

BY BILL ELLIS

**THESE DAYS ARE** Golden Days in Bovina and the surrounding area, what with the corn harvest getting into full swing, and probably reaching the peak for the season.

It has been quite a sight to see so many loads of the bright, golden corn coming into the elevators. There have been long lines in some instances, as the farmers flooded the markets with the fruits of their labor.

With the price of corn being what it is, the stuff is "Gold" in more ways than one. Each truckload represents a load of gold for the farmer.

**IT'S HIGH TIME** that the farmers are able to receive adequate prices for their products, since other phases of our economy have been doing so for years.

Farmers in this area have quite an investment in their land and equipment. With prices on their equipment increasing, this investment has been constantly increasing, and in most instances, they were unable to re-coup the increases when they marketed their crops.

Many farmers in this area have gone into the feeding business. This was an idea of theirs as to another way they could possibly get more for their products, by feeding them to the cattle and marketing the cattle. In so doing, they have helped all of the farmers, because now their agricultural products are in greater demand, and the prices for the raw products are higher.

**WE JUST HOPE** the weather cooperates by allowing the farmers to get their crops harvested with a minimum of delay due to the weather.

Farmers get to a "pins and needles" situation at this time, with their crop ready to harvest, and the threat of weather delays.

Hearing the news about the wet conditions in the midwest, which has caused maize and corn in that area to sprout in the field, doesn't help the worried farmer any, although the situation may have helped keep the prices where they are.

**THE SITUATION** into which the United States has worked itself with regard to energy shortages is amusing to other nations. A dispatch from a London correspondent notes that, "The British have no sympathy for the energy dilemma in America; rather they seem somewhat amused that the United States is facing a crisis."

What they see is a United States of America, the most advanced technological and industrial nation in the world, creating its own crisis superficially by failing to develop its abundant resources.

The average Britisher finds it hard to believe that the United States can have a real power supply crisis on the one hand and the Alaskan oil fields on the other. Britishers wonder how can the United States be serious about an energy crisis when it has enough coal and nuclear technology to easily carry the nation through the 21st Century?"

Britain has no energy crisis, according to the dispatch. The British have accepted the atom as a fact of life. England, says the dispatch, "...is considered to be the most advanced nuclear nation in the world with 29 atomic reactors in operation...." Another point noted is that the British simply don't understand the consumer protection mania and the manner in which U.S. public opinion is swayed by, "...powerful environmental lobbies."

**PICKS NINE WINNERS...**Lewis McDaniel won the first place prize money of \$5 in the sixth week of Bovina Businesses Cotton Bowl Football Contest with nine correct predictions out of 10 games on the slate. All 151 contestants missed the Shamrock-Canada tie game.

Winning second place was Paula Whitecotton and Emmett Tabor won third place. Tom Bonds pulled into a tie with H.J. Charles last week for the lead in total points. Both contestants have 47 points in the race for the grand prize in the contest.

## DEADLINE MONDAY

# '73 Freeze Contest Records 58 Entries

Some 58 entries were turned in to The Blade office by deadline time Monday afternoon in the 1973 First Freeze Contest in Bovina. The contest is sponsored jointly by The Blade and Weatherman W.E. Williams.

Predictions range from Oct. 9 to Nov. 14, with some earlier dates already out of the contest.

A number of persons have predicted the same date. However, the one or ones with the earliest entry date will be declared the winner in case of a tie.

Williams will judge when the first killing freeze occurs in Bovina.

The person coming nearest to predicting the date of the first killing freeze here will be declared the 1973 Champion First Freeze Predictor of Bovina and will receive a \$5 cash prize.

In last year's contest, 73 entries were recorded and Mike Spears had the winning date of Oct. 19, the exact date.

Following is a list of those entered and their predictions. The names are listed in the order received by The Blade.

## SPRAY PILOT

# Plane Crash Kills Teague

Ronnie Teague, 19, of Shallowater was killed about noon Monday when his single-engine plane crashed after it became tangled in electrical power lines.

Teague, an independent crop spraying pilot, was spraying cotton on a farm five miles northwest of Ropesville when the accident occurred.

He had moved from Bovina recently. While here, he was employed by the Parmer County Spraying Service.

According to reports, Teague lived about five to 10 minutes after the crash. Several farmers who witnessed the accident attempted to free him from the wreckage but failed.

Services for Teague were pending late Monday with Franklin-Bartley Funeral Home in Lubbock.

Teague, a native of Fresno, Calif., moved to Shallowater in 1958. He was a graduate of Shallowater High School, a member of the First Baptist Church there and a member of the Experimental Aircraft Association.

Survivors include his parents, Mr. and Mrs. Norman Teague of Shallowater; a brother, Gregory D. Teague of Fort Leonardwood, Mo.; a sister, Mrs. Wilford Taylor III

## CHARLES, BONDS TIE

# Lewis McDaniel Cops First Place Money

Upsets in last weekend's slate of college, high school and pro football games plagued contestants in the Bovina Businesses Cotton Bowl Football Contest for the second consecutive week with Lewis McDaniel emerging from the fray on top with nine winners. He was the only contestant out of 151 to pick that many correctly.

McDaniel missed only the Shamrock-Canada tie, as did all contestants, to pick up the \$5 first place money.

Paula Whitecotton picked up the second place prize money of \$3. She picked eight winners, missing the tie game and the Dallas Cowboy-LA Rams game, which was considered somewhat of an upset, at least in Cowboy-country.

Eighteen contestants had seven winners, with Emmett Tabor taking third place money of \$1. He missed the tie game,

Texas-Oklahoma and Arkansas-Baylor tilts. Tabor was three points off the tiebreaker score between Bovina and Vega, picking the score at 30-0, three off the actual 27-0 score.

Other contestants with seven correct games and the number of points away on the tiebreaker were Laura Bartlett, 15; Tom Bonds, 20; Galen Carson, 28; James Castleberry of Farwell, 23; Gene Ezell, 27; Ruben Gomez, 17; Widdy Gromowsky, 28; Larry Hammonds, 41; Wesley Harris, 15; Mrs. Albert Johnson of Farwell, 16; Roberta Mager, 9; Monty Malcom of Tulia, 23; Andy Martinez, 25; Bill Moore, 13; Bess Rea, 21; Carl Rea, 23; Larry Sides, 17; and Truman Trim, 20.

Of the remaining entries, 37 had six correct games, 53 had five, 25 had four, nine had three, four had two, one had one, one entry was turned in without a name and one out-dated entry was turned in.

Other games considered upsets in the contest included the Littlefield victory over state-ranked Roosevelt, and Farwell's win over Springlake-Earth in District 3-A.

The upsets almost proved to be the undoing of Harry J. Charles, who has led in the contest since the initial week. He had four correct predictions last week to bring his total to 47 points.

Moving into a tie with Charles was Tom Bonds, who had seven correct predictions last week. Percentage of correct predictions for the two leaders is .783 for the six weeks of the contest.

In second place with 46 points is Mrs. Johnson, the Farwell contestant.

Bill Moore is in third place with 45 points and Weldon Moody is in fourth place with 44 points.

Contestants with 43 points include Joyce Boaz, Jay Harris, Greg Hromas, Mike Jester, Roberta Mager and Terry Newell of Muleshoe.

Standing at 42 points are

Reba Bonds, Hattie Burnett, Donna Jester, Albert Johnson of Farwell, Brenda Newbrough, Pat Read, H.W. Roberts, Don Stone, Tom Ware, Billy Whitecotton, Kenneth Whitecotton and Mary Jane Wilson.

Contestants with 41 points include Frances Allen, Eugene Boaz, M.H. Carson, Jimmie Clements, Corky Criswell, Donna Criswell, Craton Looney, Monty Malcom of Tulia, Andy Martinez, Lewis McDaniel, Larry Sides and A.M. Wilson.

Seven weeks remain in the contest with the leader at the end of that time winning two tickets to the Cotton Bowl game in Dallas on New Year's Day and \$50 in expense money.

If two or more contestants are tied at the end of the contest, tiebreaker predictions over the entire contest will be used to determine the final winner.

## Vaccinations For Pets Set Here Thurs.

Dr. B.L. Russell, Clovis veterinarian, will be at the Bovina Fire Station tomorrow [Thursday] beginning at 2 p.m. to vaccinate pets for rabies, according to Mrs. Robert Read, president of Bovina Chamber of Commerce and Agriculture.

The organization sponsors the annual clinic. Members of the chamber will assist Dr. Russell.

A fee of \$2 per vaccination will be charged pet owners for the service.

City license tags for pets may be purchased at city hall for \$1 each after the shots have been administered.

Dogs not tagged may be picked up by city officials if complaints are received, officials say.

## TV Cable Schedules Shut Down

Subscribers to the Clearview Co. the TV cable system in Bovina, will be temporarily without service while a new system is being installed, according to Curtis Monk, Clearview representative here.

Portions of the town which is on the cable will be disconnected the latter part of this week and the following week while the changeover is being made, said Monk.

## CROPS, LIVESTOCK

# Parmer County Third In State

Parmer County is in the top ten counties in Texas agricultural production for 1972, according to recently published statistics, Agriculture Commissioner John C. White has announced.

Parmer County farmers placed seventh in cash receipts of \$27,030,000 for crops and third in total crops and livestock with \$81,368,000. Including government payments, Parmer ranked third in the state. Farmers and ranchers received a total of \$95,317,000. Cash receipts from livestock also placed Parmer as the third highest in the state with \$81,368,000.

The figures have just been published by the Texas Crop and Livestock Reporting Service, a joint effort of the Texas Department of Agriculture and the USDA, Commissioner White said.

"Even with freezes, rains, and a fluctuating market, Parmer County should enjoy another productive year in 1973. Cash receipts for the first seven months of 1973 show increases over last year," Commissioner White said.

## Name Smith SCS Director

Dan Smith was elected Zone Five director of the Parmer County Soil and Water Conservation District board in an election Tuesday at Lazbuddie.

Smith will serve a five-year term. Herb Evans, district conservationist with the Friona SCS office, said Smith would become active in the Running Water Draw Watershed. "During his term, he will see the dam at Bovina built and, in all probability, he will see the Lazbuddie dam constructed."

## BY CENSUS BUREAU

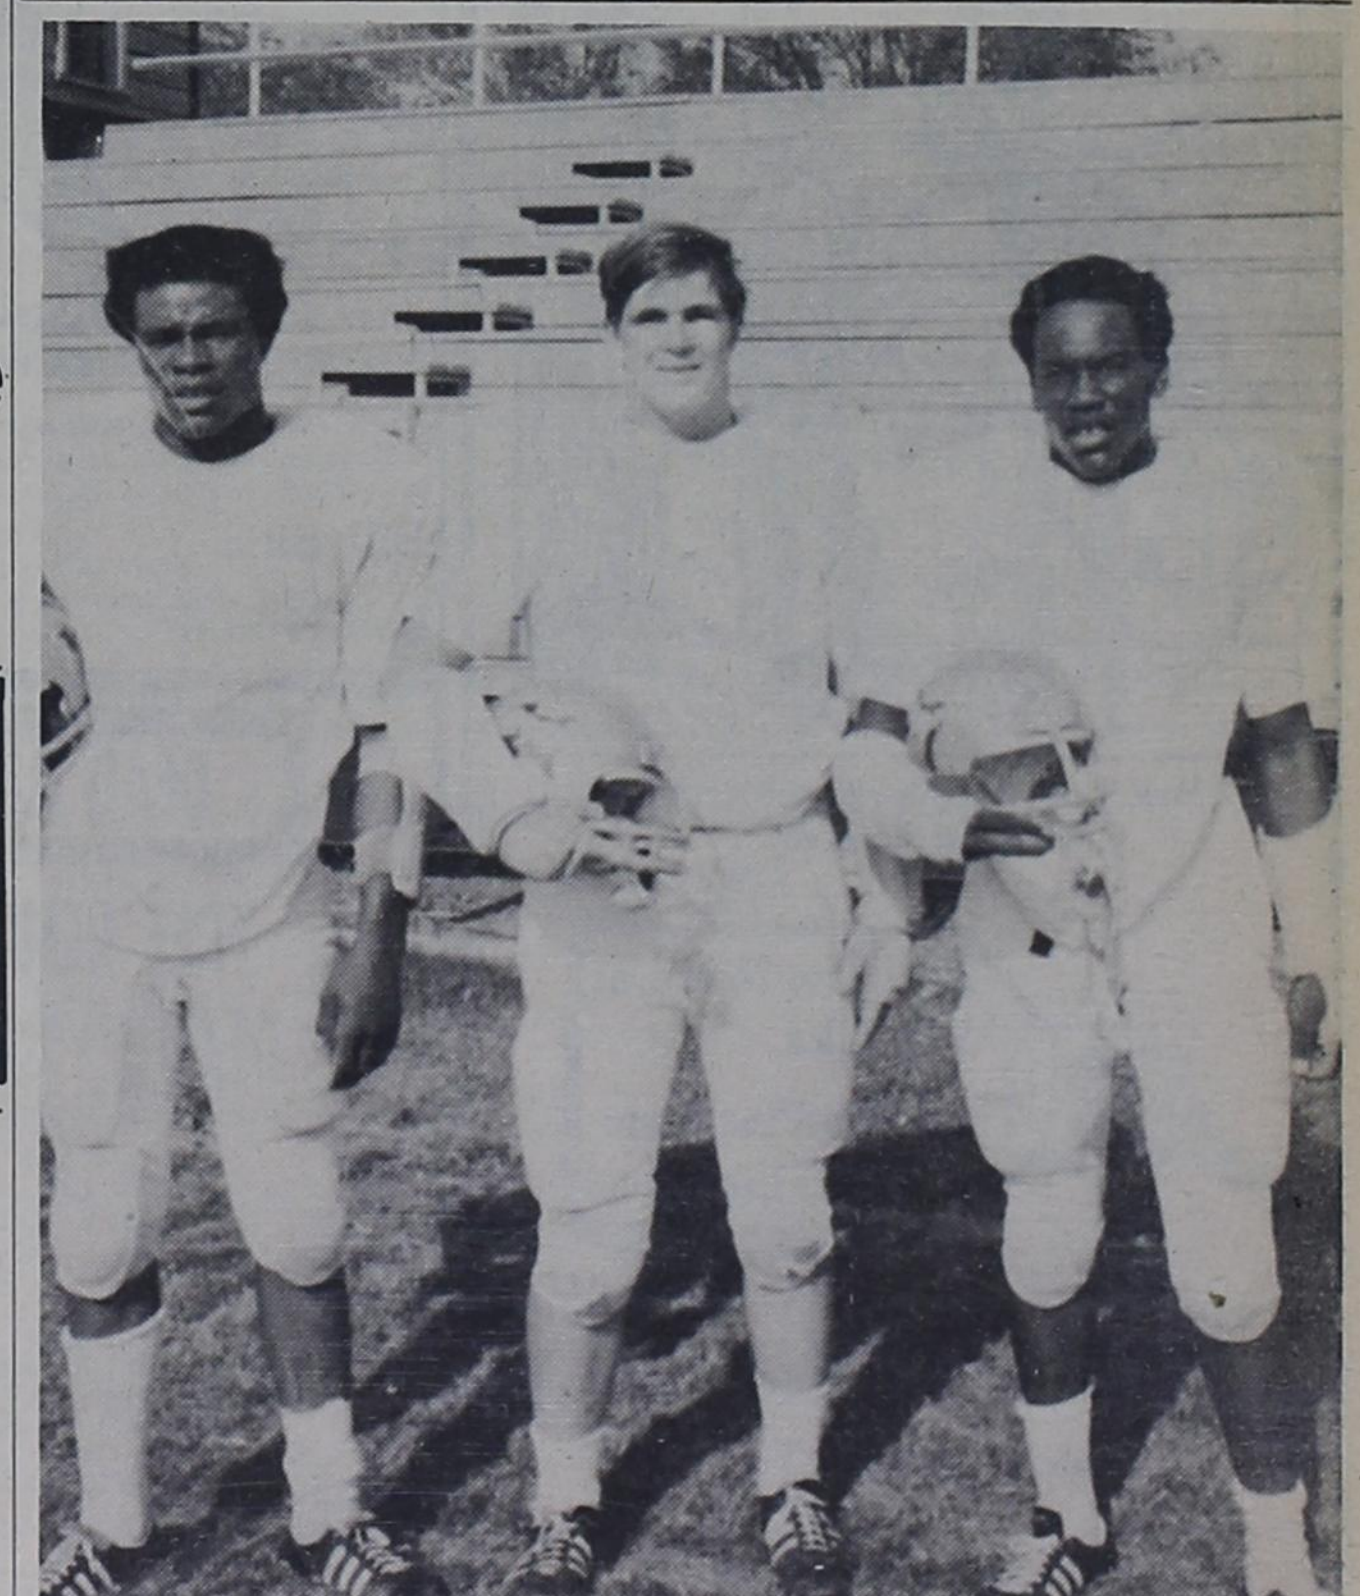

# School Survey Set In County

A number of households in this area will be included in the Federal Government's annual survey of school enrollment to be taken this week by the Bureau of the Census, part of the U.S. Dept. of Commerce's Social and Economic Statistics Administration, according to Percy R. Millard, director of the bureau's Dallas Data Collection Center.

Millard said that Mrs. Laura Hart of Friona will visit homes

to obtain information about household members attending school, from nursery school through college, including those taking vocational, technical or business courses.

Results of the October '72 survey showed that 60.1 million persons ages three through 34 were in school. Elementary school enrollment [kindergarten through eighth grade] had declined by about 1.4 million since the fall of '71.

**MUSTANGS OF THE WEEK...**Chosen as linemen for the week following Friday night's District 3-A opener at Vega were Dannie McKay, center, and Elbert Shelby, right. McKay is a senior tackle, playing both ways. Shelby is a sophomore and played his first game in the line Friday night. He was moved from back to tackle when Ricky Stanberry, center, was injured and Terry

Sherrill was moved from tackle to center. Offensive and defensive back of the week is Billy Shelby, left. Shelby, a senior, went all the way at quarterback and middle linebacker Friday night. He was cited by Vega coach Jimmy Duncan as being the best linebacker they had seen this year and possibly the "best in the country."

"IT IS MY INTENTION TO STICK AROUND!"

FOR VEE

## Re-Vaccination Urged For Horses

AUSTIN—It has been two years since the tragic outbreak of Venezuelan equine encephalomyelitis which claimed the lives of hundreds of horses in Texas.

During that 1971 crisis, more than a half million horses were vaccinated in Texas.

Since then, the disease and its attendant publicity have died down. This, in turn, has given rise to the threat of a new outbreak of VEE.

The Texas Animal Health Commission reports that continuing studies show that the very effective vaccine against VEE does not offer permanent protection.

The TAHC has joined with the Texas Veterinary Medical Association in urging revaccination of all horses in the state.

Studies indicated that the vaccine's protection begins to dwindle after a year. Consequently, it is recommended that horses be revaccinated every year.

In addition, the veterinarians recommend that colts and horses brought into the state since the epidemic be vaccinated.

Of course, horses also should be vaccinated against the Eastern and Western strains of encephalomyelitis which have been in the U.S. for years.

As the name implies, VEE was first noticed in Venezuela in the mid-1930s. It was confined to South America until

1969 when an epidemic struck in Guatemala.

Since then, it swept through Central America and Mexico where inadequate immunization programs allowed VEE to invade Texas.

The virus is spread by mosquitoes, which are seasonally in greater numbers during the late summer and early fall months.

Since we are in the middle of this high-risk period, it is especially important that horse owners insure that all their animals are vaccinated as soon as possible.

Although the disease is seldom fatal to humans, about 90 persons were afflicted during the 1971 epidemic. However, the fatality rate among horses that get VEE is very high.

The symptoms horse owners should look for include droopiness, loss of appetite, depression, stumbling, drooling and diarrhea.

Thanks to a 19-state vaccination program, the VEE epidemic was confined to Texas in 1971. The U.S. Department of Agriculture cautions, however, that the virus has not been eliminated. New outbreaks can be expected.

Texas horse owners bear a special responsibility to protect our animals and thus insure that they do not help spread VEE to the rest of the country.

## Reflections From The Blade

TEN YEARS AGO—OCTOBER 16, 1963

A homecoming queen and football hero will be named in pre-game ceremonies Friday night.

Queen candidates are Mary Ann McKinney, Tonya Ivy, Connie Vaughn and Carolyn Wilkerson. Hero candidates include Philip Lloyd, Tally Kelso, David Anderson and Al Shamblin.

Eleven floats are entered in Friday's homecoming parade. Theme of the floats will be nursery rhymes.

Ex-students of Bovina High School have slated a banquet and reunion to precede the Bovina-Hart football game.

A new Remington 16-gauge shotgun will be awarded to some lucky ticket holder at halftime of the Bovina-Hart football game Friday night. The gun, which was donated by Three-Way Chemical Co., will be given away by Bovina Quarterback Club.

J.W. Harris refused to be bothered by a weekend filled with football upsets and came out on top of 112 contestants in last week's Bovina Businesses Cotton Bowl Football Contest with eight winners.

Bovina probably has its share of minor traffic accidents, but a highly unusual one occurred late Wednesday of last week. The city's new \$10,000, five-ton street sweeper was turned over on its side.

The accident occurred on Second Street half a block from Main as Odus Bank, city employee who had been operating the sweeper during the day, was attempting to park it at the end of the day's work. The huge yellow machine flipped over on its right side, according to city officials who were at a loss to figure how the accident happened.

Re-alignment of Texas High School football districts by state Interscholastic League placed Bovina in District 1-B for the 1964 and '65 seasons.

Two teams were added to the present field of four which the Mustangs have played the past few years. Newcomers to the district for the '64 season will be Texline and Nazareth. They will compose a seven-team district with Bovina, Hart, Happy and Lazbuddie.

For a half, it was a good ballgame at Friona Friday night, but in the third and fourth quarters, the Chiefs' power, speed, experience and reserve strength began to tell on the offensively-stymied Mustangs. Final score—Bovina 0-Friona 38.

Several members of Bovina Woman's Study Club toured the Canadian River Project Thursday. The group had lunch in Amarillo after which they were taken on a guided tour of the river project which is under construction.

SIX YEARS AGO—OCTOBER 18, 1967

Mrs. Nola Reed took the \$5 first prize this week in the Bovina Businesses Cotton Bowl Football Contest, as the event neared the halfway mark. She picked nine winners, missing only the Arkansas-Baylor tie.

Jamie Clearman, who also named correctly nine winners, was second with \$3. Mrs. Bobby Cumpston, leader in the overall contest, won the \$1 third prize.

At deadline time Sunday, 45 area residents had submitted their predictions for the First Freeze Contest, sponsored jointly by The Blade and W.E. Williams.

Plans were made last week by the Student Council of Bovina High School for Homecoming activities here Nov. 3. Highlight of the day will be the Bovina-Farwell football game.

Total budget for the Bovina Independent School District, adopted by the school board at its last meeting, is \$619,358. This includes the \$200,652 currently in the building fund, according to Superintendent L.F. Jacobs.

A movie was made once about a "Bad Day at Blackrock" and Friday, the 13th, was a bad night at Sudan for the Bovina Mustangs as they were stung by the Hornets to the tune of 33-8.

Girl Scout Troop 35 attended an outing recently at the Ralph Wilson ranch. Seventeen girls spent the night, cooked on a wood stove and drew their water from the windmill there. Also on the agenda was a hike to a nearby lake.

Mrs. Leon Grissom was hostess to the Thursday Bridge Club in her home last week. Mrs. J.E. Sherrill won high prize, Mrs. G.D. Anderson Jr. traveling prize and Mrs. Vernon Estes low prize.

Lettermen's Club met in the home of Bobby Redden Thursday night in its usual pre-game get together. Attending were 33 boys and coaches.

## Bovina Women Attend CowBelle Meet In Abilene

The First Annual Convention of the Texas CowBelles will be held today and tomorrow (Wednesday and Thursday) at the Hilton Inn in Abilene.

Attending from Bovina will be Mrs. C.C. Naegle and Mrs. Sonny Jones. Also attending will be Mrs. Lee Britting, president of the Parmer County Riata CowBelles, and Mrs. Karen Tunnell, both of Friona.

The Tall Pines CowBelles of San Angelo will be in charge of registration beginning at noon today. A board meeting is scheduled to begin at 2 p.m. and a reception at 7 p.m.

Tomorrow's activities will begin with a breakfast followed at 9 a.m. by the general business meeting at which time a new slate of officers will be elected to serve during 1974.

Stanley Franks of San Angelo, editor of the West Texas Livestock Weekly, will be guest speaker at the buffet luncheon. Activities will conclude at 3 p.m., although those remaining that night will attend the Tony Martin dinner show.

## Guadalupe Delegates To Attend Meet

At a meeting of the Guadalupe Society Sunday afternoon in Parish Hall of St. Ann's Catholic Church, members of the group voted to assist the St. Ann's Altar Society with the annual Turkey Dinner in November.

Plans were initiated for the Feast of December 12 in the church. A movie was selected to be viewed during that time. Final plans will be announced in the near future.

Mrs. Daniel Rodriguez, president of the society, announced the Amarillo Diocesan Council of Catholic Women will have its annual convention in Amarillo on Tuesday and Wednesday, October 30-31. Delegates from Bovina will be Mrs. Alejandra Garcia and Mrs. Hope DeLeon.

Delores Sierra and Mrs. Rodriguez will be in charge of the rectory for the month. Hostesses for the next meeting will be Mrs. Anita Alonzo.

Eight members attended the Sunday meeting.

## Denney, Trimble Exchange Vows In New Mexico

Mrs. Bessie Denney of Truth or Consequences, N.M., and George Trimble of Alamogordo, N.M., exchanged wedding vows at 6 p.m. Saturday, Oct. 6, in the United Methodist Church at TorC.

Both are former residents of Bovina and have several relatives in the area.

The couple will be at home at 2510 West Minister in Alamogordo.

## Harris Host Birthday Meal

Mr. and Mrs. Joe Harris hosted a birthday dinner for three generations of the Harris family Friday.

Honored at the dinner were Mr. Harris, Carl and Danny Harris, his sons, and Mack Harris, his grandson and son of Mr. and Mrs. Jimmy Harris.

Those attending were Mr. and Mrs. A.J. Shepard and family, Mr. and Mrs. Carl Harris and Roger, Mr. and Mrs. Jimmy Harris and Mack, Ruby and Wendy Harris.

GUEST SPEAKERS...Heidi Corn, left, and Cindy Read were guest speakers at the meeting Thursday afternoon of Bovina Woman's Study Club. Miss Corn reported on her experiences at the 1973 Girls State and Miss Read reported on her trip to the Farm Bureau Citizenship Seminar in Waco this past summer. The Bovina club is co-sponsor of the Bovina delegate to Girls State each year.

## Heidi Corn, Cindy Read Speaks At Club Meeting

Guest speakers at the meeting of Bovina Woman's Study Club Thursday of last week were Heidi Corn and Cindy Read, students at Bovina High School.

Miss Corn was Bovina High School's representative to Girls State and Miss Read was the school's representative at the Farm Bureau Citizenship Seminar this past summer.

Miss Read gave a summary of the seminar, saying they heard speeches from a panel of distinguished speakers including several FBI agents.

"We were told to apply the Farm Bureau yardstick of four questions to our ideas; it is based on Christian principals, is it good for the country, can we afford the idea and does it mean more freedom," she said.

The students from across the state were briefed on the

Communist threat in the United States. "We were told that part of their plan includes corrupting youth, dividing the people, controlling the news and promoting riots. We learned that freedom isn't free—we have to work for it."

Miss Read concluded her talk with an essay, "Can We Wave the Flag Too Much?"

Miss Corn told members of the club that in her 10-day session at Girls State that she "didn't have time to get homesick, they kept us too busy."

She gave a summary of what they accomplished in the session. "The House of Representatives really intrigued me. I learned the way bills and resolutions were sent through the house and it was a thrill to know that the Texas House considered the bills we

passed in Girls State."

Miss Corn ran for county attorney and won in the primary, but lost in the general election. She then served as campaign manager for an Amarillo girl who was candidate for governor.

"After the elections, we went to Austin, where the corresponding state officials inaugurated the Girls State officers," she said. She noted that the flag ceremonies at Girls State were particularly impressive.

"It is disappointing to realize that more people do not know how important and beneficial Girls State can be," she said.

"I realized that we can't take for granted the things we have; I realized that women have a place in government; I realized that adults do care about youth; and I realized that I do have a place in the American government," she concluded.

Attending the meeting were Mrs. Rouel Barron, Mrs. Ovid Lawlis, Mrs. Earl Whitten, Mrs. Bobby Englant, Mrs. H.J. Charles, Mrs. Leon Ware, Mrs. Earl Richards, Mrs. Henry Ivy, Mrs. Earl Stevenson, Mrs. Joe Fowler, Mrs. H.D. Bradshaw, Mrs. Charles Ross, Mrs. Clarence Jones, Mrs. Reagan Looney, Mrs. Billie Sudderth, Mrs. L.W. Quickel, Mrs. Buck Ellison, Mrs. Dudley Hughes, Mrs. W.E. Williams, Mrs. A.L. Nuttall, Mrs. Robert Read and Mrs. Charles Corn.

Mrs. Fowler and Mrs. Charles were hostesses for the meeting. They served finger sandwiches, lemon chiffon tarts, coffee and tea from a table covered with a white cloth and centered with an arrangement of yellow and bronze fall flowers and greenery in a crystal bowl.

FRANCES MARTINEZ...Mr. and Mrs. Antonio Martinez of Bovina announce the engagement and approaching marriage of their daughter, Frances, to Andres Martinez, son of Mrs. Emiliana Martinez of Bovina. The couple will exchange vows at 2 p.m. Dec. 1 in St. Ann's Catholic Church here. Miss Martinez attended Springlake-Earth High School and is currently employed at Gateway Produce. Andres attended schools in Altus, Okla., and is employed at Bonds Oil Co. No invitations are being sent locally. Friends and relatives of the couple are invited to attend the wedding ceremony and reception to follow.

## Girl Born To Bacas

Mr. and Mrs. George Baca of El Reno, Okla., announce the birth of a new daughter on Wednesday, Oct. 3, at an El Reno Hospital.

The infant weighed six pounds, 12 and a half ounces, and has been named Rachael Annett.

They have two other children, a daughter, Janet Elaine, and a son, Patrick.

Grandparents are Mr. and Mrs. Fidel Baca of Bovina and Mr. and Mrs. Charlie Sena of Clovis.

## Piersons Have Girl

Mr. and Mrs. Steve Pierson of Plainview announce the birth of a daughter at 6:33 a.m. Sunday, October 14, at Central Plains Hospital there.

The new arrival weighed six pounds, 12 ounces, and has been named Donna DeeAnn.

The Piersons have one other child, Billy Wayne, two. Pierson is employed at

Missouri Beef Packers in Plainview.

Grandparents are Mr. and Mrs. D.W. Pierson of Bovina and Mr. and Mrs. Doyle Gilbert of Muleshoe.

Great-grandparents are Mr. and Mrs. W.I. Pierson of Plainview, Mr. and Mrs. A.H. Dudley of Stephenville, Mrs. Gilbert of Littlefield and Mr. and Mrs. Leonard of Spade.

## Shower Set Saturday For Bails Baby

Christopher Kenneth Bails, infant son of Mr. and Mrs. Kenny Bails of Friona, will be honored with a layette shower from 3 to 5 p.m. Saturday in Community Room of First State Bank of Bovina.

Mrs. Bails is the former Miss Chrissy Mast of Bovina.

Hostesses will be Mrs. Ed Hutto, Mrs. Charles Corn, Mrs. Don Waddell, Mrs. Ronnie Sudderth and Mrs. Charles Turner.

## VICA Club Elects Officers

Girls from Bovina High School and Friona High School who are enrolled in cosmetology classes at La Plata Beauty School in Hereford have organized a VICA Club and elected officers for the group.

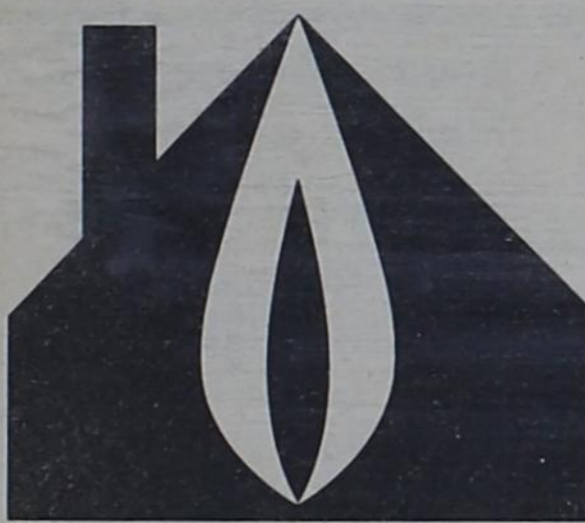

Krystal Agee of Friona has been elected president. Other officers include Sylvia Castello of Bovina, vice president; Stella Delgado, Bovina, secretary;

Laquita Graham, Friona, treasurer; Debbie Mills, Bovina, reporter; Mona Read, Friona, reporter; Susan Garza, Bovina, parliamentarian; and Hilda Garza, Bovina, sergeant-at-arms.

Other members of the club include Elida Collins, Sylvia Meza and Deania Owens of Bovina and Diane Woodruff and Sandi Fulks of Friona.

## An Old Fashioned Sinner

Has anyone seen an old-fashioned sinner lately? They are getting mighty hard to find.

If the prodigal son were living today (as though he were not) he wouldn't be a sinner. A juvenile delinquent maybe; but his parents would be to blame for that. "There is no such thing as a bad boy" you know. His wild oats has to be sown and it is normal for him to rebel against society. He must be free to "adjust POSITIVELY."

There are no LIARS today. These fine people are just extroverts, with imaginative talents that should be properly channeled. The evidence creative ability; instability is a facet of their capacity for free uninhibited thought. They may become great poets, lawyers or preachers.

The DRUNKARD is not really a SINNER. He has an inferiority complex, and makes mechanical adjustment to the problems of today. Besides that, he is sick. He beats his wife, starves his children, and is a scourge to society—so he needs our understanding sympathy.

ADULTERY may be as sin in some far off slum district; but not among movie stars, or popular figures. And don't even mention the word when we get close to home. Here it is simply a case of biological adjustment. The sex pervert was denied "free discussion" at home; his parents were old fashioned and believed in common decency. His sin—er, I mean "mistake," is a fault of modern society.

There is an element of truth in all of these descriptions, but there is one thing that is missing, the necessity for correction. We are overlooking the moral element. We need to see SIN for what it is—SIN! This generation needs moral responsibility.

AN ORDINANCE PRECLUDING USE OF CITY OWNED AND MAINTAINED EQUIPMENT AND CITY PURCHASED SUPPLIES FOR FIRE FIGHTING OUTSIDE THE CORPORATE LIMITS OF THE CITY OF FRIONA, TEXAS AND DECLINATION TO ACCEPT PROFFERED PAYMENT OF SEVEN HUNDRED FIFTY DOLLARS (\$750.00) ANNUALLY FROM THE COMMISSIONERS COURT AS PAYMENT FOR SUCH.

WHEREAS, The City of Friona, Texas, at City expense, maintains a fire department consisting of equipment, supplies, clothing and a fire station manned by volunteer firemen for the primary purpose of fire protection for residents within the corporate limits of the City of Friona, Texas;

WHEREAS, all of such is paid with taxes collected from the residents within the corporate limits of the City of Friona, Texas;

WHEREAS, it has been the policy in the past to answer any and all fire calls within the boundaries of Parmer County, Texas, and the Commissioner's Court of the County of Parmer, Texas has, for some years, paid the sum of \$750.00 per annum to the City of Friona, Texas, to defray some of the costs of fire

protection furnished outside the corporate limits of Friona, Texas by such fire department; WHEREAS, for some years past, there have been more fire calls handled by such fire department outside the corporate limits of the City of Friona, Texas, than within same;

WHEREAS, the City Council has made a study and determined that in order to continue to furnish this amount of fire protection outside the corporate limits of the City of Friona, Texas, it will be necessary that the Commissioner's Court of the County of Parmer, Texas, arrange to pay the county's fair share of such costs;

WHEREAS, a request was made to the Commissioner's Court of the County of Parmer, Texas, to increase the amount of annual payment to be made to the City of Friona, Texas, to an amount commensurate with the use being made of the Friona Fire Department outside of the corporate limits of Friona, Texas, and such Commissioner's Court has to date taken no action on such request;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FRIONA, TEXAS:

Section 1. That effective January 1, 1974, at 12:01 A.M. and from thenceforward, the volunteer fire department of the City of Friona, Texas, will answer fire calls only within the corporate limits of the City of Friona, Texas, and within a one-half (1/2) mile radius thereof; except that such fire department may, in the discretion of the Fire Chief or acting fire chief thereof, cooperate to the extent requested and in the manner requested by any other fire department situated in neighboring cities to Friona, Texas, which cities shall include, but be not limited to: Dimmitt, Farwell, Bovina, Muleshoe, and Hereford, Texas.

Section 2. That effective January 1, 1974, at 12:01 A.M. and from thenceforward, the City of Friona, Texas will no longer accept the payment of SEVEN HUNDRED FIFTY DOLLARS (\$750.00) annually from the County Commissioner's Court of Parmer County, Texas, for the furnishing of fire protection within Parmer County, Texas, outside the corporate limits of Friona, Texas.

Section 3. This Ordinance shall become effective at 12:01 A.M., January 1, 1974.

**WITH THE GROWING** emphasis on power shortages, prepare one-dish meals in an electric skillet.

The average electric skillet uses less power than a range element—and far less than an oven. Besides conserving electrical power, it saves "homemaker energy" too. A meal cooked and served in the same container saves clean-up time.

Unfortunately, many homemakers' electric skillets take up valuable storage space without getting used. It's pretty costly to own and not use such an appliance. It's also expensive to maintain it. Proper care and maintenance play important roles in conservation of resources—by avoiding unnecessary breakdowns, repairs and expenses.

Remove acid and salty foods as quickly as possible to avoid pitting the cooking surface.

Let the skillet cool to room temperature before washing it. Cold water in a hot pan causes warping. For best performance, wash skillet after each use with hot sudsy water. Also clean the outside and underneath to avoid burned grease build-up.

Steel wool can be used on stainless steel or aluminum pans—but only plastic or rubber scrubbers on teflon-coated ones.

As a reminder to use it often, store skillet in an easy-to-reach spot.

Efficient use adds to the quality of living.

# Retardation Film Program Slated

Directors of the Parmer County Planned Parenthood organization is issuing an invitation to any interested persons in the community to view a multi-media program, "A Time to be Born," in Amarillo in the near future.

The program, according to directors, has won national acclaim from educators, students, health administrators and public officials and is designed to probe the causes and prevention of mental retardation.

Amarillo is one of the first cities in Texas to present the program. Five teams have been

trained to operate the synchronized audio-visual, five-screen production.

Persons interested in the growth and development of children and the prevention of mental retardation who wish to attend the program may contact Mrs. Betty Garza at the Bovina Neighborhood Center for further details.

The program will include a luncheon at the Amarillo Country Club on Tuesday, Oct. 23, at noon. Tickets are \$5 each and reservations may be made by contacting Mrs. Garza or phoning the Amarillo clinic at 372-8731.

## Clayton Claims Lead In Speaker's Race

Representative Bill Clayton today announced he is now assured that recent pledges of support have clearly placed him in the lead of the hotly contested race for Speaker of the Texas House of Representatives for the 1975 session.

Clayton, who let it be known that his vote total is now approaching the 50 mark, remarked that he is pleased by the broad base of support he is attracting. He noted that several of the more liberal legislators have become recent supporters of his candidacy and various citizen groups across the state have begun to show a strong interest in the race. Clayton pointed out that local citizen interest is a new ingredient which has not before played much of a part in the selection of the presiding officer of the House.

Clayton stated that he encourages citizen participation and feels all Texans should express their enthusiasm for a given candidate to their own representative who may not have committed to anyone for Speaker.

Rep. Clayton, who was in Austin this week on his way to attend the Houston Governor's Conference on Intergovernmental Affairs, stated that, "My supporters and I are elated and more confident than ever because of our position at this point in the race. The candidacies of my declared opponents and of my rumored opponents have either lost ground or failed to garner much support or enthusiasm at all. While I realize that the race should be very interesting for the next several months, I now have a clear lead and expect it to merge into a decisive majority well before the 64th session starts."

Rep. Clayton has been campaigning across the state, meeting with various representatives and citizen groups since the end of the last session, and expects to continue to do so.

LOAN INITIATED....John Scoltock of Washington, D.C. [center], Rural Electrification Administration director for the southwest, was in Hereford recently to initiate a new loan for Deaf Smith REC.

Shown with Scoltock are Merrill Riggan, left, REA field representative from Lubbock, and John Carlson, right, field engineer from Albuquerque.

## Loan Initiated For REC

John Scoltock of Washington, D.C. joined REC managers and directors from Texas Electric Cooperatives' Group Five for a conference held recently at Ceta Glen. Scoltock is the Rural Electrification Administration director of the Southwest Area.

The conference was basically to stimulate thoughts and ideas for an even better working relationship between managers, directors and the REA. Representatives from all the 14 plains cooperatives attended.

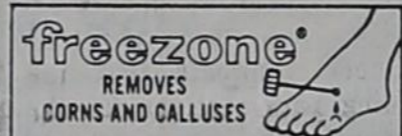

Scoltock, associated with REA for many years, came to Deaf Smith REC to meet with Merrill R. Riggan, REA Operations Field Representative from Lubbock, and John H. Carlson, REA Field Engineer from Albuquerque, New Mexico. Purpose of the meeting was to initiate a new loan for Deaf Smith REC.

Scoltock was given an aerial tour of the Deaf Smith REC system and of the cattle and agricultural industry of this area. He said, "the scope of agriculture is almost unbelievable in Deaf Smith, Castro, Parmer and Oldham counties." "A person has to see it to believe it."

Although Scoltock is not unfamiliar with this area and its cooperative, it had been a number of years since he had observed it.

The phenomenon is hard for a lot of Americans to understand too-Americans who have lived in a country that has been envied by the rest of the world because of the resourcefulness, initiative and willingness of its citizens to push back frontiers of knowledge. How could a nation, which a few short years ago landed a man on the moon, suddenly become immobilized by a paralysis of caution that is turning it into an island of scarcity?

THERE FRIDAY NIGHT

# Mustangs Try To Get On Winning Track

Bovina's Mustangs, with one district loss on their ledger, will attempt to even the slate Friday night when they travel to Sudan to take on the Hornets. Kickoff time for the District 3-A battle is 8 p.m.

Although the Mustangs are smarting from five consecutive losses, Head Coach Roger Ezell feels the team is beginning to play more as a unit and expects the game to be a close one.

**RESULTS IN LAST WEEK'S DISTRICT 3-A GAMES**

In District 3-A action last week, Farwell defeated Springlake-Earth, 33-19; Hart defeated Sudan, 32-14; and Vega defeated Bovina, 27-0. Kress lost a game to Class AA Dimmitt, 27-0.

The Ponies fought to a 14-14 tie with Sudan last year, in a game played in drizzling rain and mud on Mustang Field.

The Hornets own a 4-2 record thus far in the season, defeating Plains, 8-0; and scoring one touchdown wins over Anton and Shallowater. The Hornets' losses came at the hands of Amherst, a Class B squad, 0-8, and in their district opener, the Hornets fell to Hart, 32-14.

"Sudan has a better team than a year ago, they seem to be much stronger on defense than offense," said Ezell. "They don't have much speed; Mark Hanna appears to be their best back. He has some speed and runs tough."

Eleven lettermen return to the lineup at Sudan this year, including Roby Lynn, tight end. Lynn, a senior, is a prospect for all-state honors, according to Sudan Coach Jim Warren. He earned All-South Plains honors as a junior. Other returning

lettermen include Hanna, Richard Tamplin and Danny Williams, and Pat Hedges in the backfield.

Ezell said the Hornets run from a wishbone and spread-I formation. \*\*\*\*

## Sudan Gets Nod In District Tilt

"I thought, as far as effort, we really got after Vega Friday night," said Ezell. "We defended the Longhorns as well as anyone has this year and probably held them to less yards rushing than anyone."

"Their first two scores came on something we hadn't seen before and by the time we adjusted, it was too late," he continued.

"Offensively, we were disappointed because we couldn't move the ball on the ground, but we knew it was going to be

tough." Senior linebacker Billy Shelby came in for his share of praise from the Vega coach in comments to an Amarillo paper.

Vega's Al Moore had the blocking assignment on Shelby and Jimmy Duncan, Vega Coach, said, "Billy Shelby has to be the best linebacker in the country. He really hurt us. He's the best we've played all year."

The Mustangs came through the Vega battle in reasonably

good shape. Joe Delgado, defensive back and offensive halfback, was shook up and will probably not see offensive action this week. Tackle Dannie McKay suffered facial cuts but is expected to play.

Friday night's probable starting lineup for the Mustangs is as follows--

Center-Terry Sherrill, 212, senior;  
Guards-Tony Serna, 181, senior; Joe Steelman, 170, junior;

Tackles-Dannie McKay, 222, senior; Elbert Shelby, 176, sophomore;  
Ends-Roy Hartzog, 143, senior; Chuck Gilbreath, 149, junior;

Quarterback-Billy Shelby, 170, senior; or Dennis Willard, 148, sophomore;  
Fullback-Alton McCormick, 139, junior;

Halfbacks-Billy Shelby; Ray Martinez, 174, sophomore; or Bryan Fillpot, 151, junior;

DEFENSE--  
Ends-Martinez and Elbert Shelby;  
Guards-Sherrill and Steelman;

Tackles-McKay and Serna; Middle linebacker-Billy Shelby;

Halfbacks-Joe Delgado, 122, senior; and Hartzog;  
Cornerbacks-Gilbreath and Tommy DeLeon, 145, sophomore.

BAD NIGHT FOR BOVINA

# Ponies Drop 3-A Opener To Vega 'Horns, 27 -0

Bovina's Mustangs played on even terms with the Vega Longhorns in the first quarter of Friday night's District 3-A opener for the Maroons, but the 'Horns scored two quick touchdowns in the second stanza and held the Ponies at bay for a 27-0 win.

The loss dropped the Ponies to an 0-5 record for the year and boosted Vega's slate to 6-0.

The Longhorns scored on their third play from scrimmage after receiving the initial kickoff, however a backfield-in-motion penalty nullified the 57-yard run by Vega Quarterback Arnold Galbreath and for awhile it seemed the game would turn into the usual hard-fought battle between the two teams.

However, the second quarter began with Vega in possession of the ball on the Bovina 31-yard line. The 'Horns drove

down to the 11-yard line where Galbreath ran it over on a first down play. The kick by Jim Davis for the extra point was good and Vega led, 7-0, with 11:20 remaining on the clock.

The Ponies were unable to pick up a first down after receiving the kickoff and Vega put the ball into play on the Bovina 44-yard line, following a 28-yard punt by Roy Hartzog and a 15-yard penalty against the Ponies.

Vega picked up two first downs in the ensuing drive and had a first and goal from the eight-yard line. The Maroons threw up a stout defense and held Vega out of scoring territory on three tries. However, on a fourth down and inches, Vega Back Jim Davis plowed through the line for Vega's second counter. Davis' kick was good and Vega owned a 14-0 lead with 6:57 left in the half.

Again, the Ponies were unable to pick up a first down and Vega began to move the ball again. However, on a third and 24 situation, Cornerback

Chuck Gilbreath intercepted a Galbreath pass and ran it back to the Longhorn 40-yard line, the first time the Ponies had penetrated Vega's half of the field. Following an exchange of punts, the Mustangs picked up their initial first down in the game and the half ended with Bovina on Vega's 44-yard line.

Bovina received the kickoff in the second half and drove to Vega's 40-yard line before being forced to give up the ball. The teams exchanged possession of the ball again before Vega's Tim Hubbard broke several Pony tackles on a 47-yard scoring jaunt. Davis' kick was good to give Vega a

21-0 lead with 3:03 remaining on the clock.

The 'Horns scored for the final time in the opening minutes of the fourth quarter going from the Bovina 49-yard line to yardir in six plays. Davis again scored the TD for Vega from the one yard line. The kick failed, and scoring was over for the evening with Vega leading, 27-0, with 11:10 on the clock.

For the Mustangs, Alton McCormick carried the ball five times for eight yards, Ray Martinez carried 10 times for 25 yards, Joe Delgado toted the ball eight times for 17 yards, Billy Shelby carried six times for 38 steps, and Bryan Fillpot carried two times for eight yards.

Chuck Gilbreath was the leading pass receiver for the Ponies, snaring one pass for 11 yards.

In the final minutes of the

## Name 7 To BHS Honor Roll

Seven Bovina High School students were named to the A honor roll for the first six weeks of the 1973-'74 school term, according to Gary Cox, high school principal.

Kim Ware was the lone freshman to make the honor roll. No sophomores and juniors were eligible for the list.

Seniors named to the list were Jana Barrett, Heidi Corn, Sonja O'Hair, Rhonda Rhodes, Christie Trimble and Terri Willard.

To be eligible for the high school honor roll, students must earn a grade average of 90 or above in each subject he or she is enrolled.
