Postmaster O. T. Bacon. American National Insurance Co., Galveston, Texas.

Gentlemen:-I had the pleasure of meeting your representative whom I found to be a most thorough gentleman, and also a thorough fasurance man. I had explained to me the policy now being written by the American National Insurance Company, and I candidly say it is one of the best and so strongly did I think so, that I took a policy for \$5,000. I consider it the best of all I have, and T carry several. I am glad to see the strong men of Texas taking stock and pushing this company, as there is nothing like keeping Texas money at hone. Be sure to keep the good work going, and also keep your agent at work in this part of the State, where he wil' not only help your company, bue my friends also. Yours truly, OTIS T. BACON.

Wichita Mill & Elevator Company.

I am much pleased to have investigated your company and I consider .t a favor to be able to become a policy holder in your company.

In view of the upheaval in insurance matters in New York City recently, it has demonstrated to me that the time has now come for a great insurance company in Texas, so the people of Texas can retain their premiums at home, instead of sending them outside the borders of our State. Your company assisted by such men as you have associated with you in this company, is sufficient guarantee to anyone seeking a policy, that the money will be paid to his family after he is dead and gone.

> Yours very truly. FRANK KELL, President

Office of County and District Clerk. Wichita Falls, Texas.

Your representative called on me today and explained the fine policy you are now issuing. It is a pleasure to me to take a policy in your company as I think the American National deserves the liberal patronage it is receiving among the representative men of our State.

It indicates a worthy desire to patronize a first-class home company and thus keep Texas money at home. Very truly yours, W. A. REID, County and District Clerk,

MORA C. CLARK, General Agt. Present Address, Wichita Falls, Texas Office of the City Council:

Wichita Falls, Texas. A representative of the Americaa National Insurance Co., called cp me today, and after showing me fae advantages in the life insurance business with your home company, had no trouble in interesting me to the extent of a \$5,000 policy. In this connection [beg to say that you have in your company the very proposition in the way of life incurance that I have wished for for the last ten years. And I can state to you frankly that I believe the people of Texas will appreciate the fact that you people in organizing this company have done a great work for the people throughout the whole state. Yours very truly.

T. B. NOBLE, Mayor.

Coleman-Lysaght-Blair Company.

As stated to you personally a few weeks ago, I believe that your Texas company is a better proposition for one to insure in than any of the old line Eastern companies, for several reasons.

The first of many reasons is that the gentlemen who are officers and directors of the American National Insurance Company are thoroughly known to the people of Texas to be clear, clean-cut, honest busines men.

Another reason is that the premiums paald to the Texas Company will be invested in Texas.

It is a pleasure for me to take out a policy with your company today. WILEY BLAIR.

Sect'y. and Gen'l. Manager.

Wichita Falls, Texas

I have taken a policy in the American National Insurance Co., and I think it the most liberal contract I have ever known. I think your company as a Texas institution, deserves encouragement and support.

> Yours truly. JAS. T. MONTGOMERY. Attorney-at-Law.

Burnside & Walker, Physicians and Surgeons.

Wichita Falls, Texas. Enclosed you will find my check for premiums, also acknowledge receipt of my policy, which I consider the best one I have out of five others I have had for some time.

Yours very turly, W. H. WALKER, M. D.
