

Bull Town Bulletins

By
Bill Ellis

HAVE YOU EVER wondered where some of the common sayings or phrases we use in our everyday conversation originated? We ran across the explanation for some of these phrases this week, and thought you would enjoy them, too.

For example, the phrase, "Watching your P's and Q's" is believed to have come from the day when innkeepers used to chalk up their customers' debts on the walls of their taverns. They kept track of the number of pints owed for under the letter P, and the number of quarts in the "Q" column. Another thought on this one is that young printers' apprentices were told to be careful in distinguishing between the back-to-front forms of the letters "p" and "q" when sorting type.

"Selling Down the River" probably came into existence during slavery days in the United States. Colonists in the northern states would be offered high prices for their domestic slaves by plantation owners in the South when slave ships from Africa were delayed and labor was scarce.

"The cold shoulder," is a term which refers to a polite snub. According to tradition, it came from medieval France, where a chateau guest who was served a cold shoulder of beef or mutton instead of hot meat was intended to take it as a gentle hint that he had overstayed his welcome.

"To knuckle under." There are two possible explanations of this phrase, which means to admit defeat. One is the medieval form of submission, bending the knee—then called a knuckle. The other derivation is a player's old custom of rapping the underside of a table to admit defeat in a game.

"Kilroy was here" is a slogan which came into being during World War II. James J. Kilroy was a shipyard inspector in Quincy, Massachusetts, and his signature on equipment was used to indicate that it had met his approval. His name found its way to many obscure places, and so tickled the soldiers' imagination that they soon counterfeited the signature and left it virtually everywhere there was a writing surface and something with which to write.

"By hook or crook" may have come from the ancient custom by the feudal lords of allowing their tenants to gather as much wood from their lord's land as they could rake up from the undergrowth with a hook, or pull down from the trees with a shepherd's crook.

"Double Dutch," or "It's Greek to Me," is an expression by English-speaking people to describe something that is unintelligible. Other nations have their own terms. The French and Greeks say "It's Chinese to me," and the Polish people say "I'm listening to a Turkish sermon."

"Not to be sneezed at." During the 17th century, snuff takers learned to control their sneezing and reserve it as a sign of boredom or disapproval. Anything that merited their favor, then, was deemed "not to be sneezed at."

AT PRESS TIME this week we have just learned of the tragic death by assassination of Egypt's president, Anwar Sadat.

This type of terrorist rule needs to end, in order for our world to go forward.

Sadat's death is particularly regrettable, as he has been the one main stabilizing force in the Middle East, and one of the few Eastern leaders on which the United States could depend.

His leadership qualities were unmatched in the world today. "When he walked into a room, you could feel his presence," Congressman Kent Hance has said.

Mustangs Wallop Lazbuddie, 59-0

By JANET WILKE

The Bovina Mustangs whacked the Lazbuddie Longhorns in last Friday night's routing, 59-0.

The Mustangs took an early lead and never relinquished it. The first score came from a Dale Gilbreath pass to Ricky Shepherd with the clock showing 7:07 in the first quarter. The 22-yard pass went into the end-zone, and then Richard Shepherd made good on the two point conversion.

In the second quarter, Gilbreath connected on a nine yard pass to Ricky Shepherd, and Victor Robledo kicked the PAT.

At 9:37 in the second quarter, Dale Gilbreath again found Richard Shepherd on a four yard pass, and Robledo kicked the extra point for a 22-0 lead.

In the second half, the Mustangs went on a rampage to make it a carbon copy of the first half, as they came out scoring on a 15-yard field goal by Robledo, and then again on field goals from 39 yards and 38 yards out. Robledo did a sensational job of getting the ball through the uprights.

That pushed Bovina's lead to 31-0. In the third quarter, Dale Gilbreath passed to Ricky Shepherd for a 22-yard scoring spree, and Robledo made good on the PAT.

In the fourth quarter, the Mustangs recovered on a near miss, when one player fumbled the ball into the end zone, and another player from Bovina quickly scooped it up for the score.

Robledo kicked the point after, and for the last score of the night, the Mustangs, behind the arm of Jon Riddle, watched as Bull Chisom caught a four yard pass in the end zone. The kick failed, leaving the score, 59-0.

In the statistical department, Bovina did everything.

In the first half of the game they gained 102 yards rushing, and then gained 113 yards in the second half to give a total of 215 yards rushing.

Dale Gilbreath, and his back-up Jon Riddle, totaled 206 yards passing, with 166 coming in the first half of the game, and 38 in the second half.

In the total yards gained in the game, the Mustangs were awesome with their 421 yards.

In the passing attempts, in the first half, 16 passes were attempted and eight were completed, and four of nine were completed in the second half.

Bovina recovered two Longhorn fumbles in the first half, and three in the second half.

The Longhorns were never in the ball game.

Looking ahead to district play, Coach Paul Toppliff said the Mustangs are ready for a week off, then they would be ready for Springlake-Earth.

"We will have to play the best individuals in the best spots, and whatever decisions are made will be what we will be going with for the

next five weeks."

Toppliff said that the Mustangs would be faced with several tough customers in the district race, and that there would not be any "easy" games.

"The pressure is going to be bad. We will have to control the ball to win the games."

The coach also said that the defense would play a key role in the Mustangs success or failure, as a team.

"The way I look at it, passing (the passing game) sells tickets, but the defense gets you to the championship games."

Toppliff expressed concern for the Eagles in two weeks, citing their home field advantage, and past winning records as two major factors in the game.

"If they can, they will be out to embarrass us. They are going to use psychology on us."

The remainder of the Mustangs schedule is as follows:

Springlake-Earth, there, 7:30 p.m., October 16; Kress, here, 7:30 p.m., October 23; Vega, there, 7:30 p.m., October 30; Hart, here, 7:30 p.m., November 6; Farwell, here, 7:30 p.m., November 13.

Due to the fact that the Varsity will be open this week, the Mustang JV will be playing Melrose, at 7:30 New Mexico time in Melrose on Friday, October 9, and all fans are urged to come out and support the Mustangs at this game.

TOUCHDOWN COUNTRY....The upraised hands of the official says it all....T.D.! On the ground is Mustang Ricky Shepherd, and surrounding him are jubilant Bovina players. The Mustangs beat Lazbuddie on the 'Horns home field Friday night, 59-0.

Drug Seminar Here Has Small Crowd

Although it was held on Tuesday night, there were only ten persons present at the Texas Department of Public Safety Drug Information Seminar, held at 7 p.m. September 29 in the high school auditorium.

Trooper II Paul Hoff of Amarillo was the featured speaker and his program was well worth the effort to those who attended.

Hoff, who is a native of Hereford, and also a member of the DPS Safety Education Service out of the Amarillo District DPS offices, spoke on the effects of drugs on the users and showed a film dealing with the physical effects of drugs on the users. The film depicted how drugs effect the various parts of the body, including the vital organs of the brain, liver and heart.

After the film was shown, Hoff showed the people present a number of drugs which are the most commonly used, and easiest to get.

One of the first questions Hoff posed to the people present was "How many of you use drugs? Hold up your hands."

Many astonished when even the Trooper held his hand up. Then they realized that he was talking about legal drugs such as aspirin, etc.

Hoff stated that any medication which warned against the operation of machinery while taking that medication contained some type of drug.

Hoff outlined the various types of drugs: depressants including alcohol; stimulants and hallucinogens which constitute the three main types of drugs.

Also discussed was the effect that the various drugs had on the users and what a person could look for in someone who they suspected of taking drugs.

One important point which was covered was the use of the prescription drug, Valium, in which usage had increased over the past few years to 40 doses for every man,

woman and child in the United States.

At the present time, the Texas DPS has a special force working on the drug problem in Texas, as especially with the problem of marijuana importation.

Since Texas has vast amounts of coastline, it is easy for drug smugglers, in particular marijuana smugglers, to be able to get drugs into the country on shrimp boats, or other small vessels.

However the DPS has now begun a program with their Border Detachment, a force of 200 persons, to crack down on the illicit drug operations in the state.

Hoff said that the state has passed a law which will make it necessary to keep records, in Austin, of when every prescription drug was dispensed and those records will hopefully give a clue as to where the abusers are, whether it be the druggists, or in the medical profession.

Sometimes called the "rich kids drug," Hoff said this drug was used in social situations and was apt to crop up at parties and gatherings where a larger amount of people would gather.

Hoff also indicated that most all drugs come from organized crime connections and that no habit was a cheap habit.

As an example, Hoff said that if a person had a heroin habit which cost him \$100 per day to sustain, he would have to steal \$500 worth of merchandise to support this habit.

One other interesting fact which Hoff brought up was the fact that in the past two DPS deaths, the subjects who killed these law officers were on drugs at the time of the killings.

For those of you who missed this seminar, the handouts can be obtained from Hoff by writing to him in care of the Texas Department of Public Safety, Amarillo District Office, Box 31960, Amarillo, Texas 79120.

Parents, Babysitters' Event Set

What should the obligations of babysitters be? What should parents look for in a sitter? What is a reasonable rate for a babysitter?

These questions, as well as others will be examined in a seminar dealing with babysitters and parents, which will be held on October 17 in the Community Room of the First State Bank.

The program will be conducted from 9-12 noon, and parents and sitter alike will have a chance to express just what makes a good babysitter.

Featured speaker for the event will be Sarah Owen, who is a nurse and she will give pointers on what should and should not be considered a serious problem when sitters are left with children and a medical problem crops up.

Parents and prospective sitters will be able to face questions from one another and tips on how to choose a babysitter and what should be expected of a sitter will be fielded.

The Bovina chapter of the Young Homemakers of Texas will be participating in part of the program and the Bovina Women's Study Club is also jointly sponsoring this seminar.

Also a list of babysitters will be available following the meeting.

Refreshments will be served and any interested parent or any person interested in babysitting will be offered the opportunity to have their names and qualifications posted.

NUMBER ONE IN TEXAS...Shown with the plaque, presented by the State Office of ASCS, and their two certificates presented by the U.S. Department of Agriculture, are the office staff from the Parmer County ASCS office in Farwell, including, from left, back row, Nathan Moore, Minnie Fleming, Prentice Mills, executive director; Dorothy Gast, and David Adams, district director; and seated, Jo Schell, Sheryl Taylor and Judy Dollar. Not present for the picture were Billie Faye Sluder and Kent Gast. The office was chosen as the state's top ASCS office for "outstanding service to agriculture." See story on Page 2.

Ten-Year-Old Wins Football Contest

Ten year old David Boozer placed first in the weekly Bovina Businesses Football contest for the fifth week, and the first time for the youngster. He is the son of Mr. and Mrs. Lowell Boozer.

David, with his 12 correct predictions, won his first place check of \$7.50 with the only score that high.

Several persons guessed 11 games correctly, but the closest guess on the tie-breaker came from Edward Chisom, who predicted the Cowboys to lose 17-21, to the Cards, taking second place. We sometimes wonder if these people have ESP or something. The actual score was Dallas 17, St. Louis 20.

Second closest guess on the tie-breaker was A.M. Wilson, whose

guess of Dallas 24, St. Louis 17, garnered him a third place check.

Those who guessed 11 right were Barbara Cockerham, Jim Cockerham, Edward Chisom, A.M. Wilson and Carl Harris.

Billy Whitecotton ended the reign of Julia Moody as leader in the contest standings, as he boosted his score to 49, over Julia's 48 score.

Whitecotton predicted nine correct games, which when added to his already sound score of 40, gave him a 49. Moody slipped from the lead after her low score of four only pushed her score to 48, one short of the lead.

Five others joined Moody at her 48 position, and they include Kathy Boozer, Tommy DeLeon, Dorothy Harris, Pat Read and Larry Wiseman.

DPS DRUG SEMINAR...Shown are persons who attended the Department of Public Safety Drug Seminar on Tuesday, September 29 in Bovina. Trooper II Paul Hoff of Amarillo conducted the program, with help from the Bovina Police.

REFLECTIONS From The Blade

25 YEARS AGO--OCT. 3, 1956
Otis Huggins, representative of Southwestern Public Service Company, has announced that stakes to mark the location of Bovina's street lights were driven Thursday of last week.
Coach Bob Wills' junior high Mustangs ran rough-shod over Lazbuddie juniors Tuesday night at Mustang Field, 45-6.
A tractor belonging to Fred O'Hair caught fire Saturday morning near a butane tank on his farm 5 1/2 miles south and one mile east of Bovina.

20 YEARS AGO--OCT. 4, 1961
City of Bovina tax billings are up about \$3000 for 1961 over 1960, city secretary Virgil Tritsch announces.
Mr. and Mrs. Billy Don Read announce the birth of a seven pound, 9 ounce baby girl born Sunday night at Memorial Hospital in Clovis.
Bovina Mustangs dropped their third game of the season at Boys Ranch Friday night as the Rough Riders spurred them 14-6 in a lack-luster non-district fray.

15 YEARS AGO--OCT. 5, 1966
Total deposits at the First State Bank of Bovina at the close of

Boy Born To K. Harrises

Mr. and Mrs. Kyle Harris are the parents of a baby boy born Sunday, October 4, at 5:22 p.m. in Parmer County Community Hospital in Friona. This is the first child for the couple, who reside in Bovina.
Named Billy J. Harris, the boy weighed eight pounds, nine ounces and measured 20 inches in length.
Grandparents are Mr. and Mrs. Jay Harris of Bovina, and Mr. and Mrs. Ernest McCallen of Sacramento, California.
Great-grandparents are Mr. and Mrs. Alfred Taylor of North Vasoboro, Maine.

business on September 20, was \$1,668,008.82, or almost \$11,000 over the report made last year a month later on October 13.

Over 100 memberships have been sold for the Mustang Booster Club in the drive that began last week, Roy Allen, secretary, says.
Mrs. Patricia DiCuffa was a Bovina Business Football Contest winner for the second week in a row, picking eight winning teams this week and only missing the tie-breaking score by five points.

10 YEARS AGO--OCTOBER 6, 1971
Faced with a down market and a bumper crop, area farmers are on the brink of the 1971 milo harvest.

Cpl. Gary Blair Earns Medal

Cpl. Gary D. Blair, son of Mr. and Mrs. Joe Blair of Farwell, has been decorated with the U.S. Army Commendation Medal at Fort Riley, Kansas.

The Army Commendation Medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Army.

Blair, an infantryman with the 1st Infantry Division, is a 1976 graduate of Farwell High School.

THE WHITE HOUSE

WASHINGTON

NATIONAL NEWSPAPER WEEK

October 11-17, 1981

Since the founding of the Republic, freedom of the press has been a fundamental tenet of American life. We have always believed that the truth, given a chance to be heard, has a power of its own. And we recognize that a free press, whatever its occasional abuses or excesses, is essential to the pursuit of that truth and to the human freedom it engenders.

To continue as a success in what Thomas Jefferson called our "noble experiment" in self-government, there is no more essential ingredient than a free, strong, and independent press. For a people to truly govern themselves, they must have a free flow of information on which to base their decisions and attitudes. The dedicated men and women of the journalistic fraternity, who serve their profession with responsibility and high standards of accuracy, are among the foremost bulwarks of our nation's liberty. Their credibility and devotion to news reporting is a major factor in our people's confidence in our free institutions.

Newspapers serve as the nerve centers of information so essential to the functioning of modern life in America. Because of the in-depth reporting and analysis offered by newspapers, we are able to build a knowledgeable frame-of-reference by which to interpret events. The knowledge produced by devoted newspaper people coupled with the freedom to print the truth as they see it, is the foundation for the continued progress of our nation.

Nancy and I join all Americans in paying tribute to our country's newspapers during this week long recognition of their many contributions to our way of life.

Ronald Reagan

Bike-A-Thon Successful

Police Chief John Detten termed the St. Jude's Bike-A-Thon a success, after its conclusion on Saturday.

With near-perfect weather, 37 riders showed up for the charity ride, and the rider turning the most miles was Jerry Stone, who came up with 36 miles.

Closest to Stone was Vince Meza, with a total of 33 miles, and two more riders came in third with 28 miles each. They were Randy Stone and Charlie Stone.

Detten praised each of the riders

for their efforts on the bike-a-thon, and he also expressed thanks to the Bovina Senior Citizens organization, the Knights of Columbus, the Dairy Freeze, the Texas Highway Department, Charles Oil Company, and the Bovina Restaurant for their help and support in the project.

Detten also expressed a special thanks to the many parents and sponsors who made the bike-a-thon possible.

Donations from the bike-a-thon will go to the St. Jude's Research Hospital in Memphis, Tennessee, which deals with childhood forms of cancer and other forms of catastrophic childhood diseases.

Blade's Edge

Commentary From The Editor

By Janet Wilke

I was personally disappointed to see only ten persons come out for the DPS drug information seminar. If you missed this, you really missed a great program.

Trooper II Paul Hoff of Amarillo was the speaker and he did a very good job of making the people there aware of the seriousness of using drugs.

Trooper Hoff went to the trouble to give a very informative program but I feel that it did not get said to enough people.

I am very sorry that he had to make a 120 mile trip to speak to ten people. I don't think this speaks very well of Bovina.

Next week, newspapers all over the country will be strutting their stuff, in a manner, as it has been declared National Newspaper Week.

In this business, we often times make mistakes...but who of us does not?

The freedom of the press is guaranteed to each of us by the First Amendment and I feel that it is necessary to keep this concept.

Equally important is the Freedom Of Information Act, which is now under fire from a coalition who hopes to see the demise of the act.

What would a repeal such as this do? Well, for one thing, it would restrict information about governmental policy and restrict openness to the press and the people of this country, of these facts.

There would no longer be news about law enforcement, national security, the energy crisis, sex discrimination, race discrimination, environmental problems and consumer concerns which are today a major part of the press, and also the citizen's right to know.

Do you think you could live in a society which shields you from the truth, especially when the truth concerns you?

Although it may be true sometimes that all you hear is bad news, but wouldn't you rather hear bad news than no news at all?

Think about the consequences, and decide if any of us can AFFORD to

give up the Freedom Of Information Act, as well as freedom of the press. Because, once this happens, we will have given up something that our forefathers fought hard, long and bitterly for.

A FREE PRESS
Your window to the world.
NATIONAL NEWSPAPER WEEK, OCTOBER 11-17, 1981

Local ASCS Office Rates Number One

Parmer County Agriculture Stabilization and Conservation Committee office has been selected as the top ASCS office in the State of Texas, according to Prentice Mills, local ASCS executive director.

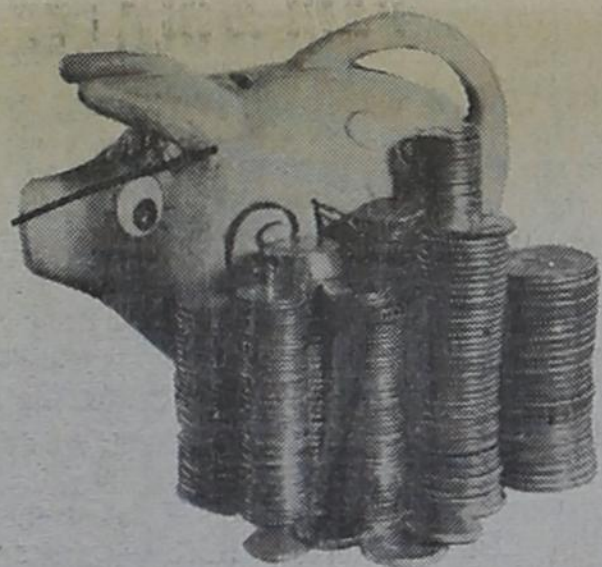

Mills and two of his staff attended a recent awards ceremony where he received a plaque from the Texas ASCS Commission and certificates of merit and appreciation from the U.S. Department of Agriculture for the recently bestowed honor.

"Since Parmer County has the best farmers in the world, then of course it follows that we would have the best office in Parmer County," said Mills. "This is a team effort; we have tremendous people in this office."

The award given for "Outstanding Service to Agriculture" was presented to Mills at ceremonies conducted September 22 in College Station. Attending with the local director were Dorothy Gast and Jo Schell, both employees in the Parmer County office.

The presentation was made to Mills by Roy Jacoby, chairman of the Texas ASCS Commission.

Mills is proud to point out that the award is the top award in the State of Texas given by the State ASCS Commission, and was presented not only to his office staff, but also recognizes members of the ASCS County Committee as well, including David Grimsley, chairman; Tom Caldwell, vice-chairman; and alternates Floyd Schueler and Tom Beauchamp.

Contest Rules

- There are 14 football games listed in ads on this page.
- Pick the team you think will win in each game and place the WINNER'S NAME beside the corresponding number in the contest entry blank at bottom of this page.
- Pick the score of the tie breaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
- Winners will be named by the Monday following the contest deadline each Friday and they will be named by Sunday, if possible. Cash prizes of \$7.50 for first, \$5.00 for second, and third prize of \$3.00 will be awarded.
- Tabulations of individual entrants will be kept all season and at the end of the season Grand prize winner will be named.
- There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p.m. or postmarked by 5 p.m. Friday.
- Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
- Tabulations will be available for public inspection. Members of the Blade staff will serve as judges for contest.
- Contestants must be 10 years old or older.
- Everyone, except employees of this newspaper and their families, is eligible to enter.

Scooter's Scoops

By Scooter Russell

Kyle and Beverly Harris are parents of their first child, a son, named Billy J. He was born in the Parmer County Community Hospital Sunday, October 4. He weighed eight pounds nine ounces. We congratulate them and grandparents, Furne and Jay Harris of Bovina and Mr. and Mrs. Ernest McCallen of Sacramento, California.

We want to express our deepest sympathies to P.O. Dixon and family in the loss of Mrs. Dixon who passed away Sunday night in the Parmer County Community Hospital in Friona. Services will be held Wednesday afternoon in the First United Methodist Church in Bovina.

We understand R.T. Harbour is in the St. Anthony's Hospital in Amarillo and has undergone surgery, but could not find out any further information. He has been there about two weeks and if you have any information we would appreciate a call.

Mary Evans of Oklahoma City was in Bovina over the weekend visiting with her mother, Willie Mae Ross.

Mr. and Mrs. Elvin Murphy of Ballinger visited in the home of their son and daughter-in-law, Don and Juanda Murphy. They came last Monday and stayed until Wednesday before returning to Ballinger.

Lola Parson's mother, Mable Drinkard, underwent heart surgery in St. Mary's Hospital in Lubbock a week ago Monday and as of last Friday she was getting along fine. She will be spending time with her daughter in Andrews when she is released.

Mr. W.W. Wilcox suffered a slight stroke and entered the Parmer County Community Hospital in Friona last Saturday. Friends say he is getting along fine.

Carl Rea came home from the

Friona hospital last Thursday after spending six days there, suffering from double pneumonia. I talked with him Monday and he is getting along better.

Claude Lusk spent ten days in the Friona hospital, but his granddaughter Twyla said he is home and getting along much better.

We understand Mrs. W.C. McCain of Fieldton fell last week and broke her arm. We do hope she gets along fine. She is Leslie McCain's mother and one of our favorite people.

Nat Cooper of Lubbock is visiting in the home of Mr. and Mrs. Thomas Rhodes. Mr. Cooper is a friend of the Rhodes' and is holding a revival at the Church of Christ until Wednesday of this week.

Kay and Tommy Williams enjoyed having their children visiting over the weekend, their daughter Kathy, who is attending Texas Tech in Lubbock and their daughter and son-in-law, Lezli and Gary Tidwell of Munday.

Jodi Lawlis came to Bovina last Wednesday and visited her grandparents, Mr. and Mrs. Ovid Lawlis. Jodi's parents, James and Penny, and another daughter, Jane, of Amarillo, came to Bovina last Friday and James and Ovid attended the football game in Lazbuddie. Jodi and her family returned to Amarillo on Saturday.

Mary Jane and A.M. Wilson went to Abilene last Friday and spent a couple of days with their daughter and family, Suzanne and Rodney Murphy and sons, Adam and Kip.

Mary Jane said they attended a good football game in Abilene, McMurry and L.C.C. played with McMurry winning with a score of 21-0. Their son-in-law is coach at McMurry.

Bessie Webb attended the wedding of her grandson, Mark Allen Webb,

of Dimmitt, last Friday. The wedding was held at the Assembly of God Church in Dimmitt. Mark Allen is the son of Al and Betty Webb of Dimmitt.

DID YOU KNOW?
Brunettes and redheads can rinse their hair in leftover coffee. Do not rinse out. You will be amazed at how rich and shiny your hair will appear.
For blondes: Final rinse with water containing a few tablespoons of lemon juice.
Your nail polish will always be smooth and easy to apply when you store it in the refrigerator. Frosted nail polish will not separate either.

Have a good week and thank you for helping with Scoops... Scooter

Sandra Priebe, Carl Rea, Ana Gutierrez and baby boy, Linda Jane Duran, Socorro Perez and baby girl, Lydia Rodriguez and baby boy, Lillian McLellan, Eloy Castanon, Claude Lusk, Lois Weatherly, Edward Corn, Wana Brewer, Martha Bates.

PATIENTS IN HOSPITAL--

Sam Williams, Steven Duffy, Beverly Harris and baby boy, W.W. Wilcox, Torivio Garcia, Sharon Young.

53 Attend FFA Meet

Fifty-three teachers and students were on hand for the District FFA meeting which was held in Bovina on Monday, October 5.

District Advisor Lawrence Widner of Bovina said the meeting was very successful and he was pleased with the turn out.

Students and teachers from Bovina, Friona, Farwell, Lazbuddie, Three Way, Muleshoe, Whiteface, Whitharral, Morton, Sudan, Anton, Littlefield, and Spade were on hand to make decisions for the new school year.

Among some of the decisions made were who would serve as the three officers in the district. The new officers were selected and they are Terry Jesko of Lazbuddie, district treasurer; Junior Elizondo of Spade, district reporter, and Alan Fine of Muleshoe as district sentinel.

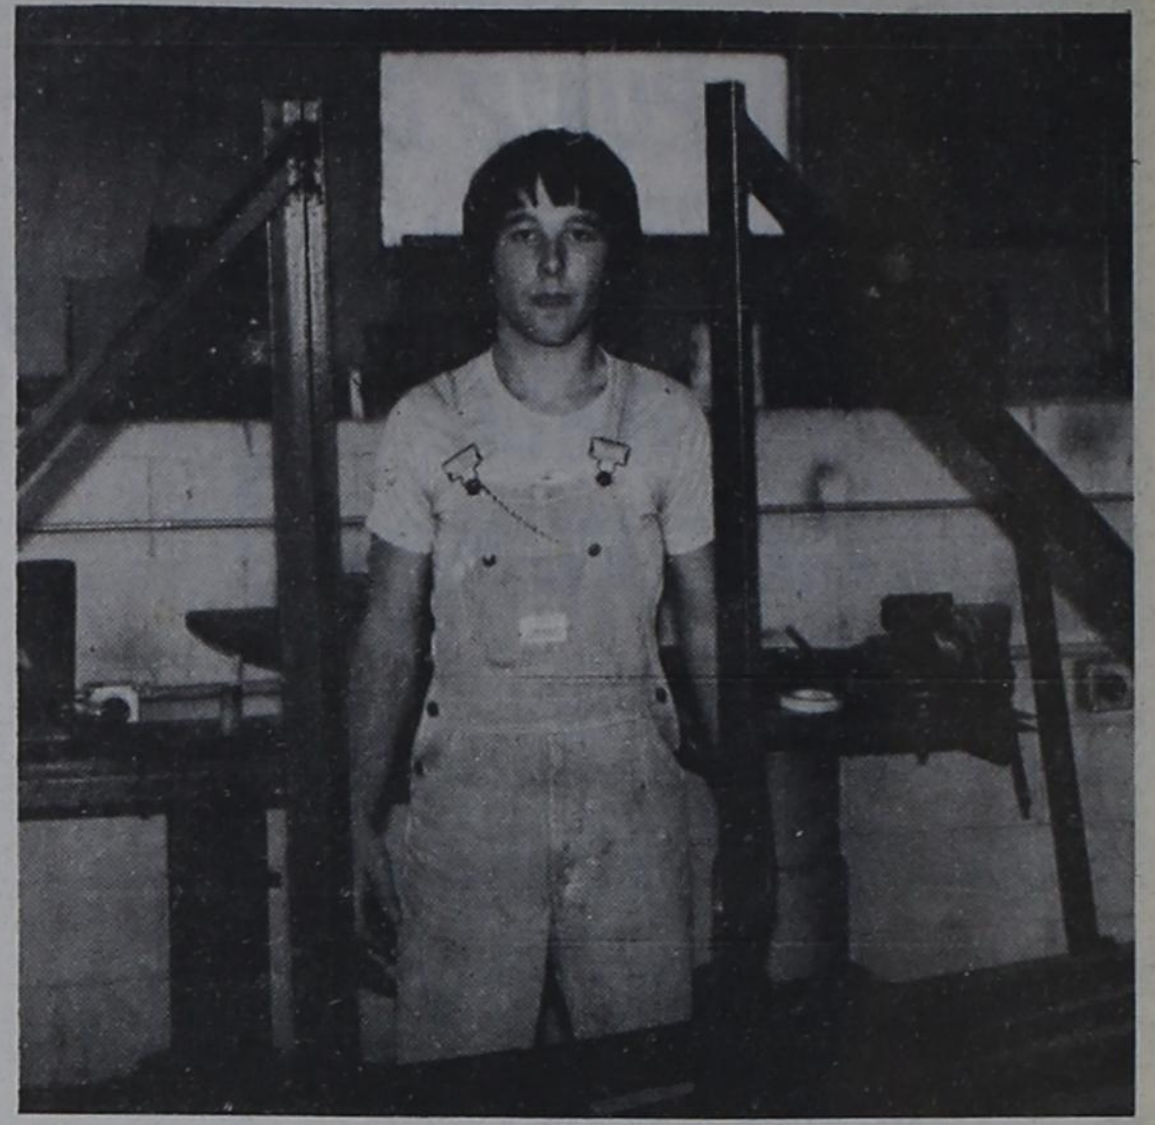

On hand to conduct a mini leadership seminar were two Area officers for the FFA organization, Alex Elizondo of Spade and Don Jones of Spur.

Sixteen teachers convened in the high school ag classroom to discuss how to deal with some additional paperwork, as well as setting the district leadership contest in which several contests will be held including the Greenhand chapter conducting skills, the Chapter Conducting skills, Greenhand Quiz, Radio contest, and the Senior and Junior Farm Skill teams.

This contest will be held on November 16 in Friona.

The student officers also discussed a date for the District FFA banquet, which will be held on December 14, at South Plains College in Levelland. Also discussed was the setting of District dues to 50 cents per person for leadership and judging team banners.

District President, Bret Whitten, was in charge of the student's part of the meeting, and Jay Eudy, area supervisor of the FFA organization of Plainview, addressed the teachers.

PRIZE WINNING ENTRY....Shown is Steve Pruitt, as he stands between sections of his row marker, which took second place in the Panhandle South Plains Fair Farm Machinery contest in Lubbock last week.

FFA Members Place Well At Lubbock Fair

The Bovina FFA entrants did well in the South Plains Fair, which was held last week in Lubbock, Texas.

Eight of the 12 entries which were taken to the Fair placed and several of the winners brought home prize money.

In the livestock contest, Bret Whitten monopolized the winnings with three lambs placing. Bret received a second, 15th and 17th place with his lambs. Jon Riddle placed 10th with his lamb.

In the farm machinery division, for large farm and ranch equipment, Steve Pruitt placed fourth on his row markers, which earned him a check for \$50.00.

Mark Teague, whose entry was a livestock trailer, received an Honorable Mention on his project, Bret Whitten exhibited a portable barn, which also received an Honorable Mention, and the Pig Crate of Lynn Read--Tim Garner,

also was Honorable Mention. Each of the Honorable Mention items received a \$20.00 prize.

In the Small Farm machinery division, Bret Whitten received a second place on his show box, and earned himself a \$50 cash prize.

In the General Shop category, under the small entries division, Tim Garner showed a Grill Guard which earned him a second place title, and \$50.00.

In the Home and Recreational category, Doyle Garner placed second on a bench press table which he constructed, and he received \$50, and in the large items of the same category, Brad Heflin won an Honorable Mention on a picnic table which he made. His cash prize was \$15.00.

Judging the contest at Lubbock was Lynn Walling, who is head of the Agriculture Department at Howard Junior College in Big Spring.

JUDGES ATTEND SEMINAR....Eighty justices of the peace attended a 20-hour Texas Justice of the Peace Training Center seminar September 15-18 in Amarillo. The training center is based at Southwest Texas State University in San Marcos. The seminars are held in compliance with Article 5972, Section B, of the Texas Revised Civil Statutes. Among the judges attending were, left to right, Albert Smith of Farwell, Parmer County, Precinct 1; Wayne Spears of Bovina, Parmer County, Precinct 3. (SWT News Service Photo)

Sr. Citizens Program Held On Wednesday

The Bovina Senior Citizens met on September 30 for their monthly luncheon at 11:30 a.m. Forty-eight persons attended the luncheon.

Following the luncheon, Police Chief John Detten addressed the group with a presentation on the St. Jude's Children's Hospital, in which he showed a film.

The hospital is a research center for children who have catastrophic diseases such as cancer. Detten also reminded the senior citizens that there would be a bike-a-thon held Saturday, October 3 to benefit this hospital with persons from the Bovina community riding for donations.

After the program, those present took part in a short business meeting.

A reminder to all citizens who are 55 or older that the senior citizens blood pressure clinic will be held each second and fourth Thursday at 2 p.m. at the center.

Also a reminder to all senior citizens, there will be a birthday party for any senior citizens who were born

in October at 3 p.m. on October 14. Everyone is invited to attend the party.

The next regular meeting will take place on October 28 and it will take the majority of the day.

All residents of Bovina who are 55 or older are invited to become involved in the senior citizens organization.

Members present at the meeting included Clifford and Julia Leake, Elbert Kelly, John Detten, police chief, Oma Gunn, Frances King, Maesie Flynn, G.A. Bandy, George Patton, Bill Venable, Opal Spring, Noel and Elva Teague, French and Nellie Crook.

Also, Hattie Burnett, Sophia Gillean, James Gillean, Lillian Warren, J.L. and Flaura Lee Bass, Earl and Mary Richards, Edith Fleming, Willie and Ethel Gipson, Tom and Nannie Rhodes, Travis Hancock, Alma Alverson, Alvo Kersey, George and Bessie Trimble, Buck and Dorothy Ellison, Johnnie and Lucille of Tularosa, N.M. and Allene Russell.

Parmer County Law Enforcement Report

SHERIFF'S REPORT

In arrests logged in the sheriff's office the past week, the following persons were charged:

On September 28, Johnny Jaramillo, of Bovina, 63, was charged with DWI, and he was fined \$150 and court costs, and sentenced to three days in jail.

On October 3, Benito Barron of Dimmitt, age 37, was charged with DWI, and was fined \$150 and court costs and was sentenced to 20 days in jail, with six months deferred adjudication and also charged with speeding 67 mph in a 55 mph zone. He was arrested by Art Lopez.

On October 4, Natividad Munoz, 19, of Bovina was charged with DWI and was released on \$300 bond.

Also on October 4, Frederick Zaske, 28, of Stroud, Oklahoma was charged with Driving while license was suspended (DWLS) and was fined \$100 and court costs and sentenced to three days in jail. Art Lopez was the arresting officer.

Fernando Tovar, 20, of Bovina was charged with felony theft, in an incident at Allsup's in Bovina where Tovar allegedly removed a Skil electric saw, a tape caddy, and about 38 tapes from the vehicle belonging to Nick Rodriguez of Bovina. All of the items taken were recovered.

Also arrested on October 5, Robin Peace, 20, of Friona was arrested on shoplifting charges and was fined \$150 and court costs and was given 90 days probation.

In other reports from the sheriff's office, a pick-up belonging to Parmer County Cattle Company, was reported stolen by C.C. Naegle, was recovered in Littlefield, abandoned on October 3.

The pick-up was taken from a residence in Bovina and after it was found, was returned to the owners.

LOCAL POLICE REPORT

Monday evening at about 7:30 p.m., a traffic accident was reported to local police officers at the location of Avenue C and 4th Street.

A driver of one of the vehicles, Juan Jaramillo, apparently ran a stop sign and hit another vehicle driven by Juan Contreras, and both of the drivers were from Bovina. Jaramillo was booked into the county jail for DWI.

On Tuesday, between the hours of 11:30 and 5:30 a.m. a pick-up was stolen from a driveway on Fourth and Avenue F. The vehicle was recovered in Littlefield Saturday.

Tuesday evening at about 10:30 p.m., a prowler was reported at a

residence located at Halsell and Avenue D. City police officers and the sheriff's deputy arrived and found that someone had tried to siphon gasoline from a vehicle parked at the location.

Wednesday morning at 1 a.m. prowlers were again reported at two residences, in the vicinity of Boyce and Avenue B. Apparently nothing was disturbed.

Sometime between Tuesday night and Wednesday noon, approximately 100 pounds of frozen pork was stolen from a freezer at a residence located at Avenue A and 4th Street.

Then, on Thursday evening at 9:30 p.m. a suspected "quick change" artist from Friona was apprehended in Bovina. The suspect was arrested on a felony theft warrant from Muleshoe and transported to Parmer County jail. The suspect, who had a lengthy criminal record was later released when Muleshoe discovered that their outstanding warrant had been cleared.

Saturday, at about noon, an anonymous party reported that she had returned to her home after a short absence, and she heard a noise in another part of the house. Knowing that her front door was locked, she went to check her back door, and as she was checking the back of the house, she heard the front door open. Apparently an intruder had been inside the home, and was scared away, leaving an object which was to be stolen, lying by the door on his way out.

On Sunday morning at about 1:30 a.m., Nate Munoz of Bovina was arrested and charged with DWI. He was transported to Parmer County jail, and submitted to a chemical breath test.

Also on Sunday, at approximately 4 a.m., Nick Rodriguez of Bovina, reported the theft of a power saw and a box of cassette tapes, which were taken from the cab of 1 is pick-up, while it was parked at Allsup's.

Monday evening, officers of the City Police department responded, with the sheriff's department personnel, to a call about a gang fight at the parking lot of Spears Handi-Stop. The fight was broken up and the group dispersed without further incident.

On Saturday, at about 1 p.m. Jimmy Harris of Amarillo reported a hit and run damage to his vehicle which was parked at 204 9th in Bovina. The damage had apparently occurred during the night.

DPS REPORT

Parmer County DPS troopers had a fairly easy week, with only two reported accidents and one person taken in on charges of DWLS.

In a report from Trooper Craig Hunt of Farwell, an accident involving a grain truck and a train occurred on October 2.

The accident happened at approximately 2:43 p.m. at the location of the Railroad crossing No. 14831-B and FM 292.

A red International grain truck, 1980 model, driven by Shawn Hays of Clovis was attempting to cross the tracks when the vehicle he was driving struck an on-coming train. The warning signals were operational at the time of the accident.

The train was struck about 10-15 feet from the front of the engine.

The engine was a Santa Fe diesel, engine number 5641 and the Trooper said he did not know if the driver of the truck did not see the warning lights or if he was attempting to beat the train across the tracks.

In the second accident, which involved two vehicles, there were injuries reported.

Trooper Hunt was called on an accident on October 3, at 1:45 p.m. 13 miles east and 3.1 miles north of Farwell, on FM 145.

Vehicle one was a tan Chevy pick-up and was driven by Manuel Hernandez of Bovina. Vehicle two was a 1976 blue Olds driven by Roy Sterling Donaldson of Farwell.

According to the DPS report, vehicle one was traveling down a county dirt road, and view was obscured by Johnson grass in a lake bed, which kept the driver of vehicle one from seeing the second vehicle oncoming.

The two vehicles hit left fender to left fender. Vehicle one was cited for traveling on the wrong side of the road, not passing.

Four persons in the Donaldson car were injured, but they were not seriously hurt, according to Trooper Hunt.

Hernandez was uninjured. In the only other action recorded by the DPS, Trooper Art Lopez arrested Sequell Balveraz of Hereford on the charge of driving while license was suspended. His arrest happened on October 5.

ENERGAS

**Gas heating saves
\$226 per year!**

Compared to the heat pump, gas heating can save you \$226 per year on your utility bills. So if you hear that a heat pump is "more economical", remember, that is comparing it to other electric heating... not to gas! No other heating system even comes close to gas for economy. At Energas, we are committed to help you get the most for your heating dollar. Gas heating, combined with good conservation practices, saves energy, too.

ENERGAS
Efficient Gas Energy for West Texas

Based on 1981 D.O.E. Established Average Values.

Mrs. Dixon's Rites Set

Funeral services for Ella B. Dixon, 86, will be conducted Wednesday at 2 p.m. at the First United Methodist Church of Bovina. Officiating will be Rev. Dick Richards, pastor.

Burial will be in Bovina Cemetery under the direction of Parsons-Ellis Funeral Home.

Mrs. Dixon died Monday, October 5, 1981 at Parmer County Community Hospital.

She was born April 19, 1895 in Greenville, Missouri. She married Paul O. Dixon August 7, 1921 in Stratford. She moved to Bovina in 1962, coming here from Kress.

Survivors include her husband, Paul of the home, two sons, Robert R. Dixon, Tulsa, Oklahoma, and John F. Dixon of Bovina; two daughters, Mary Hazel Hill, Amarillo and Dixie Lee Baker, Corpus Christi.

Also surviving are two sisters, Mrs. J.C. O'Brien and Mrs. Henry Brown, both of Stratford, a brother, Earl Smith of Stratford, 12 grandchildren and 19 great-grandchildren.

ELLA B. DIXON

Pallbearers will be Pat Murphy, Roger Edwards, Douglas Dixon, John Robert Dixon, Bill Dixon, David Dixon and Mike Dixon.

Carla Majors Is New Caseworker

Parmer County has a new caseworker to deal with child abuse and neglect, Mrs. Carla Majors. Mrs. Majors is taking the place of Kathy Jackson who resigned in mid-July. She is a registered nurse and this background should help in her work with abused and neglected children. The Child Welfare office for Castro and Parmer counties is in Dimmitt where Mrs. Majors resides.

The board spent time getting acquainted with Carla and discussing various county-wide problems that have arisen in the past 2 1/2 to 3 months.

The Maize Days display of materials and the selling of popcorn was discussed. The Board was somewhat disappointed at the amount of popcorn sold, but hopes to have greater success at the Christmas in November festival at the Friona community center. The Board expressed its thanks to Bessie Holt for operating the booth most of the time it was open and to Robert Gallman for providing the shed out of which board members worked.

The Friona United Methodist Church has offered the use of a room in the church for a clothing closet for the Parmer County caseworker. The idea is to have clothes

available when needed by the caseworker but with no access by the general public. The board sends their gratitude to the United Methodist Church for their cooperation. Churches in the county will soon be contacted with the request for children's clothing (clothes for children ranging from 1 month to 18 years) that is in good condition. The clothes will be given to the Parmer County Child Welfare Board for use in this closet.

New board members will be installed at the next meeting, Thursday, October 29 at 7:30 p.m. at the First State Bank of Bovina. Also, at the October meeting the board hopes to have Mrs. Debbie Ferriter, foster parent placement worker, from Amarillo with them. Mrs. Ferriter will bring the board up to date on the status of foster home openings, needs, etc. The October meeting will also be a time when the board will make some final decisions on future actions it will take in prevention of child abuse and neglect and in actions promoting public awareness of the existing problems.

Those present at the September meeting were Ona Patterson, Don Spring, Jo Blackwell, Carla Majors (caseworker), Bessie Holt and Rev. Skip Sirnic.

Looneys Visit Grandson Stationed In Hawaii

Mr. and Mrs. Reagan Looney of Bovina enjoyed several days in the sunny Pacific while they visited with their grandsons, Stuart Reagan McMeans, who is stationed with the US Marine Corps there.

McMeans was recently elevated to the rank of Captain, and last August was the recipient of the Air Medal with Bronze Star for his heroic, and levelheaded command of a helicopter which had blown an engine.

Mrs. Looney brought by Stuart's citation for his efforts and it read:

"The President of the United States takes pleasure in presenting the Air Medal with Bronze Star for the first award to Stuart Reagan McMeans, First Lieutenant, United States Marine Corps Reserve for service as set forth in the following citation: For meritorious achievement in aerial flight on August 7, 1980, as pilot in command of aircraft EP-12 of Marine Medium Helicopter Squadron Two Six Five, Marine Aircraft Group Two Four, first Marine Brigade Fleet Marine Force, Pacific. While flying over water in a CH-46 Seaknight, one of the planes engines lost all power, and the aircraft began a rapid descent. Immediately recognizing this extremely hazardous situation, First Lieutenant McMeans quickly initiated the necessary action. Displaying exceptional aviation skills and calm professionalism, he flawlessly executed emergency procedures

required to save his craft, crew, and 18 fully combat-equipped Marines from possible disaster. He skillfully continued to keep his aircraft flying toward land while activating the emergency throttle and coordinating the crew's actions to lighten the load by jettisoning fuel and equipment. The poise and courage of First Lt. McMeans reflected great credit upon himself and were in keeping with the highest traditions of the Marine Corps and the United States Naval Service. For the President, D.C. Davis, Admiral, U.S. Navy, Commander in Chief U.S. Pacific Fleet."

The Looney's and their daughter, June Gay McMeans, left for Hawaii on September 15 from Amarillo, where they flew to the islands, and remained there, in Honolulu, for the first few days.

Capt. McMeans provided a guest house for the visitors from Texas, and also played host and tour guide for the relatives.

The entourage toured the "Big Island" (Hawaii) for two days and then excursioned on Maui for a couple of days.

Among some of the sights they took in was a volcano, which erupted for the last time in 1979, and they also visited the shrine at Pearl Harbor, as well as the International Polynesian Center where cultures from all of the islands' natives are kept. This was founded by the Mormon Church,

according to Joe Looney. The Looneys also visited the International Market, and also had an outing and a luau while in Waikiki, where Stuart and June also spent some time snorkeling, but the Looneys decided that this type of water sport was not for them.

Joe remarked that the weather was beautiful while they were there, and she also said that she would love to go back stating that, "if my kids lived there, you bet I'd go back."

The Bovinas also visited the Dole pineapple factory and were guests at the world's largest Macadamia nut orchard while on the Hawaiian islands. They also saw many fruits, coconuts, and sugar cane fields while on their trip.

Joe said each morning they woke up to a glass of guava juice for breakfast.

Of course, one of the major points of the visit was to see Captain McMeans. He will be remembered as being the Valedictorian of his graduating class at Bovina High School. Later, Stuart attended Texas Tech University and North Texas State University, where he received his degree.

He is a pilot on a Marine helicopter, and also pilots small jets as well as other aircraft.

Stuart has three brothers, Bobby Mike, and J.B. McMeans.

HONORED.... Stuart McMeans, son of Mrs. June Gay (Looney) McMeans of

Amarillo, and grandson of Mr. and Mrs. Reagan Looney of Bovina received his captain's

bars in ceremonies held recently in Hawaii, where he is stationed. In addition he was also honored by receiving a Bronze Star for his meritorious conduct which avoided a flight disaster last August.

LEGAL NOTICE
Deaf Smith Electric Cooperative, Inc., P.O. Box 753, Hereford, Texas, 79045, is making an application for a loan from the Rural Electrification Administration. The loan will provide funding for the needed construction as determined in a recent two-year work plan. This construction includes a new substation of approximately 10,000 KVA capacity along with the necessary transmission lines to serve it. This substation will be located in Castro County, with exact location to be determined by load growth demand. This new construction further includes distribution lines of 146.8 miles of overhead line and 22.3 miles of underground line, which will provide service for 1044 new consumers which the Cooperative anticipates serving in 1982 and 1983. New distribution tie-lines will be constructed to improve voltage-levels, increase capacity, and improve system operating economics. Most of this construction will be located in Parmer and Castro Counties. These facilities will make it possible for the Cooperative to meet the increasing demands for electric power. If there are comments on the environmental aspects of the proposed construction, it should be submitted to the Cooperative before November 1, 1981. Additional information may be obtained at the Cooperative at the above address.

Feeders To Support Proposition

Texas Cattle Feeders Association President R.L. (Bob) Bliss today urged his fellow Texans to vote for Proposition Five on November 3.

Proposition Five seeks to include livestock and poultry with all other farm products, which are already exempt from property (ad valorem) taxation. It is one of seven propositions on the November 3 ballot. "Of the seven largest cattle feeding states, Texas is the only state which unconditionally imposes property taxes on livestock," Bliss said. "This places Texas beef producers at a price competitive disadvantage with other states. We now have an opportunity to correct this inequity."

"Obviously, where this tax is levied, costs of production are greater than where it is not imposed," he added. "As long as this situation continues, we are increasing the cattle feeders' production costs and making cattle feeding in Texas less attractive than in other states. Some feedyards outside of Texas even advertise their competitive advantage."

Bliss said the constitutional amendment cleared the Texas House of Representatives without a single dissenting vote, indicating their recognition of the inequity. It is supported by nine Texas farm organizations.

He added that the tax represents only a minute portion of the revenues collected by local taxing authorities--about one-fourth of one percent of revenues, statewide. "But the tax is inequitable," Bliss said, "because of widespread and inconsistent administration."

"In the long run," Bliss continued, "this is a positive step we can take to help hold the line on food costs."

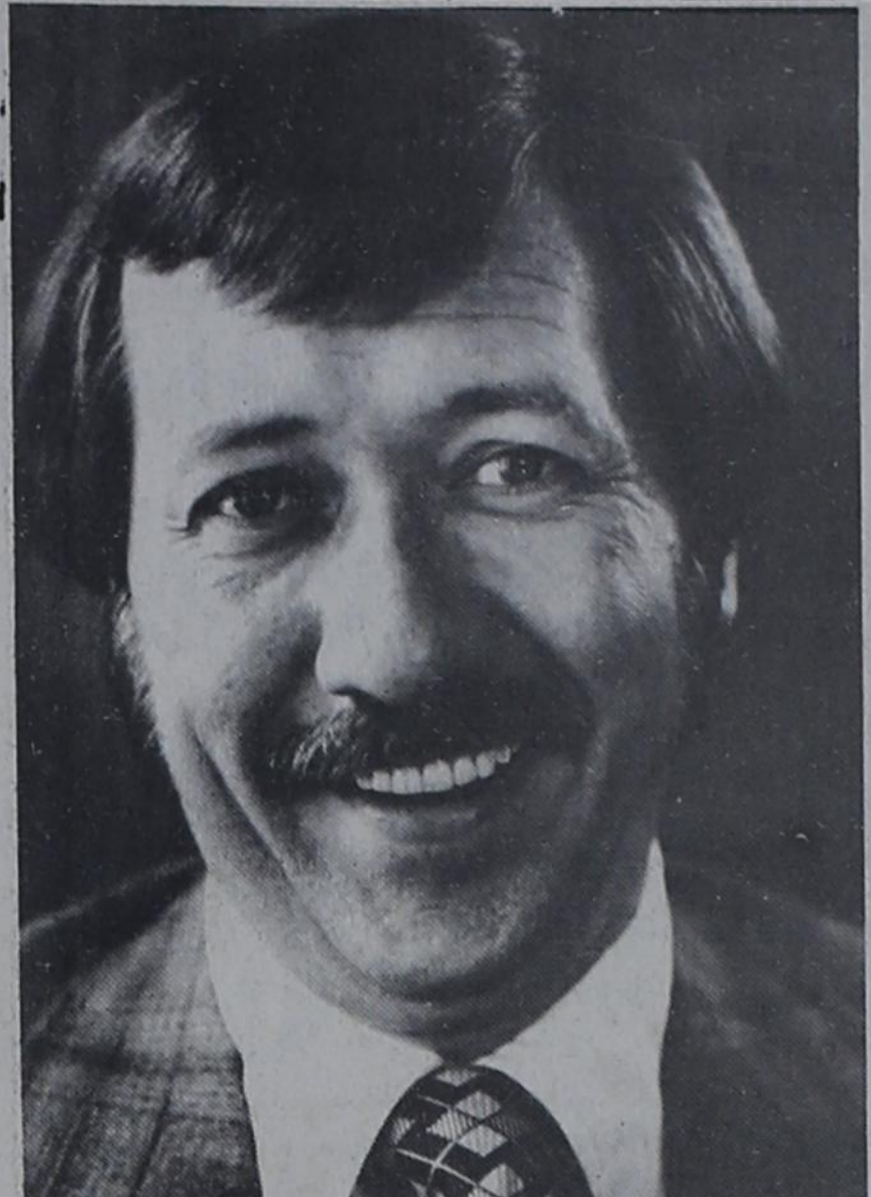

PUBLIC NOTICE
Notice is hereby given that Deaf Smith Electric Cooperative, Inc. (The "Utility") intends to change rates for electric utility service by adding a purchased power adjustment clause to all rates as soon as may be permitted by law. The changes are applicable to all areas to which the utility provides electric utility service. All classes of customers are affected by the proposed changes. The proposed rates will not immediately produce any increase in the operating revenues of the utility. However, if Southwestern Public Service Company is authorized to increase charges to the utility for wholesale power, then such increases will be charged to ratepayers of the utility.

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the utility and the classes and numbers of utility customers affected is on file with the Public Utility Commission of Texas and the municipalities of Hereford and Nazareth. The statement of intent is available for public inspection at the general office of the utility located at Hereford, Texas.

Hee Haw Star To Appear In Amarillo

Grady Nutt, Hee Haw's Prime Minister of Humor, will be in Amarillo on Monday, October 12. The Panhandle Planned Parenthood Association extends an invitation to anyone interested in attending the benefit performance. The cocktail supper will begin at 7 p.m. and showtime is at 8:30 p.m. at the Amarillo Little Theatre.

Grady was born in Amarillo. He shares with his audience his small-town boyhood and adolescence, and his frolic-filled college days at Baylor University. At the age of three, Grady's mama was standing him on a chair to reach the microphone for a radio program. He learned songs and hymns so fast that people in Amarillo considered him a child prodigy.

He sings, juggles, "handbones," and plays a dozen different musical instruments, including the triple-a small, ten string Spanish folk instrument Grady describes as a "ukelele with thyroid trouble."

In a word, Grady describes himself as a humorist: "A humorist isn't a comedian. He's not just trying to crack jokes...a humorist is an interpreter of life. He takes a common experience--something that's happened to everybody--and filters it through his own way of looking at things until it comes alive for another person who can say, 'Oh, yes, right'. That's the truth!"

Grady appears weekly as a regular cast member of the popular country music and comedy television show, Hee Haw. The demand for Grady's humor has kept him gringathering from Seattle to Dallas, and on October 12, back again to his hometown of Amarillo. Reservation deadline is October 9. Cost of the full evening of entertainment is \$35 per couple. For more information or to make reservations, call the Planned Parenthood office in Amarillo at 372-8731.

Ask the Land Bank about... money to buy land or improve your farm.

Farmers today are looking at ways to increase their productivity...buying or improving land...building or remodeling facilities. Whatever way you choose to grow, the Federal Land Bank can provide long-term credit to help. So when you're looking to buy or build, stop in and talk to the long-term farm credit specialists at your Land Bank Association.
