

WEDNESDAY, MARCH 25, 1970

Bovina, Texas

VOL. XV, NO. 39

WHITTLIN'

By DOLPH MOTEN

Without adequate words we are to express our appreciation for the Man of the Year honor which we received at the annual banquet of the Chamber of Commerce and Agriculture Thursday night.

'Twas the greatest thing to ever happen to us . . . and we've played in two or three state softball tournaments.

We were, and are, grateful. Even more so than we were surprised and that was as much as possible. We were listening attentively to Wayne Spears, who made the introduction, and were taking notes on what he said!

We had our mind made up about who the recipient of the honor would be prior to the beginning of the banquet and it surely wasn't us.

We're not knocking Panhandle weather, but you can figure every snowstorm we have now means that Spring's just that much closer.

Area papers, we noticed, were sprinkled with pictures of snow scenes late last week and these were tied in with the first day of Spring, which was Saturday.

But you can usually tell that Ole Man Weather doesn't really have his heart in these snowstorms which fall from mid-March on and you can be assured that warm sunny days aren't far in the future even if it is snowing.

The residential building slowdown which has gripped the nation for the past several months is evidently about to erupt from its dormant state here. A couple of new houses are under construction now, in addition to government-financed projects which have previously been publicized and there's increasing talk of several new homes in Ridgelea Addition.

This growth, we'll say here again, has to be a great thing for our community. We're proud to see it.

According to unofficial reports we've heard, everything is right on schedule for Bovina's new Eastview Addition. The promoters have their business in good shape and are patiently waiting for the installation of utilities and this is being taken care of as quickly as possible. (There's a news story in this week's issue which has some straight information.)

Last week when we were promoting attendance of the chamber banquet in this space, we didn't, believe us, have any selfish motives. Just leave our part out of it for what we have to say now.

It was another great banquet. The crowd was adequate, the ribeye steaks were every bit as good as we had remembered, the serving was quick and quiet, the speaker, Jim Gillie, was highly entertaining and made some great points, the decorations were as good as we've ever seen, the organ music was beautiful and the price of a ticket was exceptionally low for what you received for it.

While everyone doesn't always agree with the things the federal government does and the way it does them, surely there can be no complaining this year about the news releases which are being mailed out in regard to the forthcoming census of population and housing.

If the census people proper do their job as well as the census publicity people, it will be in good hands. And if the public is uninformed about the census, which is scheduled to begin next month, it will be the fault of that same public and the news media which is responsible for informing it. The census folks are certainly making the info available

We enjoyed an interesting get-acquainted session early this week with Cecil Bunch, the new Church of Christ minister. Bunch lived here for some three years in the late '40's and is acquainted with a lot of old-timers.

One of the interesting things about Bunch is his calling card, which is some three inches wide and seven or eight inches deep. Printed on the card is the following conversation which is titled "When Fishermen Meet":
Hiyac.
Lobuddy.
Binearlong?
Cuplours.
Ketchanenny?
Goddafew.
Kindarthay?
Bassencrap.
Enysizetoum?
Cuplapowns.
Hittinard?
Sordalite.
Wahchoozin?

RECEIVES AWARDS --- Mrs. Doris Wilson, Bovina music teacher, and Dolph Moten, editor and publisher of The Bovina Blade, were presented awards as Woman and Man of the Year at the 10th annual Bovina Chamber of Commerce and Agriculture banquet Thursday night. Announcements were made by the 1969 award recipients, Mrs. Jesse Walling and Wayne Spears.

Mrs. Wilson, Moten Get Citizen Awards

Mrs. Doris Wilson and Dolph Moten were recognized as outstanding citizens in Bovina Thursday night at the annual Chamber of Commerce and Agriculture banquet held in Bovina Schools cafeteria. Mrs. Wilson is a private music teacher. Moten is publisher and editor of The Bovina Blade.

The "Woman of the Year" was announced by Mrs. Jesse Walling, the 1969 recipient, who said the 1970 choice was a woman who had given more than 40 years in Bovina to the young people, as well as others.

Mrs. Wilson, born in Indian Territory, Okla., is a piano and voice teacher here. She has taught music to more than 500 youngsters during the past 40 years and has traveled many miles to accompany them while her students entertained in surrounding towns.

She has participated in numerous activities in and around Bovina, and has served as Sunday School teacher and organist at Bovina United Methodist Church.

In addition to the plaque, Mrs. Wilson received a dozen long-stemmed red roses.

The "Man of the Year" was chosen, said Wayne Spears, because of his interest in many Bovina projects, such as the baseball program and FFA livestock shows. He is a past president of the Chamber of Commerce and Lions Club and a member of Bovina Roping Club.

Moten has a motto, Spears said. "If you want something done, do it yourself."

He was an active supporter of lighting the baseball field, helped start Bull Town Days, and worked hard to get a paving program here.

Moten came to Bovina in 1955 and began the Bovina Blade. He is a 1955 graduate of Texas A&M.

The plaques presented the honorees this year were made by industrial arts teacher in Bovina schools, Gilbert Hough.

Classes Out For Easter

Easter holidays begin at 2:30 p.m. today (Wednesday) when classes are dismissed at Bovina Schools.

Students and teachers will be away from school until the regular time Tuesday morning.

This is the last scheduled holiday before the end of the school year in May.

Hunt Sunday --

Easter Bunny Slates Visit

It's that time again. The Easter Bunny is expected to arrive in Bovina before dawn Sunday and leave eggs for the annual Easter Egg Hunt. The event will be held at 2 p.m. Sunday at Ridgelea Elementary School, according to Wayne Spears, president of Bovina Lions Club, which is sponsoring the hunt.

Bob Fillpot and Lewis McDaniel are in charge of the hunt, which will feature prize eggs.

About 150 pounds of eggs are expected to be left here by the Bunny.

The hunt will be held for various age groups, Spears said.

A large crowd of youngsters is expected to attend the hunt, which has become an annual tradition in Bovina.

Hear Jim Gillie --

225 Attend Tenth Annual Banquet Here

"The Bovina area is a great place to live and grow," said Jim Gillie at the 10th annual Chamber of Commerce and Agriculture banquet Thursday night. "It has a good location, a strong economy--but mainly because its people have a 'can do' attitude."

The speaker also kept more than 225 people rolling with laughter with his humor. The assistant manager of advertising and public relations of Phillips Petroleum Company in Bartlesville, Okla. was introduced by master of ceremonies Neal Mager, president of the Bovina organization.

Mrs. Doris Wilson and Dolph Moten were awarded plaques as "Woman of the Year" and "Man of the Year" by last year's honorees, Mrs. Jesse Walling and Wayne Spears.

Theme of the banquet this year was "Progress of the 60's" with emphasis on goals of the '70s. An early day train depicted the work completed here in the past 10 years. Each boxcar held the picture of a mark of progress, including everything from new churches to new businesses. Various projects of civic organizations in Bovina were included, such as the bull statue and Bull Town Days, Little League baseball park, Bovina Medical Center, pheasant season. Construction also found its place in the theme, new bank building, post office, fire station, and schools. Industrial expansion included grain ele-

vators, feed lots, and sugar beets, and crop dusting.

A depot held a time schedule for the '70's with several possible projects for the next 10 years.

Gillie told the crowd that as one travels over this nation, several things are obvious.

First, people in Bovina should be thankful they have stayed here and improved their own area. Secondly, everyone has problems. Third, a depressing attitude is found across the nation, but especially on both coasts.

"How are we going to defeat

our problems with attitudes of defeatism and negativism," Gillie asked. "People go out of their way to complain before it happens."

Some are against something no matter what, he continued. Work together for a better area, look over your own attitudes, and be for something, Gillie admonished.

"Someone has to stand up and say we can lick that problem," according to the speaker, "and have a positive, affirmative faith in what we are doing."

To illustrate his point that "it is better to light a candle than to curse the darkness" Gillie used an ever-burning candle. As he spoke, he blew the candle out, but it always began burning again.

Gillie said this area has a "can do" attitude. A pessimist holds up a doughnut and sees the hole, he continued, while an optimist sees the doughnut.

"Don't be a defeatist," he concluded. "Don't be a wet blanket."

The speaker was furnished courtesy of Phillips Petroleum Co.

Rev. Ken Moore, pastor of First Baptist Church, gave the invocation. Rev. Charles McCause, pastor of Bovina Pentecostal Holiness Church, gave the benediction.

Rex Talley, high school student from Friona, furnished dinner music at the organ for the occasion.

Mager introduced officers and new directors of Bovina Chamber of Commerce and Agriculture and expressed appreciation to all who served on committees for the event.

Out of town guests were introduced by Bob Fillpot, manager. Guests attended from Farwell, Friona, Clovis, Hereford, Amarillo and Denver, Colo.

Serving the meal were members of Bovina FHA chapter. Decorating the tables for the event were objects depicting the area. The head table held a corral, a bull and a Mustang, while others adorned the other tables, along with farm implements and an array of vegetables.

Services Monday --

James Fuller Wreck Victim

Funeral services for James Frank Fuller were held Monday afternoon in Clovis with burial following in that city.

A former resident of Bovina, Fuller, 28, was found dead Friday afternoon near the wreckage of his small foreign automobile in a dry creek bed between Canyon and Amarillo near FM 1541.

He apparently lost control of his car on a curve as he was going into a crossing, according to officers. The vehicle turned over about four times, coming to rest in the creek bed. Fuller was thrown from the car, officers said. He was pronounced dead at the scene.

Fuller formerly operated Fuller and Sons Slaughtering Co. here. He moved to Canyon four years ago and was a senior student at West Texas State University. Two weeks ago he began working at Markham Veterinary Clinic.

Born Aug. 16, 1941 in Fort Worth, Fuller was graduated from Clovis High School and married the former Miss Jackie Davies of Bovina. They became parents of their third child March 9.

Survivors include his wife; three sons, Shan Frank, Tony and Monte, all of Canyon; and his mother, Mrs. Frank Fuller of Clovis.

Services Set --

Churches Plan Easter Week

Special services are planned during Easter week for at least two churches in Bovina.

United Methodist Church in Bovina and Oklahoma Lane will hold two services jointly Thursday and Friday.

At 7:30 p.m. Thursday, congregations of the two churches will meet at Oklahoma Lane for Maundy Thursday communion service.

At 7:30 p.m. Friday, a Good Friday service will be held in Bovina. The story of Holy Week will be recounted, special numbers presented by the choir, and slides of Easter events shown.

Easter services will be held in the respective churches Sunday morning.

St. Ann's and St. Teresa's Catholic Churches in Bovina and Friona have planned several services.

Holy Thursday will be observed at an 8 p.m. Mass in

Friona. Good Friday Mass will be held at 3 p.m. in Bovina. An Easter vigil is planned at 8 p.m. Saturday in Friona. Mass will be at 9 a.m. in Bovina on Easter Sunday and at 10:30 a.m. in Friona.

Ready To Move --

Houses Await Utilities Here

Twenty-six houses are ready to be moved to Bovina, according to Ray Ault and Bob Candoe of Amarillo who are in charge of that part of the operation, as soon as utilities are taken to the sites in Bovina.

The houses are scheduled to be moved to a plot of land south of Dimmitt Highway between First and Third Streets, purchased recently from Clyde Blalock.

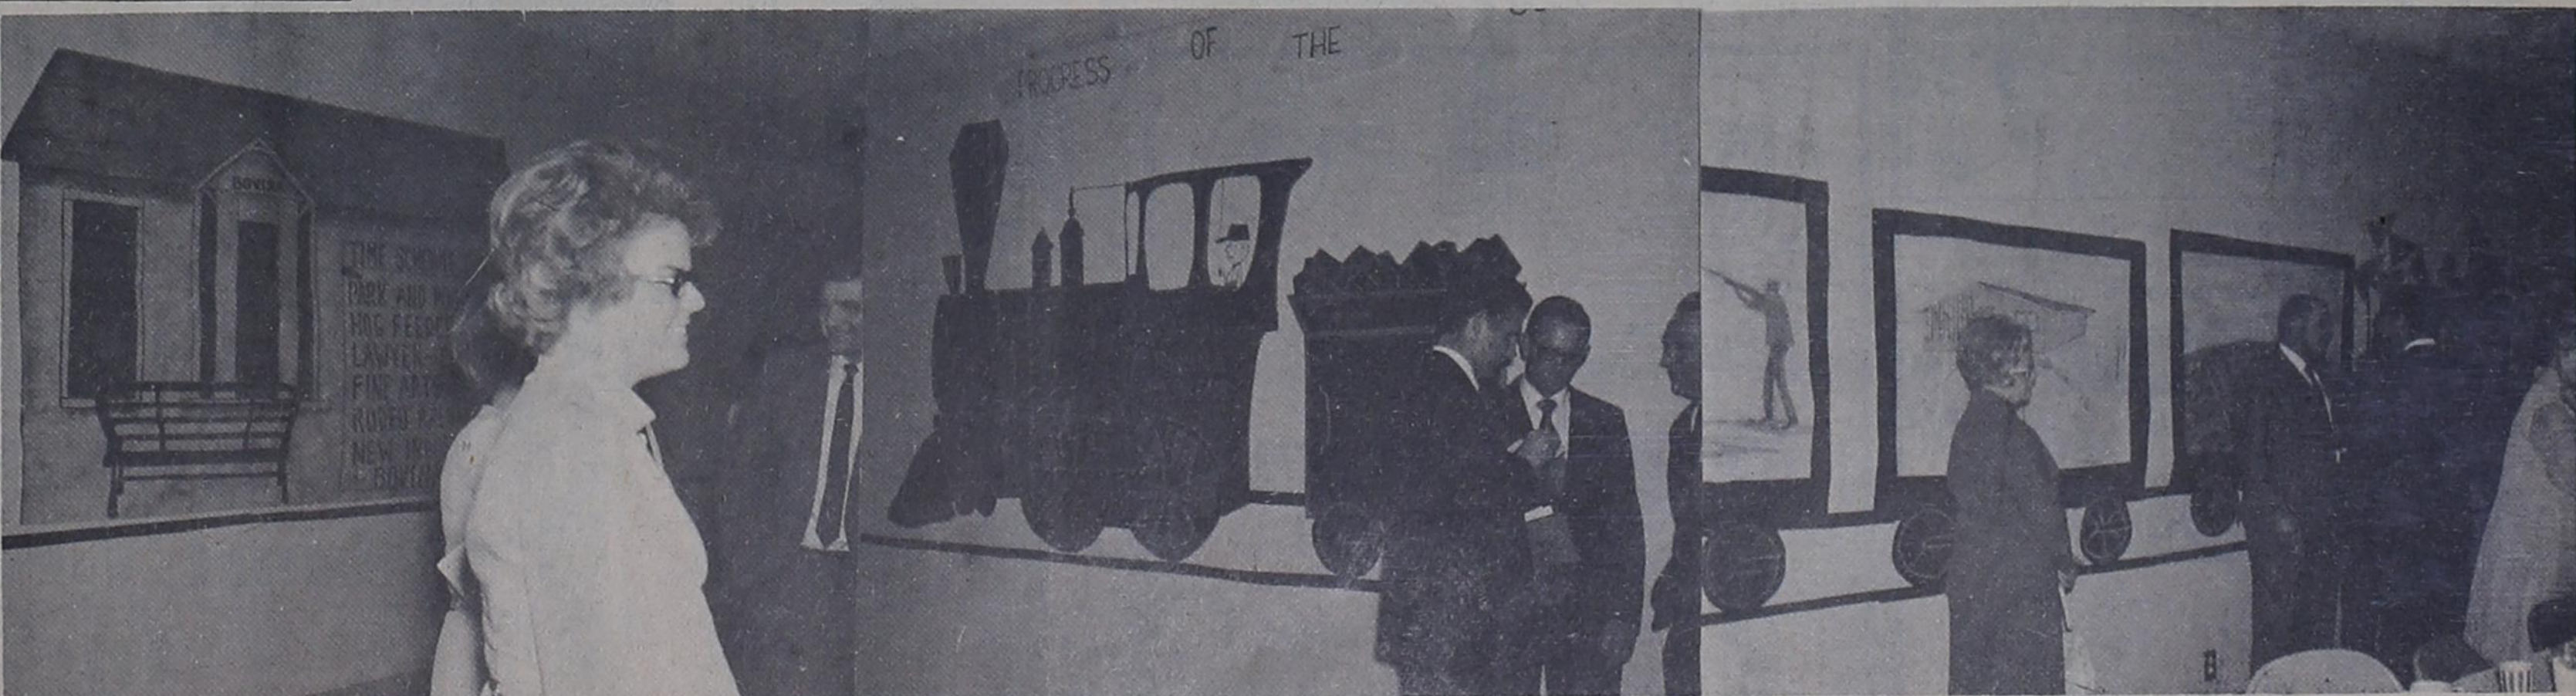

When moving begins, two or three a week are expected to be transported here, the men said, but this will depend on weather conditions.

The 26 houses have been sold to people moving here from Brownsville, slated to undergo training and employment at Missouri Beef Packers.

In addition, Adult and Candoe said they will build a model home, three bedroom, two-bath with garage and of brick construction. Upon completion, at the site of the houses being moved in, the newly-built home will be for sale. Others in the \$12,000 to \$13,000 class will be built, the men say, and financed through Farmers Home Administration.

Weather by Willie

Boy, is this Summer nice? Cooler weather on the way with a chance for rain.
---Willie

ON TIME --- The Bovina Express with its load of "Progress of the 60's" pulled into the station and its "Time Schedule of the 70's" Thursday night at the 10th annual banquet of Bovina Chamber of Commerce and Agriculture. About

225 people heard Jim Gillie's speech titled "There's No Market For Wet Blankets" after a dinner of charcoal-broiled rib-eye steaks. Master of ceremonies for the occasion was Neal Mager.

Reflections
From
The Blade

TEN YEARS AGO
March 23, 1960
During the past nine years, Bovina has been one of the fastest growing towns in Texas. Confirmation of this locally suspected fact was made recently by Texas Municipal League, an organization for cities in the state. It is headquartered in Austin. Vegetable growers have not signed up enough acres for this year to justify building a shed but Otto Ables, who is promoting the program expects to reach the 400-acre quota this week. Town and Country Club will sponsor a "Spring Fantasy" style show March 29 in Bovina School auditorium at 8 p.m. Bovina's independent basketball aggregation, the Stallions, compiled a 14-7 record in the season recently completed. Bovina's entry into one-act play competition will be presented for district contest at Happy Friday night, after previewing in school auditorium Tuesday night. Bovina Lion's Club minstrel show has been set for Friday night, April 8 in school auditorium. Among the projects discussed by members of Bovina Home Demonstration Club at their Friday meeting was the possibility of sponsoring a drivers instruction class for teenagers in Bovina Schools. Club president presided over the meeting in the home of Mrs. Howard Looney. Minister and Mrs. Alfred White entertained approximately 65 members of Bovina Church of Christ Sunday evening after church in the pastor's new home. First shipment of quail has been ordered by Parmer County Game Management Association and members are busily preparing cover and shelter for the birds when they arrive, according to Al Kerby.

SIX YEARS AGO
March 25, 1964
Bovina's outstanding citizens of 1963 were Mrs. W. E. Williams and Bedford Caldwell. They were honored at fourth annual banquet of Bovina Chamber of Commerce and Agriculture Thursday night in school cafeteria. An overflow crowd of 270 attended the banquet, including 50 out-of-towners. Mrs. John F. Kennedy this week acknowledge a letter of sympathy from Sheryl Lane, 10-year-old fifth grade student here. The letter was written following the assassination of the president in Dallas Nov. 22. Linda Estes, a stellar guard for the Bovina Fillies, has been named to the all-district 4-B basketball team. Bovina Mustang thinclads finished seventh in a field of 16 Class A and B track teams in an invitational meet at Hale Center Saturday. Four candidates were initiated into Order of Rainbow for Girls last Monday evening at Masonic Lodge Hall. Those initiated were Denise Clements, Nancy Mitchell, Pat Reeves and Doris Corn. Mrs. J. B. Barrett entertained Roundtable Reading Group of First Baptist Church with a coffee in her home Thursday morning. "Retirement" will be the topic of discussion at Bovina Woman's Study Club Thursday afternoon. Several students of Mrs. Margaret Caldwell were entered in the National Federation of Music Festival Saturday at Lubbock. Firemen entertained their wives with a dinner party Monday evening at El Cortez Restaurant.

NEW CROPS? --- Leslie McCain holds a basket of catfish delivered here Wednesday for area ponds. Arrangements for the fish were made by Willie Hester, right. They are expected to weigh about two pounds by September.

Plant Fish In Bovina Area Ponds

Catfish are being planted in about 15 area ponds as a result of 3200 fish being brought here last week from Post. Willie Hester made arrangements for the shipment from the Post area. They arrived here Wednesday afternoon and were distributed to farmers for planting in ponds. The fish averaged from eight to 10 inches long, according to Billie Sudderth, and were obtained at 19 cents each. The fish should weigh about two pounds by September and be ready for eating. Hopes are that the fish will survive and multiply in this area for future fishing.

Mrs. Steelman's Brother Dies In Accident

Mark Vaughn, 15-year-old brother of Mrs. Dickie Steelman of Bovina, was the victim of a tractor accident Monday afternoon at his home in Oklahoma. Although complete details are not known, reports say the accident occurred when the tractor fell on him in a ravine.

SAUCY BARBECUE
A WELL-SAUCEED barbecue is the only kind to have, according to Maude Frickert (comedian Jonathan Winters). Maude's interpretation of "well-sauceed" may differ from yours, but her barbecue sauce recipe imparts a zesty tang to grilled meats and fowl that cannot be mistaken.

MAUDE FRICKERT'S FAVORITE BARBECUE SAUCE

1 (8 oz.) can Hunt's Tomato Sauce
1/2 cup A.I. Sauce
1/3 cup Wesson Oil
1/3 cup firmly packed brown sugar
2 tbsp. vinegar

Combine all ingredients; mix well. Refrigerate until needed. Makes 2 cups. Good basic barbecue sauce for anything grilled.

FIRE --- Hay was destroyed and two trailers damaged by fire Wednesday of last week at the farm home of Mr. and Mrs. James Clayton, west of town. Firemen were able to remove the hay from the trailer on which it was loaded before the latter was completely destroyed. Another nearby trailer was also damaged at the farm west of Bovina.

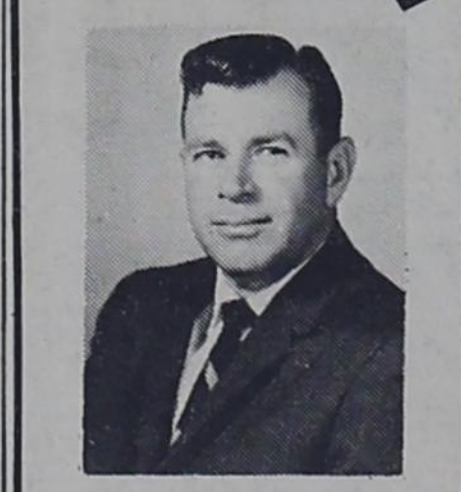

Letters To The Editor

Dedicated to the so-called "Peach Marchers" in regard to the war in Vietnam.
Living & Dying
Take a man, then put him alone
Put him 12,000 miles from home
Empty his heart of all its blood
Make him sweat and live in the mud
This is the life we have to live
And why my soul to the Devil
I'll give
You "peace boys" from your easy chair
Don't really know what it's like over here
You have your ball without really trying
While over here the boys are dying
You burn your draft cards, march at dawn
Plant your flags on the White House lawn
All you want is to ban the bomb
"There is no war in Vietnam"
You use your drugs and have your fun
Then you refuse to take a gun
There's nothing else for you to do
And I'm supposed to die for you?
I'll hate you till the day I die
You made me hear my buddy cry
I saw his arm a bloody spread
I heard them say, This one is dead
It's a large price he had to pay
Not to live for another day
He had the guts to fight and die
He paid the price, What did he buy?
Vietnam

GRADUATION 'ROUND THE WORLD

If you're among the one of three Americans who will attend a graduation this year, you might be interested in knowing that while you are applauding your favorite senior, a Bantu tribesman is painting his! Wondering how that four-cornered hat, called a *quadrium*, got its shape? One down-to-earth explanation is that it protected its wearers from the rain—a boon to English graduates who often attended their commencements under lowering skies. As diverse as graduation dress and ceremonies are around the world, they all have one thing in common: the graduate receives gifts. Here in the States, one traditional gift is money. The fastest way to speed this gift to the lucky graduate is still to wire it by telegraphic money order from any Western Union office. And now there's a new way, a Western Union Express Money Order for safe convenient movement of gifts of money by mail or hand delivery. Wiring flowers or your congratulations adds a *cum laude* to any gift. Which makes you realize that there's one other thing graduates 'round the world have in common—and that's gratitude to the gift-giver.

Donald Jones Earns M.S. Degree In Virginia

Donald Wayne Jones, formerly of Bovina, completed the requirements for a master of science degree in plant pathology and physiology at Virginia Tech at the end of the 1969-70 winter quarter.

DONALD WAYNE JONES

His research on "Some Effects of Dimethyl Sulfoxide (DMSO) on Absorption, Translocation, and Membrane Permeability in Plants" concerned the ways that DMSO affected the action of weed-killers in corn and soybean leaves and beet roots.

Jones will receive his M.S. degree in June at graduation exercises in Lane Stadium on the campus. He has already begun work towards a Ph.D. degree from Tech.

Jones was graduated from Bovina High School in 1959 and received his bachelor of science degree in agriculture with a minor in business in 1966 from West Texas State University.

He is the son of Mr. and Mrs. O. H. Jones of Bovina and is married to the former Judy Billingsley of Farwell. The couple has one son, Corey JuDon.

If you're not a bass fisherman you soon will be after reading Grits Gresham's excellent book on that subject. He will whet your appetite to try it, then tell you how to do it. Grits is an outdoor writer and photographer of national prominence. He's a Louisianan who has fished the country over. You've seen his stories and pictures in numerous sports magazines and many, many times in *Outdoor Life*. Grits is not only an ace photographer but he's also tops as an angler. So if you want a short-course in how to do it and what to do it with, from one who really knows, get a copy of the "Complete Book of Bass Fishing." Truly a "complete book"—it deals with not only the fabulous black bass but also the ever popular whites and the Kentucky spotted bass. Complete it is... with pix of the numerous bass catching lures and how-to-work-them instructions. It's more than 250 pages tell how to "read the water," locate these elusive critters and take them from the lakes, rivers, ponds and streams... day or night. You'll be thinking like a fish when you finish Grits Gresham's most interesting and informative book on bass fishing. Saw Grits at the National Sports Show in Houston and he happily reported that the bookstores are already sold out. But he hastened to add that he has copies at his home. So, if you're interested—and man you should be—if you don't already have a copy—write Grits Gresham at 942 Williams Avenue, Natchitoches, La. 71457. Include a check for \$5.95 and if he's not out fishing somewhere, or taking some of those superb photos, you'll get a copy of his masterpiece by return mail. And, you'll thank us for suggesting it, for this informative compilation of valuable tips and illustrations is something you'll read and reread time and time again.

City, School --

Absentee Vote Ends Tuesday

Absentee voting ends Tuesday, March 31, in both city and school district elections, according to officials from both.

None had voted absentee Monday in city election and three had cast absentee ballots for trustees in the school district. Polls will be open for both elections Saturday, April 4.

In the city race, two are seeking election as mayor of Bovina, T. C. Wiseman and Charles Flynn, Bedford Caldwell, present mayor, recently withdrew his name from the ballot.

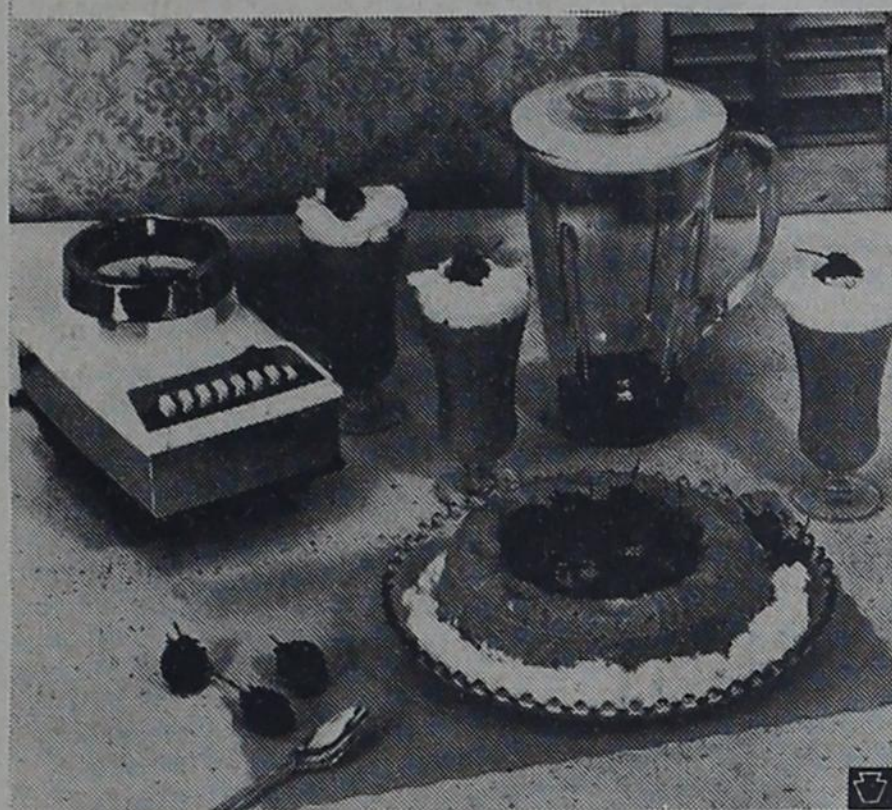

Three councilmen will be elected. Seven are on the ballot.

B. L. Marshall, John Horn, Robert Calaway, Dolph Moten, Leonard L. Haney, Jerry Wright and Roy Allen.

Two trustees will be elected for Bovina Independent School District. Seven are also on the ballot for those two positions, Jimmie Cockerham, Jimmie Clements, Mrs. Ann Corn, Mrs. Jane Hughes, Edwin Lide, Robert Read and Tommy Williams.

Absentee ballots for city election may be obtained at city hall and for school election at the tax office in Ridgelea Elementary School.

Summertime And Strawberries

Summertime and strawberries seem to go together, especially in a refreshing and easily prepared dessert.

Are you looking for a light and refreshing dessert to serve on a warm summer evening? You'll enjoy this strawberry flavored Bavarian cream dessert. And it is so easy to prepare with the help of a blender.

A modern blender will help cut food preparation to only seconds and let you enjoy more leisure time. The Sunbeam blender pictured above for example, offers you eight speeds, pushbutton operation, with Solid State speed control and five-cup heat-resistant glass container. It is available in Avocado, Harvest Gold or White and generally sells for less than \$32.

STRAWBERRY BAVARIAN CREAM

- 1 16-ounce package frozen strawberries, defrosted and drained
- 1/4 cup sugar
- 2 egg yolks
- 1/2 cup cold milk
- 2 envelopes unflavored gelatin
- Red food coloring
- 1/2 cup juice drained from defrosted berries, heated to boiling
- 1 cup heavy cream
- 1 cup cracked ice

Pour cold milk into Sunbeam blender container, add gelatin and hot juice. Cover and process at STIR for about 1 minute. When gelatin is dissolved, add sugar, strawberries, egg yolks and food coloring if desired and process on LIQUEFY until strawberries are liquefied. Add the cream and cracked ice and continue processing until ice is liquefied. Pour at once into serving dishes. Let set 5 to 10 minutes before serving.

Yield: 6 to 8 servings.

A "THOREAU-GOING" ADVENTURE

The rugged wilderness has always challenged the seasoned outdoorsman, but when a spirited thirteen-year-old boy sets out to re-enact the life of his idol, Henry Thoreau, a new dimension is added. (100 years ago, Mr. Thoreau abandoned his comforts to live in the woods learning "what nature had to teach".)

And now, splashing across the screen as a modern footnote to the age-old story of man against nature, *My Side of the Mountain*, just released by Paramount Pictures, traces the triumphs and defeats of a small

But the film's impact is not just emotional. It is a visual story, aimed at stimulating a child's imagination in a creative way. The film's award-winning producer, Robert B. Radnitz says, "There's no reason why the children's film cannot be as artistically handled as that of adults."

Radnitz has twice won the coveted Venice Film Festival's "Gold Lion", and the story taken from a novel of the same name of Jean George has been accoladed with the Hans Christian Anderson International Award among others.

Though young Teddy Eccles won his part as Sam by chance when one day he walked into Radnitz's office to ask for directions, his co-star Theodore Bikel was pegged and captured for the lovable role of Bando, the wandering folksinger who befriends the young adventurer.

During their companionship in the film—peppered with snatches of songs—Bando and Sam trade nature lore such as how to make clay pots and syrup from the bark of a birch tree. But the film's real beauty is evoked by following the boy's awakening to the character of nature and his responsibilities as he approaches manhood.

My Side of the Mountain combines the magnificent scenic wilderness of Canada with a skillfully woven story and is an exceptional film which should be a real source of enjoyment for the entire family.

Reviving an ancient sport, Sam trains a falcon to hunt for him. boy defying nature in a tender and heartwarming new film for the whole family.

MRS. MAC GLASSCOCK

Mrs. Mac Glasscock is "sold" on Bovina. That's partially because she grew up here, married a hometown boy, and is raising her own two sons in this West Texas town.

Elaïne was born in Amarillo. When she was two and one-half years of age, she was adopted by Mr. and Mrs. Troy Fuller. The family lived on the corner of the Dimmitt and Oklahoma Lane highways until building a new home on the Dimmitt road when Elaïne was a high school freshman.

Graduating from Bovina High School in 1964, where she was an outstanding student, she became Mrs. Mac Glasscock the following year.

Their two children are Terry, three, and Todd, one. Before their arrival, Mrs. Glasscock operated Bovina Variety Store for about a year.

Her husband was born in Greenville. He moved to Bovina with his parents, Mr. and Mrs. A. L. Glasscock, when Mac was in the fifth grade. He graduated from Bovina High School, but not before making a mark in football history here. In 1962 he was named to the Avalanche-Journal All-South Plains Football team, as well as to the High Plains Superteam. He now farms west and south of Bovina.

Mrs. Glasscock serves as pianist at the First Baptist Church. She was a piano student of Mrs. Doris Wilson's for 11 years. In addition, she serves as Sunday School superintendent for the Adult I department, and also finds time to be an active member of Bovina Woman's Study Club.

Her hobbies are varied, but music is at the top of the list. She also enjoys sewing, working on hair, and antiquing. Her biggest project was her piano, which she refinished in green. Following are some of her favorite recipes.

Orange Rolls
1 recipe basic sweet dough (which follows)
1 c. sugar
1/4 c. grated orange rind
1/4 c. (1/2 stick) margarine, melted

Prepare dough. When ready to shape, combine sugar, grated orange rind. Divide dough in half. Roll out each half to an 18 by nine inch rectangle. Brush with melted margarine. Sprinkle with sugar mixture. Roll up from long sides. Cut into 1 1/2 inch slices and place into two greased nine-inch cake pans. Cover, let rise in warm place, free from draft until doubled in bulk, about one hour. Bake in moderate oven (375 degrees) about 25 minutes. Remove from pans and frost immediately with orange icing.

Orange Icing
2 c. sifted confectioners sugar
3 T. orange juice
Combine sugar and orange juice to make a thin icing. Drizzle over rolls while warm.

Basic Sweet Dough
1/2 c. milk
1/2 c. sugar
1 1/2 t. salt
1/4 c. (half stick) margarine
1/2 c. warm water (105 to 115 degrees)
2 pkg. or cake yeast, active dry or compressed
2 eggs, beaten
4 1/2 c. unsifted flour (about)

Scald milk. Stir in sugar, salt and margarine. Cool to lukewarm. Measure warm water into large warm bowl. Sprinkle or crumble in yeast. Stir until dissolved. Stir in lukewarm milk mixture, beaten eggs and half of flour; beat until smooth. Stir in remaining flour to make a slightly stiff dough. Turn dough out on lightly floured board. Knead until smooth and elastic, about eight minutes. Place dough in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft until doubled in bulk, about one hour.

Punch down; turn out on lightly floured board and shape as desired.

Pork Chop Dinner
4 pork chops
6 onion rings
6 bell pepper rings
1 c. rice
1 No. 303 can tomatoes
1 t. salt
1/4 t. pepper
1/8 t. sweet basil (optional)
1/8 t. oregano
1/2 c. water

Dredge chops in flour; brown in heavy skillet. Arrange onion and pepper rings on each chop. Sprinkle rice over chops. Add tomatoes, seasoning and enough water to cover rice. Cover tightly; simmer over low heat 45 minutes. Add water if necessary. Yield: 4 servings.

Gold Nugget Orange Pie
Bake nine-inch pie shell, 1 (11oz.) can mandarin oranges, drained
1 T. lemon juice
1 env. unflavored gelatin
1/4 c. cold water
4 eggs, separated
3/4 c. sugar
1/8 t. salt
1/2 c. heavy cream, whipped
1/4 c. flaked coconut

To syrup from drained mandarins add enough water to make one cup. Soften gelatin in 1/4 c. cold water. Beat egg yolks until light and fluffy; stir in sugar, salt and orange syrup mixture. Cook until thickened, stirring constantly. Add softened gelatin and stir until it is dissolved. Cool.

Reserve several mandarin segments (at least six) for garnishing. Cut remaining segments in small pieces and fold gently into custard mixture. Beat egg whites until they form soft peaks; fold into fruit.

Of Interest To THE WOMEN

Marriage Vows Read For Stowers, Melton

Miss Janet Melton of Friona and Jimmy Don Stowers of Bovina exchanged marriage vows Friday evening, March 13, in the home of Mrs. J. C. Stowers.

Mickey Patterson, minister of a Portales Church of Christ,

read the double ring ceremony. The bride is the daughter of Mr. and Mrs. J. E. Melton of Friona. The bridegroom is the son of Mrs. J. C. Stowers and the late Jesse C. Stowers. They will make their home in Bovina.

MR. AND MRS. JIMMY DON STOWERS

Alter Society Meeting Held In New Friona Hall

St. Ann's - St. Teresa's Alter Society met last week at the new St. Teresa's hall in Friona for the first time.

Attending were 18 members and Rev. Norman Boyd.

The Plainview Deane spring meeting was discussed and volunteers asked by the president, Mrs. Jerry Eakins, to attend as delegates. Those volunteering are Mrs. Gene Schacker, Mrs. Joe Schilling, Mrs. James Ball and Mrs. Eakins. The meeting will be held at St. Mary's in Umbarger April 15.

Mrs. Larry Jesko and Mrs. Leroy Kitten will offer the bread and wine on April 19 at St. Ann's Church. Mrs. Lucy Jesko and Mrs. Sylvia Roth will offer it in St. Teresa's in Friona.

Girl Born To Carrillos

Mr. and Mrs. Ramuel Carrillo of Bovina are parents of a daughter born at 9:25 a.m. March 21 in Parmer County Community Hospital.

She weighed nine pounds, and has been named Socorro.

The father works at an area grain elevator. The child is a healthy, alert baby. She is being nursed by her mother. She will be discharged from the hospital on March 23.

Pineapple Torte
1 1/2 c. powdered sugar
1/2 c. oleo
Cream together. Add 2 well beaten eggs. Place in pan lined with vanilla wafer crumbs. Add one t. vanilla. Add one small can pineapple. Spread over top. Top with 1 c. whipped cream with 1/2 c. nuts. Sprinkle lightly with vanilla wafer crumbs.

Marriage Licenses

Two marriage licenses were issued from the office of Parmer County Clerk Bonnie Warren March 20. The permits to wed went to James Noel Schlenker and Donna Gayle Carter; and to David Lynn Jones and Nancy Kay Pendergraft.

Music Topic Of Program

Enthusiasm for Music will be the topic of the program at Bovina Woman's Study Club Thursday afternoon.

Mrs. Jimmie Clements will present "Work and Therapy" and Mrs. Mac Glasscock "History of Music."

Songs will be presented by Mrs. Lowell Boozer.

Hostesses for the meeting are Mrs. Tom Ware and Mrs. Earl Whitten.

Dance Set Here Friday

A teenage dance will be Friday from 9 p.m. until midnight at the American Legion Hall.

The Pacers of Amarillo will furnish the music. Admission is \$1.50 each.

Scoopin' -----

By Pat Jacobs

See where the women are at it --- full blast --- about how mistreated we are.

Wonder what grandma would have to say about that? It's sure she'd cry bitter tears of sympathy about the hard life of the contemporary woman.

Someone said the reason the mailmen went on strike was they figured it'd be the last chance for the American male to have his say.

This is Easter week. In spite of the gloom on the scene today --- Easter says something to us all. Through all the despair --- shines a ray of Light. That Light has survived many eras of hopelessness. It can, and will, again.

With arrival of spring (precarious, though it may be) arrives a few other things --- like fishing fever, wasps, golf fever, snakes, planting fever, ants, etc., etc.

Twice a year, residents of the Plains welcome a change of season. One is in the fall, when the hot, energy-consuming days fade into pleasant coolness. The other is in the spring, when life renews itself, and a long heave of relief is taken that the cold is over (maybe).

Have you noticed? We may have had a cold March, but we got by without wind for the second year in a row. That means we can expect April to make up for lost time.

Cecil Bunch stopped by this desk, too, the other day. Seems he knows a minister who went into the Arkansas hills to do a little work. He met the first native and asked, "Have you been saved?"

"Course not," was the answer. "I've never been lost. Was born and raised right here."

"You don't understand," continued the preacher. "Are you a Christian?"

"Nope," was the reply. "The Christians live down the road a couple miles."

"That's not what I mean," the minister continued to explain. "Are you ready for the Judgment Day?"

"Don't know," said the Arkansas native. "When's it going to be?"

"Well, no knows, it could be tomorrow or the next day."

"For goodness sakes," said the native. "Don't tell my wife. She'll wanta go both days."

SEWING CLASS --- Through Community Action Program sewing classes are held twice weekly for a large number of women at St. Ann's Parish Hall. About 11 others are serving as instructors. Mrs. Henry Garza is stitching a skirt, while Mrs. Fidel Morales fits a new pair of slacks to her daughter, Rosalinda.

Name 4-H Club Winners In Food Show

Carrie Haseloff and Deborah Harding, were named senior winners in the Parmer County 4-H Food Show March 21. Junior winners were Susan Mimms and Lee Ann Williams. These four girls will be eligible to compete at the District Food Show April 11 in Amarillo, according to Janice Miller, County Home Demonstration Agent.

Deborah also received the honor of being named high point girl of the show. Junior alternates named were Terri Boling and Jacquelyn Langford. A total of 19 girls from four 4-H clubs entered the contest.

Red ribbon winners named were Deborah Mills, Arlene Magness, and Audrey Magness, Bovina; Carrie Haseloff and Sonia Kube, Oklahoma Lane; Claire McFarland, Patty Mar-

tin and Jamye Berry, Farwell; Reta Davis, Lazbuddie. Girls receiving blue ribbons were Jacquelyn Langford, Penny Norton, Terri Boling, Deborah Harding and Lee Ann Williams, Farwell; Karen Mimms, Lee Ann Farley and Susan Mimms, Lazbuddie; Sue Monk, Bovina; Linda Gohlke, Oklahoma Lane.

Girl Born To Eubanks

Mr. and Mrs. Max Eubanks of Route 1, Farwell are parents of a daughter born at 3:50 a.m. Wednesday in West Plains Hospital, Muleshoe.

She weighed six pounds, 11 ounces and has been named Cassandra Laydelle.

Grandparents are Mr. and Mrs. D. W. Pierson of Bovina and Mr. and Mrs. J. T. Eubanks of Lazbuddie.

Robert Dendy, two-month-old son of Mr. and Mrs. Larry Dendy, was released Monday from Cannon Air Force Base Hospital, where he has been a patient two weeks. He is reported to be recovering from what doctors believed to be whooping cough.

Food items were prepared in four divisions: Cereal and Bread, Fruit and Vegetables, Meats, and Milk and Milk Products.

Couples Home From Spain

Mr. and Mrs. Tom Bonds and Mr. and Mrs. A. M. Wilson returned home early Thursday morning from a week's trip to Spain.

The two couples left with a group from this area for the flight to and from that country.

While in Spain, they visited famous landmarks, including cathedrals and art museums.

"I declare, it's amazing! From one Easter to another you don't change a BIT!"

Behold the Lamb of God, which taketh away the sin of the world. --John 1:29

From the lives of the disciples, we learn many helpful lessons. From Andrew, for instance, we have an example of practical service. He was a follower of John the Baptist before Jesus began His ministry. Probably he was with the prophet the day Jesus was baptized. He heard the voice of the Baptist in the words of our text given above. He felt the power of the Holy Spirit, and his mind was made up. "We have found the Messiah," he said. He was ready to accept Christ and to be accepted as a disciple and live a life of service to the Lord.

Andrew was missionary in spirit. One day in Jerusalem, Phillip heard the request of the strangers from Greece-- "Sir, we would see Jesus." Phillip told Andrew, and in his enthusiasm for the Master, they went at once to tell Jesus. Today thousands are still following the example of Andrew. To the Christ they are bringing strangers; yes, and their brothers also. Let us ask ourselves, "Are we doing this?"

SPELLING CHAMPS --- Carolyn Gore of Friona will enter the Regional Spelling Bee in Amarillo after winning the Farmer County Bee here Tuesday morning. Left to right are Beverly Bailey, Friona, alternate; Miss Gore, the champion; Tami Haseloff of Farwell, winner of the junior division; and Mary Schilling of Friona, junior division alternate.

Welcome Committee --

Parish Forms Group

St. Ann's Parish Council formed a welcoming committee at its meeting March 19 to visit new families in the Bovina area. Rev. Norman Boyd, Brother

Larry Gorman, eight members and a guest, Ben Rejino, attended the meeting in the Parish Hall. Members of the council will

serve on the welcoming committee. It will be the responsibility of the council members to watch for any family moving within his surroundings, to visit them and welcome them to the community.

A decision was made to purchase 50 chairs for the hall because of the increase in Mass attendance.

Father Boyd asked members for their opinions on the need of a Spanish service in St. Ann's. He said something should be planned in the near future.

Week day Mass will be changed from 7 p.m. to 8 p.m. after Easter, Father Boyd said. He also suggested the idea for priests to change pulpits on Sundays once a month so people can get a different view of the Sunday sermon. This will be worked out later, he said.

Also attending the meeting were Leroy Kitten, Joe Schilling, Mr. and Mrs. Gene Brito, Lee Jesko, Mrs. Jerry Eakins, Mrs. Gil DeLeon, Leon Schilling, Mrs. Anthony Brito and Mr. and Mrs. Ben Rejino.

At Friona Meet --

Water, Weeds, Insects Topic

Farmers are always concerned with increasing the net profit from crops they grow. The amount of net profit received often depends on three cultural practices performed to produce a particular crop. These three practices that often affect profits are irrigation, weed control, and insect control.

A county-wide meeting has been set for April 2 to discuss these three topics, according to Ronny McNitt, Parmer County agricultural agent. The meeting will begin at 7:30 p.m. and will be held in Friona High School Cafeteria.

The subject of "Irrigation" will be discussed by Leon New, area irrigation specialist with Texas Agricultural Extension Service. Part of New's discussion will pertain to the results of a corn irrigation study con-

ducted in Parmer and Bailey counties in 1969.

Dr. Allen Wiese, a member of the research staff at the

USDA Research Center at Bushland, will discuss the control of weeds in grain sorghum, corn, cotton and other crops.

Says SCS --

Tailwater Pit Saves Water

Are you a farmer who is interested in s-t-r-e-t-c-h-i-n-g your irrigation water this summer? Then read this advice from the Soil Conservation Service:

Marion E. Clark, SCS Technician at Friona, says the best way to save irrigation "tailwater" is through the use of

a tailwater recovery system. Such a system saves farm irrigation water by collecting that water which runs off the surface of sloping fields and making it available for re-use on the farm.

According to the SCS, tailwater recovery systems are adapted for use and work best on land that is served by a surface irrigation system which has been properly designed and installed. Such a system makes it easier to save soil and water where there is excessive irrigation runoff.

"Tailwater recovery systems can be used in conjunction with either a graded furrow or graded border system," Clark advised.

Storage pipes should be well protected from erosion and damage from rainfall runoff. In addition, sediment traps should be installed where needed.

Some way must be provided

This meeting is being sponsored by Parmer County Crops Committee and Parmer County Extension Service.

All interested persons are encouraged and invited to attend this meeting.

At Home In Parmer County

By Janice Miller
County HD Agent

This past Saturday Parmer County 4-H members who are enrolled in Food and Nutrition

projects had their Food Show. It takes a lot of people to make a contest successful -- 4-H members, junior leaders, adult leaders and judges. Mrs. Mike Potts, Bovina homemaking teacher, and Mrs. Pete Jesko, who has worked as County Home

Demonstration Agent, took their time to judge the girls and their entries. This isn't an easy job and I want to "thank you" for taking time from your busy schedule, to spend an afternoon helping 4-H in Parmer County.

Easter 1970 is here. And if you have children young enough to enjoy hunting Easter eggs, here are some tips for you in getting ready for the hunt.

COOKING: Easter eggs will taste and look best if they are hard cooked instead of hard boiled. Cooking eggs at a lower temperature means more tender egg whites, less dark col-

oring around the yolk and less cracking of shells during cooking. Here's one way to hard cook eggs without boiling: cover eggs with cool water and bring to a boil in a heavy covered saucepan. Set pan off heat and let eggs set for about 20 minutes in hot water. If you must hurry the process simmer (but do not boil) for 10 minutes. Immerse cooked eggs immediately in cold water.

DYEING: Wipe shells thoroughly with a moist cloth, then allow to dry. Eggs that have limey shells will dye with tiny white spots.

Blow eggs out of shells or hard cook eggs before tinting. Eggs dye best when they are hot, and hot water dyes are fastest.

Prepare the dye according to the manufacturer's instructions. Immerse the eggs until they become the shade you want them. Let them dry and then you and the children can use your imagination in decorations.

For Yarborough --

Bullock Named County Head

Senator Ralph W. Yarborough today named Wyle M. Bullock of Lazbuddie as campaign manager in Parmer County.

"I am very pleased to have the endorsement and campaign leadership of such a leading Democrat as Wyle M. Bullock in the important area of the State," Senator Yarborough said.

Yarborough, Texas' Senior

Senator and Chairman of the influential Senate Labor and Public Welfare Committee, is seeking re-election to a third term as a candidate in the May 2 Democratic Primary.

Bullock is a farmer in the Lazbuddie Community, having resided there since 1948. He is presently the Democratic Precinct Chairman. His wife, Sidney Dell, is a former member of the State Democratic Executive Committee. Both have been active in past campaigns for Senator Yarborough.

Bullock has served as campaign manager in Parmer and Bailey counties in all of the Senator's campaigns since 1952.

Bullock said, "I am honored to be associated with this great Texas statesman, whose record of achievement for all of our people over the past 13 years merits the support of every thoughtful voter in Parmer and Bailey County. Senator Yarborough truly fights the peoples fight -- and he wins. We are confident we will do the same for him this year in Parmer County."

Tailwater recovery pit being completed on the Lester Norton farm four miles north of Farwell.

(Gemini, May 22-June 21)

The yellow chrysanthemum is the flower of those born under the sign Gemini, aquamarine their birthstone, and versatility their main characteristic.

Geminians love to experiment and explore, ask questions and make connections. Most likely they will be firmly planted in the communications field.

where they can gather facts then link them together.

Geminians love to travel, and don't be surprised if your Gemini friend sends you flowers from every spot he visits. As FTD florists are handy and can have flowers delivered anywhere in the country, a Gemini just can't resist.

With such varied interests, those under this sign must always be on guard against flightiness, disorganization and superficial examination of problems.

Step 2 **Agri-Sprayers, Inc.** has switched to **Asgrow PURE SINGLE CROSS grain sorghum**

Step 3 Ask him why

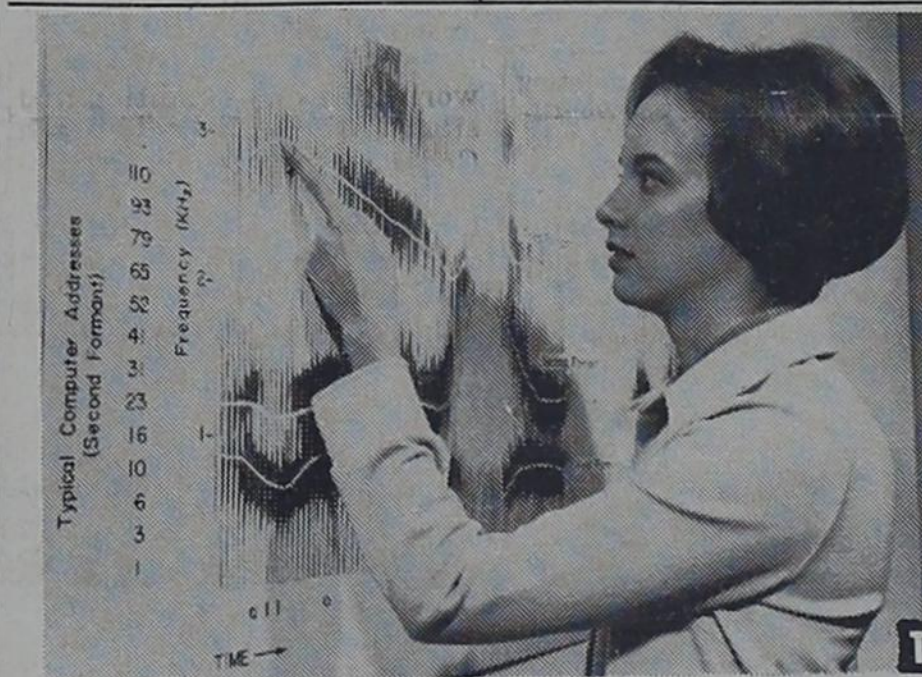

Bill Thornton

—he knows which Asgrow pure single cross is right for you.

Step 5 Pure single cross grain sorghums are available from Asgrow. Double TX is the one developed for growing conditions in this area. Double TX combines 5-ton yield capacity with seed purity that's been proven in the world's most critical market. Reserve this pure single cross now for minimum outcross problems: Supplies are limited.

Step 6 **asgrow** GIVE BILL A CALL 238-4311 801 Third Street Bovina

Distribute '70 Questionnaires

Questionnaires for the 1970 Census of Population and Housing will be distributed by the Post Office beginning March 28 to all households in this area, District Manager R. L. Butler announced today.

The highest recorded live birth rate is 62 lives per 1,000 of the Guinea population (Africans only, 1955 sample survey), and Mali (1960-61 sample survey). The lowest was 11.9 per 1,000 in West Berlin, 1963.

Wondering what to name the baby? You prefer not unusual names but more popular ones? The most common name in the world is Muhammad!

Pottery nurses with pottery nipples were given weaning babies of ancient Greece. They were used for 2000 years! Many early Americans imported pewter nipples, although families in frontier cabins carved nipples and nipples from wood, hollow gourds or cows' horns!

Distribution of this form before the start of the house-to-house canvass gives the family a chance to assemble information about each member and about the house in advance of the census taker's visit.

The form contains seven questions about every person in the household and 13 questions about the dwelling.

Most of the questions are answered by filling in the proper tiny circle with a common lead pencil, making a tiny black dot which can be "read" by Census Bureau machines.

The census taker will check the questionnaire to see that all questions have been answered and will give any assistance needed in filling out a questionnaire that is incomplete.

At every fifth household, the census taker will seek answers to additional questions covering population and housing characteristics that are being asked of a 20 per cent sample of the Nation's population.

The District Manager pointed out that information about individuals and their homes furnished to the Census Bureau is kept confidential under Federal law.

TO THE PEOPLE AND VOTERS OF BOVINA:

A while back a number of citizens and voters of Bovina asked me to run for mayor. They seemed to think we needed new ideas in our city government. I told each one I was not hunting for a job as I had plenty to do, but if the voters wanted me I would run and serve if elected.

I stand for good progressive government!

I am not obligated to favor any individual or group, as my business does not require partiality. I sell nothing in Bovina. My business is independent and brings money into the community from other places.

If I am elected as your Mayor I will endeavor to bring good government to every citizen.

Fillies Tally Points To Win Track Meet

Bovina Fillies won their own three-way track meet here Thursday afternoon with 168 points. Vega was in second place with 143 and Friona third with 112.

The event was conducted during cold, snowy weather at the track behind Ridgelea School.

Bovina won only four first places, but added enough other places to accumulate the necessary points to win the meet.

Results follow:

440-Relay: 1. Bovina, 56.1 (Loy Christian, Jan Gromowsky, Nena Spicer, Barbara Griffith); 2. Vega; 3. Friona.

440-Dash: 1. May, Vega; 2. Irene Pearson, Bovina; 3. Patterson, Vega.

Mile Relay: 1. Friona, 5:06.5; 2. Vega; 3. Bovina.

220-Dash: 1. Nena Spicer, 29.8; 2. Brown, Friona; 3. Hulén, Friona; 4. Brandies, Vega.

60-Dash: 1. Reithmayer, Friona, 7.9; 2. Rice, Vega; 3. Twyla Hutto, Bovina; 4. Davis, Vega.

80-Meter Hurdles: 1. Glass, Vega, 15.4; 2. Hulén, Friona;

3. Hutto, Bovina; 4. Debra Kirkpatrick, Bovina.

880-Relay: 1. Friona 2:01; 2. Bovina 2:02.2 (Griffith, Hutto, Gromowsky, Spicer); 3. Vega.

100-Dash: 1. Brandies, Vega, 12.6; 2. Griffith, Bovina, 12.7; 3. Richerson, Vega; 4. Nicholas, Friona.

High Jump: 1. Christian, Bovina, 4-6; 2. May, Vega; 3. Hutto, Bovina; 4. three-way tie between two Friona and one Vega jumpers.

Broad Jump: 1. Brandies, Vega, 14-10 1/2; 2. Griffith, Bovina, 14-5 3/4; 3. Pearson,

Bovina, 12-11 1/2; 4. Spicer, Bovina, 12-1.

Triple Jump: 1. Griffith, Bovina, 30-7 1/2; 2. Christian, Bovina, 29-11 1/2; 3. Hutto, Bovina, 29-2; 4. Richerson, Vega.

Shot: 1. Massey, Friona, 27.9; 2. Brown, Friona, 27-1 1/2; 3. Cindy Barrett, Bovina, 26-8 1/2; 4. Glass, Vega, 25-11.

Discus: 1. Gilter, Vega, 86.2; 2. Barrett, Bovina, 75.4; 3. Holly Davis, Bovina, 68.3; 4. Sinnov, Vega, 61.1. Bill Nicholas is coach of the Fillies track team here.

Announce Schedule --

Baseball Play Begins For Bovina Mustangs

Bovina Mustangs kicked off their 1970 baseball season Tuesday afternoon when the Nazareth team played here.

A six-game schedule has been set up for this spring, according to Gary Cox, who is coaching the baseball squad. Only two district games are included, against Farwell. Winner will play Fall in regional competition. In case the games are split, a play-off game will be held for district title.

The schedule follows: April 2--Clovis B, there. April 8--Hereford B, there. April 14--Farwell, here. April 16--Farwell, there.

A return game will be played with Nazareth, but has not yet been scheduled.

Fourteen high school boys are out for baseball this year, Cox said. These include Stuart McMeans, Royce Grissom, Kelly Jamerson, Wilton Cox and Bruce Caldwell, seniors; Mike Hough, Mike McMeans and Gary McCormick, juniors; Bobby McMeans, Mike Spears and

Volleyball Tourney Set Next Week

Bovina Volleyball Tournament is set for Thursday through Saturday, April 2-4, according to Wayne Spears, president of Bovina Booster Club which is sponsoring the event.

He said Monday about 12 to 14 teams have entered the tournament, but 24 teams are needed to complete the brackets for both men and women divisions.

Entry fee for the tournament is \$7 per team. Entries may be submitted to Spears or Gilbert Hough, Bovina High athletic director.

Trophies will be presented the winners, runners-up and consolation winners of each division.

A tournament scheduled earlier this year was cancelled when enough teams failed to enter.

At Boys Ranch --

Haney Holds Track Record

Larry Haney set a new meet record at Boys Ranch Saturday in the 100-yard dash and came within two-tenths of a second tying the 220-yard record.

In the seventh grade division, Haney won first place in both events. In the 100-yard dash his time was 11.5, breaking the old record of 11.9 set by LaPlata of Hereford. In the 220, his time was 26.3. The record still held is 26.15.

Seventh, eighth and ninth grade teams participated in the meet along with 45 teams from 15 schools.

Seventh grade 100-yard dash: 1. Haney, 11.5; 5. Gary Ward, 12.6. 220-dash: 1. Haney, 26.3; 880-run: 5. Gus Ortiz, 2:36.3. 440-run: 5. John Ortiz, 68.3.

Discus: 4. Robert Tienda, 98 feet. High Jump: 5. Haney: 7. Ward. Broad Jump: 5. Haney; 6. Ward. Bryon Fillpotand Barty Bartlett missed making the finals in the low hurdles by one-tenth of a second, according to their coach, Roy Donaldson.

Bovina was fifth in the seventh grade meet with 11 points.

Eighth Grade High Jump: 2. Billy Shelby, 5.2. Discus: 4. Tony Serna, 110. Broad Jump: 5. Shelby, 16.6. 880-Relay: 6. David Vargas,

Allen Chisom, Guadalupe Espinoza, Tony Serna, 155. 880-Run: 5. David Leal, 2:27.1; 7. Lupe Espinoza, 2:32.3. 440-Run: 7. Chisom, 64.8. Low Hurdles: 5. Vargas, 14.5. 220-Dash: 7. Shelby, 26.2. Eighth grade garnered four points in its division.

Ninth Grade High Jump: Tie for 2. and 3. Ronnie Steele, 5.2. Pole Vault: 2. Jeff McCormick, 10.3. This broke the old record, but new record is held by first place winner.

220-Dash: 2. Walter Martinez, 25; 3. Elgin Sledge, 25.

60-High Hurdles: 5. McCormick, 9.8. 440-Dash: 5. Martinez, 59.6. 880-Relay: 8. Kim Rundle, Cary Moore, Benny McCain, Larry Wiseman, 1:58. 880-Run: 4. Cary Moore, 2:19.1. Ninth grade came in seventh place with 11 1/2 points. Happy won the seventh grade meet, Gruver eighth grade, and Clayton ninth grade. This Thursday the teams will enter the Portales track meet.

V'Ball Teams In District Competition

Volleyball teams from Bovina Schools participated in district competition Monday afternoon at Vega.

The Fillies came out in third place while the freshman team was fourth. Both are coached by Mrs. Janie Sudderth.

The Junior High team also placed fourth. It is coached by Roger Ezell. District winners were not known Tuesday morning.

One in every 200 Americans is a member of the U.S. Army Reserve.

BOYS' LONG HAIR CAN AFFECT SKIN

The concern over long hair for boys has led to the revelation that it can be a major cause of problem skin.

Psychologists say that between the ages of 11 and 18 a boy becomes hyper-sensitive, hyper-critical, and hyper-self-conscious—it's called the hyper-phase—and long hair is just one of the many hyper-phase fads and notions he may try in order to find what is "right" for him.

But while most girls are used to the problems of controlling long hair, a boy is less apt to keep his hair as clean as he should because he finds that the oil that develops on it helps him to control it. And it is this accumulation of excess oils that can create and spread an acne-like skin condition.

There is no one prescribed cure for this problem skin, but dermatologists stress that a rigorous regimen of cleansing is of the utmost importance in controlling its spread. Today they recommend a liquid cleanser with anti-bacterial action for both the face and the scalp. And the most recent development, the foaming Hyperphase cleanser—named after these skin problem years—adds cumulative protection.

For shampooing, authorities say that massaging about 1/2 teaspoon of the Hyperphase liquid into the wet hair, adding more warm water for more lather, starts the action against the bacteria-spreading oils. They remind that any after-shampoo conditioner should be greasy, to avoid putting oil back on the hair.

Whether it's long or short, hair that is properly cared for can help reduce the skin problems of those hyper-phase years, say the experts.

Carolyn Gore --

Friona Student Wins County Spelling Bee

Carolyn Gore, eighth grade student from Friona, will represent Parmer County in the Regional Spelling Bee in Amarillo.

She won that right Tuesday morning by taking the county championship in a bee held in Bovina Schools under direction of Jim Noyes.

This is the first time in several years that a Farwell student

has not won the county bee. Carolyn is the daughter of Mr. and Mrs. L. D. Gore. Tami Haseloff, daughter of Mrs. Joyce Haseloff of Farwell, and a sixth grade student, won the juni division.

Alternate to the regional bee is Beverly Bailey, also of Friona. She is an eighth grade student and daughter of Mr. and Mrs. B. H. Bailey. Junior division alternate is Mary Schilling, daughter of Mr. and Mrs. L. H. Schilling of Friona. She is a fifth grade student.

Carolyn won the county cham-

ponship when Beverly missed the word "epoch." Carolyn spelled that word correctly as well as the next word, "essentialist." Tami won the junior division on the words "poplin" and "portent." Representing Bovina in the spelling bee was Alice Fragozo, seventh grade student and daughter of Mr. and Mrs. Prudencio Fragozo. Duane Mitchell was the junior division contestant. He is the son of Mr. and Mrs. Ronald Mitchell and is a sixth grade student. Lazbuddie did not enter.

Largest rope ever made was 47 inches in diameter. Largest cheese ever made was a cheddar weighing 34,591 pounds. Longest sausage ever recorded measured 2,000 feet in length and weighed 840 lbs.
