

Any movement to aid farmers never fails to substantially benefit the merchant.

# The Texas Spur

## AND DICKENS ITEM

A well tilled farm is more valuable to the owner and the community than an oil gusher.

Volume Fourteen.

SPUR, DICKENS COUNTY, TEXAS APRIL 18, 1924

Number 25

### A. J. RICHEY FOR PUBLIC WEIGHER OF PRECINCT ONE

A. J. Richey, of Dickens, was in Spur this week and authorized The Texas Spur to place his name in the announcement column for the office of Public Weigher of Precinct Number One, which precinct includes both Dickens and McAdoo.

A. J. Richey is known by every voter in his precinct. He is qualified in every particular to fill the office of weigher, and should be elected will be on the job at all times and render accurate and satisfactory service to the public. We ask voters to consider his candidacy at the polls.

### THOMP. JOHNSON ENTERS THE RACE FOR COMMISSIONER

We are this week authorized to announce S. T. (Thomp.) Johnson as a candidate for the office of County Commissioner of Precinct 1, which includes Dickens, McAdoo, and Duncan Flat. His candidacy, of course, is made subject to the Democratic Primary to be held in July.

Thomp. Johnson is one of the "old timers" of the West, having drifted out here in the '90s, saw the country as it was in those days, realized its needs and foresaw and helped in the development progress. At the opening of Spur, or soon thereafter, Thomp. Johnson engaged in business in Spur, conducting a successful and prosperous business until he retired to the farm where he now lives.

His long residence in the West and Dickens county, together with business experience in both town and country, places Thomp. Johnson in a position to render the public good, progressive, economical and satisfactory service in administering county business and public affairs coming under the commissioners court proceedings.

There is one thing sure, Thomp. Johnson will "squander" no public funds, and yet will not be "niggardly" in the expenditure of public money for necessities and progressive developments and improvements.

We ask voters of Precinct 1 to give his candidacy a due and deserved consideration at the polls.

### W. F. McCARTY HAS NOT WITHDRAWN FROM ASSESSOR RACE

W. F. McCarty, who has been very sick several weeks, called in this week and stated that the report had gone abroad that he had withdrawn from the race for Tax Assessor, and requesting the Texas Spur to announce that he had not withdrawn, but on the other hand was just now beginning his campaign in real earnest.

Mr. McCarty was quite sick for several weeks. In fact, for a time it was doubtful if he would recover. However, he is now up and rapidly regaining his strength and former good health, has been visiting with relatives and friends on the plains and elsewhere, eating chicken pie and getting in good condition to a fast and effective campaign for the place of assessing the next taxes of Dickens county.

### PARENT-TEACHERS CLUB

When the Parent-Teachers Club met in their last regular meeting, the following officers were elected for the year: Mrs. John L. King, President; Mrs. Manning, 2nd Vice-President; Mrs. Stafford, 3rd Vice-President; Mrs. Collett, Secretary; Mrs. Zachry, Treasurer.

Mrs. Senning, Mrs. Manning, Mrs. Sample and Mrs. John L. King were appointed delegates to the annual district meeting of the P. T. A. that will be held in Plainview the 24th and 25th. The P. T. A. is planning to sponsor a Street Carnival that will be held the first Friday and Saturday in May.

More parents are invited to attend the Parent-Teachers Club meetings which are held on the 2nd and 4th Tuesdays in each month.

### RECITAL IN MUSIC AND EXPRESSION AT DICKENS TUESDAY

Miss Nell Higgins, teacher of music and expression, will give a recital by her pupils Tuesday night at Dickens in the high school auditorium.

The general public, and especially patrons of the school and those interested in music, are respectfully invited to attend. Miss Nell Higgins is one of the best musicians and teachers of music and expression in the West.

Plant Less Cotton

### BEN ROY FOUND DEAD LAST WEEK NEAR CLAIREMONT

Ben Roy, an old time Westerner, was found dead one day last week near Clairemont. He was subject to epileptic attacks, and it is presumed that he fell from his horse while riding.

In the earlier days, before the development of agriculture in this section, Ben Roy was one of the best fixed and wealthiest cattlemen of the country, owning a considerable ranch well stocked with cattle. However, he suffered reverses and misfortunes, and at the time of his death, like the Saviour of Mankind, "had no place to lay his head", but he had many friends among the old timers who will regret to hear of his death.

Trade at Home

E. F. Hall, who was carried to the Lubbock hospital for treatment at the hands of a specialist, was brought back home this week. His condition remains serious, we are sorry to note.

### BRYANT-LINK COMPANY

Mighty glad to be able to greet all our friends today through the columns of the Texas Spur. We feel just like we were talking to you as we write our ads each week, and so we try not to tell you things that are not true. You know, to us a liar and a thief are the same type, and there will be neither in the Better World.

We noticed last week Mack passed a very great compliment on our company when he said Bryant-Link Co. was a concern with a "soul." We appreciate that statement, and it will help us live better, and this shows how it helps to scatter a little sunshine in the pathway of others as we go this way.

Yes, we are glad to announce to our friends that we are contemplating extending our building back seventy feet. We will take the space now occupied by our grocery department and use it for Mens Wear, and our Grocery Department will face north, just back of the present dry goods department. And back of the new grocery department will be our new Furniture Department. This will also face north with a thirty five foot front, and will connect in an all shape with our Hardware Department. We have contemplated this improvement for many years, as we have always been crowded for room, especially in our Dry Goods Department. We hope to be able to serve you better when we get this new Plant, and we feel the time has come when Spur and the country around it demands the very best service that we can arrange.

Come on as you have always done, and make "our store your store" and bring the children.

Yes, we want to fit up the April, May and June Brides. Tell us just what your needs are going to be, for we sure havv the Dainty things that every Bride must have to make her wedding day come up to her dreams.

Our Millinery Department is just smiling with Easter Charm. We have had to wire for more of the new creations. Hurry, Easter sure is here at last.

Business has been good so far this year, especially our cash trade has moved up 57 per cent ahead of last year, which proves people are finding out that our values are right. Come on with the crowds. Buy a sack of Fants Fairy, made exclusively for Bryant-Link Company—nothing better made! Bring the children.

### BRYANT-LINK COMPANY

FROM 1-HALF TO THREE INCHES OF RAIN COVERS THE COUNTRY

Saturday night rain fell over the entire Spur country, varying in the amount from one-half inch to three inches in the different sections.

The entire Spur country is now in ideal shape with respect to agricultural prospects and cattle interests.

Old timers say that as fine season as we have now was never known at this time of the year. Farmers are all busy preparing lands and planting feed stuff. The small grain crops are as fine as was ever before known. In fact, the great Spur country could not ask for or expect better season and conditions than now prevails in every section.

### "A TRIP THROUGH MIZZURY" ENJOYED BY LARGE AUDIENCE

The play, "A Trip Through Mizzury" presented by home talent under the direction of the Methodist Home Missionary Society at the high school auditorium Friday night of last week was enjoyed by a large audience.

The funds derived from the play, amounting to seventy or eighty dollars, will be devoted to missionary work by the society.

### GIRARD HIGH SCHOOL GIRLS WILL PRESENT PLAY IN SPUR

The Girard High School girls will present a play, "A Southern Cinderella" in the eSpur High School auditorium Friday night, April 18. The admission will be twenty five and thirty five cents. The attendance of the general public is respectfully invited.

### W. F. HAMMACK ANNOUNCES FOR COUNTY COMMISSIONER

The Texas Spur is this week authorized to announce W. F. Hammack of Afton, as a candidate for County Commissioner from Precinct Number Two, subject, of course, to the will of the Democratic Primary election in July.

Mr. Cammack has been a resident of the Afton country since 1917, and is personally known to practically every voter in the precinct. He is well qualified and fitted for the place, and if selected for commissioner will pay special attention to road work, and in administering county affairs in general will be conservative and economical in disbursing funds, and progressive in all public matters.

We ask voters of Precinct 2 to give the candidacy of W. F. Hammack due consideration before casting a vote in the primary election.

Plant Less Cotton

### CITY BAKERY AND BUILDING DESTROYED TUESDAY BY FIRE

Early Tuesday morning fire destroyed the City Bakery and building. It is supposed that the fire originated from the oven, since a fire had just been started and Mr. Bowles had gone out to breakfast, when the entire building was noted in flames, nothing being saved from the building. The bakery was owned by P. C. Bowles, while the building was owned by Oran McClure.

The Ramsey Garage was damaged almost beyond repair by the fire, everything being removed from the building, in the thought that it could not be saved.

Plans are now being made to cover the entire four lots with brick buildings, and it is very probable that the work of reconstruction in a more substantial manner will begin at an early date.

No insurance was carried on the buildings, while the bakery had insurance to the amount of \$1,250.00.

Trade at Home

### MOSLAH TEMPLES' SPRING CEREMONIAL IN FT. WORTH 25TH

The red fez hordes of Nobles will assemble in Fort Worth Friday, April 25th, for Moslah Temples' Big Spring Ceremonial. One feature of the ceremonial will be a band concert by Moslah Temples' famous concert band. A large attendance is expected from the whole country.

### A SMALL CYCLONE RECENTLY DID LIMITED DAMAGE HERE

Recently, during the wind storm, a small cyclone swooped down on the Mrs. Kate Buchanan place in the Dry Lake community, with the result that the farm house was blown from the foundation and torn into kindling wood. The barn and other buildings on the place were also wrecked. The twister did damage only to this one place. As a result of the wreckage, Mrs. Buchanan is now having a new farm house and barns constructed on the place.

### MISS YOUNG NOW IN CRITICAL CONDITION OF BLOOD POISON

The daughter of Mr. and Mrs. Will Young, who recently sustained a broken ankle bone in an automobile wreck, is now in a critical condition at the Nichols Sanitarium, and is not expected to survive at this time. The bone at or near her ankle was broken in a fall from the car, the bone protruding through the skin. Blood poison has set up, and there is nothing which can be done to counteract its progress.

### PROMINENT CITIZENS OF DENTON VISITORS IN SPUR

D. K. Allison of Denton, Texas, was thru Spur Friday on the way to his ranch near Post, Garza County. He was accompanied by W. C. Edwards, also of Denton, who in addition to being publisher of the Denton Record-Chronicle, is a candidate for the Democratic nomination for Lieutenant-Governor. Edwards is covering this part of the State in the interest of his candidacy. Edwards is a former president of the Texas Press Association and also of the Texas Daily Press League and has been connected with the newspaper business in Texas for nearly 30 years, 25 years as owner and publisher of the Record-Chronicle, a daily and semi-weekly publication.

"You have a wonderful country," said the Denton publisher. "I was here just 14 years ago, soon after the town was established, and the change that has come over this country in that time is simply wonderful. Then comparatively little of the land was in cultivation and farm houses were few and far between. Today this whole section is blossoming like a rose and the prospects for another fine crop year seem very good."

On their way to Spur Allison and Edwards drove thru, visiting at Weatherford, Mineral Wells, Caddo, Palo Pinto, Breckenridge, Albany, Stamford, Aspermont, Jayton, Girard and other points between. From here they went to Dickens and will visit at Lubbock, Slaton, Snyder and returning via towns on the Texas & Pacific.

### TWO WOMEN WRECK FORD SEDAN ON HIGHWAY TUESDAY

Tuesday evening two women driving a new Ford Sedan, completely wrecked the car while driving on the highway leading out of Spur to the west. The car, it is said, turned over two or three times, completely smashing the body, and leaving little of the car whole except the chassis. The women were passing through, coming from the plains country.

**To My Customers and Friends!**

I desire to announce that I have leased the new Brick Building east of the post-office, and as soon as completed I will re-open for business. Thanking you for your past loyal trade and will appreciate your future business at an early date.

**C. A. LOVE, SPUR, TEXAS**

P. A. Smith, a prominent citizen of the Girard country, was a recent business visitor in Spur, and while here called in at the Texas Spur office to register a complaint about not getting his paper regularly. We are going to have to employ a regular man some of these days for our mailing department, since it is growing to such proportions that the book-keeping is becoming a real job. However, we want to get the paper to every reader every week, and when a mistake occurs we are glad to correct it.

Trade at Home—  
Mrs. A. Lollar, who last week started to Abilene to visit with relatives, got no further than Stamford at which place she decided she was taking the measles and returned to her home. However, the measles failed to develop, and Mrs. Lollar was shopping in the city Tuesday of this week.

Trade at Home—  
We this week changed the paper address of J. D. Smith from Spur to Baileyboro, to which place he recently moved and will make a crop this year. Baileyboro has attracted quite a number of good citizens from Dickens county—and we are hoping that the new country will prosper and treat them each well.

Trade at Home—  
Leo Petty, formerly of Dickens but now of Guthrie, was in Spur the past week and while here was a pleasant caller at the Texas Spur office. Mr. Petty is now engaged in the garage business and is operating a general service station at Guthrie. He reports having a good business and a good location, there being no other business of this character in that entire section of country. Mr. Petty had us send the Texas Spur to his new address.

Trade at Home—  
Sim Moss slipped us a dollar the other day while in town. Sim Moss is a bully, good fellow, and appreciates the fact that it requires funds to operate a newspaper as well as a farm.

Trade at Home—  
Bert Brown, of the 24 Ranch was a recent business visitor in Spur.

Trade at Home—  
**COTTON SEED FOR SALE**  
Pure Half and Half at \$2.00 per bushel, delivered in Spur, Girard, Roaring Springs, Jayton or Peacock. Am now making up orders. Send me your order at once.

Also another shipment of pure Kasch seed stored in Bryant-Link Implement building. See me. Phone 187, or Mr. W. R. Lewis, at Bryant-Link's. These seed are \$2.65 per bushel.—M. M. Young, Spur. tf

W. B. Combest, of Paducah, and candidate for distric attorney of this the 50th judicial district, was in Spur recently meeting with the voters in this section. Mr. Combest is a young lawyer of exceptional ability, gives promise of doing something in the future, and in the contest for distric attorney will wage an earnest and appealing campaign. Those who met Mr. Combest in Spur were favorably impressed with him.

Trade at Home—  
T. M. Maples has now thrown away his crutches. He suffered the bursting of a large blood vessel in one of his legs, and for several days was unable to put his foot to the ground. At one time when a blood vessel bursted in his leg, a large stram of blooded spurted out for a considerable time. These attacks come on Mr. Maples at intervals, and apparently there is no remedy for the trouble.

Trade at Home—  
Mrs. M. A. Lea is on an extended visit with relatives in Grayson county.

**MARRIED**  
Leonard Middleton, of the Afton country, and Miss Guthrie, daughter of A. M. Guthrie, were married Sunday at Roaring Springs, returning Monday to Afton where they will make their home in the future.

Leonard Middleton is one of the most promising young men of Dickens county, and the Texas Spur joins his many friends in extending congratulations and best wishes to him in this venture over the matrimonial seas, and may he and his bride enjoy many years of happiness and prosperity.

Trade at Home—  
**THE STATE OF TEXAS**  
To the Sheriff or any Constable of Dickens County, Greeting:

C. Hogan, administrator of the estate of Elihu (E) Luce, deceased, having filed in our County Court his final account and exhibit of the condition of the estate of the said deceased, you are hereby commanded that by publication of this writ for twenty days in a newspaper regularly published in Dickens County, Texas, you summon and give due notice to all persons interested in the estate of the said Elihu (E) Luce, deceased, to appear and contest said final account, should they desire to do so, and file their objections thereto, if any they have, on or before the April Term, A. D. 1924, of said County Court, commencing and to be holden at the Court House of said County, in the town of Dickens, Texas, on the 21st day of April, A. D. 1924, when said account will be heard and acted upon by said court.

Witness: O. C. Arthur, Clerk of the County Court of Dickens County.

Given under my hand and seal of said court, at office in Dickens, Texas, this 14th day of March, A. D. 1924.

O. C. Arthur, Clerk, County Court, Dickens County, Texas. 23-4t

Roy Harkey made a run over to Lubbock and possibly to Amarillo Tuesday of this week. He became tired of waiting for the car load shipment of Hudson and Essex cars to arrive, therefore went up and brought one down through the country to exhibit to prospective car purchasers. A Hudson and Essex agency has never before been established in Spur for the reason that heretofore only "the rich" could afford to drive such high-class cars. However, since the prices have been reduced these cars are now in the reach of most men who desire to drive a real automobile. Trade at Home—

PONY LOST—On April 7th left my place in Spur, one bay pony banded L—D on left shoulder, coming four years old, weight about 700 pounds, was kept on Cannon ranch last year, but was raised on West Pasture of Spur Ranch. Any information leading to the recovery of this pony will be gladly received and promptly paid for.—M. M. Young, Spur, Texas. 25 2t

Trade at Home—  
E. J. Cairnes, of the Paddle Ranch over in Kent county, was here the past week, greeting his many friends of Spur. He says everything is now looking good over in Kent as well as elsewhere in West Texas. The fact is the two country was ever in better or more promising condition than Western Texas at this time. Trade at Home—

W. B. Lee returned the past week from Rochester where he spent several days with his father who has been quite sick. We are glad to note that his father is now reported improving. Trade at Home—

A big, fine twelve pound boy was born Saturday night at nine o'clock to Mr. and Mrs. Cecil Judd at their home in the Afton country. Trade at Home—

On the night of April 7th, 1924, William H. West died at the home of his brother, F. W. West, in Abilene, Texas.

The deceased was born in Polk county, Georgia, April 15th, 1864. His father died before he was old enough to remember him, and he being the oldest son, assumed as early as possible the place of a father in a home of four children and an invalid mother, where he remained the rest of his mother's life.

The family came to Kaufman county, Texas, in 1886, where they lived until 1895, when they moved to Bell county and lived in Killen until 1898 when his mother died and his home was broken up. He lived afterwards with his brothers in Oklahoma and Western Texas, coming to Dickens county in 1910 where he had continuously resided until death.

For the past six years he has lived on his farm southwest of Spur.

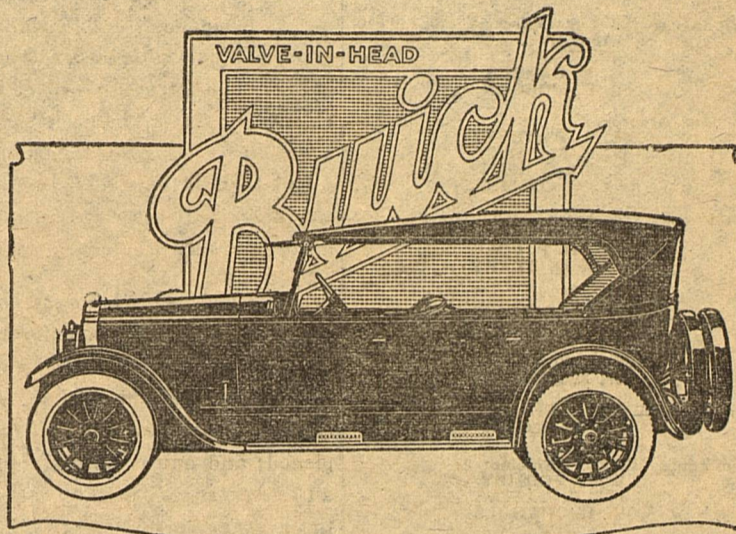

His life has been one of continuous sacrifice for others and has been marked throughout by unselfishness. He was never married, but was a devoted son, a true brother, and a loyal friend. He was highly esteemed by old and young, and his principles were above reproach, and his ideals high and noble. His character was such that one felt honored by his consideration and friendship. He leaves his brother, F. W. West of Abilene, the only surviving member of their family, and in his death Dickens county and Spur have lost a highly esteemed and honored citizen.—Mrs. F. W. West, Abilene, Texas. Trade at Home—

P. A. Ramsey returned the first of the week from a business trip to Stamford and other points to the east of us. He says that no where are conditions better than in the Spur country. Trade at Home—

STEEL HILL NEWS.

The people of this community are very busy farming at present.

Rev. Grizzle filled his regular appointment at Steel Hill Saturday night, Sunday and Sunday night. Quite a crowd enjoyed the sermon each time.

Mr. and Mrs. Walter Jordan and family spent Sunday evening with Mr. and Mrs. N. M. Morris.

Misses Maye and Cecil Duncan were business shoppers in Spur last Saturday.

Mr. and Mrs. George Erath, Mr. and Mrs. Will Moore and families, spent the day Sunday with Mr. and Mrs. Bell.

Mr. Charles Kimmell visited with Mr. and Mrs. Tom Rape Sunday.

We miss the presence of Miss Lillian Rape who is visiting at Plainview and other points on the plains.

Mr. and Mrs. Preston Boothe left Saturday for Lubbock with their little daughter who has been suffering with a throat disease. They are taking her to a specialist.

Mr. Alvis Wilson was seen driving at a rapid rate of speed Sunday, going toward Miss Lucile Gragson's. Wonder what was so urgent?

Mr. Newel Carroll took dinner with Miss Mettie Jordan Sunday week.

Aaron Thomason is just recovering from an attack of heart disease.

Misses Ruby and Odessa Craig, Odessa Moore, Lillian Randall and Rachel Barrett were shopping in the town Wednesday.

Messrs. Buster Holly, Walter Moor and Veto Austin are working this week. We wonder what will happen next.

Messrs. Bunch and Jimmie Flanagan and Charley Carroll and Allen Kidd were out joy-riding last Sunday.

Mr. and Mrs. Williams were shopping and greeting with friends Saturday in our community.—The Triples.

G. W. Dodson was here Saturday from the Tennessee Valley community, where he says everything is in the every finest shape at this time, with prospects of producing this year the biggest crops ever before known.

Little Miss Zefferene Stephens, daughter of Mr. and Mrs. Jack Stephens, underwent an operation Monday night for appendicitis. She is now reported doing nicely, we are glad to note.

Newt Cravey and little son, of the Red Mud country, were in Spur Saturday, and while here called in for young Mr. Cravey to see the printing machinery operate. This young gentleman has an inquiring mind, and very evidently will make a useful citizen in the years to come.

A. C. George, of Highway, was one among the many business visitors in Spur last week.

Give Your Dollars a Chance to Make You Money!

THE CHRYSLER SIX IS COMING

January 8, 1924

Walter W. Chrysler, Esq.

New York City.

Dear Mr. Chrysler:

After twenty years of experience with motor cars of all nationalities, during five of which I served my apprenticeship in the largest automobile factory in Europe; after many years of flying on all types of aeroplanes in various parts of the world, both before, during and since the War, it takes something very unusual in the way of internal combustion engines to arouse in me even the slightest degree of enthusiasm; so I am sure that you will pardon a complete stranger taking the liberty of addressing you a few appreciative remarks concerning the Chrysler Carr.

I happened to be strolling through the Commodore lounge yesterday afternoon and noticing a crowd gathered around something, went to investigate. The attraction proved to be your chassis and an immediately noticeable "cleanliness" of design caused me to look a little more closely, when I was surprised to see a certain very efficient type of cylinder head—which I had thought existed only in England—incorporated in your motor. I was now really interested, examined the chassis in detail and became more agreeably surprised every moment.

I had never before seen an engine of that piston displacement with a seven-bearing crankshaft; the water jacket around the cylinders and valves was admirably carried out; the exhaust and inlet manifold arrangement were excellent; and all the accessories, such as generator, carbureter, ignition distributor, oil and air filters, etc., seemed extraordinarily well placed; and one certainly could not help being struck by the absence of all "annoyances" in the chassis, such as brake and torque rods, which, in the average car are never greased and are inclined to breed rattles. By this time one of your salesmen had rallied around and began volunteering some startling information, the outstanding feature of which was the fact that the car would do seventy five miles per hour.

I stopped him at that point—I was very sympathetic, mind you—and told him that I quite understood that what with the worry of the show and all that sort of thing, one was liable to get a bit "foggy," and advised him to rest for an hour or so and take a couple of aspirin tablets. But he stuck to his guns and insisted on this seventy five miles per hour business.

Well, Mr. Chrysler, I know as you know what that means or an engine of two hundred one cubic inches displacement. Wind resistance has the unfortunate habit of increasing as the square of the speed, and seventy five miles per hour with a touring car with the top and wind screen up, means perfect balance of the motor and chassis as a whole, and it means power, with a capital P. Of course, I didn't believe him and told him so and he insisted that it would be only fair to him if I drove the car.

I drove it for an hour this morning and all I can say is that it is astounding in every way. It took Fort George Hill from a standing start in high gear with five passengers without a murmur and finished up at well over twenty five miles per hour. It then went up in second speed with the same load at a comfortable forty—riding magnificently over the cobblestones. On the level it did approximately seventy seven miles per hour—the speedometer only read to seventy five and it was hard up against the needle for some time—while in second speed forty seven miles per hour was obtained, all without the slightest vestige of vibration. As over seventy I jammed the foot brake down hard with my hands off the wheel and the car stopped in an incredibly short space, without deviating an inch from its course, while, with the brakes hard on with full throttle, the car could be steered from one side of the road to the other with one finger. At no time during this ride of over an hour did the thermometer on the dashboard register more than ninety five degrees Fahrenheit, and after coming down Fort George Hill several times to try the brakes, one could bear one's hand on them and they were all exactly the same temperature.

The reason I am writing to you at length is because I like motor cars and appreciate something out of the ordinary when I see it and I must congratulate you, Mr. Chrysler, and your designing staff on producing the finest car I have had the pleasure of driving during the past five years, regardless of price, and as for that roadster of yours—it's more than an automobile—it's a work of art.

Yours faithfully,

E. C. Hemp, Capt.

L A HINDMAN SPUR TEXAS

A BOOST FOR SPUR SCHOOLS.

As Spur is making progress and gaining prominence in other things, she is not behind in the school.

Below is a copy of a letter from the University of Cincinnati to Supt. W. C. Cameron, which proves the merits of our schools from pupils that go out from it.

Cincinnati, Ohio, April 8, 1924.  
Prof. W. C. Cameron, Supt.  
Spur High School, Spur, Texas.

The task of selecting students for our cooperative courses is a difficult one. Our experience has led us to believe that the character of the student's high school preparation is a basic consideration in coming to a decision. We have made, therefore, a preferred list of schools from which we shall accept, without further investigation, such young men as are recommended to us by the principal as being qualified for our cooperative courses.

Mr. Wm. W. Manning is a gradu-

ate of your school; his work with us is of such character as to indicate that we should have no hesitancy in placing your school on this preferred list. I am writing, therefore, to say that if any of your graduates desire admission to our courses, we shall accept them upon your personal recommendation, provided they have the necessary scholarship requirements.

If any of your students are thinking of coming here this year, please let us have their applications for places, together with your personal statement regarding them as soon as convenient.

Herman Schneider, Dean  
College of Engineering & Commerce.

Miss Beulah Copeland, daughter of Mr. and Mrs. C. D. Copeland, underwent a successful operation for appendicitis last Saturday night at the Nichols Sanitarium, and is now doing nicely, we are glad to note.

John Q. Terry, of Dickens, was a pleasant caller the first of the week at the Texas Spur office. Mr. Terry is making the race for county treasurer of Dickens county, and while here had us print him several thousand cards to be used in his campaign and in assisting voters to remember his candidacy.

Trade at Home

T. S. Lambert was here the other day in the interest of his campaign for tax assessor. Mr. Lambert is going to push his candidacy, rain or shine, and it is very evident that he wants to avoid that trip up Salt Creek which so many take after the election.

Trade at Home

Extra fine young Jersey Bull, subject to registration, for sale at a bargain.—Mace Hunter.

Mrs. McSpaddin, of Jayton, was a visitor in Spur the first of the week. Mrs. McSpaddin is now publishing the Girard Gazette at Girard, the newspaper having recently been established in that growing and developing town. While in the city, Mrs. McSpaddin was a fraternal caller at the Texas Spur office.

Plant Less Cotton

The weighers office at Afton is one of the most attractive offices in the county, since quite a number are seeking the place. The latest prospective candidate for weigher of that precinct is W. A. Cowan, who it is said will soon throw his hat in the ring.

Plant Less Cotton

Mrs. Artie Mae Ware, of Ranger, is now at the home of her parents.

Three young mules three years old broke to work. Three good work mares, and farm implements.—See F. W. West at Texas Spurr office. 1p  
Trade at Home

W. F. Taylo and wife, of Ralls, spent Monday in Spur with Mr. and Mrs. Willard Chapman. Mr. Taylor pany store at Ralls.  
Trade at Home

Mr. Lowe, a leading citizen and business man of Aspermont, was in Spur Monday of this week on business.

Robt. Reynolds, of Croton, was in Spur the latter part of the past week meeting with voters in furthering his campaign for county and district clerk.  
Trade at Home

S. L. Davis, of Dickens, was shaking hands with friends and voters in Spur Monday. He says that while the campaign has not yet on in real earnest, yet he is doing a little campaigning now to get in trim for the real campaign later. He is one of the number who wants to serve as clerk.  
Trade at Home

H. C. Eldredge, of McAdoo, was in town the first of this week. He reports a big rain on the plains and everything now in as fine shape as it is possible to be.  
Trade at Home

J. E. Arthur, of north of Dickens, was among the visitors in Spur the first of this week. He reports every thing in fine shape since the recent good rain.  
Trade at Home

J. P. Goen was a recent business visitor in Spur from his ranch home to the northwest of Dickens.  
Trade at Home

George Harris, a prominent citizen of McAdoo, was in Spur Saturday. We understand that Mr. Harris contemplates entering the race in his precinct for County Commissioner, in conforming to the solicitations of numbers of friends who appreciate his ability and qualifications. Geo. Harris is able and qualified, knows the needs of his precinct and the county, and if he decides to get in the race, and wins, will make a good commissioner.  
Trade at Home

H. C. Bennett, of Gilpin, was one

of th enumber of Spur visitors Saturday.  
Trade at Home

Forrest L. Edwards was a visitor in Spur Saturday, and while here was a caller at the Texas Spur office. Mr. Edwards is making the race for Constable of Precinct One, including Dickens, and up to the present time has no opposition for the place. While here he had us print cards for him to be used in the campaign. Forrest Edwards is well qualified to fill the position of peace officer of his precinct, and if elected will make an excellent official.

DICKENS COUNTY SINGING CONVENTION MET AT DUNCAN FLAT

The Dickens County Singing Convention met with the Duncan Flat Singing Class last Sunday, and a great time is reported by the large number in attendance.

The ladies throughout the country brought dinner which was spread on the ground, and Buster Robinson, who was one of the number in attendance from Spur, states that they had enough dinner there to supply another crowd as large as was in attendance—in fact, while Buster Robinson is a great singer himself, and attends the conventions for hundreds of miles surrounding, yet he talked only of the big dinner served on this occasion by the Duncan Flat ladies.

The next convention of the singers will be held at Espuela, the date to be determined later.

Mrs. Kate Buchanan, was a caller at our office Monday. She informed us that she is now making preparations to go to California about the first of the month where she will spend some time with her sons.

CALL FOR PRECINCT AND COUNTY CONVENTIONS TO BE HELD

A call is hereby made for Democratic Precinct Conventions to be held Saturday, May 3, 1924, in each voting precinct of Dickens county, between the hours of 10 o'clock a. m. and 8 o'clock p. m., at some place designated by the Precinct Chairman of each precinct, for the purpose of selecting delegates to attend a County Convention to be held in Spur on Tuesday, May 6, 1924, for the purpose of selecting delegates to the State Democratic Convention to be held in Waco, May 27, 1924, for the purpose of selecting delegates to the National Democratic Convention.

The officers of said Precinct Conventions should keep a written record of its proceedings, including a list of the delegates selected to the County Convention, which records constitute the returns from said convention. This record should be signed officially, sealed and transmitted to the County Chairman. No one shall vote or participate in said Precinct Conventions unless he or she be a qualified voter in such precinct. Jas. F. Williams, Co. Chairman Oran McClure, Secretary.

**CROTON CLIPPINGS**

In spite of the uncertain weather we have had this spring, everybody is about to get through plowing earlier than ever before.

We believe that every one is safely over the measles in this community at last.

Brother Burnam filled his regular appointment at the Baptist church Sunday and Sunday night. There was a large attendance at both of the services.

Aileen, the little daughter of Mr. and Mrs. Homer Jackson, was quite sick last week, but is much improved at this writing.

Mr. and Mrs. C. B. Gentry and Mr. and Mrs. Robt. Reynolds motored to Ralls last Saturday.

Wedding bells were again ringing Sunday when Mr. Joe Edwards and Miss Annie Nichols were united in the holy bonds of matrimony. The bride is a beautiful young lady and the daughter of Mr. and Mrs. Nichols of Midway. The groom is the son of Mrs. Tom Sizemore, and is a splendid young man. Both young people have many friends who will join me in wishing them a life time of happiness and prosperity.

Harley Winkler and Homer Jackson have purchased new Fords quite recently.

Mr. and Mrs. Joe Creamer left Friday of this week for Portales, New Mexico, where they will visit Mrs. Creamer's parents, Mr. and Mrs. Battle.

The Dickens eighth grade students of Dickens schools, gave a play, "Little Miss Jack," at the Croton school house Tuesday night, and which was enjoyed by all present.

Mr. and Mrs. Elmer Rogers took dinner with J. R. Rogers and family at Wichita last Sunday.

Mr. and Mrs. H. B. Lewis took dinner with Mr. and Mrs. J. A. Legg Sunday.

Miss Iva Richie is back at school this week. She has been absent for two weeks because of the measles.

Miss Clara Lewis is suffering of a slight attack of appendicitis this week.—Reporter.

R. N. Richards, a splendid farmer and good citizen of the McAdoo country, was a business visitor in Spur Tuesday, and while here called at the Texas Spur office and left us an iron man with instructions to put him down as a new wreeder. Thanks. It is a pleasure in more ways than one to add new names to our list.

Trade at Home

O. P. Meador, of southeast of Spur called in at the Texas Spur office one day this week and had us send the paper to Elias Bass of Chico, and also to L. M. Meador at Alvord, Texas. We appreciate the manner in which many new names are being constantly added to the Texas Spur list, and we especially appreciate it when a man comes in and sends the paper to two or three others as well as take it himself.

Trade at Home

**MARRIED.**  
Joe Edwards and Miss Annie Nichols, of the Croton country, were married Sunday, April 6th, at Gravel Hill church, Rev. W. G. Marsh performing the ceremony.

Mrs. Edwards is the daughter of Mr. and Mrs. Loyd Nichols. The Texas Spur joins their friends in extending congratulations.

Trade at Home

A big fine boy was born Saturday week to Mr. and Mrs. Grady Moss at their home in the north part of the county. This is their first son and heir, and they do say that Grady is a proud daddy.

Trade at Home

**MARRIED.**  
Dempsey Simms and Miss Emma Johnson, daughter of Uncle Bud Johnson, of the Afton country, were united in marriage Sunday, April the 6th, and are now receiving the good wishes and congratulations of their many friends.

Trade at Home

W. F. Cathey dropped in on us Tuesday of this week and shoved three big silver wheels into our hands for two years subscription. Now, everybody knows that remembrances of this substantial nature is appreciated by a newspaper man, and more especially so when it comes unsolicited and unexpectedly. Mr. Cathey has been so-journing in Abilene the past year or two with his family who are there for school purposes. However, Mr. Cathey is now looking after his farm between Spur and Dickens, and will be here except a tinter-vals in visiting his family. We believe this is the year for every man to look after his farming business, because the opportunity is here for producing the biggest crops ever before known, even in Western Texas where the biggest crops of the world are produced on occasions.

**WEST END AND HIGHWAY SCHOOLS ARE CONSOLIDATED**

We have been informed by the Highway school trustees that they have consolidated the West End with the Highway school. The West End school is in the same district as Highway, but has maintained a separate school up to this time.

Next year a truck will be furnished this community for conveyance of pupils to school, and both communities are looking forward to an eight months school at Highway, the consolidation helping to bring this about.

Dickens county, since the establishment of Spur, has been a leader in advancing and promoting educational interests. Of the more than twenty school districts in the county, each have voted the limit of taxation, and practically every district has built new buildings in conformity with state requirements for obtaining aid. Before another decade, Dickens county will be recognized as the foremost county in West Texas in rural and high school advantages and equipments. Education is very foundation of civilization and progress. Dickens county is today laying this substantial foundation.

**The Truth**

**About this Light-Six—plus proof on proof**

**T**HIS Studebaker Light-Six is the supreme value in the "thousand-dollar" class.

It offers, not a few, but scores of advantages. In its chassis it represents the best that modern engineering knows. In its steels and quality of construction it is identical with the costliest cars we build.

This is to offer you proof. Then urge that you see it before paying \$1,000 or more for a car.

**Some evidence**

The extra values which this car typifies have made Studebaker the largest builder of quality cars.

They have made these cars a sensation. Sales have almost trebled in three years. Last year 145,167 people paid \$201,000,000 for Studebaker cars.

The multiplying demand has forced an investment of \$50,000,000 in model plants and equipment. Of this, \$38,000,000 has been spent in the past five years, so the plants are up-to-date.

The engineering department which designs and superintends this Light-Six costs \$500,000 per year.

The machines which build it are modern and exact. 517 operations on this car are exact to 1/1000th of an inch. 122 operations are exact to one-half 1/1000th of an inch.

1,200 inspectors are employed to submit each car in the making to 32,000 inspections.

**Infinite care**

The steels are selected from 35 formulas, each one proved best by

LIGHT-SIX	
5-Passenger 112-in. W. B. 40 H. P.

Coupe (5-Pass.)	1395
Sedan	1485

years of test for its purpose. On some we pay the makers 15% premium to get them exactly right.

The crankshafts are machined on all surfaces, as was done in the Liberty Airplane Motors. This to give perfect motor balance, at an extra cost to us of \$600,000 yearly.

It has more Timken bearings than any other competitive car within \$1,500 of its price.

cars in this class called in auditors to compare the operating costs. They made comparisons on 329 cars, running up to 25,000 miles.

It was found that this Studebaker Light-Six cost for operation 11.4% less than the average of its rivals. This figure included depreciation. That meant \$207.50 saved on 25,000 miles. All because of this quality construction.

**What it saves you**

We build 150,000 cars yearly. All such major costs as engineering, dies, overhead, etc., are divided by 150,000.

We build in model plants, with modern machinery, which have immensely reduced the manufacturing costs.

A car like this, built under ordinary conditions, would cost you from \$200 to \$400 more.

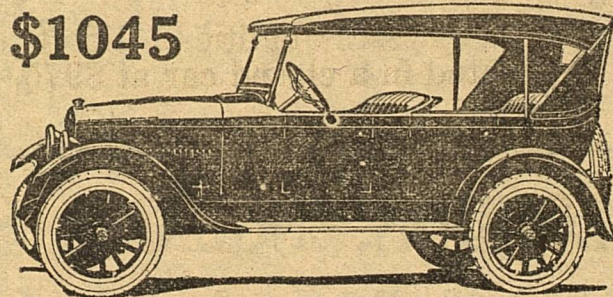

Learn, for your own sake, what that means to you.

**Send for the book**

Mail us the coupon below. We will send you free our new book that will inform you on five simple things which reveal the value of a car. For instance: It will enable you to look at any car and tell whether it's been cheapened to meet a price or offers true quality.

It will tell you why some cars rattle at 20,000 miles and others don't. It shows one single point in a closed car which measures whether you're getting top or medium quality. The book is free—clip the coupon below.

**\$1045**

**Studebaker Light-Six  
Scores of extra values**

Built by the leader in the fine-car class. One of the cars for which people last year paid \$201,000,000.

Built in a model \$50,000,000 plant, producing 150,000 cars yearly. And saving you by quantity production from \$200 to \$400.

Built of the same steels, with the same care, as the costliest cars we make.

The car that saved 11.4% in operating cost under rivals. The car with 14 Timken bearings.

Mail coupon for book about it

The equipment is unusual. The cushions are of genuine leather, and are ten inches deep.

Every part and detail accords with Studebaker traditions. And the name Studebaker has for 72 years stood for quality and class.

**RECONSTRUCTION OF SPUR INN TO BEGIN AT EARLY DATE**

Clifford B. Jones, manager for S. M. Swenson & Sons, informed us that work would probably begin within the next two weeks in the rebuilding and reconstruction of the Spur Inn, recently destroyed by fire. The plans, specifications and contract are referred to Messrs. Swenson, and are expected to be returned within ten days or two weeks.

The loss of the Spur Inn has been a great draw-back to Spur, and the announcement that it will be rebuilt immediately will be most gratifying to the whole country.

D. G. Odam was in Spur the past week from near Crosbyton where he is this year farming, having moved the first of the year from Dickens to Crosby county. He reports every thing now most promising on the plains.

Dr. J. H. Grace is leaving Friday for Dallas where he will have an operation performed on his ear, from which he has been suffering greatly the past several weeks. We hope this operation will give Dr. Grace relief. He has had several operations in the past which have been unsuccessful in giving relief.

**DIED IN ROCHESTER.**

Information came Thursday of the death of W. B. Lee's father, which occurred Wednesday night at his home in Rochester. Mr. Lee's father was seventy odd years of age and had been in feeble health for some time.

**DICKENS COUNTY WILL PROBABLY HAVE REPRESENTATIVE**

Recently John McCrary, of Girard, requested the Texas Spur to announce his withdrawal from the race for representative of this the 105th

district, and thanking friends for the support and encouragement given him since his formal announcement for the place.

Since the withdrawal of Mr. McCrary, W. A. Craddock, of near Spur, has been seriously considering entering the race, and will probably do so at an early date.

W. A. Craddock will make the district an able representative. He will let the legislators know that our county is on the map, and that the 105th District is entitled to consideration.

**BUILDING AND IMPROVING A FARM HOME IN SPUR COUNTRY**

Recently Edwin J. Clapp, noted writer and journalist, purchased a three hundred twenty acre tract of land of the Spur Farm Lands management, in the Espuela community to the northwest of Spur. Mrs. Clapp

is now here superintending the buildings, having land cleared for cultivation and now has five or six tractors turning sod for crops this year.

The Clapp farm, we understand, will be converted into an ideal, up-to-date, diversified farm.

**DIED**

Mr. Brewster, a prominent citizen of the Duck Creek community died very unexpectedly Tuesday night, his remains being interred in the Spur cemetery Wednesday. Mr. Brewster had been sick, but his condition was not considered serious in the least. Just a short time before death occurred he was sitting up and apparently regaining his former good health.

E. L. Adams is having three houses built on his lots in the east part of town. The buildings are so extensive that it has already been designated as "Adams Addition."

**NOTICE TO BIDDERS.**

Notice is hereby given that sealed bids will be received by the Commissioners Court of Dickens County up to 2 o'clock p. m., Monday the 12th day of May, 1924, for the sale to Dickens County of one 5-ton "Caterpillar" Tractor, with regular equipment, to be used for County purposes. Bidders shall be required to bid on condition that such tractor shall be demonstrated to be workable and in first class condition prior to the date of awarding the contract, and all bids shall be addressed to the County Judge of said county and shall be marked "SEALED BIDS", and bids not so marked shall not be considered. The Commissioners Court reserves the right to reject any and all bids.

H. A. C. BRUMMETT,  
County Judge Dickens County, Texas.

# Hudson-Essex Agency in Spur

**RECOGNIZED AMONG THE HIGHEST CLASS CARS OF ENTIRE WORLD!  
KNOWN AS THE "SUPER-SIXES"**

*A Car Load of These "Super-Sixes" Will Arrive in Spur and Will be on Exhibition All Next Week. We Will Take Pleasure in Showing Them to All Prospective Buyers.*

## WHAT THE EXPERTS HERE AND ABROAD SAY ABOUT THE ESSEX

"Hudson has produced a "Super Essex." It looks like the proverbial knock-out."—From Automobile Topics.

"The New Essex is a revelation of performance, ease of riding and of smoothness."—From Motor Age.

"Steers easily, eve non loose gravel, at 50 miles per hour."—From the Motor World.

"A wonderful value—a car of which Hudson engineers have a right to be proud."—From Motor Life.

"Possesses qualities I didn't believe could be incorporated in a closed car at \$975."—Tarantous, in Motor.

## "MOTOR" OF LONDON, ENGLAND, HAS THE FOLLOWING TO SAY:

"For a very considerable time the Essex car has been one of the most popular American productions marketed in this country, and has won an enviable name for reliability and road performance. Good as the four-cylinder model has proved to be in service, however, the manufacturers have superceded it in favour of a Six Cylinder Model. It represents a great advance in design on the old car, and is one of the most interesting American vehicles that has ever been imported here, chiefly on account of the fact that the engine is only just over two litres capacity. Outstanding features are the splayed rear semi-elliptic suspension, the sturdy frame accessible power unit and components, oil system of chassis lubrication, general finish and body work, and the remarkably low price. A short run on the road proved to our satisfaction that the car did not belie its appearance. The engine is vibrationless and will take the car along at so slow a speed as 2 miles without a tremor. From even this low speed a ready pick-up can be obtained without changing down. 30 miles an hr. seems but 10 or 12, so smooth is the engine, while ordinary main road gradients can be surmounted in excess of 45 miles per hour. The transmission is noiseless, and in every way the New Essex Six Cylinder can be put down as a real delight to drive."

## THOUSANDS OF OWNERS SAY IT IS THE BEST AND CHEAPEST SIX CYLINDER CLOSED CAR MANUFACTURED

It is the most talked of car ever brought out by Essex. Old owners say it duplicates the pep and dash of the former Essex up to 50 miles an hour, while far surpassing it in smoothness and riding ease. Thousand who examine and ride in it daily are proclaiming qualities never expected in a car of its price. They call it the Easiest Riding and the Best Car they ever knew. Those who keep but casual track of gasoline and oil mileage are astonished at its economy, and the minimum service cost policy, continues these economies in expensive maintenance throughout all the years it serves you.

**WE HAVE A CAR LOAD SHIPMENT OF BOTH HUDSONS AND ESSEX NOW IN SPUR, AND WANT THE GENERAL PUBLIC, AND PROSPECTIVE CAR BUYERS ESPECIALLY, TO VIEW SOME "REAL AUTOMOBILES"—THE "SUPER SIXES" OF THE WORLD!**

**THE SPUR HUDSON-ESSEX AGENCY**
