MOSLEM FANATICS SLAY THOUSANDS

AWFUL MASSACRES OF ARMENI- ANS HAVE TAKEN PLACE IN ASIA MINOR.

SWORD FOR EVEN BABIES

Five American Women Missionaries are in Peril—Whole Villages Massacred.

By Associated Press.
Paris, France, April 22.—A dispatch to the Matin from Sofia says that Hassan Riza Pasha, a prominent Young Turk, who is now on his way to Adrianople to take command of a division, informed the diplomat that the Young Turks have arrived at the following decisions: Dethrone the Sultan, shoot the organizers of seditions, hang Ulemas suspected of being the instigator of the counter revolution and make an entire change in the garrison at Constantinople.

Riots in Many Towns.

By Associated Press.
Aleppo, April 22.—Religious riots are reported to the authorities as having occurred at Antioch, Maraah, Ayas, Killis, Birejik, and Hadjin. A number of persons were killed or injured, including both Turks and Armenians. It is not believed that any American missionaries have suffered.

Five American Women in Peril.

By Associated Press.
Beirut, April 22.—Five American women missionaries are in danger in the vilayet of Adana. One of them, Miss Lambert, has sent a message to the coast asking for immediate help. The women are entirely defenseless. Villages surrounding Hajim are in flames and Hadjin itself is invested by nomadic tribes.

Deposition of Sultan Uncertain.

By Associated Press.
London, Eng., April 22.—A private telegram from a well informed source at Constantinople says that the deposition of the Sultan is by no means a certainty.

Ten Thousand Armenians Massacred.

By Associated Press.
Constantinople, April 22.—Advices received here today from Asiatic Turkey say that ten thousand Armenians have been massacred at Adana and in the vicinity of that city.

By Associated Press.

Aleppo, April 22.—The entire population of Kirkan, even to the last babe, has been massacred and the French mission at Ekbas is besieged by fanatical Moslems. The Armenian village of Deuryul is surrounded and according to reports the situation there is hopeless.

A Message From Tarsus.

By Associated Press.
London, Eng., April 22.—A message received here from Thomas Christ, a missionary at Tarsus, says: "Rogers is killed; the others are safe." This is taken to indicate that Maurer, reported killed at the same time, is still alive.

Sultan's Powers Restricted.

By Associated Press.
Constantinople, April 22.—The Sultan and chiefs of the constitutional party have reached an agreement whereby the Sultan remains sovereign of the empire, but with his powers restricted.

SNOW FALLING AT AMARILLO

Texas News Service Special.
Amarillo, April 22.—Rain which has been falling for the last twelve hours was succeeded today by a heavy snow storm in this section.

Seven Killed in Cleveland Storm.

By Associated Press.
Cleveland, Ohio, April 22.—A careful survey of the storm yesterday shows seven killed and millions of dollars' damage done.

LIGHT RAIN GENERAL OVER WICHITA COUNTRY.

From Wednesday's Daily.
The rainfall yesterday covered all of the Wichita country, extending as far north as Frederick on the Wichita Falls and Northwestern, to Childress on the Fort Worth and Denver, to Newcastle on the Wichita Falls and Southern and to Stamford on the Wichita Valley.

The precipitation was generally about the same as at this place, although in some places it was lighter. The rain revived all vegetation and will give the newly planted crops a good start.

School Board Made a Good Trade.

Editor Times:
The school board thinks that in buying a half block of ground on Broad street that they made a good trade. We can easily get the \$9,000 paid for this property back by selling it if we don't want to use it. It would be no trouble to get our contract taken up by individuals. Just half this amount of ground across Eleventh street would have cost \$8,000. The location from every point of view is a good one. It is on the car line and is accessible from all parts of the city. Very truly,
W. J. BULLOCK.

Tracklaying Starts at San Angelo.

San Angelo, April 22.—Track laying on the Orient railroad began here this morning with material sufficient to reach to the Colorado river. Freight and passenger stations are being erected.

WILL DECIDE MOTION NEXT WEEK

By Associated Press.

Nashville, Tenn., April 22.—The second day of the argument in the motion for a new trial for Duncan and Robin Cooper, convicted for the murder of former United States Senator Carmack began today. Captain Fitzhugh, for the State, was the first speaker.

Fitzhugh argued that the crux of the case was the intention of Colonel Cooper, which was to kill Carmack and that he simply took Robin along and that Robin was bound by his father's intent and acts. Fitzhugh then quoted authorities at length to sustain his contention.

Judge Anderson replied to Fitzhugh and closed the argument for the defense. Attorney General McCarn declined to argue the case, saying that he was satisfied with Fitzhugh's presentation of the State's side.

Judge Hart announced that he would take the case under advisement and decide next week.

NEW PYTHIAN LODGE AT IOWA PARK

From Wednesday's Daily.

A party of twenty-five members of Pioneer Lodge No. 48, Knights of Pythias of Wichita Falls went to Iowa Park yesterday afternoon where they assisted in the installation of a new Pythian lodge having forty-five members, thirty-five of whom were initiated last night, the other ten being already members of the fraternity.

Fifteen members of the order from Electra and one member from Vernon participated in the installation ceremonies. During the evening the ladies of the 1908 Library club of Iowa Park served a banquet which was one of the most elegant feasts ever spread in that section.

The menu was as follows:
Consomme and wafers, cold ham, eggs, farcel, sliced tomatoes, salmon croquette, french peas, risole of chicken, roast fowl, asparagus on toast, meat salad, vegetable salad, olives, pickles, celery rolls, jelly, block cheese, pies, cake, coffee, mint.

The Wichita Falls contingent returned early this morning and reported a most hospitable entertainment.

HOUSTON CO. TAKING STEPS TO BUY WATERS-PIERCE CO.

Texas News Service Special.
Houston, Tex., April 22.—Manager Black of the Houston Oil Company refused to say when he will take over the Waters-Pierce Oil Company Texas property, but it is known that steps are being taken to complete the purchase. It is reported that various papers are being collected and it is believed that the announcement of a transfer will be made soon.

WILL RUN THROUGH WEST TEXAS TOWNS

AUTOMOBILE RACE ROUTE WILL PASS THROUGH PANHANDLE AND WEST TEXAS.

DENVER TO MEXICO CITY

Fifty Machines Expected to Participate in the Great Endurance Contest. Big Manufacturers Represented.

By Associated Press.
Denver, Colo., April 22.—The route for the International automobile endurance race was practically decided here today. The route lies through West Texas. The cars will run from Denver to Mexico City, covering twenty-five hundred miles. The route includes Amarillo, Plainview, Lubbock, Big Springs, San Angelo, Sonora and Eagle Pass. It is expected that fifty machines will participate. All the big manufacturers will be represented.

MRS. STONE'S CONDITION.

Is More Serious Than First Thought.

Street Car Co. to Blame.
In a letter to the Times under date of the 20th, Mr. J. W. Stone writes from Denver as follows:

"Say in the Times for the benefit of our friends that Mrs. Stone received internal injuries in the recent street car collision in this city which has kept her confined to her bed ever since, and probably will for some time to come yet, as the doctors are unable to tell to what extent she is injured.

"Robert Allen was badly shaken up and jarred, and will have to go back into plaster paris on account of same.

"The tramway people were entirely to blame, as the wreck was caused by a new motorman not throwing the switch.

"It is snowing here this morning and the thermometer has been to the freezing point every morning since I have been here. Texas for me. Hope everybody there is well. With best wishes, etc.,
J. W. STONE.

Resolutions of Respect.

We, the members of the Sunday school, First Baptist church, Wichita Falls, Texas, take this method to express our appreciation and respect for our brother, E. W. Morris, and his most excellent family, who have lately moved to their old home in Kentucky, after residing sixteen years in Texas.

Brother Morris was an exceptional man. He was superintendent of our Sunday school, director of our choir, member and beloved deacon of our church. He was also president of the school board and had earned and held a proud position in our church and society in our city. His integrity was unquestioned and his name was honored by the best in our community. He knew that men are only fragments, that the greatest walk in shadows, and faults and failures mingle with the lives of all.

As superintendent of our Sunday school he was among the best. As a member of our church and Sunday school he was one of the faithful, loyal to his church and pastor. As a deacon he had one aim, and that to serve the Master as best he could, never failing to discharge his duty, ready to share and bear the burdens wherever they might come. As a leader of the choir, he was among the few who was always at his post, on time and in his place.

He was a good citizen and a safe business man, and above all a Christian. He spoke his sentiments without fear or favor. To him there were but two paths, right and wrong. He was one of our pioneer teachers who came to Texas at a time when such men as he were most needed. Time alone can tell the value and good he was to our country. As such, we hold him in high esteem.

While we regret to lose him from our city, yet we trust he will command the respect and be as valuable in his new field as he was here. We now extend to him and family the most loving farewell and best wishes, and may the divine guidance of a loving Savior ever direct him through life until he shall hear that welcome voice, "Come, ye blessed of my Father."

MEACHUM GREER BILL MAY PASS

CURETON BILL CANNOT PASS THE SENATE NOR SENTER-HUME BILL PASS THE HOUSE.

APPROPRIATION BILLS

Will Be Taken Up in the House To- morrow—Three Weeks More of the Session.

Texas News Service Special.
Austin, Tex., April 21.—Neither the house nor the senate was in session today. Nearly all the legislators are attending the San Antonio carnival.

The house expects to take up the appropriation bill tomorrow, when the members will receive the printed copies. The senate bill has not yet gone to the printers and action on the measure in the senate will be deferred until next week.

Three weeks more of the special session remain and nearly all of that time will be taken up with the appropriation and bank bills.

It has practically been ascertained that the Cureton bank deposit bill cannot pass the senate, nor the Senter-Hume bank guaranty measure pass the house. A discussion among the members foreshadows the passage now of the Meachum-Greer bill, which appears satisfactory.

Thornberry Happenings.

Thornberry, Tex., April 19.—Prof. and Mrs. Camp entertained the young folks of Thornberry last Friday night. All those present report a good time.

Miss Kate Baber, who has been attending school at Pea Ridge, Arkansas, has returned home, much to the delight of her many friends.

Miss Maud Ragdale of Wichita Falls is visiting her friend, Miss Bertie Bryan.

A party of sixty-two enjoyed a fine fish fry Saturday on Red river. The fishermen had good luck, catching in all about 600 pounds and the girls enjoyed a nice wade.

Misses Mary Williams, Maud Ragdale, Bertie Bryan, Mamie Walker and Jessie Robertson and Messrs. Grover Rigby and Lee Bryan were the guests Mr. and Mrs. Asa Culver Sunday for dinner.

Prof. and Mrs. Camp were in Wichita Falls Saturday.

Mr. and Mrs. Elbert Reed went to Oklahoma Sunday.

Messrs. Frank Fowler, and Scott Webster were in Wichita Falls Saturday on business.

Miss Bernice Derryberry visited at Charlie on Sunday.

Misses Kate Baber, Beulah Webster, Lee Pharies and Annie Stephenson and Messrs. Albert Baber and Harve Huffstetler were the guests of the Misses Lynskey Sunday for dinner.

Miss Leona Hansard was the guest of Miss Clara Webster Sunday.

We are glad to say that Thornberry will soon have a new phone line.

Mr. and Mrs. Lee Hull will give the young folks of Thornberry a party at their home next Friday night.

Bro. Wisdom filled his regular appointment Sunday and a large crowd attended.

Brother Griswold has resigned his office as superintendent of the Methodist Sunday school.

Messrs. Lawson Hansard and J. R. Fowler went to Randlett, Oklahoma, on business Saturday.

The Thornberry ball team played the Friberg ball team Friday, the score standing 9 to 11 in favor of Friberg.

A crowd of Thornberry young folks have planned to take in the ice cream supper at Charlie Wednesday night.

WEST AND ALLEN WILL BE BURIED AT SHAWNEE.

Oklahoma City, Ok., April 21.—Mrs. Jesse West and Mrs. Joe Allen passed through here today from Canadian, Texas, en route to Shawnee to receive the bodies of their husbands, who were lynched by the mob at Ada Monday. Both will be buried at Shawnee, their former homes.

The women are grief stricken over the affair. They are accompanied by fifteen young children, composing both families.

Reserve Agent for Oklahoma Banks.
The First National Bank today received a letter from Hon. A. M. Young, bank commissioner of Oklahoma, which informed it that he had on April 17th named it as unlimited reserve agent for Oklahoma State banks.

TEXARKANA MAN LOSES IN RACE WITH DEATH.

Texas News Service Special.
Texarkana, Tex., April 22.—Dispatches received here today say that Joseph Swind, aged 52 years, a prominent citizen here, lost in a race with death late yesterday when trying to reach home alive. He died in a Pullman berth on the Colorado and Southern train near Walsenburg, Colorado.

He had been in Pueblo for his health. The conductor objected to carrying the apparently dying man, but Swind declared that he would get home alive or die on the way and refused to be discharged.

Dr. Jones Brings Home a Bride.

From Thursday's Daily.
Dr. A. A. Jones returned yesterday from Lampasas, bringing home with him a bride. The marriage took place Tuesday morning in Lampasas, where the bride, who before her marriage was Mrs. Minnie Brown, lived. They will make their home at Dr. Jones' residence on Burnett avenue. The couple were youthful sweethearts in Adamsville, Tennessee. Dr. Jones, several months ago on learning that Mrs. Brown was a widow, initiated a correspondence which resulted in their marriage.

Ranger Sergeant Made City Marshal.

Austin, Tex., April 22.—J. T. Laughlin, sergeant of the State rangers, one of the two rangers who, at the governor's instance, made a raid in San Antonio, was selected as city marshal of Austin.

SAY COTTON RATE IS UNPROFITABLE

Texas News Service Special.
St. Louis, Mo., April 22.—The Texas railroads made a hard fight here today in the suit against the interstate commerce commission to restrain it from enforcing the rates fixed by the commission for hauling cotton from Texas and Oklahoma to Northern points. The Katy presented a mass of statistics to show that the rate is unprofitable.

MANAGER AND SECOND BASEMAN ARE FINED.

Texas News Service Special.
Houston, Tex., April 22.—The special referee appointed by President Allen of the Texas League today fined Manager Leidy and Second Baseman Alexander of the San Antonio team twenty-five dollars each and ordered them suspended until their fine is paid. This resulted from both men refusing to leave the ball park when ordered by the umpire yesterday, forfeiting the game in the presence of a large crowd. Allen upholds the referee's decision.

TO BREAK ICE JAM WITH DYNAMITE

By Associated Press.
Lewiston, N. Y., April 22.—The ice jam in the Niagara river has reached appalling proportions. It is twelve miles in length and in many places is sixty feet in depth and represents a strength powerful enough to annihilate the four villages along the border of the river if it starts to go out at once. Dynamite will be used today to blow off the head of the pack by an enormous charge and other sections will be separated in the same way.

TO INVESTIGATE OIL PRODUCERS' COMPLAINT.

Texas News Service Special.
Tulsa, Ok., April 22.—An investigation of the Oklahoma oil producers' complaint was commenced here today following a conference between Assistant Secretary of the Interior Franklin Pierce and the producers. Pierce assured the oil men that the present administration intended to give them fair treatment and will give them relief from every injustice.

T. P. A. Convention at Fort Worth.

Texas News Service Special.
Fort Worth, Tex., April 22.—Over three hundred delegates to the Travelers' Protective Association State convention met here today. After a parade, welcoming addresses were delivered at the Byers opera house. The business sessions are being held this afternoon.

Wheat Prices CONTINUE SLUMP

By Associated Press.
Chicago, Ill., April 22.—Wheat for May and July delivery on the board of trade continued the slump today, reaching a point eight and a half cents below last week's record price.

By Associated Press.

New York, April 22.—In the wheat market here at noon, the prices were three to three and a half cents lower than yesterday's close.

STUNG DEPOSITORS FILE PETITION

WITH TEXAS LEGISLATURE ASK- ING PASSAGE OF CURETON BANK GUARANTY BILL.

3,000 SIGNED PETITION

Resolution Calls Upon National Con- gress to Stop Gambling in Wheat and Cotton.

Texas News Service Special.
Austin, Tex., April 22.—A petition signed by three thousand depositors of House bank of Houston, which recently failed, was read in the house this morning, urging the adoption of the Cureton bank deposit bill. The petition was ordered printed in the house journal.

The petitioners declared that the proposed law came too late to help them as they were already "stung," but that the passage of the measure might prevent other depositors from suffering as they had.

Terrell of Cherokee caused the adoption of a resolution protesting against gambling in agricultural products, especially cotton and wheat, and urging congress to enact a law to conform with the resolution.

Jennings offered a resolution that the house devote all its time to the general appropriation measure and then adjourn.

The house bill providing for the extension of the State railroad from Rusk was taken up on its second reading today and received much discussion. Dotson and Strickland favored the bill and Robertson of Bell opposed it.

To Reorganize 35th Judicial District.

Texas News Service Special.
Austin, Tex., April 22.—The senate today finally passed the bill reorganizing the thirty-sixth judicial district. Kellie introduced a bill to encourage a State correspondence school.

Williams' Appointment Confirmed.

Texas News Service Special.
Austin, Tex., April 22.—The senate this morning confirmed the nomination of W. D. Williams as railroad commissioner. He will begin his duties next week, resigning the mayorship of Fort Worth.

INVESTIGATION OF TYLER COURT HOUSE DEMANDED.

Tyler, Tex., April 21.—A sensation was sprung here today when Cone Johnson filed a petition with County Attorney Hullock, alleging that the material used in the construction of the new \$100,000 court house was not in accordance with the contract and demanding an investigation. The petition was signed by many Smith county citizens. They allege that the workmanship on the building is inferior. The brick work was done by negroes and the citizens are indignant over the fact.

Taft Opposes an Income Tax.

Washington, D. C., April 21.—Recent agitation, it is said, at the White House, has in no wise changed President Taft's views that an income tax should be in the nature of a last resort for raising revenue for the national government. The president announced when the Payne bill was in the house that he favored the inheritance idea and excise on the dividends of certain corporations, and the application of a modified stamp tax in preference to an income levy. He had reiterated this idea almost daily during the past few weeks in discussing the tariff with his callers. The president believes an income tax the hardest to collect of all the special taxation devices under consideration, and he favors the levy of such taxes as will cause the least friction with the people.

WAURIKA OFFERS TO ADD \$50,000

Waurika, through A. L. Walker, secretary of the Waurika Chamber of Commerce, wants to add \$50,000 to the \$75,000 bonus offered by Wichita Falls for the projection of a railroad from Oklahoma City to Wichita Falls, Texas, via Waurika.

A mass meeting of Waurika citizens held yesterday afternoon authorized the \$50,000 offer to the Oklahoma City Chamber of Commerce.

Walker, by telephone last night, stated that when the road proposition was formerly considered, Waurika offered the promoters a bonus of \$20,000 and ten miles of right of way. With Wichita Falls' recent offer of \$75,000 the amount has been increased to \$50,000 in cash.—Daily Oklahoman.

Mangum Raises \$100,000 Bonus.

A dispatch from Mangum, Oklahoma, to the Fort Worth Record says:

"With the proposition of raising \$100,000 and right of way through Greer county, or letting the line of the proposed Wichita Falls and Northwestern steer clear of the town, the Chamber of Commerce of this city today notified the company that the money and right of way had been secured and an agreement will be signed by both parties interested, binding the railroad company to its agreement. Consequently the road will come through this city and work on the line will be commenced within a few weeks. The company already operates a line from Wichita Falls to Frederick, Oklahoma. It is announced by the builders of the road that they can have it completed and ready for operation within six months.

Cement City Will Do Her Part.

Cement City, Oklahoma, stands ready to do a good part along with Wichita Falls and Waurika to encourage the building of a railroad from Oklahoma City to Wichita Falls.

Secretary Gohlke is in receipt of the following communication from that place relative to the project. As will be seen, Cement City wants the line to be a Katy project. All other offers have been made to any responsible parties who will undertake to build the proposed line. The letter from Cement City follows:

Cement, Ok., April 16, 1909.—Chamber of Commerce, Wichita Falls, Texas: Gentlemen—At a meeting of the farmers and business men held at Cement, Okla., on the 22nd day of March the undersigned was appointed and directed to correspond with the M. K. and T. R. R. with a view of interesting said road in building a line from Wichita Falls to Oklahoma City via Sterling, Comanche county, and Rocky Ford, on the Little Washita River in Grady county. Will say that the people living along the line of said proposed road are very anxious for the road and are willing to turn a helping hand towards building the road by donations and procuring the right of way.

The country through which this line would pass is the best agricultural region in the State of Oklahoma. We stand ready to put our shoulders to the wheel and help the enterprise along. We are ready to join hands with Wichita Falls and Oklahoma City to make if possible an assured fact of this greatly needed road for the better development of our matchless agricultural resources. Address all communications to the undersigned. Gentlemen, hoping you will heartily respond, we are very truly, F. M. ESTES.

Oklahoma Team Was Defeated.

From Monday's Daily.
Before a crowd of nearly five hundred interested fans, Wichita Falls took the measure of their opponents from Frederick at the ball park yesterday afternoon and won by a score of 13 to 1.

Both teams showed lack of practice and but for some errors in the third and seventh innings the score should have been 4 to 1 in favor of the local team.

Smith and Walton were in the points for the local team and White and Scavartz for the visitors.

Walton's work as backstop and his base running was the feature of the game. Parker also did splendid stick work. The fielding of Cecil and Winfrey was especially fast.

The work of both teams was characterized by fast, snappy play and but for errors, due to lack of practice, the game was a pleasing surprise to those who saw it.

Wood-Joline.

From Tuesday's Daily.
Miss Blanche Joline, daughter of Mrs. C. Joline, and Mr. Claude B. Wood, of the City National bank, were united in marriage at 6 o'clock this morning at the home of the bride on Indiana avenue by Rev. Morrow.

The ceremony was witnessed by a few friends of the bride and groom, and following breakfast Mr. Wood and his bride left for Dallas for a short visit, after which they will return to make this city their home.

The bride is well known and popular in Wichita Falls' best society. She is a graduate of St. Mary's academy in Dallas.

Mr. Wood is exalted ruler in the Wichita Falls Elks lodge and has an enviable standing among the younger business men of the city.

FOUR MEN HANGED AT ADA, OKLAHOMA

MOB OVERPOWERS GUARDS AND STRINGS UP FOUR MEN HELD FOR MURDER.

SLAYERS OF U. S. MARSHAL

Three of the Four Lynched Were Residents of Texas—Lynching Done in Orderly Manner.

Ada, Ok., April 19.—Four prominent cattlemen were taken from jail here today by a mob of about a hundred and fifty and lynched.

The mob organized in the commercial club rooms and marched to the jail at 3 o'clock this morning, where they found only one man standing on guard. They overpowered the guard and then the four prisoners were seized and hurried to a nearby barn, where they were all hanged to the rafters. The bodies were cut down at 9 o'clock this morning.

Those lynched were J. B. Miller of Fort Worth, Texas; Jessie West of Canandian, Texas; Joe Allen of Canandian, Texas, and B. H. Burrell of Duncan, Oklahoma. West and Allen were well to do cattlemen.

The men were held on a charge of complicity in the murder of Federal Marshal A. A. Bobbitt, near Ada, last February.

Bobbitt was shot from ambush. An examining trial was held last Thursday, but no indictment was returned. This aroused much resentment.

The mob was well organized and was composed of many prominent citizens. Only a few wore masks and the entire procedure was most unusual for a lynching. The mob proceeded about its work more as if going to a ball game or some social function. There was no excitement or resistance.

Miller, the Fort Worth victim, had killed from six to ten men in his career. Miller shot and killed Frank Foree at the Delaware hotel in Fort Worth some time ago. Miller was with Pat Garrett, the famous man hunter, when the latter was killed at Las Cruces, New Mexico. Miller and Garrett were old comrades. Miller leaves a wife and three children in Fort Worth. He was arrested two weeks ago in Dallas.

During the preliminary trial the feeling was so intense that the court forbade the publication of the evidence. Burrell, a nephew of Miller, turned State's evidence. He disclosed the complete plans of West and Allen to murder Bobbitt, who was their long-time enemy. Bobbitt had forced Allen and West to flee from Oklahoma many years ago because they were desperadoes.

No arrests have yet been made as a result of the lynching.

The county attorney said today that there will likely be no prosecutions as a result of the lynching, as no one in town appeared to know the participants and he did not know them himself.

Last night a number of the friends of Bobbitt gathered and agreed that none of the four men would be convicted and therefore they could only avenge Bobbitt's murder by lynching the prisoners. Bobbitt was extremely popular and had numerous friends.

When the word 'lynching' was first suggested, the work was planned out in detail and carried through without a hitch.

Later today it was learned that there were two guards at the jail. Both were knocked insensible and their bodies found this morning. They will live.

The mob then rushed direct to the cells of the four men and dragged them out. Only West resisted effectively. He fought like a tiger.

After hanging the men in the barn, the mob dispersed.

The bodies of the four men are now at the undertaker's.

Sheriff Smith arrived at 7 o'clock.

Miller Well Known in Fort Worth.

Fort Worth, Tex., April 19.—While J. B. Miller, one of the men lynched at Ada, bore a reputation as a "bad man," his acquaintance here was extensive and his friends were among the best citizens. Burrell, another victim, leaves brothers and relatives at Ballinger and Weatherford.

Miller killed Alex Frazier at Toyah several years ago and was acquitted at his trial at Cisco.

Members of the Mob Are Apprehensive And are Not Doing Any Talking Today.

Ada, Ok., April 20.—Following the lynching of four prominent cattlemen here yesterday, three being Texans, Attorney General West today summoned County Attorney Wimbush of Ada to present himself at Atoka, where the grand jury will investigate the lynching and attempt to prosecute the mob leaders.

A special jury will be called this week and the indictments of the men charged with the lynching will create a big sensation. The lynchers today are

careful in discussing the affair and are keeping mum.

The grand jury investigation is the only course the State can take.

For the safety of Edward and Dave Johnson, charged with the killing of City Marshal Putman of Allen, and Oscar Peeler, who confessed against Miller, today they were removed to the jail at Tecumseh.

The bodies of the four victims, J. B. Miller, Jesse West, Joe Allen and B. H. Burrell have been sent to their homes.

Prosecutor Will Do His Duty.

Fort Worth, Tex., April 20.—A dispatch answering an inquiry sent by the Texas News Service was received today from County Attorney Wimbush at Ada, who says in the message that he expects to do his duty and will seek to prosecute the members of the mob which lynched four Texans there yesterday.

Burrell Under Indictment at Dallas. Dallas, Tex., April 20.—B. H. Burrell, lynched at Ada yesterday, was under indictment here on six counts for forgery. It is alleged he negotiated forged deeds to land under the alias of J. B. Martin, securing several thousand dollars.

Miller Under Indictment in Texas. Austin, Tex., April 20.—The attorney general's department said today that J. B. Miller, lynched at Ada, Oklahoma, was defendant in a suit by the State to recover five thousand acres of school land in El Paso county and that Miller had said that if his title was cancelled it would be the last act of that official.

Will Prosecute Lynchers.

Ada, Ok., April 21.—As the result of a conference between County Attorney Wimbush and District Judge West at Atoka yesterday, the announcement was made today that Judge West will call a special session of the grand jury either this afternoon or tomorrow to investigate and return indictments against those implicated in the lynching of four cattlemen here Monday. Both officers declare they are determined to make a vigorous investigation and will learn the names of the leaders of the mob. The court will hold its session at Ada and it is said will commence the investigation next Monday.

Attorney Wimbush says that the members of the mob will be punished to the fullest extent of the law if he can prove anything against them and says he believes he can do this.

The citizens of the town are still reticent regarding the affair.

GIRL MEETS FATAL ACCIDENT IN RUNAWAY AT AMARILLO.

Amarillo, Tex., April 17.—Miss Marie Monahan, aged 24 years, met a horrible death here last night while horseback riding. The animal dashed into a moving electric car and the young woman was thrown to the ground with such violence that one of her ribs pierced her lung. She died after two hours of intense suffering.

The body was sent to Whitewater, Wisconsin, her family home.

HOUSTON OIL CO. REORGANIZED WITH CAPITAL STOCK OF THIRTY MILLIONS.

OFFICIAL ANNOUNCEMENT

Is Expected Within a Few Days—Eckhardt Will Maintain Headquarters at Taylor.

Houston, Tex., April 20.—It is authoritatively stated here today that the Houston Oil Company will take over the Waters-Pierce Company's Texas property soon. An official announcement is expected in a few days. The Houston Oil Company is capitalized at \$30,000,000 and only last Friday passed out of the receiver's hands. The company will maintain headquarters here.

The corporation will sell immense tracts in East Texas and reorganize for the chief purpose of taking over the Waters-Pierce property.

Eckhardt Will Maintain Headquarters in Taylor.

Taylor, Tex., April 20.—Receiver Eckhardt of the Waters-Pierce Oil Company, arrives here Thursday to establish permanent headquarters at Taylor. He will occupy the upper floor of the First National bank, of which Eckhardt is cashier.

Under Heavy Guard.

Ennis, Tex., April 19.—There was much interest excited here last night on account of the shipment through Ennis of more than a million, and a half dollars en route to Austin to pay off the Waters-Pierce Oil Company fine. The car in which the money was locked in a safe was guarded by a half dozen heavily armed men, while armed guards were placed at other stations on the train. The car came in here over the Midland and was transferred here to the Houston and Texas Central.

Wells-Fargo Fee \$900.

Cleburne, Tex., April 19.—The cash to be paid to the State of Texas by the Waters-Pierce Oil Company was handled here today by the Wells-Fargo Express Company today. Agent Munday said the company's fee for handling the money would be about \$900. The money was routed over the Houston and Texas Central; the Texas Midland and the Gulf, Colorado and Santa Fe roads.

SOME NEWSY NOTES FROM IOWA PARK

Iowa Park, Tex., April 17.—Work is progressing on the Overbey and Troutman buildings and has begun on the Hester building. These are all of concrete blocks and will add much to the appearance of the business section of the town.

The building recently occupied by the White Front restaurant was moved to make room for a concrete block building, and has been added to and converted into a residence. Every available residence is occupied, several houses have two families in them, and the old printing office, the Geo building and rooms above the Hester harness store are occupied by families. All the new houses that are finished are occupied.

We must have more new houses before fall if we are to take care of those whom we may expect to desire to make homes here.

Messames Kemp, Parker and Clark and Misses Bell and Clark were shopping in Wichita Falls, Friday afternoon.

Mrs. Randolph Clark of Thorp Springs is visiting her son, Prof. Lee Clark, and family.

The literary society of the high school Friday afternoon debated the question: 'Resolved, That Iowa Park and Wichita Falls should be connected by an electric railroad.'

Band for the new Methodist church building is being hauled.

Mr. C. H. Clark has been sick for some time.

The revival at the Methodist church has closed. Bro. Martin, the pastor, was assisted by Bro. Ray of Weatherford, Texas. Much interest was manifested.

Rev. Gahres, who is building a commodious residence east of the Christian church, will move into his new home in a few days.

Mr. E. Boyd from Lancaster, Texas, has purchased the livery and transfer business formerly owned by Mr. H. Love. Mr. Boyd has moved his family here and will make this his home. He is the brother of Mr. Frank Boyd, manager of the Farmers' elevator. We gladly welcome this estimable family among us.

FAKE ADVERTISING.

The Times learns there was a meeting of the business men of Wichita Falls held last night to take steps to protect themselves from what is commonly termed "fake advertising."

The Times has never knowingly accepted or endorsed a "fake" of any kind, not even when by so doing it could profit financially.

Attorney General Davidson has virtually announced that he will be a candidate for governor next year.

Not Many Left.

There are not many copies of the Times' illustrated edition for sale. About 15,000 of them have been sent to all parts of the United States.

When it comes to voting, Texas is solidly democratic, but in selecting men to fill the offices, it looks as if the republican party had succeeded in getting more members elected to the State senate than the democratic party.

It is believed now that the census of 1910 will place Texas in the lead of all other States in the Union in the way of agricultural products.

CURETON BANK BILL PASSES IN HOUSE

NICKELS RAISES POINT OF ORDER
HOWEVER, AND RE-PASSAGE
IS NECESSARY.

COMPELS THIRD READING

This is Now in Progress and Another
Vote Will Be Taken on the Measure
This Afternoon.

Austin, Tex., April 17.—The Cureton bank deposit bill finally passed the house this morning, but because of a stumbling block thrown in its path by Nickels, the supporters of the bill asked for and secured a reconsideration of the vote and it must be passed for the second time.

The bill was finally passed by a vote of 70 to 12, seven present not voting. An attempt was made to expunge from the record the point of order raised by Nickels against the announcement of the vote, because the bill had not been read the third time as required by the constitution.

The supporters of the measure found themselves between two fires, fearing to vote to expunge from the record as that would disclose the facts to the world and fearing also to let the record stand undisturbed, as that would affect the legality of the measure.

Mobley, one of the bill's supporters, moved to reconsider the vote by which the previous question carried and his motion prevailed, putting the house back at the starting point.

Several motions to recess and adjourn were voted down and the clerk was then instructed to read the bill in full. This will take several hours, and the members are leaving the hall. At 1 o'clock only eleven members and the speaker were present.

Another vote will be taken when the reading is concluded. It is believed that the new vote is certain to pass the bill in legal form.

Resolutions of Respect.

To the Worshipful Master, Wardens and Brethren of the Wichita Falls Lodge No. 835 A. F. & A. M.:

We, your committee appointed to draft resolutions of respect to the memory of our late Brother J. B. Walker, submit the following:

On April 11, 1909, while the great orb of day was darting its golden rays throughout the awakening world, the Angel of Peace with the white-winged messenger of Rest entered the home and bore away the soul of our brother into the Home of Rest, whose builder and maker is God.

Brother J. B. Walker was born in Mississippi near Ripley, on the 10th day of December, 1846, having spent his early youth in South Texas near Port Lavaca. He was initiated, passed and raised to the Sublime degree of Master Mason in the Moulton Lodge No. 298 in the year 1871 and was made a Royal Arch Mason in 1875. He moved to Wichita county in 1889 and affiliated with the Wichita Falls Lodge in 1894 and remained with us until death.

'Out of the shadows of sadness,
Into the sunshine of gladness,
Into the land of the blest,
Out of the land very dreary,
Out of the land very weary,
Into the rapture of rest.'

In the death of our brother we have lost a true Mason, a faithful friend, a strong and wonderfully rugged character, whose life has left its mark upon the memory forever everywhere he is known.

Therefore be it resolved, That in the death of Brother J. B. Walker, this Lodge has lost a worthy and honored member, the family a faithful and loving husband and father, and the community a courteous citizen, who was always found upon the right side of questions pertaining to the welfare of its people.

Be it further resolved, That a copy of these resolutions be spread upon the minutes of this Lodge, a copy furnished the family of the deceased, and a copy furnished the local papers for publication.

STATE RECEIVER ECKHARDT TO

PIERCE CO. PROPERTY.

120 BILLS, \$10,000 EACH

Some of Biggest Money Uncle Sam
Makes Contained in Shipment
of Cash to Austin.

Austin, Tex., April 20.—Formal transfer of jurisdiction over the property of the Waters-Pierce Oil Company in Texas and actual control thereof will be made Wednesday afternoon in Sherman when Robert J. Eckhardt, State receiver, will take it over from C. B. Dorchester, who has been receiver under an order from Federal Judge Bryant. Assistant Attorney General Lightfoot will be in Sherman, having left for that place tonight. Mr. Eckhardt is in Sherman, having departed from Taylor last night.

Taylor to Be Headquarters.

The headquarters of the company will be moved from Sherman to Taylor. The surrender of the property follows an order made by Federal Judge Bryant at Beaumont Monday in obedience to the mandate of the highest court in the land, the United States Supreme Court. Judge Lightfoot secured the order from Judge Bryant at Beaumont and returned to Austin this morning. He will go to Sherman to see the transfer is made in due form, with the State protected in all respects, and its receiver safely ensconced in his rights. Mr. Lightfoot will act for Attorney General Davidson, who is in San Antonio.

To Pay Fine Saturday.

The oil company has made several offers to pay the fine and interest, totaling \$1,808,000, and the money has been sent to Austin and reached here today by express, but Judge Lightfoot authorizes the statement the money will not be received by the State until Saturday. He does not expect to return from Sherman until Friday late, after banking and office hours, and will not be in a position to take the money until Saturday, as he originally announced. The State's receiver must be in full possession of the oil company's property before the State will accept any of the penalty money.

It is understood the shipment of cash from New York to pay the fine includes 120 \$10,000 bills, being currency of the largest denominations made by Uncle Sam.

No Affair of Legislature.

There is no truth in the report the legislature will have to appropriate the money necessary to pay the attorneys in the Waters-Pierce Oil Company case. The legislature has nothing to do with the payment of the fees. In fact, the treasurer would have no authority to accept an amount other than the amount of the penalties with the attorneys' fees deducted. The penalties will be collected by the attorneys for the State, of which County Attorney Brady is one, the fees deducted in accordance with the recent ruling of the State supreme court and the balance paid into the treasury. The supreme court held specifically as to the terms of the law under which the fees shall be collected.

ANTI-FUTURE TRADE SENTIMENT GROWS

TEXANS AT WASHINGTON PIONEERS IN OPPOSING GAMBLING IN FARM PRODUCTS.

WHEAT CORNER DISCUSSED

Kansas Congressman Thinks Measure to Prohibit Future Deals Will Have Much Stronger Backing Now.

Washington, D. C., April 16.—The corner in wheat, which has already resulted in the increase of the price of bread in some sections, has revived interest in the legislation to prohibit dealing in futures in farm products. During the last session of congress, Representatives Burleson, Henry and Smith of Texas made a hard fight for the enactment of such legislation, their efforts resulting in an interesting hearing before the house committee on agriculture on this subject.

At this hearing there was present, besides various State and National officers of the Farmers' Union, Hation Sumners of Dallas, who made a clear and telling argument in favor of legislation to stop gambling in farm products. Members of the committee took the keenest interest in the case which Mr. Sumners and the representatives of the Farmers' Union made on this subject, and the only opposition which was made apparent by the line of questioning by members of the committee came from certain congressional districts from the grain States, who appeared to object to it on the ground that it would affect the operation of the wheat and other grain exchanges of the central West.

Protests Pouring In.
Since the recent corner in wheat, President Taft, Attorney General Wickensham and members of congress have received numerous protests against future dealing in wheat and other grains, and have been asked to urge congress to pass drastic measure prohibiting this evil. Representative Scott of Kansas, chairman of the house committee on agriculture, who enabled the Texas members to get a hearing on the anti-gambling bills before the committee, said today:

Kansas Gives View.
"Events of the past two or three weeks have brought this proposition of dealing in futures of farm products very sharply before the people. We know that a practical wheat corner exists, that the price of flour has gone up and that an increase in the selling price of bread is threatened. If that increase be only a cent a loaf the total for a day, a week or a month will be something enormous, the greater part of which must be paid by the poor. I think a measure to prohibit the dealing in futures of farm products will have more backing than ever before. This business of boosting up the price of wheat after the producer has sold it is bad business, and the results of this proposition in increasing the cost of flour and bread constitute an outrageous tax upon the people."

Cause For Recent Panic.
"I am convinced that the inception of the panic of 1907 was due to dealings in futures, thus tying up an enormous amount of money that would otherwise probably have stemmed the tide of hard times. At the department of justice it is stated that no action has as yet been taken against the men who are supposed to be in conspiracy with warehouse men, dealers and railroads to bring about this condition in the wheat market. It is expected that if the government does proceed against them, it will be under the laws regulating interstate commerce, and that portion of the statutes prohibiting conspiracies in restraint of trade."

Stock Water Becoming Scarce.
Water for stock and for domestic use is becoming a serious problem with many farmers in the Wichita country and on all sides can be seen drilling and obfing for water. Wells and springs that had not stopped running in many years have now gone dry and the farmers generally are complaining of a lack of water.

RISKS ON LIFE TO SAVE SON'S

Thursday's Denver Post gives the following account of the tram car accident in which Mrs. J. W. Stone of this city was injured:
In a collision between a Washington park and an Englewood tramway car at Fifteenth and Stout streets, at 5:30 last evening, in which four women were seriously hurt, Mrs. J. W. Stone of 2230 East Colfax received serious injuries in her efforts to save her 5-year-old invalid son, Robert, from a fall that would have proved fatal to him.

The injured are:
Miss Ida Roedel, 2230 East Colfax avenue, fractured knee and cut about the head and upper portion of the body.
Mrs. Ella H. Stem and her daughter, Miss Virginia Stem, a teacher, 2927 West Twenty-sixth avenue, cut and bruised about head and neck, and suffering from nervous shock.
Mrs. J. W. Stone of 2230 East Colfax avenue, whose injuries, besides cuts and bruises, are pronounced by Dr. A. W. Smith to be internal.

Robert Allen Stone, the invalid son of Mrs. Stone, who is suffering from a spinal trouble, was affected by the shock and is in a serious condition. The collision was caused by an automatic switch that refused to operate at the proper time and headed the outpound Washington Park car into the trailer of the Englewood car, which was crossing Stout street and which was nearly tipped over by the force of the collision. For a few minutes the heavy car hung on a balance and a quick reversal of power by the Washington Park motorman is all that saved it from capsizing on the women under it.

The backing of the Washington car allowed the heavy trailer to return to its natural position on the rails. Several hundred people were attracted to the scene of the accident by the

noise of the crash. Policemen from four or five beats were taxed to their utmost to keep the crowds away from those who carried the injured women into the drug store on the corner. Police Surgeon Ackley was notified of the wreck and the auto patrol was converted into an ambulance. The police ambulance conveyed an extra squad of patrolmen to the smash-up.

For a distance of more than a hundred feet the street was littered with splintered wood and broken glass from the car windows. The wrecked cars had been hauled away, but the crowd stopped the traffic. Patrolmen opened a passageway into the drug store for the police surgeon and the injured of those who were a few minutes before carried into the store were attended to. Mrs. Stem and her daughter were bleeding from cuts about the head and neck, and the older woman was nearly prostrated from the shock. After caring for their injuries they were taken to their home in the police ambulance. Both are confined to their beds today suffering from the shock.

Miss Roedel was severely cut on the forehead and stunned from her fall to the floor of the car, where she was found unconscious. Mrs. Stone was sitting beside Miss Roedel at the time of the collision and held her son Robert in her lap. Robert was hurt about three years ago, and since that time has worn a brace fastened to his back in which his head is suspended. A severe jolt or jar, if his head from the sling would prove fatal, Mrs. Stone said.

First Thought for Son.
When the crash came, Mrs. Stone's first thought was for her son. The sudden collision threw her to the pavement through the open door. Realizing the danger to her son she turned so that her son would fall on her body. She struck the pavement on her back and the little fellow fell on her. She instantly rose and followed the men who were carrying Miss Roedel into the store. She still held her son, unhurt, in her arms.

Once inside and the boy placed on a divan, Mrs. Stone fainted. She had escaped the flying glass, but was badly bruised about the body. After a hasty examination of her injuries, Police Surgeon Ackley turned Miss Roedel and Mrs. Stone and her son over to the care of Police Sergeant Patterson, who conveyed them to their home on Colfax avenue in the auto patrol.

Both Miss Roedel and Mrs. Stone took to their beds when they arrived and a physician was summoned. Miss Roedel today is suffering intense pain from a fractured knee and many bruises about the body, as well as a few minor cuts about the head.

Husband Summoned.
Mrs. Stone's condition is more serious, according to the doctor, and she may be suffering from internal injuries. She is in great pain and it will require several days before the exact nature of her injuries can be learned. Mrs. Stone has been here but a short time from Wichita Falls, Texas. Her husband has been summoned by wire, but the extent of her injuries was not made known to him. None of the passengers in the Washington Park car were injured otherwise than a few cuts and bruises, which did not require the attention of the police surgeon or the Tramway physicians.

All of the injured, excepting Robert Stone, the 5-year-old lad, were women, though there were several men in the car.
Patrolman Nathan Hunter and Geo. L. Williamson of 1960 Twenty-sixth avenue, were on the Englewood car, but escaped unhurt.

DR. MILLER SUFFERS BROKEN ARM IN RUNAWAY.

From Monday's Daily
As a result of a plucky and successful effort to prevent his team from running away, Dr. R. L. Miller is suffering from a fracture of his right arm just above the wrist.

The doctor had been called to Burk Burnett yesterday afternoon to see a patient and was delayed several hours in returning and decided to drive a shorter route by which he had to open several gates. While he was opening a gate his team became frightened and started to run. Dr. Miller made a run and caught hold of the lines, but was pulled to the ground and dragged a long distance before he finally succeeded in bringing his horses to a stop, after which he discovered that he had sustained a broken arm.

NEW GRAND JURY FOR HASKELL CASE

Tulsa, Ok., April 20.—Authorized by Attorney General Wickersham, Federal Attorney Gregg this afternoon will request Judge Campbell of the United States Circuit Court for a special grand jury of sixteen men to be made up from the old Indian Territory, to re-investigate and indict Governor Haskell and others in connection with the Muskogee townsite frauds. This will conform with Judge Marshall's ruling, who said the jury must be selected in conformity with the Arkansas law, by which Judge Marshall quashed the indictment against Haskell.

PROTEST AGAINST SUNDAY BASEBALL

From Friday's Daily.
Our attention has been called to a paragraph in Wednesday's Times relative to a match game of baseball to be played in our city next Sunday and an excursion over the Northwestern from Frederic, Oklahoma, to accommodate the opposing team. In no way do we blame the editor for publishing the same. He did it to give the information to the public. But the thing we do want to do is to enter our protest against such things taking place in our city. We want it understood that to a man we are opposed to any sort of recreation whatsoever on the Lord's Day.

We are not ascetics and would not deprive, if we could, a single citizen of our city of any legitimate pleasure or sport, but when the Lord's Holy Day has to be taken for such things we think it is time that we should cry out as watchmen upon the walls. We warn our people of the consequences of such sins. And as certain as there is a God in the heavens, no people can continue to live in utter disregard of God's laws and calamity not overtake them.

"Shall I not visit for these things?" saith the Lord: "And shall not my soul be avenged on such a nation as this?" "Be not deceived: God is not mocked; for whatsoever a man soweth that shall he also reap."

We make an earnest appeal that no professed follower of Jesus will in any way lend his influence or himself participate in any sort of Lord's Day desecration whatsoever. And we further urge that parents will see to it that their children shall know the evil consequences of disobedience to God's will and that they will let the Lord's Day find them with their children at the Lord's house engaged in His holy worship. Respectfully,

A. J. BUSH,
W. T. MORROW,
R. E. FARLEY,
W. F. FRY.

DR. M'KEE ACCEPTS PASTORATE

Rev. J. L. McKee of Kansas City has accepted a call to become pastor of the First Presbyterian church of this city. Dr. McKee expects to arrive in time to occupy the pulpit on the first Sunday in May.

For about eight years Dr. McKee has been pastor of the Fifth Presbyterian church in Kansas City. A few weeks ago he delivered a series of lectures in this city.

Will Move to Wichita Falls.

Richard Flood of Oklahoma City is here looking after his real estate interests and is preparing to move to this city to reside permanently. Mr. Flood says that the Oklahoma City people are enthusiastic over the proposed Oklahoma City-Wichita Falls railroad and will give the project liberal support.

Allendale News Notes.

Allendale, Tex., April 19.—Mr. Will Allen of Rocky, Oklahoma, visited his brother, Mr. C. C. Allen, and family, last week.

Mr. Robert Allen of Dalhart, Texas, visited his uncle, Mr. C. C. Allen, last week.

Mr. and Mrs. J. B. Sisk visited friends at Iowa Park Saturday.

Prof. Charles Agee of the Allendale school and Miss Esther Sellers of the Box K school, took their pupils over on the lake last Friday for a day's outing.

Boat riding, swinging and baseball were some of the pastimes engaged in. A most delicious dinner, with plenty to spare, was spread under the shady trees, which was enjoyed as only hungry children know how.

Everyone was enthusiastic in their praise of the delightful time they had, till we who were not so fortunate as to have been a pupil wished we might have been for one day.

Two Chickens From One Egg.

Mrs. R. H. Suter, who resides about 3 1/2 miles northwest of this city, is the possessor of two well developed chickens which were hatched out last Sunday from one egg, and reports that the chicks are apparently well and hearty. So far as this paper is aware, this is the only case on record where a double yolk egg has produced twin chickens, which fact is a further evidence that Wichita county is the best poultry raising county in the United States.

STOMACH AGONY.

Abolish the Cause, and Misery and Distress of Indigestion Will Vanish.

Can indigestion be cured? Hundreds of thousands of people who suffer from belching of gas, biliousness, sour stomach, fullness, nausea, shortness of breath, bad taste in mouth, foul breath, nervousness and other distressing symptoms are asking themselves that question daily.

And if these same doubting dyspeptics could only read the thousands of sincere letters from the people who once suffered as badly as they do now, but who have been quickly and permanently cured by the use of Mi-o-na, the mighty dyspepsia remedy that cures by removing the cause, they would go to E. S. Morris & Co., this very day and get a large box of Mi-o-na tablets.

The price of Mi-o-na tablets is only 50 cents, and E. S. Morris & Co., guarantees them to cure indigestion, or money back.

This or lean or scrawny people will find in Mi-o-na a maker of flesh and blood, because it causes the stomach to extract more nutritious matter from the food. 16&18

JAPANESE BUSINESS MEN TO MAKE TOUR OF U. S.
 Spokane, Wash., April 22.—Fifty of the members of the Associated Chambers of Commerce of Japan, including fifteen trade experts and representatives of the commercial organizations at Yokohama, Kobe, Osaka, and Kyoto, will be guests of the Chamber of Commerce of Spokane, Tacoma, Seattle and Portland early next September on a visit to these cities and an ocean-to-ocean excursion on a special train. The party is to make stops in practically every prominent commercial, financial and industrial center between the Pacific Ocean and Long Island Sound and the international boundary and the Gulf of Mexico.
 "The trip probably will be through the northern tier of States as far as the Great Lakes," said Frederick E. Goodall, president of the Spokane Chamber of Commerce, in making the formal announcement, "and after visiting Chicago, New York, Boston and other cities in the Eastern and New England States, the party will stop off at Baltimore, Philadelphia, Washington, Pittsburg and other cities, going thence through Ohio, Michigan, Indiana, Illinois, Iowa, Kansas, Missouri, Nebraska, Colorado, Utah and Oregon. The trip is to occupy from sixty to ninety days, depending upon the length of the stay in the East."
 The purposes of the receptions at Seattle, Spokane, Tacoma and Portland and the transcontinental excursion are to make an official recognition of the many courtesies extended to the delegates from Washington and Oregon at the trade conference in the chief cities of Japan last fall, and to show what the various centers in the United States offer to Japan in a trade way, also to establish and maintain closer commercial relations between this country and the Land of the Rising Sun.

The Phoenix Sanitary Duster

This duster is made from rope manilla. It will outwear any duster of any other material costing five times the price. Being of glazed rope manilla dust will not adhere to it as to other dusters, as it can be gathered upon it and readily shaken off. It will do the work other dusters fail to do, as it can be shoved into corners, shelves and crevices without being injured. It will not scratch fine surfaces as other dusters will. Moths or other insects will not destroy it as other dusters. It does not contain or will it convey any germs of disease, and is absolutely the only sanitary duster offered the public. The lasting qualities of the Phoenix are greater than any other duster, and it is sold under a guarantee to last ONE YEAR. The price is ridiculously cheap--15c with wire handle and 25c with wood handle, and are far superior to any feather duster made.
