and in sole possession of first place following the first four nights of play in Little League action.

Lance Corporal Max Gilreath, son of Mr. and Mrs. Boyd Gilreath, will be stationed in England for two years with the Marine Corp. He left last Monday for Philadelphia and flew to England Saturday.

Mrs. Bob McMeans and Mrs. Ralph Straw returned Saturday after a week's activities at Homemakers College at New Mexico State University at Las Cruces, N.M.

SIX YEARS AGO—JUNE 14, 1967
 Wheat harvest, 1967 variety, started on a slow, steady note last week.

Lynn Isham delivered the year's first load to Bovina Wednesday afternoon. It was cut from the Frank Hastings place, which is rented by Isham, northeast of Bovina, and delivered to Sherley Grain Co. Bringing the premium load to Bovina Wheat Growers, Inc., was Dick Sparks. The load was harvested from land rented by Sparks from M.C. Kelley. It arrived here Saturday.

High, damaging winds, believed by some to be tornado-type, hit the Bovina area last Tuesday afternoon of last week.

A dust collector, a large metal device, was blown from the top of Sherley Grain Co. elevator here. A spokesman at the elevator said he believed the winds to be unusual because the collector had withstood higher, straighter winds.

Bids for the construction of Bovina Schools' new elementary classroom building will be opened Thursday, June 29, Superintendent Otis Spears announces.

Mr. and Mrs. Jo. O. Combs celebrated their 50th wedding anniversary in their home Sunday.

Enrollment in the Head Start program in Bovina Schools has increased during the past week to about 30, Superintendent Otis Spears announced this week.

Mr. and Mrs. Tom Bonds returned this week from a four-day vacation in the Grand Bahamas.

A girls basketball coach was named for Bovina High School Monday night at a regular meeting of board of trustees of Bovina Schools. He is Don Warren, 25, who has coached at Miami High School for the past two years.

As girls basketball coach, Warren will succeed Darrel Read, who resigned at the end of last school year. Read coached both boys and girls varsity teams last season. Truck Lusk, who was junior high coach last year, was recently named boys coach.

Rites Today For Son Of J. O. Combs'

Funeral services for Woodie S. Combs, 53, were held this morning (Wednesday) at the First Baptist Church in Morton. Burial was in the Morton Cemetery.

Mr. Combs, the son of Mr. and Mrs. J.O. Combs of Bovina, died about 6 p.m. Monday in Lubbock's Methodist Hospital after suffering a heart attack Friday. He had undergone major surgery Tuesday.

He was a native of Paradise and a graduate of Morton High School. A former resident of Lubbock, he had lived for many years in Morton and was employed at a seed and feed store.

Other survivors include his wife; a daughter, LaNita Combs of Morton; three sons, Larry Combs of Muleshoe, Tommy Combs and Bobby

Combs, both of Morton; a sister, Mrs. Gene Guyer of Lubbock; two brothers, Doug Combs of Roswell, N.M., and Harold Combs of Portland, Ore.; and three grandchildren.

SAFE DRIVING

Gen-Tel Co. Wins National Honors

General Telephone Company of the Southwest has won national honors for outstanding safe driver performance during 1972 in the 42nd National Fleet Safety Contest conducted by the National Safety Council.

Owen N. Rabourn, vice president-personnel, said the company has received the certificate of achievement award. General Telephone drivers in four states operated 28,832,479 miles with an accident frequency rate of 4.40 accidents per one million miles of operation.

Rabourn said General drivers averaged one accident per 227,027 miles driven. General has 2,435 vehicles in service.

William L. Frigon, chairman of the National Fleet Safety Contest Committee, said over 2,500 fleets consisting of more than 300,000 vehicles, traveled more than six billion-seven hundred million miles during the contest year. The combined average frequency rate of 12.20 accidents per million miles represented a decrease over the previous contest year.

Danny Chester is General Telephone's representative in Bovina.

SPRINGLAKE DEMOCRAT

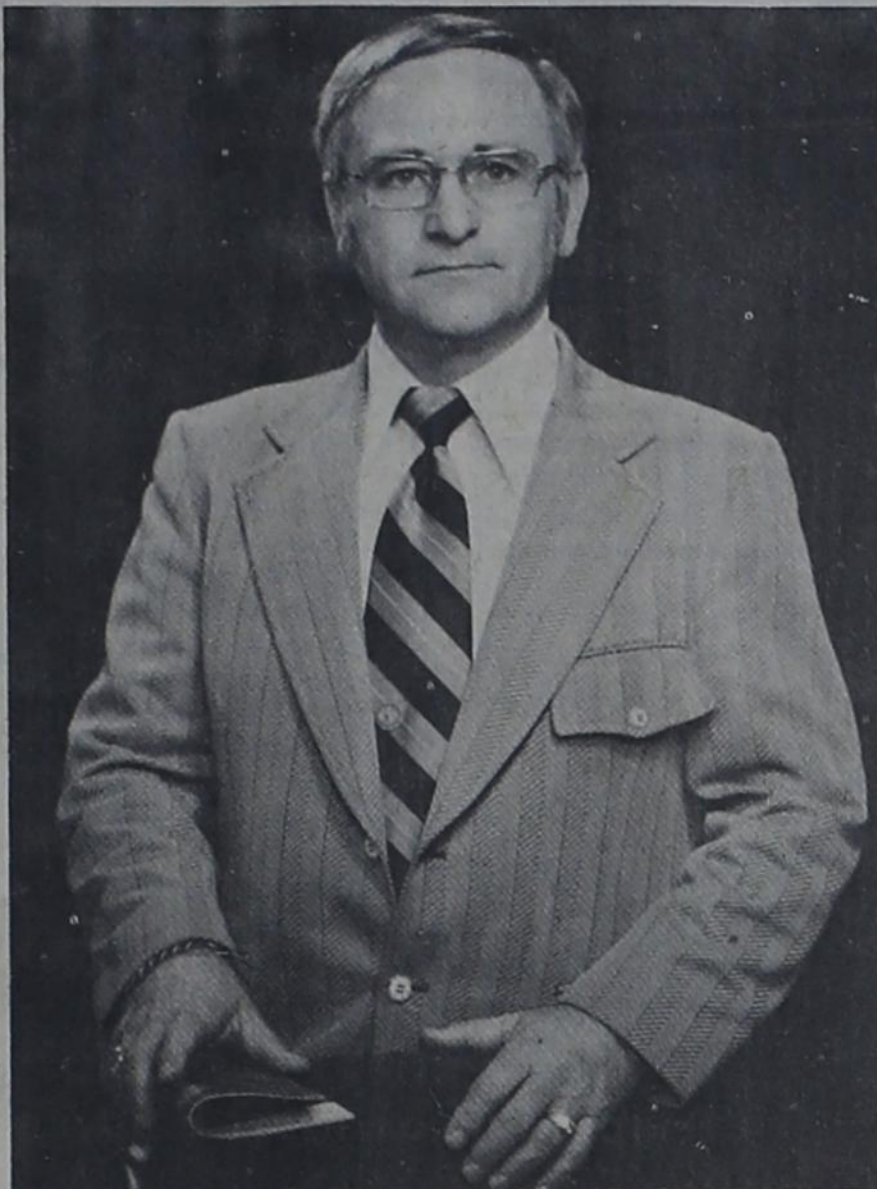

Clayton Enters Speaker's Race

Six-term State Representative Bill Clayton of Springlake recently ended speculation in Austin by announcing that he is officially a candidate for the office of Speaker of the Texas House of Representatives.

Clayton, a Democrat, is an acclaimed leader in the Texas House legislative chambers. Sponsor of more than 40 bills in the past legislative session, Clayton promised to streamline the bulky and often unworkable House Committee system to enable legislators to have the opportunity to deal with more bills with less haste than has generally been true of past legislative terms.

While dedicating himself to the continuation of needed reforms enacted in the '73 session, Clayton spoke of the necessity for encouraging greater productivity during the session, a task which traditionally has been the responsibility of the Speaker.

Clayton stated, "During the past session much needed legislation died in the log-jam created by what I consider to be an unworkable committee system, but perhaps this was a blessing in disguise. The legislature has finally met the challenge of trying to become less of a distant, unapproachable entity, and has recognized the principal to which I have long subscribed—that hard work and effectiveness are directly proportional. "I believe that with this as the basis for all legislative activity, and under my leadership and administrative programs, the Texas House will become much more of a forum for rational, well-reasoned change and actions than it has been in the past."

BILL CLAYTON

Clayton, a farmer, is married and has two children.

Born at Olney, he moved with his family to Springlake in 1931. He was graduated from Springlake High School and attended prep school at Allen Academy. He is a graduate of Texas A&M University with a bachelor of science in agricultural economics.

Elected to the House of Representatives in 1962, he has been re-elected every two years since. Clayton is the acknowledged water legislative leader in Texas having either authored, co-authored or played a key role in every major water legislation during his tenure. Currently serving on several water study committees, Clayton is now chairman of the Standing Sub-Committee on Water Conservation, Natural Resources and serves on Elections and Intergovernmental Relations Committee.

He is active in numerous other water-oriented associations and institutes. Clayton is

the recipient of many awards and citations including the Fort Worth Press "Outstanding Service Award in Water Conservation" and the first award of the West Texas Water Institute for Meritorious Contributions to the Development and Conservation of West Texas Water Resources.

He is the author of several papers including "Laws Affecting Water Development in Texas," "Pollution-Feedlot Waste Management," "Conservation—We Pass This Way But Once," and "Water or Desert."

JOHNNIE HORNS ATTEND MEETING

Mayor and Mrs. Johnnie Horn attended a meeting of the Texas Municipal League Thursday, Friday and Saturday in El Paso.

Among speakers on the agenda were Senator Lloyd Bentsen and Robert S. Calvert, Texas Comptroller.

FOR FRESHMEN

Summer Enrollment Slated At WTSU

West Texas State University's new freshman summer enrollment program is proving very popular, Registrar Donald Cates said today.

Three dates—June 12, July 6 and July 31—were set aside for orientation, advisement and early registration of freshman students already accepted for admittance to WTSU next fall.

Two hundred students and their parents have been invited on a first-come, first-serve basis to each of the sessions. The June session was filled, Cates said, but places remain on the two July dates.

Cates said, "This program will help the student make the transition from high school to college while at the same time help the parent understand more about that transition."

The purposes of the summer program, Cates said, are to assure the student of more individual attention in orientation, program planning and registration of classes; to provide an opportunity to visit and become acquainted with the campus; and to help him learn more about educational and career opportunities and financial aid programs.

"These freshmen will be able to come in smaller groups,"

Cates said. "They will be given individual academic counseling by faculty members on a one-to-one basis."

"It is very important for interested students to send in their confirmation cards as soon as possible so that they may have a better chance of getting in the session they want."

Orientation is scheduled from 8:30 a.m. to 5 p.m. Students will meet in a general assembly in the Activities Center and then break into four smaller groups for counseling, orientation and campus tours.

During the time the students are being advised, their parents will have an opportunity to meet and talk with university deans and administrators, Cates said.

Registration for classes with the student's advisor is the last step in the process.

There is no charge for the program. The tuition and fees incurred from registration will be billed to the student's home after the program, Cates said.

Arrangements can be made with the director of the Testing and Counseling Center by students who wish to attain college credit for some courses by examination.

Housing will be available in

university residence halls for students desiring to remain overnight the night before or after each session. Parents will be able to lodge in motels near the university. The university cafeteria will be open to parents and students for meals at nominal cost.

Honey Mast and Ronnie Nuttall, both of Bovina, have registered for the July 31 session of the summer orientation program.

Cotton can be warm or cool depending on its weave.

Services Held For Niece Of Bovina Woman

Funeral services for Mrs. Maxine Tyndall of Amarillo, niece of Mrs. Lillie Trostle of Bovina, were held last week in Amarillo.

Mrs. Tyndall, 62, died Tuesday afternoon of last week in St. Anthony's Hospital.

A native of Shamrock, she had been an Amarillo resident for 50 years. She was the widow of Ralph Tyndall.

She was retired in September of 1971 as a medical secretary for the Veterans Administration Hospital.

Other survivors include two other aunts, Mrs. Leanne Harvey of Shamrock and Mrs. Joe Williams of Hereford, and several cousins.

In a shell

by Lou Nuttall

A TIP of our slightly-battered baseball cap to Dan Koelzer for being chosen the "Outstanding Father" in Bovina. Couldn't have picked a more deserving guy, in our opinion.

WITH FATHER'S DAY coming up Sunday, the CowBelles have released a dinner menu designed to please Dad.

Since the Lions Club doesn't have a special dinner honoring fathers and since most of our farmer-husbands will be in the fields harvesting wheat and barley, the following dinner plan would probably be one of the best things one could do for them on "their day."

Although most women enjoy eating out at a restaurant on Mother's Day, odds are that Dad will prefer eating outdoors in his own back yard—especially when he can relax while a woman proves she can "man" the grill.

Although he might settle for steak alone, there should be more. Potatoes, foil wrapped, baked on the grill or in the oven and topped with sour cream or butter, is a favorite of most men. Corn on the cob, which is now on the produce shelves, is another popular choice. Caesar salad would fit in with the menu and French bread, sliced and slathered with onion-flavored butter and wrapped in foil before heating on the grill will also be welcomed by the men in the family.

The CowBelles have chosen a strawberry glaze pie to top off the meal, but the men in our family would sure prefer a freezer of good homemade ice cream.

However, if one prefers the strawberry pie, we'll pass along the recipe sent to us by the CowBelles.

FRESH STRAWBERRY GLAZE PIE

- 3 pints of strawberries, washed and hulled
- 1/4 c. cornstarch
- 1 c. sugar
- 1/8 t. salt
- 1/2 c. water
- 1 t. lemon juice
- 3 drops red food coloring
- baked 9-inch pastry shell

Cut each berry vertically in half. Combine cornstarch, sugar and salt in saucepan. Blend in water and add 3 cups halved strawberries. Cook over low to moderate heat, stirring constantly until very thick and clear. Remove from heat and stir in lemon juice and red food coloring. Lightly fold in remaining strawberries. Cool slightly and turn into a baked 9-inch pie shell and chill 2 to 3 hours. Top chilled pie with whipped cream before serving if desired.

THE DAD at our house would appreciate a dinner such as the above, but he would probably appreciate some volunteer truck drivers along about that time more than dinner.

ONE THING we forgot to mention in our unsolicited testimonial for the Farmer County chamber of commerce last week was the cool, fresh, clean air hereabouts.

After living in a stuffy, high-humidity climate for a number of years, the cool nights in Bovina were most enjoyable. It's really amazing at the difference that a few miles can make.

For instance, the nights are much warmer and more humid 50 miles southeast of Bovina. Friends from that neck of the woods just can't believe the change until they spend a night or two here.

Miss James, Charles Collins Exchange Vows In Bovina

In a double ring ceremony read at 4 p.m. Friday, May 4, at First Baptist Church of Bovina, Miss Marilyn Kay James became the bride of Charles Turner Collins.

Rev. Larry Heard, pastor, read the marriage vows before an archway of candelabra holding white tapers and centered with a basket of forget-me-nots and blue and white daisies and a white kneeling bench.

Mr. and Mrs. Floyd Englant of Bovina are parents of the bride. The bridegroom is the son of the late Mr. and Mrs. Jesse Turner Collins of Littlefield.

Mrs. Bobby Englant, organist, played traditional wedding music and accompanied Larry Webb, uncle of the bride, as he sang "The Wedding Prayer."

Given in marriage by her father, the bride chose a formal gown of bridal satin, fashioned by her mother, designed with an empire waistline, stand-up collar and long, fully gathered sleeves. The bodice was overlaid with re-embroidered Alencon lace and matching lace shaped the collar. The sleeves were designed with a cap of satin with lace bell ending with wide lace cuffs fastened with pearl buttons. Her veil of matching lace was attached to a band of satin roses. She carried a cascade of blue daisies with blue streamers over a white Bible.

Carrying out bridal tradition, she carried pennies minted in the couple's birth years in her slippers for something old, something new was her wedding ensemble, something borrowed was a diamond necklace and something blue was the traditional garter.

Miss Patti Mills of Bovina, cousin of the bride, was maid of honor. She wore a formal gown of blue dotted swiss, designed with a scoop neckline, short fitted sleeves and daisies at the empire waistline. She carried long-stemmed blue tipped carnations with blue streamers.

Carl Enloe of Littlefield served as best man. Mary Rose Englant of Bovina, sister of the bride, lighted the candles.

The bride's mother chose a formal length blue double knit gown designed along princess lines with a white daisy corsage.

The bridegroom's sister, Mrs. Alma Tucker of Littlefield, chose an aqua blue formal length gown with lace sleeves and a white daisy corsage.

Following the ceremony, a reception was held in Fellowship Hall of the church.

The bride's table was covered with a white lace cloth

over blue and centered with the bride's bouquet and white Bible. The three-tiered wedding cake was decorated with blue roses on white and topped with a miniature bride and groom figurine. Misses Debbie and Karla Mills, cousins of the bride, served blue punch, wedding cake and mints from silver and crystal appointments. Mrs. Tucker presided at the guest register.

For a wedding trip to points of interest in New Mexico, the bride wore a blue knit jumper with white lace trimmed blouse.

The bride is a graduate of Fourche Valley High School in Arkansas and was employed at the Bovina Restaurant.

The groom, a graduate of Amherst High School, is employed by General Telephone Company.

MRS. CHARLES COLLINS

Shower Set Saturday For Recent Bride

Mrs. Tommy McCormick, the former Miss Debbie Roddy, will be feted with a bridal shower from 2 to 4 p.m. Saturday in Fellowship Hall of First Baptist Church of Bovina.

Hostesses are Mrs. A.L. Glascock, Mrs. Robert Beavers, Mrs. W.W. Wilcox, Mrs. Floyd Englant, Mrs. Mamie Pounds, Mrs. Bessie Webb, Mrs. Opal Wines, Mrs. Eual Hart, Mrs. A.L. Nuttall and Mrs. Leslie McCain.

Stretch Beef Dollar
The smart shopper who wants to put more elasticity into her beef dollar should consider cuts that come from the shoulder area, referred to as the chuck in beef. This is pot-roast territory and also the area from which blade steaks are cut. Especially popular for broiling on the outdoor grill, blade steaks cost less per pound than steaks from the rib and loin. Yet the lean meat provides the same important nutrients as the lean from the more costly cuts.

Cut Heat to Cook Meat
Juiciness in a beef roast or broiled steak, which also affects flavor and palatability, is determined to a large extent by the cooking time and temperature. A high cooking temperature or over-cooking will result in greater losses both in evaporation and in drippings, thereby yielding a less juicy and less flavorful piece of meat.

Bridal Shower Fetes Miss Darla Hawkins

Miss Darla Hawkins, bride-elect of Ray Peace of Friona, was feted with a bridal shower Friday in Community Room of First State Bank of Bovina.

The registration table held a white plume pen and blue votive candle arrangement. Mrs. Scott Gober presided at the guest register.

The serving table was covered with a white linen cloth and centered with an arrangement of blue carnations, baby's breath and blue streamers in a crystal footed vase. Miss Pam Wilson served blue punch and cake squares with white icing and blue rosettes from crystal appointments.

The honoree was presented a blue orchid corsage. Corsages

of white carnations with blue trim were presented to the honoree's mother, Mrs. Charles Hawkins; the bridegroom-elect's mother, Mrs. Bob Peace of Friona; and the grandmothers of the bride, Mrs. Roy Hawkins and Mrs. Pearl Hastings of Bovina.

Hostesses were Mrs. H.H. Kelso, Mrs. A.L. Glascock, Mrs. Ovid Lawlis, Mrs. Thomas Beauchamp, Mrs. Gober, Mrs. Jim Russell, Mrs. Fred Langer, Mrs. Bobby Englant, Mrs. Herman Grissom, Mrs. Roy Allen, Mrs. Gwen Newbrough, Mrs. Glen Kelley, Mrs. Leslie McCain, Mrs. Ronald Minyen, Mrs. Ginger Roman, Mrs. Charles Snyder, Mrs. Ralph Broyles and Mrs. J.D. Stevens.

Kim Langer To Be Fetted With Shower

Miss Kim Langer, bride-elect of Sgt. Clint Stoddard of Cannon Air Force Base in Clovis, will be fetted with a bridal shower Friday, June 22, from 3 to 5 p.m. at the home of Mrs. A.M. Wilson, 907 Sherwood Lane.

Hostesses are Mrs. Ovid Lawlis, Mrs. Travis Dyer, Mrs. Don Murphy, Mrs. Howard Looney, Mrs. Charles Hawkins, Mrs. Mary Ruth Martin, Mrs. Pearl Murry, Mrs. Dean Hastings, Mrs. Bobby Englant, Mrs. Leslie McCain, Mrs. Laverne Stevens, Mrs. Jim

Russell, Mrs. John Dixon, Mrs. Jack Kassahn, Mrs. Henry Spicer, Mrs. Keith Garner and Mrs. Wilson.

COWBELLE MEET SET IN FARWELL
The Riata CowBelles of Parmer County will meet tomorrow (Thursday) at 8 p.m. at the Security State Bank in Farwell.
All members and women interested in joining the organization are urged to attend the meeting.

Of Interest To THE WOMEN

Woman's Study Club Names New Project

Mrs. Jack Clayton, president of Bovina Woman's Study Club, announced this week her club's entry in the 1972-'74 Community Improvement Program, co-sponsored by the General Federation of Women's Clubs and Sears, Roebuck and Co. The purpose of the program is to stimulate federated women's clubs to cooperate with other groups and individuals in analyzing and meeting community needs.

The Bovina club's entry in the program will be the annual Christmas Card Project, the TB Clinic and a proposed public library.

Recently named to head the library-study committee was Mrs. Earl Whitten. Committee members are Mrs. Billie Sudderth, Mrs. Travis Dyer, Mrs. Jack Kassahn, Mrs. Leon Ware and Mrs. Ovid Lawlis.

Over \$100,000 in awards are being offered in the national program. Five state awards ranging from \$50 to \$400 will be presented to top winners at the 77th annual convention of the Michigan State Federation of Women's Clubs to be held in April of next year at Detroit. National awards ranging from \$2,000 to \$10,000 will be presented at the GFWC's 83rd annual convention in Minneapolis in May of next year. All award monies won must be used for further community improvement.

Federated clubs, members of the world's largest organization of women constituting a force of 800,000 volunteers, work on projects on the areas of conservation and recreation, beautification, community development and rehabilitation, health, safety, education, human development and welfare, including youth and gerontological programs, the arts and international cooperation.

Debra Sorley, Beauchamp Repeat Vows

Miss Debra Sorley and Mike Beauchamp will repeat wedding vows at 7 p.m. Friday in First Baptist Church of Bovina. Parents of the couple are Mr. and Mrs. Grady Sorley and Mr. and Mrs. Thomas Beauchamp, all from Bovina.

Friends and relatives of the couple are invited to attend the wedding and reception to follow in Fellowship Hall of the church.

Mrs. Garrett To Be Fetted With Shower

Mrs. Don Garrett, the former Miss Virginia Pewitt, will be fetted with a bridal shower Saturday, June 30, from 3 to 5 p.m. in Fellowship Hall of Untied Methodist Church of Bovina.

Hostesses will be Mrs. Leon Grissom, Mrs. Robert E. Wilson, Mrs. Ronny Dyer, Mrs. Dean Hastings, Mrs. Earl Whitten, Mrs. Rouel Barron, Mrs. Charles Corn, Mrs. Leon Ware and Mrs. John Dixon.

MASTER CHEF
The better grill. Heavy-duty cast aluminum. Length 19-1/2". Width 16". Cash price \$90.83. *Budget price \$109.80. Budget terms \$3.05 per mo. for 36 mos.

PARTY HOST
The professional one. Heavy-duty cast aluminum. Length 27". Width 18". Rotisserie extra. Cash price \$108.68. *Budget price \$131.40. Budget terms \$3.65 per mo. for 36 mos.

CHEF'S CHOICE
The outdoor range. Heavy-duty cast aluminum. Double unit - Dual controls. Length 38-1/2". Width 16". Rotisserie extra. Cash price \$143.33. *Budget price \$173.52. Budget terms \$4.82 per mo. for 36 mos.

CHARMGLOW GAS LIGHT
A touch of safety and elegance. Cast aluminum construction. Cash price \$60.85. *Budget price \$73.63. Budget terms \$2.05 per mo. for 35 mos. 1 final payment of \$1.88.

You are invited . . . to good times, good food

. . . in your own backyard with an outdoor gas grill and gas light. You can cook up a party at a moment's notice, because a gas grill is ready to cook in minutes. And it's so easy to cook on because you can control the heat. With a gas grill there's no charcoal mess, and you still get that delicious, outdoor char-broiled flavor that comes from the smoke of meat juices dripping on permanent ceramic briquets.

Besides the good times you'll have cooking out, you enjoy the convenience of having a gas grill. You'll probably find yourself cooking on it just because you wanted to get out of the kitchen or didn't want to mess up the broiler of your kitchen range.

All prices include normal post-type installation (up to 50 feet of line) and 5% sales tax. *Budget terms are available at 12.75% annual interest on declining balance.

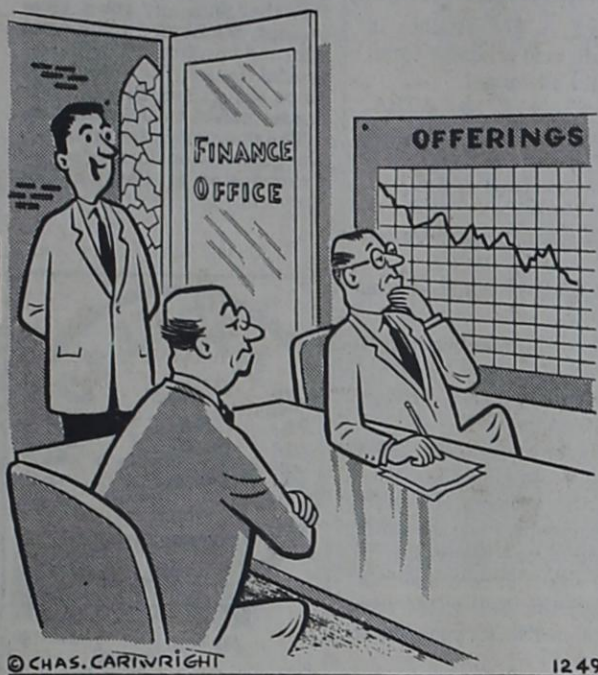

Call Pioneer Natural Gas Company or ask any PIONEER employee about an OUTDOOR GAS GRILL and a GAS LIGHT. PIONEER NATURAL GAS COMPANY

Save *28.50 by Buying a PATIO PAIR			
ORDER A Gas grill and light together and take advantage of the opportunity to save. Listed below are combination prices now available if you order from us.

Rev. Howard Marcom

I LOVE JESUS...BUT I AIN'T GONNA HONK
Several months ago I passed a bus loaded with kids...they held a sign up to the back window which read, "Honk...if you love Jesus." So I honked, waved and thought, "How clever...how cute...that's nice."
Later I began to see bumper-stickers (modern day phylacteries)...they were everywhere...suggesting that I honk if I love Jesus. Now I have decided that I cannot appreciate that which I once thought clever.
I am not sure I know why I changed. But maybe it is because so many are willing to honk for Jesus and not willing to live for Him. Maybe it is that lots of people are willing to try to get others to honk for Him...but not at all willing to go and teach others about Him.
Following are a few suggestions for some bumper-stickers to go on our hearts. They won't be so popular, but let us think about them for awhile.
"Keep His Commandments...If You Love Jesus" [John 15:15]
"Let Your Light So Shine...If You Love Jesus" [Matt. 5:16]
"Do Unto Others As You Would Have Them Do Unto You...If You Love Jesus" [Matt. 7:12]
"Seek First The Kingdom...If You Love Jesus" [Matt. 6:33]
"Abide In The Doctrine Of Christ...If You Love Jesus" [2 Jno. 9].
I love Jesus, but I ain't gonna honk for Him. I think it is much better to live for Him. This world does not need a bunch of honkers for Christ, but it needs a bunch of dedicated, consecrated living on the part of Christians.

Richard Horn Gets Degree From Seminary

Richard Noel Horn, son of Mr. and Mrs. Johnnie Horn of Bovina, was graduated from Golden Gate Baptist Theological Seminary Friday with the master of divinity degree. Horn attended Tarleton State College in Stephenville and West Texas State University in Canyon, then earned the bachelor of arts degree from Wayland Baptist College at Plainview, before coming to the seminary.

He and his wife, Joan, have been appointed missionaries by the Foreign Mission Board of the Southern Baptist Convention. They will be serving in Japan.

The couple has three children, Richard, Timothy and Stephen.

Dr. William G. Tanner, president of Oklahoma Baptist University in Shawnee, was the speaker for graduation exercises. Dr. Harold K. Graves,

seminary president, presented degrees and awards to 78 students from 24 states and five foreign nations during the commencement.

Golden Gate Seminary, owned and operated by the Southern Baptist Convention, is an accredited member of the Western Association of Schools and Colleges (WASC) and the American Association of Theological Schools (AATS). The 148-acre campus is located on Strawberry Point, five miles north of San Francisco's Golden Gate Bridge.

ON SUMMER JOBS

President Nixon has announced that he would make \$424-million available to provide 776,000 summer jobs for youths, about \$3-million more than the Federal Government spent for this last year.

On The Farm In Parmer County
MACK HEALD
County Agent

DURING THE PAST few weeks, there seems to have been some confusion as to the types of broadleaf herbicides that can be used on corn and grain sorghum in Parmer County.

The misuse of certain hormone type herbicides brought in the State Department of Agriculture last week to investigate the damage and determine the source. They found that many of the farmers that they talked to were unaware that they were using a regulated product.

Below is a listing of regulated herbicides for use in Texas. All types and forms of 2, 4-D;

ASK COST ADJUSTMENTS

Pioneer Gas Outlines Future Development

K. Bert 'Tex' Watson, president and chief executive officer of Pioneer Natural Gas Company of Amarillo, speaking before a luncheon meeting in the Hereford Bull Barn in the company's Hereford district said, "Pioneer continues to enjoy an enviable position with reference to its gas reserves."

Watson, who assumed the position as president of the company on June 1, made the opening statement before the assembled group of area city officials, civic leaders and news media personnel Tuesday following the luncheon.

NEW PIONEER PRESIDENT. ...K. Bert 'Tex' Watson, who became president of Pioneer Natural Gas Co., June 1, ponders a question posed by a member of the news media during a Pioneer-hosted luncheon at Hereford Tuesday.

WARNING SIGNS

Watson continued that early warning signs of an energy crisis were apparent as far back as 1969 and cited several instances including the downward trend of exploration; lack of incentive and for the first year production of natural gas exceeded the discovery of reserves.

"President Nixon's energy message was not soon enough, or urgent enough," continued the gas company executive. "The present gasoline shortage will tend to worsen and the international situation is no better, as the import of gas or fuel is not feasible because it just isn't available."

This meeting was the first of a series of such meetings to be held throughout Pioneer's West Texas System during the month of June. The purpose for

scheduling these programs, said officials of Pioneer, is to give the communities served by Pioneer an up-to-date report on the energy problems facing the nation and Pioneer's position in this situation.

He added, "We will attempt to keep supplies to electric generating plants in the area," but continued that some other form of energy for the plants will be in use probably by 1985, naming hydrogen, coal or nuclear energy as possibilities.

ASK INCREASE

"We also expect to begin asking cities for quarterly gas cost adjustments instead of yearly due to the field cost of gas, which is escalating in an unprecedented manner." He said that projections for gas costs for 1973, made two years ago, were surpassed a year ago, and predicted that this trend will continue in the foreseeable future.

Quoting from the company's 1972 annual report, Watson pointed out that, based on 1972 gas consumption, Pioneer's reserves are sufficient for approximately 14 years. He went on to say, "After deducting all current contractual commitments to all large industrial customers, the volume of reserves is sufficient to supply all other customers at the 1972 consumption level for a net reserve life index that exceeds 20 years."

He emphasized that Pioneer is able to offer gas service to new industrial customers throughout its system. "We are prepared to enter into gas supply contracts with these large industrial firms. The contracts will be tied directly to the field cost of gas and, for the larger customers, subject to monthly cost of gas adjustments," Watson said. "We expect to be able to continue to

offer this industrial service, which should prove to be a real competitive advantage for the communities we serve," Watson continued.

NEW SUPPLIES

He pointed out that Pioneer's acquisitions of new gas supplies since the beginning of the year have been most promising and that the cost of gas adjustment currently in effect has provided the company with the ability to negotiate for these new gas supplies in the highly competitive market. Watson conjectured that in the near future it may be necessary to change the cost of gas adjustment to a quarterly basis in order for Pioneer to maintain its position of advantage in the area of gas supply.

During his talk and a slide presentation of gas basins, he touched on some of the 'near term' and 'long term' problems facing all types of energy suppliers in the country. He discussed both potential immediate term and long term solutions.

Watson concluded his talk by saying, "In this rapidly changing business we have,

stayed in a comparatively good gas supply position, and we can foresee a continuation of this position, although there are numerous pitfalls as the nation proceeds through extreme energy problems in the near term."

In addition to guests from the various communities, most of the company's officers, in fact all but three officers and area managers attended the luncheon.

"I WISH ALL MY PATIENTS WERE AS WELL BEHAVED AS YOU ARE, MR. DUBIN."

AT MEETING

Board OKs Seven Plans

The Parmer County Soil and Water Conservation District Board of Directors met in regular session last Tuesday. Leon Grissom, chairman presided.

The SCS accomplishment report was given by Herb Evans, District Conservationist.

Seven Conservation plans were approved by the board. The board was brought up to date on the status of Running Water Draw Watershed land rights. There is still one supplemental easement needed.

The board was informed that Soil Stewardship Week was well received in the county. Bulletin inserts and other materials were distributed to all churches wanting the

material. Ministers were invited to a breakfast for distribution of material and so they could ask questions about the Soil Stewardship program. The meeting closed with the board being informed that Katie Lewellen was district clerk.

Wheat Harvest --

(Continued from Page 1)

This year's crop has escaped hail damage throughout the area. Some fields have been infested with the wheat streak mosaic virus, but damage isn't expected to be of major proportions.

Farmers are hopeful they can get the wheat cut and delivered to the elevators before severe weather strikes as it so often does this time of year.

Enthusiasm is running high this year with wheat and barley acreage up about 10 to 20 percent over last year and prices at harvest time showing almost a \$1 per bushel increase.

Last year's price at harvest time was in the neighborhood of \$1.35 with prices in the \$2.30 to \$2.40 per bushel range at the present time.

It could be a bumper year for wheat and barley farmers, and most agree it's been a "long time coming."

Koelzer Is Picked As Top Father

(Continued from Page 1)

ing Sunday, Father's Day, as "Beef For Father's Day."

The proclamation reads, in part--

WHEREAS the beef industry has been established as one of the most important segments of the economy of Bovina

WHEREAS beef has long been recognized as one of the most nutritious foods, rich in protein and all health-building factors, scientifically proven beneficial to people of all ages, from the very young to the very old; and

WHEREAS it is important that the people of Bovina recognize the importance of beef in the everyday life of our citizens; and

WHEREAS Father's Day, June 17, 1973, is an appropriate time to honor the beef industry and its great contribution to the strength and welfare of our city, state and nation--

NOW, THEREFORE I, Johnnie Horn, mayor of the City of Bovina, do hereby proclaim the use of Beef for Father's Day on June 17, 1973.

I respectfully urge all business organizations, producers and consumers to cooperate in the observance of Beef for Father's Day, and urge all housewives to serve nutritious beef on this day, that beef may have its rightful place among meats served on special days, and the importance of the beef industry to our state's economy be recognized.

Koelzer, the representative of Pioneer Natural Gas Co. in Bovina, is the father of five children--Kevin, Catherine, Clara, Bernard and Anna Marie. He is active in the Little League program here and other activities centered around the youth of the community.

PRESENT AWARDS....Rex Rash, left, presented the Star Chapter Farmer award to Roy Hartzog, center, and an Honorary Chapter Membership to J.E. Sherrill at a barbecue attended by FFA members, their parents and dates Tuesday night of last week in city park. Rash is the FFA advisor here. The barbecue meal, attended by about 75 persons, is the final event of the year for the FFA chapter. Duane Mitchell was named the Outstanding Greenhand of the chapter. He was not present when the picture was taken.

LITTLE LEAGUE, PEE WEES

BN-HI, Blade Keep First Place Spots

The Bovina Blade Pee Wee team came up with three victories last week to continue their undefeated streak, now owning a 7-0 record for the season, while Riverside Chemical Co. pulled an upset over previously unbeaten Big Nick-Horn Insurance to throw the Little League division into a tighter race.

The Blade began last week's string of victories with a 14-2 win over Chuck's Spraying Service. On Friday night, the Blade emerged from another close battle with Sherrill-Bonds with a 7-4 win and came back Monday night to take a 12-4 victory over the same team.

In the other Pee Wee game last week, Isaac's brought their record to an even .500 with a 10-2 win over Chuck's Spraying.

In Little League action on Tuesday night, Riverside took a 22-9 win over First State Bank-Lawlis Gin and came back

Thursday night to upset Big Nick-Horn Insurance in a squeaker, 12-11. On Friday night, Bovina Gin-Three-Way Chemical defeated Bank-Lawlis, 17-2, and repeated the win Monday night with an 11-9 decision.

Schedule for the next four game nights include the Blade versus Chuck's Spraying and Riverside versus Bank-Lawlis tomorrow (Thursday). Game time is 6:30 for Pee Wees and 8 p.m. for Little League.

On Friday night, Isaac's will meet Sherrill-Bonds at 6:30 p.m. and Big Nick-Horn Insurance will take on Bovina Gin-Three-Way at 8 p.m.

The Blade will meet Isaac's at 6:30 p.m. Monday with Bank-Lawlis taking on Big Nick-Horn Insurance at 8 p.m. in the Little League division.

On Tuesday night, Chuck's will meet Sherrill-Bonds at 6:30 p.m., followed by Riverside versus Bovina Gin-Three-Way at 8 p.m.

Last week's games marked the halfway point in the current summer boys' baseball program here.

There's an old saying that money isn't everything, but there are few troubles that a little money can't lighten.

St. John's Slates VBS Next Week

Vacation Bible School will begin at St. John's Lutheran Church in Lariat Sunday at 2:30 p.m.

Classes will continue through Friday, beginning each day at 2:30 and ending at 5:30 p.m. The closing service will be at 3 p.m. Sunday, June 24, with games and a chicken barbecue meal following at 7 p.m.

"Tell the News-Share the Love" is theme of this year's VBS, announces Rev. Martin M. Platzer, pastor.

The theme is built around the Key '73 theme of evangelism. A movie, "A Man and His Men," will be shown Wednesday. The film is about Tom Landry, coach of the Dallas Cowboys professional football team.

Children from ages two through 13 are invited to attend the VBS at St. John's.

Acteens Elect New Officers

Susan Heflin was elected president of the Acteens of First Baptist Church when the group elected new officers at a meeting Wednesday of last week.

Other new officers include Betty Whitecotton, activity leader; Pam Rhodes, study leader; and Samie Garrison, reporter.

About eight members of the Acteens were expected to leave at 7 a.m. today (Wednesday) for a three-day camp at Floydada. Mrs. Eugene Boaz, leader of the group, said the group plans to begin a one-day-a-week day camp in the near future.

The girls discussed securing a permanent meeting place for the group.

The meeting closed with the Calendar of Prayer.

Next meeting will be Tuesday at 3 p.m.

FRIDAY

Name Winners At Play Night

Pole bending, barrel races, flag races, hide rides and boot races highlighted the weekly play night activities at Bovina's roping arena Friday. The event is sponsored by Bovina Roping Club.

In the girls pole bending, Lezli Williams took first place with a time of 29 seconds. Dianna Naegle took second

place, Kim Naegle third and Kathy Williams fourth.

In the girls barrel races, Dianna Naegle took first place in 22 seconds, followed by Tammy Christian in second place, Kathy Williams, third, Lezli Williams, fourth and Kim Naegle, fifth.

Lezli Williams took first place in the girls flag races in 10 seconds, followed by Dianna Naegle in second, Kim Naegle, third and Kathy Williams, fourth.

In the boys event, Bruce Fillpot took first place in 15 seconds.

Tammy Christian took first place in the girls hide ride in 15 seconds. Dianna Naegle was second place winner, Joan Carson third, Kathy Williams fourth, Kim Naegle fifth, Scarlet Livingston sixth and LaToya Hutto seventh.

In the boys hide ride, Al Kerby took first place with a time of 16 seconds, followed by Dusty Livingston in second, Tommy Hutto third and Capper Naegle fourth.

In the boot race, Kathy Williams took first place, followed by Kim Naegle, Tammy Christian, Dianna Naegle, Jerry Harris, Joan Carson, Bruce Harris, Capper Naegle and Scarlet Livingston.

Play night activities will begin at 8 p.m. Friday in the roping arena.

Interested persons are invited to come and participate in the races, say members of the Roping Club. They emphasize that the activities are not limited to club members and their families, but "open to everyone."

Methodist Youth Slate New School

A different type of Vacation Church School for Elementary Five and Six at Bovina United Methodist Church will begin Wednesday of next week, announces Mrs. Leon Ware, leader of the group.

The group will meet at the church each Wednesday for the next five weeks from 9:30 to 11:30 a.m. for a study period. Those attending will bring a sack lunch each Wednesday and following lunch, the group will take various field trips.

No woman ever makes a fool of a man; she merely exhibits him.

American Bike Month For 85 Million Cyclists

What has 170 million wheels, healthier bodies, increased outdoor recreation opportunity, 35,000 miles of special facilities, and a whole month dedicated to its happiness and safety? America's "army" of 85 million bicyclists, that's what, and American Bike Month in May is dedicated to all participants in what has been called "the greatest grass roots movement since Populism."

America has become a nation of two wheels. Bicycle sales in 1972 amounted to a record 13.7 million units, with about half of them going to adults. For the first time since before World War I, Americans bought more bicycles than automobiles, and the bicycle has become an alternate means of economical, short-haul, pollution-free transportation for millions of citizens living in and around our major urban centers.

Government, industry and mass citizen action joined together in a loosely knit "bicycle lobby" have led the growing movement for more safe cycling facilities, providing some 35,000 miles of bikeways, paths and trails for bicycle use. Since

the first of the year, over 40 bills have been introduced into 24 state legislatures, almost all of them calling for the construction of bike paths and lanes along with new road construction and calling as well for funding out of highway use taxes.

On the federal front, Senate Bill S.502, the Senate version of the Federal Aid Highway Act of 1973, declares that bicycle path construction is—de facto—a highway project, and opens the way for massive federal aid to states for new bicycle facilities construction. The House of Representatives is now debating its own version of the Highway Act, and the "bicycle lobby" has its hopes up that bikes will, at long last, be officially recognized as legitimate users of the nation's roads and streets.

Throughout American Bike Month in May, the domestic bicycle industry is saluting the users of its products. Many bicycle retailers will be sponsoring free bicycle inspections, and cooperating with thousands of Jay-Cees, Optimists, PTA's, schools, police departments, and other civic and service

organizations in conducting bike rodeos, field days, inspections, races, rallies, parades, and bicycle events of all kinds.

The industry is placing heavy accents on safety this year, for adult as well as juvenile bicycle drivers, reminding them that a bicycle is considered a legal vehicle in all 50 states, and is therefore bound by all applicable rules of vehicular traffic.

"Equal rights mean equal responsibilities," says John Auerbach, Executive Director of the Bicycle Institute of America. "Bicyclists of any age group who expect to take their rightful place on the nation's roads, must recognize their responsibility to drive their bikes safely at all times, and to give the motorist the same courtesy they expect in return."

Auerbach said the industry was doing its part to promote bicycle safety through the BMA/6 safety and manufacturing standard. The BMA/6 seal of certification, found on the seat mast of most American-made bikes, indicates that production models of that bicycle have been tested by an independent testing laboratory, and have been found to meet the rigid specifications of the standard. As of July 1, 1973, all BMA/6 certified bikes will have 10 reflectors for additional night time reflectivity.
