Bob Turner To Speak In Range, Monday, Oct. 14

RANGER - District 65 State Representative Bob Turner will be in Ranger on Monday, October 14, 1991, to speak to citizens of his district about the 13 Constitutional Amendments on the upcoming

Nov. 5 ballot. Accompanying Bob will be John Hofmann, Bob's legislative assistant

These two men have graciously accepted to give citizens of the 65th District the pros and cons about the amendments we are to be voting on.

One of the amendments is in reference to having a lottery in Texas; another regards allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote. Sounds simple? There

are 11 other amendments on the ballot, and they are not all that simply worded or as easily understood. This is why Bob and John will be

A new youth activity, open to all young people, age 13 through 19, has been announced by the Ranger Lions Club. The Lions will sponsor a Leo Club, whose members will have the opportunity to initiate community service projects of their own choosing.

In announcing the formation of the Leo Club, Shawn Wells, Lions Club President, noted that the young people of Ranger have tremendous talent and energy and view the here, to help us to understand what the meaning of the amendments are and what the consequences will be if they do or don't pass the approval of the voters.

The meeting will be held at 6:30 p.m. at the Ranger School Cafeteria on Hwy. 80 East. Make plans to attend and learn all you can before you go to the polls to vote Nov.

This is a great opportunity for adults, election judges, and especially for our young people who are old enough to vote. Teachers, encourage your government classes to attend this meeting. It will prove to be a great experience in education for them. Also, you can take this opportunity to get better acquainted with your state representative, the man who works for you in Austin, Bob Tur-

Though I have been a but she seems determined long time in Eastland,I had not met the Sadowskis and hearing that a Jeannie Sadowski was

running for congresswoman from the 17th district I wondered who she was. Was she some wild womens libber, a party hack or what?

When curiosity got the best of me I went by the hearing aid office her husband runs and upon meeting her found her to be just ordinary folks, no airs, no wild ideas (unless

honestly representing what the majority of people in the district think is a wild idea) and in short, I decided I could trust her.

Mrs Sadowski says she believes in limited terms (an idea that is taking hold in many areas where people are disgusted with the special interests buying their representatives) and she is a true conservative who can recount too many times we have been deceived.

'Hot Shots' Provides Comedy At Majestic

Are you in the mood for a really funny picture - a parody of some of the serious pictures such as "Top

Gun?" If the answer is yes, you'll want to check on the satire "Hot Shots," which is playing this weekend at the Majestic Theatre in Eastland. "Hot Shots" began Friday, Oct. 4 and will run each evening at 7:30

through Monday, Oct. 7 Admission will be \$3, and the movie is rated PG-13. Poker-faced Charlie Sheen plays the reckless

This story was written several months before Saddam Hussein invaded Kuwait last year - yet events which later transpired bear an uncanny resemblance to part of the picture.

Shooting a war parody during a real war gave the cast some strange moments, but the movie bounced on through. It comes across as affection-

ate as it is biting. This picture is considered a "sleeper" and a hitone of the funniest of the current films.

In a festival of un-cut cartoon classics, top "Looney Tunes" and "Merrie Melodies" favorites return to the big screen in an 85-minute compilation of twelve of the most acclaimed Warner Bros. cartoons. Selected for their appeal to adults as well as children, this program of timeless energy is made up of sparkling new prints struck from new negatives.

The scene of this gala event, the Majestic Theatre, originally opened in 1920 as the Connellee, is particularly appropriate for this exclusive showing due to its Art Deco exterior and interior neon-enhanced architectural themes which were added in a 1947 remodeling by Interstate Theatres Circuit.

The 825-seat Majestic was reopened in 1987 by the Eastland Fine Arts Association, a non-profit corporation created to operate and maintain the historic structure, one of a handful of Texas theatres to be an official State of Texas Historic Landmark.

Manager, Ed Allcorn, formerly longtime Manager of the Paramount Theatre in Abilene, was able to schedule this exclusive showing by working directly with Kit Parker, owner of the theatrical exhibition rights to this 1991 release.

While LOONEY TUNES HALL OF FAME will receive national publicity and exhibition in November, Allcorn wanted to give his regional audience the first chance to see this film at their home theatre. The Majestic will be only the fourth theatre in the country to exhibit the film.

This exclusive Eastland showing will continue through Monday, October 14 and will feature 2 p.m. matinee showings on Saturday and Sunday. All tickets will be sold at \$3.00.

Prior to a special press showing of LOONEY TUNES HALL OF FAME, area media representatives and special friends of the Majestic have been invited to a catered backstage dinner at the theatre.

The final cartoon in LOONEY TUNES HALL OF

MOBILE

FAME, Chuck Jones' "One Froggy Evening", depicts a demolition worker tearing down an 1892 structure and finding in the cornerstone a live frog. Does this sound familiar?

Kit Parker Films, of Monterey, California, a longtime leader in film distribution, has the rights to well over a hundred Warner Bros. cartoons in addition to those in the current compilation. These are also likely destined to find their way to the big screen at the Majestic in Eastland.

Recent classic film restorations by Kit Parker Films include: "Long Day's Journey Into Night", "Macbeth" (starring Orson Welles), "The Man Who Fell to Earth", "Rebel Without A Cause" and "A Streetcar Named Desire".

Other classics in their catalog include: "Around The World In 80 Days", "Giant", "Whatever Happened To Baby Jane?" and "Camelot".
