

"MY TURN"

By
Carol Ellis

AREN'T YOU GLAD that we live in a small town where the older citizens sit out on their front lawns on a summer evening, waving to folks who are out for their nightly walk, and watching the neighbor children playing? Many Americans are not as lucky as we.

A recent Gallup Poll showed that four out of ten citizens of our country are afraid to walk alone in their neighborhoods at night and ten per cent even feel unsafe in their own homes. Many people think that the court system leans too far toward protecting the criminal element, leaving the victimized citizenry at the mercy of hoodlums who are habitually recycled back into society time and again after repeated arrests and convictions.

The Supreme Court recently gave us another rather controversial ruling, other than the well-known ones about motherhood and the flag.

The decision regarding the death penalty for juvenile offenders has sparked heated arguments. Opponents of the decision deplore the ruling, calling it "barbaric" to execute someone at an age when he or she is too young to vote, join the military or purchase alcoholic beverages.

An article in the Amarillo Daily News recently quoted Charles Fulwood, a spokesman for Amnesty International, as saying "It is difficult to see how the U.S. can lecture the Chinese government on summary executions, when it up to its neck in the machinery of executing persons under age 18."

I hasten to dispute this statement. The young people who are being executed in China for the crimes of demonstrating for political reforms, are far removed from the lone criminal who stalks his prey in the dark of night, robs, rapes, tortures and kills for the thrill of the moment.

These are not the actions of a child and should not be treated as such.

In the Texas Panhandle area, people have been especially offended by what a 17-year-old punk did to an elderly nun at a convent in Amarillo. Regardless of whether you are a Catholic, protestant, athiest or Jew, you tend to feel a certain respect for a woman of 76 years who had devoted her life to the service of her religious convictions. The 1982 Halloween night rape, stabbing and strangulation murder at the St. Francis Convent almost has overtones of Satanism.

It is impossible to think of the perpetrator of this brutal crime as a juvenile. By his own actions, this person has made himself into a very expendable member of society, regardless of his age at the time of the crime.

We live in fear of what such a person would do if returned to society, either by the parole system or by prison escape. And so we breathe a sigh of relief each time someone like Jay Kelly Pinkerton or John Gacy is executed, but the nagging fear returns each time someone like Charles Manson comes up for parole.

Opponents of the court's ruling have asked "How can we achieve the goal of being a "kinder, gentler nation" when we allow the execution of our young?" About nine per cent of the nation's homicides are committed by juveniles. The Supreme Court's decision sends the message that youth will be held accountable for their crimes regardless of their age. We cannot become that kinder, gentler nation until we rid our streets of the violence which preys upon the kind and gentle people.

Our little town is made up mostly of kind and gentle people. Fortunately, there aren't very many of the other kind here. Aren't you glad that we live in an area where people can sit out on their front lawns on a summer evening? Personally, I hope it stays that way for a long, long time.

GETS ACE...Nancy Knight recorded a hole-in-one while playing in a tournament at Morton last Saturday. She is shown with her "coach and mentor," Keith.

B.A.D. Committee Has Formed Here

A new committee is functioning in Bovina—the B.A.D. committee. B.A.D. is an acronym for "Bovina Against Drugs."

This committee was created to inform and educate the community about the drug and alcohol problem among our youth.

The goals of the committee include reduction of drugs and alcohol use and abuse, reduction of the associated disruptive behavior and effective working relationship between faculty, administration and community to create a balanced school/community climate which allows for student learning.

Local people can solve local problems best. The only way the drug problem can be adequately addressed is for the entire community to be informed and involved.

The week of October 22 has been designated as Red Ribbon Week. The week will involve activities to promote drug awareness.

Members of the committee include Gary Coleman, Richard Grisham, Sue Nuttall, Estella Ortiz, Bob Owen, Sarah Owen, Jenaro Rubalcava, Deanna Salinas, Kenny Sherbon, Jan Thieman, Joe Rackley, Cecilia Tienda, Dennis Willard, Frances Willard, Colletta Young and

Corn Field Day Slated Sept. 6

A multi-county food corn field day will be held on September 6 at 10 a.m. on the Gene Smith farm.

All area producers from Bailey, Parmer, Castro and Lamb counties are encouraged to attend this event and observe 114 varieties of corn which are being tested this year. The Gene Smith farm is located two miles north of Lazbuddie and one mile west.

More than twenty different seed companies have corn in this year's test which includes 40 white food corn hybrids, 28 yellow food corn hybrids with pink-and-white cobs, and 48 feed corn hybrids.

Seed company representatives will discuss the different characteristics of these hybrids which include standability, days to maturity, grain quality characteristics and other agronomic important information.

This field day serves as an excellent opportunity for area producers to see and observe some of the new corn hybrids which are being bred and developed for this area of the state. The field day is free and open to everyone. This annual event is being hosted by Mr. Smith, Valley Grain Products and the Extension Field Crops Committees from the four counties.

Results of these tests will be collected and distributed to area producers by County Extension agents and area seed companies in early winter.

Kathy Graves. Watch for "B.A.D." information in the weeks to come.

N. Knight Scores Ace In Tourney

Nancy Knight made a hole-in-one in a couples tournament last Saturday in Morton.

Nancy's historic shot came on hole six, a 136-yard hole, and she used a five-iron.

Witnesses were Johnny and Beth Waller of Lubbock and Vickie and Doug Scott of Morton.

Area Gets Light Rain

The area received light rain during the past week, with .41 inches logged on Thursday, .09 inch on Saturday and .04 inches on Tuesday.

Bovina has now received just over two inches of rain for the month of August, but more could be used by the area's crops.

The threat of rain has kept the temperatures lower than normal for much of the past couple of weeks. Only once during the past week did the mercury hit the 90-degree mark at the Friona weather station, and it has not officially hit the 100-degree mark yet this summer.

For the most part, crops are looking good, and even in areas where damage has been sustained, there is still optimism.

John Baca said that the Hub area had received over two inches of rain during the past ten days. The Hub area has been hard hit by at least two hailstorms, which has caused the loss of crops by several farmers.

"We've lost some crops to the weather, but we're thankful for what we still have going," Baca said.

TEMPERATURES	
Date	Hi-Low
Wednesday, August 16	87-58
Thursday, August 17	87-58
Friday, August 18	84-58
Saturday, August 19	85-63
Sunday, August 20	92-66
Monday, August 21	80-63
Tuesday, August 22	88-64

Readings made at 8 a.m. daily for the previous 24-hour period.

Yearbooks Are Here

The Bovina High School yearbooks for 1989 have been received and can be picked up at the school on Wednesday or Thursday.

Those wanting to pick up the annuals may do so between the hours of 8:30 a.m.-12 noon and 1-3:30 p.m.

Mustangs Will Host Scrimmage Friday

Bovina's Mustangs will host the Whitharral Panthers in a scrimmage contest Friday at 6 p.m. at Mustang Field.

It will be the first opportunity for both teams to see how they look against outside opposition, after two weeks of workouts against themselves.

"We're just going to run basic plays—nothing fancy," says Mustang Coach Terry Bean.

"We will run a few sweeps, and will throw a pass now and then, but mainly we'll be working to get our timing down. We'll work on a lot of techniques, and let the young kids get used to open-field tackling," Bean added.

The Bovina grid chief said that Friday's first workout in pads was a good one. He held an intra-squad scrimmage, and the kids really seemed to enjoy the hitting.

"But lining up against another team is a lot different. We'll see how we react to outside opposition," Bean said.

The players have worked hard, both physically and mentally, in their week-plus of workouts, Bean stated. They have learned over 40 plays (on offense), and know them pretty well.

By the end of the week, Bean says the squad will have learned four defensive alignments as well.

Bean said he visited with Whitharral's Coach Bellah at the Coaching School, and that the Panthers will have good speed. The visitors in Friday's scrimmage will be expected to divide their plays up between running the ball and throwing passes.

The team had an injury after Friday's contact work. Randy Stone has a bruised bone in his right forearm, and was expected to be out about a week.

At Friday's scrimmage, the teams divide time on offense and defense.

The first team will have the ball

Fellowship Is Slated On Friday

The First Baptist youth group is planning a back to school fellowship.

It will be held Friday, August 25 following the Bovina High School scrimmage against Whitharral.

The youth has planned to cook hamburgers outside and play all sorts of games.

"We're planning to have a lot of fun together," a spokesman said.

This will be for the junior high and high school students.

So come and take a part in these activities. All these activities will be held at the First Baptist Church.

MANUEL PORRAS

COREY KIRKPATRICK

for 20 plays on offense, and then Bovina will be on defense for 20 plays. The second team offense will then have the plays for 15

plays, and then the switch to defense for 15 plays.

Everyone is expected to see plenty of action in the scrimmage.

\$5 INCREASE

Court Okays Tag Fee Hike

Parmer County commissioners voted last Monday to add an additional \$5 to the vehicle registration fee.

"The money will go into the farm-to-market fund, in accordance with Senate Bill 328," said County Clerk Bonnie Warren.

It's known statewide as the "road and bridge fund," Judge Porter Roberts added. "Out here, we don't have any bridges, but in East Texas, they have more bridges than roads. They had to call it something."

Roberts defended the action of the commission by calling it a fair and equitable tax.

"This is a fair tax," he said. "Everybody who licenses a vehicle to be used on our roads will pay it. We did it this way to keep from raising taxes on real estate."

Another major agenda item was the commission's decision to designate the Muleshoe Area Hospital District as the mandated provider for indigent health care.

"We voted to transfer \$2911.90 of our budgeted indigent health care funds to the Muleshoe Area Hospital District in accordance with our decision," Roberts said.

"What that means is that people will have to go to Muleshoe as our mandated provider to receive help from county funds. Sometimes we get calls from a Lubbock hospital for funds, and we have to say, 'We're sorry, we can't help.'"

However, action was tabled on setting the rate of indigent payments to the Muleshoe Area Hospital District.

In other action, commissioners:

*Approved minutes and paid bills;

*Discussed a request for funds by the Friona Volunteer Fire Department;

*Voted to pay a bill for stump removal on the courthouse lawn;

*Agreed to pay \$12.50 more per month for rent in the event that the Friona Mental Health/Mental Retardation office relocates to a larger building, with the stipulation that the City of Friona also agrees to raise its portion of the rent by an equal amount;

*Voted to pay a bill from Panhandle Health Care Coalition for county indigents;

*Paid a bill from Northwest Texas Hospital on a juvenile sent to the Pavilion;

*Voted to pay boarding care bills on county foster children;

*Discussed an engineering report from the county's insurance company;

*Held a study session on budget matters and set a budget hearing for Friday, August 25, at 5 p.m.;

*Held a public hearing on making applications for grants for waste disposal system in Lazbuddie and for a courthouse elevator in Farwell. "There was no opposition at all by those present," Roberts noted.

The next regular meeting of the Parmer County commissioners will be Monday, September 11 at 10 a.m. The meeting is open to the public.

QUINTANA TRIP...Earl Quintana returned recently from a trip to Baniff, Canada, where he was sent by the Excel Corp. which is opening a new plant there. Quintana, who is associated with Excel's Friona plant, was helping with a training program at the Canadian installation.

School Supply List Is Given

Supply lists for Bovina Elementary School students were released this week. Students in kindergarten through the sixth grade will need to bring the following items to school on the first day:

Kindergarten--eight crayons (not jumbo size); one bottle Elmer's school glue; one pair safety scissors; one set water colors; one box of Kleenex and two pencils.

First grade--number two lead pencils; crayons; scissors; glue; pencil box; back-pack, satchel or book bag; coloring book and Prang water colors.

Second grade--wide rule notebook paper; folder or small notebook for paper; two number two lead pencils; at least 16 crayons; large bottle Elmer's glue; eraser; large box Kleenex and sharp pointed scissors.

Third grade--pointed scissors; crayons; Prang or Crayola brand water colors; small bottle of Elmer's glue; one eraser; two pencils; two red pens; wide lined notebook paper; three wide lined spiral notebooks; one stenographer's notebook; one small box of tissue and one bar of soap.

Fourth grade--wide ruled notebook paper; two spiral notebooks or one notebook with sections; two number two pencils; two red pens; one black or blue pen; map colors; crayons; scissors and Elmer's school glue.

Fifth grade--six pencils; two blue or black pens; two red ink pens;

one box crayons; Elmer's school glue; one-twelve inch ruler with metric and standard measurements; one pair sharp pointed scissors; large box of Kleenex; markers; one-three subject spiral; three folders with pockets; wide rule notebook paper; one school box; eight or more map colors; eraser; one roll transparent scotch tape; one compass and one protractor.

Sixth grade--scissors; wide ruled notebook paper; Elmer's school glue; ruler with inches and centimeters; number two pencils; eraser; eight or more map colors; blue or black erasable pens; two wide ruled spiral notebooks; red pen; folder with pockets; Kleenex; container for supplies; highlighter and please label each article with child's name.

For all high school and junior high mathematics classes the following items are required: notebook (1" ring or larger) and paper; ruler; compass; protractor; pencils and eraser. Suggested materials--a highlighter marker; 5x8 lined cards; plastic pencil bag.

For algebra, geometry and advanced math courses, a scientific calculator is required.

Seventh-eighth language arts: ball point pens, black or blue; red ballpoint pens; wide-lined notebook paper; wide-lined divided or jumbo spiral; pocket folder.

High school English: blue and black pens; notebook paper, five dividers; large spiral notebook; 2-3" ring notebooks.

High school sciences: physical science--blue pocket folder with fasteners; intro. biology--green pocket folder with fasteners; Biology I--yellow pocket folder with fasteners; Biology II--red pocket folder with fasteners; chemistry--orange pocket folder with fasteners.

Also: map colors, wide-ruled notebook paper, unlined paper, pencil, black ultra-fine pen.

Spanish: notebook with dividers and paper; pen.

30 YEARS AGO--AUG. 12, 1959

Joe M. Pinner of Bovina was admitted to Clovis Memorial Hospital Monday of last week suffering from a slight case of pneumonia.

Opening of Mary Marr Shop in Bovina is set for Saturday morning at 9 a.m. with approximately 110 dresses on sale at special prices.

A leak or leaks, in plumbing under Bovina Public School buildings spilled 90,000 gallons of water into the nerve system basement of the building during the weekend.

25 YEARS AGO--AUG. 12, 1964

O.C. Minyen, son of Mr. and Mrs. Ronald Minyen, entered St. Anthony's Hospital in Amarillo last Wednesday for surgery on his hand which was injured by a homemade bomb last December.

Mrs. Lloyd Killough is Bovina's new justice of the peace and city judge. She was appointed to the offices this week.

Mrs. Buck Ellison underwent surgery on her arm at Memorial Hospital in Clovis Tuesday morning.

20 YEARS AGO--AUG. 13, 1969

Three persons were injured, and their small foreign car heavily

Couple Has Baby Girl

Kevin and Susan Hughes became parents of a baby girl, Haylee Jo, born August 18 at the Clovis High Plains Hospital.

The new arrival weighed eight pounds, 3/4 ounces and measured twenty-one inches long.

Grandparents are Joe and Jane Sealy of Clovis, Barbara and Dudley Hughes of Bovina and Jane and Randy Menear of El Paso.

Great-grandparents are C.B. Sealy of Georgia, Mr. and Mrs. B.V. Hughes of Portales, N.M. and Mrs. Lillie Hughes of Farwell.

REFLECTIONS

...from The Bovina Blade

damaged in an accident four miles west of Bovina Sunday.

Miss Pamela Grissom, daughter of Mr. and Mrs. L.L. Grissom of Bovina, tied for first runner-up in the Miss Grain Sorghum of the Nation.

Highlighting Bull Town Days 1969 will be the dedication of a bull statue to accompany the historical marker erected in conjunction with last year's celebration.

10 YEARS AGO--AUG. 14, 1979

Mrs. Larry Heard of Bovina was thrown from a horse near her home at 802 Ridgelea Drive Monday afternoon, suffering two broken arms in the accident.

Jerry Early, son-in-law of Mr. and Mrs. B.L. Marshall of Bovina, was one of 123 students receiving degrees at 8 p.m. Friday, August 9, in Texas A&M University graduation exercises at J.R. Rudder Auditorium.

Marine Col. Rene Rubio, Jr., son of Rene Rubio of Bovina, was

recently meritoriously promoted to his present rank at the Marine Corps base at Camp Pendleton, California according to information received here.

5 YEARS AGO--AUG. 15, 1984

One of the best August rains ever witnessed in the area fell during the week, which measured about five inches and determined it will boost the crop prospects considerably.

The community of Bovina will kick off the first of what is intended to be a monthly Bull Town Trade Days promotion on Friday, August 17.

The 23rd annual Ellison reunion at Nogal Inn in New Mexico was well attended with 69 present for the reunion.

Martha Garner has just returned home from a trip to Jamaica.

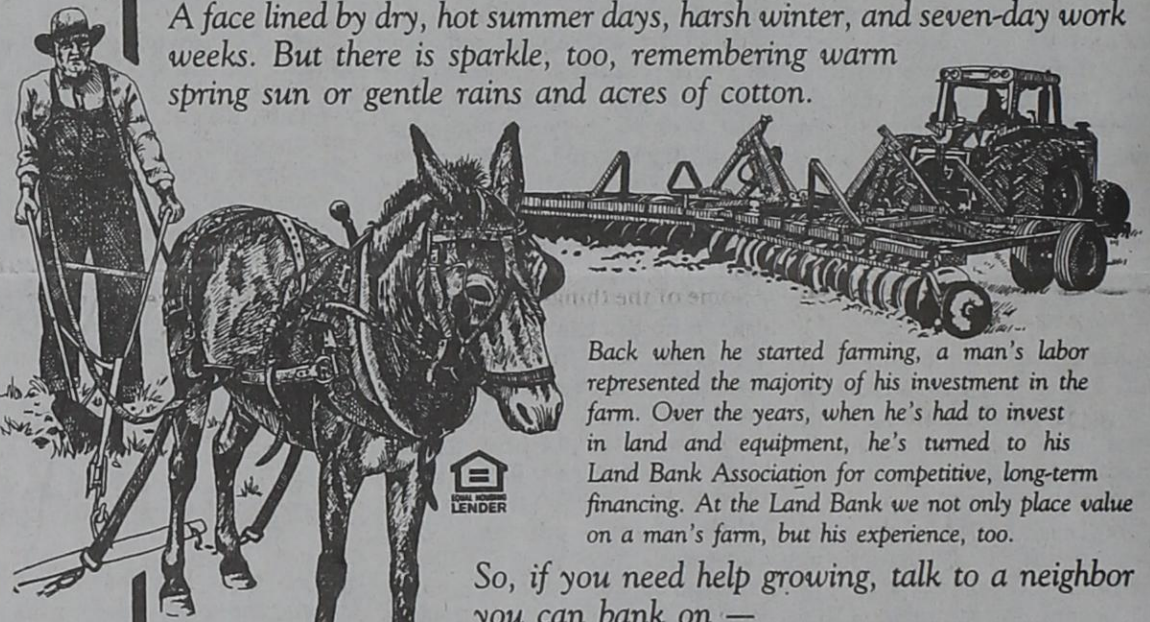

Rain for five days and five nights in Bovina has caused headaches for residents living on dirt streets, otherwise, most people were happy about the downpour.

Experience — We consider it money in the bank.

A face lined by dry, hot summer days, harsh winter, and seven-day work weeks. But there is sparkle, too, remembering warm spring sun or gentle rains and acres of cotton.

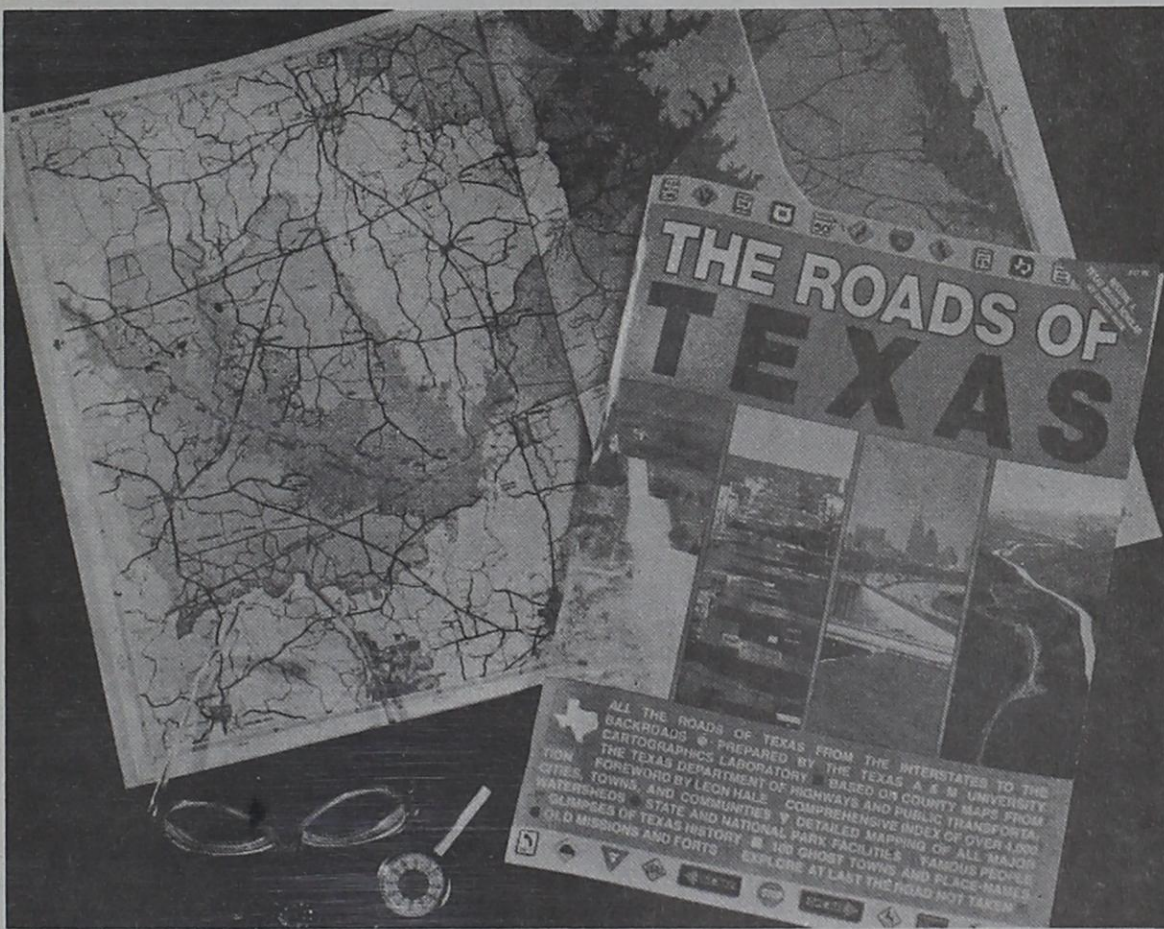

Back when he started farming, a man's labor represented the majority of his investment in the farm. Over the years, when he's had to invest in land and equipment, he's turned to his Land Bank Association for competitive, long-term financing. At the Land Bank we not only place value on a man's farm, but his experience, too.

So, if you need help growing, talk to a neighbor you can bank on — your Land Bank Association.

Scooter's Scoops

By Scooter Russell

Joe and Dorothy Harris have had company recently. Betty and B.J. Shepherd of Levelland were in Bovina visiting with the Harrises for a few days.

Juanda Murphy's father, Mr. Patton, is hospitalized at Lubbock's Methodist Hospital. Doctors have been running tests on Mr. Patton to determine just what his problem is.

Leora Garner of Plainview, who is the mother-in-law of Martha Garner, has been visiting her Farmer County relatives during the past week.

Janie Beauchamp entered St. Mary's Hospital last Thursday, and was released on Saturday.

Allen Griffith has been in Bovina recently, visiting with the Sam Garrison family. Mr. Griffith attended church with the Garrisons Sunday.

Sandra Clayton flew to Dallas with her son, Mark and her mother, Velma May from Levelland, recently.

They attended the Ramses exhibit in Dallas, and drove back with Sandra's sister, Dian Lane, who came to spend some time with their mother.

We understand that Hattie Turner is in the Clovis High Plains Hospital, but do not have any details.

Congratulations to Kevin and Susan Hughes on the birth of their first child, a baby girl, born August 18. Barbara and Dudley Hughes of Bovina are the baby's local grandparents.

A Bridal Shower Will Honor Linda Dybdahl and Del Ray Sudderth Saturday, August 26 From 3-4:40 P.M. A.M. Wilson Home

Kirkpatrick's
301-Third St.
Phone 238-1291

Rose McCain turned in the following article from one of the papers she has collected over the years. It was interesting and many of us remember....

BLADE SAWDUST

By SUE MOTEN

With all the old timers in town and the fact that Bull Town Days signifies a reunion of old times and people, we decided to do a column on some of the old things we remember about Bovina from the late 40's and 50's.

Do you remember the old post office when it was a real small house on Main Street and Mrs. Margaret Caldwell worked there?

One could always walk on down the street and encounter a free ice cream cone or some money. The City Cafe which is now the Spudnut Shop had an old tree stump in front of it and a man called Dad Brichford sat there most of the time. This kindly gentleman was a "grandfather" to all the kids in town. He was good for a nickel any day of the week and on some days a quarter.

During these days bubble gum was rather scarce due to the war and one felt like a millionaire with a week old chew of gum. The first bubble gum we remember having after the war was obtained at the old Consumer building. It was pink and would last a whole week on the bed post if one's mother didn't find it.

One could journey into the Drug Store, buy a Coke from John Kimbrow. His "What do you want?" didn't scare us much more then than it would now.

Entertainment on Saturday night was going to town to watch the people. The kids spent most of the evening begging for another nickel and playing hide and seek. There were some great hiding spots since most of the buildings had space between them at that time. Cars also had running boards and one could rest on these without having to get inside the car.

Some of the things we remember about schools at this time was the fact that Mrs. Roscoe Trossle taught first grade and that school meals were served from a buffet line in the hall and eaten in the room. If our memory serves correctly, Lula White was one of the cooks.

This, too, was the era of six man football and Bobby Kelly was the star.

About this same time, Bovina

Bridal Shower Set Aug. 26

A bridal shower for Del Ray Sudderth and Linda Dybdahl will be held Saturday, August 26 from 3-4:40 p.m. in the A.M. Wilson home.

Hostesses are Mary Jane Wilson, Yvonne Stevenson, Barbara Cockerham, Sandy Ware, Joyce Read, Sandra Cockerham, Phyllis Steelman, Shirley Ware, Karen Kirkpatrick, Mina Sheets, Paula Whitecotton, Charolette Cockerham, Donna Ware and Frances Willard.
Selections are at Kirkpatrick's.

had a skating rink in the school gym. This was before gymnasiums became sacred. More families attended skating on Friday nights than a free barbecue.

W.O. Cherry was superintendent of schools and R.E. Everett was high school principal. The entire school system was housed in one two-story building. That shows how much our schools have grown.

Churches were frame buildings and the air conditioner was a cardboard fan with advertisements printed on it.

A few years passed and we had eleven man football and a basketball team that put Bovina on the map. That year we went to state. Those on that team included Darrell Read, Larry Ezell, Bobby Calaway, Erith Hawkins, Don Owens and many others. The caravan that left for Austin that fateful morning was led by none other than Billie Sudderth.

About this same time the school building burned and classes were being held in various buildings over town. Churches were used as well as some old buildings that the school bought. These were days of wind and sand, mud, snow, muck

and mire but classes were continued and school spirit was strong.

One no longer had to read the news from a column in the State Line Tribune as Bovina had its first newspaper, The Bovina Blade.

The plug for a lighted baseball field was just beginning and has since been accomplished.

Bovina was becoming metropolitan as one didn't have to go to Hammonds Service Station for a Coke and a Mana Ruth anymore. Bovina Dairy Freeze was a full fledged drive-in with Cokes, ice cream and the works.

These are just a few of the things we recall about Bull Town. They were good ole days but it is better to look ahead and try to determine the future than to dwell in the past.

Thanks for helping with the Scoops, and have a nice week.

The press: full court

and one-on-one.

Charging. Dodging. Challenging. Guarding. One side on the offensive. One side on the defensive.

When the press faces off against public figures, it sometimes seems like a sporting event. But it's more serious than that. Because often, at the heart of the issue is the First Amendment. And its guarantee of a free press.

Some say the rights of the press should be taken away. They say the press goes too far. Sometimes even the press questions how far is too far.

Others say the rights of the press protect the rights of the people. Your right to be informed about things that affect your life and your right to decide.

The debate will continue. But one thing is for sure. You won't always agree with what the press has to say.

And it's your right not to. To learn more about the role of a free press and how it protects your rights, contact the First Amendment Center at 1-800-542-1600.

If the press didn't tell us, who would?

A public service message of The Ad Council and The Society of Professional Journalists.

PUBLIC NOTICE

A budget hearing will be held on August 28, 1989, at 5:00 P.M. for all interested citizens of Parmer County. The following budget is proposed for the fiscal year of 1990.

The total budgeted expenditures are expected to be: **\$2,503,351.82**

The meeting will be held at Farwell, Texas, in the County Courtroom for the purpose of discussion of the proposed budget. The proposed budget may be examined on week days in the County Judge's office during regular business hours. All interested citizens will have the opportunity to give written and oral comment. Senior citizens are encouraged to attend and comment. Handicapped persons needing assistance or aids should contact the County Judge's office before the meeting.

From The Chief's Desk

I would like to take this opportunity to thank all the people of Bovina for their prayers and concern during my time of recovery. I am glad to report that I returned to work Monday and I am feeling a lot better since I had surgery the seventh of this month.

It is really great to be a part of a community that cares about their neighbors.

It has been brought to my attention that vehicles are disregarding the railroad crossing arms and driving around them. This is not only extremely dangerous, but it is against state law.

Article XI Section 86 of the Uniform Act reads:

"Whenever any person driving a vehicle approaches a railroad grade crossing, the driver of such vehicles shall stop within fifty (50) feet but not less than fifteen (15) feet from the nearest rail of such railroad and shall not proceed until he can do so safely when:

(a) A clearly visible electric or mechanical signal device gives warning of the immediate approach of a train;

(b) A crossing gate is lowered, or when a human flagman gives or continues to give a signal of the approach or passage of a train;

(c) A railroad engine approaching within approximately fifteen hundred (1500) feet of the highway crossing emits a signal audible from such distance and such engine by reason of its speed or nearness to such crossing is an immediate hazard;

(d) An approaching train is plainly visible and is in hazardous proximity to such crossing.

If people insist on trying to beat these trains, then one of these days we will have a great tragedy and some of our neighbors will be killed. I hope this will never happen and we can help insure that it won't if we all obey these signals and stop. As always your cooperation in this matter will be deeply appreciated.

Gary D. Coleman
Bovina Chief of Police

BREAST CANCER DETECTION UNIT available to area women!

WEDNESDAY, AUGUST 30th
CITY HALL
BOVINA, TEXAS

Call 238-1116 for appointment

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated

that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. The cost is only \$60.00.

A mammogram can detect a cancer this small, even before it can be felt.
