MADE AN ASSIGNMENT.

Rev. S. F. Baucom Makes an Assignment.

Saturday afternoon Rev. S. F. Baucom who has been doing a general merchandise and saw mill business at Sacul, made an assignment for the benefit of his creditors. M. L. Smith being appointed as assignee.

The liabilities of Rev. Baucom is placed at \$3,700 with \$4,600 assets.

Poor collections is the reason assigned by the friends of Rev. Baucom for his failure, and they say that there is enough good stuff in sight to more than pay off all the indebtedness, the most of which is due here in Nacogdoches.

Farmers Union Meeting.

The meeting of the Farmers Union held in this city on last Saturday is said to have been the best meeting held in a long time. All sections of the county were represented and quite a lot of very important business from the Union stand point was transacted.

The matter of a county cotton weigher was one of the business matters disposed of. A. J. Murphey was re-elected to this position. This a good selection and Mr. Murphey will serve the interests of the Union in that capacity as well as any man in the county and better than many others. He has been a cotton weigher in this city for a number of years and no one has ever yet made complaint against him.

A. Tubbe resigned as a member of the executive committee and J. J. Boyett was elected to fill the vacancy. Mr. Boyett is a business farmer from the word go, and will make the county Union a good man in the position to which he has been chosen.

The reports of the Unions represented in the meeting shows the order to be in a most flourishing condition, and a glance at the roster of the Unions show that the best men in the county are fast becoming members of the Union. They believe that the Union is a good thing and they are not slow in making application for membership.

The position of business purchasing agent was created and J. A. Ennis was elected to fill same. The members of the Union say that Mr. Ennis is well qualified to fill the same and is a practical business farmer.

A resolution was passed in which all members of the Union agreed to hold their cotton seed for \$15 per ton. They say that the seed is worth that much to them for feed and also fertilizer.

School opens Sept. 4th, 1905, at Appleby. You can get board with the best fami-

SATURDAY A BUSY DAY.

Two Escaped Convicts Captured and a Forger Landed in Jail.

Saturday afternoon the officers and the private detectives did a land office business in landing fugitives from justice in the county jail.

About four o'clock in the afternoon Detective John Spradley captured John Polk, a negro, who was sentenced from this county to a term of thirteen years in the penitentiary for burglary. Polk had been placed on the convict farm at Mumford in Robertson county, and on the first day of last August he and a companion made their escape.

For twelve long months the officials have been looking for the fugitives, and postal cards had been sent to all the sheriffs in the state giving a description of the negroes.

As Mr. Spradley had captured Polk at the time that the burglaries were committed and as he knew the negro, it was not a matter of guess work on his part when he arrested the negro on Saturday afternoon.

When the negro was arrested he had a large telescope grip that was well filled with the choicest of clothing which were new, and he also had a purse that contained nine dollars in cash. Mr. Spradley stated to The Sentinel reporter that he was satisfied that the negro had been at his old tricks since he had made his escape from the convict farm.

About 5 o'clock Mr. Spradley located the other convict in Cherokee county and notified the officers of that county to hold the man until he had notified the penitentiary officials of his whereabouts. This convict is also a negro and was sentenced under the name of Albert Foster from Cherokee county. Foster made his escape on the same day, and in company with Polk.

After the arrests had been made, Mr. Spradley notified J. H. Rozell of the Mumford farm that he had the convicts and they were here for him.

Quite a nice reward was offered for the arrest of these convicts and as Mr. Spradley has made the arrests himself he will not have to divide the pot with any other officer.

FORGER IN JAIL.

Saturday afternoon Sheriff Buekner arrested a white man, said to be Richard Snyder, who is wanted in Floyd county on a charge of forgery.

Snyder has been in the city for the past several weeks and has been doing repair work in the city and surrounding counties. Friday, the sheriff received a description of the man wanted by the sheriff of Floyd county, and he at once set about to capture the man. When the man was arrest-

WAGONS

You need a Wagon now. We have them—big stock—five different makes. Two of them, the MITCHELL and STUDEBAKER, the very best made. We have the very largest stock of

Buggies, Surreys and Harness

that you ever saw in this country. We are still selling all of these at low prices, and on some lines that we are closing out, or have too many of a kind in, we will positively sell you at from ten to twenty dollars less than regular price. You will save money by seeing us on the Buggy, Wagon and Cane Mill question. Car of VICTOR and KENTUCKY Cane Mills just in. It is Hardware, you know we've got it. To us your wants.

D. K. CASON

The Hardware and Vehicle Man

ed and placed in the jail he said that it was all a mistake, but the sheriff says that he has the right man. The man in the jail tallies to every description sent out to all the sheriffs of the state, and Sheriff Buekner says there can be no mistake unless the fellow in jail has a twin brother.

The sheriff of Floyd county has been notified of the arrest. As Floydada, the county seat, is quite a distance from the railroad it will be several days before Sheriff McCleskey will be able to reach Nacogdoches.

Had the Wrong man.

The man that Sheriff Buekner arrested and placed in the county jail last Saturday as Richard Synder was the wrong man. The man who was arrested was J. W. Ewatts and is well known in Angelina county, where he has been working for the past year or more.

On the date that Synder made his escape Ewatts was in this county and was doing some work in the vicinity near Etoile.

Will Make Half a Crop.

Saturday J. A. J. McKnight of the Rush school house community, was in the city and was a pleasant caller at The Sentinel office. Mr. McKnight is president of the local Farmers Union at that place and is also a trustee of the Rusk school. He says that the cotton crop in his community will just about make half a crop this year and that while the corn crop is short that all will be able to make enough to run them another year and have a little to spare. He says that he has never failed to raise his meat and has had some to sell. He also says that many will be fooled in the corn crop this year.

Took Him Back to the Pen.

Yesterday afternoon Penitentiary Agent Sisk arrived in the city and took John Polk back to the penitentiary.

Polk is the negro convict that had escaped from the convict farm at Mumford over a year ago and who was captured Saturday by Detective John Spradley. Polk has about seven years longer to serve the state.

GRAND CLEARANCE SALE OF Nacogdoches Mercantile Company

This sale is to clean up our surplus of spring and summer goods to make room for our BIG FALL STOCK which our buyer is now in the eastern markets buying. Now is the time to buy many useful articles every family needs, such as TABLE LINEN, CALICO, LAWN RIBBON, EMBROIDERY, LACE, LOW CUT SHOES, and all kinds of CLOTHING and a great many things too numerous to mention. Would give prices but you would have to see the goods to appreciate the quality and prices.

Do not fail to attend this sale which will last until Sept. 1st. Sole agents for OMEGA FLOUR, the highest patent made, so do not fail to have your loving husband get a sack next time he comes to Nacogdoches and if you do not think it the "best what is" return at our expense.

Remember the big sale and rest assured we will have some good for you.

Yours to please,

Weekly Sentinel.

HALTOM & HALTOM, Proprietors.

R. W. HALTOM, Editor.

The peace conference at Portsmouth is grinding along very slowly.

There seems to be a little more cleaning up that should be done in Nacogdoches.

The young man starting out in life should avoid the habit of having things charged.

Nacogdoches will issue a handsome catalogue of the High School within the next few weeks.

The man on a small salary has no right to try and keep up the same fashion as some of the millionaires.

It's not always the man who wears the best clothes and smokes the finest cigars that pays his debts promptly.

The Southern Cotton Growers association will make an effort to have the cotton market open at ten cents or more.

The world is a funny thing. One day it wags along to please you and the next day it pleases the other fellow, and there you are.

The first bale of 1905 cotton that was marketed here on the 14th adding the premium to the price paid for the bale was 17 cents per pound.

The boll weevil, after all, may be a blessing to the farmers of this state. It has caused the farmers to look to other crops for money. It has in this county.

The first bale of new cotton has at last reached the town of Nacogdoches. But it took quite a lot of ground to furnish enough of the fleecy staple to make a bale.

There will not be so very much cotton raised in Nacogdoches county this year, and if the merchants expect to do business they must start their advertising campaign early.

Credit is alright in some instances, but don't get in the habit of having things charged—that habit is worse than the whiskey habit and has made equally as many criminals.

With all kinds of fruit doing well and the finest tobacco lands in the country, East Texas can put up better inducements to the small farmer than any other section of the state. All that is asked of the prospective homeseeker is a visit to this section. What we have to show them will surely convince them that this is God's chosen country.

The Sentinel has just received a catalogue of the Cushing Public School. The work was turned out in the office of the Enterprise of that city and is a very nice piece of work. The school opens on Monday, September 4th with Prot. L. W. Raney and Prof. B. S. Shirley as principals. The Sentinel wishes for the faculty of the Cushing school a most successful term.

IT'S A FAKE.

Some one who has more water behind the frontal bone than brains, has made an attempt to circulate a report in the country that there is a case of yellow fever in this city. A man who would start such a report should be chased out of the country. There is not a case of yellow fever within 100 miles of this city, and furthermore there is not a case in the State of Texas. The Lord knows it would be bad enough to circulate the report even if it was so, but to say that the fever exists in a community when it really does not is criminal. The readers of the Nacogdoches papers can rest assured that if there ever is a case of fever of the yellow type in this city, that the papers will be the first to tell the news and that it will not have to come second-handed. If the party who started the report only knew how little the people of this section really think of him, he would pack his miserable carcass out of the community.

The world does not move along every day so that the entire inhabitants of the earth would be pleased. Remember that when it pleases you perhaps the other fellow is then wearing a long face. It's the same way when it pleases the other fellow it's you that has to wear the long face.

Shreveport will take steps within the next few days to have the quarantine raised against that city. If the quarantine is not raised soon there will be a sugar famine in this part of the country. Already the price of some fruits have started skyward and by the time that frost falls lemons will be worth their weight in gold.

Heretofore it has been a hard proposition for the faculty of the Nacogdoches schools to accommodate the home pupils on account of the condition of the building, but the conditions will be changed as soon as the repairs can be made on the old building, and then the schools will be able to take care of all who may come.

The Sentinel has just received a copy of the catalogue of the Garrison school. It is quite a handsome book and gives all the information desired concerning this excellent school. The book bears the imprint of the Garrison Gleazer and is a very pretty job. The people of Garrison should feel proud of their school, and also of the fact that they have a print shop at home that can handle their work. Here's congratulations.

The report concerning the cotton crop of this county are conflicting to say the least of it. Some have stated that the crop was at the very best four weeks later than the crop of last year. The first bale that was marketed this year was only six days later than last season. Some of the cotton

growers say that it will take twenty acres to produce a bale of cotton, while Mr. Beavers, the gentleman who marketed the new bale says that he has in 45 acres and that he will gather about 15 bales this year. He says that his crop though is very short.

Reports from the yellow fever districts in the city of New Orleans are to the effect that a long fight is expected and Governor Lanham of this state has issued a proclamation quarantining against Louisiana and all infected points.

The Hemphill Leader is the latest venture in the newspaper held in East Texas. It reached this table this week and is really a fine paper, well and ably edited and would be a credit to most any East Texas town. The name of J. D. Goodrich appears at the mast head as the publisher and the editor of the Leader. The Sentinel is pleased to place the Leader on the X list.

Some of the big dailies are doing all they can to get the Farmers Union into politics. While the Union was organized immediately upon the death of the populist party yet the leaders of the Union say that they do not propose to have the organization mixed up in political affairs. They also say that they learned a lesson by the Farmers Alliance getting the order mixed up in politics. The fact that they adopted the press of the state as their organ at the Waco meeting is also given out as an evidence that they will fight shy of the political ax grinder.

It is now announced that the Southern Cotton Association will hold a meeting in Asheville, N. C., on Wednesday, September 6, for the purpose of fixing the price of spot cotton for the season of 1905-6. Harvie Jordan, president of the association says that the farmers are in good condition financially and that those who are not so fortunate as to be overloaded with cash can get the same from the banks of the country. He says that the farmers must stand firm in the matter, and that if they do there will be no difficulty in getting a fair price for the present crop. The Sentinel hopes that the crop will bring the top of the market and that the farmers will succeed in breaking up the ring that has been fixing the price of the staple for the past twenty-five years. Here's hoping, to say the least of it.

There is a good wave passing over the country and it is catching the old and hardened sinners right and left. Even some of the best prosecuting attorneys of the state have announced that it was their intention to quit law and take to the pulpit. The district attorney of this district has been conducting several meetings, and it is said he puts up a fine sermon.—Nacogdoches Sentinel.

And most gratifying of all, a number of ministers have forsaken the pulpit for the editorial sanctum, where their influence for the betterment of mankind will be more strongly felt. Surely, the millennium is about to dawn.—Sherman Register.

The Sentinel has received a copy of the Postmaster and Carrier, published at Dallas and in the interest of the fourth-class postmasters and the rural letter carriers. The copy received gives a complete write up of the recent state convention of the fourth-class postmasters and also contains two excellent halftones of the postmasters. The first showing the delegates to the convention assembled and the other of the officers of the association. The likeness of T. K. Raynor, the first vice-president of the association, is a good one and really makes him appear to be a handsome man. Mr. Raynor holds down the government's affairs at Decoy and right well does he perform the duties required of him. He is up-to-date and was instrumental in getting the postmasters of the county together yesterday and perfecting the organization. The Sentinel is glad to see the postmasters of the county organize themselves together for the betterment of the service. Not that the paper has any kick coming as to the manner in which the mails of the county are handled, but that the postmasters themselves may be benefited by meeting and discussing the best methods used in the various offices of the county.

Secretary Wilson of the United States Department of Agriculture says he has turned out 300 misfits who were eating tree grass on the department pastures. He further avers that other departments have their troubles and their scandal and insists that the rascals should be turned out of all of them. Secretary Wilson is doubtless right in this, and if he will raise a row that will cause the hangers on and grafters to be fired from the department, the people of the United States will rise up and call him blessed, even if he has been too easy going to get the grafters out of his own department before they have done almost irreparable damage.—Sherman Register.

The Register might have added that the entire department should be abolished. It is one of the most expensive departments of the government, and in view of the recent developments congress should look into the matter and cut that branch out. It only takes about seven millions to maintain it and all this comes out of the pocket of the tax payers. Just think of how the cotton and wheat future gamblers have run it for their own benefit by having the statistics furnished by them for the past several years, and how they have systematically robbed the farmers—all at the expense of the tax payers.

The Nacogdoches Sentinel is of the opinion that the limit has been reached in the grafting practice, when the grafters invaded the garden seed department. So far no grafting has been reported in the fruit tree industry.—Houston Chronicle.

The fruit tree industry will come under the head of the pruning department.

On Thursday, August 31, there will be a public working of the North church cemetery. An invitation is extended to all who want to see the cemetery placed in a good condition, to attend the working.

Union and School Picnic.

There will be a district meeting of the Farmers Union at the Rusk school house and also a school picnic on Friday, September 1st, and the good people of that section are making preparations to have one of the finest times ever pulled off in the county. Rusk school house is located on the lower Logan'sport road about four miles from town and a large crowd from Nacogdoches will be expected.

A good program has been arranged for the occasion. Among the prominent speakers who will address the gathering are Hon. B. A. Calhoun, Hon. T. B. Lewis and Hon. Hardy Dial. The committee having the picnic in charge extends a cordial invitation to the public to attend and also ask all the people in the community to come and bring well filled baskets.

The trustees of the school will reserve the stand privileges on the day of the picnic, in order to raise funds with which to repair the school building. The committee having in charge the stands is as follows: J. H. Nabers, H. W. Bowden, Walter Mc Knight.

The sporting fraternity at the little town of Caro are up against the real thing these days. There were eight of the boys who engaged in a social game of poker and the whole bunch were arraigned before his honor, Justice Jones. The total amount of fines that will be collected from the boys will aggregate something like \$175.00. The sheriff's department is after the boys who play cards and shoot craps, and one of the officers told The Sentinel reporter that he was going to make it his special business to run all in who have been in the habit of gambling. Yesterday afternoon one of the defendants, after the amount of the fine and costs had been taxed against him said that he would have the fine to pay but that a small matter like that would not stop him from gambling. He paid a fine last week of \$36, and the fine of yesterday was \$25.85. He happened to be broke on this occasion, and the last the reporter saw of him he was in the custody of the sheriff and was trying to make a convict bond.

Peculiar Disappearance.

J. D. Runyan, of Butlerville, O., laid the peculiar disappearance of his painful symptoms, of indigestion and biliousness, to Dr. King's New Life Pills. He says: "They are a perfect remedy, for dizziness, sour stomach, headache, constipation, etc." Guaranteed at Stripling, Haselwood & Co. drug store, price 25c. dw

The county commissioners went out to the poor farm this morning to see how things are going at the farm. They report that the superintendent has the crops well in hand and that there is no complaint to be made at the manner in which the farm has been conducted.

Men vs. Boys.

Speaking of boys reminds us that they are an imitation animal, and are apt to ape the men about them. And they are less prone to adopt civil manners than to take to bad habits. If the men would set good examples and not depart from that system, it would have a good effect in making juvenile character in association molds. Let every boy adopt a model and build his character upon it and it can never fade from age or impurities. In later life such a structure is a treasure, and it is always a source of encouraging comments. Compare two opposite types, rounded and reared together, in their age, one topples with its weight of false construction and the wreck marks a foundered life. The other stands a symmetrical object, and represents the ability of life.

Quiet Observer.

To Prevent Malaria.

Use one bottle of Brown's Iron Bitters, two or three bottles cures me.

Impure blood, biliousness, female weakness, headache, kidney and liver troubles usually succumb to one bottle of Brown's Iron Tonic Bitters, two rarely required. Buy six bottles and save a dollar. Sold by Stripling, Haselwood & Co. dw

Work has been started on the school building at North church, and the same will be rushed to completion in time for the school to be used this fall.

Pleasantly Effective.

Never in the way, no trouble to carry, easy to take, pleasant and never failing in results are DeWitt's Little Early Risers. These famous little pills are a certain guarantee against headaches, biliousness, torpid liver and all the ills resulting from constipation. They tonic and strengthen the liver. Cure jaundice. Sold by Perkins, Kleas & Mast. dw

DR. DYSART

SPECIALIST

In the Treatment of Diseases of both Men and Women. Treats by New Methods which might pay you well to investigate.

Troubles of Women

Dr. Dysart's treatment for nervous prostration and other nervous ailments is unequalled. In fact, science has long since proved beyond question that there is nothing equal to the curative effects of electricity for these troubles when properly applied, and diseases of this character yield readily to its proper application. In all ovarian cases where medicine has failed for years, Dr. Dysart's method cures in a wonderful manner. His treatment is safe and pleasant, quieting the irritated nerves and readily restores the natural forces of nature. Those poor monthly sufferers are all invited to call and consult the doctor and learn of his life-giving remedies. Those terrible impending feelings of nervous origin are quickly relieved.

Diseases of Men

Doubtless hundreds of apparently strong and healthful men will read these words who are permitting some private trouble to weaken their vitality and dry up their life blood, because of neglect and prostration. The man who neglects his health in this way is committing a well nigh unpardonable sin, because nine times in ten you are not the only one who suffers, but those who come after you must pay the penalty. Dr. Dysart makes a specialty of all private troubles of men. He uses his own exclusive remedies in the cure of varicocele, stricture, blood poison, nervous debility and associate diseases. His remedies are quick and positive restoratives of natural strength, vigor and robust health. The afflicted organs are treated directly while the entire system is invigorated by a powerful constitutional treatment. The nervous system is built up and natural health and strength are restored in a natural way.

Why I Succeed

I invite the closest scrutiny and seek the widest publicity. My practice is founded on nature and based on common sense, being strictly scientific in character. Some of the advantages I possess over others are the following: I keep up with the times, treat more cases, cure more patients, have better facilities and govern my practice by practical results regardless of schools or pathies, adopt the latest methods of treatment employed in the leading hospitals and institutions throughout the world, and keep fully abreast of the medical and surgical progress as developed by all countries, sparing neither time nor money to obtain the best of everything for my patients.

I also have Eighteen nicely furnished rooms in my department, should you want to remain with me a while, if you are from a distance. You can be cared for right in the building where you are taking your treatment. You won't have to walk back and forth to get your treatment.

If You Go To Dr. Dysart

He will give you a private consultation, a careful personal examination, an honest and scientific opinion of your case and tell you just what he can do for you; all of this costing you nothing. In other words, Dr. Dysart will treat you as he would have you treat him, if your cases were reversed. If you are the victim of some chronic trouble, it matters not what your former experiences may have been, call on Dr. Dysart and let him advise with you. This will cost you nothing and possibly save you a wonderful amount of pain and many dollars.

DR. L. S. DYSART

Public is Aroused

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 546 St. Clair Ave., Columbus, O., writes: "For several months, I was given up to die. I had fever and ague, my nerve were wrecked; I could not sleep and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured. Guaranteed at Perkins, Kleas, and Mast drug store; price 50c dw

Vail Fall has gone to Houston to take a position in a big job printing house in that city.

Have You Chills?

It cured your Pa and also your Ma of chills in the long ago and it will cure you now. It has been tested by time and its merits have been proven. We guarantee one bottle to cure any one case of Chills. If it fails your money is cheerfully refunded—and its name is Cheatham's Chill Tonic. w

Letter to C. W. Pressler, Nacogdoches, Texas.

Dear Sir: The trustees of Fair Ground, Cobleskill, N. Y., were glad to pay 15 cents a gallon more for Devoe; and no wonder. Two other paint agents said it would take 150 gallons of their paint to cover the building.

Our agent put it at 125 or less. It took 115.

We saved them 35 gallons of paint and painting (worth \$4 to \$5 a gallon, as the painting costs two or three times as much as the paint) less 15 cents a gallon on 115 gallons. Say \$140.

That's the way to count the cost of paint. The cost of putting it on is \$1 or \$4 a gallon. You see what that means. Go buy Devoe. Yours truly, F. W. Devoe & Co., New York.

35

It Keeps Them Off.

They are pretty bad this year—no mistake—and they bite viciously. We refer to Mosquitoes, but a little Hunt's Lightning Oil applied to the irritated places takes the sting away. It keeps them off if used in time. w

PASSENGER IN THE DITCH.

The North Bound H. E. & W. T. Wrecked Near Livingston.

The north bound Houston East & West Texas passenger train No. 1 was wrecked at a point near Livingston.

The information received here states that the engineer, Edgar Coyne was killed, and that the fireman, Mr. Astor, was badly scalded.

Two passenger coaches are in the ditch, but it is not known whether anyone outside the train crew were hurt.

The wrecked train will not get in before 7 o'clock tonight.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipiency and all danger avoided. The castor oil and his remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by Perkins, Kleas & Mast. dw

Sheriff Buckner returned Friday from Terrell where he went to place John Booker in the asylum. He says that the asylum and the grounds surrounding the asylum are the prettiest in the whole country—"they are pretty enough to make a man get crazy to live there." He had to lay over all night at Kaufman and of course had to place his charge in the jail of that county. He says that the sheriff of Kaufman county has one of the prettiest jails that he has yet seen, and that if the county commissioners of this county would go there and see how things are fixed up for the comfort of the prisoners that they would see to it that Nacogdoches county would make some kind of a deal whereby the jail here was put in better repair. In other words see that a new jail was built. The Sentinel can add to the statement of the sheriff that this county has about the worst bat roost in the state for a jail, and likewise a court house.

A Touching Story

is the saving from death, of the baby girl of Geo. A. Eyster, Cumberland, Md. He writes: "At the age of eleven months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At Perkins, Kleas & Mast, drug store; 50c and \$1. guaranteed. Trial bottle free. dw

What Shall I Take?

Is the question asked by those who are not feeling well, have no appreciation, are out of sorts, have no energy and are all tired out. Many medicines are recommended, doctors consulted, money spent in search of health, yet all can be avoided.

Wise people commence at once taking Brown's Iron Bitters and are speedily themselves again. The prescription the doctor gives you will surely have Iron as the basis and the best and cheapest way to take Iron is in this old reliable remedy. Sold by Stripling, Haselwood & Co. dw

Married at San Antonio.

The friends of Mr. and Mrs. D. E. Clifton have received the news that their daughter, Miss Zephye, was married in San Antonio, Wednesday night at 8 o'clock to Mr. Frank Fuller.

The Sentinel joins the other friends of Mr. and Mrs. Clifton, and Miss Zephye, in wishing for the young couple all the happiness that may be their lot in life.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Wittmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by Perkins, Kleas & Mast. dw

Will Ruffs, Tan McKinney and Henry Randolph who have been in the city for the past week on a visit with Mr. Ruffs home folks, left today for their home in Houston.

Dangerous and Uncertain.

For sunburn, tetter and all skin and scalp diseases. DeWitt's Witch Hasel Salve has no equal. It is a certain cure for blind, bleeding, itching and protruding piles. It will draw the fire out of a burn and heal without leaving a scar. Boils, old sores, carbuncles, etc., are quickly cured by the use of the genuine DeWitt's Witch Hasel Salve. Accept no substitute as they are often dangerous and uncertain. Sold by Perkins, Kleas & Mast. dw

R. V. Turney of Caro, was in the city Wednesday and was a pleasant caller at The Sentinel office. Mr. Turney is the secretary of the Nacogdoches county postmasters association and all the postmasters in the county who wish to know more about the association are invited to correspond with Mr. Turney.

Old Age, Feebleness, Infirmary.

Nothing is so good as Browns Iron Bitters for aged people. It renews the strength and energies. Mrs. Mary A. Edwards, Yoakum, Texas, writes:

"I have been wonderfully benefited by Brown's Iron Bitters, it seems to give me new life. I told my doctors it had prolonged my life, being now eighty-three years of age." Sold by Stripling, Haselwood & Co. dw

HERBINE

The Popular Liver Medicine
Will Keep You Well

A GUARANTEED CURE for all diseases produced by TORPID LIVER and IMPURE BLOOD. Do not fill your system with Arsenic, Calomel and Quinine. They act as rank poisons which vitiate the blood, debilitate the system, and leave a trail of bad symptoms which require years to obliterate. HERBINE is purely vegetable and contains no mineral or narcotic poisons, is absolutely harmless and is the simple remedy of nature. It carries off all poison in the system and leaves no injurious effects.

CURED BY HERBINE AFTER OTHER
REMEDIES FAILED

Mr. L. A. Hicks, Iredell, Texas, says: "I was sick in bed for eight months with liver trouble, the doctor seemed to do me no good. I was told to try Herbine, and it cured me in a short time. I cannot recommend this wonderful medicine too highly."

The Only Way.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Kodol Dyspepsia Cure. Kodol digests what you eat and strengthens the whole digestive apparatus. Sold by Perkins, Kleas & Mast. dw

Mrs. J. W. Ireson and children who have been spending the past several weeks in the city visiting relatives and friends, returned yesterday to their home in Terrell Mrs. A. B. Ireson accompanied them home.

G. B. Buhans Testifies After Four Years.

G. B. Buhans, of Carlisle Center, N. Y. writes: "About four years ago, I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble. Sold by Perkins Kleas & Mast. eod

THE Nacogdoches public schools open in this city on September 11.

THE Farmers Union say that they will build a warehouse in this city for the purpose of storing the cotton crop of the members of the Union.

A FREQUENT visitor to the city said that Nacogdoches was the cleanest town on his route. Yet there is a lot more cleaning up that should be done right away.

NACOGDOCHES is in a very good sanitary condition but there is room for more of the same kind of work. The sanitary committee of the city should get busy and see that all obey the sanitary laws.

IN the scramble to locate factories and manufacturing plants, do not overlook the fact that those already located need the support of the community in which they are located. The home enterprises should receive the undivided support of the people in every city and town.

IF the business men of the country would stand by their home papers as they should the mail order houses would have an up hill business in getting the trade of any community. This does not apply to the Nacogdoches merchants, but to those in the neighboring towns. The papers of this city are well supported by the merchants here, and endeavor to stand by the merchants and the people.

THE small farmer is the man that is wanted in Nacogdoches county, and for the thrifty man there is an opportunity in every community for him. In every community there is a good school and also a good church and in some of the communities there are several churches, and last, but by no means the least he will find the best people in the world in the south and especially in Nacogdoches county, Texas.

SOME right smooth guy will yet work a graft on the Farmers Union and inveigle that organization into politics. Some of the best posted men in the state predict that it will be merged into politics. The Sentinel hopes that the farmers will stick together, because this paper believes that as the Union now stands that it is a good thing for the farmers, but what they have to look out for is the grafter. It is already hinted that resolutions are being introduced in all the Unions over the state declaring that it is the sense of the Farmers Union that all the present state officials should be ousted at the next election and that farmers should be elected in their stead. The Farmers Union is strong enough to make it very un-

pleasant for some of the old timers, provided that the Union would center upon a ticket and all vote that way. In this rumor there is food for reflection on the part of the Union. If it is unfounded it shows that there is a strong effort to pull them in by the grafter. If the report is true that resolutions of this nature are being introduced in the county meetings then the Union is playing a case of "Dr. Jekyll and Mr. Hyde" with the people of the state and will soon lose the confidence and respect of all the good people and the end of the Union is in sight. The Sentinel hopes the report is untrue.

SOME of the exchanges that reach this table are forever and eternally growling about the way that the merchants of that town treat them in the way of patronage. Some of these papers are receiving better patronage than they deserve, while a few should receive more than they get. Yet there are always two sides to a question, and perhaps if the merchants had a newspaper of their own and edited by themselves they would tell the other side of the question. There are men engaged in the newspaper business in this state who have no more conception of what is required of a newspaper man than a free nigger. After coming into possession of a newspaper plant the first thing they do is to equip themselves with all the railroad transportation that they can get and take a trip and leave the shop to the hired man and a small boy. On the first of the month they are not at home and the bill collector is stood off by the hired. About the fifteenth of the month the proprietor runs in and leaves instructions, give the hired man and the small boy an order on the merchant for a few things that the printer and the "devil" have to have to keep from being run for vagrancy, and the editor borrows a few dollars, consults his mileage book and then is off for another jaunt. This is kept up until all the merchants in the town are loaded up with orders and there is no show of getting the account settled except to give the shop some printing. An order is sent to the paper jobber and he sends it to the shop C. O. D. whereupon the would be newspaper man consults the merchant to get enough cash to get the "package out of the express office." When the work is delivered it shows up to the bad, and nine times out of ten is full of errors. The work is sent back to the print shop and is then used to write paragraphs roasting the merchants for the manner in which the paper is supported. When it gets to the point where the country printer and newspaper men have to square accounts on the first of the month by getting credit for his bill, right then it is that the merchants will give their work to other concerns. The newspaper and the printing business over the country should be run on business principles and the merchants will then treat them as such.

He Likes Texas.

About a month ago Rev. T. H. Reese of Buford, Ga., came to Texas on a visit to his sons, G. R. Reese and J. E. Reese of this city, and to his daughter, Mrs. T. A. Mast of Chireno, and to Mrs. D. M. Reese of Melrose. He left yesterday for his Georgia home, but before he left he told his sons that Texas was a great country and that he thought Nacogdoches county was the best part of the state that he had seen. He also told them that it was his intention to go home and make preparations to move here this winter.

The boys had been away from home for the past fourteen years and this was the first time that he had seen them. They had come to Texas and had done well, and he was satisfied that when he took the train for home that all the boys had written, and all that he had seen in print about this country was absolutely true.

While the reverend gentleman was here he was a caller at The Sentinel office and he told the reporter that he was well pleased with what he had seen in this country and that he could go home and tell the people that this was truly one of the greatest sections of the United States that it had ever been his pleasure to visit.

The Sentinel has always said that all that was necessary to convince the people of the old states that this was the gardest spot of the earth was to get them to come and see for themselves.

In sending out invitations to the prospectors to come and look at this country, don't forget the small farmer. That is the man that Texas is interested in. When this old state is thickly settled by men who own small farms the factories and manufacturing concerns over the country will come here to make their investments and will come unsolicited.

Protracted Meeting.

Rev. R. F. Hodges of Kennard, will conduct a meeting near Clevenger's mill the fourth week in this month beginning Saturday evening, August 26th. Brother Hodges will be accompanied by several strong Christian workers among whom is Miss Jennie Shuptrien, an experienced young christian worker and known in religious circles over Texas for her deep devotion to the Lord's cause and for her magnetic influence in inspiring the young to higher lives.

All are invited to attend and we are sure that every one, old and young, will enjoy Brother Hodges spiritual sermons.

Millard & Harlocher have returned from Woden where they have been loading sand or the Nacogdoches & Southeastern. They report that they did not finish the work that they had there, but that owing to the fact that one of the engines that is used in hauling logs from the woods had broke down, that the one they were using was required to haul logs, and they had to take a rest for a few days.

New Concern.

The East Texas Commission Co., is the latest addition to the many important business enterprises that have been organized in this city. The company is composed of W. H. Crouch and D. R. Snodgrass and both are well known to the trade of East Texas as hustling business men. Mr. Snodgrass having been with the Nacogdoches Grocery Co., for several years as traveling salesman. Mr. Crouch has been engaged in the insurance and commission business in this city for the past twenty years and has an established business.

The new firm will be ready for business on the first of September and they will carry a full line of all the staples carried by the wholesale houses of the country, and also a complete line of packing house products. This will be ready to deliver goods after the date mentioned and they will appreciate the request for quotations for anything that the merchants of East Texas may be in the market for.

Funds Moved.

Yesterday County Treasurer John Gilbert moved the funds of Nacogdoches county from the Stone Fort National Bank to the Commercial National Bank as per the instructions from the County Commissioners Court.

Under the new law requiring the commissioners to select a county depository the Commercial National Bank made the best bid for the county's business and it was the order of the court that that bank be designated as the proper place for the funds of the county.

Edgar Thomason returned yesterday afternoon from a trip to the factories of the Racine Wagon Co. and he is one of the most enthusiastic Racine men that ever came down the pike. He says that he had the time of his life, and that while he was there he learned many things about wagon making that he thought was torn out of the book. He is pleased with his trip and is in a position now to tell the people of this country just how wagons are made to stand the rough country and why the Racine is the "best what is."

Appleby is the highest point on the H. E. & W. T. railroad and has a well equipped school, the best school in the county for farmer's sons and daughters.

T. J. Williams and J. L. Williams are putting in a large saw mill on the line of the Nacogdoches and Southeastern railway at a point near Oil Springs. They will have all the machinery on the ground within the next thirty days and they will have the mill in operation about the first of October. They say that they have some of the prettiest timber in that part of the country and that they will be ready to do business by the time that the Nacogdoches and Southeastern gets ready to receive freight from that part of the country.

The object of the teachers of the Appleby school is to develop the boy or girl into a well rounded man or woman.

RIGHT UP IN FRONT.

The Banita Manufacturing Plant
Second to None in Texas.

As an evidence of what can be done at home The Sentinel takes pleasure in calling the attention of the readers of this paper to the Banita Manufacturing Plant of this city and to some of the work that has been turned out by this home manufacturing plant.

The plant has just put in six silent salesman show cases for the firm of Mayer & Schmidt of this city that are the equal to any in the city, and The Sentinel reporter believes that they are superior to the imported articles from the several views taken. First because they look better than some of the goods that have been shipped in, and second, and by no means the least, because they are made by a home manufacturing plant.

Arthur Ireson, superintendent of the plant is a skilled mechanic, and every man connected with the mechanical department of the Banita Manufacturing Plant is a specialist in his particular line.

With a concern like this located in the center of Eastern Texas, capable of turning out only the first of office and bank fixtures, and also plate glass store fronts there is no excuse for the merchants or others sending off for estimates on such class of work.

East Texas has been sending thousands of dollars to the show case works of the east for many years that should have been kept right here and used to support home enterprises. The Sentinel hopes that in the future that the Texas manufacturing plant will at least have an opportunity to supply all demands for first-class show cases, office, bank, lodge, and church furniture, also all the finer interior finishings for fine residences.

The Sentinel is glad that Messrs. Mayer & Schmidt have set the pace for giving to the home plants all their fine show cases and other store furniture, and would deem it a pleasure to tell the good news that there were others who have done the same thing.

Badly Hurt.

Monday afternoon while working at the dry kiln of the Hayward mill W. H. Garsee was assisting in moving a car and was handling a piece of 2x4 when the stick of timber that he had in his hand broke and one end of it struck him over the left eye cutting a very ugly gash over the eye and rendered him unconscious for a few minutes.

He was taken to the company hospital and the wound dressed. He is able to be out on the streets but looks as if he had been in an Irish wake.

Are you going to school this year if so try the Appleby school. Satisfaction guaranteed to working pupils.

Nacogdoches Mercantile is still on the jump, notwithstanding the dull times.

Austin Roquemore is able to go to his work at the Express office again after several days illness.

S. H. Owens of Aiken, one of the up-to-date all round good farmers of Shelby county, was in the city yesterday with cotton, and he was also buying supplies. Having the ready cash to pay for what he bought. The farmers of Eastern Texas are arriving at the point where they do not have to ask the merchants to credit them until they are able to market their cotton crop. They come to Nacogdoches now with the coin of the realm and buy their goods as close as the city man. They also read the papers and keep up with the bargain sales.

Letter to T. J. Lloyd,
Nacogdoches, Texas.

Dear Sir: There are several ways of cheating in milk. An old-fashioned way is to water it. Nobody waters it now. A better way is to take out the cream—rich milk with the cream taken out is as good as poor milk with the cream all in.

But we needn't go into particulars.

You don't rob your milk and your customers.

Paint is as easy as milk to cheat with. Good paint is as rare as good milk; for human nature is much the same in milkmen and paint men.

You are just and true with your milk; so are we with our paint. Devco lead-and-zinc is twice as good as mixed paints; there is twice as much butter in it.

Mrs. J. T. Ladd, Cheraw, S. C. writes:

"When Mr. Evans painted his house with Devco, he figured on how other paints covered and had enough left to paint three large rooms. He was so pleased that he has used Devco on two other houses."

Yours truly,
F. W. Devco & Co.,
New York.

Studebaker and Mitchell wagons have stood the test. Cason sells both and three other makes besides.

Commissioners Court.

The present session of the county commissioners court was a very busy one and there was quite a lot of business pertaining to the schools of the country, such as the granting of petitions for the purpose of organizing into districts.

Willis Grimes, Robert Stripling, Frank Power, W. B. McKnight and J. G. Orton were appointed as a jury of view to lay out and review a public road beginning at a point on the Appleby road near Shady Grove and intersecting the Garrison road near Martinsville.

Following are the accounts that were presented to the court and which were allowed:

Wanted Young Men and Women to Learn Telegraphy.

The demand for operators is rapidly increasing both in railroad and commercial work. For the past twelve months the supply of operators has not been equal to the demand. We have had far more calls for our graduates than we could supply. This line of work pays well and positions are insured. The time required by the average student to complete the course with us is only four months. The cost of tuition is \$40; books and material \$5. Board and lodging from \$10 to \$12.50, per month—a total cost of about \$90. Your first two months salary would more than repay for the entire expenditure in taking the course. For full particulars of the best school of Telegraphy in the South, address Tyler Commercial College, Tyler, Texas. We also have excellent departments of book-keeping, business training, shorthand and typewriting. Joe Atkinson of Chireno, was in the city this morning on a trading trip. He thinks that after he has straightened up this years business that he will take a trip out west and see what the opportunities are in that section of the state for a man to make a fortune.

FINANCIAL STATEMENT.

In the Matter of County Finances in the Hands of John N. Gilbert, Treasurer of Nacogdoches County, Texas.

Commissioners Court, Nacogdoches County, Texas, August Term 1905.

We, the undersigned, as Commissioners within and for Nacogdoches County, Texas, and Robt. Berger, County Judge of said county, constituting the entire Commissioners Court of said county, and each of us, do hereby certify that on this the 18th day of August, 1905, at a regular quarterly term of our said court, we have compared and examined the quarterly report of Jno. N. Gilbert, Treasurer of Nacogdoches County, Texas, for the quarter ending on the 14th day of August, 1905, and finding the same to be correct, have caused an order to be entered upon the minutes of the Commissioners Court of said county, stating the approval of said treasurer's report by our said court, which order recites separately the amount received and paid out of each fund by said County Treasurer, since his last report to this court, and the balance of each fund remaining in said treasurer's hands on the 14th day of August, 1905, and have ordered the proper credits to be made in the accounts of said Treasurer as required by Article 867, Chap. I, Title XXV, of the Revised Statutes of Texas, as amended by an act of the 25th Legislature of Texas, at its regular session, approved March 20, 1897, and we, and each of us, further certify that we have actually and fully inspected and counted all the actual cash and assets in the hands of the said Treasurer belonging to Nacogdoches county, at the close of the examination of said Treasurer's report, on this the 18th day of August, 1905, and find the condition of the various funds to be as follows:

Jury Fund:	
Balance to the credit of this fund	\$ 366.11
Road and Bridge Fund:	
Balance to the credit of this fund	4,120.00
General Fund:	
Balance to the credit of above fund	975.31
Permanent County School Fund:	
Balance to the credit of above fund	6,806.42
Road Precinct Funds:	
Balance to the credit of above fund	492.89
Available Public School Fund:	
Balance to the credit of this fund	5,126.57
Assets:	
Bonds owned and held by Nacogdoches County for the benefit of Permanent County School Fund	24,900.00

Witness our hands, officially, this the 18th day of August, 1905.

ROBERT BERGER
County Judge, Nacogdoches County,
J. W. BYRD,
Commissioner Precinct No. 1, Nacogdoches County,
H. V. SITTON,
Commissioner Precinct No. 2, Nacogdoches County,
R. L. WILLIAMSON,

C. B. PATTON,
Commissioner Precinct No. 4, Nacogdoches County.
Sworn to and subscribed before me by Robert Berger, J. W. Byrd, H. V. Sitton, R. L. Williamson and C. B. Patton, each respectively on this the 18th day of August, 1905.
P. M. SANDERS,
County Clerk of Nacogdoches County, Texas.

Ice Cream Supper.

On Friday night there will be an ice cream supper in the grove near Mat Muckleroy's for the benefit of the building fund of the school building at North church. A cordial invitation is extended to all the people of Nacogdoches to come out and have a good time on that night and at the same time assist the good people of that community in raising funds for the building now being erected.

There is a protracted meeting in progress at Trinity church that is reported as being extra good. The meeting is being conducted by Rev. Malone.

R. E. Metteauer of Chireno, has bought a new boiler for his gin at Chireno. He found that Nacogdoches could meet outside competition and place his order with Cason.

P. J. Merritt who has been working for the firm of Tucker, Zeve & Dotson, has given up his position there and will move to San Antonio to make that place his home.

Miss Eddie Ramey, the long distance operator at the Commercial Telephone Co., is in the sick list today.

Soothing and Cooling.

The salve that heals without a scar is DeWitt's Witch Hazel Salve. No remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all cuts, burns and bruises. A sure cure for Piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Beware of counterfeits. They are dangerous. Sold by Perkins, Kleas & Mast.

Otis, the little son of Mr. and Mrs. W. P. Reid, died near Shady Grove Friday night and was buried in the Shady Grove cemetery Saturday afternoon. The Sentinel extends sincere sympathy to the bereaved parents in their saddest hour of affliction.

Catarrh Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous services. We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, O.
Sold by Druggists, etc. Hall's Family Pills are the best.

The best advertisement any school can furnish is the boy or girls who attend it. Ask those who have been to Appleby school about it. You can find them in nearly every community in the county.

Facts Are Stubborn Things

Uniform excellent quality for over a quarter of a century has steadily increased the sales of LION COFFEE. The leader of all package coffees.

Lion Coffee
is now used in millions of homes. Such popular success speaks for itself. It is a positive proof that LION COFFEE has the confidence of the people.

The uniform quality of LION COFFEE survives all opposition. LION COFFEE keeps its old friends and makes new ones every day.

LION COFFEE has even more than its Strength, Flavor and Quality to commend it. On arrival from the plantation, it is carefully roasted at our factories and securely packed in 1 lb. sealed packages, and not opened again until needed for use in the home. This precludes the possibility of adulteration or contact with germs, dirt, dust, insects or unclean hands. The absolute purity of LION COFFEE is therefore guaranteed to the consumer.

Sold only in 1 lb. packages. Lion-head on every package. Save these Lion-heads for valuable premiums.

SOLD BY GROCERS EVERYWHERE
WOOLSON SPICE CO., Toledo, Ohio.

Obituary.

Mrs. M. C. Lee, wife of N. B. Lee, was born in Sabine parish, April 30th, 1834. She was married to Mr. R. M. Flanagan in 1852 in Sabine parish where she and her husband lived till 1872 when they moved to Shelbyville, Shelby county, where her husband died in 1872. Then she moved back to Louisiana and was married in 1882 to Mr. N. B. Lee.

In 1900 she broke up house keeping on account of her age and health and health and since that time she has made her home among her children, spending most of her time with her daughter, Mrs. N. G. Brandon of Appleby.

She leaves two sons and two daughters, Mr. H. B. Flanagan, Mr. J. S. Flanagan and Mrs. M. E. Watkins of Louisiana, and Mrs. N. G. Brandon of Appleby, Texas.

Mrs. Lee joined the Methodist church at the age of ten and had ever been a faithful and obedient child of God, ever ready and willing to do every thing in her power for the up-building of poor suffering humanity. Her life has been a model one indeed and all who knew her loved her tenderly.

About three weeks ago she took typhoid fever which lasted her until last Sunday night when the angel of death called her home, by saying "well done thy true and faithful servant, come home where there is a house not built with hands." Weep not, dear children, for she has gone to rest in the sweet beyond.

Cures Sciatica.

Rev. W. L. Riley, L. L. D. Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments I was induced to try Ballard's Snow Liniment; the first application giving my first relief and the second entire relief. I can give it unqualified recommendation." 25c, 50c and \$1. Sold by Perkins, Kleas & Mast.

The Cotton Oil Company held its first meeting in the office of E. A. Blount at the Commercial National bank for the purpose of discussing business and electing officers. The following officers were elected: Chas. Perkins, president; P. M. Sanders, vice president; Oscar Matthews, secretary and treasurer.

Peach Seed Wanted.

Fresh peach seeds well cleaned and dried will be taken for cash, when delivered to Mayer & Schmidt, Nacogdoches, or if outside customers F. O. B. this station.

Write E. W. Malley Nursery Co., Galveston or Nacogdoches, for prices on seed. Also full line of fruit trees, roses and ornamentals. Send for catalogue. Free, with

F. F. Sherman of Center, is in the city today on a business trip. He says that the Nacogdoches Brick Co. will get busy soon. That work on the plant would have been started ere this, but that he had lost his electric light plant in Center and that he had been quite busy in getting his affairs straightened out in Center. The machinery has been ordered for the brick plant and the same will no doubt arrive as soon as the quarantine embargo has been raised.

MOSQUITO PROOF.

DISCOVERY WHICH MAKES MAN IMMUNE TO THE DEADLY STING

A South American Secret

The world has always wondered what secret power protected so many natives of South America from the deadly fevers of those tropical countries.

The mosquito theory, accepted at New Orleans, reveals the secret. They keep the mosquitoes off. An agreeable, perfume-like liquid called "Mata Mosquito" (mosquito destroyer) deadly offensive to insects, but pleasant to man, is rubbed on the hands, face arms and exposed places and mosquitoes keep away. No mosquito will touch "Mata Mosquito."

Fortunately this perfume is now offered to the world, and not only opens the door of hope to all exposed to malaria and more deadly fevers, but guarantees comfort to those who suffer from the bites night or day. It is being arranged to have all druggists sell "Mata Mosquito," but in order to put it within reach of all at once, it will be mailed, postage paid, to any address on receipt of the retail price. There are two sizes, 10 and 25 cents. The money can be mailed without fear of loss. Stamps will be accepted.

Address Arthur Peter & Co., Louisville, Ky., who are sole possessors of this secret process for making mankind mosquito-proof.

SUMMER CATARRH.

Diseases Prevalent Now, but can be Quickly Cured with Hyomei.

A great many people suffer more with catarrh during the summer months than any other season of the year, the hot, dry weather seeming to have a bad effect upon the disease.

When the usual method of treating catarrh has been used in vain, the guarantee of Stripling, Haselwood & Co. that they would refund the money if Hyomei failed to cure catarrh, has induced many sufferers to use this remedy and be freed from all catarrhal troubles. Some of the cures made by Hyomei seem marvelous when one remembers that the patient had suffered from catarrh since childhood and that for years they had been unable to get a good night's sleep on account of the disagreeable tickling and drooping at the back of the throat caused by the offensive disease. A few day's treatment with Hyomei brought quick relief, and its continued use made a complete and lasting cure.

The complete outfit costs but \$1; extra bottles 50 cents. Compare this small expense with the fees charged by specialists and remember that if Hyomei does not cure, Stripling, Haselwood & Co. will refund your money.

Mayor Bodenheim returned Tuesday night from Nacogdoches, where he bought 300 bales of cotton.—Long view-Times Clarion.

Rheumatism.

When pains or irritation exist on any part of the body the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop. Sullivan House, El Reno, O. T. writes, June 6, 1902: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c, and \$1.00. Sold by Perkins, Kleas & Mast.

For Sale.

NACOGDOCHES WON THE GAME

The Third and Last Game Played Yesterday.

From Thursday's Daily: The Nacogdoches base ball boys covered themselves with glory when they took the third game of the series between Jacksonville. The visitors took the first game that was played Monday, but after that the game belonged to Nacogdoches.

The Jacksonville team imported a pitcher and a catcher for the game of yesterday, but the home team soon had the visiting team on their hip and made the runs when they would count the most.

The knowing ones say that some of the Jacksonville boys had up quite a lot of money on the outcome of the series, but they dropped their wad and when they try it again they will have a better team to bet on, especially when they are betting against the Nacogdoches team.

Stop That Cough.

When a cough, a tickling or an irritation in the throat makes you feel uncomfortable take Ballard's Horehound Syrup. Don't wait until the disease has gone beyond control. Mr. and Mrs. J. A. Anderson, 354 West 5th St. Salt Lake City, Utah, write: "We think Ballard's Horehound Syrup the best medicine for coughs, and colds. We have used it for several years; it always gives immediate relief, is very pleasant and gives perfect satisfaction." 25c, 50c, \$1.00. Sold by Perkins, Kleas & Mast.

Mrs. Frank Sharp of San Augustine, is in the city on a visit to her parents, Mr. and Mrs. R. C. Shindler.

Herbine.

Renders the bile more fluid and thus helps the blood to flow; it affords prominent relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink.

G. L. Caldwell, Agt. M. K. and T. R. R., Checotah, Ind. Ter., writes, April 18, 1903: "I was sick for over two years with the enlargement of the spleen and liver. The doctors did me no good, and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well." Price 50c. Sold by Perkins, Kleas & Mast.

A STEADY DRAIN.

Sick Kidneys Weaken the Whole Body—Make You Ill, Languid and Depressed.

Sick kidneys weaken the body through the continual drainage of life-giving albumen from the blood into the urine, and the substitution of poisonous uric acid that goes broadcast through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poison causes rheumatic pains, nervousness, nausea, cricks in the back, gravel and kidney stones. The proper treatment is a kidney treatment, and the best remedy is Doan's Kidney Pills.

J. A. Haywood, trimmer, employed by the Lutkin Land and Lumber Co., and living one mile east of Lutkin, Texas, says: "It is over two years since I was cured of a bad case of gravel and kidney trouble by the use of Doan's Kidney Pills. I first felt the trouble about six years ago. I have worked in saw mills all my life, and before we got the new machinery we had to turn all the logs by physical strength. It was while at this work one day that I wrenched my back. I was laid up for six weeks, and ever since then whenever I have tried to lift or stoop I would suffer from pains in my back. Gradually the kidney secretions became scanty and accompanied by burning pains in the bladder which was very severe. Two years ago a heavy log fell on me and broke my leg in three different places, laying me up. While getting well, want of exercise caused the kidneys to become inactive and I suffered the tortures of the damned. A doctor who was called in said it was gravel and treated me but without bringing about a cure. One day I read of a similar case to mine being cured by Doan's Kidney Pills and I sent for a box. After the first to doses I passed a stone like a pea, finding great relief immediately. Before I had finished the box three other stones or hard substances passed from me. My back got well right away and from that time until the present I have never had the slightest trouble from either backache or bladder ailments, and it gives me great pleasure to endorse Doan's Kidney Pills as an invaluable remedy for kidney and bladder troubles.

Plenty more proof like this from Nacogdoches people. Call at Perkins, Kleas & Mast's drug store and ask what their customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

L. M. Nance is here visiting his sister, Mrs. D. K. Cason. He is traveling for the Norvell-Shapleigh Hardware Co., of St. Louis.

A little forethought may save you no end of trouble. Any one who makes it a rule to keep Chamberlains Colic, Cholera and Diarrhoea Remedy at hand knows this to be a fact. For sale by Perkins, Kleas & Mast.

For Sale

Three 50 acre farms 2 3-4 miles East of Nacogdoches on R.F.D. mail route. Five room residence on each. Barns and everlasting water; good pasture, plenty timber, red clay sub soil, suitable for orchard or trucking. Good schools and churches convenient. Will sell all or part on easy terms. An invitation has been received here announcing the approaching marriage of Miss Martha Elizabeth Vinson of Sherman to Rev. William A. McLeod of this city, to take place August thirtieth, 1905, at 9 o'clock, College Park Presbyterian church, Sherman, Texas. Miss Vinson was one of the teachers in the public schools in this city the past session. Rev. McLeod is pastor of the Old School Presbyterian church in this city.

Does Not Irritate.

"I have found Simmons' Liver Purifier the mildest and most pleasant in action, yet the surest remedy for constipation, torpid liver and all kindred troubles, I have ever used. It does not irritate or gripe." Very truly S. P. Cleary, Jackson, Tenn. Put up in tin boxes only. Price 25c. w

Obituary.

Death visited the home of Mr. and Mrs. D. E. Paine on the 7th inst. God's Angel reached down and took their baby boy only 1 year and 22 days old.

His suffering was not long but severe.

The dear one "Ben Winom" had a loving disposition and was the attraction of the whole family, but God saw fit to take him with the redeemed.

God giveth and He taketh away, but alas Heaven gains a bright jewel while earth has lost a precious darling babe.

May we all live upright to the end and we will meet dear Ben in that sweet by and by where sorrow never comes. Parents.

Beyond Expression.

G. W. Farlowe, East Florence, Ala., writes: "For nearly seven years I was afflicted with a form of skin disease which caused an almost unbearable itching. I could neither work, rest or sleep in peace. Nothing gave me permanent relief until I tried Hunt's Cure. One application relieved me; one box cured me, and though a year has passed, I have stayed cured. I am grateful beyond expression."

Hunt's Cure is a guaranteed remedy for all itching diseases of the skin. Price 25c. w

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers. PREPARED ONLY BY E. C. DEWITT & CO., CHICAGO

Doctor Brigham Says

MANY PHYSICIANS PRESCRIBE

Lydia E. Pinkham's Vegetable Compound

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womanhood is not because it is a stimulant, not because it is a palliative, but simply because it is the most wonderful tonic and reconstructive ever discovered to act directly upon the generative organs, positively curing disease and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due.

If physicians dared to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female ills, as they know by experience it can be relied upon to effect a cure. The following letter proves it.

Dr. S. C. Brigham, of 4 Brigham Park, Fitchburg, Mass., writes: "It gives me great pleasure to say that I have found Lydia E. Pinkham's Vegetable Compound very efficacious, and often prescribe it in my practice for female difficulties. My oldest daughter, who is very obstinate for uterine trouble some time ago and my youngest daughter is now taking it for a female weakness, and is surely gaining in health and strength. I freely advocate it as a most reliable specific in all diseases to which women are subject, and give it honest endorsement."

Women who are troubled with painful or irregular menstruation, bloating (or flatulency), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that bearing down feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, at Lynn, Mass., for further free advice. No living person has had the benefit of a wider experience in treating female ills. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well.

The meeting that Rev. Helin and Rev. Hammond have been conducting at Swift has closed. It is one of the many successful meetings held in and around this county. Yesterday morning at 10 o'clock thirty-nine were baptized, suffice to say as many souls were saved from sin in this world.

Was in Poor Health For Years.

Ira W. Kelley, of Mansfield, Pa., writes: I was in poor health for two years, suffering from kidney and bladder trouble, and spent considerable money consulting physicians without obtaining any marked benefit, but was cured by Foley's Kidney Cure, and I desire to add my testimony that it may be the cause of restoring health to others." Refuse substitutes. Sold by Perkins, Kleas & Mast. eod

County Treasurer John Gilbert says that he is playing in very hard luck these hot days in August. His son Carlisle, has been sick for several days and Mrs. I. N. Buckner is also sick at his house. He is doing the housekeeping act and playing trained nurse at the same time. There is none of the patients seriously sick, but sick enough to cause considerable worry.

Fiendish Suffering is often caused by sores, ulcers and cancers, that eat away your skin. Wm. Bedell, of Flat Rock, Mich., says "I have used Bucklen's Arnica Salve, for Ulcers, Sores and Cancers. It is the best healing dressing I ever found." Soothe and heals cuts, burns and scalds. 25c, at Stripling, Haselwood & Co. drug store; guaranteed. dw

M. J. King of Woden, was in the city Wednesday attending the meeting of the postmasters of the fourth-class offices in Nacogdoches county. He reports that his section of the county is in very fine shape considering the fact that hard times are prevailing everywhere.

A FAMILY SAFEGUARD

Dr. Green arranges with the Nurse of Dr. Bo to handle her famous Uncle's Great Throat and Lung Cure.

The best family safeguard is a reliable household medicine that will cure coughs, colds, chilly sensations, running eyes and nose, sore throat and bronchial affections—that will keep the children safe against all contagious diseases.

Such a medicine is Boschee's German Syrup, which has a record of 35 years in the cure of consumption, catarrh and all lung and bronchial troubles.

The fame of German Syrup as a consumptive cure, since its purchase by Dr. Green from the niece of the famous Dr. Boschee, has extended to all parts of the earth. It has big sales everywhere.

Two sizes, 25c and 75c. All druggists. Sold by Perkins, Kleas & Mast. w

The Farmers Union is holding a county convention here today, but as the meeting is being held behind closed doors The Sentinel cannot get any of the proceedings. It is presumed that they have a press committee that will furnish the newspapers with such matters as are to be made public.

Dr. Henry Rulls, Lloyd Bowers, Geo. Weaver, Gan McKinney, Will Rulls and Henry Randolph returned today from a trip to Royal Springs where they have been on a fishing trip for the past week. They all report having had the time of their lives and they say that the fish is biting fine and that it is no trouble to catch fish now.

For Sale. Two good old mules, two younger, one 5, other 6 years old. Also two milk cows with young calves.

D. K. Cason, The Hardware man.

OLD PEOPLE

Their Pains and Ailments

Any taint of the blood quickly shows itself with old people, and troubles, which a younger, more vigorous constitution holds in check, take possession of those of advanced years. A mole, wart or pimple often begins to inflame and fester, terminating in a sore that refuses to heal.

Wandering pains of a rheumatic character are almost constant, the joints get stiff and the muscles sore, while sleeplessness and nervousness make life a burden. The natural activity of the body is not so great in old age and all the organs get dull and sluggish, failing to carry out the waste matters and poisons accumulating in the system and they are taken up and absorbed by the blood, rendering it weak and unable to properly nourish the system. There is no reason why old age should not be as healthy as youth if the blood is kept pure and strong. S. S. S. is purely vegetable and is the safest and best blood purifier and tonic for old people, because it is gentle, but at the same time thorough in its action, purifying the blood of all poisons and foreign matter, strengthening it and toning up the entire system by almost from the first dose the appetite increases, the general health begins to improve and the pains and ailments pass away.

I had a severe attack of La Grippe, which left me almost a physical wreck. To add to my wretched condition, Rheumatism developed. In a short time after beginning S. S. S. I was relieved of the pains and have gained in flesh and strength and my general health is better than for years. I heartily recommend S. S. S. for all blood diseases. Union, S. C. B. F. GREGORY.

SSS

THE SWIFT SPECIFIC CO., ATLANTA, GA.

It Looks Worthless

The old pieces of Jewelry you have laying around home look worthless to you, but if you will bring them down to us and have them worked over, you will be surprised at the transformation. The cost will be a mere trifle, and your Jewelry will be made good as new.

If you don't care to have your old jewelry made new, bring it down and sell it to us for old gold. We will take it and make something out of it.

Remember, satisfaction is sure at our place.

The Emporia Lumber Co. has bought about 10,000 acres of timber south of town and will build a tram from Mr. Horeb, about three miles from town, out through the holdings of the H. E. & W. T. railway for the purpose of hauling lumber. They have quite a large crew of men at work out there.

Be sure to visit the store of C. A. Jones when in town, whether you want to buy or not.

Appleby has the best experienced teachers in the country. Try them.

COTTAGE BURNED.

Valued at \$1,000 and was Insured For Only \$600.

Late Saturday afternoon the handsome new cottage belonging to Will Taylor and occupied by Ben Lang was destroyed by fire. The house had only been finished a few months and was valued at \$1,000, and was insured for \$600.

Mr. Lang lost everything in the house and his loss is estimated at \$500, and no insurance.

L. C. Hall has returned from a trip to the markets and told The Sentinel reporter that he had bought one of the prettiest lines of men's furnishings that has been shown here and that as soon as the goods arrive he will tell the readers of The Sentinel what he has for them in the way of bargains.

D. A. Murphey of near Alto, Cherokee county, was in the city yesterday buying supplies. Mr. Murphey says that there is considerable sickness in his part of the country, but there is no sickness of a serious nature. He says that the crops in Cherokee county are on an average with other years.

S. Kaplan returned Saturday afternoon from a trip to New York where he has been for the past month buying his fall and winter stock for the firm of Kaplan Bros. Mr. Kaplan reported that Mrs. Kaplan is quite well but that his little daughter was not very well when he left. Mrs. Kaplan will remain in New York until the weather gets a little cool.

A big lot of staple goods just received that was ordered before my sale began. Buy now for they are advancing.
C. A. Jones.

We have sold the buggy part of our business to Richardson, Seale & Co., and we will devote our entire time to saddle and harness making. We have nothing to study but the leather business, and will at times endeavor to give you your money's worth. We now have a large line of shop made buggy and wagon harness and it will be to your interest to see us before you buy.
