## Texans Win All-Star Game In Ranger Sat.

There was a large crowd in Ranger Saturday night, July 27, as Texas High School Football laid claim to its dominance even in Six Man Football. It was the inaugural International Six-Man All Star Football Game with three Canadians joining the Six Man All Star from the other states as they challenged the Texas All Stars.

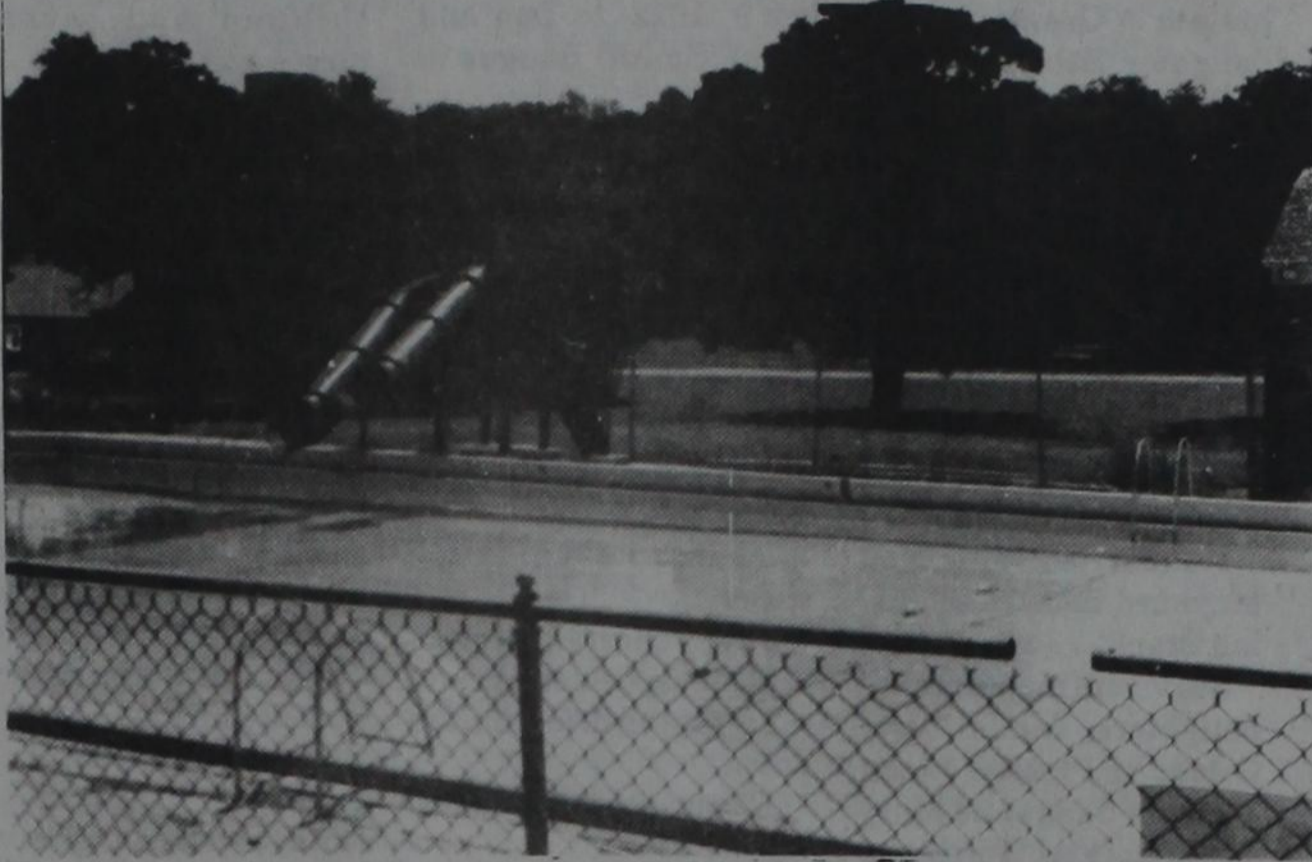

Defense played a major role in the outcome of what is traditionally a high scoring offensive game. The start of the game was delayed as a four inch rain fell in just over 30 minutes. The cloud burst, which one Ranger resident said was the heaviest rainfall he had seen, ended a dry spell which is so common in July and August in Central and West Texas. But it seemed to be limited to the Ranger area, so local farmers and ranchers may want more All Star games.

Texas won 60 to 38 with the North being limited to only one touchdown in the second half after the

South, or Texans, changed up their defense. But the South, which also made offensive adjustments in the second half, exploded for six touchdowns in the last half.

A key play for the South came in the third quarter when punter Casey Rowland didn't have time to kick the ball. He threw it as he was falling, and Chris Fisher ran under it for a 29 yard gain. Four plays later, Petey Salaiz of Mullin scored to give the South a 48 to 38 lead. It was one of the two touchdowns by Salaiz in the second half. Justin Lawrence of Strawn rushed for 101 yards and a touchdown as the South found more success with the tight formation. In a defensive change, the South rushed only one player while covering with the others. And it shut down the North's passing attack.

The first touchdown was scored by a Canadian as the North took a 14 to 0 lead before the South caught up.

Fresh water and a new brightly colored, double barreled, enclosed slide await an influx of children at the Ranger Swimming Pool.

### At Open House Tues.

## Eastland Memorial Hospital Receives Level IV Trauma Center Certification

A number of community leaders, medical personnel and the general public attended the Open House at Eastland Memorial Hospital Tuesday morning.

In a ceremony held in the Lobby, Kathryn Perkins, R.N., Assistant Chief of the Bureau of Emergency Management (Austin) presented a Level IV Trauma Center Certificate to Dr. Robert Matthews, Chief of Staff and Medical Director of the Emergency Room, and DeVonna Wheeler, R.N., Emergency Room Supervisor and survey team leader.

John Yearly, EMH Administrator, welcomed all to the event. He recognized a number of those present, including Hospital Board Chairman Bill Hoffman and Board members, Kathryn Perkins, Dr. Robert Matthews, John Cook, State Representative of District 60, and Jim Keffer, who is running for the office of State Representative.

"The successful completion of this certification was made possible by the efforts of numerous EMH personnel and was very capably led by Mrs.

Wheeler," Yearly said.

DeVonna Wheeler explained that in order to be certified as a Trauma Facility, numerous policies, procedures, equipment, personnel services and educational achievements had to be met.

In addition, the Bureau of Emergency Management completed an on-site survey which included a review of existing patient care systems, interviews with emergency personnel and a review of systems.

"There are four levels of certification," Mrs. Wheeler explained. "A level IV facility, like EMH, is one that provides basic life support services to stabilize the patient until transfer to a higher level of care can be arranged."

Katherine Perkins brought greeting from David R. Smith, the Commissioner of Health. She said there are Trauma Designated Hospitals across the state now.

"The Legislature realized that people were dying out here who might be saved. It was decided to coordinate the care for injury victims.

"We've come a long way - for people realize how important the first response system is. Injury is the Number 1 health problem in America today," she stated.

Rep. John Cook said: "It is always a pleasure to see medical facilities continue to grow.

"This is the kind of facility that saves lives - heart attacks, accidents, gunshot wounds.

"Access to quality emergency care is essential to the well-

being of Texans who choose to live in rural areas," said Cook. "I congratulate Eastland Memorial Hospital on taking these steps."

Dr. Matthews said that Eastland is in a very unique situation - few rural communities have a hospital this good.

"We are very fortunate to have a hospital board like ours," he continued. "They have fought through thick and thin to keep this hospital - in a time when not many rural hospitals survived."

Dr. Matthews said that the hospital was fortunate to have John Yearly as an Administrator, and the group of doctors practicing.

### RISD Summer Registration

New Students in grades Pre-Kindergarten through six can register in the Elementary Office Mon.-Thurs. during the following hours: 8:30 AM to Noon/1:00 to 3:30. This procedure is for students who did not complete the '95-96 year at our school. Pre-Kindergarten and Kindergarten children who pre-registered in April are excluded.

The school will need to copy the birth certificate, immunization record, Social Security card, report card, and TAAS report at the time of registration.

Ranger elementary school will begin the 1996-97 school year on Wednesday, August 14, 1996. The tardy bell will ring at 8:05 AM. The afternoon PK students report at 11:45 AM.

### Drewett Family In Concert

Trinity Baptist Church in Strawn, Texas will be having the Drewett Family in Concert Friday, August 2nd at 7 p.m.

Everyone is welcome to attend.

## Big Rains Hit Ranger, Dry Land Peanuts Hurt

Ranger was the place with the rain last weekend.

A downpour on Friday night around 11 p.m. brought 3 inches, and a spectacular rain beginning after 5:30 p.m. Saturday drenched the area with 4 inches in about an hour.

The Flatwood community got 2 1/2 to 3 inches Friday night, but only a trace Saturday afternoon. Rainfall was spotted in other areas of the county, with nothing like the totals in Ranger.

The Friday night and Saturday rains there each moved into the town from the NNW, the result of a cold front drifting down from the Panhandle and Red River.

On Friday night the rain fell on parched ground, but fullled creeks and low places in the town. The Saturday afternoon cloudburst overflowed creeks, and high water threatened some buildings.

Acting Police Chief Don Enix said there was some damage to Bulldog Floral during the storm. So much water collected on the roof of the building that it was unable to handle the weight. Part of the roof collapsed and water ran into the building.

The Police Chief said that Volunteer Firemen were out helping the Police Department during the worst of the storm. There was a lightning strike somewhere near Western Manor Nursing Home. It threw an electrical surge into the building, but there was no damage. The Police Department and Firemen checked this over carefully.

"During the storm a lot of citizens were out, trying to drive through deep water," Enix said. "Some streets were blocked off. Thankfully there were no accidents."

Some of those citizens observed by the Chief were probably trying to get to the International Six-Man All-Star Football Game scheduled at Ranger

### Clothes Closet To Open Sat.

The Ranger Clothes Closet will be open Saturday, August 3 from 8 a.m. - 12 noon. It is located across from the Ranger Times bldg.

There are clothes available for everyone.

College. Let a little thing like a cloudburst stop them? Not on your life!

The teams were divided by geography, with the South Team made up of All-Star players from Texas, and the North Team composed of players from out-of-state and Canada.

Scheduled for 7:30 p.m., the game was delayed for 10 minutes because of high water, says Ranger College Instructor Jim Cockburn, the announcer.

"There had been so much rain that the field was surrounded by water," he said. "The water was knee deep behind the home stands. People were in line to get in, and we had to put some walkways to the back gate."

A huge crowd attended the game.

Cockburn added that by the time the teams began playing there were only a few drops of water coming down. And before the rain was over the skies had cleared.

When asked about the field, Cockburn said it was a grass turf and apparently in good shape.

"The rain didn't affect the playing a great deal, although the ball got wet and was some-

times a little slippery." After a close, hard-fought game, the Texans won over the North, 60-38.

While Ranger people are rejoicing over the weekend rains, others in the county are wishing they had more.

Totals in Eastland were: Friday night .61, and Saturday .22.

The totals in Cisco were about .75 for both days. The pump station at Lake Cisco reported only .3 inches in all, with most of that Friday night.

Southeast of Cisco, 6 miles, there was a 1 inch rain on Friday night, and .22 on Saturday afternoon.

Lesser amounts were reported around Rising Star, with around .50 in and around the town.

County Agent Davy Vestal says that irrigated peanuts look really good, but the dry land is suffering. "The rains have been too spotted," he notes. "We need general, soaking moisture."

At presstime Tuesday the weather forecast held some promise of just that.

Another mass of cooler, wet weather was hanging around the Red River.

But would it move down? That was the big question around Eastland County.

## Jr.-Sr. High Students To Pick Up Schedules

Students who will be attending Ranger Jr. High and Sr. High School during the upcoming 1996-97 school year need to pick up their schedule at the high school office according to the following schedule:

Seniors- Tuesday, August 6, from 9:30 until 11:30 a.m.

Juniors- Tuesday, August 6, from 1:30 until 3:30 p.m.

Sophomores- Wednesday, August 7, from 9:30 until 11:30 a.m.

Freshmen- Wednesday, August 7, from 1:30 until 3:30 p.m.

Students are reminded that they need to take care of any fines from last year and any needed immunization booster shots. Students are urged to pick up their schedule before the first day of school to prevent unnecessary confusion.

New students must bring with them a copy of their birth certificate, up-to-date immunization records, social security number, and last report card from the previous school. Parents need to accompany new students.

Remember to get any booster shot that is due before school starts, August 14. Texas Education Agency states that any student that is not up to date on their immunizations can not attend a public school.

## Victor Morales To Visit County

Victor M. Morales, Democratic candidate for the U.S. Senate, will be in Eastland County on Friday, Aug. 9.

Morales will be driving his fabled little white pickup, and will arrive at the Courthouse Square in Eastland at 4:30 p.m. on that date.

Chairman of the Democratic Party, invites the public to come out and give Morales a big welcome.

Victor Morales had a spectacular win in the Democratic Primary, and is running for the Senate seat held by Republican incumbent Phil Gramm.

## New Private Christian School Planned For Fall

Local parents are now laying the groundwork to begin a new private Christian school in the Eastland area, with instruction from Grade School through High School.

Many people feel that there is a need for a Christian alternative to public school or home schooling. Steps have been taken to ensure that the school will be a state-accredited school with an approved curriculum. Of primary importance will be the establishment for a positive learning environment for all students.

Although still in the beginning stages, ideas for special activities include field trips, reading incentive programs, Saxon math, thematic unit activities, music, art and drama activities, vocational skills.

Current planning includes securing the loca-

tion, ordering curriculum, and defining school policies. Operations would begin in the current fall semester, with a tentative opening date of September 3, 1996.

There will be a meeting this Sunday, August 4, 1996, at 3 p.m. at the Eastland National Bank Community Room for prospective parents and anyone else wishing more information about the school.

For additional information, please contact Kay Riffle at 629-3159, Freida Loggins at 629-8975, or Debbie Parsons at 629-1202.

### Attention Masons

Ranger Lodge #738 will hold their stated meeting Thursday, August 1 at 7:30 p.m.

All Masons are invited.

### DREAMS

As the old man sits in his rocking chair  
His eyes fill with silent tears.  
He thinks of days so long ago  
And wish they were with him, those he adores.  
His eyelids grow heavy and start to close  
He dreams of days so long ago.  
These dreams were ever on his mind  
When there was joy, happiness and peace of mind.

The picture of Jesus on the wall

Gave him strength he recalls.

Through heartache, sorrow and tears  
And He is with me all these years.

So trust in Jesus he would say  
For in trusting Him you'll find the way.

Tell Him your sorrow, troubles and fears  
And His love will guide you through the years.

### RECIPES

**Zucchini-Tomato Bake**

1/2 lb. zucchini, thinly sliced  
2 cups cherry tomatoes  
1/4 teaspoon oregano  
1 teaspoon dried minced onion  
1/2 teaspoon dried parsley flakes  
1/4 teaspoon sweet basil leaves  
1 tablespoon butter  
Pull all ingredients in 1 1/2 quart casserole and cover. Bake in 350 degree oven for 1 hour.

**Fried Bananas**  
2 eggs  
2 tablespoons flour  
1/2 teaspoon salt  
6 firm slightly green bananas  
grease for frying

Separate eggs; reserve yolks. Beat egg whites slightly and add flour and salt; add to egg whites and blend thoroughly. Peel and quarter bananas; dip in batter. Fry bananas in about 1/4 inch hot grease until golden brown on both sides. Thanks to Miss Morris, my former home-making teacher.

**Creamed Carrots and Peas**

1 pound carrots sliced  
1 package (10 oz.) frozen peas  
2 teaspoons salt  
1/2 cup water  
1 1/2 cups milk  
1 teaspoon sugar  
1/8 teaspoon pepper  
3 tablespoons flour  
3 tablespoons oleo

Cook carrots and peas in salted water until tender. Drain and add milk, sugar and pepper; bring to a boil. Blend flour and oleo and add to vegetables. Cook until thick, stirring occasionally.

### Household Hints

**Baking**  
Adjust oven shelves before heating oven. Use level pans to insure even baking. Arrange pans so that they do not touch one another. Stagger pans so that one is never over another one.

**Bananas**  
Toss freshly peeled bananas in lemon juice and they will not turn dark.

Freeze bananas that are on the verge of going bad. Use in cooking or in popsicles.

**Frozen Vegetables**  
To restore fresh taste to frozen vegetables, pour boiling water over them until all traces of frozen water is gone.

## A Highway Engineer's Report From Africa

By Walter B. Neaves, P.E.  
907 Oakhollow Dr.  
Eastland, TX 76448  
Highways in Zambia are similar to Texas in many ways. The surfaces are asphalt on their main

system. Roadways are constructed using crushed base material. The signs are similar to our signs in Eastland. However, there are some differences to note. Zambians drive on

the left side of the roadway which takes time to get used to. Speed and distances are in metric. Funds are limited causing poor conditions of some city highways. Rural roads test the durability of their vehicles. Road maps are hard to obtain and directional signage is poor. Traffic control does not exist while roadways are under construction, so let the traveler beware!

A group of Eastland County residents experienced "different roads" in a trip to Lusaka, Zambia last month. Our team included Dr. Thomas Goodman, Dr. Robert Matthews, Charlotte Matthews, Terri Harris, Amy Harris, Betty Hughes, Loys Allman, Rev. Danny Brown, and Bryan Neaves.

The purpose of the trip was to visit established missionaries and provide service for their needs. Medical work, evangelism, and training leaders of a local church were some activities of the group.

There are other transportation subjects to address. A motorist could encounter almost anything. Military personnel set up checkpoints at fifty kilometer intervals to monitor the vehicles and cargo. People respect the guards with their shouldered AK-47s.

Grass grows five feet tall next to the pavement and vendors sell charcoal, firewood, and vegetables close

to the roadway. Pedestrians and cattle-drawn carts use the highway forcing drivers to be alert. They can purchase gasoline for about \$2.40 per gallon.

Most vehicles are Vokeswagon and Mercedes-Benz models. The poor economic conditions force most people to car pool or walk.

Temperatures ranged from 43-80 degrees because it is the winter season. Crops of cotton, corn, and sugar cane are currently in the fields.

The skies were clear at night revealing the southern hemisphere constellations such as Crux (the southern cross). We could see many stars normally hidden from our view in Texas. Zambia is seven hours ahead of our time making the trip confusing to our biological clocks.

We enjoyed the friendliness and fellowship of the Zambians. They love to read. They have limited exposure to television and radio. Therefore, they enjoy spending time discussing almost any topic with people.

We had many opportunities to tell unbelievers about the gospel of Jesus Christ. People in Eastland and Lusaka need to know the truth of Christ and how to receive the gift of eternal life. Zambians have more respect for the Holy Bible than most Americans, and listen seriously when scriptures were read aloud. Zambians love to worship by singing and clapping. They were not concerned about time and remained attentive to sermons lasting an hour and a half!

God blessed our group throughout the trip. We appreciate the prayers of our friends and families.

It was our sincere motive to glorify God in the things we did on this exciting trip.

## Eastland County Farm Bureau Winners Go To District Saturday

Two Gorman young people will represent Eastland County in the Texas Farm Bureau District Contests at Wylie High School, Abilene, August 3 at 7 p.m. Rehearsal for the Contests will be at 6 p.m. Contestants from 16 Counties will be present at the event.

Competing for the District title will be Miss Eastland County Farm Bureau, Jenny Goode of Gorman, age 17.

Jenny was Runner-Up in the local Contest June 24. But Courtney Ezzell, named Miss Eastland County Farm Bureau, was unable to schedule in the August 3 Contest. So Jenny Goode will proceed with the title and competition.

Jenny is the daughter of Gregg and Kathy Goode, and graduated from Gorman High School last spring. For two summers she has been working for Birdsong Peanuts, hauling hay, to help pay for College at Texas Tech. If she wins at Wylie she will receive a \$600 scholarship - a lot of help on this project.

District winners and one parental escort will also receive an expense-paid trip to the TFB Convention in San Antonio November 30-December 4, 1996.

The winner in the competition there will receive a \$2,000 scholarship and \$500 toward a wardrobe of all natural fibers. The Runner-Up will receive a \$1,500 Scholarship.

In the Talent Find portion of the District, 16 yr. old Tommy Seay of Gorman will take his engaging brand of Cowboy Poetry and give it a try on the audience.

Tommy, the son of Tho-

Jenny Goode, Miss Farm Bureau Eastland County, will compete in the District Contest August 3rd.

mas and Niki Seay, is a modern-day cowboy who enjoys ranch work and working at his Dad's Sale Barn. He has performed Cowboy Poetry for District and State-wide 4-H events, and for numerous other functions.

The District Talent Find winner will be awarded a \$600 scholarship, and will also compete on a state level for a \$2,000 scholarship and other awards.

Local Farm Bureau members feel that Tommy Seay and Jenny Goode will do well at the District Contest. The public is invited to come out at 7 p.m. to the Wylie School and watch these young people perform.

Tommy Seay, Talent Find Winner at the Eastland County Farm Bureau Contest, will recite his Cowboy Poetry at the District meet Saturday night.

AUSTIN — A legislative panel is expected to recommend that the responsibility for child-support collections be taken away from Texas Attorney General Dan Morales and given to a newly created "free-standing state entity."

The Senate Interim Committee on Juvenile Justice and Child Support has been reviewing the collections program for a year.

"The mothers and children of Texas cannot afford to keep this thing going," committee chairman Sen. Chris Harris, R-Arlington, told the *Dallas Morning News*.

A similar House panel, headed by Rep. Toby Goodman, R-Arlington, is studying the issue. Goodman said there is some sentiment among Democrats and Republicans on his committee for moving child support collections to another agency.

Morales, a Democrat, defended his handling of the child support collections program and said, "It wouldn't surprise me if maybe some politics are involved here. If that's the case, I think it's a shame because the children of Texas should never be used as political pawns."

### Wife Resigns As Lobbyist

Diane Allbaugh, the wife of Gov. George W. Bush's executive assistant, Joe Allbaugh, announced her resignation last week as a lobbyist for AT&T and Texas Utilities — corporations that have issues to be considered in the 1997

### Legislature.

Mrs. Allbaugh said she was resigning to avoid any appearance of influence-peddling, the *Dallas Morning News* reported.

Her announcement came after Bush said he was troubled by the appearance of a conflict of interest. Bush also said he may initiate a policy to deal with such situations.

Joe Allbaugh said his wife's work did not conflict with his responsibilities in the governor's office, and Ray Sullivan, a spokesman for Bush, said the governor did not ask Diane Allbaugh to resign.

In a letter to Bush's general counsel, Mrs. Allbaugh wrote: "I regret that my effort to resume my professional life has caused such distractions, and trust that this action on my part will address fully any possible concerns."

Mrs. Allbaugh recently registered with the Texas Ethics Commission and Texas Utilities as a lobbyist, as required by law. AT&T was to pay her \$50,000 to \$100,000 a year, and Texas Utilities was to pay her \$25,000 to \$50,000 a year, the *Austin American-Statesman* reported.

Mr. Allbaugh's annual salary is \$125,000.

### Sharp to Push for Tax Relief

Texas Comptroller John Sharp said last week he is confident Gov. Bush will address property tax relief during the 1997 legislative session.

If, however, Bush decides not to go forward with a plan, Sharp said he "would sure look at it then" because he's convinced that the tax burden shouldered by property owners is a problem — and besides, it's his job to help Bush find a way to fix it.

"I don't need public opinion polls or a set of hearings to tell me that the public is severely upset about what they see as trends in property taxes," Sharp said.

A special committee appointed by Bush and headed by Texas Insurance Commissioner Elton Bomer is conducting hearings around Texas to gauge support of an alternative to local school property taxes —

### about \$10 billion a year.

Bush and lawmakers are to decide what to do after Bomer's panel concludes its work in the fall.

### Cancer Society Lauds Demos

The American Cancer Society praised the Texas Democratic Party for its decision last month to no longer accept contributions from tobacco companies.

"It's not easy to turn away money. They are very courageous, and we'd love to see lots of other states follow," American Cancer Society spokeswoman Jerie Jordan told the Associated Press last week. California Democrats banned the acceptance of tobacco money over two years ago.

Lester Van Pelt III of the Republican Party of Texas said the state GOP plans no ban on tobacco donations, the AP reported.

The \$50,000 the Texas Democratic Party received from Philip Morris last year made up about one-fourth of the state party's corporate account donations, according to reports filed with the Texas Ethics Commission.

Last spring, Attorney General Morales, a Democrat, filed a \$4 billion federal lawsuit against the tobacco industry seeking reimbursement of Medicaid money spent on treating tobacco-related illnesses.

### Other Capital Highlights

■ U.S. Sen. Kay Bailey Hutchison, R-Texas, has been named chairwoman of the Subcommittee on Surface Transportation and Merchant Marine. She moved into the post after Majority Leader Sen. Trent Lott, R-Miss., relinquished chairmanship. The post is her first subcommittee chairmanship since she came to Congress in 1993.

■ For the first time in two decades, the number of state government jobs in Texas has declined, the *Wall Street Journal* reported last week. The decrease is 1.1 percent, or 2,919 positions for the first six months of the fiscal year, reducing the total payroll to 258,536 as of Feb. 29. Comptroller John Sharp estimated the reduction has saved taxpayers \$40 million.

## Eastland County Hosts Health & Safety Fair

A "Back-To-School" Health & Safety Fair for children will be held on Thursday, August 8th from 8 a.m. to 12 noon in the rear parking lot of Eastland Memorial Hospital.

The event is sponsored by Eastland Memorial Hospital and the Eastland County Home Economics Advisory Committee of the Texas Agricultural Extension Service.

There will be some 20 booths offering everything from free health screenings to meeting A.T.G. Hendrick Teddy Bear.

There are also many "fun things" planned for the kids including clowns, music, and free drinks. They will get a chance to

see a fire truck, police car, and ambulance up close and talk to policemen, firemen and emergency medical technicians. The Hendrick First Flight Helicopter will be on display. First Flight personnel will be distributing flight caps to all the kids.

Primary Health Care Cross Timbers Health Clinics Inc. will also be on hand with an immunization clinic offering free immunizations for kids and adults.

There will also be plenty of "back-to-school" door prizes.

The Fair is open to all youth — infant to college age—in Eastland County and their parents.

## Williams Family To Hold Reunion August 3 & 4

The Williams reunion will be held Saturday, Aug. 3 & Sunday, Aug. 4 at Camp Inspiration in Eastland.

Everyone is welcome to come visit and eat lunch.

### Days Gone By

With anxious hearts as the Williams reunion begins to draw near.

And bring with them lots of fun and cheer.

The older folks are so special to me.

The stories they tell you can almost see.

They tell of the times when the going was rough.

But that's what made them so strong and so tough.

But when the workday was over the fun began

They'd roast nuts in the campfire and drink from a tin.

The good ol' days have come and gone,

Now we just sing of them in a song.

So come on people, let's all have fun

And make some memories while we're still young.

We'll never be this young again,

As each reunion comes to an end.

## Carbon News

Sunday, July 28th, was fellowship time at the Full Gospel Church of Carbon. Jimmy Maples is the pastor there. A nice crowd was present for the morning worship service. Some of those present were: Bro. and Sis. Maxwell from Cross Plains, Sis. Maxine is also from Cross Plains, she has driven from Cross Plains to attend church for some 20 years. She was present when Brother James Hamilton first organized the church.

Others present were Brother and Sister Bill Phillips from Cisco, Mrs. Hodges from Gorman,

Archives (NNMO) G. S. A., Washington, D. C. 20408.

I encourage each person to begin now to interview those who are older than then they and find all the information they can. Put that information in a safe place and please share it with others. Genealogy is so interesting and so much fun. I urge you to write to me and give a little family history and the time and place of your reunions. Bring your family history to the reunion and see how many people are willing to share the stories they have heard on the family and how many are willing to give you new information.

I want to end this column by coping a poem that my great-grandfather wrote probably in the 1860 time frame.

Dear John, he wants to marry me, he told me so today.

It made me glad, it made me sad.

Dear John, he wants to marry me and bid me decide.

I've laughed and then I've cried, for John he waits and Bob he waits. They want me both together,

Sure mind was never in such straits before, now or never.

I want to hear from you! Please.

## TxDOT Public Meeting To Be Held August 14

The reconstruction of FM 2214 from FM 570, south to FM 2461 in Eastland County is one of several transportation projects that will be discussed at a public meeting held by the Texas Department of Transportation (TxDOT) on August 14 at 10:00 a.m. in the community room of the Eastland National Bank.

In the meeting, which will focus on future transportation plans in Eastland, Comanche, and Stephens counties, the public will get a first-hand

look at new projects scheduled during the next several years and have an opportunity to express ideas and concerns about the present system, said Brownwood District Engineer Lynn Passmore.

"We want to know if we're addressing the transportation needs of the area," he said. "Public input is critical to our planning process."

Public meetings have also been scheduled for August 19 in Lampasas and August 23 in Brownwood.

## Crime of the Month July 1996

On May 12, 1996, an armed robbery occurred at the Texas Express Fina station located at 303 East I-20 in Cisco. Taken in the robbery was an undisclosed amount of U.S. Currency.

An unknown subject wearing a black ski mask approached the clerk at approximately 12:51 AM and displayed what is believed to be a .25 caliber semi-automatic pistol. The assailant demanded the money from the register and threatened to kill the clerk if he did not cooperate.

The suspect is described as a white male, 5' 8" to 5' 10" in height with a slim build.

Anyone having information about this crime should call Eastland County Crime Stoppers at 629-TIPS (629-8477) or 1-800-300-3TIP (1-800-300-3847) before August 15, 1996. If your information leads to the arrest and indictment of the thieves, you may be eligible for a cash reward of up to \$1,000.00. You do not have to reveal your identity when you call Eastland County Crime Stoppers.

# Midwest Texas Leadership Training Announced

Midwest Texas Leadership is an innovative program designed to train and promote a network of leaders to be aggressively involved in the economic and community development of Eastland and Callahan Counties.

Midwest Texas Leadership will provide participants with sessions to develop communication skills and awareness, community needs assessments, leadership skills, team building,

problem solving, conflict management and alliance building. Along with the monthly meetings on the third Tuesday of the month, there will be many tours. Graduation next May will be a legislative trip to the State Capitol in Austin. A special recognition program will be sponsored for the class.

Midwest Texas Leadership will add perspective to the two counties while helping participants understand the assets, needs

and resources of this area. It will provide a team framework to discover solutions for meeting this area's unique challenges. The program is being sponsored by: Texas Agricultural Extension Service, West Texas Utilities Company, and Texas Midwest Community Network.

Application deadline is Thursday, Aug. 15, 1996. Applications may be secured from local Chamber of Commerce offices, Eastland County Extension Service

# Fishing Outdoors

## 5 Fish 30.60 Pounds Worth \$2,600.00

The final event for the West Texas Region of Anglers Choice was held at Lake Leon July 21, 1996. Sixteen teams weighed in 59 fish at a per fish average of 3.17 pounds, pretty awesome for July. Three fish were weighed in dead and this team was penalized.

Office located in the County Courthouse, or the Cisco WTU Office states Janet Thomas and Davy Vestal, Eastland County Extension Agents.

Nominations and scholarships are solicited from businesses, professional groups, agencies, institutions, civic groups and interested individuals. Since class space is limited, a Selection Committee will appoint a maximum of 30 people for each class. If more than 30 people apply, candidates who are not accepted will be encouraged to be on a "waiting list" for the next year's class.

Anglers Choice does strive for a 100% live release as do most fishing organizations.

Bobby Koncak and Rich Martin rocked the weigh-in crowd with a 5 fish string weighing 30.60 pounds. This included the days big fish of 9.93 pounds. This netted these gentlemen a combined total of \$2,600.00. Crankbaits and jigs in 16 feet of water in the main lake were working best.

Gary Carr and Trevor Romans boated 5 for 19.43 pounds using grubs and crankbaits in the midlake area. This second place finish nailed down the 1997 Angler of the Year title for these gentlemen, who also won this title in 1996 and 4 previous years.

The West Texas region of Anglers Choice had a slow year in numbers, but the payback couldn't be touched by anyone. A 19 team average per event were awarded \$3,571.00 and change for each of 7 event. Over \$25,000.00 in cash and prizes were awarded for the season. This was a combination of Tournament Fishermen Association bonus monies,

Anglers Choice, national and regional sponsors. Bottom line is "Anglers Choice" continues to be the industry leader for fishing events. The 1997 A.C. West

schedule is Feb.-Hubbard Creek, March-Granbury, April-Possum Kingdom, May-Leon, June-O.H. Ivie, July-Possum Kingdom, and August-Leon. For more information on

Anglers Choice events you may phone 817-629-3255. With summertime upon us the cool and solidued of night fishing comes to mind. Try the times of 3 nights before till 3 nights after a full moon. Some top baits: 10 inch worms in dasher colors with lots of rattles, spinner baits, large crankbaits and top waters. One method many anglers overlook is flipping shallow cover. It's really quick and easy, with a fairly bright moon. The same flipping baits

work at night as in day. The fish is feeding with the lunch table will be up there ready.

Don't forget the big sand bass schooling at Leon early and late. We haven't been out the last week, but reports have still been good.

Till next week, remember to carry those kids with you out to enjoy these days before school.

## SPARE THE LIGAMENTS

Ligaments are bands of fibrous tissue that connect bones and tissue and help to control joints such as the ankle. Few people think about their ligaments unless they suffer a sprain. This happens when a ligament's fibers are stretched or torn, usually because of a sudden, awkward movement that creates excessive stress.

Sprains vary in the intensity of their effects -- swelling, pain, discoloration and loss of joint mobility. Cold compresses applied immediately can help relieve swelling. The process of healing depends on how much the ligament bands were stretched or if they were torn. In most cases the podiatrist treats sprains, even some involving tears, with moderate means. For some torn ligaments, surgery is the solution.

Protecting ligaments is one reason that stretching exercises are in order prior to starting a jog, tennis game or other sports. Presented as a service to the community by:

## WANTED! UTILITY COMPANY CUSTOMERS

Who Want Their Utility Companies To Help Buy Them A New Central Air Conditioning System? Let Me Explain...

If you're presently cooling your home with window units or central air conditioning over 10 years old, you're paying up to twice as much on your utility bills as you should be. There have been technological breakthroughs in central air conditioning design, which when installed properly in your home or small business, will reduce the amount you pay the utility companies up to \$100 per month!

Conservation efforts are reflected in your electric meter, which measures energy use.

**NO MONEY DOWN  
NO INTEREST  
NO PAYMENT FOR SIX MONTHS**

### YOU CAN BUY WITH NO CASH

We negotiated a financing program with No money down, No interest and No payments for SIX MONTHS with approved credit.

### LOOK AT THIS

Imagine what you could do with \$4,980.00. \$4,980.00 is the money you could be throwing away over the next 10 years while you heat and cool your home with old, inefficient heating and air conditioning equipment. And this does not include any future repair cost to your old system.

### THINK ABOUT THIS

If you have an older system you're already paying for a new system anyway, You just haven't received the benefit of it yet!

### NO RISK - MONEY BACK GUARANTEE

No one else in our business gives you such a bold guarantee. If we don't meet all our promises and you're not satisfied, we'll take out the system and return all your money or install another system for a period of one year from date of installation. Think of it as a year long test drive.

### HERE'S HOW

Just call J & J Air Conditioning at 817-629-2251 or 1-800-585-2251 and set up an appointment for your FREE survey. We will come out, measure your home and determine the proper size equipment. We will then analyze your existing equipment and ductwork and any other concerns you may have. If we find that this offering is beneficial for your situation we will explain this fantastic program to you. There is absolutely no obligation to buy anything.

## Legislation To Provide Planting Flexibility

Washington, D.C.—Congressman Charles Stenholm announced House passage of legislation that will allow farmers to plant blackeyed peas and other crops following the failure of crops on contract acres, without forfeiting their transition payments.

Stenholm cosponsored this legislation because of an interpretation of the 1996 farm bill by the U.S. Department of Agriculture (USDA) prohibiting the planting of most fruit and vegetable crops on contract acreage.

According to the USDA, producers in Texas, even in counties designated as "double cropping regions," cannot plant blackeyed peas following a failed cotton crop, without for-

feiting their transition payments.

Under the 1990 farm bill, program crop producers who met the USDA's criteria for having suffered crop failures on paid acres were permitted to plant a fruit or vegetable crop on those failed acres without the loss of deficiency payments.

"I do not believe the authors of the 1996 farm bill intended to prohibit or restrict planting options relative to the past, and I feel certain that their aim was, at a bare minimum, to maintain the producer's freedom to farm his land at 1990 levels," said Stenholm.

In Texas, blackeyed peas have been historically grown on "failed" cotton acreage because of

## Allsup's Promotion Raises Money For Special Olympics

Allsup's Convenience Stores, Inc. has made an annual commitment to Texas Special Olympics by donating five cents per every Honcho plastic cup (44 oz. fountain drink) sold. Additionally, the company has kicked off the program with a promotion, "Chillin' with Chillee," whereby customers receive a free game piece with each Honcho drink purchase to win up to \$1,000 cash and free merchandise (no purchase necessary with mail-in request). The game promotion started July 23rd and will conclude on August 17th. See your local Allsup's store for details.

Allsup's says the annual program will raise approximately \$15,000 for Special Olympics. "We strongly believe in the mission of Special Olympics and are glad to offer our support," said Stephanie Kempton, Public Relations Director for Allsup's. Allsup's is teaming with Texas Special Olympics to offer in-store promotions by Special Olympics athletes start-

ing in September. Support Texas Special Olympics and buy a Honcho fountain drink today!

Texas Special Olympics (TSO) provides year-round sports training and competition to children and adults with mental challenges in your community. Ranger is part of Area 14 which serves Eastland County and the surrounding 24 counties. Area 14 serves approximately 900 athletes in the Big Country area in seven different sports. For more information about becoming a Special Olympic athlete or volunteer call (915) 677-3200.

"The Allsup's Honcho fountain drink promotion will benefit the Special Olympics programs in the areas in which the stores operate," according to Susan Comper, Area 14 Director. "By supporting this promotion you are supporting your local Special Olympics program."

## Moran News

By Mrs. Luke Huskey

Word has been received in Moran of the death of Bonnell Edwards, 77. Mr. Edwards was born in Moran and the son of the late Mr. and Mrs. Bugg Edwards. He lived in

their adaptability to the herbicides used in cotton planting.

More importantly, blackeyed peas allow producers an opportunity to grow a crop that requires less water during times of drought, provides excellent ground cover, leaves nitrogen for additional crops, and provides lenders with additional incentives to work with farmers experiencing difficult credit situations.

"Instead of leaving this matter open for continued interpretation, this legislation more clearly defines the circumstances under which farmers can plant a second crop without incurring an acre for acre reduction in their market transition payment," added Stenholm. "Our farmers need to have more certainty upon which to make their planting decisions, and I am hopeful the Senate will follow suit with comparable legislation."

Granbury and will be buried in Arlington.

He has relatives in Moran, a nephew of Dary Edwards and a cousin of Bryant Edwards and William Hudman.

He is survived by his wife, one son and three daughters and grandchildren.

Moran and community were blessed with some rain the last of last week. Some received more rain than other places, here in town approximately 2 inches fell. That was a most welcomed rain. Now the grass and weeds will start growing again. Some garden vegetables will be helped by the rain. More rain is needed, but all are proud of the amount that was received.

Kelli and Koby Hallmark of Sanger visited with their grandparents Mr. and Mrs. Ronald Hallmark, last week.

Remember the Moran Birthday Club will meet on Thursday evening, August 8, at the Lone Star Eatery in Albany. Come and enjoy an evening of fun, and fellowship.

## CHIROPRACTIC FOR BETTER HEALTH

STEPHEN G. BARRY D.C.

CHIROPRACTOR

### MEDICAL RESEARCH SUPPORTS CHIROPRACTIC

The *British Medical Journal* reports that Chiropractic treatment of low back pain, which affects 75 million Americans, is superior to the standard regimen administered by medical doctors.

The study, published in the summer of 1990, indicated that chiropractic manipulation can relieve severe back pain quicker and at lower cost than medical treatment. Chiropractic patients experienced less pain and disability and missed fewer days work.

At Barry Chiropractic Clinic we are committed to not only getting

you free of back pain but treating those conditions which cause your pain. No symptom can be more depressing than persistent back pain. Don't delay treatment when help is readily available.

## Letter To The Editor

Dear Editor:

Having just read Mr. Woolams' letter in the July 21 edition I would like to make a few, not altogether related, comments.

The defense of the growth of the national debt under President Reagan fails to take in to account the built-in balance of powers for Constitution provides. The President and Congress must work together to provide continuity in our system. Witness the breakdown or gridlock as it is commonly called, when they fail to work together. By the way which year did Mr. Reagan submit a balanced budget proposal to the Congress?

Investigation, indictment and conviction are quite different. After years of investigation and millions of dollars of taxpayers money being spent, there have been no indictments, let alone convictions, of any member of the current President's administration. (What effect do these endless efforts to find something - anything to use politically against the Clintons - have on any potential future Presidential candidate of either Party?) How many business or

political leaders will want to subject themselves and their families to such an ordeal? Although I personally believe most people are basically good, there are very few of us who have never given in to temptations.

About Mr. Hazel (notice above I said these comments might be unrelated) it is great to know that there is at least one "Oil Man" who only cares about making landowners rich and providing gasoline for those of us who enjoy driving. My personal, although very limited experience with "Oil Men", has not been that positive. The most memorable being the quote, "I can do any damn thing I want to on your property!" This was in response to a complaint about trash scattered on the property. More later about our present senior Senator and erstwhile candidate for President. What was his highest finish in the primary election?

Politically yours,  
Ronald Graham

Jo Harding (Helen Hunt) and Bill Harding (Bill Paxton) have just encountered a storm in Warner Bros. and Universal Pictures new action/adventure "Twister."

## 'Twister' To Show At Majestic Theatre

A tornado may not seem unique to Texas audiences, but the typical movie fans elsewhere will probably find a movie about them amazing.

Warner Bros' new movie "Twister" is not filmed in Texas however, but in Oklahoma in the area known as "tornado alley."

It is about two rival

groups of scientists as they chase the largest storm to hit Oklahoma for more than half a century. Each team wants to be the first to launch their own equipment pack inside a tornado. To do so, they must risk their lives by putting themselves in the path of marauding cyclones.

"Twister" stars Helen Hunt as Jo Harding and Bill Paxton as Bill Harding, an estranged couple thrown back together for one extraordinary chase. Jami Gertz and Cary Elwes also star in the film.

"Twister" also brings together a lot of talent in special effects. Industrial Light and Magic plays a big part in this picture, since obviously real tornadoes are camera-shy at times.

The effects are realistic and dramatic, with the audience feeling as if they have actually witnessed a twister. A picture like this

## NEWS & VIEWS

### For The 17th District

By Charlie Stenholm

#### Stenholm Named House Conferee on Welfare Reform Legislation

I have been appointed to serve as a conferee to resolve differences in the House and Senate versions of legislation to reform the nation's welfare system.

Having authored the

bipartisan welfare reform bill, I voted against the Majority's bill because of my opposition to the federal government dictating to the states a "one-size-fits-all" approach for mandating work requirements.

Under my welfare reform bill, welfare as a federal entitlement would be eliminated and the program would have been turned over to the states with tough work requirements and time limits on benefits.

As a conferee, I look forward to addressing the issue of unfunded mandates being placed on our state and local governments, along with my concerns about the impact of the Majority's bill on poor children.

I am encouraged by a July 23 vote in which House Republicans accepted a motion to instruct conferees regarding elimination of unfunded man-

dates on state and local governments, maximizing protections for children, preventing the creation of a larger uninsured population, and guaranteeing welfare savings are devoted to deficit reduction.

Earlier this year, I helped Texas secure a waiver from federal requirements for the welfare reform bill passed by the Texas Legislature and signed by Governor Bush.

Texas is in the process of implementing an important overhaul of the state's welfare system, but the Texas plan does not meet the requirements of the Majority's bill.

I just don't believe the federal government should be able to tell Texans what works best. Texas can best determine how we look after our needy children and elderly, and how we put able-bodied people to work.

#### Rural Health Legislation Introduced

This week the Rural Health Improvement Act of 1996, bipartisan legislation I helped to write to ensure affordability and access to quality health care in rural areas, re-

ceived the endorsement of several major rural health organizations.

Additionally, the chairman of the Rural Health Care Coalition indicated that he has received assurances from the House leadership that rural health care reform will be considered this year.

The bill reduces the wide variation in Medicare payment rates that exists between providers in rural areas and those in larger cities, who generally receive a much higher rate.

#### House Passes Law Enforcement Funding

On July 24, I voted in support of the 1997 Commerce, Justice, State and Judiciary Appropriations bill. This bill provides \$571 million for Local Law Enforcement Block Grants to help reduce crime, improve public safety, hire new police officers, establish crime prevention programs and drug courts.

ing here, and a high quality of nursing care. He mentioned the fine quality of many departments - Lab and X-Ray, physical therapy, EMS staff, and the volunteer program.

He said the emergency room was extremely busy.

"There are not many things you'll have to leave this hospital and go elsewhere for. Stick with it and don't give up," he concluded.

John Yeary said there were several more exciting plans underway for the hospital - but they would be announced at a later date.

The ceremony ended with refreshments in the Hospitality Room.

## Mission Possible: 3Rd Annual Inter-Denominational Youth Rally Saturday, August 3rd

The 3rd Annual Inter-Denominational Youth Rally will be held Saturday, August 3, 1996 at the Eastland City Park. The event will begin at 10 a.m. with registration and continue until 10 p.m. that evening. Games, workshops, recreation, praise sessions and service will be on the agenda for that day. The event has become an annual rally for teenagers and young around the area. Youth

from as far away as San Saba and Rotan are scheduled to be at the rally. The rally is being sponsored by GLORIFY, a teen praise group comprised of youth from area churches dedicated to song and testimony for the Lord Jesus Christ. Helping this year is Unspoken Love, a mime group from Gunsight Baptist Church and the Cisco Baptist Association who will be supplying a

Pizza Party that evening.

All area teenagers and college age people are invited to attend this FREE event. If you or your youth group would like to sing, mime or perform a drama, please bring your tapes and materials for the afternoon and evening praise rallies. Those groups that attended the October Rally will remember what a great outpouring of talent and praise that was heard. We want to continue this part of the rally and Danny Craig, sound engineer for GLORIFY and Mark Hoover, CBA youth minister will be in charge of this event.

Speaking at this year's evening service will be Reverend Danny Brown, pastor of North Seaman First Baptist Church of Eastland. Brother Danny has a beautiful relationship with God and shares his love of Christ with youth

through song and scripture. Also at this year's event, there will be two speakers for the afternoon workshop's. They will be speaking on Alcoholism/Drug Abuse and Teen Pregnancy. Both of these speakers are well versed in their subjects and provide an objective Christian view on these two elements that plague today's young people.

Last year there were over 250 youth at the rally and with the early pre-registration, there should be around 400 this year at Eastland Park. The city of Eastland has a beautiful park with a large stage area by the pool. There is also plenty of covered picnic tables under the pavilion.

Anyone planning to attend is asked to bring a blanket or sheet to sit on the ground. There are plenty of shade trees around the stage and also sunny places for those wanting to

soak up rays while listening to songs of praise to the Lord Jesus Christ.

If you would like

more information on this rally please call: Patti Cozart--629-3136; Maria Hernandez 629-8940;

Danny Craig 629-3543; Sandra Mathias 629-8818.

SEE YOU AT THE RALLY.

## Adult Education
