BUY A WAGON NOW

Get the Size and Kind You Want and Save Money Too

Late last fall "money would not buy" a wagon because no wagons were for sale at any price. Wagons are now scarce and hard to get and we believe it will be harder to find a wagon for sale late this fall than it was last fall. Prices are certain to be higher.

Wagons that we bought last November to be shipped "quick as possible" have not yet been shipped. Factory just cannot get the material and labor with which to build them.

Buy a wagon now if you want a wagon this fall. We will be glad to show you our wagons and make you our lowest prices.

BRITISH SECURE HOLD ON CANAL DU NORD CAPTURE MANY TOWNS ALONG LINE

(By Associated Press) LONDON, Sept. 4.—The British have secured a hold on the west bank of the canal Du Nord by taking Rumaucourt, to the north of Sains Les Marquais. Further south, along the canal they are reported to have captured Inchy-En-Artois and Demicourt. To the east they have captured Doignies and Pémiz, three miles north east of Berticourt.

In a push beyond the Drocourt-Queant line the British troops have reached the line of the Canal Du Nord, north of the Arras-Cambrai road. They have occupied the town of Ecourt St. Quentin.

The clearing of machine gun nests around Terny and Sorny is being continued by the Americans, despite the stubborn resistance of German patrols.

The Fourth Peronne advance has carried the British through the Vaux woods above Moislana. Slight advances have been scored at other points.

FRENCH CONTINUE TO ADVANCE EAST OF CANAL DU NORD AND AT OTHER POINTS

(By Associated Press) PARIS, Sept. 4.—In their advance the French took Chapitre Wood, northeast of Chevilly, and approached the town of Crisolle, three miles north of Yvon.

North of the Ailette the French reached the outskirts of Couchy Le Chateau and Juvencourt. South of the river they drove further east from Leully, attaining the suburbs of Clamecy and Brove. Fifteen hundred prisoners were taken along the Vesle. Parties of French troops crossed the river at several points.

TO THE FARMERS:

I strongly recommend to delay harvesting your peanut crop as long and as late as possible, for the experience of experts has been that peanuts in the south west are, as a rule, too immature, and therefore the farmers have a considerable loss in the weight, besides the nuts are of a lower grade, and will not command the price they would if the nuts had the proper time to fully mature. (Think over this suggestion and I am sure if you follow my advice you will profit by it, for you will get a better price and better returns.)

Yours respectfully,
JOHN SCHMIDT

I am in receipt of a telegram from J. W. Hoopes, Deputy Governor of the Federal bank in which he states that field organizer Russell, for the Fourth Liberty Loan campaign, will be in Nacogdoches Monday, Sept. 2.

We are laying our plans to give you an even more satisfactory program and general service next year if it is possible to do so. The extra heavy expense on account of increased railroad fares and many other features makes it difficult to keep up the high standard which we have sought to attain in other years...

THE CHATAUQUA PEOPLE ACKNOWLEDGE CONTRACT

Kansas City, Mo., Aug. 21. Mr. J. R. McKinney, Nacogdoches, Texas. Dear Mr. McKinney:

For some time we have been purposing to write you, and through you to other public spirited citizens in your town who promote the Chatauqua, but have been delayed in writing you on account of the heavy burden of keeping up with our nearly three hundred chatauquas.

Through our representative, we are in receipt of a chatauqua agreement under which we are to put on a Chatauqua in your town during the season of 1919. This is a formal acknowledgment and acceptance of that agreement. We endeavored this year to put on such a program and to give you such general service as would satisfy and please your people...

We are laying our plans to give you an even more satisfactory program and general service next year if it is possible to do so. The extra heavy expense on account of increased railroad fares and many other features makes it difficult to keep up the high standard which we have sought to attain in other years...

We want to keep in touch with you on Chatauqua matters and we trust to have your confidence, good will and hence, hearty cooperation. Again thanking you for this contract which is evidence of good will and friendship toward us, we are

Yours very truly, The White & Myers Chatauqua System.

A COUNTY BOY WAS KILLED IN ACTION

Randolph Lee, Son of Mrs. Polly Lee of Woden, With Navy 2 Years Reported Dead.

Mr. G. H. King of this city received a message this morning bearing the sad news that his nephew, Randolph Lee, who has been in service with the navy the past two years, had been killed. The message is brief, and does not give any particulars as to where the death occurred, or how.

The young man is a son of Mrs. Polly Lee, a widow, of Woden a grand-son of Mr. Jim McClure of the same community, and a nephew of Mr. G. H. King of this city. He was about twenty years of age. He enlisted in the navy some two years ago, since which time he has been in constant service of his country, to which he gave his best, including his life.

Mr. King was notified here by pre-arrangement because of his easy access to telegraph communication, and he immediately notified other relatives by telephone. It is not the custom of the war to send the bodies back when they die in a foreign country or on the battlefield, and we assume that our county boy will be given a military funeral.

Thus another boy of Nacogdoches county has given up his life in defense of his country, and the great principles for which it stands, and another widowed mother has lost a devoted, patriotic son. The whole county will join in a feeling of profound sympathy for the dear mother, and other relatives in the great loss they have sustained.

The funeral of Little Inez, held at Shady Grove cemetery, Aug. 27, was largely attended by friends and relatives of the bereaved parents.
