By

THURSDAY, MAY 5, will be our country's thirty-first consecutive National Day of Prayer. It is an occasion that Americans should note.

Observances of a national day of prayer date back to 1775, when the Continental Congress declared the first one. Other such days followed for several years. Through the succeeding decades other national days of prayer were declared from time to time until 1952, when, by joint action, the two houses of Congress established the custom of a national day of prayer on an annual basis. By this action, the nation's Chief Executive was instructed to set aside one such day each year.

The National Day of Prayer for 1983 will come on May 5, and plans are under way to observe it on the national, state and local levels. A national "celebration of prayer" is scheduled for Constitution Hall in Washington, D.C. Governors and many mayors have been alerted to the National Day of Prayer and asked to initiate appropriate activities in their own areas of influence.

Churches, synagogues and public buildings are being asked to cooperate by ringing their bells at noon on May 5 as a reminder of the day and as a call to united prayer. On an individual basis, Americans are being encouraged to observe the National Day of Prayer in ways appropriate to their own traditions.

In particular, all citizens are being asked to "Take 5 at 12" -- to take at least five minutes at noon, wherever they happen to be, to thank God for the blessings we enjoy, including our freedom itself, and to ask God's continued blessing on our nation in the days ahead.

We hope that Americans of all faiths will respond strongly to the National Day of Prayer appeals, and especially to the call for "5 (minutes) at 12" on May 5. All things considered, there may never have been a time when we had more to be thankful for, yet more need for God's help and guidance.

RICHARD SHEPHERD

Shepherd Is Named All-State

Richard Shepherd, junior playmaker for the 1982-83 Bovina Mustangs' basketball team, was chosen this week to a spot on the conference 2A all-state team announced by the Texas Sports Writers Association.

Shepherd, a 5-10 junior on the district and bi-district champion Mustang team, was named to the third team all-state by the writers.

Another area player, Robert Johnson of the regional and state champion Morton Indians, was named to the first team. Johnson is a six-foot junior. Teammate Travis Patton, a 5-8 senior, was chosen to the third team along with Shepherd.

Supermarket To Host 11th Anniv.

Bovina Supermarket will be celebrating its eleventh anniversary this week, with an anniversary sale beginning Thursday, April 28.

The biggest attraction of the special promotion will be the fact that some lucky customer will receive a \$100 gift certificate from the store's owners, Billy Whitecotton and Billy Smith.

In addition to the \$100 prize, a second prize will be a choice of a man's or woman's Timex Quartz watch. Third prize will be ten books of S&H Green Stamps or \$20 in cash.

Customers may register every time they visit the store during the next week for the door prizes. The drawing will be held on Wednesday, May 4.

On Friday and Saturday, April 29-30, free Pepsi Cola will be served to customers of the local supermarket.

As a special added attraction, the store will feature two "double coupon" days during the week, one on Saturday, April 30 and another on Tuesday, May 3. On these days only, manufacturer's coupons will be redeemed at double their face value, not to exceed the price of the item purchased.

The owners wish to express their sincere thanks to all of their customers for the business they have given them in the past 11 years, and hope to continue to provide high quality selections at low prices.

Billy Whitecotton and Billy Smith, owners, purchased the former Super Saveway store on Main Street and staged the grand opening of Bovina Supermarket on March 30, 1972.

The 11th anniversary promotion is being held in conjunction with the 106th anniversary of Ben Franklin stores, of which Bovina Supermarket is an affiliate. Scores of outstanding buys in the Ben Franklin section are featured this week.

(See the special advertising supplement contained in this issue of the Blade for the special buys during the anniversary sale.)

The store has been at its new location on Highway 86 for the past seven years, giving shoppers of the area a spacious, well-planned, orderly market in which to do their shopping.

Since moving to their location on Highway 86, the supermarket has begun opening on Sundays for the convenience of their customers.

WINS \$100 IN DRAWING....Darlene Miller, left, and Billy Whitecotton, right, show how some lucky entrant will win \$100 in the Anniversary Sale at Bovina Supermarket, which starts Thursday.

Commission Ponders Dump Site Problem

Further discussion concerning the dump ground in the Lazbuddie precinct was held at the regular meeting of the Parmer County Commissioners Court on April 11. The court reviewed estimates for different methods of handling the project, and is attempting to find the most economical way of accomplishing what is required by the Texas Department of Health.

Two bids were received on the truck advertised for sale by Precinct 4. After reviewing the bids, it was decided to reject both bids as being too low.

A motion was passed approving the articles of incorporation for the Parmer County Industrial Development Corporation.

A bill was approved in the amount of \$469.15, for the testing of a prisoner, to determine his fitness to stand trial.

Motion was approved to pay the boarding care bills for county foster children in the amount of \$2,142.10, which amount will be reimbursed to the county.

Sheriff Bill Morgan asked the court to have some shelves built in the jail storeroom for better storage. Motion

was passed to have the shelves built, at an estimated cost of \$465.

Approval was given to pay attorney Richard Collard \$188 as attorney ad item for a juvenile hearing.

The court approved paying Energas of Littlefield a total of \$2,150 for moving of gas lines on proposed Farm to Market Road 3333.

Benna Felts, county treasurer, presented the quarterly report of county finances. Motion was passed approving the report with the stipulation that it be published in the county's three newspapers.

Bonds were received for the county deputies and dispatchers and a reserve deputy. These were approved by the commissioners.

Purchase of an IBM typewriter for the County Clerk's office was approved. This was a budgeted item.

Soil conservation work was approved subject to availability of machinery for the following farmers: Davy Carthel, Donald Christian, Franse Irrigation, Kirby Burch, Jimmie Dale Seaton, Marvin Mimms, Wayne Clark and Bart Burnett. Those involved will reimburse the county for the work performed.
